

January 21, 2005 – **Khutbah: Allah created the souls, as well as the humans.**

“I seek refuge in Allah from satan the rejected.”  
In the name of Allah, Most Gracious, Most Merciful.

The creation of the human, unique and distinct from each other, is a marvel of Allah. Each human has a soul, which is unseen to the human eye, but is the real human being. The body is just the garment over the soul. The soul is also unique and identifiable from each other; another miracle and marvel of the Creator. The whole purpose of this earthly life which is a second chance from Allah, is to purify our souls, by worshiping the Creator in the form and manner prescribed by Him. This is a very important Khutbah, as it addresses the core of the human being – the soul; and for the first time proves and confirms the identity of the human as well as the soul, through the name letters of the Creator, Allah, and His Sacred Codes that comprise the Quranic Verses. Additionally, it proves and confirms that Allah indeed is the Initiator, Creator and Designer of the humans, the souls, and everything else in this vast universe.

I will start by showing you the great Miracles embedded in the words – “soul and human.” By God’s grace, these Miracles should give certainty to the humans about meeting their Lord, after death.

**Miracle # 1:** The Arabic word for “soul” is “nafs.” The G.V. of “nafs” is 190, = **19 x 10**

**Miracle # 2:** The 3 arabic letters plus the G.V. of 190 of “soul” = **193**; and the G.V. of “the human” or “al-insaan” in Arabic is **193**; thus the mathematical composition of “**soul – nafs**” blends into the mathematical value of “the human.”(**193**)

**Miracle # 3:** By writing the G.V. of each letter of “**Nafs – Soul**” in Arabic, next to each other, we get:

$$50,80,60 = \underline{14} \times 36290 \quad \text{AND} \quad 50,80,60 = \underline{19} \times 26740$$

**revealing the Sacred Codes of 14 and 19, in the human soul, as well as the whole of Quran, according to the verses given in 74:30 and 15:87, SubhanAllah**

**Miracle # 4:** By adding the digits in **miracle # 3** in 50,80,60; we get **5 + 8 + 6 = 19** AlhamdoLillah.

**Miracle # 5:** In **miracle # 3**, the answers or quotients are 36290 and 26740. When we add the digits of each number, we get the following: **36290**, the sum of digits is: **3+6+2+9 = 20**

$$\mathbf{26740, \text{ the sum of digits is: } 2+6+7+4 = 19}$$

**Revealing the diff. between 20 and 19, which is 1, proving the Creator of the Souls to be THE ONE AND ONLY, ALLAH, Most Praised and Glorified.**

**Miracle # 6:** The G.V. of “**human – insaan**” spelled in Arabic as Aleef, Nun, Seen, Aleef, Nun is : **162** This is also the G.V. of “**The Submission –(Al Islam,) G.V. 162,**” revealing as **Allah says: that He created the human to worship Him Alone, through Submission.**

**Miracle # 7:** The G.V. of “**human**” is **162**, and of “**soul**” is **190**. By placing these numbers side by side:

$$162,190 = \underline{7} \times \underline{14} \times 11655, \text{ revealing the “Seven Pairs” involved here.}$$

$$190,162 = \underline{14} \times 13583, \text{ again revealing the miracle code of 14 as the seven pairs.}$$

**Miracle # 8:** **Human 162**, sum of digits is :**1+6+2 = 9**

**Soul 190**, sum of digits is : **1 + 9 = 10**, revealing the diff. in **9 and 10 as 1**, and revealing the “**tis’ah ashar**” as given in **74:30**, adding up to **19**; and **9,10** is = **14 x 65** also. This shows that the **Code of 19** through “**nine- ten**” **blends into the Code of 14**, being divisible by 14.

**Miracle # 9:** **The sum of “soul” 190 and “human” 162 adds up to 352**, and the G.V. of “**Quran**” is **352**, and the humans have been blessed with this Book.

This shows and proves, according to **verse 6:20** that the righteous among the people of the scripture **will recognize the Quran** as they **recognize their own children**. The ones who lose their souls are those who do not believe.

**Revealed: The Allah letters in this profound example of 6:20 are Absolutely 19.**

**Miracle # 10:** Allah is revealing the Sacred Codes by giving my example as a human, as well as a messenger from Him This time we take the words:

**The Soul – Al Nafs, my name letters are 3,**

**The Human - Al Insaan, my name letters are 4,**

Revealing the profound miracle of “**Revelation of 1**”, being the **One and Only Creator** of everything.

The G.V. of my name letters in: **The Soul – Al Nafs** is  $140 = \underline{14} \times 10$

The G.V. of my name letters in: **The Human – Al Insaan** is  $190 = \underline{19} \times 10$

**REVEALING the 2 SACRED CODES of the ALMIGHTY in each and every “human and soul” through the example of the messenger’s name letters.**

**AN IMPORTANT NOTE:** God has revealed the **G.V. of Quran 352 through Miracle # 9;** and the **Sacred Codes of 14 and 19, through Miracle # 10,** being the format of “**Tis’ah Ashar,(nine- ten),** represented here through **Miracle # 9 and 10,** according to Verse 74:30, Glory be to my Lord. **The words soul (nafs) and human (insaan) are taken in the singular form, as each soul and human is individual, and will be treated as such on the Day of Resurrection.**

**Question: What did Allah show the soul?**

**Answer:** Let me show you the G.V. of the word in 91:8 that reads: “then showed it, ( fa al hamaha ),” The G.V. is 162, which is the G.V. of Al-Islam and Al-Salat. This profound G.V. clearly reveals that Allah, Most Wise has shown each soul how to submit to Him. Once you fully submit, you will also know how to observe the correct Salat.

The G.V. of the remaining verse: “what is evil and what is good,” is 813. Let us place these numbers side by side: 162,813 = 7 x 23259 and reverse is 813,162 = 14 x 19 x 3057, revealing all the Sacred Codes.

**Question: How does Allah define what is evil and what is good, and the best way to submit?**

**Answer:** The G.V. of “what is evil (fojooraha)” is 295.

The G.V. of “what is good (wa taqwaaha) is 518, revealing the diff. of 223, which is clearly the G.V. of (Al-Muminoon) The Believers.

The Believers are the ones who believe in Allah and His messenger, then attain the status of having no doubt whatsoever, and strive with their money and their lives, in the cause of Allah. ( see verse 49:15 ) The best way to fully submit, (G.V. 162 ) therefore, is defined by Allah as submitting through a messenger sent by Him, to be counted amongst the believers, (G.V. 223 ) Glory be to my Lord.

“THE SOULS RETURN BACK TO THE LORD, AND ONLY GOD KNOWS THE RIGHTEOUS SOULS FROM THE EVIL SOULS: ( another example through my name letters, Praise be to Allah)

Side by side, we have: 320,112 = 19 x 16848

112 is a multiple of 14, as 112 = 14 x 8

**Revealed:** The G.V. of my name letters for 89:28 is 112, and :

**Revealed:** Chapters **90 + 96 + Verses 7 + 14 = 207**, (this is the G.V. of Rabbayhee – his Lord) “**who sees everyone and everything.**”

The people may wonder after seeing these “revelations” as to how I am able to recite them in this way, and who is behind them? To remove the doubts of such people, the answer again comes through the Quran from the Most Gracious. He is the One who teaches the messenger, and provides guidance to all the people through the messenger, for those who choose to believe.

### **55:1 MOST GRACIOUS**

In **55:2**, the G.V. of my name letters is 250, placing them side by side: we have,

$128,250 = 19 \times 6750$ , and the sum of these numbers is  $128 + 250 = 378 = 14 \times 27$ , thus

revealing **both the Sacred Codes**. Glory be to my Lord.

### **55:2 TEACHER OF THE QURAN.**

**Revealed:** The Allah letters are 4, and my name letters are 5, a **diff. of 1**, revealing that the **Most Gracious** is my **Teacher of the Quran**, and these **Revelations are from Him**. SubhanAllah.

### **92:12 We provide the guidance.**

**Revealed:** The Allah letters are 6, and my letters are 7, a **diff. of 1**. **This proves that Allah provides the guidance through the messenger.**

### **96:11 Is it not better for him to follow the guidance?**

**Revealed:** The Allah letters are 7, and my letters are also 7, revealing the “**Seven Pairs.**” **This proves that all the people have to follow this messenger whose “Sign is the Seven Pairs,” in order to follow God’s Guidance.**

**Revealed:** The verse numbers are 12 and 11, a **diff. of 1**, revealing **One God**, and that all **Revelations and Guidance come from Him, through the messengers.**

**Revealed: Both Vs. 92:12 & 96:11.** The Allah letters are 6 and 7, a **diff. of 1**. **The Provider of Guidance.**

**Revealed:** my name letters are 7 and 7 in each verse, **sum is 14**, revealing **the Seven Pairs**.

**Revealed:** G.V. of my name letters in 92:12 are  $210 = 14 \times 15$

G.V. of my name letters in 96:11 are  $190 = 19 \times 10$

Thus revealing **both the Sacred Codes**, under which **the Guidance** is offered at this time.

### **92:6 And upholds the Scripture.**

### **92:7 We will direct him towards happiness.**

**Revealed:** The Allah letters are 2 and 3, a **diff. of 1**, revealing **the One ---- Allah**.

**92:9** And disbelieves in the Scripture.

**92:10** We will direct him towards misery.

**Revealed:** The Allah letters are 2 and 3, a diff. of 1, revealing the One ---- Allah.

**REVEALED:** For verses 92:6-7 my name letters are 17, for verses 92:9-10, they are 16, a diff. of 1, revealing the **Profound Revelation of 1**, that Allah has blessed me with, to deliver His message.

**Note:** The righteous are mentioned through verses 6 & 7 of Chapter 92. The diff. in the verse numbers is 1, belief in the Authority of the Absolute God.

The disbelievers are mentioned through verses 9 & 10 of Chapter 92. The diff. in the verse numbers is also 1, as in the verses on “the righteous”, but they are coded under **verses 9 & 10**, which add up to **19**, (the first Code,) or as **9,10** which becomes a multiple of **14**, serving as: (the second Code.) For sure, the disbelievers are not going to believe in God’s Miracles of these Sacred Codes, nor in the messengers delivering them, **even though their eyes see** that the verses are placed under certain numbers.

**“ SELFLESS DEDICATION & DEVOTION TO ALLAH.”**

**92:19** Seeking nothing in return.

**92:20** Seeking only his Lord, the Most High.

**Revealed:** Both verses: Allah letters are 16, my letters are 17, a diff. of 1, being the Lord, Most High.

These revelations in the Khutbah are the work of the Creator, Most High, as anyone can see. They are most inspiring for the believers and mind boggling for the disbelievers. The previous miracle of 19 was taken in vain. Rather than appreciating Allah, the majority either disbelieved in the miracle or twisted and fabricated it to make it seem ordinary and applicable to all. Hence the guidance of Allah and the teachings sent through Rashad were soon lost and forgotten. I am thankful to my Lord, that He granted me with miracles, as requested by me, that cannot be copied or fabricated. The distorters of God’s words will always be there; it is in accordance with God’s system. But the small number of truthful people will recognize these miracles as the work of Allah, and not human made. In the end, I will present the disbelievers another verse to reflect upon the greatness of Allah, alongwith His Sacred Codes.

**6:91 (portion of verse) They never valued Allah as He should be valued. Thus they said, “Allah does not reveal anything to any human being.”**

**Miracle:** The letters of Allah are 19 (Wahid) in the verse, and my letters are 23 (Wahdahoo).

**Sacred Codes Revealed:** The G.V. of Allah letters is 234, and G.V. of my name letters is 878.

Side by side,  $234,878 = 14 \times 16777$  and  $234,878 = 19 \times 12362$ , revealing Codes of 14 & 19.

**19:65 (part of Vs.) DO YOU KNOW OF ANYONE WHO EQUALS HIM?**

**42:11 (part of Vs.) THERE IS NOTHING THAT EQUALS HIM.**

**Revelation of Miracle:** my name letters (messenger’s) are 7 and 6, revealing the ONE, ALLAH. The letters of my name + the G.V.s of these letters is:  $(7 + 240) + (6 + 180) = 433$ , therefore the messenger proclaims that “no one” equals “THE LORD OF THE UNIVERSE – G.V. 433” and neither can your idols. ALLAH HAS PROVEN THROUGH THESE REVELATIONS.

Peace be upon the messengers.

**ALL GLORY AND PRAISE BELONGS TO ALLAH, LORD OF THE UNIVERSE.**
