

## **December 2, 2005 SERMON, PART 3: APPROPRIATE WAYS TO REMEMBER GOD.**

I seek refuge in ALLAH from satan the rejected.  
In the name of ALLAH, the Most Gracious, the Most Merciful.

During the last couple of weeks, I have given you an overview from the Quran about the different and most appropriate ways to remember ALLAH, and how to glorify and praise Him. Rather than repeating the same words of glorification all the time, you can choose a number of ways on different occasions to exalt Him. When you adopt the complete teachings of the Quran, you become a knowledgeable believer. This is then appreciated by GOD.

For example, if you have to admire a human artist, you will do so by admiring their art. If you have to admire a scientist, you will do so by praising the research or the thesis or their invention. If you have to admire a musician, you will do so by admiring their talent on the instrument played by them. If you have to admire a cook, you will do so by praising the good and delicious taste of the food. If you have to admire a surgeon, you will do so by mentioning the number of successful surgeries they have done. These are mere examples at the human level, in order to explain you what it means to admire, praise, glorify, mention, commemorate and exalt the LORD through His attributes and whatever He has created and provides for us. If you do not recognize and appreciate each and every thing that you see and come across in your life, you are an ignorant submitter. **To know GOD is to know what all He has done and can do.** This is the reason I will recite a verse that will augment the meaning of what I have just said.

**35:28 Part 1:** Also, the people, the animals, and the livestock come in various colors.

**Part 2:** This is why the people who truly reverence GOD are those who are knowledgeable.

**Revealed:** The Aleefs are 7 and 6, **the diff. is 1**— (you cannot reverence the Absoluteness and Monotheism of GOD till you appreciate with knowledge and certainty - the unlimited variety of creations He has created and the diversity of colors in them. GOD has drawn your attention to the various colors He has created in His creations)

**Revealed:** My name letters are **19** and **14** in each part, revealing the Sanctity and Sacredness of GOD as expressed and highlighted through this Verse. He has to be revered for being absolutely precise, and for creating, controlling and managing each and every letter along with the mathematical values in the Scripture. (If the people cannot appreciate and glorify GOD for these enormous and profound proofs and miracles expressed through the Quran, and sent down through myself, then they have not believed in Him, nor can they exalt Him. They have failed to believe in His power of Creation and Omnipotence. ) Let me show you one more time, some more proofs, by taking the entire **Part 2** of the verse.

**35:28 Part 1:** Also, the people, the animals, and the livestock come in various colors.

**Part 2:** This is why the people who truly reverence GOD are those who are knowledgeable.

**GOD is Almighty, Forgiving.**

**Revealed:** The Aleefs are 7 and 8, **the diff. is still 1**— This kind of double proofing puts a lot of weight on the message, and on God's Absoluteness as the only (miracle) Creator of all creations, and of all knowledge. Praise be to ALLAH.

**Revealed:** my name letters in each part this time are 19 and 19 – an example of GOD’s power of creation and inscription of His messenger’s name letters within the Sacred Words of the Quran. Glory be to my LORD.

The G.V. of ALLAH letters for **Part 1 of the verse is 162 (The Submission)** – this means that you cannot fully submit, unless you recognize and appreciate the variety and the diversity in the creations around you. **Each represents a “masterpiece of His exclusive Design.”** You have to exalt Him for being the sole CREATOR and a colorful CREATOR. He designed everything with a multitude of colors, and created an enormous variety in everything. Now think of it: who is the best designer, the best creator, the best artist, the best painter, the best inventor, the best scientist, the best mathematician, the best in everything? **IT IS ALLAH: THE MOST GLORIFIED, EXALTED, OMNIPOTENT LORD.**

A lot of people wonder why they go through adversity, afflictions, disease and accidents in life. All of these are meant to remind us of HIM and of HIS BLESSINGS. If HE gave us a smooth life, we would soon forget and lose sight of the ALMIGHTY, THE CREATOR, THE OMNIPOTENT. These are just small reminders so we don’t lose focus of HIM. Besides ordaining the good from HIM, as HIS BLESSINGS, He has also created the bad as part of the retribution to be tasted when you join the company of satan, by disobeying GOD’S COMMANDS. It becomes evident to those suffering from any kind of afflictions as to what the “bad” can do to them. The simple truth is that you cannot appreciate the “blessings of Goodness,” till you have seen and tasted the “bad and its consequences.” You have to recognize and appreciate that everything comes from GOD and HE controls everything as well. He is in charge over the system that He created, without having any assistants or partners in it. Let me now direct your attention to the subject of today: the many different ways to remember ALLAH- by taking His name as “my LORD, or our LORD.” This will be covered under a variety of captions, highlighted and underlined. The examples are of the previous messengers, and it should give you insight in to the numerous ways of exalting GOD, by mentioning His attributes.

**GOD IS ON THE RIGHT PATH: 11:56** I have put my trust in GOD, my LORD and your LORD. There is not a creature that He does not control. **My Lord is on the right path.**

When the quake shook them, he said, “My LORD, You could have annihilated them in the past, together with me, if You so willed. Would You annihilate us for the deeds of those among us who are foolish? This must be the test that You have instituted for us. With it, You condemn whomever You will, and guide whomever You will. You are our LORD and MASTER, so forgive us, and shower us with Your mercy; **You are the best Forgiver.**”

**GOD IS BEST PROTECTOR AND MOST MERCIFUL: 12:64** He said, “Shall I trust you with him, as I trusted you with his brother before that? **GOD is the best Protector, and of all the merciful ones, He is the Most Merciful.**

**GOD IS KNOWER AND MOST WISE: 12:100** He raised his parents upon the throne. They fell prostrate before him. He said, “O my father, this is the fulfillment of my old dream. My LORD has made it come true. He has blessed me, delivered me from the prison, and brought you from the desert, after the devil had driven a wedge between me and my brothers. **My Lord is Most Kind towards whomever He wills. He is the Knower, the Most Wise.**

**BEST INHERITOR: 21:89** And Zachariah implored his LORD: “My LORD, do not keep me without an heir, **though You are the best inheritor.**

**SEEKING REFUGE IN GOD: 23:97-98** Say, “My LORD, I seek refuge in You from the whispers of the devils. **And I seek refuge in You, my LORD, lest they come near me.**

**BEST SUPPORTER: 7:89** We would be blaspheming against GOD if we reverted to your religion after GOD has saved us from it. How could we revert back to it against the will of GOD our LORD? Our LORD’S knowledge encompasses all things. We have put our trust in GOD. Our LORD, grant us decisive victory over our people. **You are the best supporter.**

**BEING APPRECIATIVE TO GOD: 7:189** He created you from one person. Subsequently, He gives every man a mate to find tranquility with her. She then carries a light load that she can hardly notice. **As the load gets heavier, they implore GOD their LORD: “If you give us a good baby, we will be appreciative.”**

**GOD IS NEAR AND RESPONSIVE: 11:61** To Thamoud we sent their brother Saleh. He said, “O my people, worship GOD; you have no other god beside Him. He initiated you from the

earth, then settled you in it. You shall seek his forgiveness, then repent to Him. **My LORD is always near, responsive.**”

**GOD IS FULLY AWARE: 11:92** He said, “O my people, does my tribe command a greater respect than GOD? Is this why you have been heedless of Him? **My LORD is fully aware of everything you do.**”

**GOD IS FULLY AWARE OF ALL SCHEMES: 12:50** The king said, “Bring him to me.” When the messenger came to him, he said, “Go back to your lord and ask him to investigate the women who cut their hands. **My LORD is fully aware of their schemes.**”

**GOD WITNESSES EVERYTHING: 12:66** He said, “I will not send him with you, unless you give me a solemn pledge before GOD that you will bring him back, unless you are utterly overwhelmed.” When they gave him their solemn pledge, he said, “**GOD is witnessing everything we say.**”

**GOD IS THE BEST JUDGE: 12:80** When they despaired of changing his mind, they conferred together. Their eldest said, “Do you realize that your father has taken a solemn pledge from you before GOD? In the past you lost Joseph. I am not leaving this place until my father gives me permission, or until GOD judges for me; **He is the best Judge.**”

**GOD NEVER FAILS TO REWARD THE RIGHTEOUS: 12:90** They said, “You must be Joseph.” He said, “I am Joseph, and here is my brother. GOD has blessed us. That is because if one leads a righteous life, and steadfastly perseveres, **GOD never fails to reward the righteous.**”

**IMPLORING GOD FOR GUIDANCE TO OVERCOME FEAR: 26:61-62** When both parties saw each other, Moses’ people said, “We will be caught.” He said, “**No way. My LORD is with me; He will guide me.**”

I have recited and demonstrated some of the ways to implore GOD in order to exalt, glorify, praise, remember, and think of HIM, although there are more verses in the Quran. When you follow the examples given above of the previous messengers and those guided by GOD, you are making a contact with your LORD. HE loves and appreciates those who mention HIS NAME through a variety of ways, as given in the QURAN. As GOD has created variety and diversity in everything, it is absolutely appropriate to remember HIM in as many ways as possible. I implore my LORD to augment your guidance, and to enhance your wisdom and knowledge, so that you are capable of worshiping HIM to the fullest. If I do not see you change your ways after these enlightened teachings; I can only feel sorry and sad for you. Be sure, as always, to read carefully; appreciate whatever GOD reveals every week, and do not be stubborn to change your old ways. Believers are supposed to be flexible, impartial, and to have their chests wide open to SUBMISSION. These are the SACRED WORDS OF GOD, and you should not take them lightly. Those who repent and reform benefit their souls, while the stubborn and arrogant ones lose their souls. In the end, I will present a verse to wrap up today's sermon, with PROOFS FROM GOD, just as you have seen in the beginning of this sermon. This verse will tell you that there was a group of believers, just like yourselves, at the time of Moses, who believed in GOD, based on the proofs shown by Moses, after which they were threatened with persecution and torture by Pharaoh.

Similarly, You are also witnessing GOD'S PROOFS every week, and your belief should be based on them. If you develop or display any doubts in them, then you have disbelieved in the Absolute Authority of GOD. You need to praise HIM even more after witnessing these PROOFS, so that HE knows you are appreciative of HIM and HIS blessings.

7:126 Part 1: "You persecute us simply because we believed in the PROOFS of our LORD when they came to us." -----ALLAH LETTERS ARE 14

Part 2: "OUR LORD, grant us steadfastness, AND LET US DIE AS SUBMITTERS." -----ALLAH LETTERS ARE 7

DO YOU SEE THAT THE CHAPTER NUMBER IS 7, A MULTIPLE OF 7, WHEREAS THE VERSE NUMBER IS 126, A MULTIPLE OF 14. DO YOU ALSO SEE THAT PART ONE HAS 14 ALLAH LETTERS, BEING A MULTIPLE OF 14, WHEREAS PART TWO HAS 7 ALLAH LETTERS, BEING A MULTIPLE OF 7.

GOD HAS SENT DOWN TO YOU A REVELATION: IT IS CALLED "THE SEVEN PAIRS REVELATION." Praise and glory be to HIM.

This completes the subject recited to you over three weeks. Next week will be a different topic, God willing.

Peace be upon the messengers.

PRAISE BE TO ALLAH, LORD OF THE UNIVERSE.
