

June 10 & 17, 2005 Khutbah: What does it really mean to worship God alone?

“I seek refuge in Allah, from satan the rejected.”

In the name of Allah, Most Gracious, Most Merciful.

During and after the life of the last messenger, Rashad, there were people who left their sects and past beliefs to believe in God through the Quran and join the messenger’s congregation and follow him. But they had a lot of doubts and unanswered questions. They simply could not grasp the idea of someone claiming to be God’s messenger, especially after a long time of absence without messengers. Most of them asked him a lot of questions; some of them were satisfied, while others not. As soon as the messenger departed from the earth; all of the newly converted faithfuls got into argument with each other, started publishing their own literature, launched their websites and tore the religion into disputing factions. All of them assumed that they had more knowledge than the others, and are therefore on the right path. Arrogance of a different form set in their minds. They even started interpreting the verses and some of them translated the Quran in to different languages, thinking that it is a good deed to preach the message to others. All their actions and utterances revealed one clear fact: they did not hold on to the message of the Quran at all, that was delivered by the messenger. Most importantly, they did not grasp the essence of the scripture, as sincere believers should. Satan knew how to divide them up by parting with his arrogance and ego.

But they were unanimous in agreeing on one point: that after receiving the purified message from the Quran, they will worship, as they said, “GOD ALONE, QURAN ALONE.” By this they meant that they will worship God through Quran and not follow anything else besides it. Moreover, they pledged not to mention any other name when they recite the Shahadah, except Allah’s. They also automatically assumed that the messenger or messengers preach Quran alone, so the message, being the Quran, is important and not the messenger. Most of them did a righteous deed by breaking away from the shackles of their sects and their parent’s religion, by accepting the messenger. But as soon as they fabricated and invented their conditions for future belief, they fell into sin again, and nullified their works. They started presenting their own views and opinions under the guise of Islam, and their slogan of “God alone, Quran alone,” was no more than an empty and hollow line. They are correct in not upholding or referring to other books or literature or teachings, besides Quran; but are wrong and misguided in choosing to preach, advocate and follow selected verses of the scripture while concealing the remaining verses. Thus they violated their Covenant with God. It is a gross sin to hide, conceal or distort the revelations of Allah.

The way these people advocated “God alone, Quran alone,” was simplistic at best and was motivated more by ego than the true knowledge of Quran. They were quick to point out to others about act or acts of idolatry committed by others, while disguising themselves as the “righteous ones.” Going back in Quranic history, God tells us that the past communities of Jews and Christians made the same false claims of righteousness, as they do even now, while condemning the others as being astray. These so-called submitters had certainly moved a step forward in correcting the false practices of earlier years but stopped short of full submission, by placing limits on God as to what He should do or not do, and they have transgressed against God by doing exactly what they were not supposed to do. They had no idea, as the transgressors are always caught unaware by God; that they will be exposed as hypocrites for breaking up His religion and for following their own paths. They may want to consider these verses:

68:35 SHALL WE TREAT THE SUBMITTERS (Muslims) LIKE THE CRIMINALS?

Revealed: The Allah letters are 7, and my name letters are 14, proving through the SEVEN PAIRS, that they are all on the wrong path, unless they repent, believe, and follow this messenger.

68:36 What is wrong with your logic?

68:37 Do you have another book to uphold?

Revealed: The Allah letters are $2 - 3 = \text{diff. of } 1$. God has just criticized them through these verses that their distorted belief does not tie in with the Quran that they claim to believe and preach.

Revealed: The G.V. of my name letters are $224 - 238 = \text{diff. of } 14$. The above verses have been reinforced with the current messenger's name through the "Seven Pairs Revelation" and their belief has been condemned again by the Most Praiseworthy.

Revealed: The Sacred Codes: G.V.s of my name letters are: $224,238 = 14 \times 16017$

$224,238 = 19 \times 11802$

Note: Through the revelation of such profound Sacred Codes through my name letters, it is proven that the ones I have quoted in this khutbah and all others should heed this warning from God to submit fully, before it is too late. God be Glorified.

68:37 Do you have another book to uphold?

68:38 In it, do you find anything you want?

Revealed: the Aleefs (Absolute Authority) are: $1 - 2 = \text{diff. of } 1$. In these verses, the proof of "Absolutness" has been revealed; as no unauthorized human can teach, ascribe, interpret, translate or comment on Quran without the specific "authority of Allah." Neither are they allowed to follow their own opinions or fabrications.

Revealed: the messenger's name letters are: $8 - 9 = \text{diff. of } 1$. God has thus revealed that at this time, I have been sent with the Truth from Him, and anyone opposing and not following me, is surely following satan and falsehood.

Verse 68:38 makes a very strong point through the Ultimate Miracle that "whatever the hypocrites and the disbelievers are following, they can never prove their belief to be the Truth from God, as it will not be based on the Sacred Codes."

68:38 In it, do you find anything you want?

Revealed: The G.V. of my name letters are $266 = 14 \times 19$ Praise be to Allah, Lord of the universe.

68:39 REJECTION OF ABSOLUTE AUTHORITY: Or, have you received solemn assurances from us that grant you whatever you wish on the Day of Resurrection?

Revealed: The Shahadah has 12 arabic letters with a G.V. of 165. In this verse, upto the word, "Al-Qeyaamah", the Allah letters are 12, with a G.V. of 165. It therefore reveals, that the misguided ones are under false assumption that they will be spared on the Day of Resurrection for challenging God's Absolute Authority, which they have committed in the past and still doing.

Do these people really know what exactly "God alone, Quran alone," means? Do they have any comprehension that these 4 words advocated by them rightfully, but practiced wrongfully, entails and encompasses the whole of Quran, without disregarding, distorting and concealing any verse? Let me show them a sample of God's Proofs first before I go on to explain the entire meaning that most do not know and are misled by false slogans and misrepresentations of such people. Remember the Proofs bestowed upon me are not human fabrications; rather, are intricately inscribed within the fabric of the verses. This makes it impossible for any devil to reveal or distort them, short of removing or editing the verses from the Quran, which would be another blasphemy to God.

GOD ALONE:

2:163 The Shahadah: Your god is one god; there is no god but He, Most Gracious, Most Merciful. Revealed: the Allah letters are 19, and my letters are 18, clearly revealing through the very 1st occurrence, a difference of 1 and encompassing the values of “wahid” and “wahidun.” God has thus established the Path of Truth to follow for all others.

7:196 Part 1: (The Lord of the Scripture) God is my only Lord and Master; the One who revealed this scripture.

Part 2: He protects the righteous.

Revealed: Note the Chapter No. is 7, and the verse is $196 = 14 \times 7 \times 7$. “The Seven Pairs”

Revealed: The G.V.s of my name letters for each part are: $308 = 14 \times 22$

And for Part 2, G.V. of my letters are: $196 = 14 \times 7 \times 7$, matching the verse no. and being multiples of 14 for both parts, thereby revealing and confirming the “Revelation of Seven Pairs.”

Revealed: my name letters for each part are: $12 - 11 = \text{diff. of } 1$. All these proofs from the Most Wise show that I am worshipping the One God who revealed the Quran. If you are righteous, you will believe God in what He has shown you, and follow me. If you do not, you are in opposition.

72:19 Part 1: When God’s servant advocated Him alone,

Part 2: Almost all of them banded together to oppose him.

Revealed: The Aleefs are 4 and 3, revealing that the messenger of God is preaching the worship of One, Absolute Lord of the Universe.

Revealed: my name letters are 11 and 10, a diff. of 1, being a solid confirmation from the Most Gracious that He has appointed and authorized me to deliver an important message.

72:19 When God’s servant advocated Him alone, almost all of them banded together to oppose him.

MY NAME INITIALS ARE 14

72:20 Say, “I worship only my Lord; I never set up any idols beside Him.”

MY NAME INITIALS ARE 7

Comment: Through the revelation of the proof of Seven Pairs marking these verses, God has spoken the truth that I truly preach the worship of the Absolute God by following His commands and revelations and do not follow human idols and their opinions.

Here is a pair of verses that reveal the “Revelation of 1 God,” as well as my name.

39:2 We sent down to you this scripture, truthfully; you shall worship God, devoting your religion to Him alone.

Revealed: the Allah letters are 22, and my letters are 21, a diff. of 1. This is the way to worship God alone through the messenger pointed out over here. This is from God; do you have doubts?

39:14 Say, “God is the only One I worship, devoting my religion absolutely to Him alone.”

Revealed: The Allah letters are 10, and my letters are 11, a diff. of 1. This revelation from God confirms that I am following whatever is inspired to me and am devoted to Him alone.

Revealed: In 39:2, the G.V. of Allah letters is 291; and in 39:14, the G.V. of Allah letters is 163, revealing the difference of 128, which is my name, Husain. AlhamdoLillah.

OURAN ALONE:

17:46 Part 1: We place shields around their minds, to prevent them from understanding it, and deafness in their ears.

Part 2: And when you preach your Lord, using the Quran alone, they run away in aversion.

Revealed: Proof of Absoluteness: The Aleefs are 6 and 7, a diff. of 1, proving that when the messenger recites all the verses of the Quran and asks the people to apply to their lives, most of turn away in aversion.

Awesome Miracle: The G.V. of Allah letters are 121 and 107, **a diff. of 14**, revealing that the Quran is really composed on the **Miracle of Seven Pairs**, as is given in verse 15:87. It authenticates and proves that the message delivered by me is indeed from the Most Wise, and Almighty God. SubhanAllah.

17:46 part of Vs. And when you preach your Lord, using the Quran alone.

Part of Vs. They run away in aversion.

Revealed: my name letters are 8 and 9, a diff. of 1. Most people cannot face or stand the Truth presented by the messenger, as they have God's inspiration and support behind them. Due to jealousy, the disbelievers and the hypocrites disregard everything they see on this website or through these khutbahs.

17:9 This **QURAN** guides to the best path, and brings good news to **the BELIEVERS** who lead a righteous life, that they have deserved a great recompense.

Revealed: The Allah letters are 25, and my letters are 39, **revealing a diff. of 14 – The Seven Pairs.**

Another Example:

18:2 A perfect (scripture) to warn of severe retribution from Him, and to deliver good news to the **BELIEVERS** who lead a righteous life, that they have earned a generous recompense.

Revealed: The Allah letters are 21, and my name initials are 35, **revealing a diff. of 14-The Seven Pairs.**

After having provided the Proofs from the Lord of the Universe, I will now go on to explain the shortcomings and deceptions involved in the statement of "God alone-Quran alone," that is made by the hypocrites. It is wonderful that the current messages of God have come in the "Computer Age." I will therefore give you an example from the Computer. If you go to any "website," it has "**Links.**" Without going through all the "**Links,**" you cannot get the complete text or message of the website. Similarly, in **the Quran**, when you read any verse, it has profound "**Links,**" through which God explains the complete meaning of the verse. A single verse does not necessarily explain the depth and meaning of the verse or the subject matter; rather when you take a few or all of them on the usage of certain words in that verse, that you get a broader picture of the actual meaning. The verses of God will serve as my guide and will lead you to the correct meaning and interpretation of them. Moreover, they will also guide by informing you of what God expects and requires from you to fulfill the Sacredness of "**WORSHIPING GOD ALONE THOUGH QURAN ALONE.**" Here is the example of one verse:

2:112 Part 1: Indeed, those who submit themselves absolutely to God alone, while leading a righteous life, will receive their recompense from their Lord;

Part 2: They have nothing to fear, nor will they grieve.

Revealed: The numbers of the chapter and verse are unique:

Subtract 2 from 112, the answer is 110, revealing the Absolute Authority through the Shahadah.

Add 2 to 112, the answer is **114**, revealing the entire Quran comprising 114 chapters, in order to reverence His Absoluteness.

Revealed: Part 1 has 14 Allah letters and Part 2 has 7 Allah letters, thus giving us **the Divine Miracle of “Seven Pairs.”** The verse no.112 itself is a multiple of 14 also. The verse clearly states that you have to submit to God while leading a righteous life; then the consequence of “fear and grief” will not be there.

Consequence: They have nothing to fear, nor will they grieve.

Revealed: The Allah letters are 7, and my letters are 14, revealing the Seven Pairs.

The words “**righteous life**” does not itself explain what is required of you. I have heard some clever people saying: “I am not doing any sins or doing anything wrong, so actually I am righteous.” They are totally wrong. Every Quranic word or sentence is explained through the verses which may be within the next few verses or in another chapter. This is new information for the “believers.” So let me show you as to what is required from God by “leading a righteous life,” and the verses on “fear and grief.”

RIGHTEOUS LIFE OR RIGHTEOUSNESS DEFINED THROUGH VERSES GIVEN BELOW:

74:56 They cannot take heed against God’s will. He is the SOURCE OF RIGHTEOUSNESS; He is the source of forgiveness.

Comment: The source of righteousness is God; you have to worship Him through all His laws that He has given in the Quran.

Reflect on the words: **Source of Righteousness:** Allah letters are: 5

Source of Forgiveness : Allah letters are: 6, revealing a diff. of 1

Even the Arabic letters comprising these words reveal 9 and 10 letters, a diff. of 1, and the sum is 19.

47:17 As for those who are guided, He augments their guidance, and grants them their righteousness.

Comment: Those who are guided by God, He gives them the understanding of His laws and the will to carry them out.

Am I one of those whom God has blessed with the guidance and granted him the righteousness? Praise be to Allah, the revelation from the verse proves so.

Revealed: The Allah letters are 11, and my letters are 12, a diff. of 1, from the One God who has blessed me with my guidance to guide others with the truth. AlhamdoLillah.

2:200 Some people would say, “Our Lord, give us of this world,” while having no share in the Hereafter.

2:201 Others would say, “Our Lord, grant us righteousness in this world, and righteousness in the Hereafter, and spare us the retribution of Hell.”

Comment: The believers ask God to make them consistent in following His laws on earth, as well as in the Hereafter, thereby saving them the retribution of Hell. You have to implore God with these prescribed prayers. Here is the Proof:

Revealed: The Allah letters are 18 and 19, a diff. of 1. God has clarified and distinguished between 2 kinds of people; as I said earlier, the believers implore God by reciting verse 2:201

2:189 It is not righteous to beat around the bush; **RIGHTEOUSNESS IS ATTAINED BY UPHOLDING THE COMMANDMENTS, AND BY BEING STRAIGHTFORWARD.**” You shall observe God, that you may succeed.

Comment: Those who are astray like to distort the meaning and complicate matters for themselves and others. God is telling us to be straightforward and to uphold His commands. It is that simple.

Marked with Miracle: Righteousness is attained by upholding the commandments: Arabic letters are 14
“And by being straightforward.” Arabic letters are 19

Thus revealing both the Sacred Codes.

2:197 Hajj shall be observed in the specified months. Whoever sets out to observe Hajj shall refrain from sexual intercourse, misconduct, and arguments throughout Hajj. Whatever good you do, God is fully aware thereof. As you prepare your provisions for the journey, THE BEST PROVISION IS RIGHTEOUSNESS. You shall observe Me, O you who possess intelligence.

Comment: There are certain laws regarding performance of Hajj and also certain rules to be followed, as the verse tells us. All the effort, the time spent and the provisions carried by you can go waste if you did not observe God by following His laws and rules.

57:11 Who would like to loan God a loan of righteousness, to have it multiplied for him manifold, and end up with a generous recompense?

Comment: When you carry out God’s laws on earth, He gives you credit each time and saves it for you in His record till the Day of Judgment. Your sacrifice in His cause is a loan to God, which He will honor by multiplying it many times over to reward and recompense you back again.

39:28 An Arabic Quran, without any ambiguity, that they may be righteous.

Revealed: my name letters are 14, revealing the Quran based on Seven Pairs has been given to me.

Comment: You can only become righteous when you believe and follow the entire Quran, and that includes believing and following God’s messengers, as the verses state.

2:44 Do you exhort the people to be righteous, while forgetting yourselves, though you read the scripture? Do you not understand?

Comment: You cannot preach the scripture to others if you are not upholding all the laws yourselves OR following only part of the scripture and concealing the rest.

39:33 As for those who promote the Truth, and believe therein, they are the **righteous**.

Comment: The truth is God’s scripture and the revelations that come from Him. If you believe in all and promote the message, then you are considered “righteous.”

A GOOD DEFINITION OF THE RIGHTEOUS:

3:113 They are not all the same; among the followers of the scripture, there are those who are **righteous**. They recite God’s revelations through the night, and they fall prostrate.

3:114 They believe in God and the Last Day, they advocate **righteousness** and forbid evil, and they hasten to do **righteous works**. **These are the righteous**.

PROOF OF ABSOLUTENESS: The Aleefs are 11 and 10, revealing a diff. of 1. Absolute God.

Comment: God has clearly defined the righteous followers of the scripture through above 2 verses, and even marked and stamped them with the proof of Absoluteness.

72:11 Some of us are righteous, and some are less than righteous; we follow various paths.

72:14 Among us are the **submitters**, and among us are the **compromisers**. As for those who **submitted, they are on the right path**.

Comment: These verses clarify that there are various paths that people follow, but the righteous follow God’s path in order to submit, and never compromise in their belief, no matter what.

21:73 We made them imams who guided in accordance with our commandments, and we taught them how to **work righteousness**, and how to observe the Salat and the Zakat. To us, they were devoted worshipers.

Comment God tells us that the messengers are imams for their people and are inspired and taught by God about all the religious duties and practices which constitutes as working righteousness.

NOTE: In Chapter 21, through verses 72, 75, 86, God repeatedly mentions some of the names of messengers who are called “**righteous by God,**” as they are inspired His laws and carry them out, while preaching the same to the believers.

22:32 Indeed, those who reverence the rites decreed by God, demonstrate the righteousness of their hearts.

Comment: Each messenger is given different inspiration and commands to follow from God thereby creating a Test for the believers which are called “rites decreed by God,” and by implementation of these rites, you fall into the category of “righteousness.” To understand this I will briefly tell you that Moses commanded the believers to sacrifice the heifer; Saul commanded the believers not to drink from the stream except a sip of water; Muhammad commanded the believers to follow him in the new direction of the Qiblah and so on. By obeying these commands the believers had to prove that they were indeed submitting to the commands of their Lord, that were inspired and sent through the messengers.

Righteousness or Laws of God have to implemented while Believing in God & His messenger.:

16:97 Anyone who works righteousness, male or female, **while believing**, we will surely grant them a happy life in this world, and we will surely pay them their full recompense for their **righteous works**.

17:19 As for those who choose the Hereafter as their priority, and **work righteousness, while believing**, their efforts will be appreciated.

9:105 Part 1: Say, “Work righteousness; God will see your work, and so will His messenger, and the believers.

Part 2: Ultimately, you will be returned to the Knower of all secrets and declarations, then He will inform you of everything you had done

COMMENT: This is the verse that is most likely to be ignored, concealed, and disregarded by the hypocrites. By concealing this verse, you will never get the truthful meaning of “righteous life.” This defines God’s Sunnah or System. You cannot worship “God alone through Quran alone,” till you believe and submit to Him through this verse, being one of the many that clarify His system. As the messenger will be a “witness” on the Day of Judgment, it is important that he witness your belief and actions. The believers get to witness each others beliefs and actions also. After witnessing the Proof of this important Verse, you will either be appreciative as a believer, or unappreciative and heedless as a disbeliever.

Revealed: my name letters for both parts are: 26 and 25, a diff. of 1.

Revealed: my name initials are 19 and 18, a diff. of 1.

Revealed: my name initials are 14 upto “messenger,” and 19 upto “believers,” revealing the Sacred Codes of 14 and 19.

Praise be to the Most High, He has perfected my name initials as well as my letters both ways, to counter the disbelievers contention that it could be an “accidental occurrence.” The above 3 verses make

it abundantly clear that “righteousness – implementation of God’s laws” can only be achieved by following an authorized messenger.

The belief in the messengers of God is the “core” of Islam. The scripture of God has millions of copies on earth, and the ones possessing these copies are also in the millions; but the “believers” who carry out all the laws of righteousness are always a “FEW.” This is also according to God’s Sunnah that is mentioned early on before the humans were sent to the earth. (38:82-83) This is the reason for God stating in the Quran that “Allah is the Lord of the righteous only, while the disbelievers have no lord.”

47:11 This is because **Allah is the Lord of those who believe**, while the disbelievers have no lord. Revealed: The Allah letters in this verse are a “Perfect 19” to convey a strong message to the hypocrites and the disbelievers.

45:19 They cannot help you at all against Allah. It is the transgressors who ally themselves with one another, while **Allah is the Lord of the righteous.**

Between the two groups of people, the believing one is liked by God, while the disbelieving one is abhorred and condemned by Him. There can never be any equality or parity between the two groups. There is a verse that makes it clear:

45:21 Part 1: Do those who **work evil** expect that we will treat them in the same manner as those **who believe and lead a righteous life?**

Part 2: Can their life and death be the same? Wrong indeed is their judgment.

Revealed: The G.V. of Allah letters in Part 1, upto “righteous life” is 227, a confirmation for the believers, as the G.V. of “Al-Muhmeneen” is also 227, Praise be to God.

Revealed: In Part 2, God tells us that the disbeliever’s judgment is wrong if they think that there is no difference in their lives and deaths as compared to those of the believers. The Allah letters are 7 and my name initials are 14 – confirming through the “Revelation of the Seven Pairs.”

The word “righteous” has been used by God’s messengers in declaring themselves and in delivering the message, as in:

26:176 The people of the Woods disbelieved the messengers.

26:177 Shu’aib said to them, “**Would you not be righteous?**”

26:178 “**I am an honest messenger to you.**”

26:179 “**You shall reverence God, and obey me.**”

Comment: What does “righteous” mean here in context to God and His messenger? Note the first sentence in 27:176, that tells us that the people disbelieved in the messengers, as they still do now. So the messenger asks the people **if they would be righteous in obeying God’s Absolute Authority** by believing in His messenger; and in order to reverence God, they have to obey the messenger. The general statement made by any messenger which covers the portion of these verses starting from: “Would you not be righteous -----upto-----obey me, is marked by Allah precisely with the Miracle of Seven Pairs, being His letters 14, Glory be to my Lord.

The disbelievers and the hypocrites who refuse to obey Allah’s Absolute Authority in this life and aim to corrupt His system will not get another chance and will be full of remorse on the Day of Resurrection. They will then remember and wish that they had carried out all of God’s laws on earth.

23:99 When death comes to one of them, he says, “My Lord, send me back.”

23:100 “I will then **work righteousness in everything I left.**” NOT TRUE. This is a false claim that he makes. A barrier will separate his soul from this world until resurrection.

32:12 If only you could see the guilty when they bow down their heads before their Lord: **“Our Lord, now we have seen and we have heard. Send us back and we will be righteous. Now we have attained certainty.”** (of God’s Absolute Authority.)

Proofs about Certainty: The verse is marked with **“absolute certainty”** for the doubtful, as it has precisely **19 Allah letters.**

Proof: upto: “we will be righteous,” there are **66 arabic letters, which is the value of Allah, Glorified.** The last part of the verse therefore means that the disbelievers attain certainty after seeing and hearing from the Lord, which will inevitably be too late for them.

On page 4 of this khutbah, I recited verse 2:112. The condition for submitting to God alone was leading a righteous life. I have covered that with a few verses to clarify the broad meaning of this word, which is misunderstood or not quite understood by the majority of people. Upon hearing or reading all the verses above, you will have a better idea as to what God expects from you through the coded word, “righteous life or righteousness.”

The second part that tells us about suffering from fear and grief, or how to avoid is given in the following verses:

2:38 We said, “Go down therefrom, all of you.” When guidance comes to you from Me, **those who follow My guidance will have no fear, nor will they grieve.”**

2:62 Surely, **those who believe,** those who are Jewish, the Christians, and the converts; anyone who:

1. Believes in Allah, and
2. believes in the Last Day, and
3. **leads a righteous life,** will receive their recompense from their Lord. **They will have nothing to fear, nor will they grieve.**

2:277 **Those who believe and lead a righteous life,** and observe the Contact Prayers (Salat), and give the obligatory charity (Zakat), they receive their recompense from their Lord; **they will have nothing to fear, nor will they grieve.**

2:262 Those who spend their money in the cause of God, then do not follow their charity with insult or harm, will receive their recompense from their Lord; **they have nothing to fear, nor will they grieve.**

10:62-63 **Absolutely, God’s allies have nothing to fear, nor will they grieve.**

They are those who believe and lead a righteous life.

10:64 **For them, joy and happiness in this world, as well as in the Hereafter. THIS IS GOD’S UNCHANGEABLE LAW – (HIS SUNNAH). Such is the greatest triumph.**

39:61 And God will save **those who have maintained righteousness;** He will reward them. **No harm will touch them, nor will they have any grief.**

41:30 Those who proclaim: “Our Lord is God,” then lead a righteous life, the angels descend upon them: **“You shall have no fear, nor shall you grieve. Rejoice in the good news that Paradise has been reserved for you.”**

43:68 O My servants, **you will have no fear on that day, nor will you grieve.**

7:49 Part 1: Are those the people you swore that Allah will never touch them with mercy?

Part 2: Enter Paradise; **you have nothing to fear, nor will you grieve.**”

Revealed: The Aleefs for each part are: 7 and 6, a diff. of 1 – the Absolute Authority of Allah to bestow His mercy and guidance upon whomever He chooses.

Revealed: The G.V. of Allah letters for Part 1 is 207, denoting the value of “rabbahoo – his Lord.” And my name letters are precisely 19, denoting God’s mercy upon me.

6:48 We do not send the messengers except as deliverers of good news, as well as warners. **Those who believe and reform have nothing to fear, nor will they grieve.**

7:35 O CHILDREN OF ADAM, WHEN MESSENGERS COME TO YOU FROM AMONG YOU, AND RECITE MY REVELATIONS TO YOU, THOSE WHO TAKE HEED AND LEAD A RIGHTEOUS LIFE, WILL HAVE NOTHING TO FEAR, NOR WILL THEY GRIEVE.

Revealed: my name letters are 44

7:36 AS FOR THOSE WHO REJECT OUR REVELATIONS, AND ARE TOO ARROGANT TO UPHOLD THEM, THEY HAVE INCURRED HELL, WHEREIN THEY ABIDE FOREVER.

Revealed: my name letters are 25

REVELATION & PROOF OF CERTAINTY:

Difference in my name letters 44 and 25 is 19, which is the G.V. of WAHID. (ONE GOD), certifying, confirming and revealing His system of messengers is the Absolute Truth, and that I am one of them who has been sent with a profound message, miracles and warning for mankind, to take heed, or suffer the consequences of their decisions to disbelieve. Praise be to Allah, Most Kind.

To explain the subject of worshipping “God alone through Quran alone,” in light of verse 2:112, I have recited an assortment of verses for you to read and reflect on the meaning of the simple words, like “righteous – fear – grief” and to appreciate the vast and broad meaning through the verses, and if you take the mathematical revelations given to me, it gets even more vast and broad. You have also noticed the “LINKAGES” between the words, verses and the subject matter. At least you will have a better idea about the glorious Quran when you read next time. **One thing is certain: every subject, commands and requirements of God are linked with the system of messengers, as you have seen and observed by now. The true believers will greatly benefit from this khutbah, and not be misled or duped by the hypocrites when they make false proclamations, like the one mentioned in this sermon, God willing.**

Peace be upon the messengers.

PRAISE BE TO ALLAH, LORD OF THE UNIVERSE.

(Please note: This khutbah is for 2 weeks, for June 10 and June 17, 2005. It has been prepared without checking it out for mistakes. If you notice any spelling errors, or any other mistakes, I ask God for forgiveness. You can certainly bring it to my attention.)
