

May 18, 2007 – June 22, 2007

OBEY GOD AND OBEY THE MESSENGER

**I seek refuge in Allah from satan the rejected.
In the name of Allah, The Most Gracious, The Most Merciful.**

The Quran was sent down by the Most Gracious for the righteous – the believers, who are entrusted to be the keepers of GOD’s laws (9:112). The messengers are sent to guide the believers (3:164) and to test them (6:53), as well as to warn the opponents of GOD (40:30, 51:51) who deny and dispute His Absolute Authority to do whatever He wills and pleases.

The first and foremost Test is to check out your belief regarding Submission: (3:154)

3:154 Part: GOD thus puts you to the test to bring out your true convictions, and to test what is in your hearts.

Revealed: The Allah letters are 10, and messenger's letters are 24, **revealing the diff. of 14.**

3:154 Part: GOD is fully aware of the innermost thoughts.

Revealed: The Allah letters are 8, and messenger's letters are 9, **revealing the diff. of 1.**

Revealed: The GV of Allah letters is **128** – this is the clear test whether you accept GOD’s messenger, **Husain – 128**, if you proclaim that you are a submitter to Him. His Absolute Authority is represented through the “Revelation of 1” and those who dispute or deny it are His opponents, as well as liars.

The second part of the Test begins after your belief in GOD’S messenger, under whose command you are placed, in order to qualify to be a believer. From here on, you can either pass the Test by obeying and following him, **without having doubts**, in order to qualify for Paradise, or be rejected by GOD as a hypocrite, and be destined for Hell. The messenger serves to remove your doubts about GOD and His Absolute Authority, as long as you can overcome your doubts about the human messenger, after he has shown you clear Signs and Proofs from GOD.

2:214 Part 1: Do you expect to enter Paradise without being tested like those before them?

Revealed: The GV of **Allah letters** is **223**. This means that you are tested as a believer under a messenger, to qualify for Paradise.

2:214 Part 2: They were tested with hardship and adversity, and were shaken up, until the messenger and those who believed with him said.

Revealed: The **messenger's initials** for Parts 1-2 are **23** and **22**, **revealing the diff. of 1.**

2:214 Part 3: "Where is **GOD's** victory?" **GOD's** victory is near.

Revealed: The **Allah letters** are **12** and **messenger's letters** are **13**, **revealing the diff. of 1.**

Revealed: The **12 Allah letters** have the precise GV of **165**, proving that the ultimate victory is for **GOD's** messengers and the believers, if they are united and steadfast.

Revealed: The GV of **messenger's 13 letters** is precisely **462**, representing "**the Statute Book - GV 462**". This number reveals the Glorified Name of Allah. (**462 = 7 x 66**)

Revealed: Note that **Part 1** warns and alerts the believers that they have to go through the Test, as proven through the GV of **Allah letters** being **223 (Al-Muhminoon)**. **Parts 2** and **3** inform the believers about the severity and hardship of the Tests along with the messenger, and this is marked with the GV of **Allah letters** as **425**. The diff. between **223** and **425** is **202**, **revealing the name of the "LORD - 202"** who subjects the believers to the Test, Glory be to Him.

To complete the Test, **GOD** will see and test you with your money and your lives. This means that all your material resources and your lives should be dedicated to **GOD** as dictated in the Quran. The striving alongside the messenger is the key component of this important Test, as mentioned through several verses (49:15, 9:42-44, 9:88, 9:71-72, 61:10-13, 24:63, 9:81, 33:36)

In the past, some of the believers have argued with me, raised their voice above mine, expressed their self opinions and ego, and may have conspired behind my back to complain about me. All of these constitute gross sin; therefore today, I would like to enlighten you to the severity of such transgressions. Though you may

have repented after being reminded of your sin, the true repentance can only be sought from GOD once you know the severity of your sin, and amend and reform yourself not to repeat it again.

Those who do not believe in GOD, His angels, His scriptures, His messengers, and the Last Day are promised Hell by the Lord of the universe. Those who are guided to believe are therefore instructed by GOD to act and follow the “believers way.” **If they do not, then they are also promised the path to Hell.** There is no difference between one who disbelieves OR one who believes but later turns into a hypocrite - because of doubts, self-opinion, conjecture, ego, fabrication, hidden arrogance, or simply by being sedentary and displaying lack of interest.

When the believers forget what GOD has commanded them in the Quran, then GOD will also forget them, in this life and in the Hereafter.

59:19 Part 1: Do not be like those who forgot **GOD**, so He made them forget themselves.

Revealed: The **Allah letters** are **14**, and **messenger's initials** are **15**, **revealing the diff. of 1.**

Revealed: The **Allah letters** are **14**, and **messenger's letters** are **19**, **revealing the Sacred Codes.**

59:19 Part 2: These are the wicked.

Revealed: Up to **Part 1**, the **Allah letters** are **14**, and up to **Part 2**, they are **19**, **revealing the Sacred Codes.**

9:67 The hypocrite men and the hypocrite women belong with each other – they advocate evil and prohibit righteousness, and they are stingy. **They forgot GOD, so He forgot them.** The hypocrites are truly wicked.

Revealed: The **messenger's initials** are **50**, and **messenger's letters** are **64**, **revealing the diff. of 14 – for the Seven Pairs.**

Revealed: Up to “They forgot **GOD**, so He forgot them,” the **Allah letters** are **19**, and **messenger's initials** are **38**, **revealing the diff. of 19.**

Revealed: The portion of the verse on “forgetting God” is also marked with **14** **Arabic letters.**

In this instance, the subject matter defining the hypocrites is covered through verses 9:64 through 9:68. There are plenty more verses in the Quran addressing

the hypocrites and the consequences for them.

9:68 Part 1: GOD promises the hypocrite men and the hypocrite women, as well as the disbelievers, the fire of Hell, wherein they abide forever. It suffices them.

9:68 Part 2: GOD has condemned them; they have incurred an everlasting retribution.

Revealed: The messenger's letters are **28** and **14**, revealing the diff. of also 14. Note that messenger's letters appear in multiples of **14** in both parts of the verse, and separated by the diff. of **14** also. This is truly the "Ultimate Miracle from the Most Gracious." Also note, that the subject matter of defining hypocrites ends with the last part of the verse informing the messenger about the hypocrites by **marking it with 14 letters of messenger's name**.

Revealed: NOTE, that verses 59:19 and 9:67 both end with the hypocrites being called by God as wicked. There is a definite reason behind this, as God reveals now. The GV of "Al-Rasool" – "the messenger" is 327, and the GV of "Al-Fasiqoon" – "the wicked" is also 327.

Revealed: The Allah letters in each word are **3** and **2**, revealing the diff. of 1.

Revealed: The messenger's letters in each word are **4** and **5**, revealing the diff. of 1.

The reason the believers turn into hypocrites is because – they initially believed in God's Absolute Authority and believed in the messenger but later developed doubts about the messenger, or doubts about the message, or end up disobeying his commands, or by betraying and rebelling against him. In short, they end up being hypocrites for many different reasons, and I have listed only a few of them. By matching the gematric values of "the messenger – 327" and "the wicked – 327," it shows that some believers will turn into hypocrites after believing, as they refuse to obey the messenger (327) and turn wicked (327). The word, "OBEY" is vast in context and covers all aspects of the believer's lives, whereby they have to fully submit to GOD by making their own priorities secondary to what GOD has commanded, which is: "to strive with your money and your lives in the cause of GOD, without having any doubts whatsoever."

This brings me to an important verse which defines what a believer is:

49:15 Part 1: Mu'mens (believers) are those who believe in **GOD** and His messenger.

Revealed: The Aleefs are 7, while the Allah letters are 14; clearly marked with the Code of the Seven Pairs.

49:15 Part 2: Then attain the status of having no doubt whatsoever, and strive with their money and their lives in the cause of **GOD**.

Revealed: Both Parts: The Aleefs are 7 and 6, revealing the diff. of 1.

Revealed: Both Parts: The Allah letters are 14 and 15, revealing the diff. of 1.

Revealed: Both Parts: The messenger's initials are 32, and messenger's letters are 46, revealing the diff. of 14.

49:15 Part 3: These are the truthful ones.

Revealed: The Arabic letters are marked as 14, while messenger's letters are 7, revealing the Seven Pairs.

Revealed: The GV of Allah letters in Part 3 is 67 and messenger's letters is 262, revealing the sum of 329. This represents the GV of AL-RAHMAN or Most Gracious, 329. You can either fully submit as commanded by the Most Gracious, or be labeled as hypocrites if you do not obey and follow the messenger, as the revelation above is designed to reveal **329** by taking the messenger's letters into account along with the letters of the Most Gracious. Subhan Allah. Only the sincere and the truthful qualify to be redeemed by God into Paradise, after going through the Test of striving.

Miracle: The entire verse has Allah letters 34, and messenger's letters are 53, revealing the diff. of 19, and in Parts 1-2, you can see that messenger's initials and letters reveal the diff. of 14 also, Glory be to Allah.

Question: How did the believers forget God, as mentioned in **59:19** and **9:67**? The disbelievers have already forgotten GOD, but how did the believers end up this way? The answer will be explained through God's revelations. It will be hard for me to bring out the impact of the revelations without showing the Arabic content of the verses, which cannot be done on this printout, except those who are physically present at the Jum'aah Salat to witness it on the chalkboard. For those who can read the Quran in Arabic, I suggest that you open up and see for yourself.

Answer: 87:6 We will recite to you, do not forget. (The messenger's letters are 7).
98:2 A messenger from ALLAH, (The messenger's letters are 7) is reciting to them sacred instructions.

Revealed: As you can see, messenger's letters are divinely composed as 7

and 7, in **87:6** and **98:2** up to “messenger from ALLAH” and **19** to the end of verse **98:2**, as you see above. This reveals the Sacred Codes being blessed upon the messenger, which makes the Quran, its contents and the message even more special.

Revealed: For verse **87:6** and the **first part of 98:2**, whereby **messenger's letters** are **14**, the **Allah letters** are precisely **7**, to reinforce the message of **the Seven Pairs**. For the same parts of the verses, the GV of **messenger's letters** are **360** and **246**, **revealing the precise diff. of 114**. GOD is informing the believers that the messenger is reciting the Quran authorized by Him and they should not forget, as they are Sacred Instructions from Him.

Question: What are the believers supposed to remember, after they have been reminded by the messenger?

Answer: 1) That they should never question GOD – believe in Him and reverence Him.
2) Believe in His messengers, follow and obey the living messenger if there is one - remove their doubts – as they do not speak on their own – whatever they say is from GOD.

21:23 He is never to be asked about anything He does, while all others are questioned.

Revealed: The **Allah letters** are **7**, and **messenger's letters** are **14** – an Absolute Command explained through **the Seven Pairs**, which include the messenger's letters.

21:26 Part: All (messengers) are (His) honored servants.

21:27 They never speak on their own, and they strictly follow His commands.

Revealed: The **messenger's letters** are **7** and **21**, both are multiples of **7**, and **revealing the diff. of 14**.

Note that in 21:23, 21:26, 21:27 – verses of immense importance - messenger's letters appear as 14-7-14. These are clear proofs of the “Revelation of the Seven Pairs” to this messenger, whereby messenger's letters are divinely encoded within the verses of the scripture.

21:27 Part 1: They never speak on their own.

21:27 Part 2: And they strictly follow His commands.

Revealed: The GV of **messenger's letters** are **426** and **224**, **revealing the diff. of 202 – LORD**. This proves that whatever the messengers speak is not from themselves; but is from the LORD.

Revealed: Let me combine all three important verses: **21:23, 21:26 (Part)**, and **21:27** to show you another revelation, this time through the **Allah letters**, which are **7 + 2 + 10** to total **19**, and the GV of **Allah letters** is **296**. This number represents the GV of "**Rasool**" or "**messenger**". This again puts emphasis on the subject of "**messengers**" about whom these verses are directed at.

When you doubt the messenger or question him, you are actually raising questions to GOD, and doubting His selection of human messengers. These revelations should forever enlighten you, as GOD has clarified everything in the most vivid way. For those who do not correct their behavior, GOD is going to show them the same revelation through **19 Allah letters** having a GV of **296** through other verses **4:115 and 4:136** which are the essence and focus of this Sermon. This revelation through **4:115** clearly calls some believers as hypocrites, when they do not follow the "**believers way**" and are therefore, condemned to Hell, and verse 4:136 points out that those who do not fulfill the essential command of believing fully as decreed, have gone far astray. This happens because some believers do not follow up and honor their pledges and covenants made with ALLAH. They fail to reverence Him as required and mentioned through **21:23,26,27; 26:162,163; 48:8,9; 57:28** and more. Therefore, they end up with the same fate as the disbelievers and the hypocrites mentioned in 9:67,68 and in the subsequent verse **4:116**, where GOD has called the hypocrites as idol-worshippers. This is because they worshiped other than God's commands and did not follow the "believers way" and therefore were guilty of straying far astray. Both of these verses reveal **the great Proof of Absoluteness, as well as the Miracle of the Seven Pairs**.

2nd Example: 4:115 As for him who opposes the messenger, after the guidance has been pointed out to him, and follows other than the believers way, we will direct him in the direction he has chosen, and commit him to Hell; what a miserable destiny!

Revealed: The **19 Allah letters** are matched with the GV of **296**, just as in **21:23,26,27** as shown earlier. The **19 Allah letters** occur on the word "nuslayhee" after which the remaining verse is precisely composed of **14 Arabic letters**, with the GV of **Allah letters** being **7**. These Signs and Proofs of GOD show the Absolute Control over His words and revelations. Subhan Allah.

Revealed: The Shahadah has **12 Allah letters** with a GV of **165**; in this verse

the **12 Allah letters** occur on the **Aleef** of “Al-Muhmineen” – “the Believers” and have the GV of precisely **165**. This is a grave reminder for the believers through the Aleef of Al-Muhmineen, reminding them of God’s Absolute Authority by revealing the GV of **165**. Some believers can turn into hypocrites based on the reasons I have given early on in the sermon. This behavior of opposing the messenger or the guidance incurs severe consequences for them, as they have forgotten GOD and also challenged Him by setting up gods beside GOD. The Most Gracious has provided more than one proof to reflect the seriousness of the verses.

4:116 GOD does not forgive idol worship, and He forgives lesser offences for whomever He wills. Anyone who idolizes any idol beside **GOD** has strayed far astray.

Revealed: Again the **12 Allah letters** have precisely the GV of **165** occurring on the word “Leymun” after which the remaining words of the verse have **14 messenger’s letters**. Additionally, the remaining verse has **10 Allah letters**, and **11 messenger’s initials**, revealing the diff. of 1 also.

Comparison of Both verses: **4:115-116**

Revealed: The **Aleefs** of Absolute Authority of God are **8** and **9**, revealing the diff. of 1.

Revealed: The **messenger’s initials** are **39** and **25**, revealing the diff. of 14.

Even the important parts of verse 4:116 accusing the hypocrites of Idolatry are separately marked by the Most Wise.

4:116 Part: “**GOD** does not forgive idol worship.”

Revealed: The **Allah letters** are **9**, and **messenger’s letters** are **8**, revealing the diff. of 1. As this statement talks about idol worship and the proofs of “Revelation of 1” originate through the letters of Allah and those of His messenger, it is clear that one of the major forms of idolatry is disbelieving, disobeying and disregarding the messenger of God.

4:116 Part: “Anyone who idolizes any idol beside **GOD** has strayed far astray.”

Revealed: The **Allah letters** are **9**, and **messenger’s initials** are **10**, revealing the diff. of 1; and the sum of 19. Again, note that the emphasis is

on believing and following God's authorized messengers. Those who do not honor this command have certainly worshiped idols beside GOD and strayed away from the path of Submission.

3rd Example: 4:136 Part 2: Anyone who refuses to believe in **GOD**, and His angels, and His scriptures, and His messengers, and the Last Day, has indeed strayed far astray.

Revealed: The **Allah letters** are **19**, and the GV is **296**.

NOTE: The same revelation has been presented to you through 3 different examples through different verses, all of them revealing that **19 Allah letters** have the GV of **296** each time. Recall, that you have been shown 21:23,26,27 and 4:115 and 4:136 for such matching revelations. This should enlighten the believers to know GOD'S system of messengers, and the emphasis placed by Him on believing and following His messengers. Those who disbelieve and reject these revelations are guilty of idolatry and of being astray.

Have you now realized the importance of GOD's command regarding His honorable servants? He knows everything regarding His messengers, including their future and their past, as proven through 21:28, subsequent to 21:27, by taking this messenger's letters as an example.

21:28 Part 1: He knows their future and their past.

21:28 Part 2: They do not intercede, except for those already accepted by Him, and they are worried about their own necks.

Revealed: The **messenger's letters** are **14** and **19** in each part – Sacredly Coded by the Most Wise.

21:29 If any of them claims to be a god beside Him, we requite him with Hell; we thus requite the wicked.

Revealed: The **Allah letters** are **14** in the verse. This verse is easily misunderstood by the followers of the scripture to indicate towards the messengers, who may claim to be a god beside GOD. The truthful messengers given Signs by GOD never change or distort His revelations – they simply follow them. Further, they are controlled by GOD, as the verses tell us. This verse applies to the people who refuse to accept the messenger and the message, out of arrogance or ego – and thereby act as their own god, thus setting up gods beside ALLAH. Note that the verse ends by saying: "We thus

requite the wicked.” This word has been used for the hypocrites and the disbelievers, as I showed you through 59:19 and 9:67, but has never been used by GOD for any messenger through any of the verses.

The messengers are sent with a clear inspiration by GOD. This is why their belief and faith in the One, Supreme GOD is unshakeable, as they are blessed with inspiration about the Shahadah. They can however, unintentionally ignore a command, or not dutifully carry it out, but GOD controls them, reminds them and makes them repent in time to keep them guided. The Inspiration is hereby proven through verse 21:25

21:25 We did not send any messenger before you except with the inspiration: “There is no god except Me; you shall worship Me alone.”

Revealed: This verse is marked with the Absoluteness of GOD with **14 Aleefs**. **Revealed:** The **Allah letters** are **25**, and **messenger's initials** are **24**, **revealing the diff. of 1**.

As the messengers are guided through clear Inspiration by GOD, He has decreed a Law that is strictly applicable to the believers. The implementation of this Law is therefore mandatory and the believers can either prove themselves by upholding God’s Absolute Authority, or expose themselves as hypocrites by challenging His Authority that is conveyed through His messengers.

4:80 Part 1: Whoever obeys the messenger is obeying **GOD**.

Revealed: The **Allah letters** are **9**, and **messenger's letters** are **10**, **revealing the diff. of 1**, and the **sum of 19**.

4:80 Part 2: As for those who turn away, we did not send you as their guardian.

Revealed: The GV of **Allah letters** for the whole verse is a perfect **227** – a proven fact for the **Believers, 227**.

This requirement and command of GOD is further highlighted and expressed through a pair of very important verses. The first verse informs you that God will fix your works and forgive your sins, if you fulfill the condition of obeying God and His messenger. The second verse informs the believers that if they fail to obey God and His messenger, then all their works will be in vain and nullified, which means they go to Hell.

33:71 Part 1: He will then fix your works, and forgive your sins.

Revealed: The **messenger's letters** are **16**, and **Allah letters** are **5**, **revealing the Pattern of Absolute Authority (Al-Samad) as 165**, Glory be to Allah.

33:71 Part 2: Those who obey **GOD** and His messenger have triumphed a great triumph.

Revealed: The **Allah letters** in the entire verse are **14** – **a revelation of the Seven Pairs.**

47:33 Part 1: O you who believe, you shall obey **GOD**, and obey the messenger.

Revealed: The **Allah letters** are **18**, and **messenger's letters** are **19**, **revealing the diff. of 1.**

47:33 Part 2: Otherwise, all your works will be in vain.

Revealed: The entire verse is marked with the Proof of Absoluteness with **14 Aleefs** – **a revelation of the Seven Pairs.**

Comparison of Both verses: **33:71** and **47:33**.

33:71 Part: He will then fix your works, and forgive your sins.

47:33 Part: Otherwise, all your works will be in vain.

Revealed: The **Allah letters** are **5** and **6**, **revealing the diff. of 1.**

33:71 Those who obey **GOD** and His messenger have triumphed a great triumph.

47:33 O you who believe, you shall obey **GOD** and obey His messenger.

Revealed: The **messenger's letters** are **14** and **19**, **a great revelation of the Sacred Codes.**

Revealed: Both Verses: The GV of **messenger's letters** are **836** and **614**, **revealing the diff. of 222 (Rabbayka) Your LORD** is speaking and addressing the believers through the mouth of His messenger.

Revealed: The chapters **33** and **47** also have a diff. of **14**.

To augment your guidance through additional verses, GOD has marked the relevant and important verses, even portions of the verses, as you shall now see.

24:53 Part: “Obedience is an obligation.”

Revealed: The **Allah letters** are **3**, and **messenger’s letters** are **2**, **revealing the diff. of 1.**

24:54 Part: “If you obey him, you will be guided.”

Revealed: The **Allah letters** are **4**, and **messenger’s letters** are **5**, **revealing the diff. of 1.**

Revealed: The GV of **Allah letters** is **12**, and of **messenger’s letters** is **78**, **revealing the diff. of 66.** This is the key condition of staying guided after you have submitted to ALLAH through His messenger.

24:53-54 Parts Combined Together: “Obedience is an obligation. If you obey him, you will be guided.”

Revealed: The **Allah letters** are **7**, and **messenger’s letters** are **7** – Praise be to God for the Seven Pairs.

If anyone among you thinks that they are doing a favor to GOD or His messenger by believing, then you are absolutely wrong. It is the Most Merciful who has done a great favor to you by guiding you to the faith, as long as you are sincere.

49:17 Part 1: They act as if they are doing you (the messenger) a favor by embracing Submission! Say, “You are not doing me any favors by embracing Submission.”

49:17 Part 2: **GOD** is the One who is doing you a great favor by guiding you to the faith, if you are sincere.

Revealed: The **messenger’s letters** are **24** and **23**, **revealing the diff. of 1.**

Revealed: Entire verse: The **Aleefs** are **10**, and the **Allah letters** are **24**, **revealing the diff. of 14.**

After all, The Most Wise has revealed a profound revelation to guide the people. These are subsequent revelations after the revelation of the actual Quran in Arabic to prophet Muhammad. The scripture can be revealed again, whenever the Most Gracious has a message to send down through His messenger. The submitters are asked to believe in God’s revelations whenever He reveals them. They are also asked to believe in all of His messengers, without making any distinction amongst them.

4:136 Part 1: O you who believe, you shall believe in **GOD** and His messenger, and the scripture He has revealed through His messenger, and the scripture He has revealed before that.

Revealed: The **Allah letters** are **30**, and **messenger's initials** are **31**, **revealing the diff. of 1**- a profound revelation has been revealed by The Most High and a manifest warner has come.

30,31 = 7 x 433 (Lord of the universe, **433**, has revealed this revelation)

4:136 Part 2: Anyone who refuses to believe in **GOD**, and His angels, and His scriptures, and His messengers, and the Last Day, has indeed strayed far astray.

Revealed: The **Allah letters** are **19**, and **messenger's initials** are **18**, **revealing the diff. of 1**. Note that **19,18 = 14 x 137**.

Revealed: The Quotients are **433** and **137**, the diff. in these numbers is **296**, **revealing the "Messenger 296"** through the mathematical revelation of the Seven Pairs.

Revealed: Both Parts: The **Allah letters** are **49 = 7 x 7**, and **messenger's initials** are **49 = 7 x 7**. The numbers chosen by GOD are special, and reveal further mathematical revelations.

Revealed: The pattern of these numbers split up between 2 parts are: **Allah letters** - **30,19** and **messenger's initials** as **31,18**. The sum of these numbers is **6137 = 19 x 19 x 17**. By placing these combinations of numbers side by side:

$$31,18,30,19 = 7 \times 4454717$$

$$\text{OR: } 30,31,19,18 = 14 \times 2165137$$

The way it is determined by GOD that a **submitting person is not following the "believers way" and is disobeying the messenger** is based on some of the following factors. I am listing **14** different factors and there are more in the Quran.

1. Arguing with the messenger.
2. Opposing the messenger.
3. Betraying the messenger.
4. Rebelling against the messenger.
5. Raising your voice above that of the messenger.
6. Placing your opinion above that of the messenger.
7. Showing doubts in God's message and the messenger.
8. Not honoring the requests of the messenger.
9. Hurting the messenger's feelings.
10. Failing to support him and staying in touch with him.

11. Failing to consult him, thus depriving yourselves of the true guidance.
12. By being sedentary and showing lack of interest.
13. Disregarding the judgment, command, or advice of the messenger.
14. Conspiring against the messenger.

Now I am going to recite some verses on each of these subjects which should tell the submitting person that they are not following the “believers way.”

Arguing with the Messenger

8:5 When your Lord willed that you leave your home, to fulfill a specific plan, some believers became exposed as **reluctant believers**.

8:6 They **argued with you against the truth**, even after everything was explained to them. They acted as if they were being driven to certain death.

18:56 We only send the messengers as simply deliverers of good news, as well as warners. **Those who disbelieve argue with falsehood to defeat the truth**, and they take My proofs and warnings in vain.

40:69 Have you noted **those who argue against GOD’s proofs**, and how they have deviated?

40:5 Disbelieving before them were the people of Noah, and many other opponents after them. Every community persecuted their messenger to neutralize him. **And they argued with falsehood, to defeat the truth**. Consequently, I punished them; how terrible was My retribution!

3:20 If they **argue with you, then say, “I have simply submitted myself to GOD; I and those who follow me”**. You shall proclaim to those who received the scripture, as well as those who did not, “Would you submit?” If they submit, then they have been guided, but if they turn away, your sole mission is to deliver this message. **GOD** is Seer of all the people.

Opposing the Messenger

2:137 If they believe as you do, then they are guided. **But if they turn away, then they are in opposition. GOD will spare you their opposition**; He is the Hearer, the Omniscient.

9:63 Did they not know that **anyone who opposes GOD and His messenger** has incurred the fire of Hell forever? This is the worst humiliation.

33:57 Surely, those who oppose GOD and His messenger, GOD afflicts them with a curse in this life, and in the Hereafter; He has prepared for them a shameful retribution.

72:19 When GOD's servant advocated Him alone, **almost all of them banded together to oppose him.**

58:20 Surely, those who oppose GOD and His messenger, will be with the lowliest.

Betraying the Messenger

5:13 It was a consequence of their violating the Covenant that we condemned them, and we caused their hearts to become hardened. Consequently, they took the words out of context, and disregarded some of the commandments given to them. **You will continue to witness betrayal from them, excepting a few of them.** You shall pardon them, and disregard them. GOD loves those who are benevolent.

8:27 O you who believe, do not betray GOD and the messenger, and do not betray those who trust you, now that you know.

8:58 When you are betrayed by a group of people, you shall mobilize against them in the same manner. **GOD does not love the betrayers.**

8:71 And if they want to betray you, they have already betrayed GOD. This is why He made them the losers. GOD is Omniscient, Most Wise.

22:38 GOD defends those who believe. **GOD does not love any betrayers, unappreciative.**

66:10 GOD cites the example of those who disbelieved the wife of Noah and the wife of Lot. **They were married to two of our righteous servants, but they betrayed them** and, consequently, they could not help them at all against GOD. The two of them were told, "Enter the Hellfire with those who deserved it."

Rebelling against the Messenger

65:8 Many a community rebelled against the commands of its Lord and against His messengers. Consequently, we held them strictly accountable, and requited them a terrible requital.

9:74 They swear by **GOD** that they never said it although they have uttered the word of disbelief; they have disbelieved after becoming submitters. In fact, they gave up what they never had. They have rebelled even though GOD and His messenger have showered them with His grace and provisions. If they repent, it would be best for them. But if they turn away, **GOD** will commit them to painful retribution in this life and in the Hereafter. They will find no one on earth to be their lord and master.

79:20-21 He then showed him the great miracle. But he disbelieved and rebelled.

10:91 Too late! For you have rebelled already, and chose to be a transgressor.

51:43-44 In Thamoud (there is a lesson). They were told, "Enjoy temporarily." They rebelled against the command of their Lord. Consequently, the lightning struck them as they looked.

Raising your Voice above that of the Messenger

49:2 O you who believe, do not raise your voices above the voice of the prophet, nor shall you shout at him as you shout at each other, lest your works become nullified while you do not perceive.

49:3 Surely, those who lower their voices at the messenger of GOD are the ones whose hearts are prepared by **GOD** to become righteous. They have deserved forgiveness and a great recompense.

Placing your opinion above that of the messenger

49:1 O you who believe, do not place your opinion above that of GOD and His messenger. You shall reverence **GOD**. **GOD** is Hearer, Omniscient.

28:50 If they fail to respond to you, then know that they follow only their own opinions. Who is farther astray than those who follow their own opinions, without guidance from **GOD**? **GOD** does not guide such wicked people.

30:29 Indeed, the transgressors have followed their own opinions, without knowledge. Who then can guide those who have been sent astray by **GOD**? No one

can ever help them.

47:16 Some of them listen to you, then as soon as they leave they ask those who were enlightened, “What did he just say?” **GOD** thus seals their hearts and, **consequently, they follow only their opinions.**

Showing Doubts in the Messenger

7:2 This scripture has been revealed to you – **you shall not harbor doubt about it in your heart** – that you may warn with it, and to provide a reminder for the believers.

49:15 Mu'mens (believers) are those who believe in **GOD** and His messenger, **then attain the status of having no doubt whatsoever**, and strive with their money and their lives in the cause of **GOD**. These are the truthful ones.

74:31 We appointed angels to be guardians of Hell, and we assigned their number. To disturb the disbelievers, to convince the Christians and Jews, to strengthen the faith of the faithful, **to remove all traces of doubt from the hearts** of the Christians, Jews, as well as the believers, **and to expose those who harbor doubt in their hearts**, and the disbelievers; they will say, “What did **GOD** mean by this allegory?” **GOD** thus sends astray whomever He wills. None knows the soldiers of your Lord, except He. This is a reminder for the people.

9:45 The only people who wish to be excused are those who do not really believe in **GOD** and the Last Day. **Their hearts are full of doubt, and their doubts cause them to waver.**

33:11 That is when **the believers were truly tested**; they were severely shaken up.

33:12 The **hypocrites and those with doubts in their hearts** said, “What **GOD** and His messenger promised us was no more than an illusion.”

Utterance of Truthful Believers: 33:22 When the true believers saw the parties, they said, “This is what **GOD** and His messenger have promised us, **and GOD and His messenger are truthful.**” This only strengthened their faith and augmented their submission.

Refusing to honor the requests or commands of the Messenger

24:63 **Do not treat the messenger's requests as you treat each others'**

requests. GOD is fully aware of those among you who sneak away using flimsy excuses. Let them beware – **those who disobey his orders** – for a disaster may strike them, or a severe retribution.

9:90 The Arabs **made up excuses**, and came to you seeking permission to stay behind. This is indicative of their rejection of GOD and His messenger – they stay behind. Indeed, those who disbelieve among them have incurred a painful retribution.

9:91 Not to be blamed are those who are weak, ill, or do not find anything to offer, **so long as they remain devoted to GOD and His messenger**. The righteous among them shall not be blamed. GOD is Forgiver, Most Merciful.

33:36 No believing man or believing woman, **if GOD and His messenger issue any command, has any choice regarding that command**. Anyone who disobeys GOD and His messenger has gone far astray.

Hurting the Feelings of the Messenger

33:19 Also, they are too stingy when dealing with you. If anything threatens the community, you see their eyes rolling with fear, as if death had already come to them. Once the crisis is over, **they whip you with sharp tongues**. They are too stingy with their wealth. These are not believers, and, consequently, GOD has nullified their works. This is easy for GOD to do.

9:61 Some of them hurt the prophet by saying, “He is all ears!” Say, “It is better for you that he listens to you. He believes in GOD, and trusts the believers. He is a mercy for those among you who believe.” **Those who hurt GOD’s messenger have incurred a painful retribution**.

33:53 O you who believe, do not enter the prophet’s homes unless you are given permission to eat, nor shall you force such an invitation in any manner. If you are invited, you may enter. When you finish eating, you shall leave; do not engage him in lengthy conversations. **This used to hurt the prophet**, and he was too shy to tell you. But GOD does not shy away from the truth. If you have to ask his wives for something, ask them from behind the barrier. This is purer for your hearts and their hearts. **You are not to hurt the messenger of GOD**. You shall not marry his wives after him, for this would be a gross offense in the sight of GOD.

9:50 If something good happens to you, they hurt, and if an affliction befalls you, they say, “We told you so,” **as they turn away rejoicing**.

33:69 O you who believe, **do not be like those who hurt Moses**, then **GOD** absolved him of what they said. He was, in the sight of **GOD**, honorable.

Failing to support, and staying in touch with the Messenger

33:56 **GOD** and His angels help and support the prophet. **O you who believe, you shall help and support him**, and regard him as he should be regarded.

9:40 Part: If you fail to support him (the messenger), **GOD** has already supported him.

9:44 Those who truly believe in **GOD** and the Last Day **do not ask your permission to evade the opportunity to strive** with their money and their lives. **GOD** is fully aware of the righteous.

9:49 Some of them would say, "**Give me permission; do not impose such a hardship on me.**" In fact, they have thus incurred a terrible hardship; Hell is surrounding the disbelievers.

9:98 Some Arabs consider **their spending (in the cause of God) to be a loss**, and even wait in anticipation that a disaster may hit you. It is they who will incur the worst disaster. **GOD** is Hearer, Omniscient.

9:99 Other Arabs do believe in **GOD** and the Last Day, and consider their spending to be a means towards **GOD, and a means of supporting the messenger**. Indeed, it will bring them nearer; **GOD** will admit them into His mercy. **GOD** is Forgiver, Most Merciful.

9:120 Part: Neither the dwellers of the city, nor the Arabs around them, shall seek to stay behind the messenger of **GOD**. **Nor shall they give priority to their own affairs over supporting him.**

Failing to Consult or Confer with the Messenger

58:12 O you who believe, **when you wish to confer with the messenger**, you shall offer a charity before you do so. This is better for you, and purer. If you cannot afford it, then **GOD** is Forgiver, Most Merciful.

58:13 If you failed to give to charity **before conferring**, then repented thereafter, **GOD** accepts your repentance. You shall observe the Salat, give the Zakat, and obey **GOD** and His messenger. **GOD** is fully Cognizant of everything you do.

58:9 O you who believe, if you have to confer secretly, you shall not confer to

commit sin, transgression, and to disobey the messenger. You shall confer to work righteousness and piety. You shall reverence **GOD**, before whom you will be summoned.

Being Sedentary and showing Lack of Interest

9:81 The sedentary rejoiced in their staying behind the messenger of **GOD**, and hated to strive with their money and their lives in the cause of **GOD**. They said, "Let us not mobilize in this heat!" Say, "The fire of Hell is much hotter," if they could only comprehend.

9:86 When a sura is revealed, stating: "Believe in **GOD**, and strive with His messenger," **even the strong among them say, "Let us stay behind!"**

9:93 The blame is on those who ask you permission to stay behind, even though they have no excuse. **They have chosen to be with the sedentary.** Consequently, **GOD** has sealed their hearts, and thus, they do not attain any knowledge.

9:94 They apologize to you when you return to them. Say, "Do not apologize; we no longer trust you. **GOD** has informed us about you." **GOD will see your works, and so will the messenger,** then you will be returned to the Knower of all secrets and declarations, then He will inform you of everything you had done.

4:95 Not equal are the sedentary among the believers who are not handicapped, and those who strive in the cause of **GOD** with their money and their lives. **GOD exalts the strivers with their money and their lives above the sedentary.** For both, **GOD** promises salvation, but **GOD** exalts the strivers over the sedentary with a great recompense.

Disregarding the judgment, command, or advice of the Messenger

8:20 O you who believe, obey **GOD** and His messenger, **and do not disregard him while you hear.**

9:95 They will swear by **GOD** to you, when you return to them, that you may disregard them. Do disregard them. They are polluted, and their destiny is Hell, as a requital for the sins they have earned.

9:96 They swear to you, that you may pardon them. **Even if you pardon them, GOD does not pardon such wicked people.**

24:48 When they are invited to **GOD** and His messenger **to judge among them,**

some of them get upset.

24:49 However, **if the judgment is in their favor**, they readily accept it!

24:50 Is there a disease in their hearts? Are they doubtful? **Are they afraid that GOD and His messenger may treat them unfairly?** In fact, it is they who are unjust.

24:51 The only utterance of the believers, **whenever invited to GOD and His messenger to judge in their affairs**, is to say, **“We hear and we obey.”** These are the winners.

4:65 Never indeed, by your Lord; **they are not believers unless they come to you to judge in their disputes, then find no hesitation in their hearts whatsoever in accepting your judgment. They must submit a total submission.**

Conspiring against the Messenger

58:8 Have you noted those who were enjoined **from conspiring secretly, then insist on conspiring? They conspire to commit sin, transgression, and disobedience of the messenger.** When they come to you, they greet you with a greeting other than that decreed by **GOD**. They say inside themselves, **“GOD will not punish us for our utterances.”** Their only requital is Gehenna, wherein they burn; what a miserable destiny.

58:9 **O you who believe, if you have to confer secretly, you shall not confer to commit sin, transgression, and to disobey the messenger.** You shall confer to work righteousness and piety. You shall reverence **GOD**, before whom you will be summoned.

58:10 **Secret conspiracy is the devil’s idea, through which he seeks to hurt those who believed.** However, he cannot hurt them against **GOD’s** will. In **GOD** the believers shall trust.

49:6 O you who believe, if a wicked person brings any news to you, **you shall first investigate**, lest you commit injustice towards some people, out of ignorance, then become sorry and remorseful for what you have done.

49:7 **And know that GOD’s messenger has come in your midst.** Had he listened to you in many things, you would have made things difficult for yourselves. But **GOD** made you love faith and adorned it in your hearts, **and He made you abhor disbelief, wickedness, and disobedience.** These are the guided ones.

49:8 **Such is grace from GOD and His blessings. GOD** is Omniscient, Most Wise.

The human beings made certain Covenants with **GOD** before being sent to Earth.

They are therefore reminded through the Quran about their Covenants and Pledges – and commanded to honor them, in order to be forgiven and be redeemed into Paradise. Those whose souls are righteous and can overcome the influence of the jinn soul within, will readily comply and utter the following, when they hear God’s revelations revealed to the messenger:

28:53 Part 1: When it is recited to them,
28:53 Part 2: They will say, “We believe in it.”

Revealed: The **Allah letters** are **5** and **6**, **revealing the diff. of 1.**
Revealed: The **messenger’s letters** are **7** and **6**, **revealing the diff. of 1.**
Parts 1-2: The **Allah letters** are **11** with a GV of **106.**

28:53 Part 3: This is the Truth from our Lord.
28:53 Part 4: Even before we heard of it, we were submitters (refers to the righteous souls).

Revealed: The **Allah letters** are **5** and **6**, **revealing the diff. of 1.**
Parts 3-4: The **Allah letters** are **11** with a GV of **106.**

By matching the number of **Allah letters** for Parts 1-2 and for Parts 3-4, and with the Matching GVs of **106** and **106**, GOD is informing the believers how fortunate they are that He blessed them with righteous souls who readily believe in whatever comes from Him. This is the way to honor their pledges and covenants made with Him. If it was not for His mercy, they would have been astray just like the majority of the people.

Blessed by GOD: The **messenger’s letters** for the entire verse are **34**, and the verse number is **53**, **revealing the diff. of 19** – a true blessing from The Most Merciful.

Blessed by GOD: The **messenger’s initials** are **29**, and the chapter number is **28**, **revealing the diff. of 1** – a true blessing from the Most Forgiving Lord.

Blessed by GOD: The GV of all **messenger’s letters** for the verse are **1246 = 7 x 178**, **revealing the true blessing upon the messenger, Makbool (178)** and those who are destined to follow him, will share in these blessings.

As part of the various covenants made with God, a special emphasis is placed in reminding the believers about the submitting words they already uttered in front of the Creator, and promised to uphold them in this life, which are:

5:7 Part: The Original Covenant: You said, “We hear and we obey.”

2:285 Part: Honoring the Covenant: They say, “We hear and we obey.”

Profound Covenant: The Aleefs are 4 and 5, revealing the diff. of 1.

Profound Covenant: The Allah letters are 5 and 6, revealing the diff. of 1.

Profound Covenant: The messenger’s initials are 7 and 6, revealing the diff. of 1.

Profound Covenant: The messenger’s letters are 8 and 9, revealing the diff. of 1.

Do you see any contradiction in the Proofs revealed by GOD in the above Covenant made by all of us, and the way it should be honored in this life? Has GOD not proven to you that I have been appointed as a messenger to remind the people about their Original Covenants made with the Creator, The Omniscient? Do you have any doubts left in your minds after seeing and witnessing the Sacred Revelations from the Omnipotent Lord of the Universe? Just like He designed these sacred words in the Quran - by covering the revelation of Aleef as well as the Allah letters; similarly, He has covered my initials as well as my name letters, to reflect the profound Truth of His scripture and His messages. This is the reason I have stated that my name is encoded in the “**PROOF SYSTEM**” of the Quran, and in **GOD’s Master Tablet**. Alhumdo Lillah.

The Original Covenant (5:7) and the Command to honor that Covenant (2:285) is extended to chapter 24, whereby the believers get a chance to prove their belief, faith and their pledges made with GOD. This extension of the key phrase, “**we hear and we obey,**” is the gist of Islam (submission), which is tested by GOD through another Covenant pledged by the humans, which is to believe and follow His messengers and to fully obey a living messenger, when there is one. This is why the Pledge and the Covenant of 5:7 and commanded through 2:285 is carried over to verse 24:51, signifying the importance of honoring this Covenant through a “**living messenger.**”

Note that **chapter 24** - (24:51) whereby the believers get a chance to honor their pledge under the commands of a messenger, and **chapter 5** - (5:7) through which they are reminded about their Original Covenant made with GOD, has precisely the **difference in chapters as 19**. Also note; that verse 24:51 in chapter 24 is the **14th verse** from the end of the chapter, which has 64 verses. This provides the “**Proof of the Sacred Codes**” thus emphasizing the importance of this submissive utterance by the believers under the command of a messenger, **if they are really believers.**

Verses 24:51 and 24:52 are linked together. You can easily tell just by plain

reading of the verses, as both end the same way saying: “These are the winners” and “These are the triumphant ones.” These ending statements made by The Most Wise in adjacent verses are of the greatest significance, as He shall prove through **His Hidden Secret – THE CODE**.

24:51 Part: These are the winners.

24:52 Part: These are the triumphant ones.

Revealed: The **Allah letters** are **12**, and **messenger’s initials** are **11**, **revealing the diff. of 1**.

Revealed: The **12 Allah letters** have a GV of exactly **165**, matching precisely with the **Allah letters** and the GV of His **Shahadah**, which proclaims ONE GOD who has the Absolute Authority. This proof, wording, and the verses are complementary to other similar verses in the Quran, which point out the heavy number **165**, and its exact meaning. For example, in 58:22, the ending statement from GOD is:

58:22 Part: Most assuredly, **GOD’s** party are the winners.

Confirmation Revealed: The **Allah letters** are **12**, and **messenger’s letters** are **13**, **revealing the diff. of 1**.

Proven Truth: The **12 Allah letters** have a precise GV of **165** – conclusively proving that GOD’s party includes His messenger or messengers at any given time, and the believers who followed them. It also means that GOD is talking about the sincere believers who obeyed such messengers, with their chests wide open in Submission to GOD. (6:125) Thus, those who upheld God’s Absolute Authority by proving through His messengers, and followed them in submission without hesitation and doubts, will be the ultimate winners, classified as the “party of GOD” coded and marked with **165**.

Getting back to 24:51-52, I will show you enough proofs till you can overcome all doubts, and start uttering the key statement and words as a Muslim, which are: **“We hear and we obey.”** GOD wants to hear from your mouths, and when you mean it with your hearts, the messenger will bear witness to it, Praise be to Allah. The initial parts of both verses without the part on “winners” provide a clear proof with the messenger’s initials and letters based on “the revelation” given to me.

24:51 Part: The only utterance of the believers, whenever invited to **GOD** and His messenger to **judge in their affairs**, is to say, **“We hear and we obey.”**

Revealed: The **messenger’s initials** are **32**, and **messenger’s letters** are **41**,

revealing the diff. of 9.

24:52 Part: Those who obey **GOD** and His messenger, and reverence **GOD** and observe Him.

Revealed: The **messenger's initials** are **12**, and **messenger's letters** are **17**, **revealing the diff. of 5.**

This revelation of diff. between **messenger's initials** and **messenger's letters** of **9** and **5** is the exact order of verses under messenger's name, being **128** and **178**, which occur in the Quran **9** and **5** times to total **14**.

Revealed: Both verses: The **messenger's initials** are $(32+12) = 44$, and **messenger's letters** are $(41+17) = 58$, **revealing the diff. of precisely 14** – Praise be to Allah for the Revelation of the Seven Pairs. The ending parts of both verses are separately marked as shown to you earlier with the Proof of Absoluteness. By comparing both verses and the clear **LINK** between them, it is enlightening to witness the greatness of Almighty Allah, as He will again reveal the Seven Pairs through His Name Letters now.

Revealed: 24:51 The **Allah letters** are **31**.

Revealed: 24:52 The **Allah letters** are **17**, **revealing the diff. of 14** – God be Glorified for this clear Proof.

Revealed: The **Aleefs** are precisely **14** in verse **24:51** up to “We hear and we obey.”

Revealed: Both verses: The **Aleefs** are **16** and **5**, to reveal the revelation of **165** – the unchallengeable Absoluteness of ALLAH, and His great wisdom in revealing these verses.

= Note that the words used by GOD in 24:51 are “To judge in the affairs of the believers,” to which they wholeheartedly respond by saying “We hear and we obey,” in order to fulfill their Covenant. There are no exclusions and limitations to judging in the affairs of the believers. The “affairs” is a general word, which includes everything in and around your lives. The messenger can correct, direct, or command any believer, as inspired by GOD. In this verse, it does not talk about judging in the disputes of the believers. That command is covered through 4:65. These words are specifically marked again with the Sacred Coding.

24:51 Part: To judge in their affairs, is to say, “We hear and we obey.”

Revealed: The **messenger's letters** are **19**.

24:51 Part: To judge in their affairs, is to say, “We hear and we obey.” These are the winners.

Revealed: The **Allah letters** are **14**.

The word “**Reverence**” is all-inclusive, and vast in meaning. All the commands given in the Quran are included and covered through this word. The act of worshiping, observing, obeying, responding, commemorating, glorifying, praising, remembering – ALLAH, and much more, are all included in this word. This word alone sums up all the verses of the Quran for the sincere who “**Reverence God**.” As GOD has linked this most important word to “obedience of His messenger,” it should make it clear to the followers of the scripture, that their worship of GOD is in vain if they fail to uphold this most important “Link and Command.” Note the verses and how they are designed with these important words – reverencing ALLAH by obeying the messenger.

24:52 Those who obey GOD and His messenger, and reverence GOD and observe Him, these are the triumphant ones.

48:9 That you people may believe in **GOD** and His messenger, and reverence Him (God) and observe Him, and glorify Him day and night.

I will show you the importance through the “key words” of believing in God and His messenger; which if you do, then turns into reverence and observance of GOD.

48:9 That you people may believe in **GOD** and His messenger.

Revealed: In Arabic: “Laytumenoo Billah Warasoolehee”. Note that the word Allah appears in between these two words which surround the word “**Allah**” and highlight the reverence and glory for Allah when the people follow this command, as proven by Him. The GV of Allah is **66**, and the beginning and ending words, “Laytumenoo Warasoolehee” are also stamped with **4 Allah letters** having the precise GV of **66**, which reflect and prove His Glorified Name. Not only this, The Most Wise has inscribed the GV of His letters in the first word as **31** in “laytumenoo” and **35** in “Warasoolehee.” This is done to bring out the Absolute Proof of His Absoluteness, as: **31,35 = 19 x 165**.

Revealed: Moreover, if you count the numbers starting from 31 up to 35, this is what is revealed: **31 + 32 + 33 + 34 + 35 = 165 Praise be to Al-Samad, the Absolute God.**

Revealed: The precise GV of **messenger’s letters** for this important

statement is **296**, which is the GV of “**Rasool**” – “**messenger**”. Therefore, GOD has proven to the people that if they do not believe in His messenger, they have not believed in ALLAH, as the words are linked together and the proof provides only one meaning.

Revealed: The **Allah letters** are **8**, and **messenger’s letters** are **12**, the **Pattern is of messenger’s name 128**, Glory be to my Lord.

Revealed: Each of the parts of the verse – “And reverence Him” – “And observe Him” – “And glorify Him” – are composed of matching **Arabic letters** as **7 - 7 - 7**, **Glory be to Allah**.

26:178 I am an honest messenger to you.

26:179 You shall reverence **GOD**, and obey me.

In verses 24:51-52, you saw that God revealed the diff. of **9** and **5**, through messenger’s initials and letters. Note the proof through this set of verses; as **verse 178** indicates messenger’s name, Makbool.

Revealed: The **messenger’s initials** in each verse are **9** and **5**, to total **14**, and **revealing the Pattern of verses of messenger’s name appearing in the Quran as 9 for (Husain) 128, and 5 for (Makbool) 178**.

Revealed: 26:178: The **messenger’s initials** are **9** and **messenger’s letters** are **10**, **revealing the diff. of 1**.

Revealed: 26:179: The **Allah letters** are **7**, and **messenger’s letters** are **8**, **revealing the diff. of 1** – this verse is again linked to the previous verse 26:178, as the clear proof of 1 through the letters of Allah and those of His messenger, reveal and confirm the meaning of the verses which is: “That your reverence of God cannot be achieved nor is accepted without obeying His messenger.”

Again, we see, that the Sacred Word – ALLAH, is in the middle, surrounded by the words “You shall reverence” and “and obey me.”

Note the Words: “Fa attaqoo ALLAH Wa atteeoon

Revealed: Allah letters 2 Allah letters 1
The difference in **Allah letters 2** and **1 = 1**.

You have seen how the Sacred Name of Allah is surrounded by words, before and after, to reveal the “**Revelation of 1**” through His letters.

Revealed: The GV of **messenger’s letters** in “obey me” – “aateeoon” is

precisely 66. When you obey the messenger, you are obeying God (see verse 4:80). Since there are no limitations on the commands that God can issue; similarly, there are no limitations placed on the messenger as far as the believers are concerned. Whatever the messenger says is under God's inspiration, therefore, the word, "obey" has no limitations. It is an open-ended word. For this, I suggest that all of you read **33:36**, where GOD tells you that the believers cannot refuse **any command** issued by His messenger. **Revealed:** The GV of **messenger's letters** in both words is precisely **178**, **revealing messenger's name** and the intricate nature of God's proofs within these verses. Subhan Allah.

Revealed: 26:178-179: The GV of **Allah letters** is **131**, and **messenger's letters** is **564**, **revealing the diff. of 433**. You probably know by now, what this glorified number represents? This number represents: "**the Lord of the universe - 433**" (**Glory be to Him**).

57:28 O you who believe, you shall reverence **GOD** and believe in His messenger. He will then grant you double the reward from His mercy, endow you with light to guide you, and forgive you. **GOD** is Forgiver, Most Merciful.

Revealed: The **messenger's initials** are **38**, and **messenger's letters** are **52**, **revealing the diff. of 14 - the Seven Pairs**.

Revealed: The **Allah letters** are **28** and **messenger's initials** are **38**, **revealing the sum of 66**, Glory be to Allah.

57:29 Thus, the followers of previous scripture should know that they have not monopolized **GOD's** mercy and grace, and that all grace is in **GOD's** hand. He bestows it upon whomever He will. **GOD** is Possessor of Infinite Grace.

Revealed: The **messenger's initials** are **37**, and **messenger's letters** are **44**, **revealing the diff. of 7**.

Proof of Absoluteness: 57:28-29: The **Aleefs** are **12** and **13**, **revealing the diff. of 1**.

NOTE, that in 57:28, the diff. in **messenger's initials** and **letters** is **14**, and in 57:29, the diff. in **messenger's initials** and **letters** is **7**. GOD has clearly marked these important verses with the Proof of the Seven Pairs using the messenger's initials and letters, as well as marked them with the Proof of Absoluteness through **the Aleef**. The followers of the scripture are reminded that all grace and mercy is in GOD'S hand and He can bestow it upon whomever He wills. Such is His immense blessing through these revelations, which you are witnessing. Alhumdo Lillah.

In 2:285, GOD tells us that the messenger has believed in what is revealed to him, and so do the believers. The messenger and the believers both reaffirm their belief by making a commitment not to differentiate or make a distinction between the messengers, and to honor the pledge of “**we hear and we obey.**” The messenger believes in the revelations of GOD sent down to him, and thereby obeys by believing in them. The believers, on the other hand, have the added responsibility of believing in what is revealed to the messenger, as well as honor the pledge of “**hearing and obeying**” – the complete definition and meaning of these words is then explained through the extension given in **24:51-52.**

2:285 The messenger has believed in what was sent down to him from his Lord, and so did the believers. They believe in **GOD**, His angels, his scriptures, and His messengers: “We make no distinction between any of His messengers.” They say, “We hear and we obey.” Forgive us, our Lord. To You is the ultimate destiny.

Revealed: The verse number is **285**, a **multiple of 19.**

Revealed: The GV of **Allah letters** in the verse is **504**, a **multiple of 14**; thus providing **the Sacred Codes.**

Revealed: The entire verse is surrounded with **19 Aleefs**, as **Proof of Absoluteness**, which the messenger and the believers state and reaffirm with their mouths and actions.

Revealed: The entire verse is surrounded with the **messenger’s letters** being **66, revealing the Glorified Name of ALLAH.** The religion of Islam is summed up through this verse, as the messenger’s letters are **66**, providing a clear meaning to the believers, and proving the inspiration given to me – Glory and Praise be to ALLAH.

GOD stated and commanded the Truth by saying: “**Obey GOD and obey the messenger.**” The “messenger” word is always used in the singular, when it refers to obeying, as it refers to a living messenger under whose command the believers are placed. When it comes to believing, it can be used in singular or plural forms, as in: **5:12 Part:** “And **believe** in My messengers,” or as in **57:19 Part:** “Those who **believed** in **GOD** and His messengers.”

GOD did not decree statements like: “Obey GOD and obey the Quran,” nor did He say, “Obey Allah and obey the messengers.” This should tell you something about the wisdom of the Most Wise, who has carefully chosen words that are consistent with the teachings and the commands, and do not create any contradictions. The contradictions and falsehood are created by the hypocrites and the disbelievers. You cannot obey the Quran as the scripture is revealed to the messengers, who part the guidance and explain to you the correct laws. Nor can you do obey several

messengers at a time, as the commands can become confusing.

ALLAH is the Highest and the Only Authority in the universe, and He can subject anyone or everyone to any command or commands, that He chooses. The entire system of GOD is set up under two important words: “Command and Obedience.” He can place a “higher or superior authority” on any of the humans, be it the form of angels or the human messengers. The messenger is again allowed to put someone in charge over the believers (4:59), if he so wishes, and this “higher authority” also has to be obeyed by them.

When there were **2 messengers simultaneously** - Moses and Aaron, “the higher authority” to issue commands was given to Moses. He was the one whom GOD spoke to, and was appointed a messenger prior to the appointment of his brother, Aaron, who was appointed upon Moses’ request. The messenger, Moses, being appointed first, therefore had “higher authority” over his brother, Aaron, and the believers. This is clear from many verses and I recite some of them for you.

(7:142) When God had to summon for a purpose, He summoned Moses for 40 nights. Before leaving, Moses issued the command to his brother, Aaron, saying:

7:142 Part: “Stay here with my people, maintain righteousness, and do not follow the ways of the corruptors.”

(7:150-155) Moses was the one who addressed and questioned Aaron as to the reason why the believers had gone astray in his absence, and even got a little rough by pulling his head and beard.

(20:90) When Aaron addressed the believers in Moses’ absence, he told them:

20:90 Part: “O my people, this is a test for you. Your only Lord is the Most Gracious, **so follow me, and obey my commands.**”

But when it came time for accountability from Aaron, the one having “higher authority” being Moses, questioned his brother, Aaron.

20:92-94 (Moses) said, “O Aaron, what is it that prevented you, when you saw them go astray, **from following my orders? Have you rebelled against me?**” He said (Aaron), O son of my mother; do not pull me by my beard and my head. I was afraid that you might say, ‘You have divided the Children of Israel, **and disobeyed my orders.**’

- (20:91) The wicked believers disregarded Aaron’s authority, while Moses was away, and made up the excuse to worship their idol – the calf – till Moses came back. They made a clear distinction amongst GOD’s messengers, and therefore followed the devil and went astray.
- (7:155) Moses was the one who selected 70 men from among his people to come to the appointed audience to see GOD’s retribution through the quake.
- (7:151) Moses was the one who implored GOD for forgiveness for himself and his brother.
- (5:21) Moses was the one who commanded his people to enter the holy land.
- (5:25) Moses was the one who said, that he can only control himself and his brother, while the other believers rebelled, and implored GOD to part company with the wicked.
- (2:67-73) The serious test of the believers to sacrifice a heifer was also conducted through Moses.

To explain to the believers what a “higher authority” means, GOD gives us another example through Moses, who was inspired to obey and follow a servant of GOD blessed with His mercy and knowledge (18:65-82). In this example, GOD made Moses say the following words to comply:

18:69 He said (Moses), “You will find me, **GOD** willing, patient. **I will not disobey any command you give me**”.

18:70 He said (the higher authority put in charge over Moses by God), “**If you follow me, then you shall not ask me about anything, unless I choose to tell you about it**”.

Another example is through Abraham and Lot. Abraham was appointed a prophet and messenger before Lot. In fact, Lot believed through Abraham (29:26). When the angels were sent by GOD with good news and bad news (29:31), they first went to Abraham who had a “higher authority” as he was chosen and appointed before Lot. Later, the angels went to Lot (29:31-34).

These examples from the Quran should give you the understanding and wisdom about what a “**higher or superior authority**” means. This is also true in all aspects of human life, be it in your jobs, business, or family life. The system only works in a smooth way, when the person in a junior position is held responsible by someone at a higher level. The messenger in all respects **commands a “higher authority” over the believers**. There are no verses in the scripture condemning any of the messengers simply because the believers did not like him, or had a personality clash with him, or did not agree with him, or thought that they knew better than the messenger, or for any other comprehensible reason. It is always

the believers who are addressed by GOD, reminding them of the serious gross sin incurred by them, as listed under the 14 points and captions in this sermon. The messengers, according to God's mercy and grace upon them, have never been exiled by Him or sent to Hell. He has and will redeem every one of them, according to His promise to the messengers. But the believers have to carefully watch their actions and utterances, and avoid the sin of idolatry, when they trespass against GOD'S laws against His messengers. The believer cannot tell the messenger that he/she disowns him, as the believer will be condemned to Hell for saying this. But the messenger has the right to say to the believer if he/she disobeys him, or violates the commands willfully, that he disowns him/her or them. Once the messenger disowns a "believer turned hypocrite," then it automatically means that the person is a disbeliever, who suffers the fate of Hell as promised by GOD.

26:215 And lower your wing for the believers who follow you.

26:216 If they disobey you, then say, "I disown what you do."

One of the commands for "striving" given to the messengers is to: "Strive against the hypocrites and the disbelievers, do not obey them, and to be harsh and stern against them. At the same time they are told to be kind and compassionate towards the believers."

Revealed: The word "strive" as given in Arabic in **9:88** is "jahadoo". The GV of the word is **19**. The Allah letters in the word are **2**, and messenger's letters is **1**, **revealing the diff. of precisely 1**. The portion of the verse saying, "They eagerly strive with their money and their lives" is clearly highlighted through **19 Arabic letters**. Here is the verse, and observe the Miracle of GOD.

9:88 Part 1: As for the messenger and those who believed with him (marked with messenger's letters **14**).

9:88 Part 2: They eagerly strive with their money and their lives.

9:88 Part 3: These have deserved all the good things.

9:88 Part 4: They are the winners.

Revealed: The Allah letters for entire verse are **28**, and messenger's initials are **29**, **revealing the diff. of 1**.

Revealed: Parts 3-4: The Allah letters are **6** and **6**, to reveal the Glorified Name, **66-ALLAH**.

To reflect on the importance of everything that you have heard so far, GOD will give you 2 pairs of verses as an example, addressed to the hypocrites and the

disbelievers, warning them about the dire consequences for failing to fully submit and uphold the commands sent through the messenger. This is done by revealing the “Revelation of 1” through the letters of the messenger.

4:61 When they are told, “Come to what **GOD** has revealed, and to the messenger,” you see the hypocrites shunning you completely.

4:62 How will it be when a disaster hits them, as a consequence of their own works? They will come to you then and swear by **GOD**: “Our intentions were good and righteous!”

Warning to the Hypocrites: The **messenger’s letters** are **34** and **33**, **revealing the diff. of 1**, Glory be to Allah.

24:56 You shall observe the Salat and give the Zakat, and obey the messenger, that you may attain mercy.

24:57 Do not think that those who disbelieve will ever get away with it. Their final abode is Hell; what a miserable destiny.

Warning to the Disbelievers: The **messenger’s letters** are **26** and **27**, **revealing the diff. of 1**, Praise be to Allah.

4:63 Part 1: **GOD** is fully aware of their innermost intentions.

Revealed: The **messenger’s initials** are **14**.

4:63 Part 2: You shall ignore them, enlighten them, and give them good advice that they may save their souls.

Revealed: The **messenger’s letters** are **19**. This Command from GOD is revealed to me through the Sacred Codes, as you can see.

Revealed: The words in the verse saying: “**good advice**” in Arabic are “**kaula baleegha**”. The GV of **messenger’s letters** in these words is precisely **178**, revealing the messenger’s name, and proves the communication of GOD with me. Subhan Allah.

Just like you saw that many of the profound words revealed the Encoding of my letters by The Most Gracious; similarly, the key words “**Obey God, and obey the messenger**” are also Coded. **This is the Ultimate Proof and Miracle**. These revelations do not mean that they are only applicable to me; in fact, they prove the truth of God’s words in the Quran, which have always been the truth and applied

to all the past messengers, as well as apply to the future messengers. The revelation of such intricate and precise miracles is a mercy from my Lord, who has detailed, clarified, and elaborated the correct and truthful meaning. The correct meanings come through the messengers but the hypocrites always try to distort the meaning of GOD's words.

47:33 Part: Obey ALLAH obey the messenger
Arabic: Aateeu Allah Aateeu Al-Rasool

Revealed: The Allah letters in each set of words are 6 and 5, revealing the diff. of 1.

Revealed: The GV of messenger's letters in each set of words are: 76 and 142, revealing the diff. of 66, revealing the Glorified Name of ALLAH.

Revealed: The word, "obey" – "aateeu", has GV of Allah letters as 2; GV of messenger's letters as 16, revealing the diff. of 14.

47:33 Part: Complete Command: O you who believe, you shall obey ALLAH, and obey the messenger.

Truthful Revelation: The Allah letters are 18, and messenger's letters are 19, revealing the diff. of 1.

Truthful Revelation: The messenger's initials are 14, and messenger's letters are 19, revealing the Sacred Codes.

2:165 Part: "Those who believe love ALLAH the most".

Revealed: The Allah letters are 9, and messenger's initials are 8, revealing the diff. of 1.

Revealed: The GV of messenger's initials is 248, and of messenger's letters is 262, revealing the diff. of 14.

Revealed: The GV of Allah letters is 100, and of messenger's letters is 262, revealing the diff. of 162 – those who follow the true "ISLAM" – "Submission", 162, are the ones who prove themselves to love Allah the most (100 percent) by believing and following His messenger.

Revealed: The GV of Allah letters is 100, and of messenger's initials is 248, revealing the diff. of 148. This is the GV of "Praise be to Allah" – "Alhumdo Lillah." Those who follow the true Islam, by submitting to His Absolute Authority, know the essence and meaning of Alhumdo Lillah. It is from the truthful that Allah accepts and rewards them for their righteous utterances. Note that this is the 1st occurrence of the **verse numbered 165 in the Quran.**

2:165 Yet, some people set up idols to rival **GOD**, and love them as if they are **GOD**. Those who believe love **GOD** the most. If only the transgressors could see themselves when they see the retribution! They will realize then that all power belongs to **GOD**, and that **GOD**'s retribution is awesome.

Revealed: The **Allah letters** are **49**, and **messenger's letters** are **68**, **revealing the diff. of 19**. By including the **messenger's letters** to reveal the number **19**, **GOD** has confirmed the truth that true believers love **GOD** the most by believing in His messenger. Those who disbelieve and follow idols are the transgressors, who are subject to **GOD**'S awesome retribution.

2:163 Your god is one god; there is no god but He, the Most Gracious, Most Merciful.

Revealed: The **Allah letters** are **19**, and **messenger's letters** are **18**, **revealing the diff. of 1**.

2:163 Part 1: Your god is one god.

Revealed: The **Allah letters** are **6**, and **messenger's letters** are **6**, the revelation through the clear pattern brings out the Glorified Name of **ALLAH -66**.

2:163 Part 2: There is no god but He, the Most Gracious, the Most Merciful.

Revealed: The **Allah letters** are **13**, and **messenger's letters** are **12**, **revealing the diff. of 1** – Glory be to Allah.

The complete context of verses **2:163 and 2:165** is extended and linked to verses **9:23-24** to bring out the broad and truthful meaning of Absoluteness through complete submission attainable by total obedience only. Through these verses, **GOD** informs the believers that whatever He has given them – money and relationships – should be secondary to loving **GOD** and His messenger. Their devotion towards complete submission should outweigh any other priorities that they may have in their lives. The proofs and miracles within the verses convey a very clear message. Note that the verses are addressed to the “believers” and the same group of people could be labeled by **GOD** as “wicked” if they do not uphold these commands, as the ending of the verse informs you.

9:23 O you who believe, do not ally yourselves even with your parents and your

siblings, if they prefer disbelieving over believing. Those among you who ally themselves with them are transgressing.

9:24 Proclaim: “If your parents, your children, your siblings, your spouses, your family, the money you have earned, a business you worry about, and the homes you cherish are more beloved to you than **GOD** and His messenger, and the striving in His cause, then just wait until **GOD** brings His judgment.” **GOD does not guide the wicked people.**

Clear Revelation: The **Allah letters** are **33** and **52**, revealing the diff. of 19, Glory be to Allah.

Clear Revelation: The **messenger’s initials** are **37** and **56**, revealing the diff. of 19, Praise be to Allah.

NOTE: The above **Matching Proofs** of diff. of **19** and **19** through **Allah letters** and those of His messenger reveal the importance of GOD’s system of messengers, and the closeness shown by the Most Merciful towards His messengers. This is a proven fact now, and the believers are advised to take the verses even more seriously than before.

Revealed: Verse **9:23** has **95 Arabic letters**, a multiple of 19.

Revealed: Verse **9:24** has a **Perfect 165 Arabic letters** to complete the meaning of verses 2:163 and 2:165.

Revealed: In verse **9:24**, **messenger’s letters** are a **perfect 66** up to the name of **ALLAH**, in the portion of the verse that says: “Then wait until **ALLAH** brings His judgment.” Subhan Allah.

GOD wishes to remind you again after having achieved the level of submission and the status of believers, by believing in His messenger, so that you do not falter in upholding His commands, and turn into wicked people. Note the portion of the verse specifically marked under your “status of believers.”

9:24 Part: Proclaim: “If your parents, your children, your siblings, your spouses, your family, the money you have earned, a business you worry about, and the homes you cherish are more beloved to you than GOD and His messenger.”

Stamp of GOD: The GV of **Allah letters** is precisely **227**, revealing the believers.

Revealed: After this, the remaining verse has **2** counts of **Allah**. By the grace of the Most Wise, **messenger’s letters** appear as **14** on the first count of **Allah**, and **19** on the second count of **Allah**, thus confirming these Revelations through the Sacred Codes of **14** and **19**. Alhumdo Lillah.

Look and read the verses again which I am going to present to you to show you the point at which the cumulative Allah letters add up to 66 for both the verses, and the clear proof of 1 revealed by GOD through messenger's initials, in addition to marking the entire verses, as you witnessed earlier.

9:23 O you who believe, do not ally yourselves even with your parents and your siblings, if they prefer disbelieving over believing. Those among you who ally themselves with them are transgressing.

9:24 Part: Proclaim: "If your parents, your children, your siblings, your spouses, your family, the money you have earned, a business you worry about, and the homes you cherish are more beloved to you than **GOD** and His messenger, and the striving in **His cause**. (fee sabeelayhee)

Revealed: The **Allah letters** are **33** and **33**, **revealing the sum of 66** up to "**His cause**".

Revealed: The **messenger's initials** are **37** and **36**, **revealing the diff. of 1**. Allah be Praised, He is ONE.

After having shown you and reciting some very important verses, I now recite verse 4:64-65. These verses inform the followers of the scripture that it is mandatory for them to believe in God's messenger in order to be forgiven for their sins or when they wrong their souls. This is God's System, and the ones who dispute with His system and refuse to follow it, will not be forgiven by Him.

4:64 Part 1: We did not send any messenger except to be obeyed in accordance with **GOD's** will.

Revealed: The **Aleefs** are **8**, and **messenger's letters** are **17**, the **Pattern of 178 to reveal the messenger**.

Revealed: The **messenger's initials** are **14**, **revealing the Proof of the Seven Pairs**.

Proof of Absoluteness: The GV of **12 Allah letters** up to the **Aleef of ALLAH** is **128**, revealing the solid proof of the name of the messenger through God's Absolute Authority. Subhan Allah.

4:64 Part 2: Had they, when they wronged their souls, come to you and prayed to **GOD** for forgiveness, and the messenger prayed for their forgiveness, they would have found **GOD** Redeemer, Most Merciful.

Revealed: From the beginning of the verse in **Part 1** to the word "the

messenger” – “Al-Rasool” in Part 2, the GV of **Allah letters** is **433**, **revealing Lord of the Universe**. Praise be to Allah, who has proven His system by **revealing messenger’s name 128** on the **Aleef of Allah** (Proof of Absoluteness), and by marking with the GV of **433** up to the word, “messenger”. This verse represents God’s Absolute Authority, and He has revealed the law clearly in order to be forgiven for your sins.

The last part of the verse is again marked with the GV of Allah letters as 100, as having 100 % Authority in Forgiving and Redeeming the true believers who follow all of HIS LAWS.

4:64 Last Part: They would have found **GOD Redeemer, Most Merciful**.

Revealed: The **Allah letters** are **9**, and **messenger’s letters** are **10**, **revealing the diff. of 1, and the sum of 19**.

Revealed: The GV of **Allah letters** is a **Perfect 100** – the ONE who possesses all Authority in the Heavens and the Earth. He will forgive and redeem those who obey His Absolute Authority through His messengers. Glory be to Him.

4:64 Part: Absolute Authority Revealed: “And prayed to GOD for forgiveness, and the messenger prayed for their forgiveness.”

Absolute Authority Proven: The **Allah letters** are **12**, and **messenger’s letters** are **12** – **Matching**. The GV of **12 Allah letters** is profoundly marked with the GV of **165**

Revealed: The GV of **messenger’s letters** is **388** for the “**the disbelievers**” **388** – “**Al-Kaaferoon**” The ones who wronged their souls had fallen into disbelief (**388**), but as soon as they obey GOD by following this LAW and ask Him for forgiveness and the messenger prays for their forgiveness, then they are forgiven by the Most Merciful, and you immediately become believers again, as the revelation continues to prove.

Revealed: The GV of **Allah letters** is **165**, and of **messenger’s letters** is **388**, **revealing the diff. of 223** – **Glory be to Allah**, who blesses the humans to become “**the Believers - 223**” again when they follow this Law by referring to the messenger.

Revealed: Entire verse 4:64: The **messenger’s initials** are **37**, and **messenger’s letters** are **51**, **revealing the diff. of 14**, Alhumdo Lillah.

4:65 Never indeed, by your Lord; they are not believers unless they come to you to judge in their disputes, then find no hesitation in their hearts whatsoever in accepting your judgment. **They must submit a total submission.**

Revealed: The **Allah letters** are **17**, and **messenger's initials** are **36**, **revealing the diff. of 19**, Praise be to God.

All believers should know, realize, and accept the fact that they have voluntarily submitted to ALLAH and thereby are under a solemn pledge and under a contract. They have to fulfill their part by upholding the contract which is laid out through the verses of the Quran. The Most Gracious does not force anyone to believe, but once you sign-on to believe of your own accord and willingness, then you have sold your lives and your money in exchange for Paradise.

According to the contract through the Quran, the believers are the ones who are required to be the keepers of God's laws. This cannot be achieved till you uphold the terms and conditions (the verses) mentioned in the contract (the Quran). When you uphold the laws of God through the Quran, it is called working righteousness and striving in His cause. The verses on the "most profitable investment" that can be made by the humans are 9:111-112.

The verse numbers $111 + 112 = \mathbf{223}$ (**the believers**), a profound revelation from the Lord of the Universe promising Paradise **in exchange** for their belief and their striving in His cause. This exchange is an equitable exchange, whereby the Most Gracious rewards with Paradise and grants you much more in the Hereafter, than what you offered in this life with your money and your lives.

9:111 Part 1: **GOD** has bought from the believers their lives and their money in exchange for Paradise.

Equitable Exchange: The **Allah letters** are **19**, and the GV is **213**.

9:111 Part 3: And who fulfills His pledge better than **GOD**? You shall rejoice in making such an exchange. This is the greatest triumph.

Equitable Exchange: The **Allah letters** are **19**, and the GV is **213**.

HAS ALLAH, MOST GLORIFIED PROVEN TO YOU WHAT AN EXCHANGE LOOKS LIKE! The words mentioned in the parts of the verses are totally different from each other, yet, the Most Wise has balanced and matched His letters as well as the gematric values, to show the believers what He means by "EXCHANGE!". For example, if you contributed 19, you expect to get back 19; if you contributed 213, you get back 213. This is called: EXCHANGE, and you get even more from the Bounteous Lord of the Universe, than what you invested through your money and

your lives. The messenger's letters and gematric values also reveal the "Exchange" in unique ways for those who possess knowledge.

Revealed: 9:111 Part 1: The GV of **messenger's letters** is **910**.

Revealed: 9:111 Part 3: The **messenger's initials** are **19**. Both numbers are one and the same. The number **910** is according to the verse 74:30, which means **19**, Praise be to Allah. If you lend GOD the loan of righteousness in the amount of **910** and got back **19**, you would have certainly received the exchange for your initial investment of **910**, if you were familiar with the "exchange rate for righteousness" (**910 = 19**) as revealed through these numbers.

THE SACRED CODES CONFIRM GOD'S PLEDGE

9:111 Part 2: Such is His truthful pledge in the Torah, the Gospel, and the Quran.

9:111 Part 3: And who fulfills His pledge better than **GOD**? You shall rejoice in making such an exchange. This is the greatest triumph.

Truthful Pledge: The **Allah letters** are **14** and **19** – Glory be to GOD for the **Sacred Pledge**.

Revealed: In verse **9:111**, from the beginning of the verse up to "Al-Quran" the **Arabic letters** are precisely **110**, and up to the Glorified Name of ALLAH, the **Arabic letters** are precisely **128**, whereas **messenger's letters** match on His Glorified Name as being **77**. This reveals GOD'S truthful pledge through His messenger, Husain (**128**) through the Code of the Seven Pairs (**77**), in addition to the "Absoluteness" expressed through the Quran (**110**).

9:112 They are the repenters, the worshipers, the praisers, the meditators, the bowing and prostrating, the advocators of righteousness and forbidders of evil, and the keepers of **GOD**'s laws. Give good news to such believers.

Proofs through Words:	The repenters	Arabic letters are 7
	The worshipers	Arabic letters are 7
	The praisers	Arabic letters are 7
	The meditators	Arabic letters are 7
	The bowing one	Arabic letters are 7
	The prostrators	Arabic letters are 7
	The advocators	Arabic letters are 7

The first 7 words in the verse are all clearly marked with the Proof of the Seven

Pairs, as each word is Coded with 7 Arabic letters, Praise be to Allah. Even the words “advocators and righteousness” as well as “forbidders and evil” are separately marked with the Revelation of 1.

Revealed: The Advocators (Arabic letters 7) Righteousness (Arabic letters 8), revealing diff. of 1.

Revealed: The forbidders (Arabic letters 7) Evil (Arabic letters 6), revealing diff. of 1.

9:112 Part: And the keepers of GOD’s laws.

9:112 Part: Give good news to such believers.

Good News through the Messenger: The messenger’s letters are 10 and 9, revealing the diff. of 1 and the sum of 19.

9:112 Part: The advocators of righteousness.

9:112 Part: And forbidders of evil.

Solid Proof: The Allah letters are 5 and 6, revealing the diff. of 1, Praise be to Allah.

Solid Proof: The messenger’s letters are 8 and 9, revealing the diff. of 1, Glory be to Allah.

Revealed: The GV for Allah letters for both parts above is 131, and of messenger’s letters is 516, revealing the sum of 647. Remember this profound number 647, which will appear again through the entire verses 9:111- 112, when I show you the proofs of the Sacred Codes through them. For the time being, the numbers 131 and 516 reveal the Code of the Seven Pairs. Note that $131, 516 = 14 \times 14 \times 671$.

Revealed: 9:112 The entire verse is sacredly coded with the messenger’s initials as 42, and the messenger’s letters as 61, the diff. revealed therein is precisely 19; all Praise is to the Almighty Lord.

Revealed: 9:111 and 9:112 have been composed by GOD with 172 and 102 Arabic letters, to reveal the Truth through the Sacred Codes of 19 and 14. Note that $172, 102 = 19 \times 14 \times 647$.

The number 647 is revealed by GOD to assure the hearts of the believers and to warn the hypocrites and the disbelievers through further revelations which open up through this number. The verses opened up by The Most Wise is 6:47 and 64:7.

6:47 Say, “What if GOD’s retribution came to you suddenly, or after an announcement, is it not the wicked who incur annihilation?”

Revealed: The **Allah letters** are **25**, and **messenger's letters** are **24**, **revealing the diff. of 1**. This is a clear revelation from the Lord of the Universe, subsequent to 9:111-112.

64:7 Part 1: Those who disbelieved claim that they will not be resurrected!

64:7 Part 2: Yes indeed, by my Lord, you will be resurrected, and you will be held accountable for everything you have done.

64:7 Part 3: This is easy for **GOD** to do.

Revealed: The **Allah letters** are **6 – 6 – 6**, **Matching** in each part. When we take any 2 consecutive parts together, they will reveal His Glorified Name, **Allah** through the pattern of **6-6**.

Revealed: 6:47 & 64:7: Messenger's letters are **24** and **42**, **revealing the sum of precisely 66**, to complete the revelation unveiled by **ALLAH** through the number **647**.

Follow-up verse: 64:8 Part: Therefore, you shall believe in **ALLAH** and His messenger, and the **light** that we have **revealed** herein.

Revelation of light: Up to the words, "**light**" and "**revealed**," the **messenger's letters** are **14** and **19**, **to reveal the Sacred Codes**. Additionally, the gematric values of **messenger's letters** have been assigned with specific values of **352** (for **Quran**) and **522** (for **Hadith** – God's words), up to the words "**light**" and "**revealed**". These revelations are God's words from the Quran, which have been sent down as light for the believers, and for those who wish to repent to their Lord a firm repentance.

These Proofs could never occur, appear, or happen, if GOD did not will them. Clearly, it is the Most Gracious who has planned and designed it in the manner the proofs are revealed, and the believers should reverence GOD by believing and carrying out all the commands of Allah, Most Merciful, including the command to "obey God and His messenger."

IMPORTANT NOTE: To sum up the detailed and elaborate sermon on this important subject, I **ask all of you to come forward individually**, after the Jum'aah Salat, or at a later time by appointment, and ask me if the subject of the sermon was in reference to your disobedience in any way. Anyone who fails to do so, will be exposed by GOD as a hypocrite, and would already be a sinner. I do not want to expose the ones who transgressed publicly, but those who do not reform and repent when granted the opportunity to do so, could be exposed in future by

me.

Once you come forward, know and admit your sin, then I can offer you valuable advice on how to behave in future. You also get a chance to ask God for forgiveness and offer a firm repentance to Him. **The truthful believers should never be shy in admitting or confessing their sins**, and should always rush to ask the Most Merciful Lord for His forgiveness, as set out by the messenger. These sins should never be repeated again, as God's mercy also has limits.

9:102 Part: Confession of Sins: There are others who have confessed their sins; they have mixed good deeds with bad deeds. **GOD** will redeem them.

Revealed: The **Allah letters** are **19**, and **messenger's initials** are also **19** – **Perfectly Matched**.

9:102 Part 2: For **GOD** is Forgiver, Most Merciful.

Revealed: The **Allah letters** are **5**, and **messenger's initials** are **6**, **revealing the diff. of 1**, Glory be to Allah.

Revealed: The GV of all **messenger's letters** in the entire verse is **840** – in case you have forgotten the important **SIGN of H.M.** through chapters 40 through 46, this number is "**The Sign**" given to me, being a **multiple of 14**. The GV of H is **8**, and the GV of M is **40**, written together, it is **840**.

IMPORTANT NOTE: All the believers, local and overseas, are required by **GOD** to send or state their pledge of allegiance to the messenger, as per the following verses:

48:10 Part 1: Surely, those who pledge allegiance to you (the messenger), are pledging allegiance to **GOD**. **GOD** approves their pledge; He places His hand above their hands.

Revealed: The **messenger's initials** are **14** up to **ALLAH**.

48:10 Part 2: Those who violate such a pledge, commit the violation to their own detriment. As for those who fulfill their pledge with **GOD**, He will grant them a great recompense.

Revealed: The **messenger's initials** are **19** up to **ALLAH**. The Sacred Codes through **messenger's initials** convey the importance and requirement of this "pledge of allegiance" commanded by **GOD**.

Revealed: Both Parts: The Aleefs are 9 and 8, revealing the diff. of 1 – To prove your allegiance to The ONE, ABSOLUTE, ALLAH.

Revealed: The GV of Allah letters for the entire verse is 327, a perfect number to express allegiance to “the messenger, GV 327” which constitutes allegiance to ALLAH, all Praise and Glory be to Him.

4:81 They pledge obedience, but as soon as they leave you (the messenger), some of them harbor intentions contrary to what they say. **GOD** records their innermost intentions. You shall disregard them, and put your trust in **GOD**. **GOD** suffices as an advocate.

5:53 The believers will then say, “Are these the same people who swore by **GOD** solemnly that they were with you (the messenger)? Their works have been nullified; they are the losers.

Revealed: The messenger’s initials are 35 and 34, revealing the diff. of 1, Glory be to GOD.

If any of you has any doubts about GOD or His messenger, then do not make such a pledge. Making a false pledge does not help your soul at all. Moreover, GOD will expose the hypocrites among you, sooner or later to the messenger. **So beware!** Those who are sincere about their pledges, GOD will keep them guided and augment their guidance. They will be blessed in this world, and in the Hereafter. If you are seeking the high rank in the Hereafter, then GOD will provide a solid proof through a pair of very important verses, **using the messenger’s letters**.

4:69 Those who obey GOD and the messenger belong with those blessed by **GOD** – the prophets, the saints, the martyrs, and the righteous. These are the best company.

57:19 Those who believed in GOD and His messengers are the saints and martyrs. Reserved for them at their Lord are their rewards and their light. As for those who disbelieved and rejected our revelations, they have incurred Hell.

A Proof – A Miracle: The messenger’s letters are 53 and 52, revealing the diff. of 1. Through belief in the messenger in this generation, GOD is promising the truthful and the sincere, the rank they deserve in Paradise, as illustrated through the verses.

NOTE that GOD has used the word “obey” with the usage of the messenger in “singular” term, as I explained earlier, but when it comes to believing, He has used the messengers in “plural” term. Glory be to GOD for His immense wisdom in the

unique usage of words in the verses. As a final note to this important khutbah, I urge all of you to fulfill your oaths, covenants, and pledges made with GOD during the first life, as well as the pledges made by you after becoming believers. Do not challenge GOD's Authority after seeing and witnessing clear proofs through so many verses. **Know that your salvation and redemption lies in following the path with the messenger** and do not be like the transgressors who will surely express their remorse on the Day of Resurrection by uttering the following words which have been precisely recorded and marked by the Omnipotent Lord.

25:27 Part 1: The day will come when the transgressor will bite his hands (in anguish) and say:

25:27 Part 2: "Alas, I wish I had followed the path with the messenger."

Pre-Recorded by GOD: The Arabic letters are **24** and **24** in each part – **Perfectly Matched**.

Pre-Recorded by GOD: The Allah letters are **7** and **7** – **Perfectly Matched**.

Pre-Recorded by GOD: The GV of messenger's letters are **378** and **378** – **Perfectly Matched**. The truth of the path that GOD shows you through this messenger is proven and matched with His Sacred Words and Letters, revealing that all of this comes from the Most Gracious and none of it is from me. Both numbers are multiples of **14** each time as ($378 = 14 \times 27$)

Revealed: The Aleefs (Absoluteness) are **2** and **3**, **revealing the diff. of 1** – Praise be to Allah.

Revealed: The verse is surrounded with **14 ALLAH letters** – **the Ultimate Miracle!**

Follow up verse: **25:28** Alas, woe to me, I wish I did not take that person as a friend.

Revealed: Both Verses: The messenger's letters are **30** and **16**, **revealing the diff. of 14** – **the Ultimate Message!**

This is a very important Khutbah – read it carefully and at least a few times, till you get the full essence and gist of **ISLAM**. Never before has GOD revealed such details of His words in the most intricate, elaborate and concise manner, like these blessings from the Most Compassionate.

**Peace be upon the messengers.
Praise be to Allah, Lord of the Universe.**
