

July 15, 2005 Khutbah: Violation of the Covenant by the people of the Scripture & the Consequences:

I seek refuge in Allah from satan the rejected
In the name of Allah, the Most Gracious, the Most Merciful.

All humans have made a Covenant with their Creator, the Eternal Lord of the Universe, before being sent to the Earth. They are then reminded through God's scriptures about these Covenants and asked to uphold them by upholding the entire scripture – basically meaning, “hearing and obeying” God, and whatever He commands us to do. Any opposition to Him, or those that He appoints, or His system, is strongly disliked by God, whereby he condemns those that oppose Him. The first set of verses is presented to you:

2:97 Say, “Anyone who opposes Gibreel (Gabriel) should know that he has brought down this (Quran) into your heart, in accordance with God's will, confirming previous scriptures, and providing guidance and good news for the believers.”

2:98 Anyone who opposes God, and His angels, and His messengers, and Gibreel and Meekal (Gabriel and Michael), should know that God opposes the disbelievers.

Revealed: The G.V. s of Allah letters for each verse are: 362 and 324.

$$362 + 324 = 686 = 14 \times 7 \times 7. \text{-----Sacred Code of 14}$$

$$362 - 324 = 38 = 19 \times 2 \text{-----Sacred Code of 19}$$

thus revealing both the Sacred Codes of 14 and 19 through these very important verses. Moreover, the quotient of $14 \times 7 \times 7$ represents the G.V. of the verse, 15:87 which reads: “We have given you the seven pairs,” the G.V. of this verse is 1477, matching the above numbers. These verses have revealed an important message as good news for the believers, while warning the disbelievers that God opposes them.

2:99 Part 1: We have sent down to you such clear revelations.

Part 2: And only the wicked will reject them.

Proof: The **Aleefs** are 4 and 5, a diff. of 1 – God.

Proof: The **Allah letters** are 7 and 8, a diff. of 1 – God.

2:100 Part 1: Is it not a fact that when they make a Covenant and pledge to keep it, some of them always disregard it?

Part 2: In fact, most of them do not believe.

Proof: my letters are 11 and 10, a diff. of 1 – God.

Revealed: The G.V. of my letters are 374 and 264, a **diff. of 110** – (G.V. of Shahadah) proof that the majority violate their Covenant by not upholding God's Absolute Authority on earth.

Now let me take the entire verses without breaking them into parts, to show you God's Miracle again.

2:99 We have sent down to you such clear revelations, and only the wicked will reject them.

2:100 Is it not a fact that when they make a Covenant and pledge to keep it, some of them always disregard it?

In fact, most of them do not believe.

Revealed: The Allah letters are 15 and 14, a diff. of 1 – God.

Revealed: my name letters are 22 and 21, a diff. of 1 – God.

Follow up Verse: A messenger has come from Allah, to remind you of your Covenant:

2:101 Part of Verse: Now that a messenger from Allah.

Proof: Up to the Aleef of Allah are **19** Arabic letters which have precisely **14** Quranic initials, marked by the Lord as a Sign for me, pointing out to a specific messenger.-----**Sacred Codes of 19 – 14**

2:101 Now that a messenger from Allah has come to them, and even though he proves and confirms their own scripture, some followers of the scripture disregard Allah’s scripture behind their backs, as if they never had any scripture.

Proof: As mentioned above, the **19th Arabic letters** occur on **the Aleef of Allah**, and the **19th Allah letters** also occur on **the Aleef of Allah**. There are two counts of Allah in the verse, and both are mathematically coded. Moreover, both occurrences of “Allah” are linked and connected by 38 Arabic letters that separate them.

Proof: The verse number is **101**, and the total number of Arabic letters in the verse are **87**, giving a difference of **precisely 14**, which is again **my Sign of Seven Pairs**.

Proof: my **14** name letters are up to the word “**confirms**,” and the **19** name letters from this word onwards occurs on “**Allah**.” Through the Sacred Coding of **14 and 19**, God confirms my name as a messenger who proves and confirms the Quran, which the followers of the Scripture seem to disregard and reject.

5:7 Part 1: Remember God’s blessings upon you, and His Covenant that He covenanted with you:

Proof: The Allah letters are 13, and my name initials are 14, **a diff. of 1 – God**.

Proof: My name initials are **14**, and my letters are **19**, revealing the **Sacred Codes of 14 and 19**.

Part 2: You said, “We hear and we obey.”

Proof through the words: “We hear”: Aleef is 1; “And we obey” : Aleefs is 2, revealing a diff. of 1.

Revealed: my letters in these words are: 3 and 2, **a diff. of 1 – God**. The messenger has been sent to remind the people of their Covenant with God, to hear and obey Him to prove that they believe in His Absolute Authority.

Part 3: You shall observe God; God is fully aware of the innermost thoughts.

Proof: The Allah letters are 15, and my letters are 14, **a diff. of 1** – proving the entire verse on the Covenant.

Now look and hear again for additional proofs:

5:7 Part 1: Remember God’s blessings upon you, and His Covenant that He covenanted with you.

Part 2: You said, “we hear and we obey.”

Part 3: You shall observe God.

Part 4: God is fully aware of the innermost thoughts.

Revealed: The Aleefs are 5 – 4 – 3 – 4, **revealing a diff. of 1** between each number when compared to the preceding number. This is how profound the PROOFS of this verse are to remind the humans of their Covenant.

I will recite to you verses that show us some examples of communities of people of the scripture that violated their Covenant with God, and suffered the consequences.

5:12 God had taken a Covenant from the Children of Israel, and we raised among them twelve patriarchs. And God said, “I am with you, so long as you observe the Contact Prayers (Salat), give the obligatory charity (Zakat), and believe in My messengers and respect them, and continue to lend God a loan of righteousness. I will then remit you sins, and admit you into gardens with flowing streams. Anyone who disbelieves after this, has indeed strayed off the right path.”

Proof: The Allah letters in the verse are -----**57**----- (a multiple of 19).

Part of Verse: God’s Promise: And God said, “I am with you, so long as you observe the Salat, give the Zakat, and believe in My messengers.

Revealed: This portion is marked with Allah letters -----**19**.

5:14 Also from those who said, “We are Christian,” we took their Covenant. But they disregarded some of the commandments given to them. Consequently, we condemned them to animosity and hatred among themselves, until the Day of Resurrection. God will then inform them of everything they had done.

Proof: The Allah letters in the verse are -----38 -----(a multiple of 19).

Verse 5:12 mentions a Covenant taken from the Children of Israel and has **57 Allah letters**, while **verse 5:14** is from those who said that they are Christians, and has **38 Allah letters**, the precise difference being **19**, again revealing God’s Signature over these verses, and the Truth of historical facts of Quran.

Consequences Revealed through the Messenger for Violating the Covenant:

5:13 Part 1: It was a consequence of their violating the Covenant that we condemned them, and we caused their hearts to become hardened.

Revealed: my name initials are precisely -----19

Part 2: Consequently, they took the words out of context, and disregarded some of the commandments given to them.

Revealed: my name letters are precisely -----19

Part 3: You will continue to witness betrayal from them, excepting a few of them.

Revealed: my name letters are precisely -----18

Part 4: You shall pardon them, and disregard them. God loves those who are benevolent.

Revealed: my name letters are precisely -----17

Note the Miracle: The Most Gracious has inscribed 19 initials of my name in Part 1 to let the people know that God condemns those who violate their Covenant and consequently abandons them.

In Parts 2, 3 and 4, the inevitable consequences occur, whereby those condemned by God cannot understand His words, will take them out of context in trying to understand them, and when they cannot, they disregard the commandments. These parts are marked with my name letters as 19 – 18 – 17, revealing a difference of 1, being the “Supreme Revelation of 1, God.”

A DEFINITE MIRACLE: The 4 parts comprising the entire verse is marked by the Lord with 19 Aleefs, revealing the seriousness and the crime committed by violating your Covenant with God. When God abandons you, no one can guide you; when He condemns you, no one else can help you; when He does not support you, no else can do it either. The bottom line is that the disbelievers have no Lord and Master. The religion of Islam or Submission is based on “belief in God by upholding our Covenants,” which can only be achieved by upholding ALL His commandments to show our sincerity that we are fulfilling our Covenant that we made with Him in our first life, before being sent to the Earth. Verses 5:13 and 5:14 are similar in the sense that they mention the “people of the scripture” who disregarded God’s commandments due to which they were condemned by Him. The most important word in these verses are: (in English) -----“commandments,” and (in Arabic) it is “zukkayroo.”

Therefore, God has revealed the importance of this word, by revealing the Sacred Codes behind His commandments of 19 and 14, precisely in the order in which they have been revealed over time through 2 different messengers. I will now recite the verses only up to this word, to show you God’s precision.

5:13 It was a consequence of their violating the Covenant that we condemned them, and we caused their hearts to become hardened. Consequently, they took the words out of context, and disregarded some of the “COMMANDMENTS.” (given to them)

Revealed: The Allah letters up to the Aleef of Commandments are precisely ----- 19

5:14 Also from those who said, “We are Christian,” we took their Covenant. But they disregarded some of the “COMMANDMENTS.” (given to them)

Revealed: The Allah letters up to the Aleef of Commandments are precisely ----- 14

The Sacred Codes inscribed in these consecutive verses and the Miracle revealed through me as a messenger of God, highlights the importance of observing all of God’s commands, including following and obeying the messenger, and to stand truthful in fulfilling your Covenant. His Laws and System applies uniformly to all the people of the scripture, who have been given and delivered His commands. Glory be to my Lord, the Most Praiseworthy.

Now witness another Miracle to realize the seriousness of betraying God after making the Covenant, and the consequences of God’s decree when He condemns the people. The Miracle is of the Highest Order through the Aleef called “the Revelation of Aleef,” that shows God’s Absoluteness over everything.

5:14 Part of Verse: Consequently, we condemned them to animosity and hatred among themselves, until the Day of Resurrection. (this verse is in reference to the Christians)

5:64 Part of Verse: Consequently, we have committed them to animosity and hatred among themselves until the Day of Resurrection. (this verse is in reference to the Jews)

Miracle of God’s Absoluteness: The Aleefs are 8 and 7, a diff. of 1, revealing precision of His Miracles to show His Absoluteness and proving it also.

Before the so-called Muslims and followers of the Quran think that their Lord is happy with them and they have been exempted from God’s condemnation, let me add another dimension through a verse that applies to them. I will recite similar portion of God’s decree and then compare with verses above, 5:14 and 5:64.

7:167 Your Lord has decreed that He will raise up against them people who will inflict severe persecution upon them, until the Day of Resurrection. -----**The Aleefs are 6.**

Compare GOD’S DECREE through His Miracle of Aleef.

5:14 The Aleefs are 8 (ref. of Christians)

5:64 The Aleefs are 7 (ref. of Jews)

7:167 The Aleefs are 6 (ref. to followers of all scriptures, including Quran)

The Miracle of God’s Absoluteness is very clear through the difference of 1, as compared to each other in the order of sequence in the Quran.

The verse 7:167 was revealed to me, some time ago, as to the meaning for our generation. The persecution of false preachers and insincere followers of the Quran had already started by that time by those who received their scriptures before the Quran, and are more powerful right now on earth. The price for abandoning the Quran is very high; which is persecution till the Day of Resurrection. This tells the disbelievers that God is fully aware when they violate their Covenant with God, and do not uphold His commands. Right now, there is chaos on earth, as everyone is aware. There is suspicion between the communities and religious intolerance. It may even get worse, if it is God’s will. But the true believers do not have to worry; they are guided by their Lord, and are always prepared for any test from Him. Most insincere followers of the Quran believe that the Christians and the Jews are out to persecute them. What is my view about all this? It is that God has already warned us through the verses that we suffer retribution from Him in different ways when we disobey Him; and the fulfillment of the prophecies and the verses is unfolding. This is the reason we should not be alarmed; rather we should all repent to God and come to complete righteousness to avoid God’s wrath.

By adding the number of Aleefs above for the Christians and the Jews, we get $8 + 7 = \underline{15}$
The number of Aleefs for followers of the Quran are 6.
Since the feeling among the insincere followers of the Quran is that the Judeo-Christian faith is persecuting them, as they have not cared to examine and reflect on verse 7:167; God Almighty creates another verse through the numbers 15 and 6, giving us verse **15:6**. This is what it says:

15:6 Part 1: They said, “O you who received this reminder,”
What reminder is God talking about? And who received it from God?

Proof: The G.V. of my letters is 352; proving and confirming that I have been given the **entire Quran** (G.V. 352) to remind them of their Covenant with God to carry out all His commands.

15:6 Part 2: You are crazy.

Revealed: My letters for each part are $13 + 6 = \underline{19}$, for the entire verse. (See a new revelation created from 13:6)

Revealed: The G.V.'s of my letters for both parts are $352,226 = \underline{14} \times 25159$

Placing numbers in reverse: $226,352 = \underline{14} \times 16168$

This coding of **my name letters 19** and then the G.V.'s being **divisible by 14**, unveil the Sacred Coding and revelation of a **“new verse”** as you have seen above, confirming the verses 5:14, 5:64 and 7:167 recited by me. Now, through the coding of **15:6**, whereby God has split my name letters as **13 and 6**, to reveal the G.V. of the Quran, and to reveal the Code of 14, **He creates a “New Revelation,” by revealing verse 13:6**

13:6 Part of Verse: They challenge you to bring doom upon them: G.V. of Allah letters is precisely 66.

13:6 Part of Verse: Rather than turning righteous: G.V. of Allah letters is precisely 66.

13:6 Part 1: They challenge you to bring doom upon them, rather than turning righteous! Sufficient precedents have been set for them in the past. ----- **Allah letters are: 14**

Part 2: Indeed, your Lord is full of forgiveness towards the people, in spite of their transgressions, and your Lord is also strict in enforcing retribution. ----- **Allah letters are: 14**

When you violate God's commands in any way; you violate your Covenant with Him. There is only one way for you not to be condemned by Him. This is achieved by repenting to Him and following the verses on atonement of sins. This basically means that your sin is wiped off by following God's rules of atonement.

5:89 Part 1: God does not hold you responsible for the mere utterance of oaths.

Part 2: He holds you responsible for your actual intentions.

Revealed: The Aleefs are 5 and 4, **a diff. of 1 – God**, who knows everything about you and your intentions.

Revealed: my name letters are 15 and 14, **a diff. of 1 – Praise be to God**.

Part 3: If you violate an oath, you shall atone by feeding ten poor people from the same food you offer to your own family, or clothing them, or by freeing a slave. If you cannot afford this, then you shall fast three days.

Revealed: The Allah letters for this portion of verse are precisely -----**19**

Part 4: This is the atonement for violating the oaths that you swore to keep. You shall fulfill your oaths. God thus explains His revelations to you, that you may be appreciative.

Revealed: The Allah letters for part 4 are again precisely ----- **19**

MAY GOD KEEP YOU GUIDED.

Peace be upon the messengers.

PRAISE BE TO ALLAH, LORD OF THE UNIVERSE.
