IS QURAN THE MESSENGER OR THE MESSAGE (PART 2):
ROLE OF THE HUMAN MESSENGER ACCORDING TO THE MESSAGE OF GOD
IN THE QURAN

I seek refuge in Allah from satan the rejected.
In the name of Allah, The Most Gracious, The Most Merciful.

This is a continuation of the same subject I started 2 weeks ago. You will hear many verses on different topics from the Quran **clarifying and proving conclusively that the Quran is not a messenger to the people, but is a messenger to the human messenger.** Moreover, the human messengers compliment the teachings of the Quran, and without them, the people cannot believe in the entire Scripture, nor is their belief accepted by GOD. A substantial number of verses can only be implemented during the life of the messenger. One of the facts that stand out from the Quran in what GOD has laid out for the people is that He does not communicate with the people except through His authorized and appointed messengers nor does He reveal the future to anyone except to His messengers.

GOD DOES NOT COMMUNICATE WITH PEOPLE WITHOUT MESSENGERS

Although the Quran is here on earth and available in the bookstores, the **SYSTEM of GOD** involves the appointment of human messengers in order for GOD to communicate with the human beings and to deliver His messages. He appoints such messengers from among the angels as well as from among the humans, as the following verses inform us.

22:75 GOD chooses from among the angels messengers, **as well as from among the people. GOD** is Hearer, Seer.

7:35 O children of Adam, when messengers come to you from among you, and recite My revelations to you, those who take heed and lead a righteous life, will have nothing to fear, nor will they grieve.

Revealed: The **Allah letters** are **18** and **17**, **revealing the diff. of 1**, Glory be to Allah.

Revealed: The **messenger's letters** are **25** and **44**, **revealing the diff. of 19**, Praise be to Allah.

These were the most important verses in outlining the system of GOD to send messengers from among the angels as well as the human beings. The awesome "**Revelations of 1 and 19**" through **Allah's letters and the messenger's letters** leaves no doubt about the Truth of GOD'S Words and reveal the Ultimate Miracles

to support the truth of the verses. **Note** that these verses are applicable for all times from the beginning of the human race till the Day of Judgment. This defeats the hypocrites assertion that the Quran is the messenger.

7:36 As for those who reject our revelations, and are too arrogant to uphold them, they have incurred Hell, wherein they abide forever.

Revealed: The **Allah letters** are sacredly marked as **19** for the rejectors of God's revelations, promising them the punishment of HELL for their arrogance in rejecting His messengers.

42:51 No human being can communicate with **GOD** except through inspiration, or from behind a barrier, **or by sending a (human) messenger through whom He reveals what He wills.** He is the Most High, Most Wise.

42:52 **Thus, we inspired to you (the messenger) a revelation proclaiming our commandments.** You had no idea about the scripture or the faith. Yet, we made this a beacon to guide whomever we choose from among our servants. **Surely, you guide in a straight path.**

42:53 **The path of GOD,** to whom belongs everything in the heavens and everything on earth. Absolutely, all matters are controlled by **GOD.**

GOD DOES NOT REVEAL THE FUTURE TO ANYONE EXCEPT HIS MESSENGERS

3:179 Part: Nor does **GOD** inform you of the future.

3:179 Part: But **GOD** bestows such knowledge upon whomever He chooses from among His messengers.

Revealed: The **messenger's letters** are **14** and **15**, **revealing the diff. of 1.**

Revealed: The **Allah letters** for both parts are **19** - **GOD'S control of knowledge of the future.**

The prophet Muhammad was specifically informed by GOD through the verses that He will not know, nor will he be given any knowledge about the future; thus he clearly understood the revelations and never tried to comment on the future. He thus obeyed his Lord and knew that subsequent messengers after him will be endowed with the tasks assigned by the Lord. In the part of verse saying: Nor does GOD inform **you** of the future - this applied to Muhammad and it also applies to the human beings in general who are not blessed with GOD'S revelations. The 2nd part of the verse above clarifies that the knowledge of the future is reserved for those chosen by GOD to be messengers. The next part of the verse therefore comes with the sound advice and command of GOD to believe in His messengers. The disbelievers are blind and fail to see that GOD'S grammar is perfect in pointing out the plurality of the word "**messengers**" rather than

“messenger”. This by itself proves that Muhammad was not the last messenger as proclaimed by the idolaters and the disbelievers of the Quran. Muhammad believed that future messengers will be sent by GOD at His will, as the script of the verse and the mathematical miracle will prove so.

3:179 Part: Therefore, you shall believe in GOD and His messengers.

Revealed: The Allah letters are **8**, and the messenger’s letters are **9**, **revealing the diff. of 1**. It is proven as GOD has stated, that one of the future messengers whose name is not mentioned in the Quran but is encoded within the verses as a Miracle is **Makbool Husain**, whose name letters bear the “**Revelation of 1**” in combination with ALLAH letters. This kind of knowledge from the Quran was reserved for myself as a future messenger, and the people in Muhammad’s time and afterwards had no idea about it. Glory be to my Lord.

72:26 He is the Knower of the future; He does not reveal the future to anyone.

72:27 Only to a messenger that He chooses, does He reveal from the past and the future, specific news.

Revealed: The Allah letters for both verses are **22**, and messenger's letters are **36**, **revealing the diff. of 14**. The Miracle of the Seven Pairs was reserved for the future after Muhammad and Rashad, which GOD has unveiled through me with the knowledge and the wisdom behind such revelations.

72:26 Part: He does not reveal the future to anyone.

Revealed: The Allah letters are **7**, and the messenger’s letters are **7** – the miracle of **the Seven Pairs** was specifically reserved for me though I was unaware till GOD revealed it to me, Glory be to Allah.

72:27 Only to a messenger that He chooses, does He reveal from the past and the future, specific news.

72:28 This is to ascertain that they have delivered their Lord's messages. He is fully aware of what they have. He has counted the numbers of all things.

Revealed: The messenger’s letters are marked to be **24** and **25**, **revealing the diff. of 1** – the Miracle of the “**Revelation of 1**” proves that everything in the Universe has been initiated and created by ALLAH, who is ONE and ALONE, and has the Absolute Authority and Control over all things. This Miracle was destined to be revealed through this messenger, as the built-in proofs of the Most Wise reveal. The Quran cannot be a messenger by itself capable of revealing such proofs and revelations to

individual human beings; these are revealed by GOD through the human messengers. The clear markings of “**Revelation of the Seven Pairs**” as well as the “**Revelation of 1**” should remove all doubts about GOD’S system of revelations through human messengers.

Messengers have always been sent by GOD to various communities in the past and in our times. The law of sending human messengers to the Children of Adam is applicable and valid till the Day of Judgment.

6:42 We have sent (messengers) to communities before you, and we put them to the test through adversity and hardship, that they may implore.

16:63 By **GOD**, we have sent (messengers) to communities before you, but the devil adorned their works in their eyes. Consequently, he is now their lord, and they have incurred a painful retribution.

64:5 Have you **noted** those who disbelieved in the past, then suffered the consequences of their decision? They incurred a painful retribution.

64:6 This is because their messengers went to them with clear proofs, but they said, "Shall we follow humans like us?" They disbelieved and turned away. **GOD** does not need them; **GOD** is in no need, Praiseworthy.

All the messages of GOD from the previous scriptures as well as from the Quran are delivered through His messengers, as stated in the following verses.

40:70 They are the ones who have disbelieved in the scripture (the Quran), **and in the messages we have sent with our messengers.** Therefore, they will surely find out.

28:45 But we established many generations, and, because of the length of time, (they deviated). Nor were you among the people of Midyan, reciting our revelations to them. **But we did send messengers.**

5:70 We have taken a covenant from the Children of Israel, **and we sent to them messengers.** Whenever a messenger went to them with anything they disliked, some of them they rejected, and some they killed.

5:71 They thought that they would not be tested, so they turned blind and deaf, then **GOD** redeemed them, but then many of them turned blind and deaf again. **GOD** is Seer of everything they do.

Those who are bent on repeating the crime of blasphemy against GOD remain unaware of their pledges and covenants made with Him during their first life in Paradise. The life on earth is the second chance granted to the people by GOD to

prove their pledges and covenants by upholding all of His commands given through the previous scriptures and now through the Quran. Those who reject GOD'S Absolute Authority will surely disbelieve, reject, oppose and ridicule GOD'S messengers. There are many verses on this criminal behavior of the hypocrites and the disbelievers. They rejoice in challenging GOD and His Authority while being unaware that He controls everything and knows their decisions to disbelieve even before they make them.

15:10 We have sent (messengers) before you to the communities in the past.

15:11 Every time a messenger went to them, they ridiculed him.

15:12 We thus control the minds of the guilty.

15:13 **Consequently, they cannot believe in him (the human messenger). This has been the system since the past generations.**

Revealed: The GV of Allah letters is **133 = 7 x 19** - **revealing the Sacred Codes.**

Revealed: The GV of Allah letters is **133**, and of messenger's letters is **566**, **revealing the diff. of 433.** This reveals the mathematical value of "Lord of the Universe". Glory be to Allah.

The system decreed by GOD is pre-known to Him. He knows that the overwhelming majority of the jinns and the humans will blaspheme His Authority by rejecting His messengers. Verse 15:13 specifically talks about the "**system since the past generations**". Therefore, the Proof of the Highest Order was revealed through the letters of Allah and the current messenger with a precise value which reflected the Absoluteness encompassed through the words: **Lord of the Universe, 433**. This is to warn the disbelievers and the hypocrites about their challenge and crime against GOD, and to assure the hearts of the believers who readily follow whatever He reveals.

The great and solid proof of **433** is carried over and "**linked**" with a profound pair of verses advocating reverence for GOD by obeying His human messenger. Again, you will see the consistency of GOD'S revelation through the inclusion of the name letters of the current messenger, Praise be to Allah.

26:178-179 I am an honest messenger to you. You shall reverence **GOD**, and obey me.

Revealed: The GV of Allah letters is **131**, and of messenger's letters is **564**, **revealing the diff. of 433.**

The truthful history and the basis behind the general disbelief prevalent in the humans is narrated in **chapter 72 - The Jinns**. The "**jinns**" who are the offspring

of **iblees (satan)** reject GOD'S Absolute Authority, except for those who are guided by GOD, and are the ones who initially promulgated the falsehood **that GOD will not send another messenger or message**. This is because satan (iblees) does not like the human beings to receive GOD'S messages, fearing that they will believe in Him and follow His laws. This historic fact is narrated by the Most Merciful in chapter 72, whereby some jinns who were directed by GOD to listen to the Quran recited by Muhammad (prophet and messenger of GOD) believed, and then admitted the falsehood and lies propagated by them against GOD and His System. These verses reveal the fact that the jinns have firmly planted the falsehood amongst the human beings not to believe in GOD'S messengers. Additionally, the verses inform us that the concept and falsehood of calling Jesus the son of GOD was also propagated by the Jinns to associate partners with Him, to disprove the monotheism (ONENESS) of the Almighty ALLAH, and to create doubts.

Do not forget that Adam was led astray in Paradise by iblees through his false promises. iblees enticed Adam to disobey GOD'S command by trivializing the value of it. GOD allowed iblees (satan) to be successful in sending Adam astray, only to address and remind him of his Covenants after the disobedience had been committed by him. Adam confessed his sin, asked GOD for forgiveness and repented to Him. GOD then evicted everyone from Paradise – the jinns and the humans along with the leader of the rebellion, iblees.

Later, GOD gave Adam His words to follow and uphold, which he did without following satan anymore. Consequently, he was redeemed by GOD. This set the precedent for all the human beings after Adam to know the value of the Absolute Authority of ALLAH, and to prove their faith by following GOD'S guidance on earth in order to be redeemed by Him.

72:1 Say, "I was inspired that a group of jinns listened, then said, 'We have heard a wonderful Quran.

72:2 It guides to righteousness, and we have believed in it; we will never set up any idols beside our Lord.

72:3 The Most High is our only Lord. He never had a mate, nor a son.

72:4 It is the foolish among us who used to utter such nonsense about **GOD**.

72:5 We thought that neither the humans, nor the jinns, could possibly utter lies about **GOD**.

72:6 Human beings used to seek power through jinn beings, but they only afflicted them with a lot of adversity.

72:7 They thought, just like you thought, that **GOD** would not send another (messenger).

NOTE that these are precisely **7 verses** which reflect a great historic fact about the widespread disbelief of the human beings and of committing idolatry against ALLAH.

The Proof: From verses 1 to 7, the **Aleefs** are encoded to be **56**, a **multiple of 14**.

The Proof: From verses 1 to 7, the **Allah letters** are encoded to be **98**, a **multiple of 14**.

The Proof: The cumulative continuous count of **Allah letters** from verse 1 to verse 5 are precisely **66** on the **Aleef of ALLAH**, thus confirming that **ALLAH is 1**, His Name is **ALLAH**, and that **He has the Supreme and Absolute Authority** over all His creations.

The Proof: From verse 1 to 7, the cumulative letters of **messenger's letters** are encoded to be precisely **128** to match the messenger's name, **Husain**, signifying the "**new knowledge**" revealed by GOD. This is a profound Miracle of GOD authorizing the messenger to teach the truth of the Quran to the people, and to make them aware of the truthful history narrated by the Almighty GOD, such as the one presented through 72:1 through 72:7.

The **7th verse** of chapter 72 mentions about the subject of messengers. Therefore, the **14th verse** in the chapter is highly important from the viewpoint of **proof of the Seven Pairs**.

72:14 Part: Among us are the submitters (Muslims), and among us are the compromisers.

Revealed: The **messenger's letters** are marked as **19** for this important part of the verse. Those who do not believe in all of GOD'S messengers are the compromisers who falsely claim to believe in Quran while rejecting and disputing with the contents and verses of the Quran.

72:14 Among us are the submitters (Muslims), and among us are the compromisers. As for those who submitted, they are on the right path.

Revealed: The **verse number** is **14**, and the **Allah letters** are **15**, **revealing the diff. of 1**, Glory be to GOD.

Revealed: The **verse number** is **14**, and the **messenger's letters** are **28**, **revealing the diff. of 14**. Praise be to GOD.

72:15 As for the compromisers, they will be fuel for Hell (Gehenna).

Revealed: The **messenger's letters** are marked to be **14** – the Proof of the Seven Pairs is a grave warning to the hypocrites who have compromised GOD'S revelations in favor of disbelief in GOD and His messenger.

Revealed: Both verses: The **messenger's letters** are **28** and **14**, **revealing the diff. of 14 – the Seven Pairs Proof.**

Revealed: Both verses: The **Allah letters** are $(15+9) = 24$, and **messenger's letters** are $(28+14) = 42$, the sum of $24 + 42 = 66$, **revealing the Glorified Name of ALLAH** – Alhumdo Lillah.

We now know through the proven message that the humans seek power through the jinn beings and in return receive a lot of adversity. **Why does this happen?** It is because they will encourage the humans to violate GOD'S laws and this only brings chaos and adversity. GOD created all the laws and He controls the good and the bad behind everything. The violation of His laws only brings the bad results as a consequence. Obeying His laws brings the blessings, mercy and the goodness from Him. Do the devils and the jinns have any real influence and power over the human beings to disbelieve in GOD and to disobey His laws or to send them astray?

The truth is narrated by GOD in 72:6 that the human beings used to seek power through the jinn beings. In return they only receive a lot of adversity for their disbelief in GOD. But the jinns have no power to lead astray those who are sincere and devoted to GOD, His system, and His laws through His Scripture. The following verses will clarify that the role of jinns is limited to influencing and descending upon the guilty and the fabricators.

26:221 Shall I inform you upon whom the devils descend?

Revealed: The **Allah letters** are **7**, and **messenger's letters** are **14** – **revealing the Seven Pairs.**

26:222 They descend upon every guilty fabricator.

Revealed: The **Allah letters** are **6**, and **messenger's letters** are **7**, **revealing the diff. of 1.**

Revealed: Both verses: The **Allah letters** are **7** and **6**, **revealing the diff. of 1 – Revelation of 1.**

Revealed: The **messenger's letters** are **14** and **7** – **revealing the Revelation of the Seven Pairs.**

Note that **verse 26:221** has Allah letters **7**, and messenger's letters are **14**, providing clear proof on the limited role of the devils – descending upon the liars and the guilty. The proofs above clearly establish the fact and the truth that the role of the jinns and the devils is limited to approaching and corrupting the guilty

and the fabricators who do not believe in GOD'S revelations or fabricate lies against GOD.

The message and the revelations given to the messengers by GOD cannot be revealed by the devils. It is not in their interest, nor do they have the control and power to do so. These truthful facts are narrated and proven through the following pair of verses:

26:210 The devils can never reveal this.

26:211 They neither would, nor could.

Revealed: The **Allah letters** are **5** and **4**, **revealing the diff. of 1**. Praise be to ALLAH, *all* revelations to *all* the messengers at *all* times in human history have been revealed and authorized exclusively by Him – the proof of ALLAH'S Absolute Authority in choosing His servants to convey His messages.

Verses 72:1-7 reinforce the fact that the majority of humans are aligned with the jinns in seeking power through them. This is not the power that is associated with force or strength, as we normally know it. This “**power**” is limited to believing and spreading “**falsehood, more falsehood, and utter falsehood**”, and blocking out the human minds from “**the Truth**”, - to the point that they become shameless about their crime and sin of lying against GOD. After reading and hearing these facts, you will start noticing that the disbelievers argue without basis, and when faced with the truth of the Quran, they easily lose their temper and get very upset. They feel cornered by the truth and therefore get aggressive and even violent at times. They also cherish the fact that they are in the majority which makes them more arrogant and heedless. The historic fact through **chapter 72** is substantiated further through other verses which tell us that the majority of humans worshiped the jinns and were believers therein, instead of worshiping ALLAH. This is already known to the angels who are loyal and ardent supporters and worshipers of GOD and His Absolute Authority. **Note** the word “**worship**” is actually used in the Arabic Text of the Quran, exposing the hypocrites and disbelievers as worshiping other than ALLAH.

34:40 On the day when He summons them all, He will say to the angels, “Did these people worship you?”

34:41 They will answer, “Be You glorified. You are our Lord and Master, not them. Instead, they were worshiping the jinns; most of them were believers therein.

Revealed: The **Allah letters** are **15** and **15** - **Perfectly Matched**.

Revealed: The **Aleefs** of Absoluteness are **7** and **8**, **revealing the diff. of 1**.

These verses reflected the fact that the angels never issue or issued any command to the people that were not authorized by GOD, and they always took their commands from **the Lord of the Universe**. Nor do the angels follow the commands of the human beings, otherwise the humans would constitute to be their lords and masters. But the humans did accept and take commands from the jinns; this is proven when they follow other than GOD'S laws and His Scriptures. The angels are aware of the system of GOD, the Heavenly Feud, the purpose behind the creation and the ensuing test, and hence their truthful answer to GOD'S question that the majority of humans worshiped the jinns. When I take or combine parts of the verses regarding the question asked by GOD to the angels, and the answer given by them glorifying Him, the mathematical structure reveals the number denoting "Absoluteness – **110**" proving the loyalty of the angels in worshipping GOD ALONE and upholding His Absolute Authority.

34:40 Part: Did these people worship you?

34:41 Part: They will answer, "Be You glorified. You are our Lord and Master, not them.

Revealed: The **Allah letters** are **8** and **7**, revealing the diff. of 1 – It is a proven fact that the angels never disobeyed GOD'S Authority or did anything without His permission – total submission to Him.

Revealed: The GV of **Allah letters** for both parts is a **PERFECT 110** – a clear proof that the angels always have upheld GOD'S Absolute Authority and therefore feel concerned for the sincere believers – even to the extent of imploring GOD for their forgiveness as stated in **40:7-9**.

A similar set of verses appears whereby the messengers and prophets will be questioned by GOD whether they misled the people or did they go astray on their own. It is important to **note** through these verses that the Quran as a book or as a messenger (as falsely alleged by the hypocrites) will not be questioned by GOD whether it misled the people, unlike the messengers who delivered the message and preached them will be asked. This is to shame and humiliate the liars and falsifiers who attribute lies to the messengers or idolized them against GOD'S commands. The appointed messengers of GOD have never advocated or allowed idolatry of any kind during their lives. Verses on this subject again discredit the followers of Quran who have uttered lies that the Quran is the messenger, and they do not need human messengers. Can they not see and realize that GOD is referring to human messengers through these verses?

25:17 On the day when He summons them, together with the idols they had set up beside **GOD**, He will say, "Have you misled these servants of Mine, or did they go astray on their own?"

25:18 They will say, "Be You glorified, it was not right for us to set up any lords beside You. But You allowed them to enjoy, together with their parents. Consequently, they disregarded the message and thus became wicked people."

Revealed: The **Allah letters** are **22** and **23**, **revealing the diff. of 1** – the essence of the verses is given as: "that the disbelievers disregarded GOD'S message and enjoyed the worldly life with their parents and families" and thus became wicked by disbelieving in the messengers' revealed messages about the ONE GOD.

Revealed: In verse **25:17**, the **Allah letters** are **22**, and the **messenger's letters** are **41**, **revealing the diff. of 19**. I am marked by GOD under this verse through the clear revelation of **19**; hence my answer will be as given in 25:18, which is again marked with the messenger's letters, Alhumdo Lillah. My writings and teachings are evidence of the truth recited and narrated by me during my life.

Revealed: In verse **25:18**, the **messenger's initials** are **34**, and **messenger's letters** are **48**, **revealing the diff. of 14**.

25:19 They have disbelieved in the message you have given them, and, consequently, you can neither protect them from the retribution they have incurred, nor can you help them in any way. Anyone among you who commits evil, we will commit him to severe retribution.

Revealed: The **Allah letters** are **12**, and the **Aleefs** are **8**, **revealing the pattern of 128 – the messenger, Husain**.

Revealed: The **messenger's letters** are **33**, and the **verse number** is **19**, **revealing the diff. of 14**.

The above revelations through the Sacred Codes have proven that though the messengers will be questioned and brought forward as witnesses over their people; no blame will be attributed to them nor will they be held accountable for the disbelief of their people. This kind of questioning in front of the disbelievers will be meant to shame and humiliate them, and to expose the arrogance displayed by them on earth. The messengers of GOD are well protected from the liars and those who attributed lies to them, as the next set of similar verses (10:28-29) will reveal through the wrapped around code of 1221. The messengers resurrected on the Day of Judgment will have no idea that some people idolized them, nor were they aware that some people worshiped them after they departed from earth. **You should note that these verses are again addressed to human messengers and not to the book – Quran.**

10:28 On the day when we summon them all, we will say to those who worshipped idols, "We have summoned you, together with your idols." We will

have them confront each other, and their idols will say to them, "We had no idea that you idolized us.

10:29 "GOD suffices as a witness between us and you, that we were completely unaware of your worshipping us."

Revealed: The **Allah letters** are **21** and **12** – when unscrambled, they **reveal the profound Code of 1221**, which protects and separates the truth narrated by the messengers against the lies and distortions of the falsifiers.

Revealed: The **Aleefs** of Absoluteness wrap the pair of verses, as they are: **13+6 = 19**. The Proofs in this pair of verses of **1221 and 19** are evidence of the fact stated by me that the messengers are coded in GOD'S Master Record and in His Scriptures. They will be granted immunity against the lies of the disbelievers. Glory be to Allah.

Revealed: Verse **10:28** is clearly marked with the GV of **Allah letters** as **178, revealing the messenger's first name, Makbool**, as one of the messengers in the Master Record of the Most Praiseworthy.

Revealed: The GV of **Allah letters** for both verses is: **178,136 = 14 x 12724**. Reverse: **136,178 = 14 x 9727**.

The Coding of GOD is unique for each set or pair of verses and He has granted me a vast number of revelations and proofs. This has made it impossible for the imitators and copy-cats to come up with similar revelations, or to gain a foothold in the Quran, Subhan Allah. The subject of messengers is the most important subject after acceptance of the truth that GOD is ONE. Therefore, I am going to recite a couple of verses which inform us that GOD will question the messengers as well as the people who received the message, on the Day of Judgment. The recognition and acceptance of GOD'S Absolute Authority as ONE can only be demonstrated and proven by the people by believing in His messengers and in the messages they bring. Hence, **note** the numbering of the chapters and verses on the accountability factor.

7:6 Part 1: We will certainly question those who received the message.

7:6 Part 2: And we will question the messengers.

Revealed: The **messenger's letters** are **13** and **12**, **revealing the diff. of 1** – the messengers are coded.

Revealed: The **Allah letters** are **14** in the entire verse – **the Seven Pairs Code** preserves the profound truth about the messengers.

43:43 You shall steadfastly preach what is revealed to you; you are in the right path.

Revealed: The **messenger's letters** are **19** – signifies approval of the Almighty for the teachings revealed to me, and preached by me. Subhan Allah.

43:44 This is a message for you and your people; all of you will be questioned.

Revealed: **Both verses** are wrapped around with **14 Allah letters**, confirming the Ultimate Miracle and Message from the Most Gracious.

Note the miracle through the numbering of the verses on: “**questioning and accountability**”.

Revealed: For verse **7:6**, the **chapter number** is **7**, while the **verse number** is **6**, **revealing the diff. of 1**.

Revealed: For verse **43:44**, the **chapter number** is **43**, while the **verse number** is **44**, **revealing the diff. of 1**.

This Sacred Numbering of the pair of verses, revealing the “Revelation of 1” both times, far apart from each other, but on the same subject is clear evidence that the messengers are sent by the ONE GOD, they preach the message of the ONE GOD, and they proclaim and advocate His Absolute Authority through His Shahadah, during their lives. Their messages received through the inspiration of GOD, and their zeal and motivation in His cause does upset the disbelievers who label them as “crazy or magicians”. The subsequent verse after 43:44 flows directly into 43:45, stating the obvious that the human messengers only advocate worship of the Most Gracious, and no one else.

43:45 Part 1: Check the messengers we sent before you.

43:45 Part 2: Have we ever appointed any other gods – beside the Most Gracious to be worshiped?

Revealed: The **Aleefs** are **3** and **4**, **revealing the diff. of 1**. The messengers preach the Absoluteness of ALLAH, and fully comply with His revelations in order to deliver His message.

Revealed: The GV of **Allah letters** are **123** and **104**, **revealing the diff. of 19** – the sure confirmation by the Most Gracious about His messengers who preach and practice the Truth from Him, and advocate worship of the Most High, the Most Wise.

The next subject will take me to recite verses on the messengers being inspired by the LORD of the Universe; such verses are again coded to reveal the truth from Him. You will again **note** that GOD is talking about human messengers in the Quran, rather than speaking to the Book.

12:109 Part: We did not send before you except men whom we inspired.

Revealed: The **Allah letters** are **14**, and the **messenger's letters** are **19**, the Perfect Coding of the Sacred Codes of **14** and **19** to prove the system of Inspiration to the messengers.

12:109 Part 1: We did not send before you except men whom we inspired, chosen from the people of various communities.

Revealed: The **Allah letters** are **19** for **Part 1**, outlining the system based on inspiration.

12:109 Part 2: Did they not roam the earth and see the consequences for those before them? The abode of the Hereafter is far better for those who lead a righteous life. Would you then understand?

Revealed: The **Aleefs** are **14** for **Part 2**, **revealing the Sacred Codes of 19 and 14.**

Revealed: The **messenger's letters** for both parts are **25** and **39**, **revealing the diff. of 14.**

16:43 Part 1: We did not send before you except men whom we inspired.

Revealed: The **Allah letters** are **14**, and the **messenger's letters** are **19** – the Proof of Perfect Coding of human messengers inspired by the Most Gracious.

16:43 Part 2: Ask those who know the Scripture.

Revealed: The **Allah letters** are **7**, whereas in **Part 1** on inspiration, the **Allah letters** were **14**, thus **revealing the Perfect Coding of the Seven Pairs** - another proof of inspiration given to the messengers.

Revealed: In **Part 1**, **messenger's letters** were **19**, and in **Part 2**, **messenger's letters** are **5**, **revealing the diff. of 14.**

16:43 Part 2: Ask those who know the scripture.

16:43 Part 3: If you do not know.

Revealed: The **Arabic letters** are **13** and **14**, **revealing the diff. of 1.** Most people do not know that GOD'S scriptures have always been coded with secret codes, thus making them "**protected**" from retrieving the entire truth by the disbelievers, unless they are authorized by Him and believe in all of it without committing idolatry. Here is the clear example of such a fact:

56:77 This is an honorable Quran.

56:78 In a **protected** book.

Revealed: The **messenger's letters** are **6** and **6** - **Perfectly Matched** to reveal the Glorified Name of **ALLAH**, the One who revealed the scripture and controls it. The revelation of such mathematical coding grants me access to GOD'S Sacred Words. For the ones who are not authorized by GOD, the Quran remains a protected book. They cannot reveal the hidden and coded messages of ALLAH, nor can they understand fully or translate it correctly.

56:79 None can grasp it except the sincere.

Revealed: The **Allah letters** are **9**, and the **messenger's letters** are **9**, **Perfectly Matched** to reveal the Matching Guidance from ALLAH.

Revealed: The GV of the **messenger's letters** is **296**, spelling out the word "**Messenger - 296**" GOD considers His messengers sincere and worthy of His revelations, as the proof has pointed out.

When GOD refers to the Quran and commands the messenger and the believers to observe it at Fajr (Dawn), it tells you that the Quran is meant to be read and recited. This command is for all the followers to observe individually. The Quran cannot recite itself on its own. When you hear the recitation of the Quran on radio, tape recorder or TV, it is still the human voice reciting the Quran, rather than the Quran reciting on its own. The importance of fulfilling this command is highlighted through the clear revelation of 1.

17:78 Part: You shall observe the (recitation of) Quran at dawn. (Reciting) the Quran at dawn is witnessed.

Revealed: The **Allah letters** are **10**, and the **messenger's letters** are **11**, **revealing the diff. of 1.**

17:78 Part: The Quran at dawn is witnessed.

Revealed: The **Allah letters** are **7**, and the **messenger's letters** are **7**, **revealing the Seven Pairs.**

GOD has provided both of the important revelations: The Revelation of 1 as well as the Revelation of the Seven Pairs, in combination with His letters and those of His messenger. This is a vital proof that human messengers receive their commands from GOD through His Scriptures. Hence the command to recite the Quran at dawn for a specific reason, as witnessed above by all of you.

GOD is the WITNESS over His revelations, and the messengers are the witnessed, as the following verse reveals:

85:3 The Witness and the witnessed.

Revealed: The **Allah letters** are **3**, and the **messenger's letters** are **4**, **revealing the diff. of 1.**

Moreover, the messengers being witnesses on the Day of Judgment over their people, they will have the privilege granted by the Most Merciful to witness the Record of the Almighty regarding the righteous, as the following verses reveal:

83:21 To be witnessed by those close to Me.

83:22 The righteous have deserved bliss.

Revealed: The **messenger's letters** are **7** and **8**, **revealing the diff. of 1**, Subhan Allah. My Lord has granted me access to the Glorious Quran in this life, and He reveals that I will be granted similar privilege on the Day of Resurrection, all Praise be to Allah.

GOD'S religion is only One religion – **ISLAM**, and His congregation is also One, in which are included His messengers and the believers. The ones who do not believe in all His messengers are labeled by GOD as following “disputing religions and factions (sects)”. **Note** the verses and the proofs through comparable pairs of verses:

21:92 Part: Your congregation is but One congregation.

Revealed: The **Allah letters** are **7** and the **messenger's letters** are **6**, **revealing the diff. of 1.**

23:52 Part: Such is your congregation – One congregation.

Revealed: The **Allah letters** are **7**, and the **messenger's letters** are **7** – **revealing the Seven Pairs Proof.**

Both of the “Ultimate Revelations” are revealed through clarifying and important verses above. Now let me recite the entire verses to show you one more time the “Ultimate Proof” through the letters of the messenger. These verses are sealed with my name letters as proofs, hence I call them as “Ultimate Miracles”.

21:92 Your congregation is but one congregation, and I alone am your Lord; you shall worship Me alone.

23:52 Such is your congregation - one congregation - and I am your Lord; you shall reverence Me.

Revealed: The **Allah letters** are **10** and **10** – **Perfectly Matched**. (See verse **10:10** as a Miracle.)

Revealed: The GV of **Allah letters** are **26** and **26** – **Perfectly Matched**. (See verse **26:26**.)

GOD is fully aware of His congregation through His messengers and the believers who followed them – hence the proofs of Matching letters to reveal the Matching Guidance sent down.

Revealed: The **messenger's letters** are **13** and **14**, **revealing the diff. of 1** – Praise be to ALLAH for counting our congregation as the one approved by Him, consistent with His revelation of **1**.

NOTE that the **messenger's 14 letters** appear in the verse assigned to **chapter 23 – The Believers**. Also the **14 letters of messenger's name** are revealed through **verse 52** providing another important proof:

Revealed: **Verse 52 + messenger's letters 14 = 66**, Subhan Allah. The only chapter that corresponds with the numbers **52** and **14** is **chapter 14, Abraham** in the Quran. Such numbers prove the immense wisdom and precision of ALLAH to reveal coded messages in latter times so that the intelligent humans who are reverent of GOD may take heed.

DISPUTING THE ONE CONGREGATION OF ALLAH- Dividing into Sects

21:93 (Follow up to 21:92) However, they divided themselves into disputing religions. All of them will come back to us (for judgment).

23:53-54 (Follow up to 23:52) But they tore themselves into disputing factions; each party happy with what they have. Therefore, just leave them in their confusion, for awhile.

Revealed: The **messenger's letters** are **15** and **29**, **revealing the diff. of 14**.

Revealed: The **Allah letters** for all 3 verses on disputing factions and religions are **19**, Glory be to Allah, who is fully aware of the criminals who dispute with His revealed messages and messengers.

Note that the actual verses on “**one congregation**”, **21:92 & 23:52** revealed the “**Revelation of 1**” and the verses on “**disputing factions and sects**” **21:93 &**

23:53-54 have revealed the “**Revelation of 14 - Seven Pairs**” through **the letters of the messenger’s name in both instances**. This has provided a solid stamp and seal of GOD in defining these miracles to be the **Ultimate** in nature.

The ignorant and the hypocrites argue against GOD’S commands, which include His messengers, their role, function, and duties as given in the Quran. The falsifiers out of jealousy and ignorance reject these important commands of GOD and distort the verses without realizing the gross sin incurred by them. They argue without knowledge, guidance, and the enlightening scripture. When you ask them to prove what they are uttering from the Quran, they turn their backs and disappear, or lash out at the believers without any basis or sure knowledge.

22:8 Part 1: Among the people there is the one who argues about **ALLAH**.

Revealed: The GV of **Allah letters** is **128** - the disbelievers argue with **the messenger, 128**, to reject the message of ALLAH, when He has clearly revealed the name of the messenger.

22:8 Part 2: Without knowledge, and without guidance.

Revealed: The GV of **Allah letters** is **66** – all knowledge and guidance comes from ALLAH through His messengers. The word “**guidance**” is associated and linked with the messengers.

Revealed: The GV of **messenger's letters** is **128, revealing the messenger's name again**. The 1st part of the verse revealed the messenger's name through Allah letters, and the 2nd part reveals the messenger's name through the messenger's letters, Subhan Allah.

22:8 Part 2 again: Without knowledge, and without guidance, and without the enlightening scripture.

Coded Scripture - The Hidden Guidance: The GV of the **messenger’s letters** is **266 = 14 x 19**. The digits of this special number **266** add up to **14** ($2+6+6 = 14$).

28:50 Part 1: If they fail to respond to you, then know that they follow only their own opinions.

Revealed: The **messenger's initials** are **14**, and **messenger's letters** are **19** – the special coding of **14-19** reveals the messenger, **Makbool Husain**, who has been blessed with the Sacred Codes of GOD.

Those who reject the messenger and thereby reject GOD’S Absolute Authority do so because of lack of guidance and knowledge from the Quran, as mentioned in

22:8. The following verses will bring out what GOD has referred to in 22:8. It will be revealed clearly that all knowledge and guidance comes only from ALLAH through His messengers. This fact will be supported with the “**Supreme Revelation of 1**”.

It will also be revealed clearly that those who reject any messenger of GOD have committed **a gross sin and idolatry**, through the “**Revelation of 2**”. This revelation is another blessing upon the messenger, so that the people clearly know and understand the difference in worship of 1 GOD, as compared to following idols and worshiping 2 gods. These revelations are precise, and are the ultimate in clarifying the teachings of GOD. The Quran by itself cannot expose the hypocrites and the disbelievers, as all the followers of the scripture claim false justification in their interpretation of the book, unless GOD informs the people through His messengers, which is the only way to expose the liars and the hypocrites. I will recite 2 different verses – parts of which contain the important words: **without guidance and without knowledge**.

28:50 Part: Who is farther astray than those who follow their own opinions, **without guidance from GOD?**

30:29 Part: Indeed, the transgressors have followed their own opinions, **without knowledge**.

Revealed: The Allah letters are 10 and 11, **revealing the diff. of 1** – “**Revelation of 1**”.

Revealed: The messenger’s letters are 16 and 15, **revealing the diff. of 1** – “**Revelation of 1**”.

28:50 Part: Who is farther astray than those who follow their own opinions, **without guidance from GOD?** GOD does not guide such wicked people.

30:29 Indeed, the transgressors have followed their own opinions, **without knowledge**. Who then can guide those who have been sent astray by GOD? No one can ever help them.

Revealed: The Allah letters are 23 and 21, **revealing the diff. of 2** – “**Revelation of 2 gods – idolatry**”.

Revealed: The messenger’s letters are 31 and 33, **revealing the diff. of 2** – “**Revelation of 2 gods – idolatry**”.

The above Matching Proofs by the Most Wise of the “Revelation of 1” and the “Revelation of Idolatry-2 gods” through Allah letters and those of the messenger have offered clear proofs to the followers of the Scriptures to know and realize as to what pleases and satisfies ALLAH and what can incur His wrath upon them. The teachings through these profound Revelations are specific in pointing out the correct meaning of the verses. You have just witnessed GOD’S awesome power

and wisdom in composing, structuring, and encoding the same verses with both of the important revelations to clarify the application and the meaning of the verses which are in context with His messengers. If, as the falsifiers proclaim, that the Quran is the messenger, then you would not have known such important clarifying revelations and meaning of the verses, as seen above. The importance of human messengers is illustrated through these clarifying revelations. GOD is in full Control over His Words and the true meaning behind them.

It is clear from the verses above that one cannot argue directly with the book called Quran, **as it is inanimate in the sense that it does not have a voice**, but one can argue with the human messenger reciting the Quran. **Note** that in verse 22:8, the verse mentions some people who argue about Allah, and in verse 28:50, it says that “if they fail to respond to you” – in both instances it implies the human messenger, with whom the disbelievers can argue or fail to respond to his call to believe. **This is a direct reference to human messengers.**

The words “**close and closest**” are used in the Quran as those righteous people who believed and followed GOD’S messengers. They will be close to GOD and also the closest to GOD. I present to you 2 sets of verses in pairs that appear in **chapter 56**. Then I will present similar verses that will inform you that you can be close or closest to the messenger in his life. **Note** that GOD does not say or use such references about the QURAN, that the people can be close or closest to it. Rather, He uses such references when it comes to Him and His messengers.

Those who are close to the messenger are the ones who will be closest to GOD on the Day of Resurrection. The following profound Revelation of 1 will prove what I have just said:

56:10-11 Then there is the elite of the elite. They are those who will be closest (to GOD).

56:88-89 If he is one who those close to Me. Then joy, flowers, and gardens of bliss.

Revealed: The **Allah letters** for each set are **8** and **7**, **revealing the diff. of 1**, Glory be to Allah.

Revealed: The **messenger’s letters** for each set are **21** and **22**, **revealing the diff. of 1**, Praise be to Allah.

56:11 They are those who will be closest (to GOD).

56:88 If he is one of those close to Me.

Revealed: **Note** that the **messenger’s letters** are **precisely 19** for this pair of verses – a perfect coding of the Most Merciful. This should give the believers assurance that they can be close to GOD by following and obeying

the messenger who is already pre-marked by GOD, and proven by the Most Gracious through the verses.

26:214 You shall preach to the people who are closest to you.

Revealed: The **Arabic letters** are **19**, and the **Quranic Initials** are **14** – the **Perfect Coding** of the **Sacred Codes of 19 and 14** in this verse is the message for this messenger whose teachings are authorized by the Most High and approved by Him. This verse does not mean that I should be preaching to my relatives and friends only, but it really means that the believers who follow me are the ones that I should be preaching and paying attention to. They are the ones closest to the messenger, and thereby closest to GOD for upholding His Absolute Authority.

Revealed: The verse number **214** is **14th** from the end of the chapter, another **SIGN of GOD**.

26:214 You shall preach to the people who are closest to you.

26:215 And lower your wings for the believers who follow you.

Revealed: The **Allah letters** are **10**, and **messenger's letters** are **24**, **revealing the diff. of 14** - the Perfect Coding of **the Seven Pairs**.

26:215 And lower your wings for the believers who follow you.

26:216 If they disobey you, then say, "I disown what you do."

Revealed: The **Allah letters** are **6** and **5**, **revealing the diff. of 1** – clear instructions from the Most Wise.

Revealed: Both Verses: The **Allah letters** are **11**, and **messenger's letters** are **30**, **revealing the diff. of 19**.

26:216 If they disobey you, then say, "I disown what you do."

26:217 And put your trust in the Almighty, Most Merciful.

Revealed: The **Allah letters** are **5** and **6**, **revealing the diff. of 1** – the Almighty GOD has assured me of His unconditional support if the believers betray me or turn against me, Alhumdo Lillah.

Revealed: Both verses: The **Allah letters** are **11**, and **messenger's letters** are **25**, **revealing the diff. of 14**.

You have just witnessed the spontaneous and inspirational revelations of **the Sacred Codes of 19 and 14** through the pairs of verses, precisely composed by the Most Wise, Praise be to Allah.

26:216 Part 1: If they disobey you.

26:216 Part 2: Then say, "I disown what you do."

Revealed: The GV of the **messenger's letters** are **56** and **408**, **revealing the diff. of 352**. This profound marking and revelation instructs the messenger to disown those hypocrites who do not obey and follow him in implementing all the verses of the Quran, or argue with him on any matter. All of this will constitute disobedience of God's commands in the Quran regarding His messengers.

Revealed: The verse is clearly marked with the **messenger's letters 14** – a clear authorization of the Omnipotent Lord of the Universe.

The preceding clear revelations should enlighten the people as to the ways and means to get close to GOD and to receive His mercy. Anyone who disobeys GOD and His messenger has gone far astray (**see verse 33:36**). Their chance of being redeemed by The Redeemer is slim, unless GOD exercises His Absolute Authority to forgive them because of special circumstances under which the transgression took place, or the nature and severity of the sin, as per verse 3:128. This revelation occurs as **chapter number 3** being the **3rd messenger** from the Quran, and the **verse number is 128**, bearing the name of **the messenger – 128**. The proofs within the verse are consistent with the revelations given to me.

3:128 Part: It is not up to you; He may redeem them.

Revealed: The GV of **Allah letters** is **128** – God's communication with His messenger.

3:128 Part: Or He may punish them for their transgressions.

Revealed: The GV of **Allah letters** is **42**, a **multiple of 14**.

3:128 Part 1: It is not up to you.

3:128 Part 2: He may redeem them, or He may punish them for their transgressions.

Revealed: The GV of **Allah letters** for both parts are **92** and **78**, **revealing the diff. of 14** – the clear Sign given to the messenger – **the Seven Pairs**.

3:128 Part: He may redeem them, or He may punish them.

Revealed: The GV of the **messenger's letters** is **162** – the precise value of "**Al-Islam**" – "**the submission**" reveals that the redemption will depend on which law of Islam the believer transgressed, whether there was a repetition of the transgression or not, whether the violation was a gross sin or a minor one, and whether the believer sought forgiveness from GOD or

not. All of these factors will be weighed against any kind of arrogance displayed by the believing person in seeking forgiveness and offering timely repentance or not. GOD has the sole authority to decide the fate of every human being. **The profound number 162 clarifies matters.**

The Quran as a book has no emotions or feelings of its own, but the human messengers do have emotions and feelings that are created by GOD – a standard trait amongst all human beings. Therefore, there are verses asking the human messengers not to be saddened by the disbelief and rejection of the disbelievers, as GOD will deal with them. What is so difficult to understand that GOD is indeed talking and communicating with the human messengers rather than the Quran with this kind of language?

3:176 Do not be saddened by those who hasten to disbelieve. They never hurt **GOD** in the least. Instead, **GOD** has willed that they will have no share in the Hereafter. They have incurred a terrible retribution.

18:6 You may blame yourself on account of their response to this narration, and their disbelieving in it; **you may be saddened.**

6:33 We know that you may be saddened by what they say. You should know that it is not you that they reject; **it is GOD's revelations that the wicked disregard.**

10:65 Do not be saddened by their utterances. All power belongs to **GOD**. He is the Hearer, the Omniscient.

31:23 As for those who disbelieve, do not be saddened by their disbelief. To us is their ultimate return, then we will inform them of everything they had done. **GOD** is fully aware of the innermost thoughts.

GOD tells us that He did not send messengers who do eat the food and walk in the markets. Is He talking to Quran which does not need nor eat food nor does the Quran walk in the markets, but is sold in the markets to buyers who want to read and believe in it or not. The verses on this subject again clarify that GOD is talking about the human messengers who have the same needs and perform activities like other humans. All the past prophets and messengers used to eat the food and go to the markets.

25:7 And they said, "How come this messenger eats the food and walks in the markets? If only an angel could come down with him, to serve with him as a preacher!"

25:20 We did not send any messengers before you who did not eat food and walk in the markets. We thus test you by each other; will you steadfastly persevere? Your Lord is Seer.

Revealed: From verse 7 to verse 20 are precisely **14 verses** – **revealing the proof of Seven Pairs**.

Revealed: The **Allah letters** are 30 and 30 - **Perfectly Matched**.

Revealed: The **messenger's letters** are 38 and 52, **revealing the diff. of 14** – the perfect revelation of the Seven Pairs through the **proven** pair of such important verses highlights the importance of human messengers. **These verses again prove that the Quran is not the messenger – the messengers are the humans appointed by GOD to deliver His messages.**

25:8 Or, "If only a treasure could be given to him!" Or, "If only he could possess an orchard from which he eats!" The transgressors also said, "You are following a bewitched man."

Note the wording used in the verses. GOD is clearly talking about human messengers by mentioning the words uttered by the disbelievers such as - the treasure to be given to him, to possess an orchard from which he could eat, and lastly following a bewitched man, reinforces the truth of the Quran that the messengers are human, and not the book. The disbelievers and hypocrites are wrong on this count also, and have been clearly exposed as such.

25:9 Note how they called you all kinds of names, and how this led them astray, never to find their way back.

25:10 Most blessed is the One who can, if He wills, give you much better than their demands - gardens with flowing streams, and many mansions.

17:47 We are fully aware of what they hear, when they listen to you, and when they conspire secretly - the disbelievers say, "You are following a crazy man."

17:48 Note how they describe you, and how this causes them to stray off the path.

The above verses again infer to the human messengers who are called names by the disbelievers and they say to those who believe that they are following a crazy man. The Quran as a book and a message has no need for mansions and gardens with flowing streams, but the human messengers can certainly enjoy them just like other humans, if GOD blessed them with such provisions. The disbelievers are again describing the human messengers as crazy and calling them names for reciting and following the Quran, rather than the Quran itself.

The God whom we worship is ALLAH - the One who decreed the Quran for all the people to believe and follow. He is the One who will summon all the humans on the Day of Resurrection. We cannot physically see Him during our earthly life, but we can follow His specific instructions given in the Quran, as commanded by Him. According to the Word of my LORD, He tells me and all of you the following:

7:196 ALLAH is my only Lord and Master; the One who revealed this scripture. He protects the righteous.

Revealed: The **Allah letters** are **16**, and the **Aleefs** are **5** – the Pattern of **165** represents the Absoluteness of ALLAH, who revealed the Quran initially to Muhammad and then to the subsequent messengers, Glory be to Him.

Those who refuse to believe in the system of messengers and the subsequent revelations of GOD are guilty of idolatry, as proven by comparing the next verse on idols through the messenger's name letters.

7:196 ALLAH is my only Lord and Master; the One who revealed this scripture. He protects the righteous.

7:197 "As for the idols you set up beside Him, they cannot help you, nor can they help themselves."

Revealed: Both verses: The **Aleefs** are **5** and **4**, **revealing the diff. of 1** – **GOD IS ABSOLUTE**, and has no partners. He reveals His messages and revelations through His human messengers.

Revealed: The GV of the **messenger letter's** are **504** and **856**, **revealing the diff. of 352, a Perfect Number to reveal the GV of QURAN (352)**. To reveal His messages from the Quran, GOD chooses and authorizes human messengers, who are His servants in relaying the messages. Those who refuse to believe and follow the human messengers have set up idols beside ALLAH, and they blasphemed His Absolute Authority.

This is the 1st example of the role of the human messenger – while the message is already encoded within the Quran, the book cannot reveal on its own, till ALLAH authorizes it to a human messenger through the same book.

7:196 ALLAH is my only Lord and Master; the One who revealed this scripture. He protects the righteous.

28:85 Surely, the One who decreed the Quran for you will summon you to a predetermined appointment. **Say**, "My Lord is fully aware of those who uphold the guidance, and those who have gone far astray."

Revealed: The **Allah letters** are $(16+22) = 38$, and **messenger's letters** are $(23+34) = 57$, revealing the diff. of 19.

The guidance mentioned in 28:85 refers to the one sent through the current messenger at this time, as revealed through the **Coded Proof of 19** between GOD and His messenger.

GOD tells us that He did not send any messengers who did not eat the food and walk in the markets. There are many verses asking the human messengers to “**Say or Proclaim**” whatever GOD wants them to say or proclaim through the verses. Surely, GOD is not asking the Quran to say or proclaim it to the people on its own, **as it has no voice**. These verses are meant for the human messengers. How can the disbelievers and the hypocrites disregard so many verses while claiming to believe in the Quran? Their evil schemes are pre-known to GOD, and He will judge among them on the Day of Resurrection. You will hear more verses on the subject of “say or proclaim” later on in other parts of the sermon, God willing.

Peace be upon the messengers.
Praise be to Allah, Lord of the Universe.
