EARTH: THE ABODE FOR THE LIVING AND THE DEAD

**I seek refuge in Allah from satan the rejected.
In the name of Allah, The Most Gracious, The Most Merciful.**

From the time of initiation of the universe, it was Allah's plan to create a particular planet and call it as "Earth". It is identified through its name, whereby the other planets are not named by GOD. It is noticeable through the verses of the Quran that Allah mentions the words, "the heavens and the earth" within the same sentences and together, rather than separately. This shows and proves that Allah had a plan for the future of creating various creatures and creations and then putting them to the Test of Submission. The creation of the Earth and subsequently placing the humans on it confirms the specific purpose behind it. The jinns have admitted their lack of knowledge about God's plan. They had no idea what God willed to do in carrying out His plan of placing the humans on Earth. But the name of the messenger sent with the Ultimate Miracles is carved in these verses to reveal the profound "Revelation of 1" to confirm the Plan of Allah. This will confirm the historic verses, which inform us about the **Test** created for the humans and the jinns.

72:10 We have no idea if something bad is intended for the inhabitants of Earth, or if their Lord wills to redeem them.

Revealed: The **Allah letters** are **15** and **messenger's letters** are **16**, **revealing the diff. of 1.**

72:12 We knew full well that we can never run away from **GOD** on Earth; we can never run away and escape.

Revealed: The **Allah letters** are **16** and **messenger's letters** are **17**, **revealing the diff. of 1.**

If you note carefully, both of the verses reveal the Revelation of 1 through Allah letters and those of His messenger, while they also reveal the difference of 1 individually, as **Allah letters** for each verse are 15 and 16 and **messenger's letters** are 16 and 17. Both ways, they are coded to reveal the "Revelation of 1" Alhumdo Lillah.

The Plan to send guidance to the humans on Earth through God's messengers was established as the criteria to redeem some and punish others. The Earth was designed to rotate on its axis, as well as around the sun, to create the day and the night, as well as the seasons of the year. Moreover, it was designed with

the gravitational force that will keep it in its orbit, and so were the other heavenly bodies. The specific design is absolutely remarkable whereby God made it the “abode for the living and the dead human beings”. The birds may soar at great heights, but they do not venture outside of the earth’s atmosphere of gravity. Similarly, the humans live and die on Earth. Even if they venture in space past the Earth’s atmosphere, they still return back to Earth. No one has been known to die outside the Earth’s atmosphere and left behind. Allah has made it impossible for the humans to seek alternative planets or stars to settle as He did not create the complete package of provisions of soil, rain, water, minerals, coal, gas and oil, fruits, vegetables, livestock, other animals that benefit the humans with fur, clothing, medicines, and many other resources and blessings like those that benefit the humans on Earth. Nor do the other planets contemplated by the humans for future settlement have the perfect design of the sun and the moon, the night and the day calculated on a 24-hour basis and the year of 365 days to make it habitable. They do not have the climate, which favors their habitation, nor the essential oxygen to breathe. Nor do they have the vast resources of oceans to provide the marine and fish life. Praise be to Allah who has made the Earth fully habitable for the humans. Without God’s provisions and blessings, the humans could not sustain on Earth just like He made it impossible to sustain themselves on other heavenly bodies. It is meant to be a place to Test the humans after providing them with all kinds of blessings, which are too many to count or encompass.

79:30 He made the earth egg-shaped.

Revealed: The **Allah letters** are **6** and **messenger’s letters** are **5**, **revealing the diff. of 1.**

78:6 Did we not make the earth habitable?

71:19 **GOD** made the earth habitable for you.

Revealed: The **Allah letters** for both the verses are **19** – the **One Creator.**

77:25 Did we not make the earth an abode?

77:26 For the living and the dead?

Revealed: The GV of **messenger’s letters** are **180** and **70**, **revealing the diff. of 110.** The humans are placed on Earth to test them regarding God’s Absolute Authority. This is the place for the living and the dead. As it is decreed by Allah, the humans cannot escape from Earth to other heavenly bodies to settle as they will not find suitable temperatures – the night and the day – the sun and the moon – and other provisions that make life possible on Earth.

77:28 Woe on that day to the rejectors.

77:29 Go to what you used to disbelieve in.

Revealed: The **messenger's letters** are **12** and **13**, **revealing the diff. of 1**. The humans disbelieved in Allah and disobeyed His Absolute Authority during their first life in Paradise. Even in this 2nd chance on Earth, the overwhelming majority still disbelieves and disobeys Allah; therefore, He is warning them to correct their behavior by not reverting to disbelief again. In other words, normal logic and wisdom demands that the second time around, the performance of the humans should be much better especially when they have been reminded about their past mistakes and sins.

The purpose behind the creation of the Heavens and the Earth is very clear from the beginning that Allah had decided to put the creatures to the Test, after creating them, and after assuming all Authority as the Lord of the Universe. The Test would then identify and separate those creatures who will be loyal servants to Allah as compared to the rebellious creatures. The laws were set up to obey the commands of Allah willingly and without hesitation. The obedience to His commands would constitute Islam or Submission. At the time when Allah willed to create the heavens and the earth, He issued this command as follows, which proved the submission of creatures not given the freedom of choice.

41:11 Then He turned to the sky, when it was still gas, and said to it, and to the earth, "Come into existence, willingly or unwillingly." They said, "We come willingly."

Revealed: The **Allah letters** are **28** and **messenger's letters** are **27**, **revealing the diff. of 1**. The fact and truth that the messenger's letters appear in the "**creation verse**" with the "**Revelation of 1**" proves that **Allah** had already decreed and selected a future soul of a human being to be the bearer of the Ultimate Miracle which will fulfill the prophecy of "**Ahmed**" – the code name of the messenger with **the Sign of Seven Pairs**. This also proves that the Universe was singularly created by the Lord of the Universe, the Almighty, the Omnipotent.

41:11 Part: Come into existence, willingly or unwillingly.

41:11 Part: They said, "We come willingly."

Revealed: The **Arabic letters** are **15** and **16**, **revealing the diff. of 1**.

Revealed: The **Allah letters** are **6** and **6** to reveal the **Command of Allah** and the response of His creations to **Allah** – **66**, **Glory be to Him**.

41:11 Part: (without the part on "unwillingly") Come into existence, willingly. They said, "We come willingly."

Revealed: The **Allah letters** are **9** and **messenger's letters** are **8**, **revealing the diff. of 1**. The response of the new creations saying, "**We come willingly**" is similar to the one commanded to the humans to say, "**We hear and obey**".

Revealed: The GV of **Allah letters** is **38 = 19 x 2**.

Revealed: The GV of **messenger's letters** is **266 = 14 x 19** – the **Sacred Codes** confirm the truth that the new creations obeyed Allah and came into existence willingly, without any hesitation to the command. This established the criteria and the name of the religion of **Allah as Submission**.

The Words: Willingly – Unwillingly.

Revealed: The **Allah letters** are **1** and **2**, **revealing the diff. of 1**. Note "**willingly**" in both forms of spellings has only **1 Allah letter** as an **Aleef** in each word to denote **submission**, now proven through the "**Revelation of 1**". On the other hand, the word "**unwillingly**" has **2 Allah letters** to denote disobedience and idolatry, and now proven through the "**Revelation of 2 gods**" – "**Idolatry**". This revelation basically warns the idolaters when they disobey Allah, or follow other than His commands, or follow His commands reluctantly in an unwilling manner. When God's creations obey His command willingly, it is pointed out through **1 Allah letter**, as the upholding of His Absolute Authority.

The 2 forms of spellings for the word "**willingly**" are given as "tau'un" and "taa'ay'een".

Revealed: **Both Words** have **Allah letters 2** and **messenger's letters 3**, **revealing the diff. of 1**.

Revealed: The GV of **messenger's letters** in both words is precisely **66**, Alhumdo Lillah.

19:64 We do not come down except by the command of your Lord. To Him belongs our past, our future, and everything between them. Your Lord is never forgetful.

Revealed: The **Allah letters** are **19**. The angels carry out the commands of the Lord and perform various functions without doubts or hesitation.

19:65 The Lord of the heavens and the earth, and everything between them; you shall worship Him and steadfastly persevere in worshipping Him. Do you know of anyone who equals Him?

Revealed: The **Allah letters** are 19. Allah has proven to be the only Lord of the Heavens and the Earth; therefore, all worship should be devoted to Him according to His commands given in the Quran.

I will recite some verses with proofs to show you that Allah has invited the people to believe in Him as the Initiator of the Heavens and the Earth and so has His messengers throughout times.

29:44 GOD created the heavens and the earth, truthfully. This provides a sufficient proof for the believers.

Revealed: The **Allah letters** are 19 – a sufficient proof for the believers that **Allah** is the **Creator**.

41:9 Say, "You disbelieve in the One who created the earth in two days, and you set up idols to rank with Him, though He is Lord of the universe."

Revealed: The **Allah letters** are marked as 19 as a sufficient proof of **One Creator – Lord of the Universe**.

29:44 Part: GOD created the heavens and the earth, truthfully.

41:9 Part: Say, "You disbelieve in the One who created the earth in two days.

Revealed: The **messenger's letters** are 14 and 19 – **the Sacred Codes** through the messenger's letters also prove that **Allah** is the **One** who created the whole universe including the Earth.

6:73 Part 1: He is the One who created the heavens and the earth, truthfully.

6:73 Part 2: Whenever He says, "Be," it is. His word is the absolute truth. All sovereignty belongs to Him the day the horn is blown. Knower of all secrets and declarations.

Revealed: The GV of **Allah letters** are **160** and **325**, **revealing the diff. of 165** – the **Absolute Allah** is the True King and Creator of the universe.

Allah further created the cycle of life on Earth by creating life and death for the humans and other creatures on earth. The words are again coded to remind the people that Allah is the One who creates and controls their lives and death. The name of the messenger as the bearer of the "Ultimate Miracle" is carved in the words informing us of the creation of death and life. The messengers are the ones who remind the people about their creation by God, the test from Him, the Day of Judgment, the resurrection on that day to account for their deeds and to prepare for the life in the Hereafter.

67:2 Part 1: The One who created death and life.

Revealed: The GV of **Allah letters** is **128**.

Revealed: The GV of **messenger's letters** is **306**.

Revealed: The **Allah letters** are **8** and **messenger's letters** are **12** - **the Pattern of 128**.

67:2 Part 2: For the purpose of distinguishing those among you who would do better. He is the Almighty, the Forgiving.

Revealed: The **messenger's initials** are **14** and **letters** are **19** - the **Sacred Codes** are hereby revealed through the letters of the messenger, along with his name, in this important verse informing us of the reason behind the creation of creatures.

67:2 Part 1: The One who created death and life.

67:2 Part 2: For the purpose of distinguishing those among you who would do better.

Revealed: The **messenger's letters** are **12** and **13**, **revealing the diff. of 1**.

Revealed: Both Parts: The **Allah letters** are **14** - the **Seven Pairs Miracle** to define the purpose of creation.

67:2 Part 3: He is the Almighty, the Forgiving.

Revealed: The **Allah letters** are **5** and **messenger's letters** are **6**, **revealing the diff. of 1**.

Revealed: In **Parts 1-2**, the **Allah letters** are **14**, and **entire verse** has **Allah letters 19**. The **Sacred Codes** prove the reason behind the creation and the inevitable test imposed upon the creatures by Allah through this key important verse.

14:10 Part: Their messengers said, "Do you have doubts about **GOD**; the Initiator of the heavens and the earth?"

Revealed: The **Allah letters** are **15** and **messenger's letters** are **14**, **revealing the diff. of 1**.

7:128 Part: (The messenger said) The earth belongs to **GOD**, and He grants it to whomever He chooses from among His servants. The ultimate victory belongs to the righteous.

10:13 Many a generation we have annihilated before you when they transgressed. Their messengers went to them with clear proofs, but they refused to believe. We thus requite the guilty people.

Therefore, the Earth was chosen by Allah at the outset to be the abode for the human beings – both the living and the dead ones. The Plan of the Most Praiseworthy is clear through the verses of the Quran.

2:36 Part: But the devil duped them, and caused their eviction therefrom.

2:36 Part: We said, "Go down as enemies of one another. On Earth shall be your habitation and provision for a while."

Revealed: The **Allah letters** are **12** and **messenger's letters** are **26**, **revealing the diff. of 14** – **the Seven Pairs proof** is evidence from Allah regarding the Test having begun by granting a 2nd chance to the humans and the jinns.

7:24 He said, "Go down as enemies of one another. On earth shall be your habitation and provision for awhile."

7:25 He said, "On it you will live, on it you will die, and from it you will be brought out."

Revealed: The **Allah letters** are **12** and **8** to reveal the profound message through **the messenger, Husain 128**, who has been sent to remind the people about the Covenants made with ALLAH and the subsequent violation of them, when put to the Test on Earth.

77:25-26 Did we not make the earth an abode? For the living and the dead?

7:25 He said, "On it you will live, on it you will die, and from it you will be brought out."

Revealed: The **Allah letters** are **12** and **8**, the **Pattern of 128 to reveal the messenger, Husain**, who has been appointed as a profound Warner to inform the people about their past sins and whose name is included in the System of Allah to deliver the reminder to them.

20:55 From it we created you, into it we return you, and from it we bring you out once more.

7:25 He said, "On it you will live, on it you will die, and from it you will be brought out."

Revealed: The **messenger's letters** are **17** and **18**, **revealing the diff. of 1**.

7:10 We have established you on earth, and we have provided for you the means of support therein. Rarely are you appreciative.

67:15 He is the One who put the Earth at your service. Roam its corners, and eat from His provisions. To Him is the final summoning.

67:24 Say, "He is the One who placed you on earth, and before Him you will be summoned."

23:79 He is the One who established you on earth, and before Him you will be summoned.

6:165 Part: He is the One who made you inheritors of the earth, and He raised some of you above others in rank, in order to test you in accordance with what He has given you.

35:39 He is the One who made you inheritors of the earth. Subsequently, whoever chooses to disbelieve does so to his own detriment. The disbelief of the disbelievers only augments their Lord's abhorrence towards them. The disbelief of the disbelievers plunges them deeper into loss.

35:40 Say, "Consider the idols you have set up beside **GOD**; show me what on earth have they created." Do they own any partnership in the heavens? Have we given them a book wherein there is no doubt? Indeed, what the transgressors promise one another is no more than an illusion.

GOD has narrated some of the blessings bestowed upon the human beings on the planet Earth. He has granted more advantages to the humans over the other creatures, but they still remain overwhelmingly unappreciative.

17:70 We have honored the children of Adam, and provided them with rides on land and in the sea. We provided for them good provisions, **and we gave them greater advantages than many of our creatures.**

40:64 **GOD** is the One who rendered the earth habitable for you, and the sky a formidable structure, and He designed you, and designed you well. He is the One who provides you with good provisions. Such is **GOD** your Lord; Most Exalted is **GOD**, Lord of the universe.

42:11-12 Initiator of the heavens and the earth. He created for you from among yourselves spouses – and also for the animals. He thus provides you with the means to multiply. There is nothing that equals Him. He is the Hearer, the Seer. To Him belongs absolute control of the heavens and the earth. He is the One who

increases the provision for whomever He wills, or reduces it. He is fully aware of all things.

43:10-14 He is the One who made the earth habitable for you, and created for you roads therein, that you may follow the right way. He is the One who sends down from the sky water, in exact measure, to revive dead lands therewith. Similarly, you will be resurrected. He is the One who created all kinds, in pairs (male and female), and He created for you ships and livestock to ride. As you rest on top of them, you shall appreciate such a blessing from your Lord, and say, "**Glory be to the One who subdued this for us. We could not have controlled them by ourselves.**" We ultimately return to our Lord."

14:32-34 **GOD** is the One who created the heavens and the earth, and He sends down from the sky water to produce all kinds of fruit for your sustenance. He has committed the ships to serve you on the sea in accordance with His command. He has committed the rivers as well to serve you. He has committed the sun and the moon in your service, continuously. He has committed the night and the day to serve you. And He gives you all kinds of things that you implore Him for. **If you count GOD's blessings, you can never encompass them.** Indeed, the human being is transgressing, unappreciative.

79:31-33 From it, He produced its own water and pasture. He established the mountains. All this to provide life support for you and your animals.

15:19-23 As for the earth, we constructed it, and placed on it stabilizers (mountains), and we grew on it a perfect balance of everything. We made it habitable for you, and for creatures you do not provide for. **There is nothing that we do not own infinite amounts thereof.** But we send it down in precise measure. And we send the winds as pollinators, and cause water to come down from the sky for you to drink. **Otherwise, you could not keep it palatable.** It is we who control life and death, and we are the ultimate inheritors.

16:13-18 And (He created) for you on earth things of various colors. This is a (sufficient) proof for people who take heed. And He committed the sea to serve you; you eat from it tender meat, and extract jewelry which you wear. And you see the ships roaming it for your commercial benefits, as you seek His bounties, that you may be appreciative. And He placed stabilizers (mountains) on earth, lest it tumbles with you, as well as rivers and roads, that you may be guided. And landmarks, as well as the stars; to be used for navigation. Is One who creates like one who does not create? Would you now take heed? If you count **GOD's** blessings, you cannot possibly encompass them. **GOD** is Forgiver, Most Merciful.

26:7-8 Have they not seen the earth, and how many kinds of beautiful plants we have grown thereon? This should be a sufficient proof for them, but most of them are not believers.

36:36 Glory be to the One who created all kinds of plants from the earth, as well as themselves, and **other creations that they do not even know**.

22:65 Do you not see that **GOD** has committed in your service everything on earth? The ships run in the ocean by His command. He prevents the heavenly bodies from crashing onto the earth, except in accordance with His command. **GOD** is Most Kind towards the people, Most Merciful.

88:18-20 And the sky and how it is raised. And the mountains and how they are constructed. And the earth and how it is built.

13:3-4 He is the One who constructed the earth and placed on it mountains and rivers. And from the different kinds of fruits, He made them into pairs - males and females. The night overtakes the day. These are solid proofs for people who think. On earth, there are adjacent lots that produce orchards of grapes, crops, palm trees - dioecious and non-dioecious. Although they are irrigated with the same water, we prefer some of them over others in eating. These are solid proofs for people who understand.

On the Day of Judgment, the Earth will be quaked, and it will eject its load of dead and buried humans, at the command of the Lord of the Universe. The people will wonder as to what is happening, and the Earth will respond that the Lord has commanded it. This informs us that all the creatures of Allah speak and respond to Him.

99:1-8 When the earth is severely quaked. And the earth ejects its loads. The human will wonder: "What is happening?" On that day, it will tell its news. That your Lord has commanded it. On that day, the people will issue from every direction, to be shown their works. Whoever does an atom's weight of good will see it. And whoever does an atom's weight of evil will see it.

Revealed: The planet Earth is marked with the entire chapter's verses revealing **Allah letters** to be **62** and the **messenger's letters** to be **63**, **revealing the profound diff. of 1**, Subhan Allah. This is one of the major proofs of the messenger being marked with the Revelation for the Day of Judgment.

Revealed: The GV of chapter name "**Al-Zalzalah**" is precisely **110**, revealing that the Earth was chosen as a test for the people regarding Allah's Absolute Authority. The messenger has been predetermined to be the bearer of the Ultimate Miracle and Message of Allah as evidence

through the markings of the entire chapter on Earth and its quaking on the Day of Judgment.

Revealed: The GV of “Al-Zalzalah” is **110** and GV of **Allah letters** in chapter name is **96, revealing the diff. of 14 – the Seven Pairs.**

99:4 On that day, it (the Earth) will tell its news.

99:5 That your Lord has commanded it.

Revealed: The **Allah letters** are **4** and **5, revealing the diff. of 1.** The Earth speaks to its Lord, and does as commanded by the Supreme Creator. On the Day of Judgment, it will tell the news that it is ejecting the load of all the creatures buried on the planet Earth in response to Allah’s command. It will also be evident that the disbelievers’ numbers will surpass the believers.

99:4 On that day, it (the Earth) will tell its news.

Revealed: The **Allah letters** are **4** and **messenger’s letters** are **5, revealing the diff. of 1.**

99:7 Whoever does an atom's weight of good will see it.

99:8 And whoever does an atom's weight of evil will see it.

Revealed: The **Aleefs** are **2** and **2 – Perfectly Matched.**

Revealed: The **Allah letters** are **6** and **6 – Perfectly Matched to reveal Allah – 66.**

Revealed: The **messenger’s letters** are **10** and **10 – Perfectly Matched.**

Revealed: The **Arabic letters** are **22** and **21, revealing the diff. of 1.**

Revealed: The **Quranic Initials** are **18** and **17, revealing the diff. of 1.**

Revealed: The **messenger’s initials** are **10** and **9, revealing the diff. of 1.**

The enormous proofs from Allah show that even an atom’s weight of good and evil will be accounted for as the perfectly Matched Proofs reveal, as well as the Revelation of 1 through the specific design and count of letters in the verses.

The believers who obey and follow God’s commands are few. The overwhelming majority are disbelievers who remain cynical and unappreciative of God’s blessings. God thus diverts them from the righteous path, from His revelations, and from His proofs, so that they remain astray and in illusion till the Day they die and meet Him.

7:146 Part 1: I will divert from My revelations those who are arrogant on earth, without justification. Consequently, when they see every kind of proof they will not believe.

7:146 Part 2: And when they see the path of guidance they will not adopt it as their path, but when they see the path of straying they will adopt it as their path.

Revealed: The **Allah letters** are **19** and **18**, **revealing the diff. of 1.**
Revealed: The **messenger's letters** are **31** and **32**, **revealing the diff. of 1.**

7:146 Part 2: Path of Guidance: And when they see the path of guidance they will not adopt it as their path, but when they see the path of straying they will adopt it as their path. This is the consequence of their rejecting our proofs, and being totally heedless thereof.

Revealed: The GV of **Allah letters** is a perfect **306** – the Guidance pointed here is through the **messenger, Makbool Husain, 306.**

Consequences of Idolatry: Beginning of verse 7:146: I will divert from My revelations those who are arrogant on earth, without justification.

Ending of verse 7:146: This is the consequence of their rejecting our proofs, and being totally heedless thereof.

Revealed: The **Allah letters** are **9** and **11**, **revealing the diff. is 2 gods** – idolatry committed.

Revealed: The **messenger's letters** are **18** and **16**, **revealing the diff. is 2 gods** – idolatry committed.

7:146 Part 1: I will divert from My revelations those who are arrogant on earth, without justification.

7:146 Part 2: Consequently, when they see every kind of proof they will not believe. And when they see the path of guidance they will not adopt it as their path.

Revealed: The GV of **Allah letters** are **96** and **206**, **revealing the diff. of 110** – The Absolute Allah is the One who diverts the disbelievers and the hypocrites from the path of righteousness and belief.

7:147 Those who reject our revelations and the meeting of the Hereafter, their works are nullified. Are they requited only for what they committed?

55:26 Everyone on earth perishes.

55:27 Only the presence of your Lord lasts. Possessor of Majesty and Honor.

The purpose of reproduction and replacement of humans on Earth is to give each one of them the chance to believe or disbelieve according to the freedom of choice granted by Allah. Each one of them is tested as to how they behave on

Earth in implementing Allah's commands and laws. When the people disregard His laws, then the inevitable consequence is chaos and corruption, which is pretty apparent and prevalent at any given time on Earth.

10:14 Then we made you inheritors of the earth after them, to see how you will do.

7:129 They said, "We were persecuted before you came to us, and after you came to us." He said, "Your Lord will annihilate your enemy and establish you on earth, then He will see how you behave."

8:73 Part 1: Those who disbelieved are allies of one another.

8:73 Part 2: Unless you keep these commandments, there will be chaos on earth, and terrible corruption.

Revealed: Part 2: Allah letters are 10 and messenger's letters are 11, revealing the diff. of 1. Allah's laws and the correct understanding is clarified through His messengers.

There is not a thing or an atom in the universe that GOD is not fully aware of and in full control over it. Yet the ignorant set up idols besides Allah and try to inform Him as if they are the creators and know better than Allah, who is the True Initiator and Creator.

5:97 Part: You should know that **GOD** knows everything in the heavens and the earth.

Revealed: The **Allah letters** are **17** and the **Aleefs** are **8** – the **Pattern of 178** being the **messenger, Makbool**. The precise and exact knowledge of Allah about every creature in the universe is reflected through the specific lettering of the human messenger to reveal his name consistently. When Allah knew ahead of time about me even before the revelation of the Quran; it shows and proves that He is Omniscient and Omnipotent.

10:18 Part: Say, "Are you informing **GOD** of something He does not know in the heavens or the earth?"

Revealed: The **Allah letters** are **17** and the **Aleefs** are **8** – the **Pattern of 178** of the **messenger's name** to inform the people about His Absolute knowledge about everyone in the universe.

65:12 GOD created seven universes and the same number of earths. The commands flow among them. This is to let you know that **GOD** is Omnipotent, and that **GOD** is fully aware of all things.

Revealed: The Allah letters are 37 and messenger's letters are 51, revealing the diff. of 14. The Proof matches with the 7 universes and 7 earths to total 14, hence the Miracle of God is apparent.

35:41 Part 1: ALLAH is the One who holds the heavens and the earth, lest they vanish.

35:41 Part 2: If anyone else is to hold them, they will most certainly vanish.

Revealed: The Aleefs of Absoluteness are 7 and 6, revealing the diff. of 1.

Revealed: The messenger's letters are 15 and 14, revealing the diff. of 1.

Revealed: Part 1: The GV of Allah letters is 162. As stated by Allah in the verses, the heavens and the earth submit to His commands – they are perfectly designed to remain in their own orbits without any deviation.

35:41 Part 3: He is Clement, Forgiving.

Revealed: The Allah letters are 6 and messenger's letters are 7, revealing the diff. of 1.

Revealed: Entire Verse: Allah letters are 29 and messenger's initials are 30, revealing the diff. of 1.

Revealed: Entire Verse: Allah letters are 29 and messenger's letters are 36, revealing the diff. of 7.

**Peace be upon the messengers.
Praise be to Allah, Lord of the Universe.**
