BEARING WITNESS FOR GOD

**I seek refuge in Allah from satan the rejected.
In the name of Allah, The Most Gracious, The Most Merciful.**

A believing person has asked where in the Quran can you find the statement: “Ashadu An La Elaha Ella Allah, Wahdahoo La Shareek Lahoo”, – meaning, “I bear witness that there is no god except ALLAH; He is ALONE (One) and has no partners”, which is recited by the believers in their Salat, and at other times to bear witness that ALLAH is ONE. The two forms of Shahadahs or Proclamations are given in the Quran and can be verified easily. This sermon will answer your concerns, and enlighten you through the inspiration revealed to the messenger. Some recitals, like the words mentioned in the Salat (Contact Prayer), the procedure to do it, and other matters not mentioned in the Quran, are revealed to the messengers directly by GOD through inspiration.

The Statement to bear witness for ALLAH does not appear as one sentence or verse in the Quran. It is a composition of the words occurring in the Quran, and is part of the inspiration given to the messengers, just like the words of Salat recited by us, are not given in one verse or sentence in the Quran, but appear in the Scripture spread out in different verses. All of this has a basis.

The reason that God tells us to be guided in the footsteps of the prophets and the messengers through verses 6:88-89-90 is one of the bases. The messengers are the guided ones, and GOD is the One who guides them in the footsteps of the past prophets and messengers. Here is the clear PROOF.

6:90 These are the ones guided by **GOD**; you shall be guided in their footsteps. Say, “I do not ask you for any wage. This is but a message for all the people.”

Clear Proof: The **Allah letters** are **30**, and **messenger’s letters** are **29**, **revealing the clear diff. of 1** – Praise to Allah.

6:90 Part: These are the ones guided by **GOD**.

Revealed: The **Allah letters** are **9** and **messenger’s letters** are **8**, **revealing the diff. of 1**.

6:90 Part: You shall be guided in their footsteps.

Revealed: The **Allah letters** are **4** and **messenger's letters** are **3**, revealing the diff. of 1.

6:90 Part: Say, "I do not ask you for any wage."

Revealed: The **Allah letters** are **9** and **messenger's letters** are **8**, revealing the diff. of 1.

6:90 Part: This is but a message for all the people.

Revealed: The **Allah letters** are **8** and **messenger's initials** are **9**, revealing the diff. of 1.

The above verse is perfectly and immaculately marked to reveal the difference of **1** through each part of it, as well as the entire verse. This proves that GOD bestows and blesses the messengers with His guidance, which is based on the past guidance offered to previous messengers; though some rites of worship practices can have variations to identify the different congregations under the messengers, as per verse **22:67**.

22:67 Part 1: For each congregation, we have decreed a set of rites that they must uphold. Therefore, they should not dispute with you (the messenger).

22:67 Part 2: You shall continue to invite everyone to your Lord. Most assuredly, you are on the right path.

Revealed: The **messenger's letters** in each part are perfectly **19** and **14** – the rites of Islam are guarded and preserved through **the Sacred Codes of 19 and 14**. Glory be to my Lord. When the verse is rearranged, it also reveals the perfect value of "**Al-Islam**" (the Submission) which is **162**. This will prove that all the believers have to follow GOD'S directives issued through the messengers, in order to achieve and prove their Submission to GOD.

22:67 Part 1: For each congregation, we have decreed a set of rites that they must uphold.

22:67 Part 2: Therefore, they should not dispute with you. You shall continue to invite everyone to your Lord. Most assuredly, you are on the right path.

Revealed: The GV of **messenger's letters** are **486** and **648**, revealing the precise diff. of 162.

The rites of the religion are inspired to the messengers, who in turn teach their followers to do the same way. Muhammad was inspired to follow Abraham, as given in verse 16:123.

Abraham was inspired to learn the worship practices, after he implored GOD, as given below:

2:128 Part 1: “Our Lord, make us submitters to You, and from our descendants let there be a community of submitters to You.

2:128 Part 2: Teach us the rites of our religion, and redeem us. You are the Redeemer, the Most Merciful.

This was a very important request made by Abraham to GOD. The proofs inscribed by GOD highlight the importance of this imploring, as well as the essence of the verse.

Revealed: The **Allah letters** for each part are **12 & 13, revealing the diff. of 1** – Praise be to Allah.

This verse defines the meaning of Islam. The Lord has the power to make us Muslims to Him, and our descendants. It will be in accordance with His sole will. GOD alone can give and teach us the rites of His religion – Islam – “the worship practices and how to carry them out”. By doing what God commands us to do, we are being Muslims to Him, and then He redeems us. No one else can redeem us, except ALLAH, the Redeemer, the Most Merciful.

Let me give you some more enlightenment by narrating the verse through parts of it:

2:128 Part: “Our Lord, make us submitters to You.”

2:128 Part: “And from our descendants let there be a community of submitters to You.”

Revealed: The **Aleefs**, denoting **the Absolute Authority of GOD**, are **3 & 2, revealing the diff. of 1** – this proves the fact that no one can submit to GOD without His guidance and mercy. Similarly, the future generations or descendants of ADAM will only be guided if they also uphold GOD’S Absolute Authority. This is done by appointing messengers whom GOD chooses and then commanding the people and putting them to the test, as He wishes. This reveals the “enlightenment” by offering precise proofs.

Revealed: The **messenger’s letters** are **12 & 11, revealing the diff. of 1** – Glory be to GOD for guiding me, appointing me a messenger, and for following the path of Abraham.

Revealed: The 2 portions mentioned above of Abraham’s imploring have **12 Allah letters** in them, and the GV of the **Allah letters** is precisely **165**, as does the truthful Shahadah, “**La Elaha Ellah Allah**”, whose GV is also **165** and is composed of **12 Allah letters**. The number **165** represents GOD’S Absolute Authority through His Shahadah. What the Shahadah essentially means is that: “Since there is no other god

in the Universe, ALLAH ALONE possesses all the Power and the Authority to do as He wishes, chooses, and commands". Those who believe in His Sole Authority will be guided, and will carry out His commands willingly, without raising questions or objections. This will constitute "Submission to GOD", or "Islam" in Arabic.

2:128 Part: Teach us the rites of our religion and redeem us.

2:128 Part: You are the Redeemer, the Most Merciful.

Revealed: The **Aleefs** for these parts are **5 & 5** – **Matching** – meaning "if a person carries out the guidance advocated by GOD, **and match it by upholding it**, then they will be redeemed". The parts of the verse are "SEALED" to any outside sources or intervention by false human gods. **If you bring in other guidance, to lump with or rival GOD'S guidance**, then it will not be matching guidance, as given by Him. It will conflict with GOD'S guidance, thereby constituting "setting up of other gods beside ALLAH". This is further substantiated with the following proof.

Revealed: The **Allah letters** for each part are **6** and **7**, **revealing the diff. of 1** – The Absolute ALLAH.

Revealed: The GV of **Allah letters** for both parts is perfectly calculated to be **100**.

These three solid proofs of "**Matching Guidance**", and the "**Revelation of 1**" along with the GV of Allah letters being the number **100**, should clear up the minds of all those who still do not understand the importance of Quran, and the messengers sent to preach and teach it. The **number 100**, after clarifying that He is only ONE GOD through the revelation above, represents **His 100 percent Authority over all creations and commands** (see verse 7:54). The justice meted out to the people on the Day of Resurrection will be 100 percent fair, taking into consideration the willing Submitters who submitted 100 percent of their lives and time while on earth, as compared to those who compromised the religion, and were hypocrites. The sincere submitters will be the winners, as GOD tells us. The number 100 is highly important from GOD'S point of view in the Quran, and an important reminder for the Submitters. There is no such thing as "partial submission" (15:90-91). It is either submission or disbelief. It is either a believer or a disbeliever (64:2). It is either a submitter or a compromiser (72:14). It is either the believers or the hypocrites (3:166-167, 4:60-61, 9:63-64).

Abraham also implored GOD to send a messenger to guide the people. Verse 2:129 is very important in this context, as a follow up verse to 2:128, and the 1st part of the verse will shed light on GOD'S perfect system of guidance through His messengers.

2:129 Part: "Our Lord, and raise among them a messenger to recite to them Your revelations."

Revealed: The **messenger's initials** are **14**, and the **messenger's letters** are **19**, **revealing the Sacred Codes of 14 and 19**. This confirms the fact that all the messengers of GOD have been pre-selected by Him, and are sent with various proofs and miracles to different communities and different times. They recite GOD'S revelations covering the message, in accordance with His will and Absolute Authority. This is also confirmed with a precise number and proof, just like GOD showed us for the first part of 2:128.

Revealed: The GV of **Allah letters** is **precisely 110** – the number for the 2nd form of “Shahadah”, representing God's Absolute Authority in choosing and appointing messengers.

Question: Whose Scripture is taught and who recites the revelations from it? This is also clarified:

2:129 Part: “To teach them the scripture.”

Revealed: The GV of **Allah letters** is perfectly calculated to be **66** – **the scripture of ALLAH**.

This proves that the messengers are appointed by ALLAH, to teach His scripture – the knowledge is inspired by GOD – and therefore, the command to “obey God and His messenger” is all the more relevant and can be understood better by the believers. Rejecting a messenger who brings clear signs and proofs from GOD constitutes “idolatry”, as it constitutes rejection of GOD, His revelations, and of His Absolute Authority. The teaching of the Scripture and wisdom in order to purify the people is also under strict inspiration and control of GOD, as the proof will reveal.

2:129 Part 2: “Teach them the Scripture and wisdom, and purify them. You are the Almighty, Most Wise.”

Revealed: The **Allah letters** are **14**, and the **messenger's initials** are **19** – GODS' guidance through the messengers is also covered and marked under the Sacred Codes.

Revealed: In **Part 1** of **2:129**, **messenger's initials** were **14**; in **Part 2**, they are **19**, thus **double proofing the verse with the Sacred Codes**. Go back and read them again carefully, to follow and appreciate the immense mercy of GOD and His beacon revealed herein.

Let me take the first parts of the two verses, which reveal submission through GOD'S messengers, so that you get some clear idea of His Absolute Authority through the numbers of the (2) Shahadahs originating from these verses.

2:128 Part: “Our Lord, make us submitters to You, and from our descendants let there be a community of submitters to You.

Revealed: The GV of Allah letters is 165.

2:129 Part: “Our Lord, and raise among them a messenger to recite to them Your revelations.”

Revealed: The GV of Allah letters is 110.

The numbers – **165 and 110** – are not ordinary numbers. They represent the profound Authority of GOD through the 2 different forms of Shahadahs given in the Quran. Many other phenomenal and incontrovertible proofs have been presented on them in other Sermons and on the website. It shows and proves that the whole basis of “Submission” is focused and dependent on messengers who will recite GOD’S revelations in order to guide the people, and to teach them the religion in order to purify them. All of this happens with GOD’S will, as the proofs reveal, and confirms GOD’S teachings through the Scripture. No one can explain and offer a better understanding of these verses, except ALLAH, who has pre-marked them in order to offer the best teachings to the sincere believers through His messengers. The numbers 165 and 110 are also produced and proven through another set of verses to back up verses 2:128-129 and the same meaning will be conveyed through them.

4:170 Part 1: O people, the messenger (Makbool Husain) has come to you with the truth from your LORD. Therefore, you shall believe for your own good.

Revealed: The GV of Allah letters is 165.

4:170 Part 2: If you disbelieve, then to GOD belongs everything in the heavens and the earth. GOD is Omniscient, Most Wise.

Revealed: The GV of Allah letters is 231 = 7 x 33.

Revealed: The Aleefs for both parts are **10** and **11**, revealing the diff. of 1 – the Absoluteness of GOD.

Revealed: The messenger’s letters for both parts are **25** and **24**, revealing the diff. of 1 – the messenger is truth.

Revealed: The GV of Allah letters for both parts are 165 and 231, revealing the diff. of 66 – the Sacred Name of ALLAH is revealed, as well as the “Shahadah” and Absolute Authority of **165** sent down with the messenger for the people to believe in.

4:174 O people, a proof has come to you from your LORD; we have sent down to you a profound beacon.

Revealed: The GV of **Allah letters** is **110**.

Compare this set of verses – 4:170 and 4:174, which talk about “the Lord, the messenger, the truth, the proof, and the profound beacon” – all of these under His Supreme Authority of **165** and **110**, with the difference of **66** revealed through the 2 parts of 4:170 also. Now I will put the appropriate parts of both verses in the context again, to show you the profound beacon sent by GOD.

4:170 Part: O people, the messenger has come to you with the truth from your LORD. Therefore, you shall believe for your own good.

Revealed: The GV of **Allah letters** is **165**.

4:174 O people, a proof has come to you from your LORD; we have sent down to you a profound beacon.

Revealed: The GV of **Allah letters** is **110**.

Revealed: The **Allah letters** are **16** and **15**, revealing the clear diff. of 1 – Praise be to GOD.

Revealed: The **messenger’s letters** are **25** and **26**, revealing the clear diff. of 1 – the profound beacon of GOD.

The Sign is Revealed: The **messenger’s initials** in **4:174** are **21**, and the GV is precisely **840**; this is the Sign of H.M. as given in chapters 40 – 46, marked with these Quranic Initials, which represent H for Husain, and M for Makbool. The GV of **H** and **M** written next to each other is **8,40**.

Hint of GOD’S Retribution: The GV of **Allah letters** for both verses is **165** + **110** = **275**. The GV of **messenger’s letters** for both verses is **874** + **858** = **1732**. The sum of GVs of **Allah letters** and of **messenger’s letters** is **275** + **1732** = **2007** – Ask for GOD’S FORGIVENESS AND REPENT TO HIM, BEFORE IT IS TOO LATE. Next year is 2007, Alhumdo Lillah (**275,1732** = **19** x 144828).

The number **165** is the real basis of ISLAM, whereby the humans are given a second chance to believe, obey and follow GOD’S Absolute Authority, by sincerely believing and reciting the truthful Shahadah. This will now be confirmed and evidenced by 2 opposing verses, one for the believers and the other one for the disbelievers, both of them marked by GOD with the GV of His letters as **165**. This provides an equal opportunity to believe or not to believe.

The Believers

33:47 Deliver good news to the believers, that they have deserved from **GOD** a great blessing.

Revealed: The diff. in chapter number **33** and verse number **47** is **precisely 14**.

Revealed: The diff. in verse number **47** and GV of **Allah 66** is precisely **19**.

Revealed: The **Allah letters** are exactly **12 (as in the Shahadah)** and the GV is **165** – the believers follow all the commands of GOD, believe in His Signs of the Sacred Codes, and obey the messenger.

They are given an invitation by GOD through the messenger to believe in the guidance and they respond favorably and wholeheartedly, thus benefiting from the blessings of the Most Gracious. Let me write the adjacent verse next to this one, to show you the Proof.

33:46 Inviting to **GOD**, in accordance with His will, and a guiding beacon.

33:47 Deliver good news to the believers, that they have deserved from **GOD** a great blessing.

Revealed: The **Allah letters** are **13 and 12, revealing the diff. of 1** – the invitation to believe in ONE GOD and His guidance, is extended through His messenger – this is the System – whereby a second chance is given in this life to be redeemed in the Hereafter.

The Disbelievers

33:64 **GOD** has condemned the disbelievers, and has prepared for them HELL.

Revealed: The **Allah letters** are exactly **12 (as in the Shahadah)** and the GV is **165** – it is proven through these revelations of **33:47 and 33:64** that the ones who uphold GOD'S Absolute Authority (**165**) will be redeemed into Paradise forever; and the ones who disobey His authority (**165**) by rejecting His messengers will be confined to Hell and punished forever.

Note the chapter and the verse number on the “disbelievers” lacks the proof and the Sacred Coding as compared to the verse on the believers. Also note, the verses that follow the verse on disbelievers are **33:65 to 68**. It is very important for you to read them to get a full and complete sense and understanding of what constitutes “disbelief”, and what criteria is used by GOD to send the disbelievers to HELL.

Question: How did Muhammad and subsequent messengers from the Quran, learn to follow the “religion of Abraham” and the rites of it, when they never met Abraham?

Answer: see verses below:

16:123 Then we inspired you (the messengers of God) to follow the religion of Abraham, the monotheist; he never was an idol worshiper.

Revealed: This verse has a very clear proof, **being marked with GV of Allah letters as 110**. It is now proven that GOD has inspired the messengers after Abraham to follow his path, through His clear and Absolute Authority.

3:68 The people most worthy of Abraham are those who followed him, and this prophet, and those who believe. **GOD** is the Lord and Master of the believers.

A Great Miracle: The **Allah letters** for both verses (16:123 & 3:68) are: **15 + 27**, the sum is **42** and **messenger’s letters** for both verses (16:123 & 3:68) are: **26 + 42**, sum = **68**. Together, the **Allah letters 42 + messenger’s letters 68**, **reveals the sum of 110**, GOD’S Absolute Authority, through which He inspires and communicates with me – Glory be to Him.

Question: Why do we have to bear witness for GOD?

It is only a reaffirmation of what we have done in the past during our first life before coming to earth. We already bore witness that GOD is the only LORD, as verse **7:172** tells us.

7:172 Part 1: Recall that your Lord summoned all the descendants of Adam, and had them bear witness for themselves: “**Am I not your Lord?**”

Revealed: The **Allah letters** are **14**, and **messenger’s initials** are **19**.

7:172 Part 2: They all said, “**YES. We bear witness.**” Thus, you cannot say on the Day of Resurrection, “**We were not aware of this.**”

Revealed: The **messenger’s initials** in **Part 1** are **19** and **Allah letters** are **14**, **revealing the Sacred Codes**.

Revealed: The **messenger’s initials** for both parts are **19** and **20**, **revealing the diff. of 1**.

Revealed: The **messenger’s letters** for both parts are **26** and **25**, **revealing the diff. of 1**.

Revealed: The **Allah letters** for the verse are **32**, and **messenger's letters** are **51**, **revealing the diff. of 19**.

Revealed: The **Allah letters** for the verse are **32**, and **messenger's initials** are **39**, **revealing the diff. of 7**.

Revealed: The GV of **messenger's letters** for each part are **756 = 14 x 54**; and **896 = 14 x 64**; both **multiples of 14**.

Revealed: The GV of **Allah letters** for the entire verse is **271** and **messenger's letters** is **1652**, **revealing the sum of 1923** - this number is made up of: **19** & **23** - each represent GVs of "**Waaheed**" (**One**) and "**Wahdahoo**" (**Alone**).

I hope that you realize and appreciate the enormity of these proofs - **that GOD has sent a messenger to remind you of your Covenants made with HIM, which are proven now**. To include and inscribe these many proofs in a verse is only the work of the Omnipotent, the Most Wise. This verse reveals the enormity and seriousness of the message - to obey and follow GOD'S Authority, in whichever way, and through whomever He directs the people.

When we bear witness on Earth by saying: "Ashado Un La Elaha Ella Allah, Wahdahoo, La Shareek Lahoo", we are essentially repeating and reaffirming what has been said and committed by us during our first life, as verse 7:172 points out. Moreover, GOD bears witness that "there is no other god beside Him, and so do the angels, as well as those who possess knowledge". If GOD has borne witness; then His believing creations have to do likewise, to agree with Him and to confirm the same. He uses the words: GOD bears witness - and says that the knowledgeable ones amongst the humans do the same. The Truth of the verse is hereby proven.

3:18 Part 1: **GOD** bears witness that there is no god except He.

3:18 Part 2: And so do the angels and those who possess knowledge.

Revealed: The **Arabic letters** are **20** and **19**, **revealing the diff. of 1** - it is mandatory for the angels and the believers to bear witness to prove their belief and faith. **Part 2**, on the angels and those who possess knowledge is further marked with the Sacred Codes.

Revealed: The **Arabic letters** are **19**, and the **Quranic Initials** are **14** - **the Sacred Codes** that have been revealed to the messenger, Makbool Husain.

Revealed: The Shahadah occurs in this verse twice, and they are connected and linked to each other with **14 Allah letters** in between them. The 2 occurrences within the same verse signify what I have said earlier, which is: "we bore witness before coming to Earth, and we bear witness again in this life, to affirm our earlier utterance".

3:18 GOD bears witness that there is no god except He, and so do the angels and those who possess knowledge. Truthfully and equitably; there is no god but He, the Almighty, Most Wise.

Revealed: This important verse is marked with **19 Aleefs** – **the Supreme Authority**.

Let me show you another proof, as GOD confirms whatever I say, in accordance with His will. This is the aspect of these revelations, that GOD confirms everything He reveals to His messenger. I will write the 2 different forms of Shahadah in the Quran, and compare it to the one we recite in the Salat to bear witness for Him. Most of the sincere Muslims have already been reciting it in the Salat, but now you can be sure that GOD has approved it through these special revelations.

“La Elaha Ella Hoo” ----- **Messenger’s letters** are **4** in it.
“La Elaha Ella Allah” ----- **Messenger’s letters** are **5** in it.

Revealed: The difference of **messenger’s letters 4** and **5** is clearly **1** – **Praise be to ALLAH**.

“Ashhado An La Elaha Ella Allah, Wahdahoo, La Shareek Lahoo.”

Revealed: The **Allah letters** in the stated **Quranic Shahadahs** are **9 + 12**, sum is **21**; and the **Allah letters** in our statement bearing witness for GOD are **20**, **revealing the diff. of 1**. This proves that our “recital” is acceptable to ALLAH, what we utter during our Salats, or at other times, to bear witness for HIM. Glory be to my Lord.

When it comes to making a commitment to total devotion to GOD and proclaiming that He has no partners; the following couple of verses will reveal awesome proofs of GOD.

6:162 Say, “My Contact Prayers (Salat), my worship practices, my life and death, are all devoted absolutely to **GOD**, the Lord of the universe.”

Revealed: The **Allah letters** are **12**, and **messenger’s letters** are **26**, **revealing the diff. of 14** – all worship practices are proven to be revealed through the messenger. The Proof here is **14, the Seven Pairs**.

6:163 “He has no partner. This is what I am commanded to believe, and I am the first to submit.”

Revealed: The Aleefs for both verses are 5 and 6, revealing the diff. of 1.

Revealed: The Allah letters for both verses are 12 and 13, revealing the diff. of 1.

Revealed: The sum of Allah letters for both verses is 25, while messenger's letters are 44, revealing the diff. of 19 – an authorization by the Most Gracious for me. He is the One who has taught me the worship practices, and accepts from me and those who follow me. Glory and Praise be to Him.

NOTE THE SACRED CODING through these verses: 6:162 reveals the diff. of 14, and both of them combined reveal the diff. of 19 – a great **Miracle of GOD**. The profound truth that “He has no partner” is also marked with the “Revelation of 1” with the messenger's letters.

6:163 Part: “He has no partner.”

Revealed: The Allah letters are 4, and messenger's letters are 3, revealing the diff. of 1.

Revealed: The GV of Allah letters is 66, revealing and confirming His Sacred Name.

The next verse will also bring out the reference to bearing witness for GOD. It is 6:19.

6:19 Part 1: Say, “Whose testimony is the greatest?” Say, “ALLAH'S.”

Revealed: The Allah letters are 10, and messenger's letters are 9, revealing the diff. of 1 and the sum of 19.

6:19 Part: Indeed, you bear witness that there are other gods beside ALLAH.

6:19 Part: Say, “I do not testify as you do.” Say, “there is only one god.”

Revealed: The Aleefs are 5 and 5, perfectly matching.

6:19 Part: Say, “I do not testify (bear witness) as you do.” Say, “there is only one god.”

Revealed: The Allah letters are 12, and messenger's letters are 11, revealing the diff. of 1 – a confirmation from the Almighty to proclaim that He is One.

6:19 Part: Say, “I do not testify as you do.” Say, “there is only one god, and I disown your idolatry.”

Revealed: The Allah letters are 14, and messenger's letters are 21, revealing the diff. of 7 (moreover, 14 and 21 are multiples of 14 and 7).

6:19 The entire verse is marked: Say, “Whose testimony is the greatest?” Say, “**ALLAH’s**” He is the witness between me and you that this Quran has been inspired to me, to preach it to you and whomever it reaches. Indeed, you bear witness that there are other gods beside **ALLAH**. Say, “I do not testify as you do.” Say, “there is only one god, and I disown your idolatry.”

A Miracle: The **Allah letters** are **50** and **messenger’s letters** are **69**, **revealing the diff. of 19** – a clear authorization from GOD to preach the Quran, and represents the authority extended to me. Praise be to the Most Gracious, Most Merciful LORD.

The word “Wahdahoo” – meaning “Alone” occurs alongside ALLAH in 5 verses; which are: 7:70 – 39:45 – 40:12 – 40:84 – 60:4. The Great Miracle and the Truth of the Testimony of ALLAH, through His attribute of “Akbar” – “the Greatest” – that He is indeed ONE, and has the Absolute Authority (**165**) is revealed through the 5 verses having the words, “Allah Wahdahoo” through the letters of Allah, as given below:

7:70	- The Allah letters are:	23	
39:45	- The Allah letters are:	26	
40:12	- The Allah letters are:	23	
40:84	- The Allah letters are:	20	
60:4	- The Allah letters are:	73	SUM = 165

Revealed: Praise be to ALLAH; the sum of His letters is precisely 165 – Glory be to Him. This serves a grave warning to all the hypocrites and the disbelievers, informing them that: He is indeed One in Authority, and to give up all false teachings, human gods, and other idols that they worship. The sum of chapters and verses also reveal **His Signature – twice**.

Revealed: Chapter 7 + verse 70 + chapter 39 + verse 45 + chapter 40 + verse 12 + verse 84 + chapter 60 + verse 4 = 361 = **19 x 19. GOD is the Lord in this life (19) and in the Hereafter (19), Subhan Allah.**

3:52 Part: “We believe in **GOD**, and bear witness that we are submitters.”

5:111 Part: They said, “We have believed, and bear witness that we are submitters.”

Revealed: The **Aleefs** are **6** and **7**, **revealing the diff. of 1**.

Revealed: The **Allah letters** are **11** and **10**, **revealing the diff. of 1**.

Revealed: The **messenger’s initials** are **10** and **11**, **revealing the diff. of 1**.

Revealed: The **messenger’s letters** are **14** and **15**, **revealing the diff. of 1**.

Revealed: The **GV of Allah letters** are **106 + 72**, the sum is **178**; **revealing the name of the messenger, Makbool** – Glory be to my Lord.

These verses and proofs reveal the System for believing in GOD, after witnessing His revelations and proofs recited by His messengers; then bearing witness that you are submitters to the ONE GOD. The proofs from the above verses did not leave out anything, and are fully detailed. **You do not bear witness about the messenger, or the name of the messenger – but you bear witness** that you are submitters to the **ONE GOD**, after seeing, observing, and witnessing **His revelations and Signs**. Here are some more verses on bearing witness and how they apply:

3:64 Part 1: Say, “O followers of the scripture, let us come to a logical agreement between us and you.

3:64 Part 2: “That we shall not worship except **GOD**; that we never set up idols besides Him, nor set up any human beings as lords beside **GOD**.”

Revealed: The Arabic letters are 39 and 58, revealing the diff. of 19.

3:64 Part 1: Say, “O followers of the scripture, let us come to a logical agreement between us and you.

Revealed: The Aleefs are 7.

3:64 Part 2: That we shall not worship except **GOD**; that we never set up idols besides Him.

Revealed: The Aleefs are 7.

3:64 Part 3: Nor set up any human beings as lords beside **GOD**.

Revealed: The Aleefs are 7.

3:64 Part 4: If they turn away, say, “**Bear witness that we are submitters.**”

Revealed: The Aleefs are 7.

One more time – witness the Proofs:

3:64 Part 1: Say, “O followers of the scripture, let us come to a logical agreement between us and you.

3:64 Part 2: That we shall not worship except **GOD**; that we never set up idols besides Him.

Revealed: The Allah letters are 15 and 14, revealing the diff. of 1.

3:64 Part 3: Nor set up any human beings as lords beside GOD.

3:64 Part 4: If they turn away, say, “Bear witness that we are submitters.”

Revealed: The Arabic letters are 31 and 30, revealing the diff. of 1 - submitting to the ONE GOD.

Revealed: The Quranic initials in the verse are 19 and 18, revealing the diff. of 1 - **submitting to the One God** - without following any human lords - the unauthorized human religious preachers and false imams.

Revealed: The Allah letters are 11 and 11 - Matching.

Revealed: Even the GV of Allah letters are 102 and 102, Matching, to warn the people.

This clearly proves that if you believe and follow **any unauthorized human beings, or their teachings, dictates, and commands**, then you have blasphemed GOD by equating and rivaling His authority with human gods **and treated them as equal with GOD**. For this reason, **the messenger’s name letters** will carry a “**special code**” to identify the **authorized human being – the messenger**, from those who are unauthorized by GOD. This should clarify the meaning of the verse and provide assurance to the believers.

3:64 Part: Nor set up any human beings as lords beside GOD.

Revealed: The Quranic initials in the verse are 19, and messenger’s letters are 14, revealing the Sacred Codes of 19 and 14 – Glory be to my Lord, for providing the Sign for me. Note that the 14 letters of the messenger’s name in this part of the verse tie in with the Sign given to me, and have been deliberately inscribed by GOD to remove all doubts or misinterpretations by the falsifiers.

The believers are supposed to witness the Scripture of GOD; the revelations of the Most Gracious; and witness that the messenger is the truth. They are not allowed to bear witness for the messenger, as it is strictly prohibited by the Most Wise through 63:1. Whoever bears witness for the messenger and distorts GOD’S Sacred Shahadah is exiled from the Creator, and is a hypocrite, whose works will be rendered null and void by Him. This is the case with the overwhelming majority of so-called Muslims, who bear witness for Muhammad against GOD’S commands, thus nullifying their belief in Him.

63:1 Part 1: When the hypocrites come to you they say, “We bear witness that you are the messenger of GOD.”

Revealed: The **Allah letters** are **16**, and **messenger's letters** are **17**, revealing the diff. of 1. This is a classic example that GOD knows about all His messengers, as is revealed through messenger's letters proving that I am one of them; therefore, He does not allow or require the humans to bear witness for the messengers. Whoever dares to challenge this command is guilty of idolatry – worship of **2** gods, as the 2nd part of the verse will reveal, when compared with the 1st part.

63:1 Part 2: **GOD** knows that you are His messenger, and **GOD** bears witness that the hypocrites are liars.

Revealed: The **Allah letters** for each part are **16** and **18**, revealing the diff. of 2 – guilty of idolatry. **Part 2** of the verse is also marked with the Sacred Codes.

63:1 Part: **GOD** knows that you are His messenger.

Revealed: The GV of **messenger's letters** is **322**, a multiple of 14 (the Sign given to the messenger).

63:1 Part: And **GOD** bears witness that the hypocrites are liars.

Revealed: The GV of **messenger's letters** is **494**, a multiple of 19 (The Sacred Codes mark this very special verse).

Witnessing the Scripture

5:44 We have sent down the Torah, containing guidance and light. Ruling in accordance with it were the Jewish prophets, as well as the rabbis and the priests, **as dictated to them in GOD'S scripture, and as witnessed by them**. Therefore, do not reverence human beings, you shall reverence Me instead. And do not trade away My revelations for a cheap price. Those who do not rule in accordance with **GOD'S** revelations are the disbelievers.

Note: Reverencing unauthorized human beings is forbidden by GOD, as well as straying away from the scripture. Both ways, it is called “trading away GOD'S revelations” for a cheap price. GOD has never authorized self-appointed humans to represent Him, or anyone to change or substitute His verses or revelations with their own teachings. This will be highlighted by showing you the important parts of this verse.

5:44 Part: **Therefore, do not reverence human beings; you shall reverence Me instead.**

Revealed: The **Allah letters** are **7**, and **messenger's letters** are **8**, **revealing the diff. of 1** – Glory be to my Lord. The only way you can reverence the LORD is by following His messengers.

5:44 Part: **And do not trade away My revelations for a cheap price.**

Revealed: Each part has **Allah letters** as **7** and **8**, **revealing the diff. of 1** – once you follow unauthorized human beings, then you have traded away GOD'S revelations for a cheap material gain, as all of this was forbidden by Him. This does not constitute the worship of ONE GOD.

WITNESSING THE REVELATIONS OF GOD

3:70 O followers of the scripture, why do you reject these revelations of **GOD** though you **bear witness** (that this the truth).

AND GOD WITNESSES BACK EVERYTHING YOU DO

3:98 Say, “O followers of the scripture, why do you reject these revelations of **GOD**, when **GOD is witnessing everything you do?**”

Revealed: The **Aleefs** for each verse are **5** and **6**, **revealing the diff. of 1** – these revelations are from the Absolute and Omnipotent Lord – **DO NOT REJECT THEM!**

Revealed: The **Allah letters** are **13** and **20**, **revealing the diff. of 7** – the Seven and the Seven Pairs are important Signs of GOD – **DO NOT REJECT THEM!**

3:99 Say, “O followers of the scripture, why do you repel from the path of **GOD** those who wish to believe, and seek to distort it, **even though you are witnesses?**” **GOD** is never unaware of anything you do.

Comparison of Proven Facts

3:98 The **Allah letters** are **20**

revealing the diff. of 7.

WITNESSING that the SIGNS & REVELATIONS Given to the MESSENGER is the TRUTH

5:83 When they hear what was revealed to the messenger, you see their eyes flooding with tears as they recognize the **truth** therein, and they say, “Our Lord, we have believed, **so count us among the witnesses.**”

5:84 “Why should we not believe in **GOD**, and in the **truth** that has come to us, and hope that our Lord may admit us with the righteous people?”

BEARING WITNESS THAT YOU HAVE DISOWNED THE IDOLS

11:54-55 “We believe that some of our gods have afflicted you with a curse.” He said, “**I bear witness before GOD, and you bear witness as well**, that I disown the idols you have set up – beside Him.” So, give me your collective decision, without delay.

ABRAHAM BORE WITNESS FOR GOD

21:56 He said (Abraham), “Your only LORD is the LORD of the heavens and the earth, who created them. This is the testimony to which I bear witness.”

Revealed: Abraham is the one who uttered this testimony to bear witness for the Lord of the Universe, and GOD confirms it by placing the GV of **Allah letters** exactly **258**, bringing out **Abraham’s name**, which is also **258**. Praise and Glory be to my Lord.

The essence of this sermon can be presented through verse 32:24, which states that “imams” appointed by GOD guide in accordance with His commandments. This sermon presents ample evidence to this truth and fact, and this last verse of the sermon conclusively proves it.

32:24 We appointed from among them imams (messengers, guiding teachers) who guided in accordance with our commandments, because they steadfastly persevered and attained certainty about our revelations.

Revealed: The **Allah letters** are **15**, and **messenger’s letters** are **29**, **revealing the diff. of 14 – the Seven Pairs**.

Revealed: The entire verse has **19 messenger’s initials** also – a confirmation from **GOD**.

**Peace be upon the messengers.
Praise be to Allah, Lord of the universe.**
