

May 13 – May 20, 2005 Khutbah – Most Crimes committed by Men rather than Women:

“I seek refuge in Allah, from satan the rejected.”

In the name of Allah, Most Gracious, Most Merciful.

This is a continuation of the khutbah of April 29 – May 5, 2005, to find out and explain the reasons for the enormous prevalence of crime on earth; in particular by the male gender.

It is important to remember that this earthly life is the 2nd life, and our belief, behavior and attitudes during our first life in heaven, as well as during this earthly life, and the consequences that follow after this life ends, is all known to Allah.

Out of the vast majority of humans who participated in the Heavenly Feud, that was initiated by satan (Iblees), in order to challenge and disprove God’s Absolute Authority over all creations, commands and matters; there were some innocent souls who deserved to be “purified and redeemed” by Allah. The ones who followed satan during the first life, are most likely to follow him in rebelling against God during this earthly life also; unless God chooses to guide and redeem them.

The following verses will shed some light as to why the human creature is so full of evil.

95:4 We created man in the best design.

95:5 Then turned him into the lowliest of the lowly.

95:6 **EXCEPT** those who believe and lead a righteous life; they receive a reward that is well deserved.

These verses clearly tell us that the humans, besides being created in the best design, were also honored over the angels as God commanded them to fall prostrate to Adam. But when they joined satan in rebelling against God, they were turned into the lowliest of the lowly. Therefore their actions in this life will also be very lowly, if they continue to disbelieve. The believers are purified by God with His guidance, and therefore they become the exception as given in 95:6. The disbelievers do not like to be governed by the Supreme and Perfect Law of God; therefore their goals in this life are vague and obscure, and their conscience is oblivious to the sins committed by them. A sin is a sin, and if you do not put a stop to it or reform in a timely fashion, then you are likely to commit a bigger sin and worse.

The basis of all sins is the disbelief in God and His Absolute Authority over all creations and commands. There is a verse that will reveal His Absoluteness and the Miracle contained within it.
THE ABSOLUTE GOD:

7:54 Part 1: Your Lord is the one God; who created the heavens and the earth in six days, then assumed all authority. The night overtakes the day, as it pursues it persistently, and the sun, the moon, and the stars are committed to serve by His commands. **ALLAH LETTERS ARE 38**

7:54 Part 2: Absolutely, He controls all creation and all commands. Most Exalted is Allah, Lord of the Universe. **ALLAH LETTERS ARE 19**

You have seen how beautifully the verse is coded with God’s Signature, both parts being multiples of 19, and the difference between the numbers is also 19, proving that indeed, He controls everything. The disbelievers are under the illusion, just like satan, that God is powerless to control what He created. Praise be to Allah; He is the Supreme and the Almighty. The part on the Absoluteness is given below again.

“Absolutely, He controls all creations and all commands.”

Note the Miracle: Allah letters are 11 + my letters are 8, the sum is 19

Revealed: the G.V. of my letters is 296, which is the value of “rasool – messenger.” He controls and commands by appointing the angels as messengers, as well as from the humans.

“Most Exalted is Allah, Lord of the Universe.”

Revealed: The Allah letters are 8, my letters are 9, revealing the 1; Lord of the Universe.

Note the Miracle one more time to realize and appreciate GOD’s ABSOLUTENESS.

7:54 Absolutely, He controls all creations and all commands. Most Exalted is Allah, Lord of the universe.

Revealed: The Allah letters are 19, and my name initials are 14, evenly divided into 7 and 7 for each part, thus revealing the Sacred Codes of 19 and 14.

The fact that satan and his followers, being the disbelievers, were going to commit crimes on earth, especially shedding blood by murders and killing as well as other kinds of evil was known to the angels, as the humans had already made a Covenant with God before that.

2:84 We made a Covenant with you, that you shall not shed your blood, nor shall you evict each other from your homes. You agreed and bore witness.

Because of the above Covenant, the angels questioned God’s wisdom when He revealed to them the appointment of satan as the khalifa on Earth, over the humans.

2:30 Part of Verse: They said, “Will you place therein one who will spread evil therein and shed blood.”

Part of Verse: “While we sing Your praises, glorify You, and uphold Your Absolute Authority?”

Revealed: my name letters for each part are: 15 and 16, revealing the One God.

In the part where the angels praise, glorify and uphold God’s absolute authority, I see that there is only ONE Allah letter, proving that only, “ALLAH” is worthy of all our worship. The last part says:

He said, “I know what you do not know.”

Revealed: The part of the verse about the angels commemorating God has **1 Allah letter** in it, while the last part where God tells them that He knows what they do not know, **has Allah letters as 9.** It is easy to see why the Allah letters are inscribed in this manner. Angels worship the One Lord, the portion of the verse has 1 Allah letter, and God answered with 9 of His name letters; by connecting the two numbers, **we get 19**, thus completing the mathematical value of **WAHID. (meaning ONE).** Let me show you another Miracle by dividing the important part of the verse into 2 parts.

Part of Verse: While we sing Your praises, glorify You.

Part of Verse: And uphold Your absolute authority.

Revealed: G.V. of Arabic letters are $308 - 270 = \text{diff. of } 38$, a multiple of 19.

Revealed: G.V. of my letters are $284 - 246 = \text{diff. of } 38$, a multiple of 19, and **MATCHING** the above. This reveals the message that if you really praise and glorify your Lord, then you better uphold His Absolute Authority to believe and follow His messenger, otherwise the above mathematical code of God will not tie in with your belief.

1st Murder Committed by a Male: It is important to remember that the female was created after the male. To follow up, and track down the trail of crime and murder in earliest history, we see that the very first murder was committed by a male, and that was the son of the first human being, Adam. This was the precedent set by the male gender. Who is behind all these crimes? Who instigates and misleads the humans to commit such gross sins? **The answer is through the following verse, that it is indeed “satan” behind all crimes of humans.**

“SATAN’S SATANIC ROLE BEHIND THE GROSS SINS OF HUMANS:

7:16 He said, (satan) “Since You have willed that I go astray, I will skulk for them on Your straight path
7:17 “I will come to them from before them, and from behind them, and from their right, and from their left, and You will find that most of them are unappreciative.”

Revealed: The Aleefs (Absolute Authority) are $5 - 6 = \text{diff. of } 1$. (The majority of humans are unappreciative of God, and His blessings, therefore prone to do “crimes; thinking in their minds that they will not be held accountable by anyone.)

2:168 Part of Vs: And do not follow the steps of satan; he is you most ardent enemy.

2:169 Part of Vs: He only commands you to commit evil and vice.

Revealed: The G.V. of Allah letters for both parts is precisely **165**, which is the g.v. of the Shahadah and of God’s attribute of “Al-Samad.” (The Absoluteness). This proves that, since satan has rejected the Absolute Authority of God, he plays his evil role in corrupting humans to commit gross sins, which will prevent them from accepting God’s guidance in order to be redeemed.

“HE ONLY COMMANDS YOU TO COMMIT EVIL AND VICE.”

Revealed: The G.V. of Allah letters is exactly **66**, which represents **ALLAH**. This proves that satan will do everything possible to turn you against Allah, by making you do everything that is unrighteous. He also puts doubts in the people’s minds so that they do not accept God’s messengers – a proven fact.

2:169 Part of Vs: “And to say about God what you do not know.”

Revealed: The G.V. of Allah letters is 190, a multiple of **19**

Revealed: the messenger’s letters have a G.V. of 494, a multiple of **19** also, and **Perfectly Matching** the Code 19 of God.

The angels were created before the human beings. To demonstrate His Absolute Authority, God commanded the angels to fall prostrate before Adam. They all did, except Iblees. His reason for refusing to do so was that God had honored the humans over the angels.(17:62) This was the start of the religion through the “**Test of Submission**,” for all these creatures, about God’s Absolute Authority in all matters and commands.

THE PLAN: **38:71** Your Lord said to the angels, “I am creating a human being from clay.”

38:72 “Once I design him, and blow into him from My spirit, you shall fall prostrate before him.”

Revealed: the Aleefs (Absolute Authority) are $4 - 3 = \text{diff. of } 1$

Revealed: my name initials are $14 - 13 = \text{diff. of } 1$.

Revealed: my name letters are $16 - 17 = \text{diff. of } 1$.

By revealing the diff. of 1 between the Aleefs, and my name initials as well as my name letters, as a messenger bearing these revelations, God has demonstrated His Absoluteness over His words and through the prism of these words, has shown His Absoluteness over the entire universe and creations.

Before the eviction of the rebellious creatures from heaven, satan had challenged God that he will send all the humans astray, except those devoted sincerely to Him. This fact is now proven also.

CHALLENGE BY SATAN: **38:82** He said, (satan) “I swear by Your Majesty, that I will send them all astray.

38:83 “Except Your worshipers who are devoted absolutely to You alone.”

Revealed: The Aleefs (Absolute Authority) are $3 - 4 = \text{diff. of } 1$.

Revealed: my name letters are $11 - 10 = \text{diff. of } 1$

Note that the first set of verses, 38:71-72 about the creation of the human being, have 7 Aleefs. And the second set of verses, 38:82-83 about satan's challenge, also have 7 Aleefs, to total 14. Praise Allah for having proved **the Original History and the Feud** through **the SEVEN PAIRS of ALEEFs**. *******Though the knowledge of the Heavenly Feud was given to Rashad, the proofs through the verses have been given to me.** AlhamdoLillah.

THE ABSOLUTE COMMAND: 17:61 When we said to the angels, "Fall prostrate before Adam," they fell prostrate, except Satan. He said, "Shall I prostrate to one You created from mud?"

THE CHALLENGE AFTER REFUSAL: 17:62 He said, "Since You have honored him over me, if You respite me till the Day of Resurrection, I will possess all his descendants, **except a few.**"

Revealed: The Allah letters are 23 – 24 = diff. of 1. (Absolute Authority of God rejected by satan.)

Revealed: my name letters are 29 – 30 = diff. of 1. (the humans consistently reject God's Authority to send messengers to them.)

Before being evicted from the heaven, God took certain Covenants from the human beings, which were basically our oaths to ALLAH: to believe in Him as the only Lord, to His Absolute Authority over all creations and commands, to hear and obey Him without asking questions, to believe in His scriptures, to believe in His messengers, and to uphold His laws on Earth, including refraining from shedding blood and evicting the people unjustly. Once we had committed ourselves to God, He then assured us through verses 2:38 and 20:123, that we will redeem us if we believe and uphold His guidance, when it comes to us.

THE EVICTION: 20:123 Part 1: He said, "Go down therefrom, all of you.

Revealed: The Allah letters are 8, and my letters are 7, revealing the "eviction" by the One God.

Part 2 of Verse: "You are enemies of one another."

Revealed: The G.V. of the verse is precisely calculated to be **1914**, revealing the Divine Plan under God's Sacred Codes and of all the bad things that happen on Earth, due to disbelief.

Parts 1 & 2: The G.V. of my letters is **352**, being the G.V. of Quran. This explains the reason as to why we were evicted from heaven and made into enemies of one another, as we failed to believe in God's words and His commands. If we do not repent, we are likely to repeat the sin of disregarding **God's words – the Quran.**

Part 3 of Verse: When guidance comes to you from Me, anyone who follows My guidance will not go astray, nor suffer any misery.

Revealed: The Allah letters are **12**, and my letters are **21**, thus completing the **Code of 1221**, which is the G.V. of the verse 74:30. This proves that God's guidance only comes through the messengers appointed by Him and the messages are coded to safeguard the sanctity of them.

Based on the Divine Codes of 19 and 14, and in the order in which they were revealed, God will now show you His system through which you are "purified" in order to be redeemed back into heaven. The system also reveals that without a messenger to guide you, all of you were totally astray.

3:164 Part of Vs: God has blessed the believers by raising in their midst a messenger from among them, to recite for them His revelations, **and to purify them**, and to teach them the scripture and wisdom.

Part 2 of Verse: Before this, they had gone totally astray.

Revealed: The Allah letters are **28** and **7**, being Even and Odd, and multiples of **14** and **7**.

Revealed: the precise G.V. created by God through my name letters is 1914, proving His Absoluteness through such an important verse, by sending a messenger with the most important combination of the Sacred Codes, that guard and preserve His Quran. SubhanAllah.

The G.V. of my letters for the important part of being purified through a messenger, which is: “and to purify you” is precisely 66. This shows that human beings can only be purified, through God’s messengers who are revealed the guidance and the teachings. This takes me to another verse.

3:103 Part of Vs: You used to be enemies and He reconciled your hearts.

Part of Verse: By His grace, you became brethren.

Revealed: The G.V. of my name letters are $360 - 198 = \text{diff. of } 162$. This is the blessing of following Islam G.V. 162, which makes us brothers in faith. As I stated earlier, the ones who profess disbelief, stay on earth as enemies of one another.

The reason that God has sent His scriptures, messages, and messengers is to prove the TRUTH of monotheism and His Absolute Authority, and counter and defeat satan’s falsehood of polytheism.

21:18 Part of Verse: Instead, it is our plan to support the Truth against falsehood.

Revealed: The Arabic letters are 19, and the Quranic Initials are 14; this proves that ultimately all kinds of falsehood against God will be defeated by the Truth of His words, **coded under 1914.**

10:32 Such is Allah, your rightful Lord. What is there after the Truth, except falsehood? How could you disregard all this?

Revealed: The **Allah letters are 19** in the verse, proving the Truth of the Monotheist Lord.

Revealed: **my name initials are also 19**, proving the Miracles bestowed upon me, and **Matching.**

8:7 It was Allah’s plan to establish the Truth with His words, and to defeat the disbelievers.

8:8 For He has decreed that the Truth shall prevail, and the falsehood shall vanish, in spite of the evildoers.

Revealed: the **Allah letters** are $12 - 11 = \text{diff. of } 1$. This shows that God has revealed this important **SIGN** of the “**REVELATION of 1**” to me and ultimately the Truth of God’s words will prevail over the falsehood of the disbelievers. These revelations carry a heavy message till the Day of Resurrection.

Through the above 3 verses on truth versus falsehood, God has revealed the Miracles of 19-14; the Miracle of 19 and the Revelation of 1, God be Glorified.

Though God has given the humans more advantages than many of His other creatures, the human being is still very unappreciative. This fact is expressed numerous times in the Quran. If it were not for God’s grace and mercy, none of us would have been redeemed. Humans like to pride themselves with their achievements, brag about accomplishments, exalt themselves for no apparent reason, and give themselves self-prominence. While competing with each other, they compare to see who has made the most out of this life, while totally disregarding the Hereafter. In God’s infinite universe, we do not make an atom’s worth of difference, whether we are here or not. That is why God has cited this verse:

76:1 Is it not a fact that there was a time when the human being was nothing to be mentioned?

***Look at how fragile the human is! Look at how mortal the human is! Look at how short the life span of humans are! Look at how vulnerable and weak the humans are in the face of adversity and God’s retributions! Look at all the graveyards that have been filled up before us and keep filling up everyday! Where are all those arrogant ones? Do we matter in God’s vast universe, when the distances between

stars and galaxies is measured in “light years” rather than our ordinary years; when the size and weight of the heavenly bodies is unimaginable; when the number of His creations are uncountable! The circuits and the wiring in our brains gets messed up if we were to try to comprehend and rationalize God’s greatness and awesome power through the numbers involved in calculating the distances between the heavenly bodies and the number of creations of all kinds. But we can certainly decide to have the veil on our minds and eyes removed by God, by showing our humility and belief in His messages.

For this reason, The Most Gracious has cited another verse, to point out to those who think they can challenge His Absolute Authority and get away with it.

53:24 What is it that the human being desires?

53:25 To Allah belongs both the Hereafter, and this world.

Revealed: The Aleefs (Absolute Authority) are 3 – 4 = diff. of 1. The Absolute God.

ONE MORE REASON FOR THE HIGH RATIO OF CRIMES: The nature of the majority of humans and their greed in material things is also well documented through the verses. This greed and the competition to be someone on earth and the desire to leave a legacy and a name behind makes them corrupt and makes them commit crimes, which can only please satan. God only guides the righteous.

The nature of human beings in loving material things excessively, grabbing for more and more, withholding from others, destroying property and lives, is represented through the following verses:

100:6 The human being is unappreciative of his Lord.

100:8 He loves material things excessively.

Revealed: The Aleefs are 3 – 2 = diff. of 1 – The Absolute God.

Revealed: The Allah letters are 7 – 6 = diff. of 1 – The Almighty God.

Revealed: my name letters are 10 – 9 = diff. of 1 – The One God; the sum of my letters is 19 also.

100:7 He bears witness to this fact.

Revealed: The Allah letters are 6, my name letters are 7, revealing the One God.

42:27 If God increased the provision for His servants, they would transgress on earth. This is why He sends it precisely measured to whomever He wills. He is fully Cognizant and Seer of His servants.

17:100 Proclaim, “If you possessed my Lord’s treasures of mercy, you would have withheld them, fearing that you might exhaust them. The human being is stingy.

47:37 If He asked you for money, to the extent of creating a hardship for you, you might have become stingy, and your hidden evil might be exposed.

2:205 As soon as he leaves, he roams the earth corruptingly, destroying property and lives. God does not love corruption.

****The control over God’s provisions, water resources, raw materials, agriculture, banks, insurance companies, oil companies, and other major trades, **is mostly owned and controlled temporarily on earth by the males**, as well as the commission of crimes of murders, killings, destruction of crops, kidnapping, hijacking, - you name it, **is mostly committed by males**, as we witness all the time. The same was true in the past also. You just have to look at recent history during your lifetime to realize that the ethnic cleansing of humans in certain countries, the wars, the torture in jail cells, depriving the weak and the innocent of their rights is mostly always carried out by the male

gender. The females involved in any major crime on a large scale are mostly under male command and orders. **“You might wonder why there is no specific verse attributing the crimes to the males. But Quran sets the precedents for everything.”** The first human was a **male**. The first murder was committed by a **male**. The sin of homosexuality is attributed to the **males**. The messengers are always **male**. When God sends an angel on earth to relay a message, he appears in the form of a **male**. God always mentions the lowly liquid, being **the male** sperm, in the creation process and reproduction of the humans. The angels were made to fall prostrate before a **male**, and the female was created after the **male**, thus setting the precedent that **the males** will have an upper hand over the females. Most of the verses are addressed to **the males as commands**, to safeguard the women’s rights in marriage, divorce, inheritance and other matters, rather than to the women.

As we observe on Earth, the control of everything is in the hands of the males, and not the females. The first human to venture into space was a **male**, to be followed by a female upon their whim. It is mostly **the males** who choose the number of female ministers in their cabinets and not vice versa. Most serial killers are **males**. The weapons of destruction like atom bombs were the invention **of males**, as well as other major inventions. Just look at the participants in the Olympics; there are **more males** than females. The majority of the pilots of airplanes, the captains of the ships, the taxi drivers are mostly **males**. I can go on and on to tell you a lot more, but I will stop here and Praise and Glorify God for His system and design for His creations.

******As most of the leaders and religious preachers are MALES**, whether they rule over the woman as a husband, or over a group of people, or a community, or a tribe, or over a nation and country; they will carry the load of their sins in addition to the sins of those that they misled and corrupted. They will have to face Allah and answer for their evil deeds. Moreover, Allah tells us that they will receive harsher punishments for their evil role in misleading people and diverting them from the His path. Hear the following verses, **and see the LINKAGE BETWEEN THEM:**

16:25 They will be held responsible for their sins on the Day of Resurrection, all of them, in addition to sins of all those whom they misled by their ignorance. What a miserable load!

29:13 In fact, they will carry their own sins, in addition to loads of other people’s sins for which they were responsible. Most certainly, they will be asked on the Day of Resurrection about their false claims.

Revealed: The Aleefs are 12 – 11 = diff. of 1, pointing out to the fact that these leaders and false preachers challenged God’s Absolute Authority on earth, and will be dealt with appropriately on the Day of Resurrection. God be Glorified.

In the end, I will like to tell you, that each individual soul is sent down to earth to purify themselves. This is the opposite of being polluted, corrupted or sinful. First, I will recite you the verses on the polluted souls or sinful souls:

74:37 For those among you who wish to advance, or regress.

74:38 Every soul is trapped by its sins.

Revealed: The Allah letters are 5 and 4, revealing the ONE GOD, who has given the humans a second chance to reform, repent, purify their souls and to submit to Him fully.

75:1 I swear by the Day of Resurrection.

75:2 And I swear by the blaming soul.

Revealed: The messenger’s name letters are 12 and 13, revealing the ONE GOD, who has sworn that everything in the Quran, and in what I state is the ABSOLUTE TRUTH. Praise be to Allah.

Praise be to Allah, Lord of the Universe.
