

February 3, 2006 Sermon: Choosing ALLAH as your LORD, or satan.

I seek refuge in ALLAH from satan the rejected.

In the name of ALLAH, the Most Gracious, the Most Merciful.

During the last 2 sermons, I have covered a lot of verses, in order to explain and distinguish between worship of 1 GOD, and idolatry involving worship of 2 gods. We are living through challenging and fast advancing times, and the Most Gracious has decided to unveil and reveal a lot of Miracles of the Quran, all at once, in accordance with verse 16:44 and 47:18. You are being tested whether you appreciate the “Revelation of 1” and the “Revelation of 2” that makes it easy to identify and achieve the true worship of ALLAH, as the only Lord of the Universe, or you want to be unappreciative and continue on the path of the strayers by worshipping 2 gods, constituting idolatry. Hence, the excuse of not understanding the difference between ALLAH and HIS enemy satan (Iblees) would no longer be valid. Nor could you be excused or absolved of the Scripture – the Quran, after having witnessed such Miracles of a profound magnitude, which clarify everything. Today, if I have time, I shall explain the purpose of sending human messengers and how the religion, ISLAM, is intertwined between the Message and the Messengers of GOD. It should be clear to you that ALLAH does not speak directly to every human; rather, He chooses a particular human and then tests all the other humans if they believe and follow His Absolute Authority or not. We see in the Quran that the first human, Adam, was directly given the WORDS of ALLAH, as he was the first of the human beings. When he obeyed the purified commands of GOD without the corruption of satan, he was redeemed by GOD. Before that, when he disobeyed GOD, and followed the corrupted command of satan, he was called to account and subsequently evicted from the Heaven. The verse on Adam is clearly marked with GOD’S miracles and the revelations given to me. SubhanAllah.

2:37 Part 1: Then, Adam received from his LORD words.

Question: Who did Adam receive the words from? The answer is clearly **A L L A H**.

Revealed: The G.V. of Allah letters are **precisely 66**, revealing the name of the Lord, **ALLAH**.

Revealed: The G.V. of my letters is 342, a multiple of ----- 19

2:37 Part 2: whereby He redeemed him. He is the Redeemer, Most Merciful.

Question: Who has the power to forgive and redeem you? The answer is again **ALLAH**, the ONE who has the Absolute Authority over all His creations.

Revealed: The G.V. of Allah letters is **110**, revealing the Absolute Authority of **ALLAH**, through His Shahadah, “**La Elaha Ella Hoo.**”

Revealed: The G.V. of my letters is 224, a multiple of ----- 14

It is a proven fact after revelation of these Miracles through the numbers 66 & 110, as well as 19 & 14, that ALLAH Alone is the Forgiver and Redeemer, and all other humans, just like Adam, can only be redeemed by ALLAH when they obey and follow HIS WORDS which constitutes worshipping **1 GOD or GOD ALONE**. If any unauthorized words or message is mixed up with GOD’S message and revelations, or disobedience of it, then it clearly becomes disbelief or worshipping 2 gods representing “idolatry.” The powerful proof of the Sacred Codes of 19 and 14 through my name letters confirms the true meaning and essence of the verse. Praise be to ALLAH. A precedent has been set by GOD, through Adam for the rest of the humans. The

Quranic precedents and its history are all an integral part of the Scripture and the religion of Islam (Submission). These precedents are very useful in making us understand GOD’S laws.

Now, I will recite another set of verses about Adam, whereby the command of GOD was interfered and corrupted by satan, acting as a “false messenger without any authorization” from the Most Gracious. Satan’s interference clearly contradicted GOD’S command, and Adam, along with his wife got duped by him, constituting a gross sin which resulted in their eviction from Heaven. Anyone who doubts or disobeys the Absolute Authority of GOD, and fails to repent in a timely fashion, cannot be a messenger from HIM. This pair of verses is again precisely and profoundly marked by the CREATOR, to reflect on the gross sin committed by Adam and his wife, and has set a precedent for the other humans, not to repeat the same mistake of disobedience again, lest they end up with the losers.

2:35 We said, “O Adam, live with your wife in Paradise, and eat therefrom generously, as you please, but do not approach this tree, lest you sin.”

2:36 But the devil duped them, and caused their eviction therefrom. We said, “Go down as enemies of one another. On Earth shall be your habitation and provision for a while.”

ABSOLUTENESS: The Aleefs are 14 and 15, **the diff. is 1** – this command came from the Absolute, Lord of the Universe, and sanctifies His Absoluteness through the Revelation of 1.

LORD OF UNIVERSE: The ALLAH letters are 26 and 27, **the diff. is 1** – this proof sanctifies and glorifies His name, **ALLAH**, who alone has the power and the right to issue commands, which have to be obeyed by all His creatures.

NOTE, verse 2:35, where GOD issued the “command” to Adam is marked with **14 ALEEFs**.

Moreover, both verses and the total number of Arabic letters used in them reveal **162 letters**, which is also the G.V. of **Al-Islam**, clarifying that Adam was put to the **Test of Submission** in Heaven, but failed. The reason for Adam’s failure to submit to GOD’S command, as given in the verse, was that the devil duped them by changing the command of GOD. Reflect on the proofs:

2:36 Part of Verse: But the devil duped them,

Part of verse: And caused their eviction therefrom.

Revealed: The Aleefs are 4 and 5, **the diff. is 1.**

Revealed: The Allah letters are 8 and 7, **the diff. is 1.**

Revealed: The Arabic letters are 17 and 18, **the diff. is 1.**

Revealed: my name letters are 6 and 5, **the diff. is 1**

Praise be to ALLAH for make it abundantly clear and pointing to the rebellious role of the devil which brought about GOD’S wrath of eviction from Heaven. These powerful words have, as you can observe, more than one proof, for obvious reasons, to warn the human beings of the consequences of disobedience to GOD’S commands and for following satan.

After eviction from the Heaven, the System of GOD to guide the humans is given in verse 2:38 and the consequences for disbelief and rejection is also given in 2:39. The verse on “**guidance from GOD and following it**” is again marked by the Most Wise with the revelation of **the Seven Pairs**, a Sign given to me. AlhamdoLillah.

2:38 We said, “Go down therefrom, all of you. When guidance comes to you from Me, those who follow My guidance, will have no fear, nor will they grieve.

Revealed: The Allah letters are 21, and my letters are 35, the **diff. is 14 – THE SEVEN PAIRS.**

This sets out the guidance for today’s generation: they have to follow the messenger and the guidance offered through the Miracles of the Sacred Codes. Watch and observe the Allah letters appearing on the word “My guidance” (Hodaaya). **The Allah letters are precisely 14** on this word, **with 7 more** in the remaining verse, another proof of **the Seven Pairs “guidance.”**

Sacred Codes Revealed: The Allah letters are **14 upto “My guidance”** and my initials **are 19** (guidance through the Sacred Codes). As if this is not enough for the doubtful and the disbelieving people, I will put both the verses in perspective to show you the consequences for those under satan’s influence.

2:38 We said, “Go down therefrom, all of you. When guidance comes to you from Me, those who follow My guidance, will have no fear, nor will they grieve.

2:39 As for those who disbelieve and reject our revelations, they will be dwellers of Hell, wherein they abide forever.

Revealed: the Aleefs are 11 and 10, **the diff. is 1** – disobedience to GOD’S Absolute Authority or receiving your commands from unauthorized sources and books will lead you to Hell, as promised by the Avenger, Most Cognizant.

Revealed: The Arabic letters for the verses are 68 and 49, **the diff. is 19** – the people are supposed to follow God’s guidance by accepting His revelations whenever and through whomever they come and reject all other teachings.

Revealed: The G.V. of Allah letters for each verse are **161, a multiple of 7; and 140, a multiple of 14**, adding weight to this very important command through the Seven Pairs.

A similar verse on guidance coming from GOD appears in chapter 20, under verse **20:123**, and the consequences are detailed through verses **124** through **127**. A different proof structure is given in the 2nd set of similar verses, as I shall detail below. But first, let us compare the two verses on GOD’S guidance, revealing the **proof of Absoluteness.**

2:38 We said, “Go down therefrom, all of you. When guidance comes to you from Me, those who follow My guidance, will have no fear, nor will they grieve.”

20:123 He said, “Go down therefrom, all of you. **You are enemies of one another.** When guidance comes to you from Me, anyone who follows My guidance, will not go astray, nor suffer any misery.”

Revealed: The Aleefs are 11 and 12, **the diff. is 1** – true guidance comes only from the Absolute, One Lord – **ALLAH.** (Most Glorified)

Now I will show you the proofs from the second set of verses appearing in chapter 20. Compare the consequences of rejection compared to the verse advocating “God’s guidance.”

20:123 He said, “Go down therefrom, all of you. **You are enemies of one another.** When guidance comes to you from Me, anyone who follows My guidance will not go astray, nor suffer any misery.”

ALEEFs are 12

Consequences: 20:124-127 As for one who disregards My message, he will have a miserable life, and we resurrect him, on the Day of Resurrection, blind.

He will say, “My Lord, why did you summon me blind, when I used to be a seer?”

He will say, “Because you forgot our revelations when they came to you, you are not forgotten.”

We thus requite those who transgress and refuse to believe in the revelations of their Lord. The retribution in the Hereafter is far worse and everlasting. ALEEFs are 21

The verses on “God’s guidance” and the consequences for disbelieving in His revelations are given through a pattern that reveals the **CODE of 12,21** which is the G.V. of the verse **74:30** saying: “**Over it is nineteen.**” Look and reflect on another profound Miracle in these verses:

20:123 The Allah letters are **21**

20:124-127 The Allah letters are **40** - the difference is precisely **19**, Praise be to **God**. Whether the proofs appear as **1221 or 19**, **ALLAH** has warned the humans to follow only His guidance sent through His Scriptures – the way the “guidance” works is through ongoing Submission whereby the Quran has superceded the past scriptures and these Mathematical revelations given to me supercede other past revelations. They all come through authorized messengers and **GOD**, and **HE** has always prohibited all other unauthorized teachings. Anyone who disbelieves in any messenger and the revelations given to him, or differentiates between the messengers, has disbelieved and rejected **GOD’S** Absolute Authority.

As Satan is an enemy of **ALLAH**, therefore, whoever disbelieves, opposes and rejects **GOD’S** revelations, ally’s themselves with the devil and thereby becomes an enemy of **GOD**. Before belief is accepted and established, one remains an enemy of **GOD**. It is only after and through complete Submission that you become an ally of **GOD**. The humans and the jinns are basically enemies of one another, till they adopt belief and submission to **GOD**. The key portion in verse 20:123 states this fact and confirms through the marking of **the Sacred Codes**.

Part of Verse: “You are enemies of one another.”

Revealed: The G.V. of the verse is precisely 1914 – this means that each human is marked by GOD as to their belief or disbelief; it is all mathematically coded. Anyone who disbelieves in the Miracles and Proofs of GOD is condemned by Him and will be subjected to Hell. In the absence of God’s laws and with differing viewpoints, it is a known fact that humans remain enemies of one another. This fact is further elaborated through the following verses telling us about “**numerically structured records of GOD.**”

83:8 Do you know what **SIJJEEN** is?

83:19 Do you know what **ELLEYYEEN** is?

Revealed: The Allah letters are 3 and 4, **the diff. is 1** – each human is marked by the Almighty Lord about their disbelief or belief and their names are accordingly entered in these books, titled after “the wicked” and “the righteous.”

Revealed: my name letters are 6 and 7, **the diff. is 1** – the messengers are guided by **GOD** and that is why my name letters reveal the difference of 1, as having believed in His Absoluteness.

Let me now recite each set of verses comprising of 3 verses each; one for the wicked and the other one for the righteous. These set of verses reveal the Absoluteness of **GOD**, when

compared with each other. Glory be to my Lord. The spread from the start of these verses, Verse 7, to the end on Verse 20, constitutes precisely **14 verses**, being **the Seven Pairs**.

83:7-9 Indeed, the book of the wicked is in **Sijjeen**. Do you know what **Sijjeen** is? A numerically structured book.

83:18-20 Indeed, the book of the righteous will be in **Elleyyeen**. Do you know what **Elleyyeen** is? A numerically structured book.

Revealed: The Aleefs are 7 and 8, **the diff. is 1** – The Absolute Lord knows even the smallest actions and deeds of our lives, and the records will be fully detailed.

Revealed: my name initials are 16 and 17, **the diff. is 1** – GOD’S proofs of precision through this website already reveal the intricate and detailed nature of His words and records.

If you want to observe the absolute “precision of ALLAH” and to see which group of people are considered righteous and based on what, here is some additional revelations to make it absolutely clear. The set of verses on the wicked and the disbelievers, **83:7-9** are **not marked** by any valid mathematical code, as they do not believe in the Scripture or its revelations; but the set of verses on the righteous are clearly marked with the revelations given to me. Praise be to GOD.

83:18-19 My name initials are marked to be 14 up to the verse number 19, revealing **the Sacred Codes of 14 – 19**, which represent **the “righteous” group of believers**.

83:19 Do you know what **Elleyyeen** is?

Revealed: the Arabic letters are marked to be 14 on the verse number 19, revealing the **Sacred Codes of 14 – 19**, and telling us that the “book of Elleyyeen” is reserved for the righteous believers only. This should assure the people following me, as GOD has conveyed to them the good news. The record of righteousness or the book of Elleyyeen will be witnessed by those close to ALLAH, the ones that He has approved, based on their belief and their deeds, and for giving due and total regard in upholding His Absolute Authority. The disbelievers always deny all the facts and the proofs, and GOD wills to expose and defeat their falsehood. Let me make a set of verses to convey a specific meaning to you with God’s will.

83:17 They will be told, (the disbelievers) “This is what you used to deny.”

83:21 **To be witnessed by those close to me.**

Revealed: The G.V. of Allah letters for both verses are $73 + 41 = 114$ – **a multiple of 19** and pointing out to: “**those who followed the whole of Quran, which has 114 chapters.**”

Revealed: The G.V. of my letters for both verses are $370 + 238 = 608$, **a multiple of 19** also, and pointing towards: “**those who follow the messenger of GOD.**”

The disbelievers and the wicked deny everything that comes from GOD, and will be reminded on the Day of Judgment about their crime of denial and rejection; hence the Allah letters for verse **83:17 is 73**. As I am blessed to be with the guided ones, my **LORD** informs me that I will be able to witness the “record of righteousness,” as the verse says: because the G.V. of my name letters are **238**, the difference between **73 and 238** is precisely the important number of **165** – indicating and clarifying “**those who believed and followed the Absolute Authority of GOD,**” by following His messengers. This part of our belief is made absolutely clear

through the verse that follows immediately after the verse that names GOD’S religion as ISLAM. It is addressed to the messenger: Reflect on the verse and its proofs.

3:20 If they argue with you, then say, “I have simply submitted myself to ALLAH, I and those who follow me.” You shall proclaim to those who received the scripture, as well as those who did not, “Would you submit?” If they submit, then they have been guided, but if they turn away, your sole mission is to deliver this message. ALLAH is Seer of all the people.

Revealed: The Allah letters are **45**, and my initials are **45** – **MATCHING REVELATION.**

Revealed: The Allah letters are **45**, and my letters are **64**, the diff. is **19** – **Authorization of ALLAH**, to deliver His message of **ISLAM** to all the people, glory be to my LORD.

This verse will further enlighten us to the fact and the meaning of Absolute Authority, being an important subject in my sermons. It is ALLAH who reveals to me, and I just recite for you. When the messenger delivers the message of “true guidance from Allah” to the people, they are put through their Test of Submission. If they believe in the messenger, then they have believed in His Authority, and are considered guided, otherwise they are considered far astray. Reflect on the portions of the verse:

Part of Verse: “Would you submit? If they submit, then they have been guided.”

Revealed: The G.V. of my name letters is 462 – a precise number being the value of “**Al-Furqan**” or “**The Statute Book.**” The messenger is sent through the Statute Book or the Quran, and if the people believe in him, then they are considered “**submitters.**”

462 is a multiple of **7 and 14**, ($462 = 7 \times 66$ – ALLAH) or ($462 = 14 \times 33$)

Part of Verse: “If they submit, then they have been guided.”

Revealed: The Allah letters are **7**, and my letters are **7**, revealing **the Seven Pairs Proof.**

Part of Verse: “If they submit, then they have been guided, but if they turn away, your sole mission is to deliver this message.”

Revealed: The G.V. of ALLAH letters is **165** – if people submit by believing in the Absolute Authority of ALLAH through the messenger, then they have been guided.

Last Part of Vs: ALLAH IS SEER OF ALL THE PEOPLE.

Revealed: The Allah letters are **7**, and my letters are **8**, the diff. is **1** – Lord’s Message.

Revealed: G.V. of Allah letters is $98 = 14 \times 7$

Revealed: G.V. of my letters are $112 = 14 \times 8$ (Difference in 98 and 112 is precisely 14)

*****ALLAH fully knows those who believe in His message and the messenger and those who do not, highlighting this portion of the verse with the powerful “Revelation of 1” and “The Revelation of the Seven Pairs” given to me, AlhamdoLillah.**

*******Watch for more next week, on the same topic, InshaAllah.*******

Peace be upon the messengers.

PRAISE BE TO ALLAH, LORD OF THE UNIVERSE.
