

July 8, 2005 Khutbah: IMMENSE POWER OF ALLAH REFLECTED THROUGH THE VERSES:

I seek refuge in Allah from satan the rejected.
In the name of Allah, the Most Gracious, Most Merciful.

It is ironic and sad to see multitudes of humans disbelieve in Allah, His scriptures, His laws, His messengers, His system, His messages, His proofs and miracles, His unlimited control and powers, His ability to create and recreate, the Day of Resurrection and so on.

Today, for the benefit of the believers, and others who fear and reverence Allah, I will read and recite a few verses of prime importance and show you how God has precisely coded them. The more you see His proofs, the more you get a chance to glorify and praise Him. You do get the sure feeling that Allah is communicating with you through the messenger. In fact, the verses are so precise with the mathematical component of proofs augmenting them, that you get cold chills or shivers up your spine, if you truly reverence Him.

REVELATION OF PROVEN SCRIPTURE:

6:157 Part 1: Nor can you say, “If only a scripture could come down to us, we would be better guided than they.”

Proof: Allah letters are 17, my name initials are 16, revealing the “**Miracle of 1**” – ALLAH

PROVEN SCRIPTURE: Part 2: A proven scripture has now come to you from your Lord, and a beacon, and a mercy.

Proof: my name letters are 14 in this part, revealing the component of Seven Pairs incorporated in the “great Quran.”

A Sure Confirmation: upto this verse ending on “beacon and a mercy,” the **Arabic letters are 66**, revealing His name, **ALLAH**.

Since Part 2 of the verse reveals 14 letters of my name in the “proven scripture,” the ones who do not believe that my name is inscribed in the Sacred Quran, God labels them as the evil ones who reject His proofs, by inserting 14 letters of my name again.

Part 3: Now, who is more evil than one who rejects these proofs from Allah, and disregards them?

Proof: my name letters are 14 again, warning the evil ones who dare to reject and disregard God’s proofs.

Read this portion of the verse again with the remaining part of consequences added to it:

Part 3: Now, who is more evil than one who rejects these proofs from Allah, and disregards them? We will commit those who disregard our proofs to the worst retribution for their heedlessness.

Proof: The Allah letters are 19, a warning from the ONE and ONLY OMNIPOTENT LORD.

Proof: The Arabic letters upto part 2 were 66, revealing Allah, and in part 3, they are 77, revealing the component of the Seven Pairs in the great Quran.

“A proven scripture has now come to you from your Lord, and a beacon, and a mercy.”

In this portion, which is part 2, there is only 1 Aleef, revealing the Absoluteness of Allah as ONE.

By connecting this one Aleef, with nine Aleefs of part 1, a pattern of 1,9 is inscribed through the verses.

By connecting this one Aleef with four Aleefs of part 3, a pattern of 1,4 is inscribed through the verses.

Through this secret, hidden coding, God thus unveils **the Sacred Codes of 19 and 14** from the Proven Scripture. If we connect the 1 Aleef of part 2 to the 12 Aleefs of part 3 by taking the entire portion of the verse,

then also we get a pattern of 1,12 which is again a multiple of 14. Let me split part 3 into two parts again to get a fuller meaning.

Part 3 (a) Now, who is more evil than one who rejects these proofs from Allah, and disregards them?

Part 3 (b) We will commit those who disregard our proofs to the worst retribution for their heedlessness.

Proof: The Allah letters are coded to be **9 and 10** for each part, revealing the Code of (74:30 of Tis'aa Aashar) or written as “nine-ten” in Arabic; also **revealing the difference of 1**, while the sum **is 19**, for One God.

THE TEST HAS BEGUN: The Warner & the Miracle has come.

35:42 Part 1: They swore by Allah solemnly that if a warner went to them, they would be better guided than a certain congregation!

Proof to Test them: The Allah letters are 19.

Part 2: The Warner has come: However, now that the warner did come to them, this only plunged them deeper into aversion.

Proof about Warner from Allah: the Allah letters are 11, and my name letters are 10, **a diff. of 1**, revealing the serious nature of this verse, marked by 19 and the revelation of 1.

6:109 Part 1: They swore by Allah solemnly, that if a miracle came to them, they would surely believe.

Proof to Test them: The Allah letters are 17, and my name initials are 18, **a diff. of 1**, revealing the miracle, as demanded by the disbelievers who have been put to a solid and serious test by God.

Part 2: Say, “Miracles come only from Allah.” For all you know, if a miracle did come to them, they would continue to disbelieve.

The Miracle has come: The Allah letters are 19, denoting His authorization of Miracle, and my name initials are 18, **a diff. of 1**, revealing “One of the Greatest Miracles of Allah.” – be He glorified.

THE FOLLOWING PORTION OF VERSE PROVES THAT ALL MIRACLES ARE AUTHORIZED AND REVEALED BY ALLAH, BEYOND HUMAN REACH AND COMPREHENSION, AND CANNOT BE DUPLICATED OR REPRODUCED.

Say, “Miracles come only from Allah.”

Revealed: the Allah letters are 10, and my name letters are 9, a diff. of 1, revealing the “Revelation of 1” that has been blessed upon me as my SIGN.

“For all you know, if a miracle did come to them, they would continue to disbelieve.”

Revealed: The Allah letters for each part are 10 and 9, a diff. of 1; informing the messenger and the few believers, that disbelievers always disregard God’s Signs and Miracles, and do not change their evil behavior.

The disbelievers are quick to reject human messengers sent by God, and expect God or His angels to come down, before they believe in Him or His message. Their unrighteous thoughts are expressed through this verse, especially coded in a phenomenal way:

THE PROVEN LORD OF THE UNIVERSE:

6:158 Part 1: Are they waiting for the angels to come to them, or your Lord, or some physical manifestations of your Lord? The day your Lord physically manifests Himself,

Proof of God’s Eternal Existence and Presence: The Allah letters are 19, revealing a very strong Coded message to augment the meaning of the verse.

6:158 Part 2: No soul will benefit from believing if it did not believe before that, and did not reap the benefits of belief by leading a righteous life.

Proof of God’s Eternal Existence and Presence through the Sacred Codes: In this part the Allah letters are **14**, thus complimenting Part 1, that has **19** Allah letters, revealing the Sacred Codes of 19 and 14.

Additional Miracle: Part 1 has 68 Arabic letters, and Part 2 has 49, revealing a diff. of 19, being the ONE; warning the human race, that if ever Allah came down, or His angels, the whole matter will be terminated, and no one will get any more chance to believe, if they did not believe before that.

Last Part of Verse: Say, “Keep on waiting; we too are waiting.”

Revealed: The Allah letters are 5, and my letters are 9, the sum is 14; through His messenger, God informs the disbelievers to keep on waiting, while they have no knowledge of the future, and do not know what may happen the next moment. Praise be to Allah.

I am now going to show you another facet of the same verse by splitting it in parts in a different way:

6:158 Part 1: Are they waiting for the angels to come to them, or your Lord, or some physical manifestations of your Lord?

Part 2: The day your Lord physically manifests Himself, no soul will benefit from believing if it did not believe before that, and did not reap the benefits of belief by leading a righteous life.

Proof of Absoluteness: The Aleefs for each part are: **10 and 11, a diff. of 1**, revealing the Absoluteness of Almighty Lord, and a grave warning to the disbelievers, who challenge Him to come down to give His message.

Proof of Allah: Even the Allah letters are **17 and 16, a diff. of 1**, revealing the serious nature of this verse, and totally proving Allah’s Absoluteness, Control, and Eternal Existence and Presence. Praise be to Him.

Part 2 of the verse that tells us that if Allah manifests Himself physically, it will too late to believe, is also marked by 66 Arabic letters, a perfect Coding to reveal precisely **His name, ALLAH**. Moreover, the portion of the verse after this:

Part 3: **Say, “Keep on waiting; we too are waiting.”** is marked by Arabic letters as 19. With the revelation of His name, Allah, 66, and the number 19, which represents “Wahid, or One,” through the verse, God has proved and confirmed what the disbelievers demand all the time, and to remove all doubts of those who are not sure about God, His system, and the Day of Judgment.

Another Hidden Facet of Miracle in this Verse:

The Pattern of Allah letters are **16** in Part 2 and **5** in Part 3 of verse, thus revealing the Sacred Code of **165**, which represents the Shahadah and His Absolute Authority as “Al-Samad.”

The Pattern of Aleefs are **11** in part 2, and **4** in part 3 of verse, thus revealing the Sacred Text of Quran that has been sent down by the Absolute God having **114** chapters.

A Miracle to Reveal the Messenger: my name initials in the entire verse are **51**, and my name letters are **65**, a **diff. of 14**, thus revealing **the Seven Pairs**, being **my Sign from Allah**, through a very important verse.

Now, a couple of verses to show you the advance knowledge of God about the disbelievers, who are stubborn, arrogant, and ignorant and will not believe no matter what kind of Miracle is sent down by the Lord.

REVELATION OF GREATNESS OF GOD'S MIRACLES:

6:35 If their rejection gets to be too much for you, you should know that even if you dug a tunnel through the earth, or climbed a ladder into the sky, and produced a miracle for them, (they still would not believe.) Had God willed, He could have guided them unanimously.

6:111 Even if sent down the angels to them; even if the dead spoke to them; even if we summoned every miracle before them; they cannot believe unless God wills it.

Proof of Miracle: The Allah letters are 35 and 36, **a diff. of 1** – revealing the profoundness of these verses whereby the Miracle is already apparent, but most probably will not be appreciated by the disbelievers.

6:35 Therefore, do not behave like the ignorant ones.

6:111 Indeed, most of them are ignorant.

Revealed: The Aleefs are 2 and 1, **a diff. of 1** – Absoluteness of Allah.

Revealed: The Allah letters are 6 and 5, **a diff. of 1**.

Revealed: The Arabic letters are 17 and 16, **a diff. of 1** also, revealing and advising the believers not to behave like the ignorant ones, who are in the majority.

6:35 Had God willed, He could have guided them unanimously.

Revealed: The Allah letters are 12 and my letters are also 12 – **MATCHING**, to reveal that guidance is controlled by Allah.

6:111 They cannot believe unless God wills it.

Revealed: The Allah letters are 14, and my letters are also 14 – **MATCHING**, to reveal that guidance is indeed controlled by Allah. He guides whomever He wills, and parts His knowledge to whomever He wills.

GREATNESS OF QURAN:

13:31 Even if a Quran caused mountains to move, or the earth to tear asunder, or the dead to speak (they will not believe).

59:21 If we revealed this Quran to a mountain, you would see it trembling, crumbling, out of reverence for Allah.

Proof of Quran's greatness: The Aleefs are 10 and 9, **a diff. of 1**, showing God's Absoluteness, while the sum of $10 + 9 = 19$, also revealing the ONE GOD who controls everything – the ONE who has revealed these profound Miracles for the people to reflect and take heed.

13:31 God controls all matters.

Revealed: The Allah letters are 8 and my letters are also 8 – **MATCHING revelation**.

Revealed: the Allah letters are 8, and my name initials are 7, **a diff. of 1**.

Revealed: The G.V. of Allah letters is 128, revealing my name, Husain, while the G.V. of my name letters is 212, revealing the name of the Lord, "Rabbi." (which means – my Lord.)

13:31 God controls all matters. Is it not time for the believers to give up and realize that if Allah willed, He could have guided all the people?

Revealed: The Allah letters are 28, and my name initials are 29, revealing **a diff. of 1** – an advice for the “believers” not to get disappointed or frustrated when they see overwhelming disbelief, as it is the will of God not to guide those who do not deserve His mercy.

An important Miracle: In verse 13:31, **the 66 letters of Allah** occur precisely on the **Aleef** of His own name, Allah, revealing another profound miracle to show His Absoluteness; that He is One; that His name is Allah, and occurs on the portion of the verse saying:

“until **Allah’s** promise if fulfilled.” **Marked with Arabic letters as -----14**
“Allah will never change the predetermined destiny.” **Marked with Arabic letters as ----- 19,**
a revelation of both the Sacred Codes.

Through this portion of the verse, it is also revealed that the G.V. of Allah letters for both parts is **227, which is the G.V. of “Al-Mumineen – the Believers”** who have been chosen by Allah to be guided, and He has also “marked the transgressors” due to their disbelief.

Revealed: The Allah letters for both parts above are 16, and my letters also 16 – **MATCHING REVELATION.**

Revealed: The Allah letters are 16, and my name initials are 15, **a diff. of 1**; confirming God’s promise to the believers.

Now let me take the entire verses showing God’s greatness through His scripture, the Quran, which can make the mountains tremble and crumble, if revealed to them.

13:31 Even if a Quran caused mountains to move, or the earth to tear asunder, or the dead to speak (they will not believe). God controls all matters. Is it not time for the believers to give up and realize that if Allah willed, He could have guided all the people? The disbelievers will continue to suffer disasters, as a consequence of their own works, or have disasters strike close to them, until Allah’s promise is fulfilled. Allah will never change the predetermined destiny.

59:21 If we revealed this Quran to a mountain, you would see it trembling, crumbling, out of reverence for Allah. We cite these examples for the people, that they may reflect.

A Warning to the Humans to take note of this Revelation: The Allah letters for both comparable verses are: **80 + 34 = a perfect 114,** confirming the Scripture – **the Quran,** that is perfectly marked with **114 chapters.**

Ending of verse 59:21: We cite these examples for the people, that they may reflect.

PROOF: The Allah letters are 13, and my name initials are 14, **a diff. of 1** – an eye opener for those who want to see and hear, to repent to God and take heed.

Peace be upon the messengers.

PRAISE BE TO ALLAH, LORD OF THE UNIVERSE.
