## **PROPHECY OF SMOKE (PART 2)**

**I seek refuge in Allah from satan the rejected.  
In the name of Allah, The Most Gracious, The Most Merciful.**

Praise be to ALLAH that I have finished reciting Part 1 of the sermon on the Prophecy of Smoke. After this, I was inspired to give a sermon on “Obey God and obey the messenger”. I continue now with Part 2 on the subject of “Prophecy of Smoke”. There is still a lot more to recite on this subject, which I am going to cover as much as possible.

There are **29** chapters in the Quran which start with the Quranic Initials, such as ALM, or ALMR, or HM, or TH, and so on. These Quranic Initials have different gematric values. For example, ALM has a GV of **71**. There is only 1 chapter, chapter 20, which has the GV of its Quranic Initials, **T.H.** as **14** – being the “**Revelation of the Seven Pairs**”. This chapter has 135 verses, and the verses assigned to it are composed of 3 digits. Some chapters have verses composed of 2 digits, and some composed on single digit verse numbers. The following are **chapters having 3-digit verse numbers** in them, and you will witness that chapter 20 bearing the GV of the Initials **T.H. as 14**, will be the **14<sup>th</sup> chapter** in this order. Glory be to Allah. This is one of the miracles of **the Seven Pairs**, just revealed by the Most Gracious.

<b>Occurrence number</b>	<b>Chapter number</b>	<b>Number of Verses (3 digit verses)</b>
1.	2	286
2.	3	200
3.	4	176
4.	5	120
5.	6	165
6.	7	206
7.	9	127
8.	10	109
9.	11	123
10.	12	111
11.	16	128
12.	17	111
13.	18	110
<b><u>14.</u></b>	<b><u>20</u></b>	<b><u>135</u></b>

**(Quranic Initials are  
T.H. with a GV of 14).**

GOD has matched **chapter 20** having GV of its Initials as **14** to be the **14<sup>th</sup>** in order of 3 digit verse numbers, Subhan Allah. This is the clear proof of the Seven Pairs as “**the Sign of the messenger**”, who recites to you what has been revealed to him.

There is a message to the human messenger, who has been revealed this profound numbering system hidden under the Code of the Seven Pairs. The way ALLAH, Most Glorified communicates with His messengers, is most unique. He can unveil His message through any verse or verses of the Quran, as this Book is revealed for the people till the Day of Judgment. You are about to witness another Miracle of the Seven Pairs. **Chapter 20** has now become important in unveiling the Secret Code of the Seven Pairs. As you just saw, it is the **14<sup>th</sup> chapter** in order of 3 digit verses, so the **14<sup>th</sup> verse** within the chapter becomes very important in conveying GOD’S message to the messenger. Equally important will be the last verse of the chapter, being **verse 135**. Through **20:14**, being the **14<sup>th</sup> verse** of the chapter, the Almighty ALLAH is talking to me, and through the last verse, **20:135**, He informs me that I and those who follow me are on the guided path. The numbers in the above chart **to the left and to the right of Chapter 20** therefore are very significant, and become “**subsequent revelations**”. The Most Gracious provides the proofs behind this inspiration. Here are the verses:

**20:14 Part: “I AM ALLAH”.**

**Revealed:** The Allah letters are **7**, and messenger’s letters are **6**, **revealing the diff. of 1**. The “**Revelation of 1**” is hereby revealed to the messenger directly through His Glorified Name.

**20:14 Part 1:** I am ALLAH; there is no other god beside Me.

**20:14 Part 2:** You shall worship Me alone, and observe the Salat (Contact Prayers) to remember Me.

**Revealed:** Both parts are composed of **22** and **22 Arabic letters** – **PERFECTLY MATCHED BY GOD.**

**20:14 Part 2A:** You shall worship Me alone, and observe the Salat (Contact Prayers).

**20:14 Part 2B:** To remember Me.

**Revealed:** The Arabic letters in Part A are **17** to remind the believers that there are **17 rakahs** that are observed through the **5 Salats** in the day. **Part B** has **5 Arabic letters** and reminds the believers to observe the Salat **5** times

per day to remember **Allah, Most Glorified.**

Let me write down the above numbers revealed by GOD through the **Arabic letters** of the verse, in the order that I showed you. They are **22** (Part 1), **17** (Part 2 (A)), and **5** (Part 2(B)). By adding the digits of these numbers, this is what we get through the sum of the digits:  $2 + 2 + 1 + 7 + 5 = 17$ . **GOD has guided and reminded the believers to know that there are only 17 Rakahs in the 5 Salats that the believers should do for the 1 GOD to remember Him.**

This was the key important message revealed for the messenger and the believers through the words of our Lord. This could not happen unless my Lord has willed to choose me as one of the messengers, and then guide me to show the revelations. Now the Most Gracious is going to combine **20:13** and **20:14** to reveal the profound **“Revelation of 1”**.

**20:13** I have chosen you, so listen to what is being revealed.

**20:14** I am **ALLAH**; there is no god beside Me. You shall worship Me alone, and observe the Salat to remember Me.

**Revealed:** The **Allah letters** are **30**, and **messenger’s letters** are **31**, **revealing the diff. of ONE**. This is a direct revelation and communication through an important verse by the Omnipotent Lord of the Universe. These numbers have been chosen and revealed by Him to also reflect that He is the Lord of the Universe, as  $3031 = 7 \times 433$  (**GV of Lord of Universe is 433**).

**20:135** Say, “All of us are waiting, so wait; you will surely find out who are on the correct path, and who are truly guided.”

**Revealed:** The **Allah letters** are **11**, and **messenger’s letters** are **25**, **revealing the diff. of 14 – the Seven Pairs Proof** reveals and confirms that the messenger and those who follow him are on the correct path approved by the Absolute GOD, and are guided by Him, Glory be to Him.

**20:135 Part:** “You will surely find out who are on the correct path.”

**Revealed:** The **messenger’s letters** are precisely **14** – an additional confirmation by GOD.

The **Quranic Initials T.H.** open up a further revelation, linking the first verse **20:1** to the last verse **20:135**, to show and prove the **“correct path”** through the ultimate miracle of the Seven Pairs.

## **20:1 T.H.**

**Revealed:** The GV of these Initials is **14**.

**Revealed: (20:135)** The count of the Initials T. H. appear within this verse one time each in the words “**Al-Sirat**” and “**Ahtadah**” – “**Path and Guided**”, **revealing the GV to be precisely 14**, thus marking each of these important words for the guided ones. This verse with the special marking of T.H. initials in it brings out the true guidance from GOD for today’s generations, as another verse (53:23) will augment this fact through the Code of Seven Pairs. This proves the unique ways of the Quranic Initials being linked to other verses, in accordance with GOD’S will. **This is the first revelation of this nature**, and is a subsequent revelation after **chapter 20** has been revealed to be the **14<sup>th</sup> chapter** through the 3-digit verses. Praise be to the Most Wise.

**53:23 Part:** When the true guidance has come to them herein from their LORD.

**Revealed:** The **Allah letters** are **7**, and the GV is **77** – the true guidance is represented at this time through the messenger of **the Seven Pairs**. Alhumdo Lillah.

The first pair of verses after the Quranic Initials of T.H. in the chapter is stamped by the Almighty **with 14 letters of His name**.

**20:2-3** We did not reveal the Quran to you, to cause you any hardship. Only to remind the reverent.

**Revealed:** The **Allah letters** are **14** – GOD be Glorified. This is a fact that whatever the Omniscient has revealed to me, adds to our knowledge and guidance and in no way causes any hardship. God’s revelations are simple and easy to understand. What the disbelievers’ idols decree for them does cause all kinds of hardship on their followers, and leaves them totally confused. This fact is proven through the above verse also.

**20:3** Only to remind the reverent.

**Revealed:** The **Allah letters** are **5**, and **messenger’s letters** are **6**, **revealing the diff. of 1** – Praise be to GOD. The reverent worshipers who constantly strive to seek the Truth, rejoice in any revelation revealed by GOD and readily believe when they see or hear the Truth. This is a mercy from our Lord who has sent down subsequent revelations as a means of communicating with His

creatures, so that they may be guided. If He did not do this, then the people would be left to struggle on their own to understand His message, which is impossible at best without a guiding teacher. You can trust the “guiding teachers” who speak the truth, while the idols of the people preach and follow falsehood. With differing views and self opinions expressed by each and everyone, the people tend to follow different paths rather than the one, straight path to the Lord of the Universe.

GOD has opened up chapter 20 with the Quranic Initials T.H. which has the GV of **14**. You have seen the revelations through certain verses in the foregoing sermon. **The verse number 128** in this chapter which represents the GV of the messenger’s last name, **Husain**, is therefore significant, as **GOD reveals the Seven Pairs Miracle** to confirm the truth given to me. Let me recite this verse along with a preceding verse to make a pair of verses on similar subject. They are **20:127-128**.

**20:127** We thus requite those who transgress and refuse to believe in the revelations of their Lord. The retribution in the Hereafter is far worse and everlasting.

**20:128** Does it occur to them how many previous generations we have annihilated? They are now walking in the homes of those before them. These are signs for those who possess intelligence.

**Revealed:** The **Aleefs** are **7** and **8**, **revealing the diff. of 1** – a reminder of GOD’S Absoluteness.

**Revealed:** The **messenger’s letters** are **25** and **39**, **revealing the diff. of 14** – this is a reminder through His messenger, whose name is coded through the verse numbers as well as a host of various proofs.

During this sermon, you will see a lot of proofs and revelations on the Seven Pairs, **which are new**. You have seen the awesome proof through chapter 20 having the GV of Quranic Initials – T.H. - as **14**, and being the **14<sup>th</sup>** chapter in order out of the 3 digit verse numbers. Now open up Appendix 1 of Rashad Khalifa’s translation of the Quran in the section titled:

### **“The Literary Mathematical Composition”**

I am going to list the chart of the chapters and the Quranic Initials **that appear after chapter 20**, to provide further proofs of the Seven Pairs.

<b><u>Number</u></b>	<b><u>Chapter Number</u></b>	<b><u>Name of Chapter</u></b>	<b><u>Quranic Initials</u></b>
1	26	The Poets	T.S.M.

2	27	The Ant	T.S.

4	29	The Spider	A.L.M.
5	30	The Romans	A.L.M.
6	31	Luqmaan	A.L.M.
7	32	Prostration	A.L.M.
8	36	Y.S.	Y.S.
9	38	S.	Saad
10	40	Forgiver	H.M.
11	41	Elucidated	H.M.
12	42	Consultation	H.M.A.S.Q.
13	43	Ornaments	H.M.
<b><u>14</u></b>	<b><u>44</u></b>	<b><u>THE SMOKE</u></b>	<b><u>H.M.</u></b>

Praise be to Allah, you have seen that **chapter 44** representing the “**Prophecy of Smoke**” is the **14<sup>th</sup> chapter** in the Quranic Initialed chapters after chapter 20, and chapter 20 was the **14<sup>th</sup> chapter** in sequence of the chapters with **3 digit verse** numbers, whose Quranic Initials revealed the gematric value of **14**. This the “**Revelation of the Seven Pairs**” regarding the “Prophecy of Smoke”. The **Coded Initials of H.M.** in chapters 40 through 46 are those of the messenger, Husain Makbool, and are sacredly composed by ALLAH as a total of **14** – being the **Seven Pairs of Initials**, Glory be to my Lord. Moreover, the Coded Initials of T.H. written with their respective gematric values as **9-5** are also indicative of the number of times the verses **128** and **178** appear in the Quran. These are the mathematical values of the messenger’s names, Husain and Makbool. These verse numbers occur in the Quran precisely **14 times** (**9 + 5 = 14**).

**Revealed:** In the Chart above showing **14 chapters, the letters of Allah** out of the Quranic Initials are as follows: (A.L.) + ( A.L. ) + ( A.L. ) + ( A.L. ) = **8 Allah letters**, Most Glorified.

**Revealed:** The **messenger’s letters** out of the above Quranic Initials in these **14** chapters are as follows: (S.M.) + (S) + (S.M.) + (L.M.) + (L.M.) + (L.M.) + (L.M.) + (Y.S.) + (H.M.) + (H.M.) + (H.M.- S.Q.) + (H.M.) + (H.M.) = **27 messenger’s letters**.

**The difference in 8 Allah letters and 27 messenger’s letters is a Perfect 19, Glory and Praise be to Allah.**

**The chapter number 44 is the 14<sup>th</sup> chapter in sequence of Quranic Initialed chapters after chapter 20, whose Quranic Initials T.H. reveal the GV of 14.**

**Being the 14<sup>th</sup> chapter and the difference in the Quranic Initials between Allah (Most Wise) and the messenger's initials being 19, provides the Proof of the Sacred Codes.**

The **number 19** as a Revelation again signifies that GOD'S mathematical and coded message has been delivered to the people through 2 messengers, Rashad and Makbool. The fulfillment of the "**Prophecy of Smoke**" follows after this time-period, in accordance with GOD'S will. The above "**Seven Pairs Revelation**" attests to this truth and fact.

You have all witnessed another profound revelation of the Seven Pairs through the chart printed by one of the believers in his email address to other believers, in accordance with my instructions. I will print it out again, to make it an official part of this sermon.

There are 1 digit, 2 digit, as well as 3 digit verse numbers in the Contents Page of the Quran. The **2-digit verse numbers** are specifically composed by GOD to reveal the "**Miracle of the Seven Pairs**". It is only through the 2 digit verses that the Revelation of 1 can be revealed, and not through 1 digit or 3 digits verse numbers. By taking both digits of verse numbers, I will show you the ones that reveal the difference of 1. They occur **precisely 14 times in the Quran** – a profound "**Revelation of the Seven Pairs**" that is revealed through the profound "**Revelation of 1**". The first one confirms the great Quran, as given in **15:87**, and the latter one confirms the Author of the Quran, as **ALLAH**, the Most Wise, the Most High, who is **ONE**.

<b>No.</b>	<b><u>Chapter Number</u></b>	<b><u>Name of Chapter</u></b>	<b><u>Number of Verses</u></b>	<b><u>Diff. in digits</u></b>
1.	13	The Thunder	43	ONE
2.	19	Mary	98	ONE
3.	22	The Pilgrimage	78	ONE
4.	31	Luqmaan	34	ONE
5.	34	Sheba	54	ONE
6.	35	Initiator	45	ONE
7.	41	Detailed	54	ONE
8.	43	Ornaments	89	ONE
9.	50	Q (Qaf)	45	ONE
10.	55	Most Gracious	78	ONE
11.	65	Divorce	12	ONE
12.	66	Prohibition	12	ONE
13.	74	The Hidden Secret	56	ONE

**Revealed:** The sum of all the verses through the 14 occurrences is precisely 719.

**The last and 14<sup>th</sup> occurrence reveals the following:**

The last occurrence of the Chapter Name in the above Chart is “**The Night**”. This confirms that the Quran was revealed during **the blessed night** of Ramadhan (see verse 44:3 & 97:1), and the last occurrence of the “Revelation of the Seven Pairs, as well as the Revelation of **1**”, which is the **14<sup>th</sup>** occurs on the chapter called “**The Night**”. The chapter number **92** reflects the GV of the prophet **Muhammad** (GV **92**) who was revealed the original scripture mathematically coded, but he was not aware of the contents of the mathematical revelations enshrined within the scripture. Let us take the number of occurrences which are **14**, with chapter number being **92**, and having **21** verses. The sum of the digits of these numbers are:

$(1 + 4) + (9 + 2) + (2 + 1) = \underline{19}$  – the Mathematically Coded Scripture sent down through Muhammad – the prophet and messenger of ALLAH, Most Wise.

The GV of **messenger’s letters** in chapter name – The Night – is **100**. Adding all the numbers, we get: GV of **messenger’s letters 100 + 14<sup>th</sup> occurrence + chapter number 92 + verses 21 = 227** – **the Quran** was sent down for “**The Believers** – GV **227**”, as ALLAH, Most Wise, has rightfully stated in 10:57, 17:9,82, 11:120, 45:20, 3:194, 4:170,174, 18:2, 37:27,28,29, 23:1, 20:3,4, 27:77, 20:75 and many more verses.

**New Miracle:** The number 7 has been decreed by GOD to represent the Seven Pairs, as given in **15:87**. To show us another Miracle through these numbers, GOD takes us through the “**Contents Pages**” to reveal the different applications of the number 7, to bring out the Miracle of the Seven Pairs.

- Verses under the **number 7** occur in **chapters 1** and **107**, to make up the Seven Pairs.
- Verses under the **number 14**, occur in **chapter 61**, as  $7 + 7 = 14$ .
- Verses under the **number 77**, occur in **chapter 25**, when the digit 7 is written side by side.
- Verses under the **number 49**, occur in **chapter 52**, as  $7 \text{ times } 7 = 49$ .

Therefore, the verses numbered as (7 and 7) – (14) – (49) – (77) – occur only 1 time, without repetition, to reflect on the “**Specific Design of GOD**” in composing

the chapters and verses based on the formula given in **15:87** (in addition to the formula given in **74:30**). The above numbers therefore bring out the Miracle of the Seven Pairs through the number of Allah letters that occur in the chapter names of the associated chapters. The chapters involved in this Miracle are 5. They are:

Chapter 1 (Verses <b>7</b> )	Al-Fatehah (The Key)	<b>Allah letters:</b>	<b>4</b>
Chapter 107 (Verses <b>7</b> )	Al-Maa'oon (The Charity)	<b>Allah letters:</b>	<b>3</b>
Chapter 61 (Verses <b>14</b> )	Al-Suff (The Column)	<b>Allah letters:</b>	<b>2</b>
Chapter 52 (Verses <b>49</b> )	Al-Toor (Mount Sinai)	<b>Allah letters:</b>	<b>2</b>
Chapter 25 (Verses <b>77</b> )	Al-Furqan (Statute Book)	<b>Allah letters:</b>	<b>3</b>
=====			

The total number of **Allah's letters** in the chapters' names **are precisely 14**. Glory be to God.

As the number of chapters involved in this Miracle are **5**, the number **14** also reveals the number **19**, as **(14 + 5) = 19**. This is the "**Revelation of the Sacred Codes**".

The 2 mathematical formulas are given through **74:30** and **15:87**. These have now been fulfilled by GOD. Note the digits through the numbers that make up the chapters and verses.

$$\begin{array}{l} (74:30) \qquad \qquad \underline{7+4+3+0} = \underline{14} \\ (15:87) \qquad \qquad \underline{1+5+8+7} = \underline{21} \end{array}$$

**Revealed: The difference between 14 and 21 is precisely 7.** Both numbers reveal multiples of **14** and **7**.

The numbers (without the zero) that are involved in the computation of chapter and verse numbers are the following for both verse numbers: They are 7-4-3-1-5-8-7.

**Digits in ascending order: 1-3-4-5-7-7-8. This number is a multiple of 14.**

$$1345778 = \underline{14} \times 96127.$$

Even if we include the digit 0, **it is still a multiple of 14.**

$$13457780 = \underline{14} \times 961270.$$

**Digits in descending order: 8775431 = 7 x 1253633. This number is a multiple of 7.** By including the digit 0, we have 87754310 = **14** x 6268165.

Thus, GOD has revealed the intricacy of the Miracle by showing us how each and every digit involved in composing the chapters and verses of the Quran is a True Miracle full of Wisdom from the Most Wise, Most Praiseworthy.

## **THE GLORY OF GOD'S PRECISION IN HIS REVELATIONS!**

Now, I will recite and present to you some profound verses, which make up **the Seven Pairs**, and behind all of these verses is the **Ultimate Miracle of 66**, being the Glorified Name of **ALLAH**. These are pairs of verses – being precisely **7 Pairs**. The first verse of each pair repeats in the same manner, and are questions posed by the disbelievers, which are pre-known and pre-recorded by ALLAH, the Omniscient. The second part of the pairs of verses will present the answers given by ALLAH to the disbelievers and the hypocrites.

### **1<sup>st</sup> PAIR:**

**10:48** They challenge: “When will this prophecy come to pass, if you are telling the truth?”

**10:49** Say, “I possess no power to harm myself, or to benefit myself; only what **GOD** wills takes place.” Each community has a predetermined life span. Once their interim comes to an end, they cannot delay it by one hour, nor advance it.

### **2<sup>nd</sup> PAIR:**

**21:38** They challenge: “Where is that promise (the retribution), if you are truthful?”

**21:39** If only those who disbelieve could envision themselves when to try to ward off the fire; off their faces and their backs! No one will help them then.

### **3<sup>rd</sup> PAIR:**

**27:71** They say, “When will that promise come to pass, if you are truthful?”

**27:72** Say, “You are already suffering some of the retribution you challenge.”

### **4<sup>th</sup> PAIR:**

**32:28** They challenge: “Where is that victory, if you are truthful?”

**32:29** Say, “The day such a victory comes, believing will not benefit those who did not believe before that, nor will they be given another chance.”

### **5<sup>th</sup> PAIR:**

**34:29** They challenge: “When will this promise come to pass, if you are truthful?”

**34:30** Say, “You have a specific time, on a specific day, that you cannot delay by one hour, nor advance.”

### **6<sup>th</sup> PAIR:**

**36:48** They challenge: “When will that promise come to pass, if you are truthful?”

**36:49** All they see will be one blow that overwhelms them, while they dispute.

**7<sup>th</sup> PAIR:**

**67:25** They challenge: “When will this prophecy come to pass, if you are truthful?”

**67:26** Say, “Such knowledge is with **ALLAH**; I am no more than a manifest warner.”

**Revealed:** The last verse given as an answer, **67:26** is pre-marked and stamped by ALLAH with **14 letters of His name**, Subhan Allah.

**Revealed:** The first verse given as an answer, **10:49** is pre-marked and stamped by ALLAH with **19 Aleefs**.

**Revealed:** The **7 verses** on the disbelievers’ questions are all marked the same way: **3 Aleefs, 6 Allah letters, 13 messenger’s initials, and 17 messenger’s letters – Perfectly Matched** in each one of them. The difference in **3 Aleefs** and **17 messenger’s letters reveals the diff. of 14**.

**Revealed:** The first occurrence is through chapter **10**, and the last occurrence is through chapter **67**. **Revealing the sum of 10 + 67 = 77 = 7 x 11**, while the difference in **10** and **67** is **57 = 19 x 3**. Both of **the Sacred Codes** are represented through the chapter numbers **10** and **67**. The **quotients 11** and **3** add back up to **14** again.

**Revealed:** The **Allah letters** for the first verse of each pair representing the challenge of the disbelievers are: **6 + 6 + 6 + 6 + 6 + 6 + 6, revealing the sum of 42**.

**Revealed:** The **Allah letters** for the second verse of each pair representing the answer given by GOD to the disbelievers are: **37 + 19 + 6 + 13 + 10 + 9 + 14, revealing the sum of 108**.

**Disbelievers & Hypocrites challenge the messenger:** The Allah letters are: **42**.

**ALLAH, The Omnipotent, the Omniscient answers back:** The Allah letters are: **108**.

**ALLAH, Most Praiseworthy has spoken (and revealed) the Sacred Truth: (diff.) = 66**.

A forceful and stern reminder to the hypocrites and the disbelievers is revealed through the above revelations of precision by **the Almighty, the Avenger – ALLAH**.

**Revealed:** The **messenger’s letters** in the first verse of each pair on the question of the disbelievers are:

**17 + 17 + 17 + 17 + 17 + 17 + 17 = 119 = 7 x 17**.

**Revealed:** The **messenger’s letters** in the second verse of each pair on the answers given by GOD are: **36 + 34 + 17 + 25 + 22 + 17 + 20 = 171 = 19 x 9 (revealing the Sacred Codes)**.

**Note:** There are other verses in the Quran of a similar nature, but to my knowledge none of them have the first part of the verse in the question form with the same number of Aleefs, Allah letters, messenger's initials and messenger's letters, matching the way they do in the above set of Seven Pairs. Therefore, they are **not relevant as a Proof of the Seven Pairs** for this example. The above are specific verses with a specific number of letters of Allah and His messenger, which constitute the Seven Pairs, and are addressed on the subject of GOD'S retribution upon the disbelievers.

The last set of verses in the foregoing **Seven Pairs of verses** was **67:25-26**. The verse next to it is **67:27** which sheds further light on the Prophecy and is profoundly marked with my letters.

**67:25-26** They challenge: "When will this prophecy come to pass, if you are truthful?" Say, "Such knowledge is with **ALLAH**; I am no more than a manifest warner."

**67:27** When they see it happening, the faces of those who disbelieved will turn miserable, and it will be proclaimed: "This is what you used to mock."

**Revealed:** The messenger's letters are **37** and **23**, **the precise diff. is 14, revealing the Seven Pairs Miracle.**

**Revealed:** The GV of messenger's letters are **1332** and **618**, **revealing the precise diff. of 714** - a clear "**Revelation of the Seven Pairs**" - a special revelation given to the messenger.

After **67:27** and having narrated the subject on the retribution, there are **3 verses remaining** in the chapter. The number of verses remaining (**3**) is the **ultimate miracle of 3**, which you have heard before. These 3 remaining verses will reveal the **Miracle of the Seven Pairs** through messenger's initials and messenger's letters. The commonality in the 3 verses is that they all start with the first word as "**SAY**" which is addressed to the messenger.

**67:28 SAY**, "Whether **GOD** decides to annihilate me and those with me, or to shower us with His mercy, who is there to protect the disbelievers from a painful retribution?"

**67:29 SAY**, "He is the Most Gracious; we believe in Him, and we trust in Him. You will surely find out who is really far astray."

**67:30 SAY**, "What if your water sinks away, who will provide you with pure water?"

**Revealed:** The messenger's initial for all 3 verses are 70, and the messenger's letters are 84, revealing the diff. of 14. GOD has proven the "new miracle of 3" by His grace, Subhan Allah – Alhumdo Lillah.

**The last verse of the chapter in chapter 67**, which has the last pair of verses (67:25-26) as part of **the Seven Pairs of verses** pointing out to the Prophecy of Smoke is again clearly marked with the "specific pattern" of 178 through the Allah letters and those of the messenger.

**67:30 SAY**, "What if your water sinks away, who will provide you with pure water?"

There is a pair of verses on retribution and disasters, designed by GOD to fit the pattern of 14 and 19 by placing them in specific spots in adjacent chapters. They are **29:55** and **30:41**. **15:87** We have given you the seven pairs and the great Quran.

After this verse, note that verses numbered **87** in the remaining chapters occur precisely **14 times** as a Miracle from GOD proving the truth of His Hadith. They are as follows:

#### **56:87 Why do you not restore (your soul), if you are truthful?**

**Coded with Sacred Codes:** The Arabic letters are **19**, and the **Quranic Initials** are **14**.

After this last occurrence of the verse numbered 87, revealing a profound reminder for the Humans to restore their souls, and to prove it by being truthful, and Encoded with the Sacred Codes of 19 and 14, there are 9 remaining verses in chapter 56. These 9 (remaining) verses correspond with the 9 Arabic letters that make up the messenger's name, Makbool Husain. To provide and prove the Miracle of the Seven Pairs, as narrated in 15:87, The Most Gracious will now unveil the precise Coding of the messenger's initials and name letters to reveal the Miracle of the Seven Pairs.

**56:88** If he is one of those close to Me.

**56:89** Then joy, flowers, and gardens of bliss.

**56:90** And if he is one of the right.

**56:91** Peace is the lot of those on the right.

**56:92** But if he is one of the disbelievers, the strayers.

**Revealed:** The **last verse** is number **96**, and the **messenger's total letters** are **97**, **revealing the diff. of 1**.

**Revealed:** These **9 verses** have been chosen by GOD after the last occurrence of **verse 87**, for the definite reason of proving the Truth of the Miracle given in

**15:87** to this messenger. The **number 9** corresponds to **the 9 letters of the messenger's name**. The sum of the above **9** verses is: **828**, and GV of the **9 letters of the messenger's name** is **306**, **revealing the difference of 522** – proving the **HADITH (522)** of ALLAH. This is **the Truth from the LORD**, this is **ALLAH'S HADITH**, Praise and Glory be to Him.

The appointment of messengers and the proofs / miracles assigned to them are all HADITH of GOD. The revelations you read on this website and in the sermons are all originating from the Quran – **THIS IS QURAN** – and these revelations are the **HADITH of ALLAH**, Most Glorified. Anything that comes from the Lord and revealed by Him is considered His Hadith; anytime GOD's revelations are distorted by human beings or introduced by them without being revealed from GOD, then they are called human hadiths.

GOD'S Hadith reveals His Wisdom, Omnipotence, Omniscience, Glory and Praise, while human hadiths present lies, distortions, fabrications, conjecture, falsehood, and thereby insult and blaspheme the Glorified Name of GOD.

The verses 56:88-91 are **4 verses** addressed to the believers, while 56:92-94 are **3 verses** addressed to the disbelievers, **the difference in the number of verses is 1**. Through these verses, you will see that the believers are definitely marked with the Sacred Coding, as they believed in the Messenger and the Proofs sent down through him, while the disbelievers are also marked, but under the Proof of Absoluteness.

**56:88** If he is one of those close to Me.

**56:89** Then joy, flowers, and gardens of bliss.

**Revealed:** The **Allah letters** for the above 2 verses are **precisely 7**.

**56:90** And if he is one of the right.

**Revealed:** The **Allah letters** for the above 3 verses are **precisely 14**.

**56:91** Peace is the lot of those on the right.

**Revealed:** The **Allah letters** for the above 4 verses are **precisely 19**.

**Revealed:** The 4 verses above are also Coded with **14 Aleefs**, while the **Allah letters** are **19**, **revealing the Sacred Codes** again.

These verses on the Believers have revealed all the Sacred Codes of **7** & **14** & **19**, Glory and Praise be to ALLAH.

**Coding of Absoluteness:** The verses on “believers” are Coded with **14 Aleefs**, while the verses on “disbelievers” (56:92-94) are Coded with **7 Aleefs**. This reveals the “Revelation of the Seven Pairs” and the “Proof of Absoluteness through the ALEEFs”.

**Coding of Absoluteness:**

**56:95** This is the Absolute Truth.

**56:96** You shall glorify the name of your Lord, the Great.

**Revealed:** The **Aleefs** are **3** and **2**, **revealing the diff. of 1**, Glory be to the Lord, the Great.

**Revealed:** The sum of verses above is **828** and the GV of the **messenger’s name** is **306**, **revealing the sum of 1134 = 14 x 81**. The number **1134 revealed by GOD opens up another “Revelation”** by converting into **chapter 11, verse 34**. This should show the people that GOD’S words never run out. (18:109 & 31:27).

**11:34** Even if I advised you, my advice cannot benefit you if it is **GOD’S** will to send you astray. He is your Lord, and to Him you will be returned.

**Revealed:** The **verse number** is **34**, and the **messenger’s letters** are **33**, **revealing the diff. of 1** – these revelations offer guidance and advice only to those who are sincerely reverent of GOD, and believe in the messenger of GOD wholeheartedly.

This important verse, **11:34**, that GOD “**opened up as a Revelation**” is “**wrapped around**” by a verse before and a verse after, to fit into the Pattern of “**Miracle of 3**” (verses). Furthermore, the “**Wrap Around Verses**” are encoded with the Sacred Codes through **Allah letters and those of His messenger**.

**Preceding Verse** – **11:33** He said, “**GOD** is the One who brings it to you, if He so wills, then you cannot escape.”

**Revealed:** The **Allah letters** are **14**, and **messenger’s initials** are **19** – Praise be to ALLAH for the “**Revelation of the Sacred Codes**” again, and the revelation that wraps around **11:34**.

**Revealed:** In verses **11:33-34**, the **GVs of Allah letters** are **109** and **175**, **revealing the diff. of 66** – Subhan Allah.

**Revealed:** In verses **11:34-35**, the **GVs of Allah letters** are **175** and **109**, **revealing the diff. is 66** – Alhumdo Lillah.

**All 3 Verses: “wrapped around with the Proof of Absoluteness of Aleefs”.**

**Revealed:** In verses **11:33-34**, the **Aleefs** in each verse are **9** and **10**, **revealing the diff. of 1 and the sum of 19** – Subhan Allah.

**Revealed:** In verses **11:34-35**, the **Aleefs** are **10** and **9**, **revealing the diff. of 1 and the sum of 19** – Alhumdo Lillah.

Prostrate to ALLAH – you have just seen and witnessed profound miracles from the Almighty Lord who has shown the precise and intricate nature of these revelations, and the coding of the messenger’s letters / initials as part of the “Proof System of Quran”. This was the truth about the “Miracle of 3” that I informed you would become apparent as you read the sermons, and follow the revelations.

Note that the subject matter within the Khutbah addressing a particular “Miracle of the Seven Pairs” leading up to the “Miracle of 3” started from 15:87 and ended on 11:33-35. This is how GOD opens up “new revelations, increases them as He wills (18:109 – 31:27), and inspires the messenger with new knowledge through the linkages of the Quranic Verses”. This brings out and projects His Attribute of Omnipotence in a very vivid way. Surely, GOD’S Words (Hadith) never runs out. Alhumdo Lillah.

**74:35** This is one of the great miracles.

**Revealed:** The **Allah letters** are **7**, and **messenger’s letters** are **6**, **revealing the diff. of 1** – indeed this is one of the great miracles sent down through the messenger – **the “Revelation of 1 GOD”**.

**Revealed:** The Arabic letters in the verse are **14, revealing the Seven Pairs Revelation.**

Through the “Revelation of 1”, GOD delivers a clear and profound warning to the human race.

**74:35** This is one of the great miracles.

**74:36** A warning to the human race.

**Revealed:** The messenger’s letters are 6 and 5, **revealing the diff. of 1.**

**74:35** This is one of the great miracles.

**74:49** Why are they so averse to this reminder?

**Revealed:** The difference in the **verse numbers** is clearly **14** – those who are sincere heed the warnings and reverence His Majesty, while those who violate their Covenants will stay averse to any reminder from GOD.

**Revealed:** The Allah letters are **7** and **6, revealing the diff. of 1.**

**Revealed: Both Verses:** The Allah letters are **13**, and the messenger’s letters are **14, revealing the diff. of 1.** GOD has already pointed out that the majority will be averse to the reminder through the “Revelations of 1” and the “Revelation of the Seven Pairs”. In order to provide “certainty to the believers”, the Most Wise will direct you to an appropriate verse on “**certainty**” and then reveal the Proof of the Seven Pairs. The disbelievers will be shown “the revealed inspirational proofs” of GOD that accompany the verses of the Quran on the Day of Resurrection, which they have denied and rejected during their lives.

**74:46** We disbelieved in the Day of Judgment.

**74:47** Until *certainty* came to us now.

**Revealed: Both Verses:** The Allah letters are **7**, and the messenger’s letters are **19, revealing the Sacred Codes.**

**What is certainty? Follow the revelations carefully and GOD has provided and proven it! Should the Miracle of the Seven Pairs provide certainty? Glory be to GOD, it does!**

You have seen the previous example whereby the verses numbered 87 that come out of verse 15:87 had 14 more occurrences to end on 56:87 asking you to restore and purify your souls, if you are truthful. After this, there were 9 verses left in

Chapter 56, to correspond with the 9 Arabic letters of messenger's name, and brought out the clear Miracle of the Seven Pairs through messenger's initials and letters.

Similarly, you will see and witness a clear Revelation of the Seven Pairs after the important verse 74:47 – until certainty came to us now. There are 9 verses left to the end of chapter 74 to correspond with the 9 letters of the messenger's name. Here are the verses and the Miracle!

**74:47 Until certainty came to us now!**  
=====

**74:48** The intercession of the intercessors will never help them.

**74:49** Why are they averse to this reminder?

**74:50** Running like zebras.

**74:51** Who are fleeing from the lion.

**74:52** Does each one of them want to receive the scripture personally?

**74:53** Indeed, they do not fear the Hereafter.

**74:54** Indeed, this is a reminder.

**74:55** For those who wish to take heed.

**74:56 They cannot take heed against GOD'S will. He is the Source of righteousness; He is the Source of forgiveness.**

These are **the 9 verses** revealed as a Miracle to prove the “**Revelation of the Seven Pairs**” as **the Sign** given to the messenger! The number 9 corresponds to the 9 letters in Arabic that make up the messenger's name. The focus of this Proof is the word “**certainty**”, which GOD provides herein.

**Profound Miracle:** The **Allah letters** are **61** and **messenger's letters** are **75**, **revealing the precise diff. of 14** – a total certainty provided by The Omnipotent Lord to the Truth of the “Revelation of the Seven Pairs”. Note that the number **61** and **75** also **reveal the sum of the digits to be 19** ( $6+1+7+5 = 19$ ) This is GOD'S Testimony to the Truth of the Sacred Codes of **14** and **19**, Alhumdo Lillah.

**THE MESSENGER FOLLOWS GOD'S PATH**

**12:108 Part:** (Path revealed to messenger) Say, “This is my path.

**6:153 Part: God's Path:** This is My path – a straight one. You shall follow it, and do not follow any other paths, lest they divert you from His path.

**12:108 Part: Path Decreed for Messenger:** Say, “This is my path: I invite to **GOD**, on the basis of a clear proof, and so do those who follow me.

**Revealed:** The gematrical value of **Allah letters** are  $(93 + 95) = 188$ , the gematrical value of the **messenger's letters** are  $(422 + 454) = 876$ , **revealing the difference of 688** – See Prophecy of Smoke verses 44:10, 11, 12, and compare the Pattern of Allah letters in these verses, which is precisely **6-8-8** to match with the revelation revealed through these verses.

**Revealed:** The sum of the GVs of **Allah letters** and the **messenger's letters** is  $188 + 876 = 1064 = 19 \times 14 \times 4$ . This is the Revelation of the Sacred Codes.

NOTE that in verse 20:135, whereby God points out the correct path followed by the messenger, the **messenger's letters** are precisely **14** (Seven Pairs) based on the revelation given to me, whereas the path of the strayers reveals the **messenger's letters** to be **15**, which **DOES NOT** correspond to any of the revelations given to me.

NOTE that the gematrical values of the **messenger's letters** in 20:135, denoting the correct path, is revealed to be **422**. This is also the gematrical value of “**kitab**” – “**scripture**”, whereas in the verse on strayers, the gematrical value of the **messenger's letters** **454**, which does not correspond to any identifiable revelation given to me.

**GOD CONTROLS THE EARTH – NOT THE HUMANS**

**22:65** Do you not see that **GOD** has committed in your service everything on earth? The ships run in the ocean by His command. He prevents the heavenly bodies from crashing onto the earth, except in accordance with His command. **GOD** is Most Kind towards the people, Most Merciful.

This invisible phenomenon is controlled by GOD, and the humans have no comprehension about this system, nor are they aware.

**Revealed:** Note that for **verse 31**, the **messenger’s letters** are **33**, revealing the diff. of 2. The reason is that when the messenger recited GOD’S revelations, the disbelieving people challenged that they could also say the same things, and call them as tales from the past. Thus, they mocked GOD’S revelations and His messenger, and are considered “idol worshipers – revelation of 2 gods”.

**Revealed:** Note that for **verse 32**, the **messenger’s letters** are **33**, revealing the diff. of 1. Before the messenger comes, and after he has come, the people are considered to be astray, or idol worshipers, till they believe in GOD'S Absolute Authority by believing and following the messenger. They are thus given a chance to seek forgiveness and to repent. This will be proven through the next verse, 8:33.

**8:33 Part 1:** However, **GOD** is not to punish them while you are in their midst.

**8:33 Part 2:** **GOD** is not to punish them while they are seeking forgiveness.

**Revealed:** Note the “**Miracle of 3**” as verses 8:31, 32, 33 are **3 verses** – revealing the message of Absolute Truth from GOD through His messenger. For all the 3 verses, the Allah letters are  $(30 + 29 + 18) = 77$  – the Seven Pairs Coding is revealed.

### GOD’S response to people’s challenge presented in 8:32

**26:4-6 (3 Verses)** If we will, we can send from the sky a **SIGN** that forces their necks to bow. Whenever a reminder from the Most Gracious comes to them, that is new, they turn away in aversion. Since they have disbelieved, they have incurred the consequences of their heedlessness.

(NOTE: up to the word “**SIGN**”, **messenger's letters** are precisely **14**).

**52:44-46 (3 verses)** When they see masses falling from the sky, they will say, “Piled clouds!” Disregard them until they meet the day in which they are struck. On that day, their schemes will not protect them, nor will they be helped.

### **Incredible Proofs Revealed by THE MOST GRACIOUS!**

This will again involve verses precisely spaced apart – to present to you the Truth of the Revelations revealed by ALLAH. The hypocrites and the disbelievers question GOD by saying: "How do we know that Makbool Husain is a messenger of GOD?"

They can see that the Quran has been composed by GOD with specific patterns, layout of verses, and proofs. These have now been revealed to a human being, chosen and blessed by GOD to know, recognize, and understand the specificity of these patterns and the proofs embedded within the verses. Can any imposter or liar present GOD'S truth? It is impossible for any human to reveal GOD'S secrets, as He is in full control over all matters, decisions, and commands.

One of the believers has expressed through his email that these amazing proofs made him emotional in reverence for GOD, and they seem to be tailored according to the verses. I will go further to tell the people that the proofs and miracles embedded

within the verses are customized and tailored to speak the language of the verses, and are in perfect harmony with the meaning expressed through the verses. The proofs add weight to the verses, proving them to be truthful, and bringing out a clear message from the Creator of the Universe, Glory be to ALLAH.

The **3 verses** that I am going to read to you start with **40:44**. Afterwards, I am going to recite **40:30**, which is spaced **14 verses before** 40:44, and then **40:49**, which is spaced **19 verses after** 40:30. They are “**Linked**” to each other in subject matter and the proofs.

**40:44 Part 1**: Some day you will remember what I am telling you now.

**40:44 Part 2**: I leave the judgment of this matter to **GOD**.

**Linkage**: **Both verses** have **Aleefs** as **9** and **10**, **revealing the diff. of 1, and the sum of 19**.

### **“I HAVE DELIVERED GOD’S MESSAGE TO THE PEOPLE”**

**7:79** He turned away from them, saying, “O my people, I have delivered my Lord’s message to you, and advised you, but you do not like any advisers.”

These verses are **Linked** and surrounded with **19 Aleefs of Absoluteness** to prove the delivery of the message. I will now recite appropriate parts of the verses to show you the **Proof of Absoluteness** behind the message that I have been sent with.

**5:67 Part:** O you messenger, deliver what is revealed to you from your Lord – until you do, you have not delivered His message – and **GOD** will protect you from the people.

**28:51** We have delivered the message to them, that they may take heed.

**Revealed:** The GV of **Allah letters** are **387** and **222**, **revealing the diff. of 165**, Alhumdo Lillah.

**7:187 Part 1:** **They ask you** about the Hour (of retribution), and when it will come to pass. Say, “The knowledge thereof is with my Lord. Only He reveals its time. Heavy it is, in the heavens and the earth. It will not come to you, except suddenly.”

**7:187 Part 2:** **They ask you** as if you are in control thereof. Say, “The knowledge thereof is with **GOD**,” but most people do not know.

**Revealed:** The **messenger's letters** are **44** and **30**, **revealing the diff. of 14** - a clear proof of the Seven Pairs.

**7:187 Part A:** Only He reveals its time.

**7:187 Part B:** Heavy it is, in the heavens and the earth. It will not come to you, except suddenly.

**Revealed:** The **Allah letters** are **12** and **13**, **revealing the diff. of 1**.

**Revealed:** The Arabic letters are 19 and 33, revealing the diff. of 14.

**Revealed: Part B:** Allah letters are 13, and messenger's letters are 14, revealing the diff. of 1.

**Revealed: Part B:** The GV of Allah letters is 162 – when GOD feels that the message of Submission - 162, has been rejected by the people and they have had their chance to believe, He will send the retribution upon the disbelievers. The retribution is lurking around in a heavy way, **but the exact time and date is known only to The Avenger, The Almighty.**

A profound verse links with **7:187** to reveal the heaviness of the punishment. We all can feel sad for the disbelievers at this time, but when the prophecy comes to pass, there would be no point to feel sorry for them. They do not take GOD'S words seriously, and remain committed to this worldly life and its vanities. I ask all of you to hear, see, observe and reflect on the new link!

**7:187 Part:** Heavy it is, in the heavens and the earth. It will not come to you except suddenly.

**44:29** Neither the heaven, nor the earth wept over them, and they were not respited.

**Revealed:** The GV of Allah letters are 162, "Al-Islam" - "the Submission", and 103 "Al-Sajdah" - "the Prostration" revealing a profound Message from GOD. The people were asked **to submit (162) and prostrate (103)** to GOD'S Absolute Authority, but they rejected these revelations and the messenger; consequently, GOD proves the impending retribution that is waiting for them. **Even the heavens and the earth will not weep over them** – the sorry plight of the disbelievers is reflected through the profound words of **THE MOST WISE.**

**The Prophecy of Smoke is a major prophecy.** The revelations presented on this subject through Parts 1 and 2 of the sermons speak for themselves. All the Signs have already come from the Most Merciful (21:37 & 47:18). These Signs offer the opportunity to the people to believe in their Lord, and to submit to Him a complete submission. The true believers can only shudder to think of GOD'S awesome power and His retribution. **The retribution can happen in many different ways.** We are already witnessing an example of it in a few countries, where the people are in constant danger of their lives and are totally oppressed. They did not appreciate the blessings of GOD, and now they are wishing that they had them. Whether GOD sends

punishment from the sky which includes a variety of ways at His disposal, or the humans launch their deadly weapons at each other, which are also under the control of GOD, the retribution can strike the humans in many different ways. The modern deadly weapons have grievous consequences when they are launched at the people. **Most people do not know or realize that everything manufactured by the humans also belongs to GOD, and happens with His will and authorization.**

**26:132 Reverence the ONE who provided you with all the things you know.**

**37:96 When GOD has created you, and everything you make!**

**Revealed:** The **Allah letters** are **7** and **7**, the solid proof of **the Seven Pairs** confirms it.

**Revealed:** The GV of **14 Allah letters** is precisely **192**. This is also the value of **“Al-Insaan”** – **“The Humans”**, **192**. It proves that whatever the humans have or make is also provided by GOD, Glory be to Him.

**Revealed:** The **messenger’s letters** are **13** and **12**, **revealing the diff. of 1** – Praise be to the One who has provided the means to the humans to multiply on earth and to sustain themselves.

**37:96 When GOD has created you, and everything you make!**

**Revealed:** The **Arabic letters** are **19**, and the **Quranic Initials** in verse are **14** – **the Sacred Codes mark and prove the verse in an undisputable way!**

### **CLOSING THOUGHTS**

**7:87 Part:** Now that some of you have believed in what I was sent with.

**Revealed:** The GV of **Allah letters** is **77** – It is clear that the Most Praiseworthy has sent the Miracle of the Seven Pairs through me, and the message enshrined in it.

**7:87 Part:** Now that some of you have believed in what I was sent with, and some have disbelieved.

**Revealed:** The GV of **Allah letters** is **114** – It is clear that the majority of the people, as in the past, have rejected and will reject the message and miracles (**77**) of GOD, that came through the **Quran and its 114 chapters**. To confirm all of the above, GOD has wrapped the entire verse with the **Miracle of 19** through His letters and those of the messenger’s letters. Subhan Allah.

**7:87** Now that some of you have believed in what I was sent with, and some have disbelieved, wait until **GOD** issues His judgment between us; He is the best judge.

**Revealed:** The **Allah letters** are **25**, and **messenger's letters** are **44**, **revealing the diff. of 19**, Alhumdo Lillah.

**6:67** Every prophecy herein will come to pass, and you will surely find out.

**Revealed:** The **messenger's letters** are marked as **14** – the truth of GOD'S words is revealed herein.

**Revealed:** The GV of **messenger's letters** is **1050 = 14 x 75**.

**17:108** They say, "Glory be to our LORD. This fulfills our LORD'S prophecy.

**Revealed:** The **Allah letters** are **8**, and **messenger's letters** are **22**, **revealing the diff. of 14**.

**Revealed:** The GV of **messenger's letters** is **644 = 14 x 46**.

**17:108-109** They say, "Glory be to our Lord. This fulfills our Lord's prophecy." They fall down on their chins, prostrating and weeping. For it augments their reverence.

**Revealed:** The **Allah letters** are  $(8 + 6) = 14$  – **revealing another Miracle of the Seven Pairs**.

**Revealed:** The **messenger's initials** are **25**, and **messenger's letters** are **39**, **revealing the diff. of 14** – Subhan Allah.

**For those believers who will be alive to see the Prophecy, they should not forget to recite verses 17:108-109, and to glorify GOD, when it comes to pass. Note that verse 6:67 mentioning all the prophecies, and verse 17:108 mentioning fulfillment of prophecies are both marked with the "Ultimate Miracle of the Seven Pairs" through the inclusion of the messenger's letters, Glory be to ALLAH.**

**A Closing Note:** ALLAH has fulfilled His promise to mankind by providing certainty to worship the proven Creator – ALLAH, as mentioned in 23:117 and other verses, and also about responding to His Absolute Authority through the proven scripture, as mentioned in 6:157 and many other verses. Most of the verses in reference to providing the guidance through these verses have now been fulfilled by the Most Gracious. All Praise be to Him.

I do ask all of you to refrain from committing idolatry including **adulterating** the scripture in any way through your personal opinions or ego, and without due authorization from ALLAH, the ONE who revealed the scripture. To add to your knowledge, The Most Wise has given a verse on “proven adultery – 65:1” To label someone as adulterous, it has to be proven first, as decreed in the Quran. Just like adultery is a gross sin that has grave consequences from the Most Gracious, similarly, adulterating the scripture in any way through your personal opinions and ego is a gross sin that is not forgivable by ALLAH. When you adulterate the “Proven Scripture – 6:157” in any way, the consequences are very serious for your soul, as you behaved and acted **without any proof**. To stay on the right path needs a conscientious effort on the part the submitters to follow each and every verse as decreed by ALLAH, and to follow the “believers’ way of life.” You should NOT believe in any other human being, no matter how educated or qualified they may be, unless they can provide the “proven guidance with authorization from ALLAH”. The Quran’s mathematical codes have set the precedents for future messengers, who will be sent with the “proven guidance” whenever ALLAH wills it.

This concludes Part 2 of the sermon on the “Prophecy of Smoke”. There are still many more relevant verses on this subject, but what is presented so far should suffice for the sincere believers, who should put all their trust in ALLAH, and implore Him for forgiveness and ask for His mercy. **What you hear or read is the Absolute Truth from ALLAH, Most Glorified. If I was guilty of transgressing His laws, or making up fabrications, The Most Wise would implement the following verses right away without any delay. Based on these verses, GOD would stop the revelations, and even take them back from me. Moreover, He would punish me severely. I shall never fall into the trap of satan to commit idolatry, God willing. Moreover, I did not utter these Sacred Revelations before they were revealed to me with PROOFS. Everyone reading this sermon is authorized to verify these revelations of GOD.** Here are the ending verses:

**17:86 If we will, we can take back what we revealed to you, then you will find no protector against us.**

**69:46 We would have stopped the revelations to him.**

**Revealed: Both Verses: The Allah letters are 23, and messenger’s letters are 37, revealing the diff. of 14.** Glory be to Allah – His mercy is evident and His revelations inspired to the messenger are ongoing as a continuous source of guidance for those who wish to take heed. These are very serious verses, and any imposter without due authorization from the Almighty would be hesitant to recite or print them. The blessed Miracle of the Seven Pairs from

the Creator of the High Heavens and the Earth is here to be recognized and appreciated.

**Peace be upon the messengers.
