CONCLUSIVE PROOFS ABOUT HELL AND PARADISE

**I seek refuge in Allah from satan the rejected.
In the name of Allah, The Most Gracious, The Most Merciful.**

This is the last of the sermons on this Topic, and will be recited over 2 weeks. I will now offer concrete and conclusive Proofs on the reality of Hell and Paradise, as promised at the start of this Topic on July 21, 2006. It is my hope and desire that the “believers” should be motivated to strive more than ever, in the cause of GOD, after reading them. All their doubts should be put aside as these sermons have clarified the purpose of life, as well as the consequences, which the people will have to face on the Day of Resurrection, depending on their belief and deeds. It is equally important to deliver this message to others that you know, which is one of the ways to strive in the cause of GOD. Please read the verses carefully, note the Miracles in them, and appreciate GOD’s awesome power represented through these verses. Glory and Praise be to Him.

THE DISBELIEVERS

25:22 The Day they see the angels, **it will not be good news for the guilty**; they will say, “Now, we are irreversibly confined.”

25:23 We will look at all the works they have done, **and render them null and void.**

Conclusive Proof: The Allah letters are **11** and **12**, **revealing the diff. of 1.**

DECIDING FACTOR

25:23 We will look at the works they have done, and render them null and void.

25:24 The dwellers of Paradise are far better on that Day; they will hear better news.

Conclusive Proof: The messenger’s letters are **20** and **19**, **revealing the diff. of 1.**

41:30 Part: Those who proclaim: “Our LORD is **ALLAH**,” then lead a righteous life, the angels descend upon them.

13:23 They enter the gardens of Eden, together with the righteous among their parents, their spouses, and their children. The angels will enter in to them from every door.

Conclusive Proof: The Allah letters are **20** and **19**, revealing the diff. of ONE.

In the “**deciding factor**” verses above, note the comparable sets: the first set is with the **messenger’s letters 20** and **19**, and the second set is with **Allah letters 20** and **19** – Matching Sets. Also note that the **19** letters of the messenger’s name and those of Allah occurs in the verses on Paradise, both times.

The deciding factor will be as follows: the ones who disbelieved in GOD’s messengers – will be condemned to HELL. The conclusive proof is highlighted by GOD, who has inscribed 19 letters of the messenger’s name in the verse on Paradise, and not in the verse on “the guilty”. Moreover, the deciding factor is evident as the messenger’s letters are inscribed **with a diff. of 1** – those who believed in GOD while accepting the entire message through His messengers.

**** **The believers will receive their record in their right hands.**

**** **The disbelievers will receive their record in their left hands or behind their backs.**

84:7-9 As for **the one who receives his record in his right hand.** His reckoning will be easy. He will return to his people joyfully.

84:10-13 As for **the one who receives his record behind his back.** He will be ridden with remorse. And will burn in Hell. He used to act arrogantly among his people.

Proof of Absoluteness: The Aleefs are **10** and **11** in each set of verses, revealing the diff. of 1.

Conclusive Proof: The GV of Allah letters are **120** and **101**, revealing the diff. of 19.

Proof: Note the set of verses on “**Believers**” ends on **verse 9**, and the total Aleefs assigned to this set is **10**, revealing the diff. of 1 – as the Believers firmly believed in GOD’s Absolute Authority. Also note, the set of verses on the “**Disbelievers**” ends on **verse 13**, and the total Aleefs assigned to this set are **11**, revealing the diff. of 2, which is the “**Revelation of 2 gods – Idolatry**”. The disbelievers will be guilty of idol worship – following other authorities beside ALLAH, or following authorities not approved by ALLAH, Most Glorified.

Conclusive Proof: The verses on “disbelievers” are also marked with **Allah letters 19**, as they failed to believe in GOD’s Miracles and messengers.

69:19-24 (6 verses) **As for the one who receives his record with his right hand**, he will say, “Come read my record.” “I did believe that I was going to be held accountable.” He has deserved a happy life. In an exalted Paradise. Its fruits are within reach. **Eat and drink happily in return for your works in days past.**

69:25-33 (9 verses) **As for him who is given his record in his left hand**, he will say, “Oh, I wish I never received my record. “I wish I never knew my account. I wish my death was eternal. My money cannot help me. All my power is gone.” Take him and shackle him. Burn him in Hell. In a chain that is seventy arms long, tie him up. **For he did not believe in ALLAH, Most Great.**

Proof of Absoluteness: The **Aleefs** for each set are **24** and **25**, **revealing the diff. of 1.**

The Miracle: Note the beginning verse in these opposing sets is **verse 19**, and the ending verse is **verse 33**, the difference in these numbers is clearly **14**, **revealing the Seven Pairs.**

Right Hand or Left Hand? What makes the difference? Look again!

69:19 As for the one who receives his record with his right hand, he will say, “Come read my record.”

69:25 As for him who is given his record in his left hand, he will say, “Oh, I wish I never received my record.”

Basis of GOD’s Judgment: The **Aleefs** are **6** and **5**, **revealing the diff. of 1 - Absoluteness.**

Basis of GOD’s Judgment: The **Allah letters** are **11** and **12**, **revealing the diff. of 1 - ALLAH.**

84:7 As for one who receives his record in his right hand.

84:8 His reckoning will be easy.

Conclusive Proof: The **Aleefs** are **3** and **4**, **revealing the diff. of 1.**

Conclusive Proof: The **Allah letters** are **5** and **4**, **revealing the diff. of 1.**

Conclusive Proof: The **messenger’s initials** are **8** and **9**, **revealing the diff. of 1.**

Conclusive Proof: The **messenger’s letters** are **11** and **12**, **revealing the diff. of 1.**

84:10 As for the one who receives his record behind his back.

84:11 He will be ridden with remorse.

Proof of Idolatry: The Aleefs are 4 and 2, revealing the diff. of 2 – denoting “idolatry committed”.

Proof of Idolatry: The messenger’s letters are 8 and 6, revealing the diff. of 2 – “by rejecting messengers”.

Observe, that the verses on the believers and the righteous are clearly marked with the “**Revelation of 1**” with ALLAH letters as well as the messenger’s letters. On the other hand, the verses on the disbelievers and the wicked are marked with the “**Revelation of worshiping 2 gods**” through the Aleefs and the messenger’s letters. This proves that the rejection of any messenger of GOD is clear idolatry and will result in punishment and confinement to Hell. The verse on the wicked provides additional “Revelation of 1” between Allah letters and messenger’s letters, to prove the Law; that the disbelievers violated and rejected GOD’s Absolute Authority.

84:10 As for the one who receives his record behind his back.

Revealed: The Allah letters are 7, and the messenger’s letters are 8, revealing the diff. of 1 – this will be the main reason for receiving the record behind the back or in the left hand – rejection of messengers.

17:71 The Day will come when we summon every people, together with their record. As for those who are given a “**record of righteousness**” (in their right hand), they will read their record and will not suffer the least injustice.

17:72 As for those who are **blind in this life**, they will be **blind in the Hereafter**, even a lot worse.

Proof of Absoluteness: The Aleefs are 8 and 7, revealing the diff. of 1.

Messenger’s Proofs: The messenger’s initials are 28 and 14, revealing the diff. of 14, being the Proof of the Seven Pairs (and both numbers are multiples of 14).

Dual Proofs: In 17:72 (the verse on “the blind in this life”), GOD has placed **14 letters of His name** as well as the messenger’s initials to be **14** – Perfectly Matched.

ACCOUNTABILITY to the LORD – the Omnipresent, Hearer & Seer!

84:14 He thought that he will never be called to account.

84:15 Yes indeed, his LORD was SEER of him.

Revealed: The Allah letters are 4 and 6, revealing the diff. of 2 (gods) – the disbelievers blind themselves with the illusion that there is no “accountability after death”, as they do not believe in GOD. But they will be shocked when they have to face Him on the Day of Judgment, and charged with the gross sin of “idolatry” or the worship of 2 gods (16:51). When called to ACCOUNT, they will realize GOD’s Eternal Absoluteness over His creatures, including sending them messengers to deliver His messages.

Conclusive Proof: The Aleefs are 2 and 3, revealing the diff. of 1 - Absoluteness Proven.

Conclusive Proof: The messenger’s letters are 8 and 9, revealing the diff. of 1 – GOD’s Absolute Right to send messengers, one of them being myself, proven through the messenger’s letters.

Those who sincerely believed in ALLAH, and His Absolute Authority, without having doubts, and steadfastly persevered in working righteousness will receive their record in their right hands, while the disbelievers will receive their records behind their backs or in their left hands. Praise be to Allah.

PAIRS OF VERSES: THE SOULS – Weights of Souls – Heavy or Light

THE SOULS will be aware of their belief and deeds on the Day of Judgment. As the revelation of the Seven Pairs is the “Ultimate of Miracles”; the verses on this subject are **marked and coded under the number 14** in the Quran. Praise GOD for the Miracle!

81:14 Every soul will know everything it brought.

87:14 Successful indeed is the one who redeems his soul.

Conclusive Proof: The Aleefs are 2 and 1, revealing the diff. of 1.

Conclusive Proof: The Allah letters are 3 and 2, revealing the diff. of 1.

How about the messenger’s letters in these important verses?

Astounding Miracle: The messenger’s letters are 6 and 6 – **Perfectly Matched** by GOD to spell out His Name loud and clear as, **66** for **ALLAH**, Most Glorified and Praiseworthy.

The Ultimate of Miracles: The Sacred Codes of 19 & 14.

Revealed: For verse **81:14**, GV of the **messenger's letters** is **228 = 19 x 12**.

Revealed: For verse **87:14**, GV of the **messenger's letters** is **238 = 14 x 17**.

Thus, the verses on the souls are pre-ordained to reveal the name of ALLAH, and to confirm that HE IS ONE, as well as reveal His Sacred Codes sent through the messenger.

101:6 As for him **whose weights are heavy**.

101:8 As for him **whose weights are light**.

Conclusive Proof: The Allah letters are **4** and **3**, **revealing the diff. of 1**.

Conclusive Proof: The messenger's letters are **9** and **8**, **revealing the diff. of 1**.

101:7 He (whose weights are heavy) **will lead a happy life**.

101:9 His (whose weights are light) **destiny is lowly**.

Conclusive Proof: The Allah letters are **4** and **5**, **revealing the diff. of 1**.

Conclusive Proof: The messenger's letters are **4** and **3**, **revealing the diff. of 1**.

LIFE IN HELL OR LIFE IN PARADISE

88:1 to 7 (seven verses) Are you aware of the Overwhelming? Faces on that Day will be shamed. Laboring and exhausted. Suffering in a blazing Hellfire. Drinking from a flaming spring. They will have no food except the useless variety. It never nourishes, nor satisfies hunger.

88:8 to 16 (nine verses) Other faces on that Day will be full of joy. Satisfied with their work. In an exalted Paradise. In it, no nonsense is heard. In it, a spring flows. In it, there are luxurious furnishings. And drinks made available. And pitchers in rows. And carpets throughout.

Conclusive Proof: The Allah letters in each set of verses are **31** and **32**, **revealing the diff. of 1**.

DISBELIEVERS WILL HAVE TO FACE HELL

44:43 to 50 (eight verses) Surely, the tree of bitterness – will provide the food for the sinful. Like lye, it will boil in the stomachs; like the boiling of hellish drinks. Take him and throw him into the center of Hell. Then pour upon his head the retribution

of the Inferno. Taste this; you were so powerful, so honorable. **This is what you used to doubt.**

RIGHTEOUS WILL ENJOY PARADISE

44:51-57 (seven verses) The righteous will be in a secure position. Enjoying gardens and springs. Wearing velvet and satin; close to each other. We grant them wonderful spouses. They enjoy in it all kinds of fruits, in perfect peace. They do not taste death therein – beyond the first death – and HE has spared them the retribution of Hell. **Such is the blessing from your LORD. Such is the great triumph.**

Conclusive Proof: The Allah letters in each set of verses are 43 and 44, **revealing the diff. of 1.**

**** Reality of Hell and Paradise brought forth through the Sacred Codes of 14 and 19, along with the “Revelation of 1” through a Profound Chapter – 55, revealed by ALLAH, Most Glorified. READ BELOW!

The GUILTY warned about HELL

55:31 to 45 – difference in verse numbers is **14**.

55:31 We will call you to account, O humans and jinns.

55:32 Which of your Lord’s marvels can you deny?

55:33 O jinns and humans, if you can penetrate the outer limits of the heavens and the earth, go ahead and penetrate. You cannot penetrate without authorization.

55:34 Which of your Lord’s marvels can you deny?

55:35 You get bombarded with projectiles of fire and metal, and you cannot win.

55:36 Which of your Lord’s marvels can you deny?

55:37 When the sky disintegrates, and turns rose colored like paint.

55:38 Which of your Lord’s marvels can you deny?

55:39 On that Day, no human, nor a jinn, will be asked about his sins.

55:40 Which of your Lord’s marvels can you deny?

55:41 (This is because) the guilty will be recognized by their looks; they will be taken by the forelocks and the feet.

55:42 Which of your Lord’s marvels can you deny?

55:43 This is Gehenna (Hell) that the guilty used to **deny**.

55:44 They will circulate between it and an intolerable Inferno.

55:45 Which of your Lord’s marvels can you **deny**?

THE RIGHTEOUS PROMISED PARADISE

55:46 to 65 – difference in verse numbers is 19.

55:46 For those who reverence the majesty of their Lord, two gardens (one for the jinns and one for the humans).

55:47 Which of your Lord's marvels can you deny?

55:48 Full of provisions.

55:49 Which of your Lord's marvels can you deny?

55:50 Two springs are in them, flowing.

55:51 Which of your Lord's marvels can you deny?

55:52 Of every fruit in them, two kinds.

55:53 Which of your Lord's marvels can you deny?

55:54 While relaxing on furnishings lined with satin, the fruits are within reach.

55:55 Which of your Lord's marvels can you deny?

55:56 Their beautiful mates were never touched by any human or jinn.

55:57 Which of your Lord's marvels can you deny?

55:58 They look like gems and coral.

55:59 Which of your Lord's marvels can you deny?

55:60 Is the reward of goodness anything but goodness?

55:61 Which of your Lord's marvels can you deny?

55:62 Below them are two gardens (one for the jinns and one for the humans).

55:63 Which of your Lord's marvels can you deny?

55:64 Side by side.

55:65 Which of your Lord's marvels can you deny?

Conclusive Proof: The 1st set of verses on “**the guilty**” **reveals the difference of 14** between the verse numbers, while the 2nd set of verses on “**the righteous**” **reveals the difference of 19** between the verse numbers, thereby proving the **SACRED CODES**.

A Marvel: The Allah letters are **123** and **124**, for each set, **revealing the diff. of 1**. This reveals the profound Authority, Power and Truth from the **1 GOD**, who has precisely balanced, measured, and matched the number of His Name letters to prove the “**Sacred Codes**”, as well as bring out the “**Revelation of 1**” through several verses. Both of these Codes and Revelations have been blessed to me. All Praise and Glory be to Him.

Since the remaining verses after 55:65 are all on “the righteous”, I will recite the conclusive proofs until the end of the chapter, so you may realize the value of the verse that is repeated in this chapter as: “**Which of your Lord's marvels can you deny?**”

The verses, 30 through 45 are on the guilty who will be assigned to Hell, while the verses, 46 through 78 (end of chapter) are all on the righteous, who will be granted Paradise. Note another Profound Miracle of ALLAH, who is now going to **reveal His Sacred Name – 66**.

Revealed: For verses **55:30-45 (The guilty)**, the **Allah letters** for these 16 verses are **129**. For verses **55:46-78 (The Righteous)**, the **Allah letters** for these 33 verses are **195**. The difference between **129** and **195** is **66** – **REVEALING THE NAME OF ALLAH**, MOST SACRED AND PRAISEWORTHY.

ADDITIONAL MIRACLE: The set of verses on the guilty (55:30-45) are surrounded by the often-repeated verse drawing their attention to the Miracles of GOD revealed here – “Which of your Lord’s marvels can you deny?” as the starting and the ending verse happens to be in this set.

55:30 & 45 (Opening & Ending Verses) “Which of your Lord’s marvels can you deny?”

Conclusive Proof of the Revelation & the Messenger: The Allah letters are **6**, and the messenger’s letters are **7**, revealing the diff. of 1.

***** This provides Conclusive Proof for all the Revelations, Miracles and the Message sent through me as being the Absolute Truth from GOD. Anyone who denies this MARVEL of GOD is BLIND and in TOTAL DISBELIEF.**

In the set of verses (55:46-78) on the righteous, the starting and ending verses are different. They reveal that the believers who reverence the majesty of their LORD, know, believe, and exalt His name, as He is the Possessor of all Majesty and Honor. These are coded for the Believers, who follow the messenger's path in worshiping ALLAH.

55:46 (Opening Verse) For those who reverence the majesty of their LORD, two gardens.

55:78 (Ending Verse) Most Exalted is the name of your LORD, Possessor of Majesty and Honor.

Conclusive Proof of the Revelation: The Allah letters are **5 + 9**, revealing the sum of 14 (Seven Pairs).

Conclusive Proof for the Messenger: The messenger’s letters are **10** and **11**, revealing the diff. of 1.

Conclusive Proof of the Messenger's Name: The GV of the messenger's letters are **408** and **280**, revealing the diff. of 128, Husain.

The revelations above are often repeated in all sermons, and have been given as a SIGN to me, Glory be to my LORD.

HELL will be a SCARY and a FRIGHTENING ABODE!

67:7 When they get thrown therein (the Hell), they hear its furor as it fumes.

Revealed: The Allah letters are **14** and the messenger's letters are **13**, revealing the diff. of 1.

30:16 Part 1: As for those who disbelieve, and reject our revelations, and the meeting of the Hereafter.

Revealed: The Allah letters are **14**.

30:16 Part 2: They will last in the retribution forever.

Revealed: The Allah letters become **19**.

EVERYONE MUST SEE HELL (TO REALIZE HOW BAD IT IS)

19:71 Every single one of you must see it; this is an irrevocable decision of your LORD.

19:72 Then we rescue the righteous, and leave the transgressors in it, humiliated.

Conclusive Proof: The Allah letters are **11** and **10**, revealing the diff. of 1.

The Overlapping Miracle: These 2 verses are surrounded by **14** Aleefs.

****** Revelations are coded to recognize them as being from GOD**

****** Proofs are coded to recognize the messengers of GOD**

23:105 Were not My revelations recited to you, and you kept on rejecting them?

23:106 They will say, "Our LORD, our wickedness overwhelmed us, and we were people gone astray.

The Coded Revelations: The Allah letters are **7** and **12**, revealing the sum of 19.

23:107 “Our LORD, take us out of this; if we return (to our old behavior), then we are really wicked.

23:108 He will say, “**Abide therein, humiliated, and do not speak to Me.**”

Conclusive Proof: The Allah letters are **10** and **9**, revealing the diff. of 1.

Conclusive Proof: The messenger’s letters are **12** and **11**, revealing the diff. of 1.

The Revelation of Seven Pairs: Verse set **23:105-106**, has **37 messenger’s letters**. Verse set **23:107-108** has **23 messenger’s letters**. **The difference is clearly 14** – Glory be to my LORD. On the Day of Judgment, your account will be judged relative to the messages you received through GOD’s messengers. Clearly, these verses reflect as such, as the messenger’s letters bring out the revelations, by GOD’s will.

32:19 As for those who believe and lead a righteous life, they have deserved the eternal Paradise. Such is their abode, in return for their works.

32:20 As for the wicked, their destiny is Hell. Every time they try to leave it, they will be forced back. They will be told, “Taste the agony of Hell which you used to disbelieve in.”

Conclusive Proof: The GVs of Allah letters are perfectly calculated as **258 & 257**, revealing the diff. of 1.

Note the Miracle: The verse number is **19** and the GV of Allah letters for those deserving Paradise is **258**, which is also the value of “**Abraham**” – the father of the religion. Those who believe and follow total submission according to the creed of Abraham – monotheism, without committing idolatry – will be redeemed into Paradise.

Note the Miracle: The GV of the messenger’s letters for those deserving Paradise is coded – it is **896**, a multiple of 14. When divided by **7**, it reveals the messenger’s name, 128 ($896 = 7 \times 128$).

It is equally important to note that there is no visible Miracle arising out of verse 20 – the verse on the wicked going to Hell. The GV of Allah letters is 257 and the GV of the messenger’s letters 1326 – **are unknown numbers** that cannot be related to anything revealed to the messenger. But the entire pair of verses on the righteous and the wicked are guarded by the Sacred Codes, however. Observe this:

Revealed: The Allah letters for both verses are **22 + 34**, revealing the sum of 56, a multiple of 14.

Revealed: The messenger’s letters for both verses are **32 + 44**, the sum is **76**, a multiple of 19.

Revealed: The diff. in Allah letters of 22 and 34 is 12, while the diff. in the messenger's letters of 32 and 44 is also 12 – Perfectly Matched.

A HINT GIVEN TO REFORM AND REPENT!

32:21 Part 1: We let them taste the smaller retribution (of this world).

32:21 Part 2: Before they incur the greater retribution (of the Hereafter), that they may (take a hint and) reform.

Conclusive Proof: The Allah letters are 8 and 9, revealing the diff. of 1.

32:22 Who is more evil than one who is reminded of these revelations of his LORD, then insists upon disregarding them? We will certainly punish the guilty.

Both Verses – Proof: The Arabic letters are 49 and 50, revealing the diff. of 1.

Both Verses – Proof: The messenger's letters are 26 and 27, revealing the diff. of 1.

Proof of Absoluteness: The Aleefs are 8 and 7, revealing the diff. of 1.

The WICKED & the RIGHTEOUS are PRE-CODED

83:7-8 Indeed, the Book of the wicked is in Sijjeen. Do you know what Sijjeen is?

Conclusive Proof: The Arabic letters are $21 + 13 = 34$, and the sum of verse numbers is $7 + 8 = 15$, the difference in 34 and 15 is precisely 19.

83:18 Indeed, the Book of the righteous will be in Elleyyeen.

Conclusive Proof: The verse number is 18, and the Quranic Initials in the verse are 19, revealing the diff. of 1.

83:19 Do you know what Elleyyoon is?

Conclusive Proof: The verse number is 19, the Arabic letters are 14, revealing the Sacred Codes.

As you can observe, the righteous are clearly identified through each of the verses 18 and 19, through the Divine Codes, including the Sacred Codes of 19 and 14, but the wicked are lumped together under the Divine Code of 19 to show them that they also have to account to GOD, and cannot get away with their

disbelief. He is fully aware of all of them. Observe the Power of Absoluteness of GOD again!

83:7-9 Indeed, the Book of the wicked is in Sijjeen. Do you know what Sijjeen is? A numerically structured Book.

83:18-20 Indeed, the Book of the righteous will be in Elleyyeen. Do you know what Elleyoon is? A numerically structured Book.

Proof of Absoluteness: The Aleefs are 7 and 8, revealing the diff. of 1.

82:13 Surely, the pious have deserved bliss.

82:14 While the wicked have deserved Hell.

Conclusive Proof: The Aleefs are 4 and 3, revealing the diff. of 1.

Conclusive Proof: The Allah letters are 6 and 5, revealing the diff. of 1.

*****NOTE these sets of 3 verses each, for the Believers and the Disbelievers:**

****** MATCHING SETS OF PROOFS:**

87:8-10 We will direct you to the easiest path. Therefore, you (the messenger) shall remind; perhaps the reminder will benefit. The reverent will take heed.

Revealed: The messenger's letters are marked as **19** – easy path through the messenger.

87:11-13 The wicked will avoid it (the message through the messenger). Consequently, he will suffer the great Hellfire. Wherein he never dies, nor stays alive.

Revealed: The Allah letters are marked as **19** – rejecting the messenger is rejecting GOD.

Can you appreciate GOD's Miracle of Matching and Balancing consecutive sets of verses with precisely **19** letters of His Name and of those of His messenger! Check it out again – one more time!

****** NOTE this set of 3 verses – A PROFOUND WARNER HAS COME!**

****** MATCHING SET OF PROOFS: The Great Miracle!**

79:18-20 Tell him, "Would you not reform? Let me guide you to your LORD, that you may turn reverent. **He then showed him the "great miracle."**

Conclusive & Matching: The Allah letters are 19 and the messenger's letters are 19 also – **Matching!**

Anyone with eyes and the willingness to see can witness “the Great Miracle”, given above. For those who may still have an inkling of doubt, let me show them another Miracle that will confirm that the “LORD” is behind these revelations, Praise be to Him. He is in full control of His revelations and is the ONE who reveals whatever He wills, to whomever He wills.

Conclusive Proof: The GV of Allah letters is **238**; and of the messenger's letters **440**, **revealing the diff. of 202 – LORD.**

The Sacred Codes are also enshrined and encoded under the messenger's letters in these 3 verses:

79:18-19 Tell him, “**Would you not reform? Let me guide you to your Lord, that you may turn reverent.**”

Revealing: The messenger's letters up to verse **19** are precisely **14** (Sacred Codes of 19-14).

79:20 He then showed him the great miracle.

Revealed: The messenger's letters become **19** and verse number **20**, **revealing the diff. of 1 (The Sacred Revelation).**

25:11 In fact, they have disbelieved in the Hour, and we have prepared for those who disbelieve in the Hour a flaming Hell.

Revealed: The Allah letters are **14**.

25:12 When it sees them from afar, they will hear its rage and fuming.

Revealed: The messenger's letters are **14**.

I have been specifically informed through a verse that the majority of the people, including the followers of the scriptures, do not sincerely believe in the Day of Judgment. Since they do not believe with their heart; they do not prepare for this awesome day either. Here is the verse, **which comes marked with the SIGN given to me as well as my full name.**

83:11 They do not believe in the Day of Judgment.

Conclusive Proof: The messenger's letters are **14**, and the GV of the messenger's letters is **306** (being **the messenger's full name**).

83:10 Woe on that Day to the rejectors.

83:11 They do not believe in the Day of Judgment.

Conclusive Proof: The Allah letters are **3** and **4**, **revealing the diff. of 1**.

You can avoid rejection of your belief by making a firm repentance to GOD, then believing in Him, and upholding all His commands from the Quran, and by believing and preparing for the Day of Judgment. If you steadfastly do this without wavering, then the angels (who are devoted submitters to God) descend upon you by God's leave in this life, and on the Day of Judgment by uttering "peace". See verses 41:30 & 13:23 on Page 1.

Setting Your PRIORITIES RIGHT - INVESTMENT for the ETERNAL FUTURE!

87:16 Indeed, you are preoccupied with this first life.

Revealed: The GV of Allah letters is **98 = 14 x 7**.

87:17 Even though the Hereafter is far better and everlasting.

Revealed: The GV of Allah letters is **38 = 19 x 2**.

Example of Messenger Given: The messenger's letters are **12 + 7 = 19** - a blessing of GOD.

Besides revealing the Sacred Codes through His Name letters, GOD has mounted a second set of the same Codes; this time taking His letters and the messenger's. This is done to let the people know about the importance of the verses above, so they can make better decisions for their everlasting lives in the Hereafter.

Revealed: Both Verses Combined: The GV of Allah letters is **136**, and GV of the messenger's letters is **402**, **revealing the diff. of: 266 = 19 x 14**.

40:38 The one who believed said, "O my people, follow me, and I will guide you in the right way."

Revealed: The messenger's letters are 20.

40:39 "O my people, this first life is a temporary illusion, while the Hereafter is the eternal abode.

Revealed: The messenger's letters are 20. The "**Matching Letters**" of the messenger's name are revealed, to let the people know that GOD is providing you the guidance through a human messenger – **what the human messenger says comes from GOD** – the utterances of the messenger are according to the matching inspiration received from the Most Gracious LORD.

Conclusive Proof of Matching Guidance: The GV of Allah letters for both verses are 288 and of the messenger's letters is 1308, **revealing the sum of 1596 = 19 x 14 x 6** (the guidance at this time is deeply coded, through the **Sacred Codes of 19 and 14**, as you can observe and reflect on the Miracles and the Proofs; beyond the comprehension of any human being).

Chapter 37 is the last chapter where verses numbered and coded under the messenger's name (**128 & 178**), occur for the last time in the Quran. Similarly, the verses matching the GV of ALLAH (**66**), occur for the last time in **Chapter 56**. To prove the profound miracle of "**Perfectly Matched**", the difference in these **chapters 56 and 37** is **precisely 19**. Converting these numbers into a "REVELATION", they become chapter 56, verse 37, recited below:

56:37 Perfectly Matched. (How? See below)

Revealed: The GV of Allah letters is 4, and the GV of the messenger's letters is 4 – **perfectly matched** – a SIGN for the Believers.

Verse 56:37 is further accompanied by verse 56:38 to complete the meaning of the SIGN provided by GOD – this SIGN is meant for the believers who readily believe whatever comes from the Most Gracious, and is meant to guide them through the messenger. Those destined to be redeemed by GOD, are called the people "on the right side". Observe the Miracle to guide you:

56:37 Perfectly matched.

56:38 For those on the right side.

Conclusive Proof & Sign: The GV of Allah letters for the pair of verses is **66**, split up for each verse as 4 and 62 to add up to **66**. Writing these numbers as **4,62** provides the value of "**Al-Furqan**", or "**The Statute Book**" and when **462**

is **divided by 7**, it readily **reveals 66** again. Note that $462 = 7 \times 66$ and $462 = 14 \times 33$.

Revealed: For each verse, the GV of the **messenger's letters** are split up as **4** and **180**. Writing them together, they become **4,180 = 19 x 220**. The split of **Allah letters** and the **messenger's letters** thereby become **multiples of 14 and 19** to **reveal the Sacred Codes**, Praise be to the Almighty.

Conclusive Proof & Sign: There are **7 Quranic Initials in the messenger's name**, Makbool Husain. In the 2 verses above, there are precisely **7 Initials of the messenger's name**, again **Perfectly Matched**. They are Lam-Ha-Lam-Ya-Meem-Ya-Nun. The GV's of these **7 initials** are **30 + 8 + 30 + 10 + 40 + 10 + 50, revealing the sum of 178, revealing the messenger's name, Makbool**, Glory be to my Lord.

This pair of verses thus reveals the name of the Author of the Quran and the Creator of the Universe - ALLAH - and of the messenger sent to deliver the profound miracles and message to all the people on Earth. The ones who will believe are those whose hearts are softened to receive GOD'S message, and they commemorate their LORD, even in their privacy. **Based on the verses above, the believers are receiving "Matching Guidance from GOD". This is coming straight from GOD to the messenger via the angel, and then recited to the people. There is no involvement of any other human being, either in writing the sermons, the subject matter of the website, or in the composition of these Proofs. It is singularly done by the messenger under GOD's inspiration. This assures the believers that everything they hear and read are truly "revelations from GOD", and from the "Original Source" - ALLAH - without any human interference, corruption, or distortion of the Message.**

The above pair of verses is further expanded to reveal the Miracle of the Sacred Codes.

56:37 Perfectly matched.

56:38 For those on the right side.

56:39 Many from the early generations.

Revealed: These **3 verses** have Allah letters **14**.

56:40 Many from the later generations.

Revealed: These **4 verses** have Allah letters **19**.

The chapter 56 (being the last chapter to have 66 numbered verses) carries the Secret Coding of 19 and 14 for the righteous believers. It starts by saying:

56:7 You will be stratified into three kinds (three categories).

Conclusive Proof: The **Allah letters** are **4** and the **messenger's letters** are **5**, **revealing the diff. of 1.**

After verse 56:7 revealing the system of categorizing the people on the Day of Judgment into 3 kinds, the next **19 verses** are on “believers”, followed by **14 more verses** on “believers” granted the “Lower Heaven”. Follow the sequence of the verses to appreciate GOD’s conclusive Miracle of the Sacred Codes. The verses on the “disbelievers” do not fall under any Code. **They have been abandoned by GOD.**

19 VERSES – Proving the Sacred Codes:

56:8-26 Those who deserved bliss will be in bliss. Those who deserved misery will be in misery. Then there is the elite of the elite. They are those who will be closest (to GOD). In the gardens of bliss. Many from the first generations. Few from the later generations. On luxurious furnishings. Enjoying everything, they will be neighbors. Serving them will be immortal servants. With cups, pitchers and pure drinks. They never run out, nor do they get bored. Fruits of their choice. Meat of birds that they desire. Beautiful mates. Like protected pearls. Rewards for their works. They never hear any nonsense therein, nor sinful utterances. Only the utterance: “Peace, peace.”

14 VERSES – Proving the Sacred Codes:

56:27-40 Those of the right side will be on the right side. In lush orchards. Fragrant fruits. Extended shade. Abundant water. Many fruits. Never ending; never forbidden. Luxurious furnishings. We create for them mates. Never previously touched. Perfectly matched. For those on the right side. Many from the early generations. Many from the later generations.

*** The above sets of verses are designed as **19** and **14** each, bring out the revelation of the Sacred Codes through chapter 56. The verses on the disbelievers from 56:41 to 56:56 are a total of 16, and do not fall under any Code. **This reflects the fact that since the disbelievers have forgotten GOD, He has also forgotten and abandoned them. The SIGN of “PERFECTLY MATCHED” is especially revealed for the “BELIEVERS” so they can redeem their souls, by believing fully.**

Having seen the above MIRACLE, I am now going to take the last 14 verses of the 1st set, followed by the 14 verses of the 2nd set. This will be called “matching the verses” – quantity for quantity – according to the verse 56:37, Perfectly Matched. The number 14 is also part of the Sacred Codes revealed to me. Watch, observe, and reflect on GOD’s awesome Power again!

Revealed: 14 Verses: Sum of Allah letters above is: 51.

Revealed: The difference in **70** and **51 Allah letters** is **19**, Glory be to my Lord. GOD has proven His Words from the Quran, which apply only to the believers outlined under the Perfectly Matched Codes – who will enjoy in the gardens of Eden – all the provisions and blessings under His Supreme Authority as **1** or **19** for “Waahed”.

Chapter 37 has the last occurrence of verses numbered and coded under the messenger’s name – **128** and **178**. Therefore, it is a very important chapter for the purposes of “**Proofs for the messenger**”. Through this chapter’s verses, GOD is going to provide and prove the Codes blessed upon me – the “**Revelation of 1**”, the “**Seven Pairs Code**”, the “**Sacred Codes of 19 and 14**”, as well as the “**Revelation of Perfectly Matched**”. The verses chosen by GOD for this purpose clearly tell all the people that the rejection of any messenger, message, and miracle of GOD is idolatry, which is unforgivable. They are very serious verses and should make all the people think again about challenging GOD’s Absolute Authority. I will now recite them for you, by quoting only a few, as an example from this chapter.

Revealed: The GV of the messenger's letters is blessed by ALLAH to be **306** – arising out of the verse on "Praise be to ALLAH".

Let the doubters wonder at these miracles. Let the believers rejoice in this "Glorified Message of GOD," and praise Him for His Miracles.

CONCLUSION OF SERMON

Praise be to GOD, who has revealed an enormous number of verses and their proofs. Do not be shy in conveying the message to the others; you should gladly show these sermons and the revelations contained in them to all the people, without fear of humans. This is a serious narration – the Quran – and a serious message revealed by GOD from the Quran. All kinds of proofs and revelations, beyond the comprehension and imagination of the human beings, have now been revealed through this messenger.

On the Day of Judgment, no one will be in a position to make excuses, nor will they be accepted, after all these messages and messengers have come from GOD. It is indeed a great blessing and mercy of GOD to reveal this intricate and detailed message; though I have no knowledge as to how many people will take advantage from it. GOD guides those who choose to be guided, in accordance with His will. Those who have accepted the message will be asked by GOD if they conveyed this to others, or concealed His message and the messenger. The sin of concealment can wipe out your good deed of belief, and render it null and void. Each one of us is simply supposed to deliver the message, and leave the judgment up to GOD.

To conclude this sermon, I am going to recite a pair of verses. Through these, you should reflect on GOD's Absolute Power to reveal to a human that He chooses; as well as the fact that all sovereignty will belong to ALLAH on the Day of Judgment. These verses are augmented by the Proof of Absoluteness – **ALEEF and 66**.

40:15 Possessor of the highest ranks, and Ruler of the whole Dominion. He sends inspiration, bearing His commands, to whomever He chooses from among His servants, to warn about the Day of Summoning.

40:16 That is the Day when everyone will be completely exposed; none of them will hide anything from **GOD. To whom belongs all sovereignty on that Day? To GOD, the ONE, the SUPREME.**

Conclusive Proof: The Aleefs are 8 and 7, revealing the diff. of ONE.

Conclusive Proof: The messenger's letters are 31 and 35, revealing the sum of 66 – ALLAH.

Absoluteness ("Al-Samad"): The messenger's letters are: $31,35 = 19 \times 165.$

40:16 Part: "To whom belongs all sovereignty on that Day?"

Revealed: The GV of the messenger's letters is perfectly calculated to be **306** – the Absoluteness and Sovereignty of ALLAH is hereby proclaimed through His messenger, Makbool Husain, Glory be to my LORD.

**Peace be upon the messengers.
Praise be to Allah, Lord of the Universe.**
