

April 8, 2005 khutbah: When they (the disbelievers) are told (by God's messenger)

“I seek refuge in God, from satan the rejected.”
In the name of God, Most Gracious, Most Merciful.

Last week I narrated a khutbah about the “**specific sequence and order of topics in the verses of the Quran**”, and the disbelievers objections and criticisms **against God**. I also mentioned, showed and proved to you how the specific sequence is arranged on different subjects in the Book. I hope you still remember most of what you were shown. If you don't, then go to the website to read over again, in order to fully comprehend and reflect on today's khutbah, which is a continuation of last week, but on a different style of verses. Last week's sermon had verses starting with the words: “**Those who disbelieved say.**”

Today's sermon has the verses starting with the words: “**When they are told, (the disbelievers), through God's messenger.**”

When you hear both these subjects, then read over again, and compare the subject matter covered by God, through all of these verses, it will truly open up your eyes to the matters that are of great importance to God, and are totally disregarded by the followers of Quran. It will also show you the amount of falsehood that has taken place and continues to take place, through the disbeliever's distorted teachings and proclamations. They hide and conceal what is important to God, and present what they pick and choose, thereby becoming the direct source of idolatry and the promotion thereof. Following are the verses on this subject:

2:11 When **they are told: (by God's messenger)** “Do not commit evil on earth,” they say, “But we are righteous!”

This may seem like a short and simple verse, but has a deep meaning. It will define what God considers to be “evil” or “righteous.” These words do not have the same meaning as what the people imply when they use for each other.

EVIL: the simple meaning according to God is: those who reject or violate His Absolute Authority, violate their Covenant with Him and refuse to carry out all His commands according to the Scripture.

RIGHTEOUS: the simple meaning is: those who believe in God, uphold their Covenant with Him and obey and observe all His commands as given in the Scripture.

These words have nothing to do with the traditional meanings given in the “Dictionaries.” You may be a good and honest person in your society, but “EVIL” in the eyes of God, as you did not fulfill His commands and worship Him. Quran is a unique Book, in the sense that it provides the meaning of any word through the verses and you do not have to refer to any dictionary.

Therefore the “believers” are defined as “the keepers of God's laws, (9:112), while the disbelievers are those who violate their Covenant with God and follow other than His commands. (see verses: 2:27 – 6:21 – 6:157 – 7:37 – 7:162)

Based on God's definitions, the above verse **2:11** is uniquely and miraculously designed by the Most Wise to reveal His name, **ALLAH-66** through the verse. The greatest proof is that the hypocrites and the disbelievers can never detect, discover or find these proofs in His Sacred Scripture. Their eyes are veiled, and their minds are sealed. Hence, let me show you by God's grace and mercy:

Between the words, “evil” (in Arabic “tufsedoo”) and “righteous, (in Arabic “muslehoon”) the G.V. of Allah letters in the verse between the above two words, which separates them **is precisely 66**. This

reveals His name, ALLAH, and it proves that the “evil” people can never be “righteous”, according to His definitions, unless they repent and change their behavior and actions. This can only be done by upholding their Covenant that they made with God.

The first part of verse **2:11** reads: When they are told, “Do not commit evil on earth.”

Question: What does God mean here? Is He talking about a specific act or a specific crime? Or does it mean everything that is not in accordance with His commands? The latter is true, as you will be shown:

Answer: The G.V. of my name letters is 352, in the above portion of the verse, being **the G.V. of QURAN**. God is telling the disbelievers through His messenger, to follow the entire Scripture, not just parts of it; and not to lie against God. Anything short of this constitutes “committing evil,” as they are not in compliance with Quran.

Another question arises is that if a person does not follow God’s laws but says that he/she is righteous. Does that make them righteous, in God’s view? Certainly not, as you shall see a “new revelation” that separates those who believe in **1 God**, as compared to those who believe in **2 gods**, (God and satan) as per **verse 16:51**.

2:11 Part 1: When they are told, “Do not commit evil on Earth.”

Part 2 : they say, “but we are righteous.”

Revealed: The **Aleefs** are 6 and 4, revealing a **diff. of 2**, meaning ‘**idolatry – worship of 2 gods**.’

Revealed: my name letters are 11 and 13, a **diff. of 2**, meaning “**revelation of idolatry – 2 gods**.”

Revealed: my name’s (7) Quranic initials are 9 & 11, again revealing “**idolatry of 2 gods**”

NOTE that verse 2:11 addresses the disbelievers, who think that they are worshiping **the 1 God**, when in fact they are worshiping God and satan, which **makes 2 gods**. Had their answer been, “We hear and we obey,” God would have designed the above verse with the Proof of 1, rather than 2 gods.

Compare the above “revelation of idolatry of 2 gods” with **the glorious “revelation of 1 GOD”** when you follow God’s laws, His utterances and His Hadith. (Quran) Here is a pair of similar verses:

4:87 Part of Vs. “Whose narration is more truthful than Allah’s?”

4:122 Part of Vs. “Whose utterances are more truthful than Allah’s?”

Revealed: The Allah letters are 6 and 7, revealing the glorious “**Revelation of 1 GOD.**”

Revealed: my name letters are 10 and 11, revealing the glorious “**Revelation of 1 GOD.**”

The examples above that clarify your worship of **1 ABSOLUTE GOD**, or “**2 gods - idolatry**,” through the verses, is an awesome miracle that I have no words to describe. It should make anyone tremble with fear of God. The reverent will certainly become a lot more conscious and have certainty about the Omnipotent, Most Wise. It also reveals the fact that God made the Quran very detailed, and involves absolute precision to prove to the human beings about its Divinity and Sacredness.

Praise be to the Most Wise, who has said in the Quran, that “He has clarified the revelations for us that we may take heed.” **Through simple numbers 1 or 2**, He points out and explains the difference between **1 Absolute Authority (La Elaha Ella Allah) to decree and issue Commands** or 2 sources of Commands, (which involve distortion by satan in God’s Commands).

****The “Revelation of 2 gods- meaning idolatry”** was revealed to me after the ***“Revelation of 1 God,”** to show us that this is not an accidental happening, but a predetermined, calculated and precise order of revelations by Allah.

2:13 **When they are told,** (by God’s messenger) “Believe like the people who believed,” they say, “Shall we believe like the fools who believed?” In fact, it is they who are fools, but they do not know.

2:91 **When they are told,** (by God’s messenger) “You shall believe in these revelations of God,” they say, “We believe only in what was sent down to us.” Thus, they disbelieve in subsequent revelations, even if it is the truth from their Lord, and even thought it confirms what they have! Say, “Why then did you kill God’s prophets, if you were believers?”

2:170 **When they are told,** (by God’s messenger) “Follow what God has revealed herein,” they say, “We follow only what we found our parents doing.” What if their parents did not understand, and were not guided?

4:61 **When they are told,** (by God’s messenger) “Come to what God has revealed, and to the messenger,” you see the hypocrites shunning you completely.

Revealed: up to “messenger,” the Allah letters are 22, and my letters are also 22; **PERFECTLY MATCHED BY GOD,** be He glorified.

Part of Verse: “Come to what God has revealed, and to the messenger.”

Revealed: The **Allah letters** are 17, and **my letters** are 16; **a diff. of 1.** This proves that God is inviting everyone towards guidance and submission through His messenger and the latest revelations.

5:104 **When they are told,** (by God’s messenger) “Come to what God has revealed, and to the messenger,” they say, “What we found our parents doing is sufficient for us.” What if their parents knew nothing, and were not guided.

31:21 **When they are told,** (by God’s messenger) “Follow these revelations of God,” they say, “No, we follow only what we found our parents doing.” What if the devil is leading them to the agony of Hell?

Part of Verse: When they are told, “Follow these revelations of God.”

Revealed: The **Allah letters** are 14 (Seven Pairs), and **my letters** are 13, **revealing diff. of 1.** This confirms the fact that the Almighty God has revealed everything I write and say, all in accordance with His will. These **PROOFS** should remove any doubts as to the Source of the Revelations, which is **Allah.**

16:24 **When they are asked,** (by God’s messenger) “What do you think of these revelations from your Lord,” they say, “Tales from the past.”

16:30 **As for the righteous, when they are asked,** (by God’s messenger) “What do you think of these revelations from your Lord,” they say, “Good.” For those who lead a righteous life, happiness, and the abode of the Hereafter is even better. What a blissful abode for the righteous.

36:45 **When they are told,** (by God’s messenger) “Learn from your past, to work righteousness for your future, that you may attain mercy.”

Revealed: The G.V. of Allah letters is **162**, pointing out to true “**Islam**” (G.V. 162), which can only be achieved by believing in God’s Proofs and by following the messenger.

36:46 No matter what kind of **PROOF** is given to them from their Lord, they consistently disregard it.

Revealed: The Allah letters in above set of verses, (36:45-46) are 13 and 14, revealing and projecting the powerful “**REVELATION OF 1.**” Note that the **14 Allah letters** appear in verse **36:46** that mentions **GOD’S PROOF**, which is consistently disregarded by the hypocrites and disbelievers. Another powerful revelation is revealed through the same verse.

Revealed: In 36:46, the Allah letters are 14 and my letters are 19, revealing both the Sacred Codes.

Also up to “**PROOF**,” the G.V. of Allah letters is **14**; and up to “**their LORD**,” the G.V. of Allah letters is **19**, revealing **both the Sacred Codes**, and confirming the revelations given to me. AlhamdoLillah.

36:47 **When they are told**, (by God’s messenger) “Give from God’s provisions to you,” those who disbelieve say to those who believe, “Why should we give to those whom God could feed, if He so willed? You are really far astray.

63:5 **Part 1: When they are told**, (by God’s messenger) “Come let the messenger of God pray for your forgiveness,”

Part 2: they mockingly turn their heads, and you see them repel others and act arrogantly.

Through His precision, Allah, Most Wise, has spelled and pronounced the messenger’s name through the above verse, as you can see.

Revealed: The G.V. of Allah letters for each part is 225 and 47; thereby revealing the diff. of 178, being my name, Makbool. Praise be to Allah, Most High.

Since this verse is very significant, and states God’s system of providing forgiveness when you believe in His messenger, it is precisely calculated by the Most Gracious to have 66 Arabic letters, revealing His name, **ALLAH**.

25:60 **When they are told**, (by God’s messenger) “Fall prostrate before the Most Gracious,” they say, “What is the Most Gracious? Shall we prostrate before what you advocate?” Thus, it only augments their aversion.

77:48 **When they are told**, (by God’s messenger) “Bow down, they do not bow down.” 77:49 Woe on that day to the rejectors.

2:206 **When he is told**, (by God’s messenger) “Observe God,” he becomes arrogantly indignant. Consequently, his only destiny is Hell; what a miserable abode

37:35 **When they are told**, (by God’s messenger) “**La Elaha Ella Allah, (there is no other god beside Allah),**” they turned arrogant.

37:37 In fact, he has brought the truth, and has confirmed the messengers.

Revealed: 37:35, Allah letters: 21

my letters: 19

37:37, Allah letters: 7

my letters: 14

Difference in 21 – 7 = 14 (Seven Pairs)

my letters reveal the Sacred Codes of 19 & 14

Revealed: 37:37 is telling us that I have brought the truth, and have confirmed the messengers, according to God's will.

Note that the Allah letters are 7, and my letters are 14, revealing the Sacred Code of the "Seven Pairs."

Compare the previous week's sermon to this one, by considering the similarity of topics. The previous sermon informed us as to what the disbelievers say or criticize. This one tells us as to what the messenger tells the disbelievers about God's message, revelations and recitation of the proofs for present and future generations.

It is easy for anyone to see and observe through these khutbahs (sermons), that what is important to God is not important to the disbelievers. What is important to God through His Hadith (Quran), is the following basics: Belief in,

- 1. Allah**
- 2. Angels**
- 3. His Scripture**
- 4. His Messengers**
- 5. Last Day**

The one subject that is so controversial to the followers of the Scripture is of "messengers." They have done everything to hide this subject from their followers; but when you read the verses from the Quran, as I have recited some of them, one of the most important subject is "God's messengers." Without them, you do not have the guidance, and without guidance, you cannot worship Allah, and without worshipping Him properly, you cannot be redeemed.

The messengers are the ones, appointed and inspired by God, who proclaim His Oneness to the people, advocate righteousness by carrying out God's laws on earth, and make you aware of the Day of Resurrection. This is God's System, and no one can change it. It should be apparent to anyone by reading 37:35 and 37:37 and then reading the Proofs that God has provided above. Even the Shahadah (proclaiming the Oneness of God) is inspired to the messengers by Allah. The Salat, Zakat and working righteousness are inspired to the messengers. As well, the awareness of the Hereafter is also inspired to them. Praise be to the Most Gracious.

Please note that I have not tried to give all the Proofs for all the verses, because of time limitation, but the majority of the verses recited today have built-in Proofs from God.

**"peace be upon the messengers."
PRAISE BE TO ALLAH, LORD OF THE UNIVERSE.**
