

October 14, 2005 Khutbah: Our Destinies are Linked to the Quran.

I seek refuge in Allah from satan the rejected.
In the name of Allah, the Most Gracious, the Most Merciful.

It is October 14th today and this number has a special significance from the Quran, being the Seven Pairs. (15:87) As I prepare this sermon, you will notice revelations sent by God through inspiration of this proof of Seven Pairs, glory be to God. As I mentioned last week, the “Fate and Destiny” of the humans is in their hands, though God has advance knowledge of our decisions.

39:7 Part 1: If you disbelieve, God does not need anyone.

Part 2: But He dislikes to see His servants make the wrong decision.

Revealed: The Aleefs are 4 and 3, a diff. of 1 – “to believe in God’s Absolute Authority.”

Revealed: The Allah letters are 7 and 7 = 14, “to believe in Absoluteness through His Proofs.”

Part 3: If you decide to be appreciative, He is pleased for you.

Part 4: No soul bears the sins of any other soul.

Revealed: The Aleefs are 2 and 3, a diff. of 1 – individually responsible to the Absolute God.

Revealed: The Allah letters are 4 and 5, a **diff. of 1** also. Glory be to the Most Gracious Lord.

Advance Knowledge of God:

17:13 Part 1: We have recorded the fate of every human being; it is tied to his neck.

Part 2: On the Day of Resurrection we will hand him a record that is accessible.

Revealed: The Aleefs are 2 and 3, a **diff. of 1** – proving the foreknowledge of the Most Wise.

Revealed: My letters in the entire verse are 28, a multiple of 14

The G.V. of my letters in the entire verse are 1036, also a multiple of 14

Revealed: G.V. of Allah letters in the entire verse are 185 **PLUS** G.V. of my letters 1036 = 1221, **this is the G.V. of the verse, 74:30 “Over it is nineteen.” G.V. 1221, a profound Proof of GOD.**

The **DESTINY** of humans is directly linked to their belief in Allah and His Scripture, or lack of it. (see verses 92:6 through 92:10)

Our “**Original Sin**” during our first life in heaven, took place in the Heavenly Feud, whereby the humans transgressed against God’s Absolute Authority. This prompted in the **first incident** of our **DESTINY** to be shaped with eviction from the heaven, to the planet Earth. The humans were thus physically distanced from ALLAH, CREATOR OF EVERYTHING. The **second incident** of our **DESTINY** plays out during our Earthly life. The **third and final incident** of **DESTINY** will take place on the Day of Resurrection and Judgment. On this final incident, Allah will decide the eternal fate and destiny of each individual, either through forgiveness and reward in Paradise, or by punishment and Hell.

NOTE THAT CHAPTER 97 MENTIONS THE WORD “DESTINY” 3 times, in 3 consecutive verses, for a definite reason, as I shall explain later on.

During our first life in Heaven, and in this earthly life, every human being receives provisions from God, as determined by Him. But in the Final and Third incident of **DESTINY**, which happens on the Day of Judgment, the disbelievers will be excluded from the pure and unlimited provisions that will be blessed upon the believers. The disbelievers will only receive punishments and food of the bitter variety, as well as burning in Hell. Reflect on this verse:

7.50 Part 1: The dwellers of Hell will call on the dwellers of Paradise.

Revealed: The Allah letters are 9, and my name initials are 8, a **diff. of 1**.

Part 2: Let some of your water, or some of God's provisions to you flow towards us.

Revealed: The Allah letters are **14** (Seven Pairs), and my name initials are **15, a diff. of 1**.

Part 3: They will say: (the believers) "God has forbidden them for the disbelievers."

Revealed: The Allah letters are **13**, and my letters are **14** (the Seven Pairs), a **diff. of 1**. Praise and glory be to the Almighty, Absolute Lord.

***It is not a coincidence that the word, "**DESTINY**" is repeated **3 times** in **Chapter 97**.

97:1 We revealed it in the Night of Destiny.

Revealed: The Allah letters are 10, and my letters are also 10 – "**Matching Revelation**"

97:2 How awesome is the Night of Destiny.

Revealed: The Allah letters are 8, and my letters are also 8 – "**Matching Revelation**"

***The Matching Revelations reveal a difference of **2** between Allah letters and mine, revealing the fact that humans were guilty of **idol worship** during their first life in Heaven, as well as the majority will be guilty of the same sin during the second life on Earth, except a few. For example, the majority of the people did not believe when the Quran was revealed through Muhammad, the majority did not believe when the Miracle of 19 was revealed through Rashad, and the majority may not believe in the profound revelations of 14 (Seven Pairs) and the other revelations of precision and clear proofs sent by God, through Makbool.

The third and final chance to believe in Quran and its built-in Proofs to follow the righteous path through God's messengers is offered through Verse 3 of Chapter 97. This verse brings out one of the greatest revelations – **the Revelation of 1 and the completion of the Sacred Codes** – to determine the **DESTINY** of a vast number of human beings, with the mention of the third occurrence of **DESTINY**. This should serve as God's proofs and warnings to the humans. Out of all the 5 verses in this chapter, verse **97:3** is the only one that is a multiple of **7**, while the digits add up to **19**, revealing both the **Sacred Codes**.

$973 = \underline{7} \times 139$ (the quotient is the G.V. of "The Truth – Al Haq)

$9 + 7 + 3 = \underline{19}$ This reveals the Sacred Codes - Nineteen and the Seven Pairs. This verse is especially marked with the Revelation of 1 also.

97:3 The Night of Destiny is better than a thousand months.

Revealed: The Allah letters are 8, and my letters are 9, a diff. of **1**.

This awesome and profound "Revelation" is one of the "greatest miracles of God. It tells the people that it is better to take the time out of your life for just one night and reflect on the Creator, who is **ONE** (**19**) and to take heed through the **Quran, (marked with proven revelations)**. The result of your reflection in search of **the Truth (139)** could determine your **Eternal Destiny**, as marked and proven through the "**REVELATION OF 1**" by the SUPREME LORD. If you are guided to come to the righteous decision of full belief and submission, then this particular "**Night of Destiny**" could be better than a **thousand months**, or in other words, 83 years and 4 months of life. ($1000 / 12 = 83.4$) This kind of gives the average life of a human.

If you just take the time out to mold and care about your Destiny, this particular night is worth a lot more than the rest of your time spent here on Earth, with a purposeless life, leading you to doom at the

end of it. The night is the most peaceful time to reflect and meditate on God. The heavenly bodies in the night sky add to your thoughts and meditation about the specific purpose of life and the glory of the Almighty God. Contrast this to the daytime activities and busy schedules that interfere and distract you from seriously reflecting and meditating upon God, and the purpose of life. For this reason, the words “**Night of Destiny**” are used in these verses describing the revelation of the Quran. These are 2 Arabic words, and when we compare the two, the revelations are apparent.

Night: Allah letters are 3. **Destiny**: Allah letters are 2; revealing **a diff. of 1.**
Night: my letters are 3 **Destiny**: my letters are 2; revealing **the diff. of 1.**
These proofs offer the Revelation of 1, as well as the Matching Revelations.

Revealed: The G.V. of Allah letters in both words is 96 and the G.V. of my letters is 200, the sum of these numbers gives us **296**, which becomes the G.V. of “**Rasool or Messenger.**”
Hence verse **97:3** adds greatly to the vast meaning encompassed in this verse, bringing good news and warnings to the people, whereby their decision to believe in GOD through His messenger will decide their **DESTINY** based on these revelations.

Coming to verse **97:4**, God has issued a precise command, which the Spirit and the angels have fulfilled in revealing these revelations.

97:4 The angels and the Spirit descend therein by their Lord’s leave, to carry out every command.
Revealed: The Allah letters are **13**, and my name initials are **14**, a **diff. of 1** – The Revelation of 1, as well as the Seven Pairs by putting my initials as **14**.
By splitting the verse in two parts, the Miracle and the Message becomes more evident.

Part 1: The angels and the Spirit descend therein,

Part 2: By their Lord’s leave, to carry out every command.

Revealed: The G.V. of my letters are 240 and 254, the **difference is 14** ---- **THE SEVEN PAIRS.**

$$240,254 = 14 \times 17161$$

$$254,240 = 14 \times 18160$$

The sum of the digits of these numbers sent by God, creates a **new revelation** through a verse, which serves as a profound reminder and warning to the humans.

240 (sum of digits 2 + 4 = **6**) and 254 (sum of digits 2 + 5 + 4 = **11**) creating verse **6:11**

6:11 Say, “Roam the earth and note the consequences for the rejectors.”

Profound Stamp: The Aleefs are **7** and my letters are precisely **19** in the verse. SubhanAllah.

This is similar to the Miracle that you saw through verse 97:3, whereby the numbers 7 and 19 are created through the chapter and verse number earlier on.

Question: Can the angels and the Spirit carry out any command on their own without the specific permission of Allah, the Supreme, or can the human messenger get any Quranic revelation without Allah’s specific authority?

The Answer is clearly “NO.”

The appropriate parts of the verse reveal the glorified name of Allah, confirming the fact that these revelations are authorized by the Supreme; Possessor of all Authority and Power, and the angels only carry out God’s commands and so does the human messenger inspired by God.

97:4 Part of Verse: By their Lord’s leave.

Part of Verse: To carry out every command.

Revealed: The G.V. of my name letters are 94 and 160, the diff. is **precisely 66**, SubhanAllah, bringing out the “**Revelation of Allah.**”

A Muslim is supposed to submit fully throughout his/her life, and believe solely in the whole of Quran along with all subsequent revelations and messengers. A good majority of those who submit through the scripture also drag their feet and are hesitant in accepting new revelations. They think as if they are doing a favor to Allah; hence they nullify their past submission. The last verse of **Ch. 97** points out to the peace of night till the advent of dawn. Certainly, those who have taken time out at night to reflect and believe in God, the entire Quran, and its “subsequent revelations,” and decide to **fully submit (162)** to Him, will not only find peace in their hearts in this very special “Night of Destiny” (your decisions) but throughout their entire lives and in the Hereafter. Here is the Proof:

97:5 Peaceful it is until the advent of Dawn.

Revealed: the G.V. of Allah letters is **96**. By adding His name **66**, the sum = **162**, Belief in God through His religion, **Al-Islam**, will give you due peace in this life and the Hereafter.

Revealed: The G.V. of my letters is **258**, being the G.V. of “**Abraham.**” This is God’s stamp of approval that He has blessed me, and those who follow me, to inherit the religion of **Abraham**. By following the religion and the creed of **Abraham** - complete monotheism, without idol worship of any kind, will give you all the peace in this life and the Hereafter, free of any kind of guilt feelings.

Revealed: The G.V. of Allah letters is 96, and of my letters is 258, the diff. is **162**. (Al-Islam) By believing in these profound revelations of GOD that are **NEW**, and bring **new** knowledge, you can again qualify to be called a submitter to GOD by following me. You can only achieve peace and submission when you reverence GOD and obey the messenger. For this absolute fact, I suggest the following verses should be read by you in the Quran. (26:162-163; 48:9; 24:52; 57:28)

Those who meditate at night, praising and glorifying God while being aware of the Hereafter, greatly benefit towards Submission and receive God’s mercy.

39:9 Part 1: Is it not better to be one of those who meditate in the night, prostrating and staying up, being aware of the Hereafter, and seeking the mercy of their LORD?

PROOF: The ALLAH letters are 18, and my name initials are 17, a **diff. of 1** – Absolute God.

Part 2: Say, (the messenger) “Are those who know **EQUAL**”

Part 3: To those who do not know.

PROOF: The Aleefs are 1 and 2, a **diff. of 1** – “to know the Absoluteness of God.”

PROOF: The Allah letters are 6 and 5, a **diff. of 1** – “to know that **GOD is indeed ONE**.”

Part 4: ONLY THOSE WHO POSSESS INTELLIGENCE WILL TAKE HEED.

Revealed: the Allah letters are 9, and my letters are 10, a **diff. of 1**, and the sum is **19**. The intelligent ones, though few, **know** what 1 GOD means, what the number 19 represents, and what Absolute Authority means.

Revealed: The G.V. of Allah letters is 96, add His name 66, the sum = **162**. When you believe in God sincerely, through His Proofs presented here, then He will guide you towards “**Submission.**”

Revealed: G.V. of Allah letters is 96, and G.V. of my letters is 206, **the diff. is 110**; He will guide you to be certain of His Absolute Authority through **His Shahadah, 110**.

Let me show you some Miracles associated with this profound Chapter, that you never knew before

Miracle: The verses of this chapter (chapter 97) are marked with precisely **16 Aleefs**, ending on **verse 5**, thereby revealing the “**Pattern of 165.**” This is the G.V. of the Shahadah and of Al-Samad.

Miracle: The Chapter number, 97, is Encoded with the name of the religion, “**Al-Islam, 162**” being the only religion of God. Here is the Decoding of this number, by God’s leave.

Chapter 97: the sum of digits $9 + 7 = \underline{16}$

The diff. in these digits $9 - 7 = \underline{2}$.

By combining **16 and 2**, we get the **Pattern of 162**, being the only religion of GOD, Al-Islam.

Miracle: G.V. of Chapter is 335 and chapter number is 97. The sum of all the digits: $3+3+5+9+7=27$. This proves that the Quran was revealed on the 27th Night of Ramadan.

Miracle: By writing Chapter 97 and the G.V. of the Night of Destiny 410; and writing the sum of digits of each number, we get: $(9+7 = \underline{16})$ and $(4+1+0 = \underline{5})$, revealing **the pattern of 165**. This confirms God’s Shahadah, 165, and His Absolute Authority, Al-Samad, 165 also.

Miracle: The G.V. of all Allah letters for all the verses is 631

The G.V. of my letters for all the verses in Chapter 97 is 1758.

The difference in these numbers is $1127 = 7 \times 7 \times 23$, revealing the “Revelation of Seven Pairs.”

A New Miracle Created: The sum of 631 and 1758 is **2389**, revealing verse **23:89**.

The difference in 631 and 1758 is **1127**, revealing verse **11:27**.

Verse 23:89 reveals Allah’s name and verse 11:27 reveals the messenger. Here are the verses and the Proofs:

23:89 Part 1: They will say, “**ALLAH.**”

Part 2: Say, (the messenger says) “Where did you **go wrong?**”

Revealed: The Allah letters are 4 and 2, a **diff. of 2**— note that the followers of Quran went wrong, and fell into “**IDOLATRY,**” represented by the number 2. They were really not believing in Allah, as He has commanded. **WHY?**

Revealed: my name letters are 9 and 8, a **diff. of 1**—they failed to believe in God’s Absoluteness.

IT IS ABSOLUTELY CLEAR THROUGH THE PROOFS OF THIS VERSE, CREATED AS A REVELATION FROM ANOTHER VERSE ABOVE, THAT THE MOST WISE HAS MARKED IT WITH MY NAME LETTERS WITH **A DIFF. OF 1**, AND HIS NAME LETTERS WITH A **DIFF. OF 2**. This reveals and conveys a very strong message that your belief in God remains idolatrous, unless you believe and follow His messenger, who has been blessed with this awesome revelation of 1, and many others, as **SIGNS FROM ALLAH**. Now, note the pattern of Allah letters and mine in each part of verse 23:89 given above.

Revealed: Part 1: Allah letters are 4, my letters are 9, a pattern of 49, being a **multiple of 7**.

Revealed: Part 2: Allah letters are 2, my letters are 8, a pattern of 28, being a **multiple of 14**. This becomes the “**Revelation of the Seven Pairs.**” AlhamdoLillah.

11:27 Part 1: The leaders who disbelieved among his people said, “We see that you are no more than a human being **LIKE US.**”

Part 2: And we see that the first people to follow you are the worst among us. We see that you do not possess any advantage over us. Indeed, we think you are liars.

Revealed: Part 1 has my letters as 21; in Part 2 my letters are 35, **the diff. is 14**— a clear revelation of the Seven Pairs, confirming the Sign given to me by God.
