

August 18, 2006 – August 25, 2006

## **REALITY OF HELL AND HEAVEN (PART 3)**

**I seek refuge in Allah from satan the rejected.  
In the name of Allah, The Most Gracious, The Most Merciful.**

This is the third sermon on this important subject. I have written it to be recited over 2 weeks and may continue after August 25 on the same subject. This area of belief and the reality of Hell and Paradise is one in which most people disbelieve in, or disregard it. Very few people take it seriously and jokes have been coined in all cultures and languages to mock the reality of Hell and Heaven, and of GOD who is the Creator of all beings and things. If you read the past 2 sermons on this subject and combine it with this one, there is ample evidence through the verses and the proofs to remind everyone about the seriousness of the Day of Judgment and to take heed. The tendency of the majority of humans is to “miss every opportunity offered by GOD” and suffer from regrets and remorse later on, when it will be too late to correct the situation and to repent to HIM. This life is adorned by GOD and made beautiful in order to test the human beings whether they will be appreciative and work righteousness in His cause, or be unappreciative and follow the devil. This is the criteria for distinguishing those who deserve His mercy to go to Paradise, or those who will be exiled and confined to Hell.

**18:7** We have adorned everything on earth, in order to test them, and thus distinguish those among them who work righteousness.

**Revealed:** The verse number is **7**, and the Allah letters are **21**, **revealing the diff. of 14 – the Seven Pairs.**

To show you the real Miracle within the verse, let me recite the verse in 2 parts. This will bring out and prove the purpose of our lives, as well as the reason for us being on Earth.

**18:7 Part 1:** We have adorned everything on earth.

**18:7 Part 2:** In order to test them, and thus distinguish those among them who work righteousness.

**Revealed:** The GV of the messenger's letters are **330** and **396**, **revealing the diff. of precisely 66.** This is the GV of **ALLAH (Most Glorified)**. This reveals and proves that we are being constantly and continuously tested under the adorned environment of the earth and within the countries we live in, as to whether we believe in GOD and uphold His Absolute Authority by following His Laws or not. It also proves that the people are tested through the messengers, as it is through

messenger's letters that the name of ALLAH (66) is revealed by Him. Glory be to Him.

**3:185 Part:** The life of this world is no more than an illusion.

**Revealed:** The Allah letters are 12, and messenger's letters are 13, revealing the diff. of 1 – GOD has clearly revealed the message: belief in God, guidance through His messenger, and working righteousness each day of your life, otherwise you are in an illusion. The difference of 1 between the letters of GOD and His messenger should remove all illusions about this message and this life. In addition, the GV of the messenger's letters is 296, revealing a clear message, that without accepting GOD'S Authority through the messenger (296), the people would be in an illusion about the purpose of this life, as you would not know or understand the implementation of His Laws.

GOD warns and reminds the hypocrites and the disbelievers to envision Hell and its Fire, so they can realize the grave suffering that they will have to endure forever. The illustrations given in the Quran compare it to the effects of the fire exactly as you would suffer from it on Earth – even worse in Hell. People whose houses, buildings, or businesses catch fire and they become the victims of this tragedy know what it means and feels like, to be burnt through the Inferno of the Fire. It is hard to look at a seriously burnt person; it can send chills up your spine. I will present verses to this effect describing exactly the torment, suffering and the burning that the disbelievers will have to endure forever, without any respite or reprieve. It is a scary thought, but at the same time the promise of GOD is the Truth, and is a reality that should be acknowledged by changing their behavior and belief, in order to avoid it. Here are some of the verses describing this painful and tormenting scenario of Hellfire:

**21:39** If only those who disbelieve could envision themselves when they try to ward off the FIRE; off their faces and their backs! **No one will help them then.**

**Proof:** The Allah letters are 19 confirming this reality, Glory be to Him.

**17:97 Part:** We will summon them on the Day of Resurrection forcibly; blind, dumb, and deaf. Their destination is Hell; **whenever it cools down, we will increase their fire.**

**20:74** Anyone who comes to his Lord guilty will incur Hell, **wherein he never dies, nor stays alive.**

**14:16-17** Awaiting him is Hell, wherein he will drink putrid water. He will gulp it down, though he cannot stand it, **as death comes to him from every direction, but he will never die.** Awaiting him is a terrible retribution.

**35:36** As for those who disbelieve, they have incurred the fire of Hell, **where they are never finished by death, nor is the retribution ever commuted for them.** We thus requite the unappreciative.

**4:56** Surely, those who disbelieve in our revelations, we will condemn them to the Hellfire. **Whenever their skins are burnt, we will give them new skins. Thus, they will suffer continuously.** GOD is Almighty, Most Wise.

**43:74-77** Surely, the guilty will abide in the retribution of Gehenna forever. **Never will the retribution be commuted for them; they will be confined therein.** It is not us who wronged them; it is they who wronged their own souls. They will implore: **“O Malek, let your Lord finish us off.” He will say, “You are staying forever.”**

**21:100** They will sigh and groan therein, **and they will have no access to any news.**

**32:20** As for the wicked, their destiny is Hell. **Every time they try to leave it, they will be forced back.** They will be told, **“Taste the agony of Hell which you used to disbelieve in.”**

You can only envision and get a sense of this suffering by relating to similar experiences here on Earth, by seeing people burnt through the fire or hearing from them about their ordeal. Imagine being locked up in a fortified jail controlled by armed and powerful guards from whom you cannot escape, being confined to total isolation, being fed the most rotten and stinking food – just like there have been incidents of guards making you drink urine and eat your own feces, being tortured day and night without any mercy, being jailed for your life without any chance of parole, cannot make any appeals nor is anyone willing to hear you out, coupled with igniting a fire in the jail and you are made to burn day in and day out, without getting any medical aid or help, to the point that the burnt skin is replaced with a new skin to burn again and again, you ask for respite or lessening of the punishment even for one day and no one is listening, you try to ward off the fire from your face, arms, legs and body but cannot; with no access to news of the outside world that is enjoying the privilege of freedom, and finally, you cannot take it anymore and wish that you were somehow finished or be killed in order to avoid this ongoing and unending punishment; but alas! the answer comes back, saying: “You are staying here forever, and there is no reprieve or respite for criminals!” Now imagine: “What will the plight of the disbelievers be in Hell?” Ask GOD for forgiveness and repent to Him a firm repentance.

GOD is Omnipotent, Cognizant, Omniscient, Almighty, All Powerful – He does not need the assistance of any of His creatures – but He has chosen to appoint powerful angels to be guards around Hell, to keep the disbelievers confined, and to remind them of the gross offence and sin of disobeying His Absolute Authority by rejecting His messages sent through His chosen human messengers.

This will be done to remind the criminals that belief in GOD was incomplete without belief in His System of messengers, sent to deliver the messages of His Scriptures and the Proofs associated with them, as well as other Signs and Miracles sent through the messengers. The jails and prisons on Earth have human guards watching over the prisoners, and the confinement in Hell will be watched over and guarded by the angels acting as powerful guards, thus reminding the sinful that the System did exist, similar to something they had on Earth, but they disregarded it, though they were aware of it. They will also be reminded of the fact that though the majority decided to side with satan and the devils, there were always creatures that were loyal, obedient, committed, faithful, submitting, believing - in upholding GOD's Absolute Authority, His Laws, His commands, and His messages.

**66:6** O you who believe, protect yourselves and your families from the HELLFIRE whose fuel is people and rocks. Guarding it are stern and powerful angels who never disobey **GOD**; they do whatever they are commanded to do.

When I take out the portion of the verse on “powerful angels acting as guards”, the Miracle revealing the obedience and submission of the angels to GOD is readily apparent. I will then bring in another verse on the same subject from another chapter to again confirm this fact.

**66:6 Part:** Guarding it are stern and powerful angels who never disobey **GOD**. They do whatever they are commanded to do.

**Revealed:** The **Allah letters** are **19**, confirming total loyalty and submission to GOD's commands.

**16:49** To **GOD** prostrates everything in the heavens and everything on earth – every creature – and so do the angels; without the least arrogance.

**Revealed:** The **Allah letters** are again **19**, confirming the total submission of the angels to GOD, and of all other creatures in the heavens and the earth.

Now, I will recite the first portion of 66:6, whereby GOD informs us that the disbelieving people and rocks will act as fuel for them. I will also bring in a similar verse from another chapter to show you the Miracle of GOD confirming this fact.

**66:6 Part:** O you who believe, protect yourselves and your families from the Hellfire whose fuel is people and rocks.

**2:24** If you cannot do this – and you can never do this – (writing or producing even one sura similar to what GOD has given in the Quran), then beware of the Hellfire, whose fuel is people and rocks; it awaits the disbelievers.

**Revealed:** The Aleefs are **15** and **14**, revealing the diff. of 1 – in this comparison through the above set of verses, GOD has revealed the Miracle through His Absolute Authority expressing it as such, by creating the difference of **1 Aleef** between them.

What exactly is “**disbelief**” and how is it summed up in **the Quran**, about which the vast majority of the people are ignorant, or do not care to know or accept it? The irony is that, though GOD has amply and sufficiently expressed the meaning of “disbelief” through several verses, the hypocrites and the disbelievers reject GOD’s testimony and the meaning of His Words as explained by Him. Let me give you a simple example through His verses:

**70:36** What is keeping those who disbelieved from joining you? (Meaning, the messenger)

**70:37** To the right, and to the left, they flee.

**System Explained and Proven:** The Allah letters are **7** and **6**, revealing the diff. of 1.

**System of Guidance:** The messenger's letters are **12** and **13**, revealing the diff. of 1 also. This proves that the “**you**” represents “**the messenger exclusively**”, in certain verses – it is only through belief in GOD’s Absolute Authority through His messengers and by joining and supporting the messenger that submitters become believers and their faith and religion thereby becomes acceptable to GOD, as is evident through the Proofs of the verses.

**70:38** How can any of them expect to enter the blissful Paradise?

**70:39** Never; we created them, and they know from what.

**Proven Truth:** The Aleefs are **3** and **4**, revealing the diff. of 1.

**Proven Truth:** The Allah letters are **7** and **8**, revealing the diff. of 1. These verses sum up the reason and the purpose of creation of the human beings, who are put to the “Test” by distinguishing those who uphold GOD’s Absolute Authority by believing and following His messengers (constituting BELIEF), from those who do not, or those who create distinction among His messengers by choosing their favorite messenger over others (constituting DISBELIEF).

There is a pre-condition to be admitted to the blissful Paradise; it certainly cannot be granted by GOD to the disobedient and the rebellious. This reward is only reserved for the few who believed in GOD's Authority and His Commands through His messengers and being put to the "TEST" through them. I will now recite a verse that has 2 parts and will bring out GOD's Proofs confirming this profound and proven Truth.

**2:214 Part 1:** Do you expect to enter Paradise without being tested like those before you?

**Revealed:** The GV of **Allah letters** is **223**; this represents the GV of "**The Believers**", **223**, or "**Al-Muminoon**". The entry into Paradise is therefore reserved only for the Believers, who have to go through "the Test" in order to qualify for the reward of Paradise.

**2:214 Part 2:** They were tested with hardship and adversity, and were shaken up, until the messenger and those who believed with him said, "Where is **GOD's** victory?" **GOD's** victory is near.

**Revealed:** The GV of **Allah letters** for both parts are **223** and **425**, **revealing the diff. of 202, clearly revealing the name - LORD**. Note that the verse mentions the following words, such as: "paradise", "being tested like those before you", "the messenger", "the believers", and "the victory coming from GOD". These are the essentials of the Test, to which all humans are subjected, as per GOD's will, and the condition for being admitted to Paradise is clarified through the **Proofs of 223 and 202**; these numbers represent **the believers** and the **LORD**. You cannot be a believer in GOD until you believe in all the messengers, without making any distinction between them, and are tested through a living messenger. I also want to show you the key portion of the verse marking the end of 2:214.

**2:214 Part:** Where is **GOD's** victory? **GOD's** victory is near.

**Revealed:** The **Allah letters** are precisely **12** marked with the GV of **165**. These match with the number of letters in the **Shahadah**, which are also **12** and have a GV of **165**. These represent the Absolute Authority of GOD, and clarify the reason for stating the Shahadah as given in the Quran, with the **absolute exclusion** of the names of any, and all of His creatures. The Sacred Shahadah is thereby sealed by the Most Wise, and has been proven now to be the Absolute Truth.

**Revealed:** The **Allah letters** are **12**, and **messenger's letters** are **13**, **revealing the diff. of 1** – this clarifies and proves that the Test is really conducted through a "living messenger" as I have stated; this is the reason for placing and revealing the diff. of **1** between Allah letters and messenger's letters. The language used in the

verse also tells us that the believers cry out and ask the messenger about GOD's victory. Both the messenger and the believers have to be alive in order to be tested, as the verse suggests.

**Revealed:** The GV of the **messenger's letters** is **462**; this is a **multiple of 14** (the Sign blessed upon me) and is the GV of "**Al-Furqan**" or "**The Statute Book**", **462**. The messengers of GOD are revealed the Statute Book and are guided through it.

**Revealed:** The difference in **Allah letters** of **165** and **messenger's letters** of **462** is **297**, which brings out the word – "**a messenger**" or "**rasoola**", **297**. As stated, the Test is conducted through a "living messenger".

**What is the sole reason for the disbelieving people of the scripture to be condemned to Hell by GOD along with the other disbelievers who do not believe in Him?** The answer provided by GOD is consistent – the answer is the same every time through the verses. Reflect on these verses, and note the language used in them.

**40:47** As they argue in Hell, the followers will say to their leaders, "We used to be your followers, can you spare us any part of this Hell?"

**40:48** The leaders will say, "We are all in this together. **GOD** has judged among the people."

**40:49** Those in the Hellfire will say to the guardians of Hell, "Call upon your LORD to reduce the retribution for us, even one day."

**40:50** **They will say, "Did you not receive your messengers who delivered to you clear messages?" They will reply, "YES, we did."** They will say, "Then implore (as much as you wish); the imploring of the disbelievers is always in vain."

**40:51** Most assuredly, **we will give victory to our messengers and to those who believe**, both in this world and on the day the witnesses are summoned.

**39:71** Those who disbelieved will be led to Hell in throngs. When they get to it, and its gates are opened, **its guards will say, "Did you not receive messengers from among you, who recited to you the revelations of your LORD, and warned you about meeting this Day?"** They will answer, "**YES indeed**. But the word 'retribution' was already stamped upon the disbelievers."

**39:72** It will be said, "Enter the gates of Hell, wherein you abide forever." What a miserable destiny for the arrogant.

**67:6** For those who disbelieved in their LORD, the retribution of Gehenna (Hell). What a miserable destiny.

**67:7** When they get thrown therein, they hear its furor as it fumes.

**67:8** It almost explodes from rage. Whenever a group is thrown therein, **its guards would ask them, "Did you not receive a warner?"**

**67:9** They would answer, **“YES indeed; a warner did come to us, but we disbelieved and said, ‘GOD did not reveal anything.’ You are totally astray.”**

**67:10** They also say, “If we heard or understood, we would not be among the dwellers of Hell.”

**67:11** Thus, they confessed their sins. Woe to the dwellers of Hell.

**6:27** If only you could see them when they face the Hellfire! They would say then, “Woe to us. **Oh, we wish we could go back, and never reject our LORD’s revelations, and join the believers.”**

**6:28** As a matter of fact, (they only say this because) their secrets have been exposed. If they go back, they will commit exactly the same crimes. They are liars.

**4:165** Messengers to deliver good news, as well as warnings. **Thus, the people will have no excuse when they face GOD, after all these messengers have come to them. GOD is Almighty, Most Wise.**

**40:69** Have you noted (telling the messenger) **those who argue against GOD’s Proofs, and how they have deviated?**

**40:70** They are the ones who have disbelieved in the scripture, **and in the messages we have sent with our messengers.** Therefore, they will surely find out.

**4:115** As for him who opposes the messenger, **after the guidance has been pointed out to him, and follows other than the believer’s way,** we will direct him in the direction he has chosen, and commit him to Hell; what a miserable destiny!

**18:55** Nothing prevented the people from believing, **when the guidance came to them** and from seeking the forgiveness of their LORD, except that they demanded to see the same (kind of miracles) as the previous generations, or challenged to see the retribution beforehand.

**18:56** We only send the messengers as simply deliverers of good news, as well as warners. Those who disbelieve argue with falsehood to defeat the truth, **and they take MY proofs and warnings in vain.**

**17:94** What prevented the people from believing when the guidance came to them, is their saying, **“Did GOD send a human being as a messenger?”**

**17:95** Say, “If the earth were inhabited by angels, we would have sent down to them from the sky an angel messenger.”

**20:133** They said, **“If he could only show us a miracle from his LORD!”** Did they not receive sufficient miracles with the previous messages?

**20:134** Had we annihilated them before this, **they would have said, “Our LORD, had You sent a messenger to us, we would have followed Your revelations, and would have avoided this shame and humiliation.”**

**28:47** Thus, they cannot say, when a disaster strikes them as a consequence of their own deeds, **“Our LORD, had You sent a messenger to us, we would have followed Your revelations, and would have been believers.”**

**14:44** You (the messenger) shall warn the people of the day when the retribution comes to them. Those who transgressed will say, **“Our LORD, give us one more respite. We will then respond to Your call and follow the messengers.”** Did you not swear in the past that you will last forever?

**35:37** They will scream therein, “Our LORD, if you get us out of here, we will work righteousness, instead of the works we used to do.” **Did we not give you a life-long chance, with continuous reminders for those who would take heed? Did you not receive the warner?** Therefore, taste (the consequences). The transgressors will have no one to help them.

**33:66** The Day they are thrown into Hell, **they will say, “Oh, we wish we obeyed GOD, and obeyed the messenger.”**

**33:67** They will also say, **“Our LORD, we have obeyed our masters and leaders, but they led us astray.”**

**33:68** “Our LORD, give them double the retribution, and curse them a tremendous curse.”

**28:65-66** On that Day, HE will ask everyone, **“How did you respond to the messengers?”** They will be so stunned by the facts on that Day, **they will be speechless.**

**5:109** The Day will come when **GOD will summon the messengers and ask them, “How was the response to you?”** They will say, “We have no knowledge. You are the Knower of all secrets.”

Note, that on the Day of Resurrection, GOD will ask the messengers about the response received by them from their people, and will also ask all the people as to how they responded to the messengers sent by Him. Those who failed to respond to the messenger’s call and become believers will be left stunned and speechless, and will realize the heinous crime of challenging GOD’s Absolute Authority.

### **SUMMARY OF VERSES ABOVE THROUGH THE SACRED CODES**

**4:42** On that Day, **those who disbelieved and disobeyed the messenger** will wish that they were level with the ground; not a single utterance will they be able to hide from **GOD**.

**Revealed:** The **Allah letters** are **19**, as part of the Sacred Codes.

**25:27** The Day will come when the transgressor will bite his hands (in anguish) and say, **“Alas, I wish I had followed the path with the messenger.”**

**Revealed:** The **Allah letters** are **14**, thus completing **the Sacred Codes defining the System**.

**58:4 Part:** You shall believe in **GOD** and His messenger. These are **GOD’s laws**.

**The Law:** The **Allah letters** are **14**, and **messenger's letters** are **19**. Through the Sacred Coding, **GOD** has defined, clarified, and confirmed His Law. This establishes the criteria for determining who goes to Paradise or Hell.

**(One More Time) 58:4 Part:** You shall believe in **GOD** and His messenger. These are **GOD’s laws**. (**Allah letters** are **14** up to laws). The disbelievers have incurred a painful retribution.

**Revealed:** The **Allah letters** are **14** up to “**God’s laws**”, and **19** in the verse – **the Sacred Codes**.

The followers of the scriptures have been made aware of **GOD’s System** of guidance through His messengers, but the majority of them choose to disregard it and close their eyes to these verses. These truthful and straightforward verses do not touch the hearts of the hypocrites, nor do they create the reverence for **GOD**. They deliberately overlook these verses and distort the meaning in order to avoid believing in all the messengers of **GOD**. Any rational, fair-minded, honest, and sincere person can see and admit that these are all verses from **the QURAN**, expressed in many different ways through different chapters in order to convey a clear message - laying out, and defining **GOD’s System** of guidance through His messengers, but the hypocrites dispute and deny it.

**GOD** has used the singular form of “messenger” and the plural form of “messengers”, as appropriate, thus perfecting His verses. The verses recited earlier are not one or two, about which the hypocrites can dispute about; but they are quite a few. If the followers of the Scripture were unaware until now, this sermon should bring it to their attention, and they have a chance to believe and repent to **GOD**. If they still decide to disbelieve in the verses and revelations of **GOD**, then what should be the punishment for such hypocrites, who have decided to reject and oppose **GOD’s Absolute Authority**? It will be exactly as I

have explained to you through the verses in this sermon, and there are more in the Quran, about Hell and the Hellfire.

As for the believers, they will not be asked if they believed in the messengers or not. GOD is fully aware that they submitted fully by believing in all His commands, including believing in all the messengers, without making distinction amongst them. Therefore, the only word they will hear from the angels is: **PEACE** – as they are welcomed into Paradise. **The word “Peace” is exclusively reserved for the messengers and the believers who believe in all of GOD’s revelations**, as I shall point out to you through the verses.

I will take the following verse as an example of GOD’s System through which He exercises His Absolute Authority. This will reveal His innermost knowledge about all humans, as well as the opposition and rejection of His Authority by the majority of humans, who do not accept the messengers.

**6:53** We thus test the people by each other, to let them say (mockingly), “Are these the people among us who are blessed by **GOD**?” Is **GOD** not aware of the appreciative ones?

**Revealed:** The Allah letters up to the first “ALLAH” are **14**, and messenger's letters are **19**, **revealing the messenger who has been pre-selected**, and sent with the Sacred Codes as the Sign from GOD.

**Revealed:** The messenger's letters up to the first “ALLAH” are **19**, and after the first mention to the second mention of “ALLAH”, they are **14**, thus **revealing my name as a messenger**, profoundly marked under the Divine Codes to be perfectly **19** and **14** on the Sacred Name of ALLAH, leaving no doubt that it is indeed ALLAH who decides about certain humans, selected to deliver His messages. This causes a lot of jealousy amongst the hypocrites and the disbelievers, to the point that they openly challenge GOD’s Authority along with the devils.

**How about seeing key portions of the verse?** The Miracle is far deeper than what you can comprehend or imagine; but one thing is for sure, it should open your eyes and increase your trust in GOD after knowing about the infinite wisdom and innermost knowledge possessed by Him.

**6:53 Part:** “Are these the people among us who are blessed by ALLAH?”

**Revealed:** The GV of Allah letters is **139**, and of messenger's letters is **468**, **the answer comes back as 329**, being the difference in these numbers. This reveals the Sacred Name – **Most Gracious**, or **Al-Rahman** (GV 329), which is another name of ALLAH. This proves His Absolute Authority in picking and choosing whomever He likes and blessing them with guidance.

**6:53 Part: “Is ALLAH not aware of the appreciative ones?”**

**Revealed:** The GV of Allah letters is 159, and of messenger's letters is 324, **revealing the diff. of 165** – this is an important number that represents **the Shahadah** and of **Absoluteness (Al-Samad, 165)** – The Most Gracious is fully aware of those who believe sincerely in His Absolute Authority, and are called the “appreciative ones”. He tells us that He is closer to us than our jugular veins (**50:16**) and knows best about each human (**17:54**). It is impossible for humans to know about each other and what their hearts think or believe, but GOD knows about everyone and everything that He has created, as these PROOFS have illustrated, Glory be to Him.

Now I move on to verses on “Peace”. The first one that I am going to recite is 6:54, which follows after the verse on God's System and the Test given through 6:53.

**6:54 Part 1: When those who believe in our revelations come to you (the messenger), you shall say, “Salamun Alaykum” (Peace be upon you).**

**6:54 Part 2: Your LORD has decreed that mercy is His attribute. Thus anyone among you who commits a transgression out of ignorance, and repents thereafter and reforms, then He is Forgiving, Most Merciful.**

**Revealed:** The messenger's letters for each part are 21 and 35, **revealing the diff. of 14** – the Seven Pairs. The total Allah letters are 28 in the verse, and messenger's letters are 56, both are **multiples of 14**.

This proves that the words “**When those who believe in our revelations come to you.**” **applies to the messenger**, and not to all the people, as commonly interpreted and believed by the hypocrites. Furthermore, the “revelations” are only revealed to the messengers, and not to all the people. The words “peace be upon you” are consistent and linked to other verses on the same subject, leading up to the Day of Judgment, where the angels will welcome the believers into Paradise by uttering the same words. **In addition, GOD uses the word, “Peace” for the messengers**, as you shall see through the verses.

**“Peace be upon the Messengers”**

**19:15** (About John) Peace be upon him the day he was born, the day he dies, and the day he is resurrected back to life.

**19:33** (About Jesus) And peace be upon me the day I was born, the day I die, and the day I get resurrected.

**37:79** Peace be upon Noah among the people.

**37:109** Peace be upon Abraham.

**37:120** Peace be upon Moses and Aaron.

**37:130** Peace be upon Elias, and all those like Elias. (All those like Elias refers to the believers)

**37:181** Peace be upon the messengers.

**27:59** Say, "Praise be to **ALLAH** and peace be upon His servants whom He chose. Is **ALLAH** better, or the idols some people set up?"

**Revealed:** This important verse is marked with **Allah letters 14** up to the **Aleef of Allah** (denoting Absoluteness) and the entire verse has **19 Allah letters, revealing the Sacred Codes**. The verse projects GOD's Absolute Authority in selecting certain humans to deliver His messages and He grants peace upon them. Those who agree and believe in GOD will not oppose or reject His Authority, while the opponents inevitably end up with the gross sin and crime of idolatry for **rejecting His choice**.

**28:68** Your LORD is the One who creates whatever He wills, **and chooses; no one else does any choosing**. Glory be to **GOD**, the Most Exalted. **He is far above needing partners**.

**Revealed:** The GV of **Allah letters** up to "Glory be to GOD, Most Exalted" is perfectly **202, revealing the value of "LORD"**. The remaining portion of the verse "He is far above needing partners" has **only 1 Allah letter as Aleef** proving His Absolute Authority that He does not need any interference, advice, or assistance from any of His creatures in the choice He makes.

The words used in verse 27:59 Part as "Praise be to Allah and peace upon His servants He chose" are also expressed through another set of verses – they are 37:181-182, which read:

**37:181** Peace be upon the messengers.

**37:182** And praise be to Allah, Lord of the Universe.

**"Peace for the Believers"**

**14:23** As for those who believe and lead a righteous life, they will be admitted into gardens with flowing streams. They abide therein forever, in accordance with the will of their Lord. Their greeting therein is: "PEACE."

**39:73** Those who revered their LORD will be led to Paradise in throngs. When they get to it, and its gates are opened, its guards will say, "**Peace be upon you; you have won.**" Therefore, you abide herein forever."

**39:74** They will say (the believers), "**Praise be to ALLAH**, who fulfilled His promise to us, and made us inherit the earth, enjoying Paradise as we please." What a beautiful recompense for the workers.

**39:75** You will see the angels floating around the Throne, glorifying and praising their LORD. After the equitable judgment is issued to all, it will be proclaimed: "**Praise be to ALLAH, Lord of the Universe.**"

Note that these verses also mention "peace upon the believers" accompanied by the verse whereby the believers and the angels utter "Praise be to Allah". This shows that these specific words are reserved by GOD for the believers, and it is only from the believers that the praise and glorification is acceptable to Him.

**3:185 Part:** Whoever misses Hell, barely, and makes it to Paradise, has attained a great triumph.

**Revealed:** The GV of **Allah letters** is a perfect number of **100** – missing Hell and being redeemed into Paradise would constitute a "**100 percent achievement by the souls of the individuals**". Let me combine another similar verse to this one, and show you the result of the GV of Allah letters.

**6:16** "Whoever is spared (the retribution), on that Day, has attained His mercy. And this is the greatest triumph.

**Both verses combined:** The GV of **Allah letters** are **100 + 102 = 202, revealing the word clearly, and without ambiguity - LORD** ("Rabb" in Arabic).

Let me recite the same verses with the addition of the ending part of the verse, and you will see the Miracle of the Seven Pairs also revealed.

**3:185 Part:** Whoever misses Hell, barely, and makes it to Paradise, has attained a great triumph. The life of this world is no more than an illusion.

**6:16** Whoever is spared (the retribution) on that Day, has attained His mercy. And this is the greatest triumph.

**Revealed:** The **Allah letters** are **21** and **7**, revealing the diff. of 14 – the **Seven Pairs**. Through the “Ultimate Miracle of the Seven Pairs”, GOD has revealed the important message expressed through these verses, which is, that without belief in these Miracles of GOD and in His messenger, the people cannot make it to Paradise.

### **“Unimaginable Joy and Happiness for the Believers in Paradise”**

**32:17** You have no idea how much joy and happiness are waiting for you as a reward for your (righteous) works.

**Revealed:** This is specially marked with **Allah letters** as **14** – the **Ultimate Miracle**.

**25:16** They get anything they wish therein, forever. This is your Lord’s irrevocable promise.

**Revealed:** The **messenger's letters** are specially marked to be **19** – **thus completing the Sacred Codes**. If you follow me, and keep on following me steadfastly in the cause of GOD, you will not be sorry. The Sacred Codes are the guarantee and the assurance from GOD.

### **“Benefits of following the Messengers and Consequences of not following them”**

**25:23** We will look at all the works they have done, and render them null and void.

**25:24** The dwellers of Paradise are far better on that Day; they will hear better news.

**Revealed:** The **Aleefs** (Absoluteness) are **6** and **5**, revealing the diff. of 1 – **obey God’s Authority**.

**Revealed:** The **messenger's letters** are **20** and **19**, revealing the diff. of 1 – **by following His messenger**. Note that the **19** letters of the messenger's name appear and occur in the verse on Paradise; it is no coincidence – the Book is fully controlled by GOD, Most Wise, as is everything else. Glory be to Him.

Note: It should not surprise the believers and other followers of the scriptures that GOD has revealed the “Ultimate Miracles and Proofs” of the Quran, as we are very close to the Day of Judgment – the year 2280. This should create concern and awareness among the people. Hopefully, some of them may repent to GOD and believe in everything He has sent down so far from the time of Adam and follow the path of the current messenger, Makbool Husain, in order to be redeemed by the Redeemer, Most Merciful. The Miracles clarify and confirm all the verses in the Quran, as well as the entire scripture; and no Miracle can be greater than the Miracle of Allah letters (the Divine Author of the Book) as well as the

Sacred Codes that mark and seal His Words. The omission of proofs for certain verses mentioned in this sermon are meant to keep it within the time constraints, but in no way should be taken as selective sorting of Proofs.

**Peace be upon the messengers.  
Praise be to Allah, Lord of the Universe.**
