THOSE WHO DISBELIEVE, AND WHAT THEY SAY

**I seek refuge in Allah from satan the rejected.
In the name of Allah, The Most Gracious, The Most Merciful.**

God, Most Wise, has arranged **the Quran in a specific sequence**. He is the One who also collected it into Quran. The specific arrangement and sequence are handed down to us, as a mercy from Him. There are a certain number of verses that start with a pattern of certain words and the same is true for the ending of verses. This system extends to the 1st and the last verses of the chapters also. Today's disbelievers keep on giving credit to prophet Muhammad for the Quran and ignore and disregard what God tells them in the scripture. **All the credit and praise is due to Allah**, whose wisdom and knowledge far surpasses all the humans on earth.

The disbelievers object to everything that God does or sends down. They call this Book human-made, difficult to understand, outdated, contradictory and much more. They challenge that God should come physically, or the angels should bring the Book and that the messengers should bring certain kinds of Miracles that they would like. All these statements and challenges are known to God and He makes a serious note of them. That is why He has quoted the following verses in the Scripture.

30:35 Have we given them authorization that justifies their "idolatry?"

43:5 Should we just ignore the fact that you have transgressed the limits?

Revealed: In verse **30:35**, the **Allah letters** are **14** - **Seven Pairs**.

Revealed: In verse **43:5**, the **messenger's initials** are **14** - **Seven Pairs**.

Miracle: The **Arabic letters** are **42** and **35**, **revealing the diff. of 7** - **Miracle of 7**. Furthermore, **42** is a **multiple of 14**, and **35** is a **multiple of 7** - also **Seven Pairs**.

As I have stated above, God takes a serious note of the criticism of disbelievers, which is evident by the type of Proof He has put in the first part of 43:5.

43:5 Part: "Should we just ignore the fact".

Revealed: The **Arabic letters** are **19**, and the **Quranic initials** are **14**, **thus unveiling the 2 Sacred Codes** and proving what I have stated. Glory be to Allah.

To remove the controversy and doubts of disbelievers, once and for all, the verses as well as the proofs confirm that it was **Allah, Most Honorable**, who arranged the Quran into a specific sequence that ties in with His mathematical codes, and not His servant Muhammad. I will today recite and present the proofs from Allah.

75:16 Do not move your tongue to hasten it. (Why does God tell the messenger not to rush the revelations and not to utter them before God revealed them.) The proofs below will explain His system.

Revealed: The **Allah letters** are **8**, and **messenger's letters** are **9**, proving **He is the One (1)** who reveals first before it can be recited to the people.

75:17 It is we who will collect it into Quran.

75:18 Once we recite it, you shall follow such a Quran.

Revealed: The **Allah letters** are **6** and **7**, proving that **He is the One (1)** who reveals the order of all revelations and the subject matter to be revealed.

75:19 Then it is we who will explain it.

Revealed: The **verse number** is **19**, and the **verse** has **14 Arabic letters**, proving that all the explanation is given by God through the messengers under the Divine Codes of **19** and **14** Subhan Allah.

25:32 Part: WE HAVE RECITED IT IN A SPECIFIC SEQUENCE.

Revealed: The **Allah letters** are **4**, and **messenger's letters** are **5**, **revealing and confirming that the Quran is arranged in a specific sequence and that He is the One (1)** who guides me in whatever I recite and present to you, in accordance with His will.

Revealed: The GV of **Allah letters** are a perfect **66 ALLAH**" (Bow or Prostrate to Allah).

****Let me now recite some of the verses that start in the same way about the objections and complaints of the disbelievers, who cannot appreciate what God has revealed. To show you the pattern of these verses, I have highlighted the beginning portion, so you can observe the Miracle in the end.

13:7 Part 1: **Those who disbelieved say:** "If only a miracle could come down to him from his Lord".

(The disbelievers would be surprised when they read these sermons and open the website, that what they demand has already come down from the Lord).

Revealed: The Allah letters are **14 (Seven Pairs)** & messenger's initials are **15, revealing the diff. of 1. GOD.**

13:7 Part 2: You are simply a warner – every community receives a guiding teacher.

Revealed: The Allah letters are **14**, and **7** in each part, **revealing the Seven Pairs, Subhan Allah.**

Revealed: The Aleefs for each part are **5** and **4**, again **revealing the ONE GOD.**

In this chapter, the same verse is repeated, though in a different way; so that God can show the disbelievers more proofs about His power to structure the verses mathematically. No matter what He shows them, their ridiculous questions will never end. Look again to appreciate God's words.

13:27 Part 1: Those who disbelieve would say: “If only a miracle could come down to him from his Lord”.

Revealed: In this part, the Allah letters are **14, revealing the Seven Pairs.**

13:27 Part 2: Say, “GOD sends astray whomever He wills, and guides to Him only those who obey”.

Revealed: In this part, the Allah letters are **14, revealing the Seven Pairs.**

Revealed: In Part 1, the messenger's letters are **20**. In Part 2, the messenger's letters are **19, revealing the diff. of 1;** conveying God's message that He guides only those who obey Him, by believing in His messenger and the revelations that He sends down.

Revealed: In Part 1, the Aleefs are **5**. In Part 2, the Aleefs are **6, revealing God's Absolute Authority as the One and Only.**

13:43 Part 1: Those who disbelieved will say: “You are not a messenger!”

(But this is what God has to say regarding the disbelievers' utterance, by providing the following:)

Revealed: The Allah letters are **7**, and messenger's letters are **14, revealing the Seven Pairs.**

13:43 Part 2: Say, “**GOD** suffices as a witness between me and you, and those who possess knowledge of the scripture.”

Revealed: For **Part 1**, the **messenger's letters** are **14**, a **multiple of 7 and 14**. For the entire verse, the **messenger's letters** are **38**, a **multiple of 19**, thus God has defeated the disbelievers' utterance through **His Divine Codes of 14 and 19**.

In the above verse, 13:43, besides God being the witness over these revelations, a certain group of people is mentioned, who are always few, and they “possess knowledge of the scripture.” Who are these people? God will define this group of a few people who follow the messenger to worship God fully.

13:43 Part: “**THOSE WHO POSSESS KNOWLEDGE OF THE SCRIPTURE**”.

Revealed: The GV of **Allah letters** is precisely and **perfectly 66**, **Praise be to Allah**.

14:13 Those who disbelieved said to their messengers, “We will banish you from our land, unless you revert to our religion.” Their Lord inspired them: “We will inevitably annihilate the transgressors.”

14:14 “And we will let you dwell in their land after them. This is for those who reverence My majesty, and reverence My promise.”

21:36 When those who disbelieve see you, they ridicule you: “Is this the one who challenges your gods?” Meanwhile, they remain totally heedless of the message from the Most Gracious.

25:4 Those who disbelieved said, “This is a fabrication that he produced, with the help of some other people.” They have uttered a blasphemy and a falsehood.

25:5 They also said, “Tales from the past that he wrote down; they were dictated to him day and night.”

25:32 Those who disbelieved said, “Why did not the Quran come through him all at once?” We have released it to you gradually, in order to fix it in your memory. We have recited it in a specific sequence.

29:12 Those who disbelieved said to those who believed, “If you follow our way, we will be responsible for your sins.” Not true; they cannot bear any of their sins. **THEY ARE LIARS.**

34:3 Those who disbelieve have said, “The Hour will never come to pass!” Say, “Absolutely – by my Lord – it will most certainly come to you. He is the Knower of the future. Not even the equivalent of an atom’s weight is hidden from Him, be it in the heavens or the earth. Not even smaller than that, or larger (is hidden). ALL ARE IN A PROFOUND RECORD.

34:7 Those who disbelieve have said, “Let us show you a man who tells you that after you are torn apart you will be created anew.

34:8 “Either he fabricated lies about **GOD**, or he is crazy.” Indeed, those who disbelieve in the Hereafter have incurred the worst retribution; they have gone far astray.

34:31 Those who disbelieve have said, “We will not believe in this Quran, nor in the previous scriptures.” If you could only envision these transgressors when they stand before their Lord! They will argue with one another back and forth. The followers will tell their leaders, “If it were not for you, we would have been **BELIEVERS.**” (***) see definition of “believers” in verses 49:14-15)

39:71 Those who disbelieved will be led to Hell in throngs. When they get to it, and its gates are opened, its guards will say, “Did you not receive messengers from among you, who recited to you the revelations of your Lord, and warned you about meeting this day?” They will answer, “**Yes indeed.** But the word ‘retribution’ was already stamped upon the disbelievers.”

40:10 Those who disbelieve will be told, “**GOD’s** abhorrence towards you is even worse than your own abhorrence towards yourselves. For you were invited to believe, but you chose to disbelieve.”

41:26 Those who disbelieved said, “Do not listen to this Quran, and distort it, that you may win.”

41:29 Those who disbelieved will say, “Our Lord, show us those among the two kinds – jinns and humans – who misled us, so we can trample them under our feet, and render them the lowliest.”

41:41 Those who have disbelieved (rejected) in the (Quran’s) proof when it came to them, have also disbelieved in an Honorable Book.

41:42 No falsehood could enter it, in the past or in the future; a revelation from a Most Wise, Praiseworthy.

45:31 As for those who disbelieve: “Were not My revelations recited to you, but you turned arrogant and were wicked people?”

46:11 Those who disbelieved said about those who believed, “If it were anything good, they would not have accepted it before us.” Because they were not guided to it, they said, “This is an old fabrication!”

64:7 Those who disbelieved claim that they will not be resurrected! Yes indeed, by my Lord, you will be resurrected, and you will be held accountable for everything you have done. **THIS IS EASY FOR GOD TO DO.**

The subject of this khutbah was that the disbelievers have a problem with anything that God says, and they are the ones who demand miracles. This sermon is just one example of how God has sequenced the topics and the verses in today’s sermon and in the Scripture.

Note that the last occurrence of these verses is 64:7 and it ends with the words, “THIS IS EASY FOR GOD TO DO.”

Let me prove to you what God means: Note that the 1st occurrence is **verse number 7 (in 13:7)**, and the last verse on this subject is also **7 (in 64:7)**; thereby sealing and binding the subject matter. This puts these sets of verses under the umbrella of “**the Seven Pairs 14**”.

Note carefully that there are **19 verses** on this subject highlighted with bold lettering as given above, **thereby completing the Divine Sacred Codes of 14 and 19. Praise & Glory be to Allah.**

By reading the verses on “**disbelievers**” in this sermon, you will observe that the whole subject matter revolves around their objection and rejection of: GOD – QURAN - HIS REVELATIONS – HIS MESSENGERS – THE BELIEVERS - HIS PROOFS – DAY OF JUDGMENT – RESURRECTION; AND FINALLY: THE CONSEQUENCES OF HELL IS GIVEN FOR THOSE WHO HAVE DISBELIEVED.

Does it now make it clear to you what the real and true **ISLAM IS**? It is not what you hear from outside; **but it is all given in the Quran.** The disbeliever’s criticism mentioned in above verses and in the rest of the Quran is answered by God with this verse, that has both **the Divine Codes** embedded in it.

25:6 Part: Say, “This was revealed by the ONE who knows the SECRET in the heavens and the earth.

Revealed: The Allah letters are 14.

25:6 Say, "This was revealed by the ONE who knows the SECRET in the heavens and the earth. He is Forgiving, Most Merciful.

Revealed: The Allah letters are 19.

**Peace be upon the messengers.
Praise be to Allah, Lord of the Universe.**
