

I seek refuge in Allah from satan the rejected  
In the name of Allah, the Most Gracious, the Most Merciful

This is one of the most important subjects in the religion of Islam, and will take more than one sermon to present some of the essential verses and their proofs to the believers. Without sure belief in the Last Day, your belief in GOD is unacceptable to Him. Our goals and objectives of purifying our souls in this earthly life become worthwhile only by knowing what we can achieve at the end of this life, and on the Day of Judgment. The majority of humans, including some of the believing ones, have doubts about the Day of Resurrection. They wrongly assume and believe that this life is just a coincidence, and there is no other life after this one. Based on this false premise, they fail to reform or to correct themselves, and to repent to the Creator. They also say that no one has ever come back after death, and that no one has seen the next life to be sure about it. This Sermon will bring out concrete Proofs through the Quran and prove to everyone that Hell and Heaven is a reality and truth; and that GOD will resurrect all the people on the great Day of Resurrection. Hopefully, after witnessing the awesome Miracles of GOD, some people may give up and shun their falsehood in order to believe in the Day of Accountability that is promised by GOD. The following verses tell us that GOD has the power to recreate us no matter if we have turned into dust, mud, bones, fragments, rocks or iron, or any kind of creation that the human can imagine. The ones who doubt the Day of Judgment and question GOD'S wisdom and ability to create and recreate are always disbelievers and will be confined to Hell.

**17:49** They said, “After we turn into bones and fragments, we get resurrected anew?!”

**17:50-51** Say, “Even if you turn into rocks or iron. Even if you turn into any kind of creation that you deem impossible.” They will then say, “Who will bring us back?” Say, “The One who created you in the first place.” They will then shake their heads and say, “When will that be?” Say, “It may be closer than you think.”

**17:98** Such is their just retribution, since they rejected our revelations. They said, “After we turn into bones and fragments, do we get resurrected into a new creation?”

**17:99** Could they not see that GOD who created the heavens and the earth, is able to create the same creations? He has predetermined for them an irrevocable life span? Yet, the disbelievers insist upon disbelieving.

To answer the disbeliever's doubts, GOD has sent down sets of similar verses and created a “LINKAGE” between them to bring out the Revelation of 1, in order to disprove the false theories embedded in the human minds and to provide a clear proof that He will surely resurrect them again, just as He created them initially.

**17:99** Could they not see that GOD who created the heavens and the earth, is able to create the same creations?

**36:81** Is not the One who created the heavens and the earth able to recreate the same?

YES INDEED; He is the CREATOR, THE OMNISCIENT.

**Revealed:** The ALLAH letters are 22 and 23, **the diff. is 1** – Praise be to the only CREATOR.

**Revealed:** In Vs.36:81, Allah letters are 23, my letters are 37, **the diff. is 14** – Seven Pairs. These Verses, and the PROOFS mentioned and revealed herein, have assured the believers that GOD will indeed resurrect the dead on the Appointed Day of Decision.

The people of the Scripture, and others, have been known to take Heaven for granted, while disregarding the notion of Hell. They have even taunted each other saying, as per verses;

**2:111** Some have said, “No one will enter Paradise except Jews or Christians! Such is their wishful thinking. Say, “Show us your proof, if you are right.”

**2:80** Some have said, “Hell will not touch us, except for a limited number of days.” Say, “Have you taken such a pledge from GOD – GOD never breaks His pledge – or, are you saying about GOD what you do not know?”

**2:135** They said “You have to be Jewish or Christian, to be guided.” Say, “We follow the religion of Abraham – monotheism – he never was an idol worshiper.”

**2:113** The Jews said, “The Christians have no basis,” while the Christians said, “The Jews have no basis.” Yet, both of them read the scripture. Such are the utterances of those who possess no knowledge. GOD will judge them on the Day of Resurrection, regarding their disputes.

The self-righteous and self-exalting utterances of such hypocrites is readily defeated and shamed by GOD with a quick answer through His proofs. Examine and appreciate God’s writing. Most people claim to read and follow the scripture of Allah; yet, they disregard all the rules, and the criteria set out by Him, and violate His Absolute Authority.

**2:113 Part of Verse:** YET, BOTH OF THEM READ THE SCRIPTURE.

**Revealed:** The GV of Allah letters is exactly **66** – **ALLAH**. The Scriptures of GOD are His Revelations, and the true meaning is known only to Him; except when He reveals the meanings to His messengers for the benefit of the believers. The followers of the scriptures are not allowed to argue about GOD, to make up their own meanings, take GOD’S mercy for granted, or act self-righteous by ridiculing others in faith.

**2:113 Part 1:** The Jews said, “The Christians have no basis,” while the Christians said, “The Jews have no basis.” Yet, both of them read the scripture.

**Part 2:** Such are the utterances of those who possess no knowledge. GOD will judge them on the Day of Resurrection, regarding their disputes.

**Revealed:** The GV of Allah letters are 382 and 363, **the clear diff. is 19** – The Sole Judge is GOD

The righteous, who are blessed by GOD do not utter vain talk, and watch their utterances as much as their actions. They fear the Hour and fear the Day of Judgment. The blessing of “awareness of the Hereafter” and the reason for this blessing bestowed upon them by the Creator is also given through the verses.

**38:46** We bestowed upon them a great blessing: awareness of the Hereafter.

**38:47** They were chosen, for they were among the most righteous.

**Revealed:** The Allah letters are 11 and 10, **the diff. is 1** – a blessing upon the righteous from GOD.

Just like the truth of GOD being ONE and ALONE, is sent down to the people through the messengers; similarly, the truth and the reality of the Hereafter is conveyed to the people through the same human messengers. When the message is delivered to the people to seek forgiveness from their Lord and to repent to Him; and to work righteousness in this life to prepare for the Hereafter, they mock the messengers and ridicule these reminders. But they will certainly believe in this reality, when it comes to pass, as the following verses indicate.

**36:51** The horn will be blown, whereupon they will rise from the grave and go to their Lord.

**36:53** All it will take is one blow, whereupon they are summoned before us.

**Revealed:** The Aleefs are 7 and 7, revealing the Truth through **the Seven Pairs**, glory be to GOD.

**Revealed:** The Allah letters are 13 and 12, **the diff. is 1** – glory be to the SUMMONER.

**36:52 Part 1** They (the disbelievers) will say, “Woe to us. Who resurrected us from our death?”

**Part 2:** This is what the Most Gracious has promised. The messengers were right.

**Revealed:** The Allah letters are 7 and 8 for each part, **the diff. is 1** – the disbelievers will finally acknowledge the reality of the Day of Resurrection, in accordance with the messages delivered through the messengers.

The reality of resurrection promised by the Most Gracious on the Day of Judgment, conveyed through His messengers, and denied by the majority of the humans, is also given through the following verses.

**25:40 Part of Verse:** The fact is, they never believed in resurrection.

**25:41** When they saw you, they always ridiculed you: “Is this the one chosen by GOD to be a messenger?”

**Revealed:** The Allah letters are 6 and 20, **the diff. is 14** – the Seven Pairs confirms their disbelief in GOD’S messengers and in the Day of Resurrection.

I will now recite a profound set of verses. You will notice that the verse on “resurrection” is surrounded by verses on messengers, which are encoded to reveal the numerical name of the Creator through His messenger. By comparing a set of verses

on the Day of Resurrection and the Day of Summoning, GOD will also bring out and reveal the numerical name of the messenger also.

**64:6** This is because their messengers went to them with clear proofs, but they said, “Shall we follow humans like us?” They disbelieved and turned away. GOD does not need them; GOD is in no need, Praiseworthy.

**64:8** Therefore, you shall believe in GOD and His messenger, and the light that we have revealed herein. GOD is fully Cognizant of everything you do.

**Revealed:** The GV of Allah letters are 313 and 294, **the diff. is 19**; hence, the Creator’s Signature and numerical name of **Waaheed** is revealed, glory be to my Lord.

Who is the messenger mentioned at this time through these verses? The messenger is **Husain, 128**, who has written and recited this khutbah under GOD’S inspiration to warn all the people about **the Day of Summoning**.

**64:7** Those who disbelieved claim that they will not be resurrected! Yes indeed, by my LORD, you will be resurrected, and you will be held accountable for everything you have done. This is easy for GOD to do.

**64:9** The day will come when He summons you to the Day of Summoning. That is the Day of Mutual Blaming. Anyone who believes in GOD and leads a righteous life, He will remit his sins, and will admit him into gardens with flowing streams. They abide therein forever. This is the greatest triumph.

**Revealed:** The GV of Allah letters are 341 and 469, **the diff. is 128**, being the name of the messenger, **Husain**. Note that this name has been revealed with GOD’S knowledge and authorization, as it originates out of the GV of Allah’s letters, and not my letters.

These alternating sets and pairs of verses have revealed the message of GOD in a very distinct way, leaving no doubt about the certainty of the Day of Resurrection. Most people will suffer a great number of remorse for disregarding the messages sent through the messengers.

The belief as laid out in the Quran, and encoded through the 5 essential points, are:

1. Belief in Allah
2. Belief in the angels
3. Belief in the scriptures
4. Belief in the messengers
5. Belief in the Last Day

The first and the last points are connected, being the most important, and these cannot be achieved without believing in the 3 that occur in between. These 3 points of belief guide the people to GOD and the Last Day. There is only 1 number that will originate from this “belief system” and makes the whole system of belief dependent on it, and confirms what I have stated in the past.

**4:136 Part of Vs:** Anyone who refuses to believe in GOD, and His angels, and His scriptures, and His messengers, and the Last Day, has indeed strayed far astray.

**Revealed:** Upto, “Last Day” the Allah letters are **14**, and to end of verse, they are **19**, thereby revealing the system of belief encoded under **the Sacred Codes of 14 and 19**.

**Revealed:** The GV of **the 19 letters of Allah is 296**. This number is also the value of “Rasool, or messenger” and defines the system of GOD in offering all the guidance and tests through the messengers. The angel messengers bring GOD’S messages to the human messengers, and furthermore, the human messengers are revealed GOD’S scriptures and the contents contained within them.

To understand the in-depth meaning of verse 4:136 and also the meaning of Submission, I am going to recite the 1<sup>st</sup> part of the verse along with the 2<sup>nd</sup> part also. It will show you how important the role of the messenger is in reciting GOD’S revelations to the people, and the reason GOD asks you to believe in what was revealed to His messenger and what was revealed before to other messengers. To sum up the meaning of the entire verse and to connect the two parts together, GOD has placed His Seal and Stamp on the entire verse, for you to believe sincerely in GOD and the LAST DAY.

**4:136** O you who believe, you shall believe in GOD and His messenger, and the scripture He has revealed through His messenger, and the scripture He has revealed before that. Anyone who refuses to believe in GOD, and His angels, and His scriptures, and His messengers, and the Last Day, has indeed strayed far astray.

**Revealed:** The entire verse is surrounded and marked with **19 ALEEFs**.

For those who are still doubtful about the truth and the reality of Hell and Heaven, I will present another set of verses and show them clear proofs of GOD.

**51:12** They question the Day of Judgment.

**51:13** The day they are presented to the Fire.

**Revealed:** The Aleefs are 3 and 2, **the diff. is 1** – The Supreme Lord has confirmed the Truth.

**Revealed:** my name letters are 13 and 12, **the diff. is 1** – the message has been delivered through the messenger of GOD.

**51:14** Taste the retribution; this is what you used to challenge.

**Revealed:** The Allah letters are **7**, and my letters are **14**, as well as the verse # is **14** also. This constitutes the profound proofs of the Seven Pairs. The messengers are the ones who are challenged by the people, when they present and recite the truth; that is why on the Day of Judgment, God will punish the disbelievers while reminding them of the challenge presented by them to His servants on Earth.

\*\*\*\* More to follow next week, InshaAllah, on the same subject.

Peace be upon the messengers  
Praise be to ALLAH, Lord of the Universe.
