

January 7, 2005 : **Khutbah: The devil interferes in God's message.**

I seek refuge in Allah from satan the rejected.
In the name of Allah, Most Gracious, Most Merciful.

According to the system of Allah, Most Wise; He allows the devils to interfere in His messages, sent through the prophets and the messengers. This is created as a test, to let the humans decide whether they love Allah and want to uphold His Absolute Authority, or have doubts about Allah's message and become a victim to satan's desires to lead the maximum number of people astray in his rebellion against Allah. I shall go through a number of verses in this khutbah.

A website is a personal publication, to promote a message or whatever else one may choose. I was approached by Mr. Oliver Rehman on January 23, 2004 if he could link my site with his, and combine the message. I flatly declined him, and told him that Islam allows freedom of speech and religion; he should preach his message the way he wants and let me do the way I like. I thought he understood what "NO" means. Ironically, I would say that his message totally contradicts the Quran. Last week I was informed by one of the believers that the name of my website appears in Oliver Rehman's website. I was shocked, because I have been transgressed upon. He did this without my knowledge and permission, and is a clear violation of Islamic laws, and of most other religions. I hope the gentleman realizes his mistake, and abides by the norms of etiquette and moral behavior.

I state categorically that neither I, nor my website has anything to do with any other website; nor do I agree with any of the multiple sites on Islam and Quran, as they have no "SPECIFIC AUTHORIZATION OR SIGNS, FROM ALLAH, MOST WISE." To translate, interpret or comment on God's Words without His consent is a gross offence and a blasphemy, as it violates His Absolute Authority.

Since God has willed that the devils be allowed to interfere in his messages, they take advantage of everything God has created to deliver His messages. For example, the computer can deliver God's message, and the devils can distort and corrupt the message, thereby confusing the people. **But the righteous can always distinguish between the truth and the lies.**

The message that I am delivering to all the people on Earth is a very powerful message from Allah, as it is under His own Sacred Name, and proving for the first time through His Revelations and Verses, that He is indeed ONE, without any partners. He has blessed me through inspiration by taking me deep into the verses to reveal the "Hidden Miracles" embedded in them. Glory be to Allah.

I will now recite a few verses, to show you the different Miracles given to me as Signs:

THE MESSAGE: "Revelation of 1." - (through my name letters)

21:2 When a proof comes to them from their Lord, that is new, they listen to it heedlessly.

26:5 Whenever a reminder from the Most Gracious comes to them, that is new, they turn away in aversion.

REVEALED: my name letters are 23 and 22, giving us a difference of 1. ----GOD

This is the new proof and reminder from the Lord, who has created and designed my name letters to reveal the "Revelation of 1" through me. The reminder that "God is One" is not new itself, but the revelation decreed to prove it, IS NEW, and confirms the previous messages. Submitters are

thus put to the test, whether they believe in God or not, as this comes from Him, and also confirms their belief. Anything sent to confirm your belief is called “**THE TRUTH**”, which leaves them with no option, except to believe or not.

THE MESSAGE: Majority remains heedless and sides with satan. – (through ALLAH letters)

36:45 Yet, when they are told, “Learn from your past, to work righteousness for your future, that you may attain mercy,”

36:46 No matter what kind of proof is given to them from their Lord, they consistently disregard it.

REVEALED: The letters of Allah are 13 and 14, revealing the 1, ALLAH.

Revelation of 14 and 19 through the letters of Allah, and my name letters:

36:46 No matter what kind of proof is given to them from their Lord, they consistently disregard it.

REVEALED: The Allah letters are 14, and my name letters are 19, SubhanAllah.

THE MESSAGE: Most remain heedless and do not Reverence Allah, as He should be Reverenced.
(through the letters of Allah, and through my name letters, as per Allah’s will.)

21:36 (portion of verse) Meanwhile, they remain totally heedless of the message from the Most Gracious.

21:42 (portion of verse) Indeed, they are totally oblivious to the message of their Lord.

REVEALED: The letters of Allah are 4 and 3, revealing the One, Supreme Allah.

REVEALED: the letters of my name are 10 and 9, revealing and confirming the 1 True Lord.

Furthermore, my name letters add up to $10 + 9 = 19$, revealing Allah’s Specific Authorization.

The people who do not believe in Allah and His scripture, cannot be put to the test. Through the Quran, Allah guides the believers, through His messengers, and clarifies and explains His laws. He also exposes the hypocrites and the disbelievers; as they will object, reject, conceal, distort, explain, interpret, oppose and accept parts of the scripture that they like in a selective way. Such people are not liable to accept these Revelations, even though their eyes see them, unless they offer a firm repentance. Their fate and destiny is given as those possessed by the devil, which means they will be assigned to the Hellfire.

Those who proclaim that they believe in Allah, are certainly put to the Test by Him, through His Revelations. The ones who submit are guided by the Lord, and their faith is augmented. They fall prostrate upon hearing and seeing these “awesome” revelations, and reverence the Glory and Wisdom of the Almighty. The destiny of such believers is forgiveness from their Lord, and the blissful Paradise.

THE TEST EXPLAINED THROUGH THE MESSAGE: THE PURPOSE IS TO EXPOSE THOSE WHO REJECT HIS SACRED CODES, THEREBY REJECTING HIS ABSOLUTE AUTHORITY.

Allah, (66) is the One who revealed the Code of 19:

$$66 + 19 = 85$$

Allah, (66) is the One who revealed the Code of 14:

$$66 + 14 = 80$$

The Miracle Revealed: $85 + 80 = 165$, God's Absolute Authority, (Al-Samad) and His Shahadah, (La Elaha Ella Allah), both have G.V.s as 165. Praise be to Allah, Most Gracious.

The Miracle Revealed: $80,85 = 7 \times 7 \times 165$, proving that the two Sacred Codes as well as His name, Allah, are encoded through the "Seven Pairs."

THE TEST: 29:2 Do the people think that they will be left to say, "We believe," without being put to the Test?

Revealed: The letters of Allah in this verse are -----14.
(They have to believe in the Miracle of Seven Pairs, by believing in Makbool Husain, as the messenger of Allah.)

PREVIOUS TEST: 29:3 We have tested those before them, for God must distinguish those who are truthful, and He must expose the liars.

Revealed: The letters of Allah in this verse are -----19.
(The people were put to the test through the Miracle of 19, by believing in Rashad Khalifa, as the messenger of Allah,)

Through these Sacred Codes, as God says in the verses above, the truthful will be distinguished, and the liars will be exposed. Those who are doubtful about God's Authority, their minds become veiled, and they will not be able to appreciate Allah, and His power of miracles. Glory be to the Most High.

There are two sets of verses that occur in Chapters 6 and 22, where God tells us that He has allowed satan to interfere in His messages, which are sent through the prophets and messengers, to distinguish the truthful, and to expose those who are doubtful and liars. **On such verses of great significance, that reveal His System, or of other great importance, the verse "preceding" or "following" are very important, to understand the depth of the verses, and the greatness of the Almighty. The set of 6:112-113 are preceded by 6:111; and the set of 22:52-53 is followed by 22:54. This system can be called "mounting" or "surrounding" the important verses, through which I find Proofs are given. God has done this for us to understand the depth and seriousness of the verses, as evidenced by the nature of the Proofs revealed. Moreover, in order to magnify the attribute of "Absolute Authority," God uses the first letter of His name, which is an ALEEF, representing the value of 1, instead of all His name letters, to offer "Proofs of the Highest Order," in certain select verses.**

Verses Defining "THE SYSTEM :"

Preceding Verse: 6:111 Even if we sent down the angels to them; even if the dead spoke to them; even if we summoned every miracle before them; they cannot believe unless God wills it. Indeed, most of them are ignorant.

REVEALED: The ALEEF'S in this verse are 18, representing the G.V. of "wahidun." (One)

1st Set of Verses: 6:112 & 113: We have permitted the enemies of every prophet – human and jinn devils – to inspire in each other fancy words, in order to deceive. Had your Lord willed, they would not have done it. You shall disregard them and their fabrications.

This is to let the minds of those who do not believe in the Hereafter listen to such fabrications, and accept them, and thus expose their real convictions.

REVEALED: The ALEEF' S in this set of verses are 19, representing the G.V. of "wahid" (One)

REVEALED: The difference in 18 and 19 Aleef's is 1; thereby proving that it is indeed God's system for the devils to interfere in His words and messages, in order to conduct the Test of distinguishing the truthful from the liars.

REVEALED: The G.V. of Allah letters in 6:111 is 533.

The G.V. of Allah letters in 6:112-113 is 599.

The difference between 533 and 599 is clearly 66, which is the G.V. of ALLAH.

He has clearly revealed through the Miracle of Aleef's **that He is One,(1)** and now through the G.V.s of His name letters, **He has also revealed the name, Allah. (66)** (SubhanAllah.)

The **verse 6:111** tells us that even if God sent every possible kind of miracle, the disbelievers would still reject it. **The Miracle outlined below may make them more averse, when they see the proof of the Seven Pairs, between Allah letters and my letters.**

REVEALED: The Allah letters are 41, and my name letters are 55, revealing the difference of 14.

2nd Set of Verses: 22:52 We did not send before you any messenger, nor a prophet, without having the devil interfere in his wishes. God then nullifies what the devil has done. God perfects His revelations. God is Omniscient, Most Wise.

22:53 He thus sets up the devil's scheme as a test for those who harbor doubts in their hearts, and those whose hearts are hardened. The wicked must remain with the opposition.

Miracle: The G.V.s of Allah letters for each verse are: 909 and 434, with a diff. of 475 = 19 x 25

Follow-up Verse: 22:54

Part 1: Those who are blessed with knowledge will recognize the truth from your Lord, then believe in it, and their hearts will readily accept it.

Revealed: the letters of Allah in this part of the verse are: **19**

Part 2: Most assuredly, God guides the believers in the right path.

Revealed: the letters of Allah in this part of the verse are: **14**

(thus revealing the Miracle of 19 - 14)

The "**Preceding Verse 6:111**" in the **first set**, and the "**follow up Verse 22:54**" in the **second set** prove through the various Miracles I have presented, about God's system of letting the devil interfere in His messages, but the righteous and the sincere worshipers of the Most Gracious are not affected or influenced by the devil. This is **the "first time"** that these profound, deep-meaning verses have been explained through such intricate miracles. Praise be to Allah.

ORIGINAL HISTORY - SATAN'S CHALLENGE TO CLAIM MAJORITY:

15:39-40 He said, (**satan**) : "my Lord, since You have willed that I go astray, I will surely entice them on earth; **I will send them all astray.**" "**Except those among Your Worshipers who are devoted absolutely to You alone.**

17:62 He said (**satan**), “Since You have honored him over me, if You respite me till the Day of Resurrection, **I will possess all his descendants, except a few.**”

REVEALED: The Allah letters are 23 and 24; a diff. of 1. GOD

REVEALED: The Aleef’s are 12 and 11; a diff. of 1, PROVING that satan knows there is only 1 God, whose name is ALLAH, but failed to uphold His Absolute Authority and Commands.

The “**last occurrence**” of this **Original History** appears in **Chapter 38, verses 82 and 83**, relative to what I have recited above.

38:82 He said, (**satan**) “I swear by Your majesty, that I will send them all astray.”

38:83 “Except Your worshipers who are devoted absolutely to You alone.”

REVEALED: The Aleef’s (Proofs of the Highest Order), are 3 – 4 = diff. of 1.

REVEALED: letters of my name are 11 – 10 = diff. of 1.

REVEALED: Verse Numbers 82 + 83 = 165. denoting “Al-Samad, and the Shahadah.”

NOTE: My name letters in 38:82-83 appear **with a difference of 1**, as per the “**Revelation of 1**,” that Allah has blessed me with. They also appear in other verses on “**Original History**,” as well as many other important verses. Detailed proofs have been revealed by Allah, Most Merciful, over time. The evidence is in each weekly khutbah. What does 38:83 allude to? **Who are the devoted worshipers?**

38:83 “Except Your worshipers who are devoted absolutely to You alone.

REVEALED: The G.V. of Allah letters is 99 (being G.V. of “**aamanoo – those who believe**”)

Believe in Who? The answer is Allah. Therefore;

G.V. of Allah letters in verse, **99** plus G.V. of **Allah, 66 = 165**, revealing **His Absolute Authority.**

How do you follow His Absolute Authority? The answer is by following His revelations and His messengers. The ones who follow the messenger are called “**believers.**” **G.V. 223.** Therefore;

REVEALED: G.V. of Allah letters is 99, and G.V. of my name letters **is 322**; revealing a difference of **223**, which is the G.V. of **Al-Muminoon – The Believers.** Glory be to my Lord.

These are in-depth miracles and proofs through the letters of the “Author of the Quran,” - Allah, Most Praiseworthy, and reveal the meaning in mathematical values in harmony with the script and text of the verses. Through the examples given in verses, and through the mathematical revelations, I will show you that the “**majority does follow satan,**” **when put to the test by God.**

MOST PEOPLE WILL FOLLOW SATAN, EXCEPT FEW BELIEVERS:

34:20 Satan found them readily fulfilling his expectations. They followed him, except a few believers.

REVEALED: The letters of Allah are : **14**

34:21 He never had any power over them. But we thus distinguish those who believe in the Hereafter from those who are doubtful about it.

REVEALED: The letters of Allah are : **19**

This is now a proven fact through the Sacred Codes of 14 and 19. Since satan has no real power, therefore, there is not much he can do to the true believers, who are under God's mercy. This fact is also proven now, by putting together appropriate portions of the verses.

34:20 "except a few believers."

34:21 "he (satan) never had any power over them."

Revealed: the Allah letters are 6 and 7, **revealing the diff. of 1, God.**

Revealed: The Arabic letters of verse are 18 and 19, **revealing the diff. of 1, God.**

GOD'S MERCY THROUGH THE MESSENGER FOR SOME PEOPLE:

4:83 Part of Verse: If it were not for God's grace towards you, and His mercy.

Part of Verse: you would have followed the devil, except a few.

REVEALED: The G.V. of my letters is **296** and **362**, **revealing the difference of 66**, which is precisely the value of **ALLAH**. (Glory be to Him)

Revealed: The G.V. of **my letters of 296** in the first part, about "God's grace and mercy," is the G.V. of "**Rasool – a messenger,**" proving that **God's blessings come through His messengers.** (**Read 3:194**)

THE ENDING: The **earthquake** and the **tsunami waves** on **December 26, 2004**, was just a miniscule example of God's wrath and retribution, and His Absolute and Awesome Power, to do as He pleases. He mentions in the Quran that He can annihilate the whole human race, and substitute with a new one. At the same time, He reminds us that "**it is easy for Him.**"

"HE IS IN NO NEED OF ANYONE. HE IS THE MOST HIGH, PRAISEWORTHY."

We were told by the earthquake scientists that the earth vibrated on its axis, as it was a powerful quake.

I would like to remind all the people, to let this powerful message and revelations, vibrate through the human hearts, so that they come into submission to ALLAH. What lays ahead for the disbelieving community of humans is beyond imagination. This was only a sample of it.

Reverence the One who created you, and all the creatures. Follow His path, the path that He decreed through His messengers, **and uphold His Absolute Authority.** You will not get another chance after you die. These "**Revelations are all from Allah,**" who reveals whatever He wills, and to whomsoever He wills. **Glory be to Him.**

Peace be upon the messengers.

And Praise be to Allah, Lord of the Universe.
