

April 21, 2006 Sermon: **Studying the Quran Carefully to follow the Revealed Knowledge from God:**

In the name of God, the Most Gracious, the Most Merciful.
I seek refuge in God from satan the rejected.

God has blessed the human beings with more advantages than many of His other creations. One of these blessings is the giving and parting of all kinds of knowledge from Him, which the humans can use either to help, or hurt themselves. God has created everything with a dual application – the good and the bad. The good comes from God as His blessings; while the bad is attributed to satan or yourselves. Just as He has bestowed different kinds of knowledge to various human beings, so does He bestow and grant knowledge from His Scriptures to those chosen by Him. **He controls the flow of all knowledge**, and chooses to bless any individual, group, community or country. This is confirmed by a portion of verse 2:255 on this subject”

2:255 (Portion of Verse) **No one attains any knowledge.**

Revealed: The Allah letters are **4**, just like in His name, and the G.V. is **66**, spelling out His name, **A L L A H**.

Revealed: The Arabic letters are **19**, while the Quranic Initials are **14**, thus confirming through the Sacred Codes, that without His will, no one can attain any knowledge.

Let me write the complete sentence, in 2 parts:

Part 1: **No one attains any knowledge,**

Part 2: **Except as He wills.**

Revealed: The Allah letters are 4 and 5, **the diff. is 1** – all knowledge is controlled by God.

Revealed: The G.V. of Allah letters is 66 + 34, the sum is **100** – this proves that “all knowledge, **100 percent of it**, comes from **God**, and is **controlled 100 percent by Him.**” No one else in the universe has any knowledge, except what God has parted to them.

The fact and truth that God is the only One who holds and controls the source of all knowledge; was readily agreed and acknowledged by the angels, as in verse 2:32.

2:32 Part 1: They said, “Be You glorified, we have no knowledge, except that which You have taught us. ----- **ALLAH letters are 14**.

Part 2: You are the Omniscient, Most Wise. ----- **ALLAH letters are 7**

Through the above Miracle of the Seven Pairs, the statement of the angels confirms, that if God did not teach His creations, they would have no knowledge. I will continue further with the next verse and show you the **Linkage**.

2:33 He said (God), “O Adam, tell them their names.” When he told them their names, He said, “Did I not tell you that I know the secrets of the heavens and the earth? I know what you declare and what you conceal.”

Revealed: For both verses, the Allah letters are 21 and 35, the difference is **precisely 14**.

Revealed: The Aleefs are 12 and 21; this is **the pattern of 1221**, being the G.V. of 74:30 saying: “Over it is nineteen.” ----- Praise and glory be to Allah.

Having shown you the above profound fact and truth, let me now discuss about the followers of the scripture, and also the believers. The reason for the ignorance of the people is clear: **they do not study the Quran and its meaning.** In the past, it was the Quran and its meaning; but in our generation now, **it is the Quran, its meaning and its proofs.** The sin of ignorance that comes from the lack of desire in having sufficient knowledge of the Quran, makes most of them follow the path of the devil. Most of the believers, though they believe, do not acquire the knowledge and spend the time needed to study the Quran, its meaning, and its proofs; nor do they stay in touch with the messenger to receive the enlightened teachings. When asked from time to time, if they have any questions, most of them say, they do not. This brings out two presumptions – either they know it all, or they do not care to know any more. This kind of behavior has two extremes – either it is hidden arrogance, which prevents them from seeking additional knowledge in order to improve, or it is ignorance, whereby they stay in the darkness without realizing the consequences of it. Whatever it may be, the intelligent and enlightened believers do take active part and play an active role in furthering their belief and in spreading the Truth to the others. Some may develop another extreme by letting their ego control their thoughts and behavior, and this kind of knowledge does not help them in staying guided. When they challenge God and His messenger in any way, He sends them astray. **That is the LAW.**

Those of you who have been to school, college or university - have seen and experienced the level of interest you took in studying your subjects, and by being in close contact with the teachers or professors, in order to benefit from the teachings. No one ever disputes the logic behind it, or chooses a different way or discourse. Moreover, you never get promoted to another grade or class, till you pass the existing one. You even have to memorize certain key words, sentences, paragraphs from your text books, in order to answer the questions correctly during the exams. You could not make up anything according to your wishes, or answer in an irrelevant way, and think that you could have succeeded in that test.

When it comes to religion, most people do not spend the same time, or effort, in studying and examining Islam, nor do they try to remember the verses or chapters. Nor do they try to memorize the key and essential portions of words that are requisites in our imploring to God, and in our utterances. Due to lack of knowledge, when confronted with any question, they try to make up an answer, which becomes a gross sin incurred by them. Belief with deliberate ignorance has no basis. This kind of belief sooner or later falls apart. But the belief that is based on sure knowledge and confirmation stands on solid pillars which are hard for satan or the disbelievers to destroy.

The recognition of the teachers in schools and colleges is universal – the class cannot be held without them. But the same recognition for the messenger of God, in accordance with God's eternal system, does not command the same merit even from most believers, let alone the disbelieving people. **Is this not a clear contradiction and hypocrisy in the human attitudes?** If everyone recognized and studied the Quran as it should be studied, by examining the role of the messengers, they would have no problem in understanding and following it.

In matters of religion, God's gives direct knowledge through inspiration to the messengers He chooses. This is His eternal system. The people who are interested in finding the Truth, and to believe, have to benefit by believing in these messengers and receiving the

religious knowledge through them. If they studied the Quran carefully, they will come across the following verse, which confirms the system, and provides the Proof of the Seven Pairs.

18:65 They found one of our servants whom we blessed with our mercy, **and bestowed upon him from our own knowledge.**----- **ALLAH letters are 14**

12:22 When he reached maturity, we endowed him with wisdom and knowledge. **We thus reward the righteous.** ----- **my name initials are 19**

Additional Proofs: **The Allah letters** for both verses are 14 and 13, **the diff. is 1.**

Additional Proofs: **my name initials** for both verses are 20 and 19, **the diff. is 1.**

Additional Proofs: **my name letters** for both verses are 24 and 23, **the diff. is 1.**

Question: Are the righteous souls rewarded on earth by God, by blessing them from His own knowledge, to be His messengers, or guiding them to be believers? Read the findings below:

18:65 (Part of Verse): And bestowed upon him from our own knowledge.

12:22 (Part of Verse): We thus reward the righteous.

Revealed: The Aleefs are 2 and 1, **the diff. is 1** – Proof of Reward by the Absolute God.

Revealed: my name letters are 11 and 10, **the diff. is 1** – Proof of GOD’S reward for me, as a messenger. (Praise and glory be to Allah)

5:111 Part 1: Recall that I inspired the disciples: “You shall believe in Me and My messenger.”

Part 2: They said, ‘We have believed, and bear witness that we are submitters.’

Proof of Inspiration: The Aleefs are 8 and 7, **the diff. is 1.**

Proof of Inspiration: The Allah letters are 11 and 10, **the diff. is 1.**

Confirmed: The G.V. of my letters are 446 and 560, **the diff. is 114.**

The above proofs confirm the fact that God inspires the believers to believe in Him and His messenger, and to submit fully through His Scripture.

Through the most elaborate Proofs and the Coding System, God has clarified and confirmed the “special knowledge bestowed upon me” by Him. Those who are blessed to have knowledge of the Quran will know that when I speak, I do not speak on my own initiative, but am guided by the Lord of the Universe, as He has proven through the verses above. As I have been blessed with God’s own knowledge (glory be to Him), it is imperative for all the people, to listen carefully to everything I have to tell them and take heed. Powerful revelations such as Revelation of 1, the Seven Pairs, the Sacred Codes and others, do not just come out of the blue, or at random; but have been pre-determined and pre-recorded by the Most Wise. They have been “**REVEALED**” to me over the period of the last few years. When you study the Quran carefully, by removing the locks from your minds, then you will realize the importance of valuing God, by believing in His Absolute Authority. This can only be done by believing in all the revelations that He sends down from time to time through His messengers. God even spells out the name of the Scripture, about which He has given me certain knowledge. **It is called Quran, and the G.V. is 352.**

22:70 Part of Vs: All this (everything) is recorded in a record. This is easy for GOD to do. Pre-Existing Record – Proven: the G.V. of my letters is 352, revealing that God has already chosen me as a messenger, even before sending the humans to the earth. Since my name appears in this pre-existing record of God, it is only reasonable to assume that He will now show through another verse the “special knowledge” given to me from the Scripture named above.

12:68 Part of Vs: For he possessed certain knowledge that we taught him. What kind of knowledge? The answer lies in the fact that G.V. of my letters is 352 – Quran.

Question: Is this known to most people that I have special knowledge from God? Read the answer:

12:68 Part 1: For he possessed certain knowledge that we taught him.

Part 2: But most people do not know.

Ignorance of People Confirmed: my name letters are 11 and 12, the diff. is 1 – The Almighty God knows how many people will be guided, and inspired to follow the messenger.

Pre-Requisite to Gaining Knowledge from the Quran – Sincerity:

2:146 Those who received the scripture recognize the truth herein, as they recognize their own children. Yet, some of them conceal the truth, knowingly.

6:20 Those to whom we have given the scripture recognize this as they recognize their own children. The ones who lose their souls are those who do not believe.

Proven Scripture – Easy to recognize: The Allah letters are 19 and 19 in each verse; while the Aleefs are inscribed as 9 and 10, the Perfect Coding of “Tis’aa Ashar – Nine Ten”; the sum is 19, while revealing the difference of 1 between 9 and 10 also. (See verse 74:30)

2:121 Part of Vs: Those who received the scripture, and know it as it should be known, will believe in this.

Knowing the 7 Pairs Miracle: The Allah letters are 14 ----- the Seven Pairs.

A Warning to the Disbelievers and Hypocrites: “Study the Quran Carefully”:

4:82 Why do they not study the Quran carefully? If it were from other than ALLAH, they would have found in it numerous contradictions.

47:24 Why do they not study the Quran carefully? Do they have locks on their minds?

Revealed: The Allah letters are 19 and 14 in each verse – proving that “the Quran is composed on the Sacred Codes”.

***** (To be continued next week, Insha-Allah, on the same subject)

Peace be upon the messengers.

PRAISE BE TO ALLAH, LORD OF THE UNIVERSE.
