## **DISBELIEVING AFTER BELIEVING (PART 2)**

**I seek refuge in Allah from satan the rejected.  
In the name of Allah, The Most Gracious, The Most Merciful.**

**Note:** This is Part 2 of the sermon from June 9, 2006, on the serious subject of “**disbelieving after believing**”. Believers should realize the enormous blessings of GOD to guide them through the messengers, and should make a whole-hearted effort to steadfastly persevere until death. If you lose this unique opportunity, you will be most sorry and remorseful on the Day of Resurrection.

### **A Challenge for all the Hypocrites and the Disbelievers**

I am going to quote verses on “**Challenge to the Disbelievers**”. A Miracle will be shown by **ALLAH, Most Glorified** to you and others. If you can match or reproduce similar proofs with your name letters, let me know. I will appreciate it. If the name of ALLAH means anything to you, then you should reflect to see that He is the One who reveals the messenger's name up to His name with the GV of Allah letters, while the GV of messenger's letters reveal His name, Allah, through the Code of 14.

#### **CHALLENGE # 1**

**10:38 Part:** If they say, “He fabricated it, “say, “Then produce **one sura** like these, and invite whomever you wish other than **ALLAH**.”

**Miracle:** The GV of Allah letters up to His name is **178, revealing the messenger's name, Makbool**.

**Miracle:** The GV of messenger's letters up to Allah is **924, a multiple of 14, (14 x 66), revealing the Glorified Name of ALLAH** through the Code of 14 – given to me as my SIGN.

#### **CHALLENGE # 2**

**Another Challenge: 2:23** If you have any doubt regarding what we revealed to our servant, then produce **one sura** like these, and call upon your own witnesses against **ALLAH**, if you are truthful.

**Miracle:** Up to ALLAH, the Allah letters are precisely 19, and messenger's letters are 33, revealing the diff. of 14. Moreover, up to ALLAH, the Arabic letters are precisely 66, matching HIS NAME – ALLAH.

**Miracle:** For the entire verse, the Allah letters are 20, and messenger's letters are 39, revealing the diff. of 19.

**The Sacred Codes of 14 and 19 are revealed through the Allah letters and the messenger's letters, challenging the disbelievers. Can they do it? Praise be to the Most Wise.**

### CHALLENGE # 3

**11:13** If they say, “He fabricated (the Quran and its proofs),” tell them, “Then produce ten suras like these, fabricated, and invite whomever you can, other than ALLAH, if you are truthful.”

**11:14** If they fail to meet your CHALLENGE, then know that this is revealed with GOD'S knowledge, and that there is no god except HE. Will you then submit?

**Revealed:** The messenger's letters are marked on the 3<sup>rd</sup> occurrence of this challenge as 35 and 36, to reveal the diff. of 1, being the most profound revelation ever given to mankind. This is the reason for marking and ending the challenge with verse #14, and sealing it with 14 Aleefs.

**11:14 Last Part:** “Will you then submit?”

**Revealed:** It is also marked with the Creator's name – ALLAH with GV of 66, Glory be to Him. Can you not see that Allah is speaking through the Quran?

If you are still unsure and naïve to understand the wisdom of GOD, in expressing a challenge to all the people, then let me break down 11:14 into parts, to enlighten you further.

**11:14 Part:** “If they fail to meet your challenge.”

**Revealed:** The GV of messenger's letters is 228, a multiple of 19, revealing the Sacred Code.

**11:14 Part:** “Then know that this is revealed with GOD'S knowledge.”

**Revealed:** The GV of messenger's letters is 378, a multiple of 14, revealing the Sacred Code.

**11:14 Part: “And that there is no god except He.”**

**11:14 Part: “Will you then submit?”**

**System of Submitting to the One God, through His messengers: Revealed: The Allah letters are 14, and messenger's letters are 15, revealing the diff. of 1.**

**Revealed: The GV of Allah letters is 171, and GV of messenger's letters is 498, revealing the diff. of 327. “Al-Rasool” - “the messenger” has a GV of 327.**

Ask yourself, can you copycat or fabricate any of these revelations and proofs? GOD has made it impossible for the distorters to mess around, by revealing much more complex and intricate Miracles, as compared to the one in the past. All of these are beyond their comprehension, and they have seriously underestimated GOD'S POWERS in defeating His opponents. Go back and see with your eyes, and note that through these 3 verses on “challenge”, He has revealed all the appropriate revelations given to me, including **Revelation of 1, the Seven Pairs through 14, the Sacred Codes of 19 and 14, Revelation of Allah 66, Revelation of messenger's name Makbool, 178, and finally, Revelation of the words - the messenger (Al-Rasool) 327. Do you know of anyone who can do this or make this up? Glory be to my Lord.**

**What determined Rashad as a messenger of God?** The simple reason is that he fulfilled the Quranic criteria of being a messenger: **he was revealed the revelations and inspired by GOD, proclaimed himself to be a messenger of GOD, he preached GOD and His words, advocated against all forms of idol worship, translated the Quran truthfully, was given special knowledge about the Heavenly Feud and the Original History of humans, was revealed the date of the Day of Judgment, was blessed with the Miracle of 19 as his Sign, proved the whole of Quran to be from GOD, except the 2 false verses that were removed by GOD'S will, he did not charge any wages from the people, offered the guidance for free, inspired everyone to uphold the laws of Quran, spoke and preached the Truth, and much more.**

The 14 principal duties assigned to him as a Messenger of the Covenant are listed on Page 415 of the “authorized English Translation” of the Quran. As he was sent by GOD after many centuries, **as verses 5:15 and 5:19 tell us**, he used a few verses with his name rightfully as examples, to be divisible by 19. **He was the message bearer of the Quran and its miracle of 19 and was therefore authorized to do it.** No one else has the right to repeat what he did. **It will constitute a gross sin.** The Miracles of GOD are not repeated – **every messenger is given a “New Miracle as his Sign”.** Before GOD sent down the Miracle, no one had any idea about **verse 74:30** and the Miracle of 19 that was hidden and embedded in the Quran. Whoever is the first one to proclaim the Miracle is authorized, authentic, and truthful. Those who repeat and copy the Miracles afterwards are called

“LIARS and FABRICATORS” against GOD and the Quran. **This is proven through an important verse:**

**40:78 Part 1:** No messenger can produce any “Miracle” without **GOD’S** authorization.

**Revealed:** The Allah letters are **16**, and messenger's letters are **17**, **revealing the diff. of 1** – “a Profound Miracle”.

**40:78 Part 2:** Once **GOD’S** judgment is issued, the truth dominates.

**40:78 Part 3:** And the falsifiers are exposed and humiliated.

**Revealed:** The messenger's letters are **9** and **10** – the perfect coding of **9,10** (“Tisha Ashar” – 74:30) and **revealing the diff. of 1**, while the total letters for these parts are **19** also.

**Revealed:** To reveal the Absolute Control of GOD over His Miracles in the Quran, **Parts 1** and **2** above are encoded with the Supreme Revelation of **Aleefs** being **9** and **8**, **revealing a diff. of 1**.

Similarly, the next **Miracle of the Quran of “the Seven Pairs”** along with “**the Even and the Odd**” **has been blessed upon me**, as they witnessed, when I showed them **the number 7** and its placement / construction in the **contents and in the verses**. I also showed them the Miracle of the Even and Odd verses from the contents, revealing the difference of 1, and creating a verse which also reveals the diff. of 1 again, as well as the **count of GOD to be 1914** on this particular verse. They saw with their eyes and believed in it. In fact, they were so awed and thrilled that they asked me how I came to know it or found out. **My answer was that GOD, Most Gracious, has revealed it to me.** No human - no matter how educated or smart - can find out about GOD’S secrets or miracles in the Quran unless He wills to reveal to them. Did **Mr. Deedat, who fabricated the earlier miracle of 19**, show them these current Miracles in the Quran, or some of their “**aalims?**” It will only be honesty on their part to state the facts, and admit that I was the one who showed them for the first time. No one knows or has any knowledge about the profound, precise, and intricate Miracles embedded within the verses, which have been revealed to me, under specific sets of verses and commands. **Praise be to ALLAH.** GOD states in verses 56:77 and 56:80.

**56:77** **This is an honorable Quran.**

**Revealed:** The GV of messenger's letters is **280 = 14 x 20**.

**56:80** **A revelation from the Lord of the Universe.**

**Revealed:** The GV of **messenger's letters** is **342 = 19 x 18**.

I hope that their eyes are not bewitched by seeing GOD'S awesome proofs in the messenger's name. The Quran is fully protected from the distorters and the disbelievers, who can never find any Miracles from it. **That is why no "Muslim scholar" has ever been able to find out any new Miracle, though they read, examine, and research the Quran every day**, and there are millions of so-called Muslims spread throughout the earth. They are not sincere with GOD and do not recognize the Truth, but they are quick in repelling the people from the path of GOD. The hypocrites have tried to downplay and trivialize the importance of the Miracles, and may have lost their interest in examining them, within the context of the Quran. But GOD has said in verse:

**27:93** And say, "Praise be to GOD; He will show His Proofs, until you recognize them. Your Lord is never unaware of anything you do."

**Which Proofs is GOD talking about:** Count yourself and see that the **Allah letters** are precisely **14**, and **messenger's initials** are **19**. GOD is most certainly talking about **the Seven Pairs and the Sacred Codes**. The difference between **chapter 27** and **verse 93** is precisely **66, being the value of ALLAH**. This clear verse talks about **ALLAH** and **His Proofs**, which He has now proven. Do you not fear HIM even after witnessing His Proofs? After showing you the verse talking about His Proofs, He will now show you a verse which will reveal a human being assigned to deliver these Proofs, under verse numbered as **66**.

**23:66** MY PROOFS have been presented to you, but you turned back on your heels.

**Who did GOD present the Proofs through:** Count and verify that the **messenger's letters** are precisely **19** – together with **verse 27:93** having **Allah letters 14**; **these reveal the Sacred Codes of the Omnipotent LORD, to deliver the message of ALLAH, 66.**

Whether they like to see or appreciate these Proofs from GOD is entirely up to them. Millions of disbelieving Muslims react the same way, now and in the past, like they have done. They have no respect and reverence for the CREATOR, the LORD OF THE UNIVERSE. **Would they believe only if it were accompanied with GOD'S retribution and punishment?**

The revelation of 1 GOD and His name letters of **66** are even more profound miracles in addition to the Codes of **19** and **14**. I showed them how verses on similar subjects are linked and connected with the lettering of ALLAH, to reveal the difference of **1**. The purpose of my writing is to warn them about their disbelief, after having believed. There

are severe consequences from GOD, and the hypocrites will be given the lowest pit of Hell (4:145). Moreover, GOD does not guide the hypocrites.

They have a chance right now, while I convey this profound message to them, to repent to the Forgiver, Most Merciful Lord, and come back to righteousness – meaning the entire message that was conveyed by me to them. If their hearts tell them that they have made a mistake by disbelieving, they should not fret. All they have to do is to ask GOD for forgiveness, then repent to Him, and come back to the guidance. The system is very simple in Islam, and you do not have to worry about face-saving. The past sins are forgiven and forgotten. But it should be done now, with sincerity, devotion, and reverence for GOD, without fear of other human beings. To show you some of the consequences for disbelieving, after believing, I will point out some verses for you:

**3:90** Those who disbelieve after believing, then plunge deeper into disbelief, their repentance will not be accepted from them; they are the real strayers.

**4:115** As for him who opposes the messenger, after the guidance has been pointed out to him, and follows other than the believers way, we will direct him in the direction he has chosen, and commit him to HELL; what a miserable destiny!

For the sincere and the reverent of GOD, they are advised to take the Quran seriously, and not as a casual subject or as a social function. The verses are given hereby:

**86:13-14** This is a serious narration. Not to be taken lightly.

**73:4 Part:** & **73:5** And read the Quran from cover to cover. We will give you a heavy message.

**6:70** You shall disregard those who take their religion in vain, as if it is a social function, and are totally absorbed in this worldly life. Remind with this (Quran), lest a soul may suffer the consequences of its evil earnings. It has none beside **GOD** as a Lord and Master, nor an intercessor. If it could offer any kind of ransom, it would not be accepted. They suffer the consequences of the evil works they earn; they have incurred hellish drinks, and a painful retribution because of their disbelief.

**29:25** He said, “You worship **beside GOD** powerless idols due to peer pressure, just to preserve some friendship among you in this worldly life. But then, on the Day of Resurrection, you will **disown** one another, and **curse** one another. Your destiny is **HELL**, wherein you cannot help one another.

**7:51** Those who do not take their religion seriously, and are totally preoccupied with this worldly life, we forget them on that day, because they forgot that day, and because they spurned our revelations.

**59:19 Part 1:** Do not be like those who forgot GOD, so He made them forget themselves.

**59:19 Part 2:** These are the wicked.

**Revealed:** In Part 1, the Allah letters are **14**. In the entire verse, the Allah letters are **19**.

**Why do you think GOD placed 14 and 19 letters of His name in this verse numbered 19? Do these numbers not represent verses 15:87 and 74:30? These are verses from the Quran, and an important reminder for the hypocrites.**

The disbelieving people have decided to follow the moulvis, or imams, or “aalims”. These are the ones who had confused them in the past; therefore, they did not know or understand the Quran, until I met them. In fact, one of them realized how little he knew about the Quran, though he had memorized it in Arabic. But his knowledge about any given verse was nil. They admitted that they gained substantial knowledge within the few days I was with them, and also said that their religious preachers could not have shown so many verses in such a short time with proper explanation and linkages. They should know that GOD has never authorized any idols – be they self-proclaimed “aalims, moulvis, or imams” to comment, interpret, or translate His verses. There is not a single verse telling you to follow them, or allowing them to do this. **In fact, there are verses forbidding you to follow such people.** It seems like they want to go against GOD’S commands and wishes, in order to ensure their doom into Hell. Read this verse about your idols, if you accept any human beings to be your teacher or master, **other than God’s messengers.**

**12:37 Part:** I have forsaken the religion of people who do not believe in GOD, and with regard to the Hereafter, they are really disbelievers.

**12:40** You do not worship beside Him except innovations that you have made up, you and your parents. **GOD has never authorized such idols.** All ruling belongs to GOD, and He has ruled that you shall not worship except Him. This is the perfect religion, but most people do not know.

**42:21** They follow idols who decree for them religious laws never authorized by GOD. If it were not for the predetermined decision, they would have been judged immediately. Indeed, the transgressors have incurred a painful retribution.

**42:22 Part:** You will see the transgressors worried about everything they had committed; **everything will come back and haunt them.**

**6:137** Thus were the idol worshipers duped by their idols, to the extent of killing their own children. **In fact, their idols inflict great pain upon them, and confuse their religion for them.** Had **GOD** willed, they would not have done it. You shall disregard them and their fabrications.

Since they had seen and accepted the Truth in the past during my presence, and now reverted back to falsehood and disbelief, they are likely to stay very confused in life. Their hearts will never fully accept what the idol worshipers preach and practice, after knowing the Truth, nor are they willing to follow the Truth that I showed them from the Quran. **The natural consequence is confusion, and ultimately giving up the religion by not upholding it.** This is exactly what satan wants and desires from his constituents.

They are siding with each other as friends and making joint decisions right now. But on the Day of Judgment, they will disown one another, and will be the worst enemies of each other. On that Day, their parents, relatives, work associates, religious scholars, leaders, friends, or their sects cannot help them. No one will recognize each other, nor be able to help one another. **The prophet has already been made to say in the Scripture, that his people had abandoned the Quran. This clearly means that the people were not following and upholding the Book.** Such is the case in all the so-called Muslim countries. If they truly want to follow the prophet's example, why don't they believe in what **GOD** says through the following verse:

**7:158** Say, "O people, I am **GOD'S** messenger to all of you. To Him belongs the sovereignty of the heavens and the earth. There is no god except He. He controls life and death." Therefore, you shall believe in **GOD** and His messenger, the gentile prophet, who believes in GOD and His Words. Follow him, that you may be guided.

**3:119** Here you are loving them, while they do not love you, and you believe in all the Scripture. When they meet you they say, "We believe," but as soon as they leave, they bite their fingers out of rage towards you. Say, "Die in your rage." **GOD** is fully aware of the innermost thoughts.

These verses tell us that **prophet Muhammad followed only GOD'S Words** – the **inspiration – all of it, and nothing else**. It does not say that he followed the human hadiths that came many generations later. **I ask the disbelievers – do they really believe and follow all of the Quran just like the prophet Muhammad did?** If they really did, then they would not have expressed doubts about **GOD'S** subsequent

revelations. As for siding with each other, as if it is a social function in religion, I want to share the following:

**70:10** No friend will care about his close friend.

**70:11** When they see them, the guilty will wish he could give his own children as ransom, to spare him the retribution of that day.

**70:12** Also his spouse, and his brother.

**70:13** Even his whole tribe that raised him.

**70:14** Even all the people on earth, if it would save him.

**70:15** No; it is aflame.

**70:16** Eager to burn.

**70:17** It calls on those who turned away.

**Can you read and see that these verses will serve as a Proof to warn them, and others? Can you also count and see that?**

**Revealed:** Chapter 70 + verses 10+11+12+13+14+15+16+17 = **178, which is the messenger's name, Makbool.**

**Revealed:** Can you now open the Arabic Quran and count the messenger's letters – you will find them to be, God willing, **precisely 77.** This reveals **the proof of Seven Pairs as well the messenger's name** through these verses, under **messenger's letters.** Can they or their idols write these verses with these Proofs for themselves? I did not have this Revelation before, and have just been revealed while writing this sermon.

**When GOD has counted every leaf that falls off the tree and counted every atom in the Universe, do you not believe when He says that He has counted everything - including all the letters, words, verses, and chapters in the Quran?** This is to prove to the humans that He has Superior Knowledge, Wisdom and Control over everything He has created. Even though GOD has proven the Quran, they have shown gross arrogance to disbelieve in it. **Do they not realize that they have to face Him on the Day of Resurrection?** GOD has stated:

**72:28 Part: "He has counted the numbers of all things".**

**10:60** Does it ever occur to those who fabricate lies about GOD that they will have to face HIM on the Day of Resurrection? Certainly, GOD showers the people with His grace, but most of them are unappreciative.

They have not only betrayed GOD and His messenger – a gross sin punishable by confinement in Hell, but have also shown the lowly side of the human being. **Can anyone trust them for anything in future?**

**8:27 O you who believe, do not betray GOD and His messenger, and do not betray those who trust you, now that you know.**

**If they have any superior knowledge – they or their idols – from the Quran; I want to hear and see it.** Had they controlled their **EGO** and refrained from expressing their **SELF OPINIONS**, it would have been better for them, in order to stay guided. I firmly believe GOD knew whatever was in their hearts, and accordingly, He has sent some of them astray, just like millions of others. I, as a human being, cannot read the minds of others, as GOD has not given me the knowledge to read faces, though I can normally tell by the utterances. They have somehow influenced each other to walk the same path and make the same decisions, without realizing that each soul is accountable for its own self – that no one will bear the burden of another soul. There is no point or sense in cooperating with each other in matters of sin, evil and disbelief, as GOD has forbidden it. However, they are advised by Him to cooperate in matters of piety and righteousness.

\*\*\* To be continued next week as Part 3, Insha Allah.

**Peace be upon the messengers.  
Praise be to Allah, Lord of the Universe.**
