

May 19, 2006 Khutbah: Worrying about Fate of Disbelieving Humans cannot change the Predetermined Decision of GOD:

I seek refuge in ALLAH from satan the rejected.
In the name of ALLAH, the Most Gracious, the Most Merciful.

When your friends or relatives are astray, and do not believe and worship GOD, most people do not even care to draw their attention for being faithless, and the consequences they will have to face on the Day of Judgment. But when some of them do believe in GOD through the messenger, their minds immediately runs wild and they start questioning: “what about our relatives and friends in communities that have not received messengers?” They also ask: “What about the ones who have died and did not receive the message?” Their worries and concerns are unfounded and baseless. They act as if they have taken over the responsibility of everyone else. They forget that GOD is in full control over all things and matters. He knows best which community receives the messengers and the guidance. Did GOD design the system whereby we assume responsibility for others? Not at all. GOD has issued different laws and rites for the various generations over time. What applied to Adam may not necessarily apply to you, as the guidance of GOD and His requirements may have changed. What applied during the time of past prophets and messengers could have been changed by GOD, to fit in with the current times. With the revelation of the Quran, there is no need to change anymore, as it covers all times till the Day of Judgment. The deeds of the people before you are best known by GOD, and He will inform everyone of their works on the Day of Resurrection. It is not in our interest to think about others – in the past and the future – except to work righteousness for ourselves during this life, and leave all kinds of judgment up to GOD.

53:38 No soul bears the sins of another soul.

53:39 Every human being is responsible for his own works.

Revealed: The Aleefs are 4 and 5, the diff. is 1 – This is the Proof of **Absoluteness**.

Worrying is a part of our lives. There may be genuine grounds to worry, or baseless reasons to worry. With this trait of human behavior, GOD again tests us. This is why the command is issued to the messengers and the believers to stop worrying about others, who have chosen to disbelieve. A “righteous worry” that should be the focus of our lives is to think about GOD and the Hereafter, and to prepare for it. We should worry and see if we are doing everything that GOD has commanded us to do. This will be called worrying about our necks.

21:28 Part 1: He knows their future and their past.

Part 2: They do not intercede, except for those already accepted by Him, and they are worried about their own necks.

GOD knows it all: Part 1 has Allah letters 7 and my letters are 14 – **Code of Seven Pairs**.

GOD has already selected His Messengers: Part 1 has my letters 14, and Part 2 has 19; a serious verse like this proves that my fate is predetermined, just like yours. GOD had already pre-selected me as a message bearer for Him, long before the humans were sent to Earth. The Sacred Codes under my name letters are evidence of GOD’S pre-selection process.

Revealed: The Aleefs are 3 and 4 for each part, the diff. is 1 – The Decision of the Absolute GOD is hereby confirmed regarding His messengers.

NOTE: The chapter and the verse are designed on the **Code of Seven Pairs**. **Chapter 21** is a multiple of 7, while **the verse number** is a multiple of 14. Also **the Aleefs are 7** in the verse.

5:105 O you who believe, you should worry only about your own necks. If the others go astray, they cannot hurt you, as long as you are guided. To GOD is the final destiny, all of you, then He will inform you of everything you had done.

When GOD tells us not to worry about others; it does not mean that you should stop giving the message to others. What He is saying is, if they go astray, then you should not follow their example and go astray yourself – rather you stay steadfast in your belief, and not dwell on the disbelievers or try to find the reasons for their disbelief. How are you ever going to find the reason, except to know that GOD guides some, and some not. The fate of every human is predetermined. This fact only becomes evident to us when we see and hear people turn away from GOD’S message.

21:36 When those who disbelieve see you, they ridicule you: “Is this the one who challenges your gods?” Meanwhile, they remain totally heedless of the message from the Most Gracious. **A Profound Message:** The Aleefs are designed to be 14 in the verse **ending** on the name of the **Most Gracious**. Glory and praise be to Him.

Revealed: The Aleefs are 14 and my name initials are 19, revealing **the Sacred Codes**.

Revealed: The GV of Allah letters is 189, a multiple of 7. ($189 = 7 \times 27$)

The GV of my name letters is 646, a multiple of 19. ($646 = 19 \times 34$)- **The Sacred Codes**.

Let me show you the intricacy involved in the parts of the verse. Can you see and appreciate GOD’S blessings, who has revealed His verses with such precision and details?

21:36 Part 1: When those who disbelieve see you, they ridicule you.

Proofs that no one can rival: The Allah letters are 12 and my letters are 11, **the diff. is 1**.

(Why do they ridicule me? The reason is simple, for being a messenger, and out of jealousy after seeing the proofs.)

Part 2: Is this the one who challenges your gods?

Part 3: Meanwhile, they remain totally heedless of the message from the Most Gracious.

The Sacred Codes offend them: The GV of my letters is 120 and 272.

By Adding them, the sum is: $120 + 272 = 392 = 14 \times 7 \times 4$

By Subtracting them, we get: $120 - 272 = 152 = 19 \times 8$

Precisely **7 verses apart**, there is a similar verse, **21:42**. These two verses together bring out more of the message. Let me put them in comparison.

21:42 Say, “Who can protect you from the Most Gracious during the night or during the day?”

Indeed, they are totally oblivious to the message of their Lord.

Message Revealed: The Allah letters in the verse are 14 ending on “their Lord,”

Part 2 of the verse contains the secret, and deeply **Coded Message**, which will be appreciated by the sincere and the intelligent.

Part 2 of Verse: Indeed, they are totally oblivious to the message of their LORD.

CODED Message of GOD: The Arabic letters are 19, the Quranic initials are 14 – the Sacred Codes have been sent down **through this messenger as a Profound Sign.**

Both Verses in Comparison:

(21:36) The Aleefs are 14. (21:42) The Allah letters are 14 – Pattern of Seven pairs.

(21:36) my initials are 19 (21:42) Allah letters are 14 – Pattern of Sacred Codes.

The GV of Allah letters for both verses is: $189 + 229 = 418 = 19 \times 22$

**The GV of my letters for both verses is: 646 and 942, the diff. is 296 – Rasool (messenger)
Check the year of revelation to see if it is correct and to appreciate God’s wisdom.**

The total GV of Allah letters for both verses is 418

The total GV of my letters for both verses is 1588, the sum of $418 + 1588 = 2006$

Finality of Message: The Allah letters for both verses are $24 + 14 = 38 = 19 \times 2$

Finality of Message: my name letters for both verses are $26 + 30 = 56 = 14 \times 4$

Comparison of Both Verses regarding the part on “the Message”

21:36 Meanwhile, they remain totally heedless of the message from the Most Gracious.

21:42 Indeed, they are totally oblivious to the message of their LORD.

Revealed: The Allah letters are 4 and 3, the diff. is 1.

Revealed: my name letters are 10 and 9, the diff. is 1 – the sum is a perfect 19.

The purpose of GOD in sending a messenger is to expose and defeat the false human gods, and their teachings. These gods control their followers through various groups, sects, and religions. **It is important to note that the entire Sacred Coding of the Quran has now been revealed.** The message through these 2 verses is very clear, and talks about GOD’S retribution during the night or the day. **When you view and look at the entire message, it is a heavy message.** If you read all the verses between these 2 verses, you will get a bigger picture of it.

To waste your important time in worrying about others; it would be from satan. You can spend the same time wisely to earn credits from GOD by doing righteous things. Suppose your children do not believe, what can you do? Worrying is not going to help you, and they will not believe simply because their parents worry about them. The right course would be to implore GOD to guide your children and to make them submitters to Him. At the same time, you persuade them gently and consistently, to tell them the importance of belief and how it will have a lasting effect on their eternal life. You have to create interest in them, and part guidance before they are old enough to move out and live on their own. You cannot tell a child who is of immature age either, as they cannot comprehend life and the purpose behind it. You should certainly mention GOD’S name to them and around your activities with them, so they develop a basic sense that GOD created them, and that there is One, Living, Eternal GOD.

Then there are worries that are totally baseless and unnecessary. You may worry about your health, or that you are getting old, or that your hair is turning gray, or maybe losing hair too soon. Or you may worry that your children are disobedient and not achieving their goals in life. Or it may be, that you have not achieved financially in life to the level you wanted to, while some others have. This creates another bad trait – you develop jealousy towards others. You may

worry that you did not do enough in the cause of GOD during your earlier life, or you may worry what may happen after death. In short, there are many reasons for you to worry, but you do not have any good answers, till you resort to GOD'S teachings from the Quran. Extreme worry can create another problem – that of fear, whereby you become withdrawn to yourself, and isolate yourself from others. Cutting off social ties makes you more lonely and fearful. Extreme fear creates a state of phobia. You start fearing many things when there is no need to. The state of phobia certainly affects your normal life, and you then become a loser. Some people have all kinds of phobias. There are people who have fear and phobia of flying, of being on the ocean, of darkness, of being in tight spaces, called claustrophobia, of heights, of someone trailing you when you walk, of shadows, of spiders, of rats and mice, of cockroaches, and many other kinds of fears and phobias. To analyze and to understand the reasons, and the consequences of these words, you have to first realize that they have been created by GOD. They can be applied to work righteousness, to make them into positive traits, or they can be applied in a negative way, which will be attributed to satan. The believers are advised not to fear anyone, except GOD. Let me talk first about worry. If you worry for the righteous causes, then it is from GOD. For example,

21:49 The ones who reverence their Lord, even when alone in their privacy, and they worry about the HOUR. (the Day of Judgment).

**This kind of righteous worry will lead you to think and earn credits by reciting the following:

2:201 Others would say, “Our Lord, grant us righteousness in this world, and righteousness in the Hereafter, and spare us the agony of Hell.”

3:16 They say, “Our Lord, we have believed, so forgive us our sins, and spare us the agony of the hellfire.”

Righteous Worry of Abraham: 2:124 Recall that Abraham was put to the test by his Lord, through certain commands, and he fulfilled them. (God) said, ‘I am appointing you an imam for the people.’ He said, “**And also my descendants?**” He said, “My covenant does not include the transgressors.”

2:127 As Abraham raised the foundations of the shrine, together with Ismail (they prayed): ‘Our Lord, accept this from us. You are the Hearer, the Omniscient.

2:128 “Our Lord, make us submitters to You. Teach us the rites of our religion, and redeem us. You are the Redeemer, Most Merciful.”

2:129 “Our Lord, and raise among them a messenger to recite to them Your revelations, teach them the scripture and wisdom, and purify them. You are the Almighty, Most Wise.

Zachariah’s Worry about not having a descendant: 19:3 He called his Lord, a secret call.

19:4 He said, “My Lord, the bones have turned brittle in my body, and my hair is aflame with gray. As I implore You, my Lord, I never despair.

19:5 “I worry about my dependants after me, and my wife is has been sterile. Grant me, from You, an heir.

19:6 Let him be my heir and the heir of Jacob’s clan, and make him, my Lord, acceptable.

Mary’s Worry about facing a man (an angel) when she was alone: 19:16 Mention in

the scripture, Mary. She isolated herself from her family, into an eastern location.

19:17 While a barrier separated her from them, we sent to her our Spirit. He went to her in the form of a human being.

19:18 She said, “I seek refuge in the Most Gracious, that you may be righteous.”

19:19 He said, “I am the messenger of your Lord, to grant you a pure son.”

NOTE: The last verse is **19**, in chapter **19**, and the Allah letters are **14**. to reveal **the Sacred Codes of 19 and 14** – glory be to my Lord.

NOTE: The Allah letters are 14, and my letters are 15, **the diff. is 1** – Praise be to GOD.

Mary’s Unrighteous Worry: 19:22 When she bore him, she isolated herself to a faraway place.

19:23 The birth process came to her by the trunk of a palm tree. She said, “(I am so ashamed) I wish I were dead before this happened, and completely forgotten.”

19:24 (The infant Jesus) called her from beneath her, saying, “Do not grieve. Your Lord has provided you with a stream.

19:25 “If you shake the trunk of this palm tree, it will drop ripe dates for you.”

19:26 “Eat and drink, and be happy. When you see anyone, say, ‘I have made a vow of silence; I am not talking today to anyone.’”

Noah’s unrighteous Worry about his son: 11:45 Noah implored his Lord: “My Lord, my son is a member of my family, and Your promise is the truth. You are the wisest of the Wise.”

11:46 He (God) said, “O Noah, he is not of your family. It is unrighteous to ask Me for something you do not know. I enlighten you, lest you be like the ignorant.”

11:47 He (Noah) said, “My Lord, I seek refuge in You, lest I implore You again for something I do not know. Unless You forgive me, and have mercy on me, I will be with the losers.”

Adam’s Righteous Worry: 7:22 Part of Verse: “Did I not enjoin you from that tree, and warn you that the devil is your most ardent enemy?”

7:23 They said, (Adam and his wife) “Our Lord, we have wronged our souls, and unless You forgive us and have mercy on us, we will be with the losers.”

Jacob’s worry about his son: 12:11 They said, “Our father, why do you not trust us with Joseph? We will take good care of him.

12:12 Send him with us tomorrow to run and play. We will protect him.

12:13 He said, “I worry lest you go away with him, then the wolf may devour him while you are not watching him.”

Joseph’s Righteous Worry: 12:32 She said, “This is the one you blamed me for falling in love with. I did indeed try to seduce him, and he refused. Unless he does what I command him to do, he will surely go to prison, and will be debased.”

12:33 He said, “My Lord, the prison is better than giving in to them. Unless You divert their scheming from me, I may desire them and behave like the ignorant ones.”

12:34 His Lord answered his prayer and diverted their scheming from him. He is the Hearer, the Omniscient.

Joseph’s Unrighteous Fear: 12:42 He then said to the one to be saved, “Remember me at your lord.” Thus, the devil caused him to forget his **LORD**, and consequently, he remained in prison a few more years.

Abraham's Righteous Worry for Lot: 29:31 When our messenger went to Abraham with good news (about Isaac's birth), they also said, "We are on our way to annihilate the people of that town (Sodom). For its people have been wicked.

29:32 He said, "But Lot is living there." They said, "We are fully aware of everyone who lives in it. We will of course save him and his family, except his wife; she is doomed."

Instead of worrying about the fate of your friends and relatives, your only job is to speak the truth and deliver the message of GOD. You will not be held accountable for the sins of others. No one will bear the load of another person. The real worry on your mind should be: "How can I compete in righteousness and do more for GOD?" When you carry this thought on your mind, it will remove a lot of other unrighteous worries, give you peace of mind, and keep you away from undue stress. This word "stress" is a modern day word. It involves worry, fear, anxiety, fatigue and relentless quest for worldly life. Every person you talk to nowadays complains from some kind of stress. It has become worse over time as we move into more technology driven way of life. The key reasons are bad diet, lack of sleep and of exercise, which GOD created and provided us for our nutrition and health. Once you follow GOD'S commands of eating and drinking in moderation and working hard (meaning exercise also), you are bound to have the best quality of life.

94:5-6: With pain there is gain. Indeed, with pain there is gain.

90:4 We created the human being to work hard.

***If you exercise your body parts, your stress is alleviated, and you feel a whole lot better.

You cannot change the predetermined course of things that GOD has decreed. If you and I start worrying why the majority does not believe, we only make ourselves **sad** and it will not accomplish anything. We should do our best to strive in the cause of GOD, as this is the only chance we have, especially under a messenger, and leave the results up to Him. The disbelievers want us to feel sad, rejected, lonely and much more. If we fall in their trap and thinking, then we can also go astray. Here are some assuring verses from GOD, for the believers.

11:36 Noah was inspired: "No more of your people are going to believe, beyond those who already believe. Do not be **saddened** by their actions.

8:64 O you prophet, sufficient for you is GOD and the believers who have followed you.

9:40 If you fail to support him, GOD has already supported him

3:176 Do not be **saddened** by those who hasten to disbelieve. They never hurt GOD in the least. Instead, GOD has willed that they will have no share in the Hereafter. They have incurred a terrible retribution.

10:65 Do not be **saddened** by their utterances. All power belongs to GOD. He is the Hearer, the Omniscient.

Another way to overcome adverse feelings and bad thoughts is to realize the diversity of GOD in His creations. He created each one of us unique with different qualities and weaknesses.

We are similar, yet dissimilar. If we acknowledge and appreciate the diversity of GOD, we can overcome a lot of hatred, prejudice, jealousy, biases, and other negative qualities within us. We can then strive to work righteousness after ridding ourselves of this, and can then truly appreciate **the greatest gift of all – the blessing of “guidance.”** No other blessing surpasses the gift of guidance. When you are guided, you are informed by GOD to be one of the intelligent ones. Thus, no matter what the people may think about you, it should be comforting to know what GOD thinks about you. You have a choice to make: either you can fall into the category of **the worst creatures, or the best creatures.** The choice has to be made by all individuals.

98:1 Those who disbelieved among the people of the Scripture, as well as the idol worshipers, insist on their ways, **despite the proof given to them.**

What is the Proof? The GV of Allah letters is **202** – being the value of **LORD**; this proof has been sent through the messenger, Makbool Husain, to invite the people to the guidance.

Basis of Proof: The Allah letters are 16, and my letters are 30, the diff. is **14** – **The Seven Pairs.**

98:6 Part of Vs: They are the worst creatures.

98:7 Part of Vs: These are the best creatures.

Revealed: The Allah letters are 6 and 6, revealing the pattern of His name, Allah, 66. Both kinds of creatures, the good and the bad are created by Him.

Revealed: my name letters are 6 and 7, the diff. is 1 – when you believe in God’s messengers, you fall into the category of the “best creatures.” God has even identified the messenger by name.

The G.V. of **my letters** in “**these are the best creatures**” is **128**, being my name, **Husain.** **Note** that this phenomenon of revealing my name through “the worst creatures” does not happen.

The amount of revelations blessed by GOD upon me, are unlimited. Not too many people have come forward to believe, as has been the case of all previous messengers. In fact, some of those who believed have already reverted back to their ignorant ways and deserted GOD and His messenger. They will suffer the painful retribution for their bad decisions. The innermost thoughts of all humans, is known only to GOD. When Moses tried to deliver the message, those who were doubtful asked him the same ridiculous question, showing worry and concern for others rather than heeding the guidance themselves.

20:51 He said, “What about the past generations?”

20:52 He said, (Moses) “The knowledge thereof is with my Lord in a record. **My Lord never errs, nor does He forget.**”

Revealed: The Allah letters are 11 and 10, **the diff. is 1** – GOD knows about everyone.

The sole reason for GOD asking the believers to humble themselves, and never to exalt themselves, is because He has done them a big favor by guiding them. It is all predetermined by Him, after satan challenged His Absolute Authority, during the Heavenly Feud. The righteous souls are already known to Him, and also the disbelieving ones.

32:13 part of Verse: “Had we willed, we could have given every soul its guidance.”

*** The Allah letters are 9, and my letters are 10, **the diff. is 1**, while the sum is **perfect 19.**

32:13 Had we willed, we could have given every soul its guidance, but it is already predetermined that I will fill Hell with jinns and humans, all together.

*** **Allah letters are 25, and my letters are 39, the diff. is 14 – Proven Predetermined Fact.**

The Jinns and the Humans challenged and disobeyed **GOD’S Absolute Authority**, and failed to repent on time. Therefore, the verse is profoundly marked with the Sacred value of the Shahadah and Al-Samad **twice**, to reflect on the heinous crime of these two species out of His creations.

MARKED & STAMPED: The 1st **12 letters of Allah** (to tie in with the 12 letters of Shahadah) have a GV of **165**; the next **12 letters of Allah** again have a GV of **165**, the remaining letter of ALLAH that is left, is only **one – being an Aleef**, (GV=1) This sheds light on the profound history, with the values of the **Shahadahs twice**, accompanied with only an **Aleef** in the last word, “Ajmaeen” meaning “all together,” This denotes and points out God’s Absolute Authority as ONE GOD, which was violated and transgressed upon by the jinns and the humans.

32:12 Part 1: If only you could see the guilty when they bow their heads before their Lord:

Part 2: “Our Lord, now we have seen, and we have heard. Send us back and we will be righteous. Now we have attained certainty.”

*****CERTAINTY: The Allah letters are 19 only – the perfect value for ONE.** Why shouldn’t they be certain at that point? But, it will be too late. To be certain before you get there is what is needed, and to prepare for the Awesome Day by following His messengers and the Signs.

CERTAINTY: GV of my letters for **Part 1** is 532 = **19 x 14 x 2**

GV of my name letters for **Part 2** is 770 = **14 x 55**

If you fail to appreciate **GOD’S Sacred Codes** revealed through a human like yourselves, then you will have the most difficult time facing the Lord of the Universe on the Day of Resurrection. Your imploring at that time will be in vain.

This is it for today. Though I try to keep it short, sometimes it is not possible. May God bless all of you for attending the Salat al Jumaah.

Peace be upon the messengers.

PRAISE BE TO ALLAH, LORD OF THE UNIVERSE.
