

March 25, 2005 Khutbah: “disbeliever’s god is their ego.”

This is going to an important khutbah (sermon), as most people, including the believers, fall into the trap of satan, by following their “**EGO**” rather than God’s dictates and commands. Over the years I have personally observed many followers of the Quran rush to offer their interpretations, opinions and personal views on Quranic topics and religion, in general. At that moment, they are not even aware of God’s verses or commands from the same scripture, that they hasten to interpret. It is the most risky and dangerous phenomenon that qualifies you to be sent astray by the Most Gracious. The Almighty Lord commands His messengers and cautions them not to fall into satan’s trap through the human so-called muslims or believers, and others whose heart has been rendered oblivious to God’s message by Him.

18:28 Part of verse: Nor shall you obey one whose heart we rendered oblivious to our message; one who pursues his own desires. (ego – “hawaaho” in Arabic)

Proof Revealed: The G.V. of **Allah letters is 110**, reminding the messenger and others of **God’s Absolute Authority** through **His Shahadah, “La Elaha Ella Hoo – G.V. 110.”**

The messenger takes the commands from God, follows what is revealed by Him, and does not have to take any orders from others, including the believers. It will clearly be a violation of God’s Authority.

18:28 Last part of verse: “AND WHOSE PRIORITIES ARE CONFUSED.”

Proof revealed: The **Allah letters are 4**, and **my letters are 3**, revealing the **diff. of 1 God.**

This verse clarifies in a very distinct manner and points to those who think that they can bypass the messenger to believe in God. How can He accept your belief when you have already transgressed His Absolute Authority and broken ranks with His System?

***The word “**EGO**” is defined by **The Most Gracious** as placing one’s self opinion above His command and disregarding it. “Ego and self opinion” are derived from the same Arabic word called “**hawaaho.**” Let me show you through the verse the proof of the definition I gave.

38:26 Part of verse: “And do not follow your personal opinion,”

Part of verse: “lest it diverts you from the way of **GOD.**”

Proof Revealed: The **Aleefs (**His Absolute Authority)** are 2 and 1, revealing a **diff. of 1 – the Absolute Authority.**

The portion that advises us not to follow our personal opinions **has 2 Aleefs**, meaning that we have put our opinion above God’s **which constitutes 2 gods now – God and us – whereas God in only 1**

The portion that tells us “lest it diverts you from the way of God,” **has only 1 Aleef, as HE IS ONE.**

Proof Revealed: Even the **Allah letters** are 5 and 6, revealing **only 1 Supreme Authority.**

Another example from the Quran is:

47:14 Part of verse: “and they follow their own opinions.”

Proof Revealed: This is **verse # 14**, the **Arabic letters used here are 14**, and the **G.V. of Allah letters** is precisely calculated **by the Lord to be 14**, all based on the “**Revelation of the Seven Pairs.**”

There are 2 kinds of people: one group of people is “enlightened by their Lord,” while the disbelieving group follows their own self opinions. By taking the beginning and ending portions of verse 47:14, that separates two groups of people, let us see what the Lord shows us:

47:14 Part of verse: Are those enlightened by their Lord the same, (the believers)

Part of verse: As those whose evil works are adorned in their eyes. (the disbelievers)

Proof Revealed: The Allah letters are 5 and 4, revealing the 1 True Lord.

47:14 Part of verse: As those whose evil works are adorned in their eyes.

Part of verse: And they follow their own opinions?

Proof of Idolatry Revealed: the Allah letters are 4 and 6, revealing worship of 2 gods – Idolatry.

Proof of Idolatry Revealed: my name letters are 7 and 5, revealing Idolatry committed by rejecting the messenger.

*****Iblees, the satan,** was given a command to fall prostrate before Adam. The only reason satan gave for disobeying God's command was:

38:76 He said, (satan) **"I am better than he."**

Proof Revealed: the Allah letters are 5, and my letters are 6, revealing a diff. of 1 - God, and confirming the historical fact of satan's gross sin of disobedience to GOD due to "EGO."

Anyone can proclaim to be a Muslim through their mouth, but the belief, actions and deeds required by God to be accepted as such cannot happen **"till you kill your egos,"** as this will also be proven now. In verse 2:54, where God tells us to do this, this small verse is surrounded by a verse before it and after. And these verses surrounding the key words, "you shall kill your egos," are about "repenting to the Creator" which is required by Him, "and (killing the egos) is the best in the sight of the Creator."

2:54 Part of verse: You must repent to your Creator.

Part of verse: You shall kill your egos.

Proven by God: my name letters are 7 and 6, a diff. of 1 – as God's commands come through a messenger, and the disbelievers "ego" causes them to reject it.

2:54 Part of verse: You shall kill your egos.

Part of verse: This is better for you in the sight of your Creator.

Proven by God: The Allah letters are 4 and 3, a diff. of 1 – GOD, meaning "you cannot practice His religion, Islam and carry out His commands without overcoming and killing your ego." Let us put the two portions of the verses on the "Creator" in context.

2:54 Part of verse: You must repent to your Creator.

Part of verse: This is better for you in the sight of your Creator.

Revealed: the Allah letters are 4 and 3, a diff. of 1; revealing the One Creator, who Alone accepts your repentance and can forgive you, after you kill your egos.

Revealed: my name letters are 7 and 8, a diff. of 1; revealing that you can only be forgiven when you accept God's messenger and ask Him for forgiveness, in compliance with verses 4:64 and 63:5.

Notice, the digits of both sets of verses add upto 14, each time. (4 + 6 + 4 = 14) and (6+ 3 + 5 = 14)

We see from the important command above that "repentance is a must," and "the killing of ego is a must." To emphasize the gravity and importance of this, the last part of the verse is embedded with the Sacred Codes of 19 and 14.

2:54 THIS IS BETTER FOR YOU IN THE SIGHT OF YOUR CREATOR.

Miracle Codes: the Arabic letters in this part of vs. are 19, & the Quranic initials are 14,----(19-14)

25:43 Have you seen the one whose god is his own ego? Will you be his advocate?

(this verse is addressed to the messenger)

Revealed: The Allah letters are 14, revealing the **Miracle of the "Seven Pairs."**

My letters are 13, revealing the diff. of 1 -----“**Revelation of 1 God**”

This profound revelation above tells us that the followers of Quran who do not agree and believe in these revelations from the Most Gracious, outlining the miracle of the seven pairs and the miracle of 1, as well as the other miracles, have made their “**ego as their god.**” The first portion of the verse occurs in a pair, in 25:43 and 45:23.

45:23 Have you noted the one whose god is his ego?

25:43 Have you seen the one whose god is his ego?

Revealed: the **Arabic letters** in each verse are 19 and 18, revealing the “**Revelation of 1 God.**”

Note how God has designed **this pair of verses**, to reveal the above revelation by keeping a **difference of 1 Arabic letter** between the two verses, Praise be to Allah.

Also note the numbers used in designing these verses: they are 2-3-4-5.

The sum of these numbers is $2 + 3 + 4 + 5 = 14$, revealing the “**Seven Pairs.**”

Once anyone rejects any of God’s revelations, or rejects His messenger, or His proofs, they have blasphemed against God and that is why their “**ego becomes their god,**” as is proven through the above revelations. God further tells us that some people may have a lot of knowledge from Quran, but it does not matter, if they fail to believe. The reason and rationale is that they refused to submit to God’s Absolute Authority of sending and revealing whatever He wills. I will recite the appropriate portion of the same verse.

45:23 (portion of verse) Consequently, God sends him astray, despite his knowledge.

Revealed: The **G.V. of Allah letters is precisely 162**, which is the G.V. of “**Al-Islam**” (The Submission).

Here God is pointing out that the people who do not submit to God’s commands and revelations have strayed off the path, despite the knowledge they possess.(about Submission) God is the One who gave them knowledge in the first place, and He is the One who sends them astray for refusing to obey His Authority. For such people, everything they do or have done for the sake of God in the past is therefore **nullified**.

I will now point out to you the **2 Sacred Codes** that are hidden in the chapter and verse numbers: Chapters **25** and **45** are **coded** to have **77** verses and **37** verses in each chapter.

Revealed: Chapter 25 + Chapter 45 = 70, a multiple of **14**

Revealed: Verse 77 + Verse 37 = 114, a multiple of **19**

Thereby revealing the 2 Sacred Codes of 14 and 19, which also become the **Even and the Odd**, as per **89:3** Glory be to the Most Gracious.

Also, the actual verses on “ego” are verse 43 + verse 23 = sum of 66, revealing the **name of Allah**, the Most Praiseworthy.

“EITHER YOU BELIEVE AND SUBMIT COMPLETELY TO ALLAH AND EVERYTHING THAT COMES FROM HIM, OR YOU BECOME HIS ENEMY.”

Is it a coincidence that “**the disbeliever is an enemy of his Lord**” appears in the same **chapter No. 25** as the verse on “**ego?**” Observe the Miracle that is revealed by the Omnipotent.

25:55 Yet, they still set up beside God idols that cannot benefit them, nor harm them. **Indeed, the disbeliever is an enemy of his Lord.**

Revealed: The letters of Allah are precisely 19 in this verse; thus proving the profound statement that God has made.

25:55 (portion of verse) Indeed, the disbeliever is an enemy of his Lord.

Revealed: The Allah letters are 8, and my name letters are 7, proving that those who do not believe in this powerful revelation of 1, through the messenger becomes an enemy of his Lord.

There are a lot of people **who think they have a lot of knowledge** and mislead others without realizing the consequences of their behavior. But they do not have **any proven knowledge** and they are not **certified by God**. It really involves personal conviction and faith to believe rather than the knowledge that you may have. Because of their ego, they simply find it hard to submit when the message comes from someone else **chosen by God**. For such people, I will recite to you the following, “**perfectly matched by God.**”

18:103 Say, “Shall I tell you who the worst losers are?”

Revealed: This verse is for the messenger, who is asked to address the disbelievers, **and my name letters are 14-----“Revelation of Seven Pairs”**

18:104 “They are the ones whose works in this life are totally astray, but they think that they are doing good.”

Revealed: The Allah letters in this verse are also 14 (confirmed by the Most High, that their belief is nullified at God)-----“**Revelation of Seven Pairs**” -----(“Perfectly Matched, see 56:37)

Why do you think God is saying that they are the worst losers and their works are totally astray? Yet they, (the disbelievers and hypocrites) think that they are doing good. Here is the reason, and compare this pair of similar verses.

18:106 Their just requital is Hell, in return for their disbelief, and for mocking My revelations and My messengers.

9:65 If you ask them, they would say, “We were only mocking and kidding.” Say, “Do you realize that you are mocking God, and His revelations, and His messenger?”

Revealed: The Aleefs (proofs of the Highest Order) are 7 and 7 in each verse, revealing the “Seven Pairs

Revealed: The Allah letters for each verse is 12 and 21, a pattern of 1221, being the Sacred Code and G.V. of “Over it is nineteen.”

Through this set of verses, God, Most Wise has revealed both the Sacred Codes, in a different way. **But it does point out to the serious gross sin of rejecting anything that comes from God through whomever He appoints.** The word He has used is “**mocking.**” **In Arabic, it says, “hozowan” and the G.V. of this word is 19, Glory be to God.**

There are two kinds of people; the ignorant and the knowledgeable. It is easy for the ignorant to pretend that they did not understand God's message, but what about those who do understand and have knowledge? No matter which category they belong to, they will not be excused by God. But I will recite and show proofs in today's khutbah about those who do have knowledge and the reason given by God is jealousy on their part for rejecting His revelations.

3:19 Part 1: THE ONLY RELIGION APPROVED BY GOD IS ISLAM. (Submission)

Part 2: Ironically, those who have received the scripture are the ones who dispute this fact, despite the knowledge they have received, due to jealousy.

Revealed: The G.V. of Allah letters in this portion are coded to be exactly 202, being the G.V. of LORD.

COMPARE:45:23 Consequently, God sends him astray, despite his knowledge.

Revealed: The G.V. of Allah letters is 162, which represents G.V. of Submission.

These proofs above of 202 and 162 clearly tell us that the so-called "knowledgeable" who refuse to believe what they see here have rejected "**The Lord (G.V. 202) and His religion of Islam (G.V. 162)**" Those who read the scripture and believe in it are fully aware of all the verses and of what God expects from them. But they reject God by rejecting His messengers, out of jealousy, and their knowledge does not benefit them at all

Let me recite another verse, 45:17 that is similar in meaning and has a linkage with verse 3:19.

45:17 Part 1: We have given them herein clear commandments.

Revealed: The Arabic letters are 19, and the Quranic Initials are precisely 14, thereby revealing both the **Sacred Codes** and confirming that God's commands in the Quran are composed on these **Divine Numbers**.

Let me now write and recite both the verses and show you **the awesome miracle hidden in them**. Verse 3:19 talks about "**those who received the scripture**" and verse 45:17 tells us that "**God has given us clear commandments in the scripture.**" **SO THE ESSENCE IS THE SCRIPTURE AND ITS COMMANDS**.

3:19 The only religion approved by GOD is "**Submission.**" Ironically, those who received the **scripture** are the ones who dispute this fact, despite the knowledge they have received, due to jealousy. For such rejectors of God's revelations, God is most strict in reckoning.

45:17 We have given them herein **clear commandments**. Ironically, they did not dispute this until the knowledge had come to them. This is due to jealousy on their part. Surely, your Lord will judge them on the Day of Resurrection regarding everything they had disputed.

Linkage Revealed: The Allah letters are 44 and 30, **revealing a diff. of 14** ----- "**Revelation of Seven Pairs**"

Linkage Revealed: my name letters are precisely **53 and 54**, a diff. of 1, revealing the "**Revelation of 1 God**"

Reflect on the fact that both these verses are fairly long and involve a lot of Arabic letters to compose. Yet God has revealed the "Seven Pairs**" and through the messenger's name letters the "**Revelation of 1**" The question for any fair minded person is "**who designed the lettering of these verses?**" Is it a human made factor or does it reflect the power of the **Almighty** to reveal **His precision**. Certainly, the true believers know that ALL THE CREDIT AND PRAISE GOES TO GOD, the One who revealed this scripture to prove that He has sent His messenger with the truth of these Divine Codes. AlhamdoLillah.

Through a follow up verse, God has stated that those who argue with me about these revelations will not be guided; but those who follow me completely, without any questions asked will be guided. See for yourself another profound verse and the miracles embedded in them. **COMPARE.**

3:19 (Read the verse again as given above, and in the Quran.)

3:20 If they argue with you (the messenger), then say, “I have simply submitted myself to God; I and those who follow me.” You shall proclaim to those who received the scripture, as well as those who did not, “Would you submit?” If they submit, then they have been guided, but if they turn away, your sole mission is to deliver this message. God is Seer of all the people.

Revealed: In 3:19, the Allah letters are 44; and in 3:20, the Allah letters are 45, revealing the profound-----“Revelation of 1 God.”

Revealed: The Allah letters in 3:20 are 45, while my name letters are 64, revealing a difference of 19, a profound blessing from the Most Gracious, Most Merciful, to show that I have been sent from Him with a very serious message. God be Glorified.

In the end I will recite a verse **showing that God has indeed blessed me with a certain knowledge**, as is evident through these revelations **and the “linkages”** that connect them to each other.

12:76 (portion of verse): BUT THAT WAS THE WILL OF GOD. We exalt whomever We choose to higher ranks. Above every knowledgeable one, there is one who is even more knowledgeable.

Revealed: my name letters are precisely -----19

12:76 (portion of verse): We exalt whomever We choose to higher ranks. Above every knowledgeable one, there is one who is even more knowledgeable.

Revealed: my name letters are precisely -----14

The above appropriate portions of the verse **reveal both the Sacred Codes of 19 and 14, Praise be to God.**

Compare & Observe Again: Part 1: “But that was the will of God. We exalt whomever we choose to higher ranks.”

Part 2: “Above every knowledgeable one, there is one who is even more knowledgeable.”

Revealed: my name letters are precisely 9 & 10, each part, revealing the “Revelation of 1” also.

To end this khutbah, I advise all those reading or hearing this, to humble themselves before **God** and accept everything from Him wholeheartedly as the Day of Reckoning is a blink of an eye away; when you will have to **face God** and be dumbfounded to offer any kind of explanation for **your arrogance**. The believers and the disbelievers have endlessly argued, accusing each other of having “**EGO**” to defeat the argument of the other. Today, for the **FIRST TIME, ALLAH, MOST WISE**, has clarified the **TRUE MEANING** of this word and its application with regards to His messengers.

*****BE SURE TO FALL PROSTATE TO GOD, AFTER HEARING OR READING THIS, TO SHOW YOUR SUBMISSION AND APPRECIATION TO HIM.**

“Peace be upon the messengers.”

PRAISE BE TO ALLAH, LORD OF THE UNIVERSE.
