SPECIFIC ASSIGNMENT OF VERSES ON SOVEREIGNTY, KINGSHIP, AND OTHERS (PART 2)

**I seek refuge in Allah from satan the rejected.
In the name of Allah, The Most Gracious, The Most Merciful.**

BASIS OF THE STATEMENT PROCLAIMING GOD'S SOVEREIGNTY AND KINGSHIP TO MATCH WITH HIS SHAHADAH AND THE ATTRIBUTE OF AL-SAMAD.

The Sovereignty and Kingship of GOD is concretely and conclusively proven through the Statements as mentioned in verses 5:17 and 5:18. This will reveal the "BASIS" of GOD'S Shahadah, 165, and the "Attribute of Absoluteness" 165 also. Look at the profound miracle!

5:17 Part: To GOD belongs the sovereignty of the heavens and the earth, and everything between them.

5:18 Part: To GOD belongs the sovereignty of the heavens and the earth, and everything between them.

Revealed: Each of these verses is composed of precisely **12 Allah letters** with the GV of 165. This will match perfectly with the **12 Allah letters** in the **Shahadah: "La Elaha Ella Allah"** which has the GV of **165** also. Furthermore, the **Attribute of Al-Samad (Absoluteness)** has the GV of **165** also, which matches with this profound proclamation made by **ALLAH, Most Glorified. This proves conclusively that ALLAH is the Absolute GOD, and everything in the heavens and the earth belongs to Him, as well as everything in between. Subhan Allah.**

Revealed: The **Arabic letters** for the above proclamations are **28** in each verse, and the GV for the verse is **1891**. Note that the digits of **1891** add up to 19. ($1+8+9+1 = 19$).

Revealed: The **Arabic letters 28** plus the GV of **1891 = 1919**. This is the revelation of "**double 19**" and encompasses the heavens and the earth.

Furthermore, **ALLAH is the only CREATOR**. He will now issue another revelation through the name letters of His messenger to prove **His Omnipotence and Control** over everything. This also establishes the fact that HE communicates through His messengers.

5:17 Part: He creates whatever He wills.

5:17 Part: GOD is Omnipotent over all things.

Revealed: The GVs of the **messenger's letters** are **190** and **256**, **revealing the diff. of 66** – **GOD'S Omnipotence and Sovereignty is forever proven through His messenger, Alhumdo Lillah.**

Revealed: The **messenger's letters** are encoded in **both parts** to be precisely **14**.

The above is proof enough that when GOD has created me as a human and structured my name letters in the Quran in such a way as to reveal specific values, then is there any more doubts left about His Omnipotence and Sovereignty? He has proven it in the most vivid way, and explained His Proofs. Only 1 messenger's name – the one who was selected by GOD to be blessed with the Ultimate Revelations bearing His Glorified Name, has been calculated and engraved into the Sacred Statements of the Shahadah and the Proclamation given through 5:17 or 5:18. This will demonstrate the Supreme Authority of the Almighty ALLAH who has authorized the appointment of the messenger, and certified the message sent down through him. Proofs of this magnitude can never occur unless they are revealed by the Most High, backed and supported by Him. These Proofs originate out of the most sacred statements of the Quran which are attributed only to ALLAH, the Most Praiseworthy. For GOD to reveal the name of the messenger from within these statements along with the Miracle given to him only attests to the magnitude of the Miracle given to him as the Sign. All Praise be to Allah. **Note the MIRACLE!**

37:35 Part: (Shahadah as given in the verse is) "La Elaha Ella Allah."

5:17 Part: "To Allah belongs the sovereignty of the heavens and the earth, and everything in between."

Revealed: The GV of the **messenger's letters** are **150** and **456**, **revealing the diff. of 306**. Through these 2 important statements, which have precisely **12 Allah letters** each and reveal the Matching GVs of **Allah letters** to be **165**, the Most High also reveals the messenger's name, **306** through the human messenger's letters which are built-in Proofs from the Most Gracious. It is an incomprehensible thought and feeling to witness such an awesome Miracle from ALLAH of which I had no idea, and has just been revealed while typing out this portion of the sermon. This shows GOD'S immense mercy through these Revelations, and the nature of the Ultimate Revelations. GOD has no limits when it comes to His blessings and mercy upon the human messengers, and each messenger has been uniquely blessed with Miracles and Signs.

Another glaring example is through the 3 Sacred Names and Statements which include the Glorified Name of Allah, and His 2 different forms of Shahadahs. These also reveal the difference in Allah letters and the messenger's letters to be precisely **14**, as well as reveal the name of the Messenger, Makbool Husain,

306 – the bearer of the Ultimate Revelations.

**ALLAH
LA ELAHA ELLA HOO
LA ELAHA ELLA ALLAH**

Revealed: The Allah letters are: $4+9+12$, the sum is 25.

Revealed: The messenger's letters are: $2+4+5$, the sum is 11.

The Difference in 25 and 11 is precisely 14, revealing the Profound Revelation of the Seven Pairs. (15:87) "We have given you the seven pairs, and the great Quran." The coded messenger with the Sign of 14 remained hidden in the sacred Quran, till revealed by the Most Wise.

Revealed: The GV of the messenger's letters are: $60+96+150$, revealing the sum of 306, Subhan Allah.

He can annihilate the People and Substitute others as per His Absolute Authority

4:132 To GOD belongs everything in the heavens and the earth, and GOD is the only Protector.

4:133 If He wills, He can annihilate you, O people, and substitute others in your place. GOD is certainly able to do this.

4:134 Anyone who seeks the materials of this world should know that GOD possesses both the materials of this world and the Hereafter. GOD is Hearer, Seer.

Revealed: In verse 4:132, the GV of Allah letters is 227, revealing the value of "The Believers" – "Al Muhmineen." The GV of the messenger's letters is 462, revealing the value of "The Statute Book" – "Al Furqan".

It has been made clear and the believers are defined as "those who follow all the verses of the Statute Book, the Quran, and believe in GOD'S messengers." On the Day of Resurrection, He will protect and redeem only the ones who believed in His Words and upheld them. This is also a clear warning to the people who are in disbelief, or in hypocrisy, or engaged in idol worship, that **THE SOVEREIGN GOD** can punish those who refuse to be **believers** (227) and refuse to uphold the **Statute Book** (462) sent down through **His messenger**. The set of these 3 verses is pointing out to people who live for the temporary materials of this world while forgetting the Hereafter. They remain totally unaware of **the Sovereign – the Absolute God** – the One who controls everything, and sends down the Guidance whenever He wills.

Verse 4:133 proves that GOD is truthful and serious in saying that when the people remain totally unaware of GOD and His laws, and keep on living a material and worldly life, then if He so chooses, He can annihilate the people and substitute others in their place, to see how they will behave on Earth. **Verse 4:132** ends by saying that “**GOD is the only Protector.**” All punishments and retributions come from Him as well as the life and death are also controlled by Him; therefore, GOD can annihilate the people or protect them to enjoy for a while on Earth.

4:133 Part 1: If He wills, He can annihilate you, O people, and substitute others in your place.

Revealed: The messenger’s letters are 14, Subhan Allah.

4:133 Part 2: GOD is certainly able to do this.

Revealed: This Statement is composed of 19 Arabic letters.

Revealed: The Allah letters are **8** and the messenger’s letters are **9**, revealing the diff. of 1.

Revealed: The GV of Allah letters is 128, and GV of messenger’s letters is 296. The **Omnipotence of GOD** is again proven through the above revelations, which were easy for Him to reveal **the messenger’s name (128)** as well as the fact that I am **His messenger (296)**, along with **the Revelation of 1**, through the simple words saying: **GOD is certainly able to do this! Indeed, GOD is able to do anything and everything – nothing is difficult for HIM.**

Revealed: Verse **4:133** has 19 Allah letters – an additional proof supporting His Words.

In **verse 4:133 Part**, it reads: **GOD is certainly able to do this.**

In **verse 4:169 Part**, it reads: **This is easy for GOD to do.**

Revealed: The Arabic letters are 19 and 19 – Subhan Allah – a double 19 for Allah for whom everything is EASY and nothing is IMPOSSIBLE!

Revealed: The Quranic Initials are **16 and 17**, revealing the diff. of 1, Alhumdo Lillah.

Revealed: The messenger’s letters are **9 and 10**, revealing the diff. of 1. The sum is also 19 and arranged in the perfect order of 9-10 according to **verse 74:30**.

Revealed: The GV of the messenger’s letters are 296 for **messenger**, and 266, revealing the Sacred Codes of 14 and 19, as: ($266 = 14 \times 19$). Note that the digits of **266** also add up to 14.

The above are profound Statements declaring and proclaiming GOD’S

Sovereignty, Supremacy, Absoluteness, and Unlimited Power to be able to do everything in an easy way without any problem; and His capabilities of doing the impossible which the human minds cannot conceive of. These statements were LINKED together and provided the Ultimate Proofs more than once. They offered clear proofs in reaffirming the REVELATIONS to be from ALLAH and bestowed upon a specific messenger, Makbool Husain, revealed through the count of his name letters and gematric values.

Blaspheming GOD'S Absoluteness by disbelieving in His messengers and the truth sent through them – Insulting GOD by attributing lies to Him and to His messengers

4:168 Those who disbelieve and transgress, GOD will not forgive them, nor will He guide them in any way;

4:169 except the way to Hell, wherein they abide forever. This is easy for GOD to do.

4:170 O people, the messenger has come to you with the truth from your Lord. Therefore, you shall believe for your own good. If you disbelieve, then to GOD belongs everything in the heavens and the earth. GOD is Omniscient, Most Wise.

4:171 O people of the scripture, do not transgress the limits of your religion, and do not say about GOD except the truth. The Messiah, Jesus, the son of Mary, was a messenger of GOD, and His word that He had sent to Mary, and a revelation from Him. Therefore, you shall believe in GOD and His messengers. You shall not say, "Trinity." You shall refrain from this for your own good. GOD is only one god. Be He Glorified; He is much too glorious to have a son. **To Him belongs everything in the heavens and everything on earth. GOD suffices as Lord and Master.**

4:172 The Messiah would never disdain from being a servant of GOD, nor would the closest angels. Those who disdain from worshipping Him, and are too arrogant to submit, He will summon them all before Him.

4:173 As for those who believe and lead a righteous life, He will fully recompense them, and shower them with His grace. As for those who disdain and turn arrogant, He will commit them to painful retribution. They will find no lord beside GOD, nor a savior.

4:174 O people, a proof has come to you from your Lord; we have sent down to you a profound beacon.

4:175 Those who believe in GOD, and hold fast to Him, He will admit them into mercy from Him, and grace, and will guide them to Him in a straight path.

In this set comprising of 8 verses, the central theme again points out to the disbelief of the majority of people and the transgression committed by them in rejecting GOD'S messengers, though they bring the Truth from their Lord. It is

clear that GOD does not guide such wicked people who challenge GOD'S Authority to do as He pleases and to send whomever He chooses to deliver His message. The rejectors will **not be forgiven** by **GOD**. Then there are those followers of the scriptures who attribute lies against GOD by idolizing His messengers. They thus utter lies against His messengers who are honorable and submitting servants of GOD.

NOTE: These verses cover an important subject and message; therefore, **the 1st verse - 4:168 links the last verse - 4:175** to wrap around the contents of the verses in between, through the miraculous proofs of the Most Praiseworthy, who has stamped the subject matter through His **Glorified Name - 66** and the **Miracle of the Seven Pairs**. The first and last verses present opposing subject matter - no guidance for the disbelievers compared to guidance and mercy for the believers. GOD addresses firstly the **disbelievers** while the subject ends by addressing the **true believers**. **Note the verses and their proofs:**

4:168 Those who disbelieve and transgress, **GOD** will not forgive them, nor will He guide them in any way.

4:175 Those who believe in **GOD**, and hold fast to Him, He will admit them into mercy from Him, and grace, and will guide them to Him in a straight path.

Revealed: The GV of **Allah letters** are **297** and **231** for each verse, **revealing the diff. of 66**, Subhan Allah. The serious consequences that await the disbelievers are evident through the **Revelation of Allah - 66**, whereas the mercy and grace of the Forgiver for the true believers is also clear through the **Sacred Number 66 - ALLAH**.

4:168 Allah letters are **20**, the messenger's letters are **27**, the sum of **47**.

4:175 Allah letters are **25**, the messenger's letters are **36**, the sum is **61**.

Revealed: The difference in the numbers **47** and **61**, which are interwoven with **Allah letters** and those of **His messenger** is **precisely 14** - **revealing the Ultimate Miracle of Seven Pairs**.

4:168 The GV of **Allah letters** was **297**.

This number represents the value of "**Rasoola**" - "**a messenger**". Note the content of the verse - it is coded to bring out the true meaning of disbelief of the rejectors of God's messengers. Therefore, they will not be forgiven or guided by GOD. Moreover, the only path they will be shown is the path to HELL, as **4:169** informs them. On the other hand, a profound number **231** awaits the believers which will be decoded by GOD so that the believers can be enlightened.

4:175 The GV of **Allah letters** was **231**.

Those who believed in **ALLAH 66** and **His Absolute Authority 165** will achieve this number **231**, as $66+165 = 231$. To assure the hearts of the believers, the number **231** opens up **verse 23:1** which reads bold and clear: **Successful indeed are the believers**. This verse is now further opened up to reveal the precise meaning according to the revelations and the message.

23:1 **Successful indeed are the believers**.

Revealed: The **verse** comprises of **14 Arabic letters** - the **true Miracle of Seven Pairs**. This is the only verse in the Quran of its own kind, and is composed of **14 letters**.

Revealed: The **Allah letters** are **4** and the **messenger's letters** are **10**, **revealing the sum of 14** also.

Revealed: Out of **14 Arabic letters** of the verse, there are **10 letters** that are **Quranic Initials** and **4 letters** that are not. The split of **4** and **10** is Matching and is the same as the split of Allah letters **4** and the messenger's letters **10** to total **14**.

The verse is composed of **3 Arabic Words**. They are: **Kadd Aflahah Al-Muhminoon**.

The first 2 words "Kadd Aflahah" mean: Successful indeed are – the GV of Arabic letters is **223**. The 3rd word is Al-Muhminoon which also has the GV as **223**. This gives it an added importance as the coded word of "**the believers – 223**" is repeated twice through the words of the verse, informing the followers of the Quran that only the true believers can be successful in achieving the desired results – forgiveness and redemption from the Most Gracious and the reward of Paradise.

Taking you back to the number 231, which had the hidden component of Allah 66 and His Absolute Authority 165 adding up to 231, thus opening up the verse for and on the Believers, as you just witnessed, I will now bring out the important **verse 4:170** out of the same set of verses. GOD will again reveal and confirm the truth and the meaning of the **number 231**, Subhan Allah.

4:170 Part 1: **O people, the messenger has come to you with the truth from your Lord. Therefore, you shall believe for your own good.**

4:170 Part 2: **If you disbelieve, then to GOD belongs everything in the heavens and the earth. GOD is Omniscient, Most Wise.**

Revealed: The **messenger's letters** are **25** and **24**, **revealing the diff. of 1** – a clear Message from **ALLAH** regarding His Profound and **Sacred**

Revelation of 1 sent down to the people through the messenger. The numbers **25 and 24** will open up further revelations if I had the time to show you, but it will only lengthen this Sermon. For reference's sake, open up **verse 25:24** arising out of these numbers, and read through till **verse 25:30. These will be 7 verses.**

Revealed: The GV of Allah letters are **165 and 231, revealing the diff. of 66**, Subhan Allah.

NOTE these very important numbers revealed by ALLAH, Most Glorified. The 1st part of the verse informs the people that the messenger has come with the truth from your Lord and to believe in him is for your own good - is marked and stamped with the **number 165**, revealing the Test regarding the Absoluteness of GOD conducted through His messengers. Part 2 of the verse reveals the **number 231** that I discussed earlier through the same set of verses and confirmed again through this verse. The precise difference revealed is the **Name of Allah - 66**.

4:171 Part 1: GOD is only one god. Be He glorified; He is much too glorious to have a son.

4:171 Part 2: To Him belongs everything in the heavens and everything on earth. GOD suffices as Lord and Master.

Revealed: The Allah letters are **14 and 15, revealing the diff. of 1**.

Revealed: The messenger's letters are **18 and 19, revealing the diff. of 1**.

Revealed: Part 1: Allah letters are **14**, Part 2, the messenger's letters are **19, revealing the Sacred Codes** to confirm the eternal truth that **GOD is Eternally and Absolutely ONE**, and does not have a son or any partners in His Kingship and Sovereignty over the universe.

GOD guides through the Scripture; Those who stray away from the Scripture make up innovations and falsehood; calling Jesus the son of GOD is lies against GOD and a Blasphemy; Messengers sent to clarify matters and to proclaim the Truth

5:16 With it, **GOD** guides those who seek His approval. He guides them to the paths of peace, leads them out of darkness into the light by His leave, and guides them in a straight path.

5:17 Pagans indeed are those who say that **GOD** is the Messiah, the son of Mary. Say, "Who could oppose **GOD** if He willed to annihilate the Messiah, son of Mary, and his mother, and everyone on earth?" **To GOD belongs the sovereignty of the heavens and the earth, and everything between them. He creates whatever He wills. GOD is Omnipotent.**

5:18 The Jews and the Christians said, "We are **GOD's** children and His beloved." Say, "Why then does He punish you for your sins? You are just humans like the

other humans He created." He forgives whomever He wills and punishes whomever He wills. **To GOD belongs the sovereignty of the heavens and the earth, and everything between them, and to Him is the final destiny.**

5:19 O people of the scripture, our messenger has come to you, to explain things to you, after a period of time without messengers, lest you say, "We did not receive any preacher or warner." A preacher and warner has now come to you. **GOD** is Omnipotent.

Those who attribute lies to the messengers and against GOD are really exposed through the messengers who are given Divine Inspiration to proclaim the Truth and to expose and defeat the falsehood.

The lies of the pagans, as well as of the Jews and the Christians who believe that ALLAH is the Messiah, or believe that Jesus (the human messenger) is the son of ALLAH, and also falsely take it for granted that they are ALLAH'S beloved as they are His children, have now been exposed and ridiculed by ALLAH regarding their utter nonsense and lies. In each of the verses outlining their crime and gross sin of blasphemy against ALLAH'S Sovereignty and Absoluteness, as given in **5:17-18**; both of the verses carry ALLAH'S statements of complete Sovereignty and Control over the heavens and the earth and everything in between, without having any partners, to reinforce the Truth of this FACT.

By taking **the 1st parts** of both verses which are separated by the Statements of Absoluteness in **the 2nd parts**, I will let you witness the Miracle of the Seven Pairs through **the 1st parts** when compared with each other. **Observe the Miracle!**

5:17 Part: Pagans indeed are those who say that **GOD** is the Messiah, the son of Mary. Say, "Who could oppose **GOD** if He willed to annihilate the Messiah, son of Mary, and his mother, and everyone on earth?"

5:18 Part: The Jews and the Christians said, "We are **GOD's** children and His beloved." Say, "Why then does He punish you for your sins? You are just humans like the other humans He created." He forgives whomever He wills and punishes whomever He wills.

Revealed: The Allah letters are **37** and **23**, **revealing the diff. of 14 - the Seven Pairs Miracle** has now proven that the pagan and idol worshipping Jews and Christians have invented lies against ALLAH, for which they will face His Wrath on the Day of Resurrection. Those Jews and Christians who firmly believe in the Monotheist GOD, and submit to Him, while believing in the past, present and future revelations of GOD will be spared the agony of the Hellfire.

5:19 Hidden Secret about the Messengers Revealed through the Quran:

5:19 Part 1: O people of the Scripture, our messenger has come to you, to explain things to you, after a period of time without messengers.

5:19 Part 2: Lest you say, “We did not receive any preacher or warner.” A preacher and warner has now come to you. **GOD** is Omnipotent over all things.

Revealed: The **Allah letters** are **14** and **15**, **revealing the diff. of 1.**

The first part is marked with **14 Allah letters** denoting the time of **14 centuries** that passed by without messengers, after the Quran was revealed to prophet Muhammad.

The actual words in Arabic stating: “after a period of time without messengers” is perfectly **14 Arabic letters** pointing out once again the time of **14 centuries** during which GOD did not send any messengers. But now the Most Gracious has revealed His Secrets through the couple of messengers sent to deliver the mathematical Quran. The messenger’s letters will now be revealed through the Revelation of 1, as per God’s will.

5:19 Part 1: O people of the Scripture, our messenger has come to you, to explain things to you, after a period of time without messengers.

5:19 Part 2: Lest you say, “We did not receive any preacher or warner.” A preacher and warner has now come to you.

Revealed: The **messenger’s letters** are **23** and **22**, **revealing the diff. of 1.**

A special additional marking of ALLAH appears in specific portions of the verse which read in order to alert the people about this MESSAGE and the Messenger.

5:19 Part: Lest you say, “We did not receive any preacher or warner.”

Revealed: The GV of **Allah letters** is a **Perfect 66** to warn the followers of Quran and others that the Ultimate Revelations of Allah and His Sacred Codes have now come, Subhan Allah.

5:19 Part: A preacher and warner has now come to you.

Revealed: The **Allah letter** is **only 1** in this part which is **an Aleef** with the GV of **1**.

Revealed: The **messenger’s letters** are precisely **7** based on the **Miracle of 7**.

As it is clearly marked with the Proof of Absoluteness with an Aleef only, this proves that the Ultimate Revelations have come and delivered to the people. These parts of the verses have clarified and confirmed this Message – the Messenger sent to preach the Sacred Name of Allah who is 1 in Absolute Authority and controls the heavens and the earth.

Forgiveness and Punishment is controlled by GOD under His Absoluteness

5:40 Do you not know that GOD possesses the sovereignty of the heavens and the earth? He punishes whomever He wills, and forgives whomever He wills. GOD is Omnipotent.

5:41 O you messenger, do not be saddened by those who hasten to disbelieve among those who say, "We believe," with their mouths, while their hearts do not believe. Among the Jews, some listened to lies. They listened to people who never met you, and who distorted the words out of context, then said, "If you are given this, accept it, but if you are given anything different, beware." Whomever **GOD** wills to divert, you can do nothing to help him against **GOD**. **GOD** does not wish to cleanse their hearts. They have incurred humiliation in this world, and in the Hereafter, they will suffer a terrible retribution.

5:42 They are upholders of lies, and eaters of illicit earnings. If they come to you to judge among them, you may judge among them, or you may disregard them. If you choose to disregard them, they cannot harm you in the least. But if you judge among them, you shall judge equitably. **GOD** loves those who are equitable.

One of the Attributes of GOD which He reserves exclusively for Himself is to forgive whomever He likes and to punish whomever He likes. The people's belief will be measured in relation to their belief in GOD'S messengers and His revelations. This Attribute is part of the Absoluteness and Sovereignty of GOD. For this reason, take special note of the revelation revealed below, in relation to GOD and His messengers.

5:40 Part 1: He punishes whomever He wills.

5:40 Part 2: And forgives whomever He wills.

Revealed: The Allah letters are 1 and 2, **revealing the diff. of 1.**

Revealed: The messenger's initials are 4 and 5, **revealing the diff. of 1.**

Revealed: The messenger's letters are 5 and 6, **revealing the diff. of 1.**

In verses 5:18 and 5:40, the Absoluteness of GOD is proclaimed as being the only One who can punish or forgive His creatures. For Mathematical accuracy and perfection, the Statements are repeated in verses away from each other, to again provide the Truth of these verses and to reaffirm the Revelations given to the messenger, as you shall see.

5:18 Part: He forgives whomever He wills, and punishes whomever He wills.

5:40 Part: He punishes whomever He wills, and forgives whomever He wills.

Revealed: The **Allah letters** are **3** and **3** – **Perfectly Matched.**

Revealed: The **messenger's letters** are **11** and **11** – **Perfectly Matched.**

Revealed: Each Verse: The **Allah letters** are **3** and the **messenger's letters** are **11 to add to 14.**

Revealed: The GV of the **messenger's letters** are **258** and **258** for each verse. **These represent the GVs of God's messenger, Abraham.** Whoever believes and follows the **religion of Abraham – monotheism** – without committing idol worship, **will be redeemed by GOD.**

5:41 Part: Who say, "We believe," with their mouths, while their hearts do not believe.

Revealed: The GV of **Allah letters** is **110** – the majority of the followers of the Scripture as well as the believers do not believe in the Absoluteness of Allah, nor do they obey all His commands. They have doubts in the messenger and therefore remain as hypocrites.

Revealed: The **messenger's letters** are **19** – a clear proof to expose the hypocrisy of the people.

5:41 Part 1: Whomever **GOD** wills to divert, you can do nothing to help him against **GOD.**

5:41 Part 2: **GOD** does not wish to cleanse their hearts.

5:41 Part 3: They have incurred humiliation in this world, and in the Hereafter, they will suffer a terrible retribution.

Revealed: The **Allah letters** for each part are **14-13-12**, **revealing the diff. of 1.**

5:41 Part: Then said, "If you are given this, accept it, but if you are given anything different, beware."

Revealed: The **messenger's letters** are **19** – a clear authorization of **GOD.** Those who set up conditions and idols to accept the messenger's revelations and message revealed to him by **GOD** are hereby exposed through the **Code of 19** under the name letters of the messenger.

5:41 Part 1: Then said, "If you are given this, accept it."

5:41 Part 2: "But if you are given anything different, beware."

Revealed: The **Allah letters** are **6** and **5**, **revealing the diff. of 1.**

Revealed: The GV of the **messenger's letters** are **314** and **152**, **revealing the diff. of 162 for Al Islam**. Those who set up conditions to accept the messenger's revelations and message are really not submitters or muslims, as the revelation of **162** proves through the GV of the messenger's letters. Such people blaspheme God's Absolute Authority as **1**, as the revelation through His name letters proves.

5:118 "If You punish them, they are Your constituents. If You forgive them, You are the Almighty, Most Wise."

Revealed: The **Allah letters** are stamped as **14**, informing us that GOD alone has the privilege and power to punish or to forgive His creatures.

5:119 GOD will proclaim, "This is a day when the truthful will be saved by their truthfulness." They have deserved gardens with flowing streams. They abide therein forever. GOD is pleased with them, and they are pleased with Him. This is the greatest triumph.

5:120 To GOD belongs the sovereignty of the heavens and the earth, and everything in them, and He is Omnipotent.

5:119 Part: GOD will proclaim, "This is a day when the truthful will be saved by their truthfulness."

5:119 Part: They have deserved gardens with flowing streams. They abide therein forever.

Revealed: The **messenger's letters** are **15** and **14**, **revealing the diff. of 1**.

5:119 Part: They have deserved gardens with flowing streams. They abide therein forever.

Revealed: The **Allah letters** are **13** and the **messenger's letters** are **14**, **revealing the diff. of 1**.

5:119 Part: GOD is pleased with them, and they are pleased with Him.

Revealed: The **Allah letters** are **7** and the **messenger's letters** are **8**, **revealing the diff. of 1**.

Revealed: The GV of **Allah letters** is **77** – the **Seven Pairs** defines the reason for GOD being pleased with the believers who followed Makbool through this Revelation.

Revealed: The GV of the **messenger's letters** is **222** – for "**Rabbayka**" – "**your LORD**". Surely, your Lord will be pleased with the decision you have made if you follow through with all the commands given in the Quran

steadfastly.

5:119 Part: This is the greatest triumph.

Revealed: The **Allah letters** are **5** and the **messenger's letters** are **6**, **revealing the diff. of 1.**

5:119 Part: They have deserved gardens with flowing streams. They abide therein forever.

Revealed: The **messenger's letters** are **14** – the **Code of Seven Pairs** confirms our belief.

5:119 Part: **GOD** is pleased with them, and they are pleased with Him. This is the greatest triumph.

Revealed: The **messenger's letters** are **14** – the **Code of Seven Pairs** confirms God's pleasure with the believers who followed the Ultimate Revelations and Proofs.

The Attribute of Mercy of the Absolute God applies only to the Believers

6:10 Messengers before you have been ridiculed. It is those who mocked them who suffered the consequences of their ridiculing.

6:11 Say, "Roam the earth and note the consequences for the rejectors."

6:12 Say, "To whom belongs everything in the heavens and the earth?" Say, "To GOD." He has decreed that mercy is His attribute. He will surely summon you all on the Day of Resurrection, which is inevitable. The ones who lose their souls are those who disbelieve.

6:13 To Him belongs everything that dwells in the night and the day. He is the Hearer, the Knower.

6:14 Say, "Shall I accept other than **GOD** as a Lord and Master, when He is the Initiator of the heavens and the earth, and He feeds but is not fed?" Say, "I am commanded to be the most devoted submitter, and, 'Do not be an idol worshiper.'"

6:15 Say, "I fear, if I disobeyed my Lord, the retribution of an awesome day.

6:16 "Whoever is spared (the retribution), on that day, has attained His mercy. And this is the greatest triumph."

These are a set of 7 verses. The subject of Absoluteness of ALLAH is again reflected through the messengers who themselves are commanded to be devoted submitters by accepting God's revelations and to refrain from idolatry by following other sources besides Allah. The disbelievers and hypocrites who refuse to accept God's messengers are also mentioned through this important

set of verses and the consequences are narrated for them in a proven way. Note the LINKAGE of the verses:

6:10 & 6:11 Messengers before you have been ridiculed. It is those who mocked them who suffered the consequences of their ridiculing. Say, "Roam the earth and note the consequences for the rejectors."

6:12 Part: Say, "To whom belongs everything in the heavens and the earth?" Say, "To **GOD**."

Revealed: The **Allah letters** are **26** and **12**, **revealing the diff. of 14**. When the clear answer is that everything belongs to ALLAH, then how dare the disbelievers refuse and reject His messengers who come with His Authorization and Messages? The consequences of annihilation and retribution are all connected and relevant to the messengers.

Messengers Proclaim Monotheism and Sovereignty of GOD while introducing themselves

7:158 Say, "O people, I am GOD's messenger to all of you. To Him belongs the sovereignty of the heavens and the earth. There is no god except He. He controls life and death." Therefore, you shall believe in GOD and His messenger, the gentile prophet, who believes in GOD and His words. Follow him, that you may be guided.

7:159 Among the followers of Moses there are those who guide in accordance with the truth, and the truth renders them righteous.

Messengers declare and proclaim GOD'S Sovereignty and Absoluteness over

everything in the universe. In verse 7:158, where the human messenger proclaims and declares to be from GOD, he also proclaims the Sovereignty of GOD over the heavens and the earth, and recites the Shahadah stating that GOD is ONE. Note the Proofs:

7:158 Part: Say, “O people, I am **GOD’S** messenger to all of you.”

Revealed: The **messenger’s letters** are **19**, Praise be to GOD, followed by:

7:158 Part: To Him belongs the Sovereignty of the heavens and the earth.

7:158 Part: To Him belongs the sovereignty of the heavens and the earth. There is no god except He. He controls life and death.

Revealed: The messenger’s proclamation given above is composed of **19 Allah letters** with the GV of **263**. GV of **Allah letters 263 + Allah 66 = 329**, **revealing Al-Rahman.**

7:158 Part: “I am **GOD’S** messenger to you.”

Revealed: The GV of **Allah letters** is **128**, revealing the name of the current messenger.

Revealed: The GV of the **messenger’s letters** is **296** for “**messenger**” revealing the position and the rank assigned by ALLAH.

Revealed: The **messenger’s letters** are **10** and the GV is **296**, the sum is **306**, **revealing the full name of the messenger as Makbool Husain.**
Alhumdo Lillah.

7:158 Part: “I am **GOD’S** messenger to all of you.”

Revealed: The **messenger’s letters** are **12** and the **Arabic letters** are **21** – the **Pattern of 1221**.

Disbelief in the Revelations is distortion of GOD’S Name which equates the disbelievers with the animals

7:179 We have committed to Hell multitudes of jinns and humans. They have minds with which they do not understand, eyes with which they do not see, and ears with which they do not hear. They are like animals; no, they are far worse - they are totally unaware.

7:180 To GOD belongs the most beautiful names; call upon Him therewith,

and disregard those who distort His names. They will be requited for their sins.

7:181 Among our creations, there are those who guide with the truth, and the truth renders them righteous.

7:182 As for those who reject our revelations, we lead them on without them ever realizing it.

The central theme and meaning of the above set of verses is that the majority of jinns and humans have been predetermined to go to Hell. This is because they will lie against ALLAH during the Test period; they will not accept the Truth from Him; they will not use the blessings and faculties of mind, eyes, and ears to see, recognize, agree, and appreciate the Truth from GOD. Thus, they will behave like the animals - even worse, thereby doing worse things than the animals can do, and will remain unaware of their Creator and the Hereafter. By attributing lies against ALLAH, or by rejecting the Truth from Him, they blaspheme the Glory of His Sacred Name which is a direct affront to His Absoluteness. This is why the verse citing ALLAH having the most beautiful names is accompanied immediately by the verse which mentions that some creations of GOD will guide with the Truth, whereas others will remain astray during this life and in the Hereafter due to their rejection of His Revelations. God knows the disbelievers amongst the jinns and humans and has put them on the path of straying that they have chosen for themselves by not using the minds, eyes and ears to recognize the truth from falsehood, and by deciding to remain heedless in this life. **NOTE** the parts of the important **verse 7:179**.

The verse is marked with **the Sacred Codes of 19 and 14** at the outset. The first part of the verse consisting of **19 Arabic letters** is up to the word “**kaseeran**”, meaning “**multitudes or majority.**”

7:179 Part: We have committed to Hell multitudes (of jinns and humans).

Revealed: The **Arabic letters** are **19** and engraved with **14 Quranic Initials** to reveal the profound predetermined decision of GOD, after knowing **the Future** of the jinns and the humans, revealed through **the Sacred Codes**.

7:179 Part: They have minds with which they do not understand.

7:179 Part: Eyes with which they do not see.

7:179 Part: And ears with which they do not hear.

Revealed: The **Aleefs of Absoluteness** are: **2-3-4**, **revealing the diff. for each part is Absolutely 1.**

Revealed: The **Allah letters** are: **8-7-8**, **revealing the diff. for each part is Absolutely 1.**

7:179 Part: (Disbelievers Compared to Animals) They are like animals; no, they are far worse – they are totally unaware.

Revealed: The **Allah letters** are **15** and the **messenger's letters** are **16**, **revealing the diff. of Absolutely 1.**

The above Revelation of 1 revealed through the Allah letters and those of His messenger has clarified that the correct belief can only be achieved through God's messengers who bring the guidance from Him. Those who reject any of the messengers are compared to the animals, as the Revelation proves. Let me separate the ending part of the verse into 2 parts – being like animals from being totally unaware.

7:179 Part: They are like animals; no, they are far worse.

7:179 Part: They are totally unaware.

Revealed: The GV of the **messenger's letters** are **258** and **192**, **revealing the diff. of Absolutely 66.** The number **258** represents the value of **Abraham**, which means that the disbelievers failed to follow the "**religion of Abraham – monotheism**" and the number **192** represents the value of "**the humans**," – those humans who disregarded and failed to uphold the religion of their father – Abraham, who never was an idol worshiper. These values are revealed through the current messenger, and therefore shed light on the "**true Islam**" as advocated by the Most High.

Revealed: The entire **verse 7:179** has **49 Allah letters**, which is **7 x 7**, **revealing the Miracle of the Seven Pairs.**

Revealed: This profound verse that states the system and the predetermined decision of ALLAH bears precisely **66 messenger's letters**, proving once again that the messenger's name is in the **Master Record** of the **Most Gracious**, Alhumdo Lillah.

Guidance, Redemption, Sending Astray, and Controlling Life and Death are all part of the Attribute of Absoluteness of GOD

9:115 **GOD** does not send any people astray, after He had guided them, without first pointing out for them what to expect. **GOD** is fully aware of all things.

9:116 **To GOD belongs the sovereignty of the heavens and the earth. He controls life and death. You have none beside GOD as a Lord and Master.**

9:117 **GOD** has redeemed the prophet, and the immigrants (Muhajireen) and the supporters who hosted them and gave them refuge (Ansar), who followed him during the difficult times. That is when the hearts of some of them almost wavered. But He has redeemed them, for He is Compassionate towards them, Most Merciful.

9:118 Also (redeemed were) the three who stayed behind. The spacious earth became so straitened for them, that they almost gave up all hope for themselves. Finally, they realized that there was no escape from **GOD**, except to Him. He then redeemed them that they may repent. **GOD** is the Redeemer, Most Merciful.

9:119 O you who believe, you shall reverence **GOD**, and be among the truthful.

The Miracles and the Future is Controlled by the Absolute GOD

10:19 The people used to be one congregation, then they disputed. If it were not for a predetermined word from your Lord, they would have been judged immediately regarding their disputes.

10:20 They say, "How come no miracle came down to him from his Lord?" Say, "The future belongs to **GOD**; so wait, and I am waiting along with you."

10:21 When we bestow mercy upon the people, after adversity had afflicted them, they immediately scheme against our revelations! Say, "**GOD**'s scheming is far more effective. For our messengers are recording everything you scheme."

Revealed: In verse **10:19**, the **Allah letters** are **24** and the **messenger's letters** are **38**, **revealing the diff. of 14**.

Revealed: The **verse number** is **19** and the **messenger's letters** are **38**, **revealing the diff. of 19 - the Revelation of the Sacred Codes**.

The verse is first marked with **19 Allah letters** followed by **14 messenger's letters** to reveal the Sacred Coding along with the truthful meaning and explanation.

10:19 Part 1: The people used to be one congregation, then they disputed. If it were not for a predetermined word from your Lord.

10:19 Part 2: They would have been judged immediately regarding their disputes.

Revealed: **Part 1** has **Allah letters 19** and **Part 2** has **messenger's letters 14**, **revealing the Sacred Codes**.

Verse 10:19 does not mean that the humans have always been "**one congregation**" in the sense an average reader may understand. It specifically talks about the people under the congregation of the messenger, which is called the "**one congregation**." Such people who believed through a past messenger but refuse to accept any future messengers, (as has happened with the followers of Rashad after his death) are lumped with the disbelievers who dispute about **GOD'S** Absolute Authority to accept future messages. The majority of the followers of Rashad refuse to believe or follow any future messengers and have rejected this vital and important Message of **GOD**. This kind of behavior has happened in the past throughout all times, and such people break **God's** religion

into sects through their personal opinions and ego.

10:20 They say, "How come no miracle came down to him from his Lord?"
Say, "The future belongs to GOD; so wait, and I am waiting along with you."

What is the Miracle hidden in this verse for this time?

Revealed: The Aleefs are **10** while the Allah letters are **24**, revealing the diff. of 14. This special Coding of God reveals the Miracle that the disbelievers demand and even though the messenger has produced it to them, they still refuse to believe out of arrogance and audacity. More specific miracles are revealed through parts of the verse.

10:20 Part: They say, "How come no miracle came down to him from his Lord?"
Say, "The future belongs to ALLAH."

Revealed: The Allah letters are **19** and the GV is **296**, revealing "Messenger". The Miracle that the disbelievers demand has been revealed through the **Messenger - 296** under the Absolute Authority of ALLAH who has revealed this under **19** letters of His Name.

10:20 Part: Say, "The future belongs to Allah."

Revealed: The Allah letters are **8** and the messenger's letters are **9**, revealing the diff. of 1.

Revealed: The GV of Allah letters is **precisely 128** – the future really belongs to Allah and He has revealed the name of the messenger sent with the Ultimate Miracle fulfilling the promise for the future.

10:20 Part 1: They say, "How come no miracle came down to him from his Lord?"

Revealed: The GV of Allah letters is **168 = 14 x 12**. The Miracle that GOD had decided to send was the Ultimate Miracle of the Seven Pairs to confirm everything in the Quran.

10:20 Part 2: Say, "The future belongs to GOD; so wait, and I am waiting along with you."

Revealed: The GV of Allah letters is **162**, revealing "Al Islam" or "The Submission". The promise of GOD to provide the Proofs for the truth of the religion, Islam, and the messenger to bring the guidance and the religion of truth has now been fulfilled, Alhumdo Lillah.

The 3rd verse in the above set is 10:21. God talks about bestowing mercy after adversity had afflicted them. The messenger is a mercy from GOD and the fulfillment of the blessings as mentioned in the imploring of the believers in verse 3:194. Even though the messengers come with clear and solid proofs, most of the followers of the scripture scheme against the messenger and against God's revelations by rejecting them. But the Absolute GOD holds the key to everything in the Universe and His scheming is sublime and discreet, about which the disbelievers never have any idea or hint. His commands and plans are thus carried out.

10:21 When we bestow mercy upon the people, after adversity had afflicted them, they immediately scheme against our revelations! Say, "GOD's scheming is far more effective. For our messengers are recording everything you scheme."

Revealed: The Allah letters are 28, a multiple of 14.

Revealed: The messenger's letters are 38, a multiple of 19. The Sacred Coding of this verse is testimony to GOD'S effective scheming and exposure of the hypocrites and the disbelievers.

Revealed: The combination of Allah letters 28 and the messenger's letters 38 provide the Perfect Proof of 66, thereby revealing the Glorified Name of the Most High, Most Wise, Allah.

NOTE: Verse 10:19 has the messenger's letters 38 as well as verse 10:21 with 38 letters, thus Matching. In verse 10:19 the followers of the previous messenger dispute and break up the "one congregation" by demanding miracles and refusing to accept future messengers, and in verse 10:21, GOD points out to the mercy of guidance compared to the confusion, hypocrisy, and disbelief that prevailed before the messenger came to the people. Which is better? The true believers readily know and understand the value of mercy and guidance, compared to the adversity of disbelief and satan's grip on them.

No Amount of Ransom will save the Disbelievers from the Absolute God

10:54 If any wicked soul possessed everything on earth, it would readily offer it as ransom. They will be ridden with remorse when they see the retribution. They will be judged equitably, without the least injustice.

10:55 Absolutely, to GOD belongs everything in the heavens and the earth. Absolutely, GOD's promise is truth, but most of them do not know.

10:56 He controls life and death, and to Him you will be returned.

In this set of 3 verses, there is the clear warning to the wicked disbelievers that everything belongs to the Ruler of the entire Dominion and Universe, and He will surely fulfill His promise of the Day of Judgment. On that Day, no amount of ransom, even if someone was to think of it, would save the wicked disbelievers

from GOD'S retribution of HELL. As GOD controls life and death, everyone will eventually return back to Him. There is no one else to go to except GOD. There is no other place to go to except back to GOD, the Creator of all things.

Revealed: In verse **10:54**, the **Allah letters** are **32**.

Revealed: In verses **10:55-56**, the **Allah letters** are **31**, **revealing the diff. of 1**, Subhan Allah.

The Absoluteness of GOD is again projected and revealed through His messenger through the Statement issued in **10:55**.

10:55 Part: **Absolutely, to GOD belongs everything in the heavens and the earth.**

Revealed: The **Allah letters** are **13** and the **messenger's letters** are **12**, **revealing the diff. of 1**.

Revealed: The GV of **Allah letters** is **162** for the law, rule, and religion of Submission that is ordained and decreed for everything and every creation in the Universe – to obey God's commands and to submit to His Will.

10:55 Part: **Absolutely, GOD'S promise is the TRUTH.**

Revealed: The **Allah letters** are **8** and the **messenger's letters** are **7**, **revealing the diff. of 1**.

With this, I end my Sermon for today. God's Words can never run out. Be He Glorified. I hope that the recitation of these verses has broadened and enlightened your thinking, understanding and vision of God's revelations. Compare the wisdom derived through the recitation of the verses by the messenger with proofs, or when you read on your own without proofs. The Subject of Absoluteness is a vast one, and God willing, if I have the time, I will surely enlighten you some more on it. **What a Marvel of GOD – the Sacred Codes** dictate the messenger and what he writes. Subhan Allah. Even this statement of mine is backed up by the Almighty and His Absolute Proofs as you shall witness.

10:61 Part: You do not get into any situation.

Revealed: The GV of **messenger's letters** is **162**.

10:61 Part: Nor do you recite any Quran.

Revealed: The GV of **messenger's letters** is **412**.

The **situation** created for me by the **Absolute Allah** is to preach **ISLAM 162** to everyone who wants to take heed, through the recitation of the **verses 412** (aayaat) and **Revelations 412** (aayaat) of **the Quran**.

$$162,412 = \underline{19} \times 8548$$

$$162+412 = 574 = \underline{14} \times 41$$

**Peace be upon the messengers.
Praise be to Allah, Lord of the Universe.**
