LOSS OF MEMORY

**I seek refuge in Allah from satan the rejected.
In the name of Allah, The Most Gracious, The Most Merciful.**

I have recently seen a documentary on T.V. about a British man, Mr. Clive Wearing, who lost all his past memory and thoughts, after suffering from a virus with high fever that attacked his brain cells and the blood stream in them. When he finally regained consciousness, the doctors realized upon questioning him that he had lost track of all past events of his life. In other words, his memory had been erased and he had no recollection of anything. The only person he could recognize was his wife, but could not remember his past life with her or any of the events.

The doctors labeled him as the “man with the 7 second memory”. He could recognize and understand the immediate events; but after seven seconds, he would forget them. At one point, he cried and complained about his fate – suffering from complete emptiness and loneliness in life; as his section of the brain that produces senses, emotions, thoughts, memory, and other functions was no longer working. For the vast majority of human beings, these functions of the brain are normal and standard, as blessings of GOD. But Clive Wearing had lost this blessing. Though he is still alive, but his active life to think, store, and recall his memory made him impotent for all practical purposes.

One can only empathize with the plight of this gentleman: he can see and hear, but cannot use his brain to enjoy the blessings of thoughts, senses, emotions, planning, fantasizing, memory and much more. His life has been rendered useless and devoid of meaning now. Even if he wanted to believe in God at this point, he cannot do so anymore. Additionally, he can no longer be a husband to his wife, nor could she act and perform as a wife to her husband, in a standard and normal way by relating to each other. The doctors found this case to be the first time ever and unique. Even the modern medicines could not help him to overcome this situation of helplessness. His condition can best be explained as “living in a vacuum” and “purposeless life”.

GOD creates humans as well as other creatures, day and night, year-round. Every now and then, GOD sets examples of His Absolute Powers to do as He pleases, through the same creations for other humans to observe and take heed. The verse from the Quran speaks clearly that when GOD blesses a human, no one can take away the blessing, but when He afflicts him, no one can remove the affliction, except HE.

39:38 Part 1: If you ask them, “Who created the heavens and the earth,” they will say, “**GOD.**”

Revealed: The GV of **Allah letters** is **285**, a **multiple of 19.**

39:38 Part 2: Say, “Why then do you set up idols beside **GOD?**”

Revealed: The GV of **Allah letters** is **98**, a **multiple of 14.**

Revealed: For both parts, the GV of **Allah letters** are **285 + 98 = 383** **revealing the GV of AL-QURAN,** Glory be to my LORD.

Comment: If they are so sure and certain that GOD is the Creator of the heavens and the earth, they would not set up idols beside HIM – by rejecting what GOD has just shown and proven to them – **the Sacred Codes of 19 and 14 of the Quran (383).** Here, clearly, it is a proven fact, that **those who reject this message have set up idols beside GOD.**

39:38 Part 3: If **GOD** willed any adversity for me, can they relieve such an adversity?

39:38 Part 4: And if He willed a blessing for me, can they prevent such a blessing?

39:38 Part 5: Say, “**GOD** is sufficient for me.” In HIM the trusters shall trust.

Revealed: The **Aleefs** are **4** and **3** and **2** for each part, **revealing a diff. of 1-Absoluteness.**

Revealed: Parts 3-4: The **Allah letters** are **19**, Praise be to GOD.

Revealed: Part 5: The **messenger's letters** are **19**, Praise be to GOD.

35:2 Part 1: When **GOD** showers the people with mercy, no force can stop it.

35:2 Part 2: And if He withholds it, no force, other than HE, can send it.

Revealed: The **Allah letters** for each part are **14** and **7**, **revealing the “Seven Pairs Revelation”.**

NOTE the different kinds of proofs within these verses. In 39:38, you saw the proof of **19 & 14**, as well as the proof of **383** and the proof of Aleef. In 35:2, you saw the proof of the Seven Pairs. In the same verse, the Proof of Aleef is also given:

35:2 Part 1: When **GOD** showers the people with mercy, no force can stop it.

35:2 Part 2: And if He withholds it, no force other than He, can send it. He is the Almighty, Most Wise.

Revealed: The Aleefs are 5 & 4, revealing the diff. of 1 – only GOD, the Absolute, can shower you with His mercy or withhold it. No one else has any power beside Him. Be He Glorified.

The believers are aware of the purpose of this life and also conscious of the first life in Heaven as well as the afterlife when this life ends. We were all evicted from Heaven as disobedient rebels to the Earth. When the message was recited to us, we chose to believe and repent to the Almighty for our past sins. Though we have all forgotten about the first life and the Covenants made by us before coming here, we are reminded and believe in these facts to honor them in this life. The disbelievers have no concept, nor do they believe in the first life or the Hereafter. We are reminded through the Quran by such verses as:

7:172 Recall that your LORD summoned all the descendants of Adam, and had them bear witness for themselves: “AM I NOT YOUR LORD?” They all said, “YES. WE BEAR WITNESS.” Thus, you cannot say on the Day of Resurrection, “We were **not aware** of this.”

Revealed: The Allah letters are 32, and messenger's letters are 51, revealing the diff. of 19.

7:172 Part: Thus, you cannot say on the Day of Resurrection.

7:172 Part: We were not **aware** of this.

Revealed: The Aleefs are 3 and 4, revealing the diff. of 1.

Though our minds have forgotten this truthful history and the Covenant we made with our LORD; we are, however, reminded with this profound fact. That is why GOD has made us “**aware**” of this fact, so we cannot excuse ourselves on the Day of Resurrection with ignorance.

Through a precise calculation and measurement, GOD has inscribed His name letters and the messenger's letters with **a diff. of 19** and the end of the verse with the **diff. of 1 Aleef**, to send this strong reminder through His messenger, to make everyone “**aware**” of this fact. I will recite another verse that also reminds us of **the “first creation”**.

56:62 Part 1: You know about the first creation.

56:62 Part 2: Do you not remember?

Revealed: The GV of Allah letters are 159 and 61, revealing the diff. of 98, a multiple of 14.

Revealed: The GV of messenger's letters are 402 and 122, revealing the diff. of 280, a multiple of 14.

Revealed: For the entire verse, GV of Allah letters is 220, and messenger's letters is 524, revealing the diff. of 304, a multiple of 19.

Our memory has failed us: we cannot comprehend our first life in Heaven, but the vivid reminder and clear Proofs make us aware of these historical facts and the Truth. **"We have believed in it"**. The humans cannot ignore and disregard again and forget about their doings on Earth. Whether they remember or not, they will be held fully accountable, especially after this "mercy" shown through the profound revelations sent down. The believers are aware that they will be held accountable for their belief, utterances, and deeds. The disbelievers, on the other hand, will wish they never knew their account and that their death was eternal. They will not be excited about their resurrection, because of the consequences they will have to face on that awesome Day.

Accountability for Believers and Disbelievers

69:20 (Believers will say) "I did believe that I was going to be held accountable."

Revealed: The Aleefs are 3; the Allah letters are 5; GV of Allah letters is 38, a multiple of 19.

69:26 (The disbelievers will say) "I wish I never knew my account."

Revealed: The Aleefs are 3; the Allah letters are 5; GV of Allah letters is 38, a multiple of 19.

Did you note the **"Perfect Balance"** of these two opposing verses? The Aleefs are matching as 3; the Allah letters are matching as 5, and the GV of Allah letters is matching as 38. This reveals that **GOD'S justice will be equal for all**; it is perfectly balanced and not in favor of anyone. How about the disbelievers' wish that their death were eternal, so they can avoid facing the ONE, LIVING, ETERNAL LORD? They would like to avoid facing the TRUTH on the Day of Judgment.

69:26 "I wish I never knew my account."

69:27 "I wish my death was eternal."

Revealed: The **Aleefs** are **3** and **4**, **revealing the diff. of 1** – fear of facing the Absolute Lord.

Revealed: The **messenger's letters** are **8** and **7**, **revealing the diff. of 1** – they disbelieved in GOD'S messenger.

For the believers in 69:20, the messenger's name letters do not need to have a diff. of **1**, as they will not be asked about it. They believed in everything that came from GOD and glorified HIM.

69:20 “I did believe that I was going to be held accountable.”

69:21 “He has deserved a happy life.”

Revealed: The **Allah letters** are **5** and **4**, **revealing the diff. of 1** – the believers demonstrated accountability and will be rewarded by GOD for it.

Just like Clive Wearing has forgotten the past events of his life, the disbelievers will try to forget out of shame, humiliation, and remorse. They will certainly be asking for another chance to work righteousness, which will be denied. They may forget, but GOD has recorded everything. When shown their record, they will remember everything, and would not be able to dispute the truth. In fact, they will be their own judge, and will agree with the profound and truthful record of GOD.

58:6 Part 1: The Day will come when **GOD** will resurrect them all, then inform them of everything they had done.

Revealed: The **messenger's initials** are **14**, and **messenger's letters** are **19**, **revealing the Sacred Codes of 14 – 19**.

58:6 Part 2: **GOD** has recorded everything, while they have forgotten it. **GOD** witnesses all things.

Revealed: The **Allah letters** are **14**, and **messenger's letters** are **15**, **revealing the diff. of 1** – GOD will remind the humans of all the scriptures, messengers, and messages He sent down on Earth, **including this profound message**.

58:6 Part: “**GOD has recorded everything, while they have forgotten it.**”

Revealed: The **Allah letters** are **7**, and **messenger's letters** are **7**, **revealing the message of the “Seven Pairs”**.

Revealed: The GV of **Allah letters** is 77, confirming the above message of the **“Seven Pairs”**.

Revealed: The GV of **messenger's letters** is **190**, a **multiple of 19, revealing both the Sacred Codes**. Praise and Glory be to my Lord.

Those who are liars and disbelievers on earth, their answers are always unsure, confused, and fabricated. The only way to hold them accountable for their belief and deeds is by showing the exact record and a video tape. They will then remember everything they did on Earth, and ask for another chance, or at least clemency from punishment for even one day.

CONFUSED & UNSURE ANSWERS: 30:55 On the day when the Hour comes to pass, the guilty will swear that they lasted (in this world) only one hour. **That is how wrong they were.**

Revealed: The **Allah letters** are **stamped** on this verse to be **14 - revealing the Seven Pairs**.

The disbelievers will be reminded by the believers as to the reality and the Truth, with specific words mentioned in the next verse. Let us see what they are:

30:56 Part 1: Those who are blessed with knowledge and faith will say:

30:56 Part 2: “You have lasted, according to **GOD’S** decree, until the Day of Resurrection. Now, this is the Day of Resurrection, but you failed to recognize it.”

Revealed: The **Aleefs** are 7 and 6, **revealing the diff. of 1** – revealing the **ABSOLUTESS OF GOD**, in which the believers believed with certainty and believed wholeheartedly, as well as the Day of Judgment.

Revealed: Additional Proof for Part 2: The **Allah letters** are **18**, and the **messenger's letters** are **32**, **revealing the diff. of precisely 14 - the Seven Pairs**. GOD has certified this new knowledge, which represents part of my faith and all those who follow me.

79:35 That is the day when the human will remember everything he did.

79:36 Hell will be brought into existence.

Revealed: The **Allah letters** are **4** and **3**, **revealing the diff. of 1** – when the record is shown to the disbelievers by the **One, Supreme GOD**, they will agree that they lied against Him and were disbelievers; but it will be too late to prevent them from going to Hell.

The blessings of eyes, ears and minds has been granted by GOD to the majority of the humans. While most are blessed by Him to have them, some are not blessed and are handicapped. The latter will not be questioned but the ones who received these blessings will be asked if they used them for the reason and the function they were given by GOD. HE has asked the people to verify all information brought forth by the disbelievers, as they cannot be trusted. This is to prevent the believers from committing any kind of injustice. HE commands the believers to use their eyes, ears, and brains, in order to differentiate that which comes from GOD, or from unauthorized humans. This is proven and confirmed by HIM, as the verse will reveal:

17:36 Part 1: You shall not accept any information, unless you verify it for yourself.

17:36 Part 2: I have given you the hearing, the eyesight, and the brain, and you are responsible for using them.

Revealed: The GV of **Allah letters** are **127** and **193**, **revealing the diff. of 66**, Alhumdo Lillah.

17:36 Part 1: You shall not accept any information, unless you verify it for yourself.

17:36 Part 2: I have given you the hearing, the eyesight, and the brain.

17:36 Part 3: And you are responsible for using them.

Revealed: The **Allah letters** are **7 – 8 – 7**, **revealing a diff. of 1 between each part** – a gift from the Almighty Lord of eyes, ears, and minds.

The Sacred number of 66 is the GV of the Omnipotent Creator, **ALLAH**, who is the One and the Absolute. Have you now witnessed and verified the information that I have been blessed with to recite and write? ALLAH, Most Glorified, has revealed His Honorable Name through this very important verse. How can you deny His Name, and His Revelation, if you do believe in HIM, and after seeing HIS Blessed and Sacred Name? Glory be to HIM.

These are profound blessings of GOD – if put to use in the manner designed by HIM, then you can easily achieve the purpose of your temporary, earthly life. With full belief, these blessings can be carried forward to Eternity. For those who choose to disbelieve in GOD'S revelations, there is a reminder to warn them through another verse. They should take heed from the example of Mr. Clive Wearing, whose mind has been sealed by GOD. Here is another verse telling us that if GOD takes away these blessings, no one else can give them to you.

6:46 Part 1: Say, “What if **ALLAH** took away your hearing, and your eyesight, and sealed your minds, which god?

6:46 Part 2: Other than **ALLAH**, can restore these for you?” Note how we explain the revelations, and note how they still deviate!

Revealed: The **Aleefs** are **6** and **5**, revealing the diff. of 1 – control of the Absolute God.

Revealed: The GV of **Allah** letters for **Part 1** is: **196 = 14 x 7 x 2** – revealing the Seven Pairs.

Revealed: The GV of **Allah** letters for **Part 2** is **110** – the revelation of Absoluteness through His Shahada “La Elaha Ella Hoo” – GV 110.

Now compare the two verses I have presented to you on this subject – 17:36 and 6:46.

Revealed: In verse **17:36**, the **Aleefs** are **10**. In verse **6:46**, the **Aleefs** are **11**, revealing a diff. of again 1 between the two verses, clarifying the absolute control of GOD over His blessings, and the reason for giving them to the humans, as explained earlier.

Revealed: The GVs of **Allah** letters for both verses are **320** and **306**, revealing the diff. of 14 – the Seven Pairs.

13:19 Part 1: Is one who recognizes that your LORD’S revelations to you are the truth equal to one who is blind?

13:19 Part 2: Only those who possess intelligence will take heed.

Revealed: The **Aleefs** are **7** and **6**, revealing the diff. of 1 – the intelligent are able to recognize immediately that which comes from GOD, and especially points out to these revelations recited and presented here. The “intelligent” are further defined and coded within this verse.

13:19 Part: “Only those who possess intelligence will take heed.”

Revealed: The **Allah** letters are **9** and **messenger's** letters are **10**, revealing the diff. of 1, and the sum is 19.

Revealed: The GV of **Allah** letters is **96** and the GV of **messenger's** letters is **206**, revealing the diff. of 110. The “seer and the hearer” will take heed through these clear revelations, while the blind and the deaf cannot be helped.

If GOD wills, HE can afflict the humans in many different ways, which they cannot comprehend or expect. I will recite a couple more verses to finish this sermon.

36:66 If we will, we can veil their eyes and, consequently, when they seek the path, they will not see.

36:67 If we will, we can **freeze** them in place; thus, they can neither move forward, nor go back.

Revealed: The **Aleefs** are **7** and **7**, **revealing the Absoluteness through the Seven Pairs.**

Revealed: The **Allah letters** are **12** and **13**, **revealing the diff. of 1** – GOD fully controls our lives.

36:43 If we willed, we could have drowned them, so that their screaming would not be heard, nor could they be saved.

36:44 Instead, we shower them with mercy, and let them enjoy for awhile.

Revealed: The **Aleefs** are **4** and **5**, **revealing the diff. of 1** – GOD controls all the punishments and mercy.

HIS mercy is evident upon the believers, through the above pair of verses, by revealing the SACRED CODES OF 19 AND 14.

Revealed: In verse **36:43**, the GV of **Allah letters** is **109** and the GV of **messenger's letters** is **698**, **revealing the diff. of 589, a multiple of 19.**

Revealed: In verse **36:44**, the GV of **Allah letters** is **70** and GV of **messenger's letters** is **322**, **revealing the diff. of 252, a multiple of 14.**

**Peace be upon the messengers.
Praise be to Allah, Lord of the Universe.**
