Sermon # 3: THE VALUE GOD PLACES ON BELIEVERS: WHY THE BELIEVERS ARE ALWAYS FEW (CODED VERSE SUMS IT UP!)

**I seek refuge in Allah from satan the rejected.
In the name of Allah, The Most Gracious, The Most Merciful.**

I have delivered a khutbah in the past on a similar subject titled “**Most and Few**” which was delivered in 2 parts on February 16 and March 2, 2007. In that Sermon, I covered most of the verses from the Quran confirming that the disbelievers are always in the majority compared to the believers who have always been few at any given time. The reason behind this overwhelming disbelief in Allah, His Scriptures, His angels, His messengers and the Day of Judgment was also provided in that sermon. You may want to know the definition of a “**believer**” and what part this status plays in the belief and acceptance of it, by Allah. I will summarize the coded message through various verses which use the word “**believer**” in them, and are addressed to them. This should dispel the notion about following any kind of unproven guidance of unauthorized humans, and to overcome the doubts and false doctrines that you may have, or may have heard.

A believing person wondered through his email in the past that there are over 6 billion humans on this planet, and that GOD has chosen to guide only a few of us? I was going to respond to his wonderment, but due to lack of time, I could not. Instead, I will now present some enlightenment on this subject for all of you. I will show you extensive proofs through a certain verse later on, which will sum up the coded message of God regarding the believers who are always few. This has already been predetermined by GOD, and He has created everything after **recording** and **witnessing it**.

Let me recite verses on the 2 words – **recorded and witnessed**.

22:70 Do you not realize that **GOD** knows everything in the heavens and everything on earth? All this is **recorded** in a record. This is easy for **GOD** to do.

Revealed: The **Aleefs** are **11** and the **Allah letters** are **25**, **revealing the diff. of 14**. When ALLAH has so precisely calculated the Aleefs and Allah letters, while narrating a smooth flowing verse to reveal the Code of Seven Pairs, which is already stated through the verse in the Quran; could there be any doubt about the recording of everything in the universe? All of this is easy for Allah, as He has said.

Note **Part 1** whereby the **believers 223** are being informed about this precise

recording and record, and **Part 2** of the verse through the example of the name letters of the messenger recorded in the glorious **Quran, 352**.

22:70 Part 1: Do you not realize that **GOD** knows everything in the heavens and everything on earth?

Revealed: The GV of **Allah letters** is **223**, **revealing “believers”**. Allah is addressing the believers through the Quran to inform them of the prior recording and witnessing of everything.

Revealed: The **Aleefs** are **8** and **messenger’s letters** are **17**, **revealing the messenger, 178**.

22:70 Part 2: All this is **recorded** in a record. This is easy for **GOD** to do.

Revealed: The GV of **messenger’s letters** is **352**, **revealing Quran**. When Allah has proven to have recorded messenger’s letters in the glorious Quran in such a profound and coded way, could there be any doubt about His Absolute Power and Wisdom as the Omnipotent Lord capable of all things? He even provides proof behind everything He says in the Quran.

36:12 Part: Everything we have counted in a profound record.

Revealed: The GV of **messenger’s letters** is **306**, revealing the recorded name of the messenger in God’s prior and Master Record of all things. The specific role and rank of the messenger was already decided and recorded by the Most Gracious before sending me on earth at this time. You have seen through 2 different verses – **22:70** and **36:12** – on the profound record of Allah, proving that He has recorded everything by revealing the value of **Quran** – **352** and **Makbool Husain** – **306** through the **messenger’s letters**. Note something else now – **Allah** has recorded the verses and inscribed the values of Quran and the messenger precisely **14 chapters** apart to show you **the Miracle of the Seven Pairs (chapters 36 and 22, revealing the diff. of 14)**.

Revealed: Also revealed is the fact that both of these parts of verses are recorded under the Seven Pairs, as the **Allah letters** are in the perfect sequence of **9** and **5** in each verse to total **14**. The numbers 9 and 5 provide testimony to the recording of the verses **128** and **178** under the messenger’s name in the Quran. The GV of **14 Allah letters** is **196 = 14 x 14**. For both verses, the GV of **Allah letters** is **196** and of the messenger is $(352+306 = 658)$ is **658**, **revealing the diff. of 462 for “Al-Furqan” or “the Statute Book”**. This number is **462 = 7 x 66** or **14 x 33**.

54:52 Everything they did is recorded in the scriptures.

54:53 Everything, small or large, is written down.

Revealed: The GV of **Allah letters** are **96** and **30**, revealing the diff. of 66, Subhan Allah.

Revealed: The combined GV of **Allah letters** is **126** and of the **messenger** is **288**, revealing the diff. of 162.

The revelation of **66** through Allah letters and **162** through inclusion of messenger's letters is evidence of the fact that the belief, performance, or disbelief of, and the consequences for every human being has already been recorded. This profound record of Allah maintains the exact record, from the beginning of time to the Day of Judgment. This Record contains the exact number of righteous and believing people who will believe in **Allah - 66**, and **duly submit** through His messengers - **162** as compared to the number of disbelievers. Each one of them is fully recorded, marked, and identified by the Most Wise.

Now I turn to the next subject of Allah being the witness over everything in the universe, including the choosing of messengers.

4:33 Part: Allah witnesses all things.

Revealed: The **Allah letters** are **10** and **messenger's letters** are **9**, revealing the diff. of 1.

85:9 Part: And Allah witnesses all things.

Revealed: The **Allah letters** are **7** and **messenger's letters** are **8**, revealing the diff. of 1.

34:47 Part 1: Say, "I do not ask you for any wage; you can keep it."

34:47 Part 2: My wage comes only from **GOD**. He witnesses all things.

Revealed: The **Allah letters** are **7** and **14**, revealing the Code of the Seven Pairs.

34:47 Part 2: My wage comes only from **GOD**.

34:47 Part 3: He witnesses all things.

Revealed: The **messenger's letters** are **7** and **7**, revealing the perfect Code of Seven Pairs.

Revealed: Both Parts: The **Allah letters** are **14** and the **messenger's letters** are **14** – **the Perfect Matching** of letters shows that Allah has witnessed my appointment and I have also witnessed His revelations. Now

all of you have also witnessed the marvelous revelations of your Lord.

To answer the believing person's concern and wonderment, I agree with him that GOD has chosen to guide only a few people at any given time, especially when there are billions of humans on earth right now. This is consistent with the system of GOD given in the Quran. It was the predetermined decision of Allah who created the Test for the humans and the jinns after knowing ahead of time and recording all the events, decisions, and consequences of the future. This is why it is called the 2nd chance and the 2nd life. The system of messengers is well stated and recorded through **6:34**.

6:34 Part 1: Messengers before you have been rejected.

6:34 Part 2: And they steadfastly persevered in the face of rejection. They were persecuted until our victory came to them.

Revealed: The GVs of **messenger's letters** are **450** and **272**, **revealing the diff. of 178**. Praise be to Allah, who has revealed a consoling message for me and the believers, by spelling out the messenger's name.

Revealed: Both Parts: The GV of **messenger's letters** is $722 = 19 \times 19 \times 2$.

Revealed: Both Parts: The **Allah letters** are **12** and the **messenger's letters** are **26**, **revealing the diff. of 14**.

6:34 Part 3: Such is Allah's system that will never change.

Revealed: The **Allah letters** are **9** and **messenger's letters** are **10**, **revealing the diff. of 1**. The name of this messenger is recorded with Allah, as "**the part on the system**" reveals and proves.

6:34 Part 4: The history of My messengers thus sets the precedents for you.

Revealed: The **messenger's letters** are **14**.

Revealed: Entire Verse: The GV of **messenger's letters** is $1498 = 14 \times 107$.

GOD has opened up the verse like never before, and it is clear now that the system of Allah throughout times reveals the rejection of messengers. By stamping the messenger's name and the sign of Seven Pairs given to me, it shows that I am not different from the other messengers, and the majority will still reject me and oppose the message.

Through **verse 6:34**, you have some idea now about the system and how the messengers are rejected each time by the majority of people. This history goes back in time to the Heavenly Feud which will establish the basis of God's system and the predetermined decisions made by Him. After seeing the verse unveiled by

God, there should be no doubts left about the words “**most**” and “**few**”. I will recite a historic verse which the Most Wise is going to unveil, thereby enabling us to understand the system of Allah better. It is perfectly coded with the letters of the messenger, making it the most profound message yet to be revealed from the Quran.

17:62 Part 1: He (satan) said, “Since You have honored him over me.”

17:62 Part 2: If you respite me till the Day of Resurrection, I will possess all his descendants, except a few.

Revealed: The messenger’s letters are **8** and **22**, **revealing the diff. of 14**.

Revealed: The GV of Allah letters are **99** and **227**, **revealing the diff. of 128**.

17:62 Part 1: He (satan) said, “Since You have honored him over me.”

17:62 Part 2: If you respite me till the Day of Resurrection.

Revealed: The messenger’s letters are **8** and **12**, **revealing the Pattern of 128**.

17:62 Part: I will possess all his descendants.

17:62 Part: Except a few.

Revealed: The Arabic letters are **12** and **8**, **revealing the Pattern of 128**.

How the words “**descendants**” – “**zurreyataho**” and “**few**” – “**kaleela**” are connected and linked?

Revealed: The Allah letters are **4** and the messenger’s letters are **5** in both words, **revealing the diff. of 1**.

Revealed: The GV of Allah letters is **66** and the messenger’s letters is **180**, **revealing the diff. of 114**. This proves that the believers will be few from the descendants from Adam, as **the revelation of 1** and **114 reveals**.

17:62 Part: I will possess all his descendants, except a few.

Revealed: The Allah letters are **9** and the messenger’s letters are **10**, **revealing the diff. of 1**.

Note that **Part 1** reveals the GV of Allah letters as **99**, which is for “**aamanoo**” – “**believe**” and **Part 2** reveals the GV as **227**, which is for “**al-muhmineen**” – “**the believers**”. This was the challenge from satan that he will possess all the

descendants of Adam, except the few sincere ones.

What does possessing the humans mean? It means that satan would remain opposed to the system of messengers as they deliver God's guidance, and will try his best that the believers do not follow and obey the messengers. When the people are deprived of the true guidance, they will remain unaware of God's laws and will not worship Him or care about His Absoluteness.

God had agreed and this is what you see and observe – satan has duped and influenced the majority not to believe in Allah, the angels, the scriptures (Quran), the messengers, and the Day of Judgment. He has also corrupted the ones who partially believe in avoiding the Salat prayers, not doing the Zakat charity, and not carrying out the other obligations and tenets of Islam. He has turned the majority into repelling from the path of Allah and to corrupt and distort Islam. He has divided the people into different religions and factions and made them enemies of one another. There is much more to all of this.

The **proof of 114** emerging out of the words “**descendants and few**” is evidence of the fact that it was already predetermined by GOD that only few will believe in His scriptures and the messengers sent to guide the people. The clear proof of 1 in the last part of the verse whereby satan claims that he will possess the majority, except the few, also reflects on the predetermined plan of GOD, through the intermingling of Allah letters and the current messenger. The devil – iblees, could not have said anything that was not in accordance with the will of the Lord of the Universe. The un-named messenger mentioned through the verses as **128** for **Husain** or **178** for **Makbool**, had already been chosen by GOD to serve and deliver the most profound message in the 21st century, close to the Day of Judgment, in order to provide the **FINAL PROOFS** of the **eternal existence and authority of ONE GOD – ALLAH**, the **One who has the Absolute Authority** over all the people as well as all other creations. The messenger has been chosen to remind the people about their Original Covenants and Pledges made with the Creator before coming to earth. The name of the messenger is included in the sacred words of GOD from the beginning to the end of this Test Period – from the creation of the 1st human being, Adam, to the creation of the last human being, and from the time of Original History to the Day of Judgment, Subhan Allah.

How did satan know about the Day of Judgment, or to ask for respite till that time? How could he know about prime matters, the system of God, and His plans for the future, to judge between His creatures? The truth of the matter is that no knowledge can be acquired or known till GOD reveals or discloses it. It is apparent that GOD addressed the Children of Adam about His plan for the future, and therefore took their pledges and covenants as a farewell note and reminder before coming to earth. This is how satan also came to know about God's Plans and the Test implemented for His rebellious creatures. You can get a good

indication through **verses 2:38-39** and others. Here is another set of verses on the Original History and the predetermined decision of Allah.

38:82 He (satan) said, "I swear by Your majesty, that I will send them **all astray**.

38:83 "Except Your worshipers who are devoted absolutely to You alone."

Revealed: The verses are wrapped around with **14 Allah letters** as Proof for the predetermined plan.

Revealed: The **messenger's letters** are **11** and **10**, **revealing the diff. of 1** – the devoted ones mentioned here will be the ones who uphold GOD'S Absolute Authority by believing in His messengers, and follow God's guidance rather than the human religion based on innovations.

38:83 "Except Your worshipers who are devoted absolutely to You alone."

Revealed: The GV of **Allah letters** is **99** and of **the messenger** is **322**, **revealing the diff. of 223**. This is the **Divine Proof** that the entire purpose of creation is focused on the believers, and the people are tested through the system of messengers.

It is easy to get an impression and understanding of predeterminations of GOD, after seeing consistent numbers emerge out as Proofs from our Lord. The most striking Miracle is to see that Makbool Husain's letters are coded in intricate and unique ways to bring out his name in such profound and historic verses. I have been sent as a witness over the Covenants made by the human beings with our Lord. The verses on Covenants are also uniquely and profoundly marked with messenger's letters. So, it does inform me and you of something which we never knew before, as our memory had been erased, but we are being reminded through the verses of the Quran. My role then and now had already been predetermined by Allah, the Most Merciful. One thing is clear – the original history and the guidance sent later on for the humans encompassed the inclusion and role of the messengers, as the proofs have demonstrated. The proofs through messenger's letters are so intense and intricate that they form an integral part of God's revelations being interwoven within the fabric of the letters of the words and verses.

Why does GOD consistently mention and addresses the "**believers**" rather than using the word "**muslims**" in the Quran? Is there any difference in these words? The word "**Muslim**" is a descriptive word, and denotes your submission to GOD when you accept His revelations, as in **27:80,81** and **28:53**. When you accept all of God's revelations and commands, then you declare your intent to carry them out.

But this cannot be done as most of them are linked with the messengers who will

explain them to you and command you for righteous matters to test you. The submitters or muslims who follow and obey the messenger are called “**Muhmineen**” or “**believers**”. Just like the messenger is a noun which denotes a certain position, while the delivery of the message denotes an action; similarly, the believers is a noun category and a certain status, while the act is represented by submission to God’s commands and upholding them. I will recite a verse to bring out the enlightened meaning from it.

28:53 When it is recited to them, they will say, “We believe in it. This is the truth from our Lord. Even before we heard of it, we were Muslims (submitters).”

Revealed: The GV of **messenger’s letters** is **1246** which is **7** x **178**, **revealing the messenger.**

Revealed: The **verse number** is **53** and **messenger’s letters** are **34**, **revealing the diff. of 19.**

In this verse, the words – **They will say, “We believe in it,”** are coded to reflect the true meaning. The **Allah letters** are **6** and the **messenger’s letters** are also **6** – **Perfectly Matched to reveal 66.** These words represent the people who decided to believe in Allah through the revelations given to the messenger, and thereby became believers. Before the messenger had come, they were still muslims or submitters, as they believed in the entire scripture. But they could not be put to the test regarding God’s Absoluteness without sending a messenger in their midst. Note some additional proofs of this verse.

28:53 Part 1: When it is recited to them.

28:53 Part 2: They will say, “We believe in it.”

28:53 Part 3: This is the truth from our Lord.

28:53 Part 4: Even before we heard of it, we were submitters.

Revealed: The **Allah letters** are **5-6-5-6**, **revealing the diff. of 1 throughout.**

Revealed: **Parts 2-3-4:** The **Aleefs** are lined up as **4-3-3**, **revealing the Lord of Universe, 433.**

Revealed: **Parts 1-2:** The **messenger’s letters** are **7** and **6**, **revealing the diff. of 1.**

Revealed: **Parts 2-3 and Part 4:** The **messenger’s letters** are **14** and **13**, **revealing the diff. of 1.** **Believing in the Truth** is reflected through the **14 letters of the messenger.**

For additional examples, you can refer to **verses: 6:27, 10:78, 28:47, 7:72,75, 35:37, 49:14,15**, to understand the meaning of the word “**believer**” and the context in which it is used as it relates to **the messenger**. This close connection between **the messengers** and those who follow them – **the believers** – is the

essence and the gist of the entire Quran, but most people do not believe, agree, or follow the truth revealed by Allah. For your knowledge, I will now turn my attention on the subject of “**believers**”, who have been mentioned by GOD as being few at any given time and also proven by Him to this effect. This information comes directly from the Original Plan and History revealed by Allah, from the time that the human beings were created. I will show and explain to you step by step the complete system of guidance that ALLAH has put into place through **the coded guidance of 7-14-19**.

Coded Guidance of Past News and the System through the Codes of 7-14-19

11:49 Part 1: This is news from the past that we reveal to you.

11:49 Part 2: You had no knowledge about them – neither you, nor your people – before this.

Revealed: The **messenger’s letters** are **14** and **15**, **revealing the diff. of 1**. **Note the Code of 14** through messenger’s letters in **Part 1** about the past news being revealed to me. The **revelation of 1** confirms the new knowledge being revealed by the Most Wise.

11:49 Part 1: This is news from the past that we reveal to you. You had no knowledge about them – neither you, nor your people – before this.

Revealed: The **Allah letters** are coded to be **19**.

11:49 Part 2: Therefore, be patient. The ultimate victory belongs to the righteous.

Revealed: The **Allah letters** are coded to be **7**.

Revealed: Entire Verse: Allah letters are **26** and **messenger’s letters** are **40**, **revealing the diff. of 14**, and **revealing the sum of 66** – the Sacred Revelations of past history are from **ALLAH**.

According to God’s plan, He would initiate and provide the guidance for the humans, but send it only through His messengers. Such messengers will be appointed by Him from among the angels, as well as from among the humans. GOD had decided not to offer guidance individually but through the humans chosen by Him. He had also decided not to guide all the humans unanimously to make them into one congregation. In this way, the people will be tested regarding His monotheism, Absolute Authority, and the fulfillment of their Covenants made with Him. Based on His intimate knowledge about each human being, He was either going to soften some hearts to accept the guidance through His messengers, or He may leave the hearts hardened to reject the guidance. He knows who deserves His mercy and guidance, or not. He will send messengers to

communities that He chooses. No one else will have any part in this exclusive choice of GOD. Note the following verses and the proofs:

13:31 Part: GOD is in control over all matters.

Revealed: The GV of Allah letters is **128** – **revealing the name of the messenger.**

Revealed: The GV of messenger's letters is **212** – **revealing the name of "Rabbi" – "my Lord".**

32:13 Part: Had we willed, we could have given every soul its guidance.

16:93 Part: Had GOD willed, He could have made you one congregation.

Revealed: The Aleefs are 4 and 3, **revealing the diff. of 1** – Allah is One and Absolute.

Revealed: The messenger's letters are 10 and 11, **revealing the diff. of 1** – only few will accept the guidance through His messengers to be counted as part of "One Congregation".

Revealed: The GV of messenger's letters are 322 and 256, **revealing the diff. of 66** – the proofs of 1 and 66 are profound and major proofs through the messenger's letters, which means that the "one congregation" referred to in verses represents the believers who follow the messengers of Allah.

Revealed: The Allah letters are 9 and 11, **revealing the diff. of 2** - it is a predetermined decision of Allah to guide only some people through His messengers – the majority is committed to straying, idolatry, and ultimately Hell.

10:99 Part 1: Had your Lord willed, all the people on earth would have believed.

10:99 Part 2: Do you want to force the people to become believers?

Revealed: The messenger's letters are 15 and 16, **revealing the diff. of 1.**

10:100 Part 1: No soul can believe except in accordance with GOD's will.

10:100 Part 2: For He places a curse upon those who refuse to understand.

Revealed: The messenger's letters are 15 and 16, **revealing the diff. of 1.**

11:118 Had your Lord willed, all the people would have been one congregation (of believers). But they will always dispute (the truth).

13:31 Part: Is it not time for the believers to give up and realize that if GOD willed, He could have guided all the people?

Revealed: The **messenger's letters** are **22** and **24**, revealing the diff. of 2 – the majority of people will remain disbelievers and idol worshippers, as they dispute the truth about God's words and His system. Therefore, they will not believe in His messengers.

Revealed: The GV of **messenger's letters** are **560** and **722**, revealing the diff. of 162 for Submission. The majority of people will not submit fully to Allah as they refuse to believe in all of His messengers without making distinction.

Revealed: In verse **11:118**, the GVs of **messenger's letters** is **560 = 14 x 40**.

Revealed: In verse **13:31**, the GVs of **messenger's letters** is **722 = 19 x 19 x 2** – **The Sacred Codes** provide the proof that the majority of people will not become believers. However, it is good to know the special reason for your creation as believers, which the next verse will specify:

11:119 Part 1: Only those blessed with mercy from your Lord (will not dispute the truth).

11:119 Part 2: This is why He created them.

Revealed: The **Allah letters** are **3** and **4**, revealing the diff. of 1.

Revealed: The **messenger's letters** are **6** and **6**, revealing the Glorified Name of Allah 66.

Revealed: The GV of **messenger's letters** are **170** and **236**, revealing the diff. of 66.

11:119 Part 3: The judgment of your Lord has already been issued: "I will fill Hell with jinns and humans, all together."

Revealed: The **Allah letters** are **14** and the **messenger's initials** are **19**, revealing the Sacred Codes provide additional proof about the predetermined judgment and decision of **Allah**.

The proofs above of **1** and **66**, as well as **the Sacred Codes of 14-19**, informs us that some people are already blessed with the mercy of Allah to believe in everything that comes from Him. When they see or hear the guidance, they will not dispute it, and will readily agree with the truth, while seeking forgiveness from their Lord. Allah has blessed me through my name letters to reveal this glorified proof, as it an important verse which reflects on the Original Plan and system of Allah. The majority, however, has been predetermined to be condemned to Hell.

These 2 verses, **11:118-119**, are key verses to the predetermined decision of GOD, whereby few will stand by with the Truth of Allah and not be misled by satan. They have been especially created and blessed with the guidance, as the

glorified proofs from my Lord make us aware. Both of these verses are surrounded by the additional glorified proofs of **14** and **19** through the verses preceding and following them. This sheds further light on this topic, and makes them valuable revelations from the Almighty, Most Merciful.

Verse Before: 11:117 Your Lord never annihilates any community unjustly, while its people are righteous.

Revealed: The **Allah letters** are stamped as **14**.

Verse After: 11:120 We narrate to you enough history of the messengers to strengthen your heart. The Truth has come to you herein, as well as enlightenments and reminders for the believers.

Revealed: The **Allah letters** are stamped as **19**, to complete the **Sacred Codes**.

11:118 Part: Had your Lord willed, all the people would have been one congregation.

16:93 Part: Had **GOD** willed, He could have made you one congregation.

Revealed: The **Aleefs** are **4** and **3**, **revealing the diff. of 1**.

Revealed: The **Allah letters** are **10** and **11**, **revealing the diff. of 1**.

Revealed: The **messenger's letters** are **12** and **11**, **revealing the diff. is 1**.

The Source of Guidance is Allah

2:38 We said, "Go down therefrom, all of you. When guidance comes to you from Me, those who follow **My guidance** will have no fear, nor will they grieve.

Revealed: The **Allah letters** are **21** and **messenger's letters** are **35**, **revealing the diff. of 14**. The guidance has been proven to be sent through the messengers only, and this messenger is the recipient of the ultimate revelations.

20:123 Part 1: He said, "Go down therefrom, all of you. You are enemies of one another.

20:123 Part 2: When guidance comes to you from Me, anyone who follows My guidance will not go astray, nor suffer any misery.

Revealed: The **messenger's letters** are **12** and **21** to reflect the **Sacred Code of 1221**. Part 2 is separately marked with Allah's letters and the messenger's letters again, to reinforce the message and the system of guidance.

Revealed: Entire Verse: The **Aleefs** are **12** and the **Allah letters** are **21**, **revealing the Sacred Code of 1221**.

Revealed: In **Part 2**, the **Allah letters** are **12** and the **messenger's letters** are **21**, **revealing the Sacred Code of 1221**.

Revealed: In verses **2:38** & **20:123**, the **Aleefs of Absoluteness** are **11** and **12**, **revealing the diff. of 1**.

The consequences for those who do not believe and follow ALLAH'S guidance sent through His messengers are given through the accompanying verses each time, as follows:

2:39 "As for those who disbelieve and reject our revelations, they will be dwellers of Hell, wherein they abide forever."

20:124 "As for the one who disregards My message, he will have a miserable life, and we resurrect him, on the Day of Resurrection, blind."

Revealed: The **messenger's letters** are marked as **22** and **22**, **revealing Perfectly Matched**, to show the severe consequences that await the disbelievers for rejecting God's guidance.

The System

22:75 Part 1: **ALLAH** chooses from among the angels messengers, as well as from among the people.

22:75 Part 2: **ALLAH** is Hearer, Seer.

Revealed: The **messenger's letters** are precisely **17** and **8**, **revealing the name of the messenger, 178**, whose name is included within the system of Allah, and the bearer of ultimate revelations.

22:75 ALLAH chooses from among the angels messengers, as well as from among the people. **ALLAH** is Hearer, Seer.

7:35 O Children of Adam, when messengers come to you from among you, and recite My revelations to you, those who take heed and lead a righteous life, will have nothing to fear, nor will they grieve.

Revealed: The **Allah letters** are **18** and **17**, **revealing the diff. of 1**. Praise be to Allah, this is the System. However, only some people who have righteous souls will recognize the truth when they see or hear it, and the proofs from their Lord only augment their faith. Allah has spared no effort to send and guide us through the proven words of our Lord which have no contradictions. Observe the comparable verses again:

2:146 Those who received the scripture recognize the truth herein, as they recognize their own children. Yet, some of them conceal the truth, knowingly.

In both sets of verses, the Absolute reveals messenger's name through the complex mix of Aleefs and Allah letters.

When the people refuse to recognize God's revelations or the messenger, due to their personal ego, hypocrisy, disbelief, arrogance, ignorance, or jealousy; then

GOD has narrated other verses that apply to them. These offer clear choices in life, and warn the people ahead of time of the consequences of disbelief. The two paths are clearly defined through the script and the proofs.

The Disbelievers remain Unaware of God's Messengers and the Guidance delivered by them

The majority of people either do not know about the importance of messengers, or do not care to know, or simply do not believe in them for various reasons, as stated by Allah in the Quran. He is the only Witness over all times and generations of human beings, and fully knows their past, present, and future. I will recite a few verses, so that you may know the reasons behind the lack of interest shown by more than 6 billion humans at this time. The same is true for the past generations.

The source and origin of lies:

72:4 It is the foolish among us who used to utter such nonsense about **GOD**.

72:5 We thought that neither the humans, nor the jinns, could possibly utter lies about **GOD**.

72:6 Human beings used to seek power through jinn beings, but they only afflicted them with a lot of adversity.

72:7 They thought, just like you thought, **that GOD would not send another (message, miracle, sign, proof, messenger).**

Past History and Precedent - Various Reasons for Rejection of Messengers

40:34 (Conjecture, Lies, Innovation) Joseph had come to you before that with clear revelations, but you continued to doubt his message. Then, when he died you said, "**GOD will not send any other messenger after him.** (He was the last messenger)!" **GOD** thus sends astray those who are transgressors, doubtful.

10:78 (Ego and Jealousy) They said, "Did you come to divert us from what we found our parents doing, **and to attain positions of prominence for yourselves? We will never join you as believers.**"

28:36 (Disbelief and Ignorance) When Moses went to them with our proofs, clear and profound, they said, "This is fabricated magic. **We have never heard of this from our ancient ancestors.**"

28:37 Moses said, "My Lord knows best who brought the guidance from Him, and who will be the ultimate victors. Surely, the transgressors never succeed."

36:15 (Ego, Jealousy, Disbelief) They said, "You are no more than human beings like us. **The Most Gracious did not send down anything. You are liars.**"

36:16 They said, "Our Lord knows that we have been sent to you.

36:17 "Our sole mission is to deliver the message."

54:24 (Ego, Jealousy, Arrogance, Ignorance) They said, "Shall we follow one of us; a human being? We will then go astray, then end up in Hell.

54:25 "Did the message come down to him, instead of us? He is a flagrant liar."

54:26 They will find out tomorrow who the flagrant liar is.

23:23 (Ego, Jealousy, Arrogance, Ignorance, Disbelief) We sent Noah to his people, saying, "O my people, worship **GOD**. You have no other god beside Him. Would you not be righteous?"

23:24 The leaders who disbelieved among his people said, "**This is no more than a human like you, who wants to gain prominence among you.** Had **GOD** willed, He could have sent down angels. **We never heard of anything like this from our ancestors.**"

23:25 "He is simply a man gone crazy. Just ignore him for awhile."

23:26 He said, "My Lord, grant me victory, for they have disbelieved me.

6:91 Part: (Conjecture, Innovation, Lies) They never valued **GOD** as He should be valued. Thus, they said, "**GOD does not reveal anything to any human being.**"

7:101 (Disregard of Covenants, Disbelief) We narrate to you the history of those communities: their messengers went to them with clear proofs, **but they were not to believe in what they had rejected before.** **GOD** thus seals the hearts of the disbelievers.

7:102 We found that most of them disregard their covenant; we found most of them wicked.

29:18 (Disbelief, Hardened Souls) **If you disbelieve, generations before you have also disbelieved.** The sole function of the messenger is to deliver (the message).

35:4 (Disbelief, Minds Sealed) **If they disbelieve you, messengers before you have been disbelieved.** **GOD** is in control of all things.

35:25 If they disbelieve you, those before them have also disbelieved. Their messengers went to them with clear proofs, and the Psalms, and the enlightening scriptures.

35:26 Subsequently, I punished those who disbelieved; how terrible was My retribution!

51:50 (*Confirmed Disbelievers, Minds Sealed*) You shall escape to **GOD**. I am sent by Him to you as a manifest warner.

51:51 Do not set up beside **GOD** any other god. I am sent by Him to you as a manifest warner.

51:52 Consistently, when a messenger went to the previous generations, they said, "Magician," or, "Crazy."

51:53 Did they make an agreement with each other? Indeed, they are transgressors.

51:54 You may disregard them; you cannot be blamed.

51:55 And remind, for the reminder benefits the believers.

26:135 (*Disbelief in Past Retributions – Taking God’s mercy for Granted*) "I fear for you the retribution of an awesome day."

26:136 They said, "It is the same whether you preach, or do not preach.

26:137 "That affliction was limited to our ancestors.

26:138 "No retribution will ever befall us."

26:139 They thus disbelieved and, consequently, we annihilated them. This should be a lesson, but most people are not believers.

26:140 Most assuredly, your Lord is the Almighty, Most Merciful.

17:73 (*Sunnah or System of Allah – Majority believes in fabrications rather than Truth*) They almost diverted you from the revelations we have given you. They wanted you to fabricate something else, in order to consider you a friend.

17:74 If it were not that we strengthened you, you almost leaned towards them just a little bit.

17:76 They almost banished you from the land to get rid of you, so they could revert as soon as you left.

17:77 This has been consistently the case with all the messengers that we sent before you, and you will find that our system never changes.

38:4 (*Arrogance, Ignorance, Ego, Jealousy, Blasphemy*) They wondered that a warner should come to them, from among them. The disbelievers said, "A magician, a liar.

38:5 "Did he make the gods into one god? This is really strange."

38:6 The leaders announced, "Go and steadfastly persevere in worshipping your gods. This is what is desired.

38:7 "We never heard of this from the religion of our fathers. This is a lie.

38:8 "Why did the proof come down to him, instead of us?" Indeed, they are doubtful of My proof. Indeed, they have not yet tasted My retribution.

I will shed some light on the last set of verses recited by me. Note the opening and closing verses of this set, with the closing verse stamped with the Signature of Allah as 14. The middle verses also have the proof of Seven Pairs.

Revealed: In verse 38:4, the messenger's letters are **19**.

Revealed: In verse 38:8, the Allah letters are **14**. The verses are wrapped around with the Sacred Codes through Allah and His messenger's letters, Subhan Allah.

Revealed: In verses 38:5-6, the messenger's letters are 10 and 24, **revealing the diff. of 14**.

Revealed: In verse 38:7, the messenger's letters are **14**.

Breaking up Islam due to argument, lack of knowledge, and guidance

I have shown you through several verses of the Quran that the disbelieving hearts and souls reject the messengers and the messages by presenting various excuses or objections. This happens because they do not believe in Allah and His Absolute Authority as One. GOD commands the people to follow the "**one congregation**" established by Him and not to break up His religion into sects. Breaking up the religion happens in many different ways. One of the ways is that the followers of the scripture as well as some of the believers would rather worship God according to their own ways, or in the way that their mind tells them. If they harbor such intentions, it means that they would like to exclude themselves from the "**one congregation of Allah**" which He has decreed through His messengers. When anyone worships Allah by staying away from this "**one congregation**," that is led on by a living messenger, then they are deprived of guidance, enlightenment, and knowledge. They thus become a good candidate for satan's influence, and will stray off the path of truth. God does not shower them with His mercy anymore. Without His mercy, they cannot achieve true submission, nor forgiveness and redemption.

22:8 Among the people there is the one who argues about ALLAH without knowledge, and without guidance, and without the enlightening scripture.

Revealed: The Allah letters are stamped and marked as **14** on the verse.

22:8 Part: Among the people there is the one who argues about ALLAH.

22:8 Part B: Without knowledge, and without guidance.

Revealed: The GV of **Allah letters** is **66**.

22:8 Part C: And without the enlightening scripture.

Revealed: In **Parts B & C**, the **messenger's letters** are **7** and **6**, **revealing the diff. of 1**.

42:24 Part 1: Are they saying, "He (the messenger) has fabricated lies about ALLAH?"

42:24 Part 2: If ALLAH willed, He could have sealed your mind.

Revealed: The **Allah letters** are **9** and **8**, **revealing the diff. of 1**.

Revealed: The GVs of **Allah letters** are **129** and **128**, **revealing the diff. of 1**. If Allah seals the mind; you cannot see or recognize the name of the messenger revealed here as **128**. GOD really is giving a chance to the people to distinguish the truth from lies, and to exercise their freedom of choice without any coercion on the part of the messenger.

Revealed: The **messenger's letters** are **13** and **11**, **revealing the diff. of 2**. When Allah seals someone's mind, then they take the messenger as a fabricator and a liar, while the believers know that he has brought and speaks the truth through the scripture.

42:24 Part 2: If ALLAH willed, He could have sealed your mind.

42:24 Part 3: But GOD erases the falsehood and affirms the truth with His words.

Revealed: In **Part 1**, the **messenger's letters** are **20** and **Arabic letters** are **39**, **revealing the diff. of 19.**

70:36 What is keeping those who disbelieved from joining you (the messenger)?

70:37 To the right, and to the left, they flee.

Revealed: The **Allah letters** are **7** and **6**, **revealing the diff. of 1.**

Revealed: The **messenger's letters** are **12** and **13**, **revealing the diff. of 1.**

70:38 How can any of them expect to enter the blissful Paradise?

70:39 Never; we created them, and they know from what.

Revealed: The **Allah letters** are **7** and **8**, **revealing the diff. of 1.**

Revealed: The **messenger's letters** are **15** and **13**, **revealing the diff. of 2**
- disbelief in messenger.

Allah is the only One who can grant **Paradise** – He is the only **Creator** – but the disbelievers do not stand any chance of forgiveness and redemption as they disbelieved in His messenger, as the **Revelation of 2** proves through **the messenger's letters**.

69:48 This is a reminder for the righteous.

69:51 It is the absolute truth.

Revealed: The **Allah letters** are **6** and **5**, **revealing the diff. of 1.**

69:50 It is but sorrow for the disbelievers.

Revealed: The **Allah letters** are **5** and **7**, **revealing the diff. of 2 (gods) – idolatry** committed by rejecting God’s reminders sent through His messengers.

Revealed: In both verses, the total **Allah letters** are **12** and have GV of **165** – the disbelievers and idol worshipers rejected God’s Absolute Authority by disbelieving in His messengers.

Revealed: The **Arabic letters** are **21** and **19**, **revealing the diff. of 2 (gods) – idolatry committed.**

Revealed: In verse **69:49**, the **messenger’s letters** are **14**.

Revealed: In verse **69:50**, the **Arabic letters** are **19** – the **Sacred Codes** of the Quran support the absolute truth of the reminders sent through the messengers of GOD.

After narrating enough verses to give you the background behind what GOD commands and expects from your belief regarding His messengers and also the consequences for disbelief, I now turn to **verse 38:24**, which will be the most detailed verse of this sermon. This single verse from our LORD will substantiate

the truth and the facts behind the guided ones who work righteousness, while believing. This profound Truth has been revealed in detail as I type the appropriate verse on this Subject, and carries a heavy Message from the Lord of the Universe. Those who do not take advantage of the chance to submit fully do not stand any chance to be forgiven and redeemed.

Please stay alert to the following REVELATIONS – I will go step by step – so that you can fully grasp the essence of the Message!

38:24 Part: “EXCEPT those who BELIEVE and WORK RIGHTEOUSNESS, and these are so FEW.”

A short verse like this one is going to open up a lot of credible and truthful facts revealed by the Knower of All Secrets and Declarations. **The verse is composed of 3 Parts, under the Miracle of 3.** You may **show these proofs** to the idol-worshipping and disbelieving Muslims who doubt the Statements, Narrations, Hadith, and Wisdom of the Omnipotent Lord of the Universe, and blindly follow their own innovations and conjecture.

Revealed: The Arabic letters are 35, and messenger’s letters are 21, **revealing the diff. of 14 – Proof of Seven Pairs.**

Revealed: The GV of Allah letters is perfectly 223 – the Proof for “**Al-Muhminoon**” – “**the Believers**”. It is “**the Believers**” who are addressed through the Quran, and only their deeds will be taken into account – but these are so FEW.

Revealed: The chapter number is 38, while the verse number is 24, **revealing the diff. of 14.**

38:24 Part 1: Except those who believe.

Revealed: The Allah letters are 7, and messenger’s letters are 7 – **revealing the Proof of Seven Pairs.**

Revealed: The Allah letters are 7, and the Arabic letters are 14 – **revealing the Proof of 7-14.**

Revealed: The messenger’s letters are 7, and the Arabic letters are 14 – **revealing the Proof of 7-14.**

38:24 Part 1: Except those who believe.

38:24 Part 2: And work righteousness.

Revealed: The messenger’s letters are 7 and 7, **revealing the Proof of the Seven Pairs.** This proves that the belief and working of righteousness is associated and LINKED with the Messengers. **Note** that GOD has inscribed the human messenger’s letters under the Code of the Seven

Pairs.

Revealed: The GV of the **messenger's letters** are **216** and **150**, **revealing the clear diff. of 66**. This most important "**Revelation of 66**" through **the letters of the messenger**, has opened up the entire and truthful meaning of the **CODED VERSE**. While encoding the parts to reveal the Proof of the Seven Pairs, GOD has also encoded to reveal His Glorified Name through the GVs of the messenger's letters. This explains and clarifies the "**belief system**" in GOD, which is structured through His messengers, and the carrying out of His commands, which is called "**working righteousness**".

38:24 Part 2: And work righteousness.

38:24 Part 3: And these are so **FEW**.

Revealed: The **Allah letters** are **5** and **4**, **revealing the diff. of 1** – **The Revelation of ONE GOD**.

Revealed: The **messenger's letters** are **7** and **7** – Believing in Allah through the Messenger who has been blessed with the Miracle of the Seven Pairs, and other Revelations.

Revealed: In both parts, the **Arabic letters** are **21**, and the **messenger's letters** are **14**, **revealing the diff. of 7**.

38:24 Part 1: Except those who believe.

Revealed: The **Allah letters** are **7**, and the **messenger's letters** are **7**.

38:24 Part 2: And work righteousness.

Revealed: The **Allah letters** are **5**, and the **messenger's letters** are **7**.

38:24 Part 3: And these are so few.

Revealed: The **Allah letters** are **4**, and the **messenger's letters** are **7**.

Revealed: The **messenger's letters** are **7** – **7** – **7**. They are lined up straight as the great Miracle of Seven.

Revealed: The **messenger's initials** appear as **6-5-6**, **revealing the diff. of 1** between the 2 consecutive parts of the verse (a total of 17).

NOTE that **Parts 1 and 2 reveal the difference in Allah letters as 2**. This is the "Revelation of 2 gods", and informs the believers that after believing in the messenger, only some will work righteousness by striving alongside him in the cause of ALLAH. The ones who do not strive have neglected GOD'S commands and therefore will be considered "idol worshipers".

NOTE that **Parts 2 and 3 reveal the difference of 1 GOD**. This means that those

who work righteousness will really be few – the sincere and steadfast believers who upheld GOD’S Absolute Authority and sacrificed their lives to please Him.

NOTE that under the Miracle of 3, the verse has 3 parts to it, and the **messenger’s letters** are lined up as 7-7-7 to reflect that the messenger was the same, but the believers will be sorted and sifted as those accepted by GOD as proven through the Revelation of 1, and those not accepted by GOD as proven through the Revelation of 2.

Revealed: In all 3 Parts, the **Allah letters** are a total of 16, and the **messenger’s initials** are 17, revealing the diff. of 1.

Revealed: The **messenger’s initials** are 17, and the **Aleefs** are 8, revealing the pattern of 178, to reveal the name of the messenger, Makbool.

38:24 Parts 1-2: Except those who believe, and work righteousness.

38:24 Part 3: And these are so FEW.

Revealed: The **messenger’s letters** are 14 and 7 – revealing the great Miracle of the 14-7 or Seven Pairs.

Revealed: The GV of the **messenger’s letters** are 366 and 256, the clear diff. is 110 – only **FEW** will uphold the Absolute Authority of ALLAH through His messenger, Makbool.

38:24 Part 3: And these are so FEW.

Ultimate Hadith: The **Allah letters** are 4, and the GV of **Allah letters** is 66 – Praise be to ALLAH. It has now been confirmed by ALLAH, Most Sacred, that the true and sincere believers who will work righteousness and remain obedient and steadfast will be only FEW. They are the ones who accepted **Allah** as **THE ABSOLUTE**, and obeyed all His commands by sacrificing their lives and money.

Subsequent to the above is verse 38:25, which The Most Merciful and Forgiver has converted to the present-day revelation for me, to inform the believers about messenger’s future and the future of the faithful, loyal, and sincere believers, as far as GOD is concerned.

PROFOUND REASON AND TRUTH ABOUT FORGIVENESS FOR ME and my sincere followers, SUBHAN ALLAH – compare the 2 verses:

38:24 Part 1: Except those who believe.

38:24 Part 2: And work righteousness.

Revealed: The GV of the **messenger's letters** are **216** and **150**, revealing the diff. of 66.

38:24 Parts 1-2: Except those who believe, And work righteousness.

38:24 Part 3: And these are so FEW.

Revealed: The GV of the **messenger's letters** are **366** and **256**, revealing the diff. of 110.

Do not forget that the verse is also based on the Miracle of Seven Pairs through the chapter number and verse number as well as the letters of the messenger.

38:25 Part 1: We forgave him in this matter.

Revealed: The **Allah letters** are **4**, and the **messenger's letters** are **3**, revealing the diff. of 1.

Revealed: The GV of **Allah letters** is **66** and of **the messenger's letters** is **110**. The forgiveness is assured through the "**inspiration**" given to me to believe in **ALLAH – 66** and **His Absolute Authority – 110**, which He knows that I have done and continue to do so, as proven through the set of 2 verses placed consecutively next to each other, Alhumdo Lillah.

38:25 Part 2: We have granted him a position of honor with us, and a beautiful abode.

Revealed: The **Allah letters** are **7**, and the **messenger's letters** are **14** – a sure confirmation from ALLAH through the Miracle of the Seven Pairs.

Revealed: The GV of **Allah letters** is **98** (**The Proof**) = **14** x **7**.

Revealed: The GV of **messenger's letters** is **422** ("**Kitaab**" – "**Scripture**"). Through the Scripture, **422** (Quran) GOD has verified the beautiful verse above regarding His messenger, along with the Proof of 98.

NOW GO BACK AND COUNT THE NUMBER OF PROOFS THAT GOD HAS REVEALED THROUGH A SHORT PART OF THE VERSE LIKE **38:24**, and **38:25**.

SEE IF YOU CAN FATHOM OR ENCOMPASS THE MARVELS OF ALLAH!

Definition of Believers: Belief in God's Messengers

NOTE the usage of the word where a living messenger is mentioned in the verses. The word "**muslim**" is ordinarily not used with the messenger in such verses. Here are some of the verses as examples.

2:285 The **messenger** has believed in what was sent down to him from his Lord, and so did the **believers**. They believe in **GOD**, His angels, His scripture, and His messengers: "We make no distinction among any of His messengers." They say, "We hear, and we obey. Forgive us, our Lord. To You is the ultimate destiny."

3:31 Proclaim: "If you love **GOD**, you should follow me." **GOD** will then love you, and forgive your sins. **GOD** is Forgiver, Most Merciful.

3:32 Proclaim: "You shall obey **GOD** and the messenger." If they turn away, **GOD** does not love the disbelievers.

3:164 **GOD** has blessed the **believers** by raising in their midst **a messenger** from among them, to recite for them His revelations, and to purify them, and to teach them the scripture and wisdom. Before this, they had gone totally astray.

3:171 They have good news of **GOD's** blessings and grace, and that **GOD** never fails to reward **the believers**.

3:172 For those who respond to **GOD** and the **messenger**, despite the persecution they suffer, and maintain their good works, and lead a righteous life, a great reward.

4:65 Never indeed, by your Lord; they are **not believers unless they come to you** to judge in their disputes, then find no hesitation in their hearts whatsoever in accepting your judgment. They must submit a total submission.

4:115 As for him who opposes **the messenger**, after the guidance has been pointed out to him, and follows other than **the believers' way**, we will direct him in the direction he has chosen, and commit him to Hell; what a miserable destiny!

4:162 As for those among them **who are well founded in knowledge, and the believers**, they believe in what was revealed to you, and in what was revealed before you. They are observers of the Contact Prayers (Salat), and givers of the obligatory charity (Zakat); they are **believers** in **GOD** and the Last Day. We grant these a great recompense.

5:55 Your real allies are **GOD** and **His messenger**, and **the believers** who observe the Contact Prayers (Salat), and give the obligatory charity (Zakat), and they bow down.

5:56 Those who ally themselves with **GOD** and **His messenger**, and **those who believed**, belong in the party of **GOD**; absolutely, they are the victors.

7:75 The arrogant leaders among his people said to the common people who believed, "How do you know that **Saaleh** is sent by his Lord?" They said, "**The message he brought has made us believers.**"

8:1 They consult you about the spoils of war. Say, "The spoils of war belong to **GOD** and the messenger." You shall observe **GOD**, exhort one another to be righteous, **and obey GOD and His messenger, if you are believers.**

8:2 The **true believers** are those whose hearts tremble **when GOD is mentioned**, and when His revelations are recited to them, their faith is strengthened, and they trust in their Lord.

8:3 They observe the Contact Prayers (Salat), and from our provisions to them, they give to charity.

9:26 Then **GOD** sent down **contentment upon His messenger and upon the believers**. And He sent down invisible soldiers; He thus punished those who disbelieved. This is the requital for the disbelievers.

9:71 The **believing men and women** are allies of one another. They advocate righteousness and forbid evil, they observe the Contact Prayers (Salat) and give the obligatory charity (Zakat), **and they obey GOD and His messenger**. These will be showered by **GOD's** mercy. **GOD** is Almighty, Most Wise.

9:16 Did you think that you will be left alone without **GOD** distinguishing those among you who strive, and never ally themselves with **GOD's enemies**, or the enemies of **His messenger**, or the enemies of **the believers**? **GOD** is fully Cognizant of everything you do.

9:105 Say, "**Work righteousness; GOD will see your work, and so will His messenger and the believers**. Ultimately, you will be returned to the Knower of all secrets and declarations, then He will inform you of everything you had done."

10:103 We ultimately save **our messengers** and those who believe. **It is our immutable law that we save the believers**.

24:47 They say, "We believe in **GOD** and in **the messenger**, and we obey," but then some of them slide back afterwards. **These are not believers**.

24:51 The **only utterance of the believers**, whenever invited to **GOD** and **His messenger** to judge in their affairs, is to say, "**We hear and we obey**." These are the winners.

24:62 The **true believers** are those who believe in **GOD** and **His messenger**, and when they are with him in a community meeting, they do not leave him without permission. Those who ask permission are the ones who do believe in **GOD** and His messenger. If they ask your permission, in order to tend to some of their affairs, you may grant permission to whomever you wish, and ask **GOD** to forgive them. **GOD** is Forgiver, Most Merciful.

26:214-217 You shall preach to the people who are closest to you. And lower your wing for **the believers who follow you**. If they disobey you, then say, "**I disown what you do**." And put your trust in the Almighty, Most Merciful.

28:47 Thus, they cannot say, when a disaster strikes them as a consequence of their own deeds, "**Our Lord, had You sent a messenger to us, we would have followed Your revelations, and would have been believers**."

30:47 We have **sent messengers** before you to their people, with profound signs. Subsequently, we punished those who transgressed. It is our duty that we grant victory to **the believers**.

33:11 That is when **the believers** were truly tested; they were severely shaken

up.

33:12 The hypocrites and those with doubts in their hearts said, "What **GOD** and **His messenger** promised us was no more than an illusion!"

33:22 When **the true believers** saw the parties (ready to attack), they said, "This is what **GOD** and **His messenger** have promised us, and **GOD and His messenger are truthful.**" This (dangerous situation) only strengthened their faith and augmented their submission.

44:12 "Our Lord, relieve this retribution for us; **we are believers.**"

44:13 Now that it is too late, they remember! **An enlightening messenger** had come to them.

48:12 You secretly believed that **the messenger** and **the believers** will be defeated and never come back to their families, and this was firmly established in your hearts. You harbored evil thoughts and turned into wicked people.

48:13 **Anyone who refuses to believe in GOD and His messenger**, we have prepared for the disbelievers a hellfire.

49:15 **Mu'mens (believers) are those who believe in GOD and His messenger**, then attain the status of having no doubt whatsoever, and strive with their money and their lives in the cause of **GOD**. These are the truthful ones.

57:8 Why should you not believe in **GOD** when **the messenger** is inviting you to believe in your Lord? He has taken a pledge from you, **if you are believers.**

63:8 Part: (They should know that) all dignity belongs to **GOD** and **His messenger**, and **the believers**. However, the hypocrites do not know.

The next verse will be the last in the series of verses recited to you to explain the meaning of "**believers**" and the close relationship with the word of "**messenger.**" I will provide some proofs for the last verse, which is **48:26**. It is an important verse, as it tells us that **GOD** inspires the messenger and the believers to uphold His laws and grants them the opportunities to earn credits by doing so. As pointed out in **74:56**, **GOD is the Source of Righteousness**. If He does not grant the capacity, the capability, and the opportunities to work righteousness, then you could not possibly become believers nor die as such. Nor could you be redeemed in this situation.

48:26 Part 1: While those who disbelieved were enraged, and their hearts were filled with the pride of the days of ignorance.

48:26 Part 2: **GOD blessed His messenger and the believers** with peaceful contentment, and directed them to uphold the word of righteousness. This is what they well deserved.

Revealed: The Allah letters are 16 and 30, revealing the diff. of 14.

48:26 Part 1: While those who disbelieved were enraged, and their hearts were filled with the pride of the days of ignorance.

48:26 Part 2: GOD blessed His messenger and the believers with peaceful contentment.

Revealed: The messenger's letters are 21 and 22, revealing the diff. of 1.

48:26 Part 3: And directed them to uphold the word of righteousness. This is what they well deserved.

Revealed: The Allah letters are 17 and messenger's letters are 18, revealing the diff. of 1.

Revealed: The Allah letters are 17 and the Aleefs are 8, revealing the messenger 178.

48:26 Part: GOD is fully aware of all things.

Revealed: The GV of Allah letters is 128. GOD fully knows who has followed the messenger and upholds the "words of righteousness" as preached by the messenger from the Quran.

48:26 Part: "Word of Righteousness"

Revealed: The GV of Allah letters is 66.

Why is the Messenger issue so important that your life's fate depends on it?

Because:

"IT IS THE LAW MADE BY GOD."

See verses: 22:75 - 7:35 - 59:6 - 58:4 - 3:31-32 - 4:13-14 - 4:42 - 25:27 - 39:71 - 40:50 - 67:8-11 - 5:109 - 28:65-66 - 33:66-67, and many more.

The Law: 58:4, 4:13-14, 2:229-230, **Belief on Faith:** 57:25, **Plenty of Messengers Sent:** 4:165, **Loving God is to follow His messengers:** 3:31-32, **Obeying the Messenger is Obeying Allah:** 4:80, **Imploring for and receiving Blessings through the Messengers:** 3:194, **Messengers Sent against Communities that God wills:** 59:6, **The Test through the Messengers:** 2:214, 3:142, 3:179, 3:186, 9:16, 76:2-3, 33:11,12,22, **Day of Judgment and the Link with Messengers:** 5:109, 28:65-66, 39:71, 40:50, 25:27, 4:42.

Notes: **What is about the word “believers” that GOD has used in the most defined and detailed way to express the gist and essence of Quran?** The importance is reflected through the angels praying and asking GOD to forgive those who believe on earth, and commanding the messengers to pray for their own forgiveness as well as for the believing men and women, then asking the believers to pray for forgiveness for themselves and for other believers who came in the past.

The importance behind the whole purpose of creation and the test is also evident through the jinns who say in verse 72:10 whereby they have no idea if something bad is intended for the inhabitants of the earth or if their Lord wills to redeem them?

It is also reflected through the prime verses **51:55-56** which define the purpose of creation of the humans and jinns, and the Quran being sent as a reminder for the believers. Chapter 85 has the last occurrence of the word “Quran” and in that chapter and verse (85:10), God has mentioned and warned those who persecute the believing men and women by stamping **19** Allah letters on the verse. This happens to be the last verse of the Quran with **19** Allah letters and it is on **believers**. There are **14** verses left after 85:8, which talks about the believers who believe in the Absoluteness of Allah. The last occurrence of the verse on Absoluteness is also in the same chapter, which is **85:9**, and happens to be the **14th** from the end of the chapter. This last and profound verse on Absoluteness of Allah reveals the difference in gematric values of **Allah and the messenger’s letters** as precisely **178** (the GV of **Allah letters** is **290** and the GV of the **messenger’s letters** is **468**, **revealing the diff. of 178**), thus authenticating and verifying the message.

Notes: **Chapters 8 and 3** were revealed as **88th and 89th** in sequence at the time of original revelation to prophet Muhammad. These chapters were revealed after quite a few years of his appointment as a messenger of God, and after having preached the purified message of the Quran for a number of years. Ironically, there were only **a few believers**, as compared to the conjecture of thousands of people coming from the mouths of disbelievers. This will now be proven through the verses revealed by God and at the time they were revealed.

8:64 O you prophet, sufficient for you is **GOD** and the believers who have followed you.

66:8 Part: On that day, **GOD** will not disappoint the prophet and those who believed with him.

Revealed: The **Allah letters** are **12** and **13**, **revealing the diff. of 1**. Note the spacing of the verses in distant chapters, while the proofs are still

present in verses on similar subjects, Glory be to Allah.

Revealed: Both Verses: The **Allah letters** are **25** and **messenger's letters** are **44**, **revealing the diff. of 19.**

8:65 O you prophet, you shall exhort the believers to fight. If there are twenty of you who are steadfast, they can defeat two hundred, and a hundred of you can defeat a thousand of those who disbelieved. That is because they are people who do not understand.

8:66 Now (that many new people have joined you) **GOD** has made it easier for you, for He knows that you are not as strong as you used to be. Henceforth, a hundred steadfast believers can defeat two hundred, and a thousand of you can defeat two thousand by **GOD's** leave. **GOD** is with those who steadfastly persevere.

Revealed: The **Aleefs** of Absoluteness are **18** and **17**, **revealing the diff. of 1.**

Revealed: In verse **8:65**, the **Aleefs** are **18** and **Allah letters** are **32**, **revealing the diff. of 14.**

Revealed: In verse **8:66**, the **Allah letters** are **35** and **messenger's letters** are **54**, **revealing the diff. of 19.**

The Sacred Coding of the verses witnessed by you proves that the believers at the time of prophet Muhammad were indeed few in the beginning and at the time these verses were revealed, as it was the 88th chapter in order of revelation. God has verified these numbers through the Revelation of 1 and the Seven Pairs of His letters and Aleefs. The subsequent verse **8:66** is confirmed through the letters of Allah along with the letters of this messenger. The ending portion of both verses are additionally marked with Allah letters and the Sacred Codes through the messenger's letters.

8:65 Part: That is because they are people who do not understand.

8:66 Part: **GOD** is with those who steadfastly persevere.

Revealed: The **Allah letters** are **5** and **6**, **revealing the diff. of 1.**

Revealed: Both Parts: the **messenger's initials** are **14** and **messenger's letters** are **19.**

3:124 You told the believers, "Is it not enough that your Lord supports you with three thousand angels, sent down?"

3:125-126 Indeed, if you steadfastly persevere and maintain righteousness, then they attack you suddenly, your Lord will support you with five thousand angels, well trained. **GOD** thus informs you, in order to give you good news, and to assure your hearts. Victory comes only from **GOD**, the Almighty, Most Wise.

Revealed: The Allah letters are 16 and 15, revealing the diff. of 1.

Revealed: In verse 3:124, the Allah letters are 16 and messenger's letters are 35, revealing the diff. of 19.

3:125 Indeed, if you steadfastly persevere and maintain righteousness, then they attack you suddenly, your Lord will support you with five thousand angels, well trained.

3:126 GOD thus informs you, in order to give good news, and to assure your hearts. Victory comes only from GOD, the Almighty, the Most Wise.

Revealed: The messenger's letters are 37 and 36, revealing the diff. of 1.

3:126 GOD thus informs you, in order to give good news, and to assure your hearts. Victory comes only from GOD, the Almighty, the Most Wise.

3:127 He thus annihilates some disbelievers, or neutralizes them; they always end up the losers.

Revealed: The messenger's letters are 36 and 22, revealing the diff. of 14.

These verses have given us some idea as to the number of believers who followed Muhammad, which were only FEW. They also reflect the truth behind their victories – that it was Allah who dispatched His angels to fight invisibly on behalf of the believers. Note that the number of angels is in the thousands and much greater as compared to the numbers given for the believers. It was GOD'S angels doing the fighting on behalf of the believers who could not have won over the enemy greater in numbers on their own. This shows God's mercy in dispatching His angels to fight on behalf of the few believers.

Here are some more verses which mention the word "Believers" in them.

2:97 Say, "Anyone who opposes Gabriel should know that he has brought down this (Quran) into your heart, in accordance with GOD's will, confirming previous scriptures, **and providing guidance and good news for the believers.**"

10:57 O people, enlightenment has come to you herein from your Lord, and healing for anything that troubles your hearts, **and guidance, and mercy for the believers.**

10:78 They said, "Did you come to divert us from what we found our parents doing, and to attain positions of prominence for yourselves? **We will never join you as believers.**"

20:74 Anyone who comes to his Lord guilty will incur Hell, wherein he never dies, nor stays alive.

20:75 As for those **who come to Him as believers** who had led a righteous life, they attain the high ranks.

26:117-118 He said, "My Lord, my people have disbelieved me. Grant me victory against them, **and deliver me and my company of believers.**"

27:1 T. S. These (letters) constitute proofs of the Quran; a profound scripture.

27:2 A beacon, and good news, **for the believers.**

27:76-77 This Quran settles many issues for the Children of Israel; issues that they are still disputing. And most assuredly, it is a guide and mercy **for the believers.**

great blessing.

33:59 O prophet, tell your wives, your daughters, **and the wives of the believers that they shall lengthen their garments. Thus, they will be recognized (as righteous women) and avoid being insulted.** GOD is Forgiver, Most Merciful.

34:20 satan found them readily fulfilling his expectations. **They followed him, except a few believers.**

34:21 **He never had any power over them.** But we thus distinguish those who believe in the Hereafter from those who are doubtful about it. Your Lord is in full control of all things.

34:31 Those who disbelieve have said, "We will not believe in this Quran, nor in the previous scriptures." If you could only envision these transgressors when they stand before their Lord! They will argue with one another back and forth. **The followers will tell their leaders, "If it were not for you, we would have been believers."**

34:32 The leaders will say to those who followed them, **"Are we the ones who diverted you from the guidance after it came to you? No; it is you who were wicked."**

34:33 The followers will say to their leaders, **"It was you who schemed night and day, then commanded us to be unappreciative of GOD, and to set up idols to rank with Him."** They will be ridden with remorse, when they see the retribution, for we will place shackles around the necks of those who disbelieved. Are they not justly requited for what they did?

34:34 Every time we sent a warner to a community, **the leaders of that community said, "We reject the message you are sent with."**

34:35 They also said, "We are more powerful, with more money and children, and we will not be punished."

34:41 They will answer, "Be You glorified. You are our Lord and Master, not them. **Instead, they were worshipping the jinns; most of them were believers therein.**"

37:26 They will be, on that day, totally submitting.

37:27 They will come to each other, questioning and blaming one another.

37:28 They will say (to their leaders), **"You used to come to us from the right side."**

37:29 They will respond, **"It is you who were not believers."**

37:30 **"We never had any power over you;** it is you who were wicked.

37:31 "We justly incurred our Lord's judgment; now we have to suffer.

37:32 "We misled you, only because we were astray."

37:33 Thus, together they will all partake of the retribution on that day.

45:2-3 The revelation of this scripture is from **GOD**, the Almighty, Most Wise. The heavens and the earth are full of proofs for the believers.

47:11 This is because **ALLAH** is the Lord of those who believe, while the disbelievers have no lord.

48:4 He is the One who places contentment into the hearts **of believers** to augment more faith, **in addition to their faith**. To **GOD** belongs all forces of the heavens and the earth. **GOD** is Omniscient, Most Wise.

48:5 He will certainly admit **the believing men and women** into gardens with flowing **streams**, wherein they abide forever. He will remit their sins. This is, in the sight of **GOD**, a great triumph.

48:6 And He will requite the hypocrite men and women and the idol worshipping men and women, for they have harbored evil thoughts about **GOD**. Their evil will backfire against them. For **GOD** is angry with them, condemns them, and has prepared for them Gehenna. What a miserable destiny!

48:20 Part: And He has withheld the people's hands of aggression against you, and has rendered this **a sign for the believers**. He thus guides you in a straight path.

49:10 **The believers are members of one family**; you shall keep the peace within your family and reverence **GOD**, that you may attain mercy.

51:35 **We then delivered all the believers.**

51:36 **We did not find in it except one house of submitters.**

51:37 We set it up as a lesson for those who fear the painful retribution.

51:54 You may disregard them; you cannot be blamed.

51:55 **And remind, for the reminder benefits the believers.**

51:56 I did not create the jinns and the humans except to worship Me alone.

51:57 I need no provisions from them, nor do I need them to feed Me.

51:58 **GOD** is the Provider, the Possessor of all power, the Supreme.

58:10 **Secret conspiracy is the devil's idea, through which he seeks to hurt those who believed.** However, he cannot hurt them against **GOD's** will. **In GOD the believers shall trust.**

59:10 **Those who became believers after them say, "Our Lord, forgive us and our brethren who preceded us to the faith, and keep our hearts from harboring any hatred towards those who believed. Our Lord, You are Compassionate, Most Merciful."**

64:12 You shall obey **GOD** and you shall obey the messenger. If you turn away, then the sole mission of our messenger is to deliver the message.

64:13 **GOD: there is no other god besides Him. In GOD the believers shall trust.**

70:32 **And the believers keep their word; they are trustworthy.**

70:33 **Their testimony is truthful.**

74:30 **Over it is nineteen.**

74:31 We appointed angels to be guardians of Hell, and we assigned their number. (1) to disturb the disbelievers, (2) to convince the Christians and Jews (that this is a divine scripture), (3) to strengthen the faith of the faithful, (4) **to remove all traces of doubt from the hearts of Christians, Jews, as well as the believers**, and (5) to expose those who harbor doubt in their hearts, and the disbelievers; they will say, "What did **GOD** mean by this allegory?" **GOD** thus sends astray whomever He wills, and guides whomever He wills. None knows the soldiers of your Lord except He. This is a reminder for the people.

79:1 The (angels who) snatch (the souls of the disbelievers) forcibly.

79:2 **And those who gently take (the souls of the believers) joyfully.**

85:4 Woe to the people of the canyon.

85:5 They ignited a blazing fire.

85:6 Then sat around it.

85:7 **To watch the burning of the believers.**

85:8 **They hated them for no other reason than believing in GOD, the Almighty, the Praiseworthy.**

85:9 To Him belongs the kingship of the heavens and the earth. **And GOD witnesses all things.**

85:10 **Surely, those who persecute the believing men and women, then fail to repent, have incurred the retribution of Gehenna; they have incurred the retribution of burning.**

75:35 Indeed, you have deserved this.

75:36 Does the human being think that he will go to nothing?

THE ONLY QUESTION ON THE DAY OF JUDGMENT

6:130 Part: "Did you not receive messengers from among you, who narrated to you My revelations, and warned you about the meeting of this day?"

39:71 Part: "Did you not receive messengers from among you, who recited to you the revelations of your Lord, and warned you about meeting this day?"

Revealed: The Allah letters are **10** and **11**, revealing the diff. of 1.

Revealed: The messenger's letters are **30** and **31**, revealing the diff. of 1

(30,31 = 7 x 433).

35:37 Part 1: They will scream therein, "Our Lord, if you get us out of here, we will work righteousness, instead of the works we used to do."

35:37 Part 2: Did we not give you a life-long chance, with continuous reminders for those who would take heed? Did you not receive the warner? Therefore, taste (the consequences). The transgressors will have no one to help them.

Revealed: The Aleefs of Absoluteness are 7 and 6, revealing the diff. of 1.

Revealed: The Allah letters are 13 and 12, revealing the diff. of 1.

Revealed: The Allah letters in entire verse are 25 and the messenger's initials are 44, revealing the diff. of 19, Subhan Allah. This message confirms and proves everything – the Ultimate Message and Miracle.

Revealed: The verse number is 37 and the messenger's letters are 51, revealing the diff. of 14. Through the messenger's initials and letters, GOD has provided both of the Sacred Codes of 19 and 14, as you have witnessed through the 2 different revelations.

35:36 As for those who disbelieve, they have incurred the fire of Hell, where they are never finished by death, nor is the retribution ever commuted for them. We thus requite the unappreciative.

Revealed: The Allah letters are 20 and the messenger's letters are 34, revealing the diff. of 14, Subhan Allah.

Revealed: The chapter number is 35 and the verse number is 36, revealing the diff. of 1 – Disbelief in the One, Supreme God and His Absolute Authority.

Those who rejected GOD'S Absolute Authority and refused to accept His Warners, Messages, and continuous Reminders, will have no sympathy from GOD, nor will they be given another chance. THIS IS THE ONLY CHANCE!

The entire test is about belief in ALLAH, and acceptance of His Absolute Authority, and His Sovereignty over the entire universe and creations. Those who are arrogant to accept His messages through the warners and messengers will be in deep trouble – full of remorse and regrets – but it will be too late to make any kind of amends. This is what the message of Quran clearly points out.

Reason for GOD'S Condemnation and Abandonment of the Disbelievers

35:37 Part 1: "Our Lord, if you get us out of here, we will work righteousness, instead of the works we used to do."

35:37 Part 2: Did we not give you a life-long chance with continuous reminders

for those who would take heed? Did you not receive the WARNER?

Revealed: The **messenger's letters** are **15** and **16**, **revealing the diff. of 1**, the Profound Message and Warner has come, authorized by the Lord of the Universe!

35:37 Part 3: Therefore taste (the consequences). The transgressors will have no one to help them.

Revealed: The **messenger's letters** are **14**, the confirmed PROOF to back up the Truth of Quran.

The Gross sin of Idolatry committed by the Majority of People

35:37 Part: Did we not give you a life-long chance with continuous reminders for those who would take heed? Did you not receive the WARNER?

35:37 Part: Therefore taste (the consequences). The transgressors will have no one to help them.

Revealed: The **Allah letters** are **7** and **5**, **revealing the diff. of 2**, the worship of 2 gods by rejecting the Warners and Messengers of GOD.

Revealed: The **messenger's letters** are **16** and **14**, **revealing the diff. of 2**, the idolatry committed by the majority by rejecting GOD'S Absolute Authority by rejecting His messengers.

Revealed: The **chapter number** is **35** and the **verse number** is **37**, **revealing the diff. of 2**, the ones in Hell will realize the gross sin of idolatry committed by them but it will be too late!

6:130 Part 1: O you jinns and humans, did you not receive messengers from among you, who narrated to you My revelations, and warned you about the meeting of this day?

Revealed: The **Arabic letters** for **Part 1** are a **PERFECT 66**, Glory be to ALLAH.

6:130 Part 2: They will say, "We bear witness against ourselves." They were totally preoccupied with the worldly life, and they will bear witness against themselves that they were disbelievers.

Revealed: The **Arabic letters** for **Part 2** are a **PERFECT 66**, Praise be to ALLAH.

In addition, each part has the GV of **Allah letters** as **193** and **193**, which is also the GV of "**The Humans**" – "**Al-Insaan**" – **193** Most of the humans worshiped the

Jinns, as reflected through **34:41**. The jinns acted as the leaders of the disbelieving humans, and the rebellious and arrogant people followed them in their wrong path, therefore, ALLAH reminds the followers – “**the humans**” – **193** twice through the verse through each part just as He reminds them of His Glorified Name **ALLAH 66** twice through each part of the verse, serving a reminder about their gross sin of idolatry during their 1st life in Paradise, as well as in the 2nd life on earth. The comparable and important numbers 66 and 193 revealed twice from within the same verse is a vivid reminder for the people to take heed before they end up unanimously saying on the Day of Resurrection the following:

6:130 Part: They will say, “We bear witness against ourselves.”

Revealed: The **Allah letters** are **8**, and the **messenger’s letters** are **9**, **revealing the diff. of 1.**

It is clear from the verse that the jinns and the humans are being reminded about the revelations of GOD recited through His messengers, which most of them disregarded; hence the Proof of 1 above complements the verse, as well expose the disbelief of rejectors of GOD. This important reminder of the Absoluteness of ALLAH through His messenger is an ultimatum to all the people to heed the warnings sent down through the human messenger to warn them of the dire consequences that await them in the Hereafter.

Through the “statement of truth” uttered by the disbelieving jinns and the humans bearing witness against themselves on the Day of Judgment, GOD will reveal further to confirm the profound pre-recorded Truth of all events.

Revealed: The GV of the **messenger’s letters** whereby the jinns and humans bear witness against themselves is **386**. You will recall that the GV of **Allah letters** for both parts was $193 + 193 = 386$. Does this not match to enlighten you with **Matching Numbers and the profound pre-recorded history of events?** Now **GOD** will convert the important number **386 into 2 verses – 3:86 and 38:6, to reveal both ends of the spectrum – those who follow His messengers, or those who follow their leaders. Please open your Quran and read these verses as soon as you come to this point! Notice the importance of these verses as compared to 6:130 from which the number 386 originated.**

The above are the glorified proofs of the Seven Pairs – a complete confirmation of the Day of Judgment, and of the confessions uttered by the disbelievers on that DAY. It will be a “sad day for most” but a “day to rejoice for the few.”

What is the essence of the entire verse 6:130?

It proves that those who rejected the messengers and the accountability in the Hereafter were due to primarily choosing this “**worldly life**” over GOD. They are the ones who rejected the messengers of GOD and refused to follow, cooperate, strive, and obey them. For such evil people, a profound proof is hidden within the appropriate part of the verse which brings out the Great Words: “**Lord of the Universe**” – 433.

6:130 Part: They will say, “We bear witness against ourselves.” They were totally preoccupied with this worldly life.

Revealed: The GV of Allah letters is 143, and the GV of the messenger’s letters is 576, revealing the diff. of the Perfect Number 433 – LORD OF THE UNIVERSE, Alhumdo Lillah.

I will recite another verse on “**worldly life**” for all of you. Note the clear markings of the revelations to augment the message sent down through the messenger.

7:51 Part 1: Those who do not take their religion (Islam) seriously, and are totally preoccupied with is worldly life.

Revealed: The Allah letters are 17, while the Aleefs are 8, revealing the name of the messenger 178, Subhan Allah. Everything in the Quran is in context with the messengers, as I have stated before and now it is being proven by GOD.

7:51 Part 2: We forget them on that Day, because they forgot that Day, and because they spurned our revelations.

Consequences: The Allah letters are 15, and the messenger’s letters are 29, revealing the diff. of 14. God be Glorified for the clear markings of the Seven Pairs and **the messenger’s name 178** who has been blessed with the ultimate miracle. WHAT YOU HAVE WITNESSED ARE SPONTANEOUS REVELATIONS OF INSPIRATION, ALHUMDO LILLAH.

NOTE that Parts 1 and 2 are also marked with the “**clear revelation of 2 gods**” denoting idolatry committed by the disbelievers and hypocrites to whom this verse is addressed to.

Parts 1 & 2: Revealed: The Aleefs are 8 and 10, revealing the diff. of 2 – gods.

Revealed: The Allah letters are 17 and 15, revealing the diff. of 2 – gods.

This verse is addressed to the hypocrites and idol worshipers who chose to remain preoccupied with the “**worldly life**” thus disregarding GOD, His messengers, and His messages. Therefore, you see the clear revelation of 2 gods denoting idolatry committed by them.

11:116 Part: Only a few of them deserved to be saved by us.

Revealed: The **messenger’s letters** are **14** – the **Seven Pairs Miracle** confirms the pre-determined decision of GOD.
