SUCH IS ALLAH, YOUR LORD

**I seek refuge in ALLAH from satan the rejected.
In the name of ALLAH, The Most Gracious, The Most Merciful.**

A believing woman recently quoted **verses 6:102-103** in her email and it grabbed my attention. I was simply awed and started to reflect on them. I wanted to know **a little more** through the verses – the hidden component – and the Most Merciful revealed **A LOT**. It was GOD’S mercy that He started to unveil the immense proofs and wisdom behind these verses, and to continue the flow of revelations from one to the other, to direct me and all of you to the different **MESSAGES** arising out of the “**revealed verses**”. There is a specific time of revelation for each verse; these were destined to be revealed now rather than in the past. Through the specific pattern of revealed verses, the Omnipotent and Most Wise will make it clear to us why our visions cannot encompass Him and prove to us that **HE encompasses everything**. He will also prove to us that **He is in full control over everything in the universe, and over all His creations**. Follow the revelations carefully without losing focus, and you will be equally awed at the **MARVELS of GOD**. To begin with, I will recite the first part of the verse, which makes it clear that **ALLAH IS ONE**.

MESSAGE: ALLAH (GOD) IS ONE

6:102 Part 1: Such is ALLAH your LORD.

Revealed: The Allah letters are 5, and the messenger’s letters are 6, revealing the diff. of 1.

This is the initial introduction of the Glorified Name of ALLAH, whereby He provides the solid and incontrovertible proof through His messenger that He is absolutely ONE, and does not have any partners. The remaining verse will provide additional Miracles.

6:102 Part 2: There is no god except He, the Creator of all things. You shall worship Him alone. He is in control of all things.

Revealed: The messenger’s letters are 19.

Revealed: The GV of the messenger’s letters is 412 – this number represents the word: “Aayaat” in Arabic – which can mean: **Verses, Revelations, Miracles, Signs, or Proofs.**

The Proof within the word “**Aayaat**” is that it has only **1 Allah letter** as an **Aleef**,

and only **1 letter of the messenger** as a “**ya**”. The GV of **Aleef** is **1**, and the GV of “**ya**” is **10**. Placing them side by side, the number becomes **1,10** – **revealing the Absoluteness of ALLAH**, who controls all the revelations and reveals them through inspiration to whomever He chooses under **His Absolute Authority of 110**.

Revealed: The GV of **Allah letters** is **265** and of **messenger’s letters** is **412**, **revealing the diff. of 147** – **revealing the number which represents the Seven Pairs** – a clear confirmation that the verses of the **great Quran** are inscribed and stamped with **the Seven Pairs Miracle**. Hence, the mathematical computation reveals **the Seven Pairs Miracle** through the preceding numbers.

$$265,412 = \underline{14} \times 18958 \quad \text{OR} \quad 412,265 = \underline{7} \times 58895$$

The quotients revealed bear **GOD’S Signature** again, as they are numbers revealed through Inspiration, and carry the heavy message behind them – **the Name of the Creator**, as well as His **High Status of Absoluteness**. Note the digits of the quotients on each side of the **Seven Pairs Miracle**.

$$\begin{array}{l} 1 \ 8 \ 9 \ 5 \ 8 \ \text{Sum of the digits are: } (1+8+9+5+8) = \underline{31} \\ 5 \ 8 \ 8 \ 9 \ 5 \ \text{Sum of the digits are: } (5+8+8+9+5) = \underline{35} \end{array}$$

Grand Miracle of the Creator: The sum of **31 + 35 = 66** **ALLAH**, Subhanahoo.

Writing them side by side: **31,35 = 19 x 165** – **The One and Absolute GOD**.

By adding up the sum of the numbers: **31+32+33+34+35, the sum is 165** – **The Most Praiseworthy and Absolute ALLAH**, who has proclaimed: “**La Elaha Ella Allah**” which has the GV of **165** as well as His Attribute of **Al-Samad** which is also **165**.

La Elaha Ella Allah: The **Allah letters** are **12**.

Al-Samad: The **Allah letters** are **2**.

Revealed: Together, the sum of **Allah letters** in both statements and words is **14**.

Revealed: The **messenger’s letters** in both are **5 + 2 = 7**. **This is the great miracle of the Seven Pairs**.

Note that **the beginning and ending digits** encircling each number, which are **18958** and **58895** are **1** and **8** to reveal the sum of **9**, and for the next number, they are **5** and **5**, to reveal the sum of **10**. **The difference between 9 and 10 is 1**, while the sum of all four numbers – **1+8+5+5 = 19**. Praise is to Allah, who is

Absolutely ONE, as the numbers **1** and **19** revealed by Him inform us. This has been a mathematical **MARVEL** of **ALLAH**, Glory be to Him.

If I write the sequence of the beginning and ending digits of each number as given above, it will be 1-8-5-5. This number when written as $1855 = 7 \times 265$.

What was the gematric value of Allah letters for this part of the Verse? **LOOK ABOVE!**

The GV of **Allah letters** was precisely **265** to match this **MARVEL!** I have no mathematical explanation behind this, and I am totally awed at **GOD'S Marvel**, just like you may be. Under inspiration, He can make me go on and on – I am liable to run out of energy and speed, while my LORD'S revelations have no end to them. Subhan Allah.

We have taken into account the beginning and ending digits of the numbers: **18958** and **58895**, which added up to **19**. The remaining digits in between to be accounted for are $8+9+5+8+8+9 = 47$.

GOD has provided me with 2 different numbers now – they are **47** and **19**. This is what my LORD has willed – to bring you to **verse 47:19**, which states the truthful Shahadah as given to His messengers and proclaimed by them. Note that the Most Wise has suddenly moved us from chapter 6 to chapter 47 – a great distance away as far as the chapters and verses are concerned. A great Miracle has been created by **ALLAH** by **LINKING verse 6:102** to **verse 47:19**, both of them stating the **2 different forms of Shahadahs** and connecting them Divinely – all of this to prove His Absoluteness over all His creations, as well as His Words in the Quran. Now when you recite again the same verse **6:102** to yourselves:

“Such is Allah your Lord – there is no god except He; you shall worship Him, and He is in full control over all things” – it will surely bring an enlightened and broad meaning after knowing the truth behind it. You will enjoy reading and reciting this verse more than before!

Message of Monotheism and Absoluteness
A New Revelation Opened Up through 6:102

47:19 Part: You shall know that: **“La Elaha Ella Allah”** (GV = 165) – there is no other god beside **ALLAH**.

Revealed: The GV of **Allah letters** is precisely **202** for **LORD** – the only LORD and MASTER of the UNIVERSE.

Revealed: The **Aleefs** are precisely **7** – **the Creator of the 7 Universes.**

47:19 Part 2: And ask forgiveness of your sins and the sins of all believing men and women.

47:19 Part 3: ALLAH is fully aware of your decisions and your ultimate destiny.

Revealed: The Allah letters are 6 and 6 – **the Pattern of 66, revealing the Glorified Name of ALLAH.**

Revealed: The Aleefs are 2 and 1, **revealing the diff. of 1** – this proves the Absoluteness of ALLAH.

Revealed: The Arabic letters are 29 and 22, **revealing the diff. of 7** – the Creator of the 7 Universes.

Revealed: Note that chapter 47 + verse number **19** = **66**, proving the Truth about Allah and His **Truthful Shahadah.**

47:19 Part 2 after the Shahadah: And ask forgiveness of your sins and the sins of all believing men and women. ALLAH is fully aware of your decisions and your ultimate destiny.

Note that the messenger is commanded to only ask forgiveness for his sins, and for the sins of the believing men and women. The believers are those who have followed the messengers and decide to be part of the Test through the messengers. GOD is not commanding the messenger to pray for forgiveness for muslims or other human beings who have not been part of the “**one congregation of GOD**”.

Revealed: Part 2: The GV of Allah letters is 248, and the GV of the messenger’s letters is 1032.

GOD will lead us through the Set of 2 new numbers to open up revelations with opposite and complementing spectrum of subject matter. The new revelations will open up **verses 2:48** and **10:32**. I will write the verses side by side, so that you can reflect on the subject matter and the message contained within.

MESSAGE that ALLAH is the TRUTH

And all souls will be individually accountable, and no one can help each other on the Day of Judgment

Note the beginning of the original revelation through 6:102 and the one that GOD creates to flow and merge into 10:32 – the beginning parts of both verses are on a similar subject matter!

Opening Part of Beginning Revelation 6:102 Part: Such is ALLAH your LORD.
Merging of New Revelation to 10:32 Part: Such is ALLAH, your rightful LORD.

FACT: Chapter 6 + verse 102 = **108**.

FACT: Chapter 10 + verse 32 = **42**.

Revealed: The difference in **108** and **42** is precisely **66**, Subhan Allah – the only rightful Lord and Master – the Lord and Master of the “**believers only**” **on the Day of Judgment**.

Revealed: The GV of **Allah letters** for each part of the verse are: **96 + 127 = 223**. **The believers** are given the good news, and the words of God as given in **verses 47:11, 2:257, 8:40, 18:44, 3:68, 9:51**, and many more are thus proven straight through the words attributed to ALLAH.

Remaining Part of 10:32: What is there after the Truth, except falsehood? How could you disregard all this?

Revealed: The **Allah letters** are **12** and the **messenger’s letters** are **13**, **revealing the diff. of 1**.

GOD has sent down the Truth through me with the detailed revelations to guide the people. Whoever believes, it is for their own good, and whoever disbelieves does so to the detriment of their own souls.

Revealed: Entire Verse 10:32: The **Allah letters** are precisely **19** – a sure proof about the **Truth that GOD IS ONE**, and that the messenger is preaching the Truth from Him.

Revealed: The **messenger’s initials** are also **19** – a “**Matching Revelation**”.

Comparison of both verses opened up by GOD through numbers 248 and 1032.

10:32 Such is **ALLAH**, your rightful LORD. What is there after the truth except falsehood? How could you disregard all this?

2:48 Beware of the day when no soul can avail another soul, no intercession will be accepted, no ransom can be paid, nor can anyone be helped.

Profound Truth: The **Aleefs of Absoluteness** are **9** and **10**, **revealing the diff. of 1 (the sum is 19)**.

Profound Truth: The **Allah letters** are **19** and **20**, **revealing the diff. of 1**.

Profound Truth: The **messenger’s letters** are **22** and **36**, **revealing the diff. of 14** – a Profound Miracle!

NOTE the Omnipotence of ALLAH who created certain numbers out of certain verses, only to create additional verses, and such new verses are marked as a miracle based on specific revelations given to the messenger, while conveying a sound and heavy message through them.

These verses originated through **verse 47:19** which stated the Truthful Shahadah – Glory and Praise be to ALLAH.

In case you have forgotten the numbers **265** and **412** which were revealed previously, let me remind you that GOD has not forgotten it! I will recite it again for your benefit so that you may recall these profound numbers again.

6:102 Part 2: There is no god except He, the Creator of all things. You shall worship Him alone. He is in control of all things.

Recall that the GV of **Allah letters** was **265** and GV of the **messenger's letters** was **412**.

GOD will now awe you with **the Miracle** revealed through **verses 26:5 and 41:2**, which open up through the numbers **265** and **412** – such numbers originated from the beginning verse, **6:102** of this khutbah.

The Message through the New Revelations of GOD is very clear:
New Revelation – New Reminder – New Messenger!

41:2 A Revelation from the Most Gracious, Most Merciful.

26:5 Whenever a reminder from the Most Gracious comes to them, that is new, they turn away in aversion.

Revealed: The **Allah letters** for both new verses are **16**, and the **messenger's letters** are **35**, **revealing the diff. of 19**.

Recall that I informed you about the number **412** – being the gematric value of the messenger's letters in **Part 2** of **6:102**, and represents the meaning of “verses, proofs, miracles, signs, and revelations”.

THE MOST WISE has already proven this number and the vastness of the meaning behind it by placing 41:2 and 26:5 into comparison to reveal His Miracle. The number **412** will now open up additional verses surrounding it. They are verses **41:3** and **41:4**. Together they will comprise **the Set of 3 verses** to represent the “**Miracle of 3**”.

41:2 A revelation from the Most Gracious, Most Merciful.

Revealed: This verse has **19 Arabic letters** – the revelation from the Most Gracious.

41:3 A scripture whose verses provide the complete details, in an Arabic Quran,

for people who know.

Revealed: Verse **41:2** has **19 Arabic letters**, and **41:3** has **33 Arabic letters**, **revealing the diff. of 14.**

41:4 A bearer of good news, as well as a warner. However, most of them turn away; they do not hear.

Revealed: Verse **41:2** has **19 Arabic letters**, and **41:4** has **33 Arabic letters**, **revealing the diff. is 14.**

Note that **verses 41:2** and **41:3** bring out the message of “**a revelation**” through the verses of the scripture, which provide the complete details and have **Arabic letters 19** and **33**, to total **52**, while **verse 41:4** which talks about the human warner originating out of the details of the verses has **33 Arabic letters**, the difference between **52** and **33 is precisely 19**, Subhan Allah. The set of **3** verses therefore provide **proofs of 14 as well as 19, revealing the Sacred Codes.**

Verse 41:2 states that “**it is a revelation from the Most Gracious.**” It has **19 Arabic letters**.

The subsequent 2 verses **41:3-4** outline and explain that that the scripture and its verses provide all the details for the people who care to know, but most of them will turn away, even though the messenger is given detailed verifiable proofs. Each of these verses are marked with **33** and **33 Arabic letters** to reveal the sum of **66**. Thus, the subsequent 2 verses wrap around and compliment the 1st verse on “**the revelation from the Most Gracious**”.

The numbers **19** and **66** are thus revealed through the **Set of 3 verses**, while also revealing the Revelations of **14** and **19** separately, as you have seen above. This proves and highlights the “**Miracle of 3**”.

LOOK AGAIN AT THE MARVEL!

41:2 A revelation from the Most Gracious, Most Merciful.

41:3 A scripture whose verses provide the complete details, in an Arabic Quran, for people who know.

41:4 A bearer of good news, as well as a warner. However, most of them turn away; they do not hear.

Revealed: In all 3 verses: The **Allah letters** are **21**, and the **messenger’s initials** are **35**, **revealing the diff. of 14.**

Revealed: The **messenger’s initials** are **35**, and the **messenger’s letters** are **42**, **revealing the diff. of 7.**

This was the clear Revelation of the Seven Pairs through the numbers 14 and 7, Subhan Allah.

41:2,3,4 brought about the “**clear revelation and proofs**” from our Lord. These verses were opened up by GOD through the number **412** which was the GV of the messenger’s letters in Part 2 of **verse 6:102**. How about the number **265** that represented GOD in Part 2 of **verse 6:102**, and consequently opened up **verse 26:5** - which in turn will provide the “**clear message**”.

26:5 Whenever a reminder from the Most Gracious comes to them, that is new, they turn away in aversion.

Revealed: The GV of **Allah letters** is **77** – the “**clear message**” of the **Seven Pairs**. Let me recite **the set of 3 verses** through this revelation also!

26:4 If we will, we can send from the sky a sign that forces their necks to bow.

26:5 Whenever a reminder from the Most Gracious comes to them, that is new, they turn away in aversion.

Revealed: The **messenger’s letters** are **21** and **22**, **revealing the diff. of 1**, Subhan Allah.

26:5 Whenever a reminder from the Most Gracious comes to them, that is new, they turn away in aversion.

26:6 Since they disbelieved, they have incurred the consequences of their heedlessness.

Revealed: The **Allah letters** are **11** and **10**, **revealing the diff. of 1**, Alhumdo Lillah.

Revealed: **26:4-5-6:** Each verse is marked clearly with **7-7-7 ALEEFs** of **Absoluteness. Glory be to God.**

The words – **Sign from the Sky** – appear next to each other in Arabic, as “**Al-Samaah Aayatun**”.

Revealed: The **Allah letters** are **5**, and the **messenger’s letters** are **4**, **revealing the diff. of 1**.

Revealed: The GV of **Allah letters** is **38**, a **multiple of 19**.

Revealed: The GV of the **messenger’s letters** is **140**, a **multiple of 14**. These are the Proofs of the Sacred Codes of GOD. The “**Sign from the Sky**” has already come down to earth through these revelations – it is only a matter of time that GOD will force the disbelievers’ necks to bow.

Revealed: The GV of **Allah letters** **38** + the GV of the **messenger’s letters**

140 = 178, revealing that the “Sign from the Sky” is associated with the messenger, Makbool, Alhumdo Lillah.

After GOD has shown you some of the Revelations created by Him through the original starting verse **6:102**, He will now bring you back to the original set of the same verses and show you some more miracles so that you may reflect on His Absolute Power and Omnipotence.

6:102 Such is GOD your LORD, there is no god except He, the Creator of all things. You shall worship Him alone. He is in control of all things.

6:103 No visions can encompass Him, but He encompasses all visions. He is the Compassionate, the Cognizant.

Revealed: The Aleefs of Absoluteness are 6 and 7, **revealing the diff. of 1** – None can envision what ALLAH can envision – He is the Absolute.

Revealed: The GV of Allah letters for **6:102** is 361 = **19 x 19**.

Revealed: The GV of Allah letters for **6:103** is **202** for **LORD**. The double **Code of 19** marks His Glorified Name as the LORD. Moreover, the numbers 361 and 202 bear **His Signature of 14** also, as: $(3+6+1+2+0+2) = 14$.

6:102 Part: Such is God your Lord, there is no god except He.

Revealed: The Allah letters are **14**.

6:102 Part: The Creator of all things.

Revealed: The GV of Allah letters is 60, and the GV of messenger’s letters is 170, **revealing the diff. of 110**. The Absolute GOD is the only Creator of everything in the universe, Praise be to Him.

6:102 Part: The Creator of all things, you shall worship Him alone.

Revealed: The GV of Allah letters is **66**.

Revealed: The GV of the messenger’s letters is **178**.

Through this revelation, the emphasis on the followers of the Quran is to accept and believe in the messenger of GOD, in order to worship the Creator of all things. That is why you see the absolute precision of GOD in revealing the numbers **66** and **178**. As ALLAH is the only Creator, the devoted reverence for Him demands the complete obedience of all His Commands.

MESSAGE: OBSERVE THE MIRACLE OF 3

6:102 has 3 parts to the verse, and so does **6:103** which also has 3 parts.

6:102 Part 1: Such is **God** your Lord, there is no god except He.

6:102 Part 2: The Creator of all things, you shall worship Him alone.

6:102 Part 3: He is in control of all things.

Revealed: The **Allah letters** are marked in each part as: **14-4-4**. This reflects **the Miracle of 19**, as $1444 = \underline{19} \times \underline{19} \times 4$ (The entire verse had the GV of **Allah letters** as $361 = \underline{19} \times \underline{19}$ also).

6:103 Part 1: No visions can encompass Him.

6:103 Part 2: But He encompasses all visions.

6:103 Part 3: He is the Compassionate, the Cognizant.

Revealed: The **Allah letters** are marked in each part as **6-4-6**. This reflects **the Miracle of 19**, as $646 = \underline{19} \times 34$.

Together, these revealed numbers 1444 and 646 are part of the overall Miracle of the Seven Pairs also, thus revealing the sacred codes of 14 and 19.

Revealed: $1444,646 = \underline{14} \times 103189$ OR $1444,646 = \underline{19} \times 76034$.

Revealed: Together, the revealed numbers $1444 + 646 = 2090 = \underline{19} \times \underline{110}$. This proves the Absoluteness of ALLAH as the Shahadah "**La Elaha Ella Hoo**" (GV of **110**) states.

MESSAGE: NO ONE CAN ENCOMPASS ALLAH

6:103 Part 1: No visions can encompass Him.

(There is no revelation in this part as no human being can envision ALLAH)

6:103 Part 2: But He (Allah) encompasses all visions.

Revealed: The **Allah letters** are 4, and the **messenger's letters** are 5, **revealing the diff. of 1**.

Revealed: Both Parts: The **Aleefs** are 3 and 2, **revealing the diff. of 1**.

Through this part, ALLAH Subhanahoo, informs us by citing the example of His messenger that He encompasses all His creations, and they are all known to Him, as well as counted by Him.

6:103 Part 1: No visions can encompass Him.

6:103 Part 3: He is the Compassionate, the Cognizant.

Revealed: The **Allah letters** are 6 and 6, **revealing the Pattern of 66**.

Revealed: Both Parts: The **Allah letters** are 12, and the **messenger's**

letters are **11**, revealing the diff. of 1.

Revealed: The GV of **12 Allah letters** for both parts is 165.

Note the similar parts of verses:

6:103 Part: But He encompasses all visions.

20:98 Part: His knowledge encompasses all things.

Revealed: The Alefs are **2** and **1**, revealing the diff. of 1.

Revealed: The Allah letters are **4** and **3**, revealing the diff. of 1.

Revealed: The Arabic letters are **13** and **12**, revealing the diff. of 1.

Revealed: The messenger's letters are **5** and **6**, revealing the diff. of 1.

This unique knowledge from the QURAN based on the Supreme Revelations of 1, and 14-19, is a special revelation and blessing from my LORD, who has encompassed my name and role as the deliverer of this "Heavy Message" to mankind before the Day of Judgment, Subhan Allah.

MESSAGE: ABSOLUTE CONTROL OF GOD – note the Links

6:102-103 These verses have **Arabic letters** as **52** and **41**, thereby opening up verse **52:41**. I will combine verse **52:42** with it to make them a pair of verses, as they are on the same subject.

52:41 Do they know the future, and have it recorded?

52:42 Are they plotting and scheming? The disbeliever's schemes backfire against them.

Revealed: The Allah letters for both verses are **13**, and the messenger's letters are **27**, revealing the diff. of 14. GOD has proven the revelation and the truth by opening up another revelation through **6:102-103**.

6:102-103 These pair of verses have a total of **93 Arabic Letters**. The letters which constitute Non-Quranic initials are precisely **27** in this pair of verses. The difference between these numbers is precisely **66**. The pattern of the numbers revealed open up a specific chapter of the Quran, which is chapter 27 that has 93 verses. These Pattern of these numbers now open up verse 27:93 for us to reflect.

The last verse of chapter 27, which is verse 93, is testimony to the truth from GOD, as it is on the subject of "PROOFS FROM GOD". These proofs are the ones quoted in His narration of the verse, whereby the disbelievers find it hard to challenge, but they do and will recognize that it is the truth from our LORD. The numbers revealed thus open up the verse for the believers.

27:93 And say, "Praise be to **ALLAH**; He will show you His PROOFS, until you recognize them. Your LORD is never unaware of anything you do."

Revealed: The Allah letters are **14**, and the messenger's initials are **19** – the recognizable PROOF of the SACRED CODES of **14** and **19**, Subhan Allah.

6:102-103 The Allah letters in the pair of verses are **38**, and the messenger's letters are **41**, thereby opening up verse **41:38**.

41:38 If they are too arrogant to do this, then those at your LORD glorify Him night and day, without ever tiring.

Revealed: The Allah letters are **17**, and the messenger's letters are **31**, revealing the diff. of 14.

Revealed: The Allah letters are **17**, and the Aleefs are **8**, revealing the pattern of 178.

Those who fail to worship GOD fully and do not uphold His Absolute Authority by believing in His messengers are considered highly arrogant and have no chance of being redeemed by Him.

6:102-103 appear in **chapter 6**; therefore, the last verse **6:165** of this chapter bears the number **165**, which is proof of the Absoluteness of ALLAH. This last verse is again Coded to reveal His Glorified Signature on the Quran.

MESSAGE: TEST THROUGH THE MESSENGERS

6:165 Part 1: He is the One who made you inheritors of the earth, and He raised some of you above others in rank.

6:165 Part 2: In order to test you with what He has given you.

Revealed: The GV of Allah letters is **128** and **62**, revealing the diff. of 66.

Note that the name of the messenger, **128**, is revealed in **Part 1** through the GV of Allah letters, clearly outlining his rank determined by GOD, whereby the messenger and the rest of the people have been put to the Test, as the clear revelation of the name of **ALLAH**, **66**, informs us.

6:165 Part 3: Surely, your LORD is efficient in enforcing retribution, and He is Forgiver, Most Merciful.

Revealed: The Allah letters are **7**, and the messenger's letters are **14** – revealing the Perfect Coding of the Seven Pairs, Subhan Allah.

Revealed: The entire verse has 19 Allah letters.

MESSAGE: ASKING TO SEE GOD BACKFIRES!

There is only one incident given in the Quran whereby Moses as the messenger of GOD asked to see Him physically or wanted to encompass GOD. Moses could not succeed in doing so, and fell unconscious, when GOD manifested Himself to the mountain and the mountain crumbled with GOD'S enormous and overwhelming power. He then repented to GOD immediately and became the most convinced believer. Praise be to Allah. Note the powerful revelations below:

7:143 Part 1: When Moses came at our appointed time, and his Lord spoke with him, he said, "My Lord, let me look and see You."

7:143 Last Part: When he came to, he said, "Be You glorified. I repent to You, and I am the most convinced believer.

Revealed: The **Allah letters** for the 1st and the last parts are 14 and 14 – the glorified miracle of the Seven Pairs.

Revealed: The **messenger's letters** are 24 and 23, **revealing the diff. of 1** – the Glorified and Most Praised ONE GOD, as proven through the messenger's letters.

7:143 Part 1: When Moses came at our appointed time, and his Lord spoke with him, he said, "My Lord, let me look and see You."

7:143 Part 2: He (Allah) said, "You cannot see Me. Look at that mountain; if it stays in its place, then you can see Me."

Revealed: The **Allah letters** are 14 and 14 for each part – the glorified miracle of the Seven Pairs.

7:143 Part: He (Moses) said, "Let me look and see You."

7:143 Part: He (Allah) said, "You cannot see Me. Look at that mountain; if it stays in its place, then you can see Me."

Revealed: The GV of **Allah letters** are 64 and 192, **revealing the diff. of 128**. The historic incident of Moses requesting to see ALLAH is recorded in the Quran, and now proven through the messenger, Makbool Husain.

7:143 Part: The Lord's Manifestation: Then, his Lord manifested Himself to the mountain, and this caused it to crumble. Moses fell unconscious. When he came to, he said, "Be You glorified, I repent to You, and I am the most convinced believer.

Revealed: The **Allah letters** are 25, and the **messenger's letters** are 39,

NOTE that the Miracle of this important verse is being revealed at a specific time of human history through these profound revelations of GOD. **The Miracle of 3** is represented through this verse, as the count of “**his Lord**” and “**my Lord**” is precisely **3 times in the verse**. The gematric values of 3 counts of Lord, is precisely **616**, a **multiple of 14**. Moreover, the number **616** opens up, flows and merges into **verse 61:6**, which informs you of “**the coming of the messenger – AHMAD**” which has now come to pass, **Subhan Allah**.

This concludes my reflection on verses 6:102-103 and I am appreciative of my LORD’S blessings in inspiring and guiding me through the deeply encoded verses. There will be no Khutbah for the next 3 weeks. May God forgive me and all the believing men and women. The message of this Sermon is that GOD’S Power is overwhelming – He Possesses all the Power and is in Absolute Control of everything all the time. Do not question your LORD – just submit to Him.

**Peace be upon the messengers.
Praise be to Allah, Lord of the Universe.**
