## **CODED MESSAGE FROM THE HIGHEST HEAVEN**

**I seek refuge in ALLAH from satan the rejected.  
In the name of ALLAH, The Most Gracious, The Most Merciful.**

**GOD has stated in the Quran** that most people will not believe, no matter what Miracle He sends down. This has been predetermined by Him (6:109; 36:7). Out of those who believe, some of them may get doubts from time to time, as they are surrounded by the disbelievers, whose pressure on them may become insurmountable. The only way to face them off is with a strong belief and faith in the Almighty GOD, and by being appreciative of His Miracles. The Miracles are the only way to assure your hearts and to persevere in the face of adversity.

The messenger chosen by GOD to deliver the final and complete PROOFS to confirm the Quran through the Sacred Codes, is Makbool Husain. **He has also been assigned the Sacred Duty to confirm and prove the existence of ONE, LIVING, ETERNAL GOD.** This is in addition to the original Quran in Arabic given to prophet Muhammad, followed by the Code of **19** given to Rashad Khalifa. These are the most extensive, intricate, and detailed Coding System and Proofs ever revealed, through the verses of the Quran. The coming of the messenger, coded under the metaphorical name of "**AHMED**" in verse **61:6** has now been fulfilled. GOD had predetermined to send a messenger before the fulfillment of the "Prophecy of Smoke" and before the Day of Resurrection.

The purpose of this sermon (khutbah) is to remove the doubts of the believers about GOD and His messenger, and to warn the opponents and disbelievers of severe retribution from GOD. **The "Days of God"** mentioned in the Quran through **45:14** are associated with this message, as the proofs reveal.

**45:14** Tell those who believed to forgive those who do not expect the "Days of **GOD**." He will fully pay everyone for whatever they have earned.

**Revealed:** The Allah letters are **21 = 7 x 3**; and the messenger's letters are **38 = 19 x 2**, **revealing the Sacred Codes**. The verse number is also Coded as **14**.

**Revealed:** The words, "Ayaam Allah" – "Days of God" are also Coded with Allah letters and the messenger's letters. The GV of messenger's letters in them are **110** – being the value of the **Shahadah**. The GV of Allah letters is **68 + GV of messenger's letters 110 = 178**, **revealing the messenger's name, Makbool**, Subhan Allah.

Some people may think that the Proofs illustrated and narrated by myself are coincidental, happenstance and man-made. The few Proofs and Topics mentioned today is just a glimpse and a minute fraction out of the total revelations, that GOD has

blessed me with. **The verses and the proofs recited by me today will underscore the point and the fact, that the Quranic verses are constructed and composed with my name letters in them, as the ultimate proofs for the messenger under the code name of "AHMED". I will recite a few verses to show you the importance of this message. Hopefully, you will be able to see, witness and appreciate GOD'S greatness and wisdom in composing the Quran with His name letters and of His messenger's name letters. The letters of Makbool Husain are inscribed and embedded in the Arabic verses on all subjects, according to the Sacred Revelations and Codes. I have been sent as a profound and manifest Warner.**

**Today's khutbah will mainly address messenger's letters in the verses, as proofs of the messenger.** There is a whole lot more with the Sacred Name of Allah and His letters and in combination with messenger's letters, which you can witness through the website:

Glorified Name of **ALLAH**, **66** through the **Code of 14**. The GV of the **messenger's letters** is **924 = 14 x 66**.

**2:23** If you have any doubt regarding what we revealed to our servant, then produce one sura like these, and call upon your own witnesses against **ALLAH**, if you are truthful.

**Revealed:** The **Allah letters** up to **ALLAH** are **19**, and the **messenger's letters** are **33**, **revealing the diff. of 14**.

**Revealed:** The **Allah letters** in entire verse are **20**, and the **messenger's letters** are **39**, **revealing the diff. of 19**.

**17:88** Say, "If all the humans and all the jinns banded together in order **to produce a QURAN like this**, they could never produce anything like it, no matter how much assistance they lent one another.

This proves that it is impossible for the jinns and the humans to produce or imitate the Quran, in a similar way, like GOD has composed, by inscribing His name letters as well as those of His messengers. The jinns and most humans are against GOD and His messengers, therefore they have no interest in producing a Quran, but they are more interested in distorting and corrupting it. The fact that the messenger's letters appear with **the difference of 19** in relation to letters of **"Waahed"** and also **the Sacred Codes** makes it virtually impossible for the fabricators. GOD be Praised.

### **Reminder from GOD**

**88:21** You shall remind, for your mission is to deliver this reminder.

**Revealed:** The **Allah letters** are **3** and the **messenger's letters** are **4**, **revealing the diff. of 1**.

### **Seek Refuge in God**

**16:98** When you read the Quran, you shall seek refuge in GOD from satan the rejected.

**Revealed:** The **Allah letters** are **15** and the **messenger's letters** are **16**, **revealing the diff. of 1** - GOD.

The reason for inscribing the messenger's letters in this highly important verse by GOD is: "the biggest trick of satan is to encourage the people to disbelieve in GOD'S messengers, in order to deprive them of the truthful guidance. As GOD'S guidance is inspired and revealed to the messengers, the disbelief in them serves satan's goals and purpose."

### **Returning Back to God after Delivering His Message**
