

May 26, 2006 Khutbah: Coded Message from the Highest Heaven.

I seek refuge in ALLAH from satan the rejected.
In the name of ALLAH, the Most Gracious, the Most Merciful.

GOD has stated in the Quran that most people will not believe, no matter what Miracle He sends down. This has been predetermined by Him. (6:109; 36:7) Out of those who believe, some of them may get doubts from time to time, as they are surrounded by the disbelievers, whose pressure on them may become insurmountable. The only way to face them off is with a strong belief and faith in the Almighty GOD, and by being appreciative of His Miracles. The Miracles are the only way to assure your hearts and to persevere in the face of adversity.

The messenger chosen by GOD to deliver the final and complete PROOFS to confirm the Quran through the Sacred Codes, is Makbool Husain. **He has also been assigned the Sacred Duty to confirm and prove the existence of ONE, LIVING, ETERNAL GOD.** This is in addition to the original Quran in Arabic given to prophet Muhammad, followed by the Code of 19 given to Rashad Khalifa. These are the most extensive, intricate, and detailed Coding System and Proofs ever revealed, through the verses of the Quran. The coming of the messenger, coded under the metaphorical name of “AHMED” in verse **61:6** has now been fulfilled. GOD had predetermined to send a messenger before the fulfillment of the “Prophecy of Smoke” and before the “Day of Resurrection.”

The purpose of this sermon (khutbah) is to remove the doubts of the believers about GOD and His messenger, and to warn the opponents and disbelievers of severe retribution from GOD. **The “Days of God”** mentioned in the Quran through **45:14** are associated with this message, as the proofs reveal.

45:14 Tell those who believed to forgive those who do not expect the “Days of God.” He will fully pay everyone for whatever they have earned.

Revealed: The Allah letters are $21 = 7 \times 3$; and my letters are $38 = 19 \times 2$ – **the Sacred Codes.** The verse number is also Coded as **14**.

Revealed: The words, “**Ayaam Allah – Days of God**” are also **Coded** with Allah letters and my letters. The GV of my letters in them are **110** – being the value of the Shahadah. The GV of Allah letters is $68 + \text{GV of my letters } 110 = 178$ revealing my name, Makbool, SubhanAllah.

Some people may think that the Proofs illustrated and narrated by myself are coincidental, happenstance and man-made. The few Proofs and Topics mentioned today is just a glimpse and a minute fraction out of the total revelations, that GOD has blessed me with. **The verses and the proofs recited by me today will underscore the point and the fact, that the Quranic verses are constructed and composed with my name letters in them, as the ultimate proofs for the messenger under the code name of “AHMED.”** I will recite a few verses to show you the importance of this message. Hopefully, you will be able to see, witness and appreciate GOD’S greatness and wisdom in composing the Quran with His name letters and of His messenger’s name letters. The letters of Makbool Husain are inscribed and embedded in the Arabic verses on all subjects, according to the Sacred Revelations and Codes. I have been sent as a profound and manifest Warner.

Today's khutbah will mainly address my name letters in the verses, as proofs of the messenger. There is a whole lot more with the Sacred Name of Allah and His letters and in combination with my letters, which you can witness through the website:

10:37 This Quran could not possibly be authored by other than GOD. It confirms all previous messages, and provides a fully detailed scripture. It is infallible; for it comes from the Lord of the Universe.

Revealed: The Allah letters are 25, and my letters are 44, the diff. is **19** The authenticity of the Quran is further proven and confirmed to be from GOD, as He has purposely inscribed His name letters – **ALLAH**, and of those of His messenger, **Makbool Husain**, to serve a profound reminder before the Day of Judgment. This should remove all doubts of those who think this can be fabricated.

The Absolute Truth:

6:30 If you could only see them when they stand before their Lord! He would say, “Is this not the truth?” They would say, “Yes, by our Lord.” He would say, “You have incurred the retribution by your disbelief.”

46:34 The day the disbelievers are introduced to the Hellfire, they will be asked, “Is this not the truth?”

They will answer, “Yes indeed, by our Lord.” He will say, “Then suffer the retribution for your disbelief.”

Revealed: The Aleefs are 14 and 15, the difference is **1** – **The Truth from the Absolute GOD.**

Revealed: The Allah letters are 25, and the letters of Waahed are 24, in each verse with the diff. being **1, for ONE GOD.**

46:34 Part 2: They will answer, “Yes indeed, by our Lord.” He will say, “Then suffer the retribution for your disbelief.” **GV of my name letters is 128 – (the messenger is Truth)**

43:29 Indeed, I have given these people and their ancestors sufficient chances, then the **TRUTH** came to them, and a clarifying messenger.

43:30 When the **TRUTH** came to them, they said, “This is magic, and we are disbelievers therein.”

Revealed: my name letters up to **TRUTH** in each verse are **14** and **7**– **the Seven Pairs.**

5:83 When they hear what was revealed to the messenger, you see their eyes flooding with tears as they recognize the **TRUTH** therein, and they say, “Our Lord, we have believed, so count us among the witnesses.”

5:84 “Why should we not believe in GOD, and in the **TRUTH** that has come to us, and hope that our Lord may admit us with the righteous people?”

Revealed: The Allah letters up to **TRUTH** in each verse are **19** and **14** **the Sacred Codes.**

10:38 If they say, “He fabricated it,” say, “Then produce one sura like these, and invite whomever you wish, other than **ALLAH**, if you are truthful.

Revealed: up to **ALLAH**, the GV of His letters brings out the name of the messenger, **178** being Makbool.

Revealed: up to **ALLAH**, the GV of my name letters brings out the glorified name of **ALLAH**, **66** through the **Code of 14**. The GV of my letters is $924 = 14 \times 66$

2:23 If you have any doubt regarding what we revealed to our servant, then produce one sura like these, and call upon your own witnesses against ALLAH, if you are truthful.

Revealed: The Allah letters in entire verse are 20, and my letters are 39, the diff. is **19**

17:88 Say, “If all the humans and all the jinns banded together in order **to produce a QURAN like this**, they could never produce anything like it, no matter how much assistance they lent one another.

Revealed: The letters of “**Waaheed**” are **19**, and my letters are **38**, **the diff. is 19**.

Revealed: GV of Allah letters is $364 = 14 \times 26$

Revealed: GV of my letters are $1178 = 19 \times 62$ **The Sacred Codes of 14 and 19**

***This proves that it is impossible for the jinns and the humans to produce or imitate the Quran, in a similar way, like GOD has composed, by inscribing His name letters as well as those of His messengers. The jinns and most humans are against GOD and His messengers, therefore they have no interest in producing a Quran, but they are more interested in distorting and corrupting it. The fact that my letters appear with **the difference of 19** in relation to letters of “**Waaheed**” and also **the Sacred Codes** makes it virtually impossible for the fabricators. GOD be praised.

Seek Refuge in God:

16: 98 When you read the Quran, you shall seek refuge in GOD from satan the rejected.

Revealed: The Allah letters are 15 and my letters are 16, **the difference is 1 – GOD.**

*****The reason for inscribing my name letters in this highly important verse by GOD is: “the biggest trick of satan is to encourage the people to disbelieve in GOD’S messengers, in order to deprive them of the truthful guidance. As GOD’S guidance is inspired and revealed to the messengers, the disbelief in them serves satan’s goals and purpose.”**

Returning Back to God after Delivering His Message:

Revealed: My name letters are $5 + 8 + 6 = \boxed{19}$ - the Profound Message **through Sacred Codes.**

Concatenate by writing Allah letters and mine in the sequence they appear in each verse.

$2,5,8,8,4,6 = 14 \times 18489$

Concatenate by writing my letters followed by Allah letters for each verse:

$5,2,8,8,6,4 = 14 \times 37776$

GV of Allah letters and my letters for all 3 verses = $146 + 576 = 722 = \underline{19} \times \underline{19} \times 2$

I hope and believe that the believers will pursue the path of righteousness, as dictated by GOD, after witnessing and reflecting on the marvelous revelations and Miracles of the Most Wise. I urge you to contact as many people as possible to bring the “truth” to their knowledge. Whatever good you will do is for your own soul. May GOD keep you steadfast in your belief and guided.
