**STUDYING THE QURAN CAREFULLY TO FOLLOW THE REVEALED
KNOWLEDGE FROM GOD (PART 3)**

I seek refuge in Allah from satan the rejected.

In the name of Allah, The Most Gracious, The Most Merciful.

The Quran was sent down to guide the righteous or the believers. The Words of GOD are meant for a specific group of people called the “**believers**”. These are the ones who decide to submit fully through GOD’S scripture. The verses are designed according to the “**oaths**” made by the humans with **GOD**. As the majority has decided to disregard their oaths with GOD, therefore, only a few can understand and grasp the meaning of the Quran, as the following verse will explain:

56:76 This is an oath, if you only knew, that is awesome.

Note: The **chapter number 56** is a **multiple of 14**, while the **verse number 76** is a **multiple of 19**. The whole of Quran is therefore revealed based on our oaths, guarded by the Sacred Codes.

Revealed: The **messenger’s letters** are **14**, and **Allah letters** are **5**, **revealing the sum of 19 (Sacred Codes)**.

56:79 None can grasp it except the sincere.

Revealed: The GV of **messenger’s letters** is precisely **296** matching the GV of “**Messenger**” or “**Rasool**”, which is also **296**. The belief and acceptance of all messengers sent by GOD, is for the sincere, who will honor their oaths, and they rejoice in any revelation.

Revealed: Both Verses: The **Allah letters** are $5 + 9 = \mathbf{14}$ and the **messenger’s initials** are $11 + 8 = \mathbf{19}$. The ultimate proofs of the Quran have now been revealed by GOD through His messenger, highlighting the Sacred Codes that guard and preserve the Scripture. The messenger’s name initials and letters are part of the system, as you can observe and witness.

Revealed: The GV of **messenger’s letters** are **498** and **296**, **revealing the diff. of 202**, bringing out the name of the **LORD (Rabb)**, **GV 202**. This proves that the oaths mentioned in the Quran were made by the humans with their LORD, before being sent to Earth. A reminder from GOD about the awesomeness of our oaths is revealed through 2 similar verses:

56:76 This is an oath, if you only knew, that is awesome.

89:5 A profound oath, for one who possesses intelligence.

Revealed: The **Allah letters** are **5** and **4**, **revealing the diff. of 1** – reminding the believers of their oaths.

Revealed: The GV of **Allah letters** are **96** and **95**, **revealing the diff. of 1** – the oaths made with GOD will be remembered and honored only by those who sincerely believe in Him, and His Authority.

In the Quran, **the believers** are called the “**intelligent ones**”. Anyone who has the sense of responsibility to honor their oaths with GOD - is classified among the intelligent human beings. This is proven through verse 89:5, which reminds the ones having intelligence.

89:5 A profound oath, for one who possesses intelligence.

Revealed: The GV of **Allah letters** is **95**, and of the **messenger’s letters** is **318**, **revealing the diff. of 223**. **What is 223?** It is the GV of “**The Believers**” – “Al Muhminoon”. **Who are the believers?** They are those who believe in GOD, and follow His messengers, wholeheartedly, and without any doubts. This word has a specific meaning, and the Quran consistently talks about believers, rather than submitters. Most people do not know the meaning between these 2 categories and take them as meaning one and the same. **They are not.** As the above verse reminds the humans, the intelligent will honor and carry out their oaths on Earth to be redeemed back into Heaven.

A Vivid Reminder of GOD’S laws designed as per our oaths

66:2 Part 1: **GOD** has decreed for you the laws dealing with your oaths.

66:2 Part 2: **GOD** is your Lord, and He is Omniscient, Most Wise.

Revealed: The **Allah letters** in the entire verse are precisely **19** – a “vivid reminder for humans”.

Revealed: The **Aleefs** are **2** and **3**, **revealing the diff. of 1** – the laws are based on oaths made with the Absolute GOD.

Revealed: The **Allah letters** are **19**, while **messenger’s letters** are **28**, being **multiples of 19 and 14**.

I am the messenger sent before the Day of Resurrection, to remind the people about our oaths made with GOD, during our first life, before coming to earth. Hence, the revelations reveal the messenger’s letters in these Proofs of GOD, as the message

bearer. Our oaths are covered through the Quran's laws, and the Quran is guarded and preserved through the mathematical codes of GOD. These Codes have now been delivered to mankind through Rashad Khalifa and Makbool Husain, the two messengers of GOD, blessed with the Codes of **19** and **14** respectively, to complete the Even and the Odd. Note verse **66:2**, in which Allah letters are **19**, and the messenger's letters are **28**, reminding the humans about God's laws that are based on their oaths. The 3 verses of mathematical codes confirm and prove the same results through the same numbers – **19** and **28**. Reflect on these:

74:30 Over it is Nineteen.

15:87 We have given you the Seven Pairs and the great Quran.

89:3 By the Even and the Odd.

Revealed: The **Allah letters** are $4 + 11 + 4 = 19$.

Revealed: The **messenger's letters** are $3 + 20 + 5 = 28$ – **matching** with the pattern of Allah letters and the messenger's letters as in verse **66:2**. The **19** represents the GV of "Wahid" – "ONE" while the **28** represents the messenger's day of birth, being a **multiple of 14**.

Note further, that the sum of the chapter and verse numbers matches with the **seven** Quranic initials in the messenger's name. The **initials in the messenger's name** are: Meem **40** + Qaf **100** + Lam **30** + Ha **8** + Seen **60** + Ya **10** + Nun **50**; the sum = **298**.

Revealed: The sum of **chapters** and **verses** of the **3 mathematical codes** are: (chapter **74** + verse **30**) + (chapter **15** + verse **87**) + (chapter **89** + verse **3**) = **298, perfectly Matching** the messenger's initials.

Revealed: **Note further** that the sum of the digits of **298** is $(2 + 9 + 8) = 19$.

The verse that opens up from the number above of **298** is verse **2:98**, revealing the following:

2:98 Anyone who opposes **GOD**, and His angels, and His messengers, and Gabriel and Michael, should know that **GOD** opposes the disbelievers.

Revealed: The **Arabic letters** in the verse are **52**, and **Quranic Initials** are **38, revealing the diff. of 14**.

Revealed: The **letters of Rashad Khalifa** and **Makbool Husain** are both **28** and **28** – **Matching**.

The next verse after 2:98 talks about GOD sending down clear revelations which only the wicked will reject. Through verse 2:99, GOD reveals the 2 mathematical

messengers again:

2:99 We have sent down to you such clear revelations, and only the wicked will reject them.

Proven Messengers: The **letters of Rashad Khalifa** are **23**, while the **letters of Makbool Husain** are **22**, **revealing the diff. of 1** – Glory be to ALLAH, for providing absolutely clear revelations in support of His truthful messengers, sent with the Divine Codes.

As you have seen, the names of the 2 messengers, Rashad and Makbool, sent over the last few years have been mathematically coded in the Quran. Though it is the parents who give the children their names, it was the will of GOD behind the specific names of these messengers.

Based on the following revelation that you are going to witness, it shows the great wisdom of GOD and His Omnipotence. I am going to write the mathematical names of both messengers, first and last names, and also the combined and full names. **Observe the Proofs for the 2 Mathematical Messengers revealed by GOD.**

Rashad 505 – Khalifa 725 Also, it can be written as: **Rashad Khalifa (505+725) = 1230**. Adding all the digits involved with his name: $(5+0+5) + (7+2+5) + (1+2+3+0) = 30$.

Makbool 178 – Husain 128 Also, it can be written as: **Makbool Husain (178 + 128) = 306**. Adding all the digits involved with messenger's name: $(1+7+8) + (1+2+8) + (3+0+6) = 36$.

Revealed: The sum of the final numbers for both messengers is $30 + 36 = 66$; both were sent by GOD to prove the existence of the Eternal, Living, **1** GOD through the Codes of **19** & **14**, respectively; to prove the Quran to be from GOD; to confirm all previous scriptures and messages; to prove the Original History during our first life and the Heavenly Feud; to declare the Day of Judgment; to correct and purify the worship practices; to remove all the corrupt practices and traditions from the religion of Islam; and to expose the hypocrites and the disbelievers.

If you are still unsure of **GOD'S wisdom and will** behind these names, and think it is just a coincidence, then look and examine another time. I am going to write both names as they are written and spelled in Arabic, but right now they will be in

English for the purpose of the Khutbah (Sermon).

Rashad Khalifa: Pick out the **Allah letters** in this name; they are: Aleef, Lam, Ha: the GV of these 3 letters are: $1 + 30 + 5 = 36$.

Makbool Husain: Pick out the **Allah letters** in this name; it is only: Lam, GV = 30.

Revealed: Again, the sum of $36 + 30 = 66$ – Glory and Praise be to ALLAH, for **revealing His name** through His 2 truthful messengers. Individually, as well as taken together, the result each time is **66**.

Note, for the last time – the third Proof:

Revealed: The GV of **Rashad Khalifa** is 1230, and GV of **Makbool Husain** is 306, **revealing the diff. of 924 = 14 x 66**. The name of ALLAH – the ONE GOD; is hereby revealed through the difference in the GV of names of the 2 messengers. Praise be to ALLAH for His Wisdom and Omnipotence.

The numbers derived from the names of messengers; 36 and 30, therefore become important, as they **further reveal and open up a verse from the Quran**. The verse according to the numbers 36 and 30 opens up verse 36:30.

36:30 How sorry is the people's condition! Every time a messenger went to them, they always ridiculed him.

Revealed: The GV of **Allah letters** is 148 (representing "**Alhumdo Lillah**", or "**Praise be to Allah**") while the GV of **messenger's letters** is 650, the sum of 148 and 650 is 798 = 19 x 14 x 3 (the Sacred Codes are revealed).

NOTE the quotients (answer) revealed above: in order of **19** & **14**, and then **3**, representing the third messenger, which is Makbool Husain from the time the Quran was revealed to prophet Muhammad.

Revealed: The GV of **Allah letters** in this verse are: 148.

The GV of **letters of Rashad Khalifa** are 602.

The GV of **Makbool Husain** are 650.

What is the sum of all these numbers? $148 + 602 + 650 = 1400$.

This is a profound number as the Miracle of **19** was revealed approximately **1400 years** after the actual revelation of Quran to Muhammad. Since this number is a **multiple of 14**, it covers the Miracle given to Makbool Husain also. The digits of GV's of **Rashad Khalifa** and **Makbool Husain** are: **(6+0+2)**

+ (6+5+0) = 19 – both messengers came with the Authority of ALLAH.

Finally, the Proof that **the Quran** was given to **Muhammad**, and he was sent by **ALLAH**, Most Wise.

Revealed: The GV of **letters of Muhammad** (Meem-Ha-Dal) in verse **36:30** is **132**; whereas the fixed GV of **ALLAH** remains as **66**; what is the diff. in **132** and **66**? **The precise difference is 66**, meaning: Muhammad was sent to preach and practice the religion of ALLAH – Islam – through the Quran. Praise and Glory be to Allah. Let us now see the “**Pattern**” between Allah letters and Muhammad letters in this verse:

Revealed: In verse **36:30**, the **Allah letters** are **16**, and **Muhammad letters** are **5**: this is the perfect pattern of **165**; This means that Muhammad was sent to proclaim the correct **Shahadah**, as given in **47:19**, and to uphold the Absolute Authority of ALLAH, both of which have GV’s of **165**.

Revealed: The **letters of Muhammad** are **5**, and the **letters of Rashad Khalifa** are **24**, revealing the diff. of 19.

Revealed: The **letters of Muhammad** are **5**, and the **messenger’s letters** are also **24**, revealing the diff. again of 19.

The matching of letters of Rashad and Makbool as **24** and **24** show and reveal that they both were messengers sent with the Mathematical Miracles of **19** and **14**, and offered similar guidance. It also proves another point: The 2 mathematical messengers in relation to Muhammad, who was given the script and text of the Quran, reveal a linkage and mathematical connection with each other, just as the all the messengers are linked with GOD mathematically. This proves the point of GOD, who has mentioned having “only one congregation in the Quran”. It consists of GOD, His angels, His messengers, and the believers. False messengers do not fall into the pre-designed and pre-destined pattern of GOD’S revelations. The names of duly authorized messengers are preserved in the Master Record of GOD, as well as in the truthful copy of the Quran. This is evident from just a couple of examples from the verses.

15:9 Part 1: Absolutely, we have revealed the reminder.

15:9 Part 2: And absolutely, we will preserve it.

Revealed: The **Allah letters** are **6** and **5**, revealing the diff. of 1 – Praise be to the Omnipotent.

Revealed: The **messenger’s letters** are **8** and **7**, revealing the diff. of 1 – Glory be to the Most Wise.

5:19 Part 1: O people of the scripture, our messenger has come to you, to explain things to you, after a period of time without messengers.

5:19 Part 2: Lest you say, “We did not receive any preacher or warner.” A preacher and warner has now come to you. **GOD** is Omnipotent.

Revealed: The **Allah letters** are **14** and **15**, **revealing the diff. of 1** – Rashad was sent after a long period of absence of messengers. Glory be to GOD.

5:19 Part 1: O people of the scripture, our messenger has come to you, to explain things to you, after a period of time without messengers.

5:19 Part 2: Lest you say, “We did not receive any preacher or warner.” A preacher and warner has now come to you.

Revealed: The **messenger’s letters** are **23** and **22**, **revealing the diff. of 1** – Praise be to ALLAH.

An Important Note: With the revelation of **1 (One God)**, as well as the revelation of **66 (Allah)**, in previous pages and sermons, it shows and proves how profoundly the names of messengers are encoded and encrypted in the Sacred Scripture. These Proofs speak for themselves and answer the questions of those who have asked me about the number of messengers since the revelation of the Quran. They have also asked me to comment about others who have claimed to be messengers after the death of Rashad. GOD’S revelations clarify and confirm **the 3 truthful messengers of Quran** – whose names are encoded within the Arabic script and verses. The names of truthful messengers are coded, hidden (until revealed), and preserved in the Sacred Text, as you have witnessed today. **Let us make verses out of the Sacred Codes of 14 and 19 – the two Codes that guard and preserve Quran.**

If we make a verse out of numbers 14 and 19, with the will of GOD, then we have verse **14:19**.

14:19 Do you not realize that **GOD** has created the heavens and the earth for a specific purpose? If He wills, He can remove you and substitute a new creation in your place.

GOD is Omnipotent: In this verse, GOD has inscribed the **messenger’s letters** as **28**, being the messenger’s day of birth, and **verse number 19** signifies Rashad’s day of birth, while the **chapter number 14** signifies the number of years both messengers were born apart. At the same time, He has also revealed the “**Revelation of 1**” blessed upon me.

Revealed: The **verse number** is **19**, and **Allah letters** are **20**, **revealing the**

diff. of 1 – Glory be to GOD.

If we make a verse out of numbers 19 and 14, with the will of GOD, then we have verse 19:14.

19:14 He honored his parents, and was never a disobedient tyrant.

Revealed: The Allah letters are 7, while the verse number is 14, giving us **the Seven Pairs**.

Revealed: The verse number is 14, and the messenger's letters are 13, **revealing the diff. of 1** – Glory be to GOD.

MORE NEXT WEEK – TO BE CONTINUED, INSHA ALLAH

**Peace be upon the messengers.
Praise be to Allah, Lord of the Universe.**
