

July 28 & Aug. 4, 2006 Sermon: Reality of Hell and Heaven (Part 2)

I seek refuge in ALLAH from satan the rejected
In the name of ALLAH, the Most Gracious, the Most Merciful

On the Day of Judgment, all the humans will be resurrected back to life, to account before GOD about their belief and deeds in this life. It is rightfully called “the Day of Judgment,” as GOD, the One, the Supreme, will be the only Judge to decide the fate of each human being. There will be no intercession, neither any ransom will be accepted.

To stress on the importance of this highly important Day, GOD has given it many different names, so that the human beings and the jinns can take note of it, and realize the seriousness of this event, in the history of creation of the universe and of all the creations in it. After reading all this, if they still disregard the Day of Judgment, it will be their own loss. GOD never wrongs the people; it is the people who wrong themselves.

Some of the various titles and names used for this most important “DAY” are the following:

Day of Eternity
Day of Judgment
Day of Resurrection
Day of Decision
The Appointed Day
Day of Reckoning
Day of Summoning
Day of Mutual Blaming
The Promised Day
Day to be Witnessed
The Inevitable Day
The Last Day
Day Blue

Why do you think GOD has used descriptive and well-meaning words for this very important DAY? Let me take one at a time and briefly describe them to you. I will also cite one or more verses on each of the names given to this most important “Day” by GOD.

“Day of Eternity” For disbelievers who think life is short and coincidental, this tells us that life after this “DAY” will be Eternal – either people will be in Hell forever, or they will be in Heaven forever. When the time spans forever, with no end in sight, it is called Eternal.”

11:106-107 (Life in Hell): As for the miserable ones, they will be in HELL, wherein they sigh and wail. **Eternally they abide therein**, for as long as the heavens and the earth endure, in accordance with the will of **your Lord. Your Lord** is doer of whatever He wills.

11:108 (Life in Paradise): As for the fortunate ones, they will be in Paradise. **Eternally they abide therein**, for as long as the heavens and the earth endure, in accordance with the will of

your Lord – an everlasting reward.

NOTE the physical proofs in the above set of verses on Hell and Paradise, before I show you the mathematical Proofs. This khutbah is being presented without the usual presentation of the Miracles, to cover more subject matter. But, before I end this subject over the next week or two, I will offer concrete proofs from GOD, InshaAllah.

NOTE, that the verses on Hell **are 2**, (11:106-107), and the verse on Paradise **is only 1** (11:108). Also NOTE, that the usage of the word “**your Lord**” **occurs 2 times** in the verses on Hell, whereas it occurs **only 1 time** in the verse on Paradise. What message is GOD revealing here?

It is very simple, and in line with the entire teachings of the Quran, as per 16:51, which is, that those who worshiped any kind of idols beside GOD are guilty of “idolatry” or “worship of 2 gods.” Hence, the verses on Hell **are 2**, and the usage of the words “**your Lord**” **occurs twice**, to prove the point - that those sent to Hell were guilty of this gross sin against GOD.

On the other hand, those who will be admitted to Paradise had proven in this earthly life to have worshiped “GOD ALONE or ONE GOD” – through His commands, thereby submitting fully without associating any idols with Him; therefore, the verse appears **as 1** and the usage of the word “**your Lord**” also occurs **only 1 time** – to prove the point that the people admitted to Paradise did not achieve it through wishful thinking. In fact, they rightfully earned this reward by working hard in this earthly life, and by being devoted and sincere with GOD in carrying out His commands through His messengers. These verses reveal the “Revelation of 1” for the believers, as well as the “Revelation of 2” for the hypocrites and the disbelievers. Now, reflect on the actual mathematical Proof:

MIRACLE: The Arabic Letters in verses 11:106-107 on Hell, are **91**
The Arabic Letters in the verse 11:108 on Paradise, are **72, the difference is clearly 19**

MIRACLE: The Arabic Letters in 11:106-107 are 91, and Quranic Initials are 65, **diff. is 26**
In 11:108, the Arabic Letters are 72, and the Quranic Initials in the verse are 47, the **diff. is 25**
What is the difference between the numbers 26 and 25? **It is clearly 1** – praise be to GOD.

MIRACLE: my name letters in 11:106-107 are **38**, a multiple of **19**
My name letters in 11:108 are **28**, a multiple of **14**, revealing the **Sacred Codes of 19-14**
The combined letters of my name for all 3 verses on Hell and Paradise are $38 + 28 = 66$, revealing the glorified name of ALLAH, Most Praiseworthy.

50:34 Enter it in peace; this is **the DAY OF ETERNITY**.

50:35 They get anything they wish therein, and we have even more.

“Day of Judgment” GOD will be the only Judge on this “DAY,” in deciding who goes to Hell or Paradise. There will be no intercession, ransom, bribery, influence peddling, or corruption of any kind - in favor of anyone, or against anyone. GOD will be absolutely just towards all the people. His judgment will be the absolute decision.

51:6 **The Day of Judgment** is inevitable.

70:26-27 They believe in **the Day of Judgment**. They reverence their Lord's requital.

74:45-47 We blundered with the blunderers. We disbelieved in **the Day of Judgment**. Until certainty came to us now.

82:17-18 Awesome is **the Day of Judgment**. What a day; **the Day of Judgment**.

“Day or Resurrection” This basically means that after you have decomposed and turned into fragments or particles of any kinds, GOD will recreate you and resurrect you, to account for all your belief and deeds done in the earthly life. The example given in the Quran (43:11): He is the One who sends down from the sky water, in exact measure, to revive dead lands therewith. **Similarly, you will be resurrected.**

75:1-2 I swear by **the Day of Resurrection**. And I swear by the blaming soul.

75:6 He doubts **the Day of Resurrection**.

22:6-7 This proves that GOD is the Truth, and that He revives the dead, and that He is Omnipotent. And that the Hour is coming, no doubt about it, **and that GOD resurrects those who are in the graves.**

“Day of Decision” The people will hear the most important decision about their life, from GOD – the fortunate ones will be given the good news of forgiveness and Paradise, while the arrogant and the disbelieving ones will be led to Hell by the guards to suffer forever.

37:20-21 They will say, “Woe to us; this is the Day of Judgment.” This is **the Day of Decision** that you used to disbelieve in.

77:38 This is **the Day of Decision**. We have summoned you and the previous generations.

78:17-18 **The Day of Decision** is appointed. The day the horn is blown, and you come in throngs.

“The Appointed Day” It is a specific day that has been predetermined by GOD and cannot be advanced or delayed by anyone. It is fully controlled by the Creator and is appointed at a specific time and Hour to take place.

77:12-15 That is **the Appointed Day**. The Day of Decision. What a day of Decision! Woe on that day to the rejectors.

“Day of Reckoning” This will be the “DAY” free of all kinds of illusions or wishful thinking. It will be a “DAY” to reckon with – to accept the reality and truth of it. This will also be the

“DAY” when all the voices will be hushed and there will be only whispers, as a mark of respect for the Omnipotent Lord. The loud voices of the arrogant people will be silenced on that “DAY”

40:27 Moses said, “I seek refuge in my Lord and your Lord, from every arrogant one who does not believe in **the Day of Reckoning.**”

38:53-54 This is what you have deserved on **the Day of Reckoning.** Our provisions are inexhaustible.

38:26 Part of Verse: Surely, those who stray off the way of GOD incur severe retribution for forgetting **the Day of Reckoning.**

38:16 They challenged: “Our Lord, why do you not rush the retribution for us, **before the Day of Reckoning.**”

“Day of Summoning” One of GOD’S attribute is that **He is the Summoner.** He can summon anyone or all His creations anytime that He chooses. This DAY has been designed by Him to summon all the devils, the humans, the animals and other creatures to determine their fate for Eternity.

75:26-30 Indeed, when (the soul) reaches the throat. And it is ordered: “Let go!” He knows it is the end. Each leg will lay motionless next to the other leg. **To your LORD, on that DAY, is the summoning.**

67:24 Say, “He is the One who placed you on Earth, **and before Him you will be summoned.**”

40:32 O my people, I fear for you **the Day of Summoning.**

40:15 Possessor of the highest ranks, and Ruler of the whole dominion. He sends inspiration, bearing His commands, to whomever He chooses from among His servants, to warn about **the Day of Summoning.**

40:16 That is the Day when everyone will be completely exposed; none of them will hide anything from GOD. To whom belongs all sovereignty on that Day? **To GOD, the ONE, the SUPREME.**

19:68 **By your Lord, we will certainly summon them, together with the devils,** and will gather them around Hell, humiliated.

19:85 The Day will come **when we summon the righteous before the Most Gracious in a group.**

56:49-50 Say, “The early generations and the later generations. **Will be summoned to a meeting** on a predetermined Day.”

“Day of Mutual Blaming” The ones who lose their souls on that “DAY” and receive bad news about their fate, will inevitably argue, feud, and blame each other in order to find excuses for

their being astray on Earth. The leaders will blame their followers for blindly following them; the followers will blame the leaders for taking them away from the guidance when it came to them.

64:9 The Day will come when He summons you to the Day of Summoning. **That is the Day of Mutual Blaming**. Anyone who believes in GOD and leads a righteous life, He will remit His sins, and will admit him into gardens with flowing streams. They abide therein forever. This is the greatest triumph.

64:10 As for those who disbelieve and reject our revelations, they are the dwellers of the Hell-fire; they abide therein forever. What a miserable destiny!

“The Promised Day” GOD has promised certain things and events through the Quran. Out of these, the particular event of the “DAY of Judgment” is also promised by Him, which He says He will surely carry it out, and nothing can stop it from happening. This is the reason He asks the believers to stay on course in their full submission throughout their lives, and warns the disbelievers that they will have to face their LORD on this great, Inevitable DAY.

85:1-3 The sky and its galaxies. **The Promised Day**. The witness and the witnessed.

“A Day to be Witnessed” The Day of Resurrection will be the day all the people will be gathered before the Omnipotent Lord. They will witness GOD’s absolute decision and judgment regarding everyone’s fate. No one would be absent on this Day.

11:103-104 This should be a lesson for those who fear the retribution of the Hereafter. That is a Day when all the people will be summoned – **a Day to be Witnessed**. We have appointed a specific time for it to take place.

“The Inevitable Day” This DAY cannot be avoided; it is bound to happen. It has already been decreed and predetermined by GOD. This is why it is called the Inevitable Day.

3:9 Our Lord, You will surely gather the people on **a Day that is Inevitable**. GOD never breaks a promise.

56:1-3 **When the inevitable comes to pass**. Nothing can stop it from happening. It will lower some, and raise others.

51:5-6 What is promised to you will surely come to pass. **The Day of Judgment is inevitable**.

4:87 GOD: there is no god except He. He will surely summon you on the Day of Resurrection – **the Inevitable Day**. Whose narration is more truthful than GOD’s?

“The Last Day” The earthly life will end on this “DAY,” considered as the Last Day. The Test of the rebellious creatures evicted from Heaven early on, will end on this “DAY.” It is also given

this name, as it will involve finishing the existing universe, folding it like a book, and remaking the universe again, including redesigning the Earth for the righteous worshipers of GOD.

21:104 On that Day, we will fold the heaven, like the folding of a book. Just as we initiated the first creation, we will repeat it. This is our promise; we will certainly carry it out.

81:1-14 When the sun is rolled. The stars are crashed into each other. The mountains are wiped out. The reproduction is halted. The beasts are summoned. The oceans are set aflame. The souls are restored to their bodies. The girl who was buried alive is asked: For what crime was she killed? The records are made known. The heaven is removed. Hell is ignited. Paradise is presented. Every soul will know everything it brought.

82:1-5 When the heaven is shattered. The planets are scattered. The oceans are exploded. The graves are opened. Every soul will find out what caused it to advance, and what caused it to regress.

84:1-6 The time will come when the sky is ruptured. It will submit to its Lord and expire. The earth will be leveled. It will eject its contents, as it erupts. It will submit to its Lord and expire. **O humans, you are irreversibly heading for a meeting with your Lord.**

79:6-14 The day the quake quakes. Followed by the second blow. Certain minds will be terrified. Their eyes will be subdued. They will say, “We have been recreated from the grave! How did this happen when we had turned into rotten bones?” They had said, “This is an impossible recurrence.” All it takes is one nudge. Whereupon they get up.

30:55 On the day when the Hour will come to pass, the guilty will swear that they lasted (in this world) only one hour. That is how wrong they were.

30:56 Those who are blessed with knowledge and faith will say, “You have lasted, according to GOD’s decree, until the Day of Resurrection (**the Last Day**). Now, this is the Day of Resurrection, but you failed to recognize it.

30:57 Therefore, no apology, on that day, will benefit the transgressors, nor will they be excused.

The Last Day: 20:108 On that Day, everyone will follow the caller, without the slightest deviation. All sounds will be hushed before the Most Gracious; you will hear nothing but whispers.

The Last Day: 20:109 On that Day, intercession will be useless, except for those permitted by the Most Gracious, and whose utterances conform to His will.

The Last Day: 20:110 He knows their past and their future, while none encompasses His knowledge.

The Last Day: 20:111 All faces will submit to the Living, the Eternal, and those who are burdened by their transgressions will fail.

The Last Day: 20:112 As for those who worked righteousness, while believing, they will have no fear of injustice or adversity.

4:136 O you who believe, you shall believe in GOD and His messenger, and the scripture He has revealed through His messenger, and the scripture He has revealed before that. Anyone who

refuses to believe in GOD, and His angels, and His scriptures, and His messengers, and **the LAST DAY**, has indeed strayed far astray.

4:162 As for those among them who are well founded in knowledge, and the believers, they believe in what was revealed to you, and in what was revealed before you. They are observers of the Salat (Contact Prayers), and givers of the Zakat (obligatory charity); they are believers in GOD and **the LAST DAY**. We grant these a great recompense.

“Day Blue” This is the description given to the great “DAY of Accountability.” The majority of people will have a lot of regrets, remorse, after thoughts and deep sadness for disobeying GOD - His Authority, and for failing to submit fully when they were given an opportunity. For such people, it will be a somber and sad DAY, and they will be fearful of the dreadful consequences they will have to endure forever.

20:100 Those who disregard it (God’s message) will bear a load (of sins) on the Day of Resurrection.

20:101 Eternally they abide therein; what a miserable load on the Day of Resurrection!

20:102 That is the Day when the horn is blown, **and we summon the guilty on that “day blue.”**

20:103 Whispering among themselves, they will say, “You have stayed (in the first life) no more than ten days.

20:104 We are fully aware of their utterances. The most accurate among them will say, “You stayed no more than a day.”

Other descriptions ascribed to this special and eventful “DAY” are: a DAY to be witnessed by all; an awesome DAY; a difficult DAY; and also being a Day full of misery and trouble. Each human will worry about their own fate, and will not have the opportunity or the time to worry about others, like they did on Earth.

To express the **awesomeness** of this eventful DAY, I am going to recite the pair of verses and show you the miracle in it so that you can appreciate the awesome nature of this DAY.

82:17 Awesome is the Day of Judgment.

82:18 What a Day; the Day of Judgment!

Revealed: The Arabic letters are 17 and 18, **matching** with their respective verse numbers; this represents the “awesomeness” of the Event by matching them, **while creating a diff. of 1.**

Revealed: The Arabic letters of 17 and 18, **reveal a diff. of 1** – another awesome fact.

Revealed: The Quranic Initials in each verse are 13 and 14, **the diff. is 1** – another awesome fact.

Revealed: The Aleefs are 4 and 4 – **Matching**, another awesome fact.

Revealed: The Allah letters are 5 and 5 – **Matching**, another awesome fact.

Revealed: my letters are 9 and 9 – **Matching**, another awesome fact

These verses are accompanied and followed by the last verse of the chapter bearing number 19.

82:19 Part 1: That is the day when no soul can help another soul.

Part 2: And all decisions on that Day, will belong to ALLAH.

Revealed: The Allah letters are 5 and 6, **the diff. is 1** – Master of the Day of Judgment.

Revealed: Verse No. is 19, while my letters are 20, **the diff. is 1** – confirmed through the messenger, **that ALLAH will be the Master of the Day of Judgment.**

Revealed: The split of Arabic letters for each part are 19 and 14 – also confirmed through **the Sacred Codes.**

Revealed: The GV of my letters are 416 and 192.

Adding them, we have: $416 + 192 = 608 = \underline{19} \times 32$

Subtracting them, we get: $416 - 192 = 224 = \underline{14} \times 16$

It truly proves through GOD'S Sacred Codes that HE will be the Master of the Day of Judgment and all decisions will belong to Him.

GOD has also called this great Event, **a Day to be witnessed by all**, as all the people will be summoned.

73:17-18 If you disbelieve, **how can you evade a Day so terrible** that it makes the infants gray-haired? The heaven will shatter therefrom. His promise is true.

76:10-11 We fear from our Lord **a Day that is full of misery and trouble.** Consequently, GOD protects them from the evils of that Day, and rewards them with joy and contentment.

73:5 We will give you **a heavy message.**

76:27 These people are preoccupied with this fleeting life, while disregarding - just ahead of them – **a heavy day.**

54:46-48 The Hour is awaiting them, **and the Hour is far worse and more painful.** Certainly, the guilty are astray, and will end up in Hell. They will be dragged into Hellfire, forcibly. Suffer the agony of retribution.

75:20-23 Indeed, you love this fleeting life. While disregarding the Hereafter. **Some faces on that Day, will be happy.** Looking at their Lord.

75:24-25 Other faces will be, on that Day, miserable. **Expecting the worst.**

78:1-5 What are they questioning? **The "Great Event."** That is disputed by them. Indeed, they will find out. Most assuredly, they will find out.

You have heard and read some of the descriptions of the Day of Judgment, and there are more in the Quran. If the disbelievers and the hypocrites are not moved by GOD's verses and revelations, then they are like standing logs. Or worse still, their example given in the Quran is this:

47:12 Part 1: GOD admits those who believe and lead a righteous life into gardens with flowing streams.

47:12 Part 2: As for those who disbelieve, they live and eat like the animals eat, then end up in the Hellfire.

Revealed: The Aleefs are 10 and 9, the **diff. is 1**; the entire verse is surrounded by **19 Aleefs**.

The people have to decide whether they want to live and die as believers, or live and die as animals without knowing the “purpose of life?” This is the only chance to reform and make amends to your lives. There is no middle path, or middle ground, so to say. Just like the above verse, 47:12 - that I recited was marked with 19 Aleefs, as a profound Sign from GOD; similarly, I am going to recite another verse in this chapter marked with 19 Aleefs. These are choices offered by GOD, and only the righteous and those who possess intelligence will take heed. Hear this:

47:15 The allegory of Paradise that is promised for the righteous is this: it has rivers of unpolluted water, and rivers of fresh milk, and rivers of wine – delicious for the drinkers – and rivers of strained honey. They have all kinds of fruits therein, and forgiveness from their Lord. (Are they better) Or those who abide forever in the Hellfire, and drink hellish water that tears up their intestines?

Choice given by GOD with Proof: The Aleefs surrounding this verse are **19**- glory be to GOD.

GOD reminds the righteous to be fully aware of the Hereafter, and to meditate at night to reflect on the Day of Judgment.

39:9 Is it not better to be one of those who meditate in the night, prostrating and staying up, being aware of the Hereafter, and seeking the mercy of their Lord? Say, “Are those who know equal to those who do not know?” Only those who possess intelligence will take heed.

Prepare for the Hereafter: The Allah letters are **38**, and my letters are **57**, the diff. is **19** – This clearly proves that in order to meet the Lord of the Universe on the Day of Judgment, the believers and the righteous have to prepare by following the messengers, as the number 19 is created between Allah letters and the messenger’s letters, both being multiples of 19.

39:9 Part of Verse: Say, “Are those who know equal to those who do not know?”

The Knowledgeable Identified: Allah letters are 11, my letters are 25, the diff. is **14** – the ones who believe in the Code of **the Seven Pairs** are the informed worshipers of GOD.

39:9 Part of Verse: Only those who possess intelligence will take heed.

The Intelligent Identified: Allah letters are 9, and my letters are 10, **the diff. is 1** – the ones who reverently believe in the Supreme Authority of 1 GOD and prove it by following His messengers are the only intelligent ones.

A Sure Confirmation: The GV of Allah letters is 96, and of my letters is 206, **the diff. is 110**, this truly confirms that the people who uphold GOD’s Absolute Authority are the intelligent ones, who prepare to meet their Lord on the Day of Judgment.

GOD also informs the people that He will be **the only Judge**, who will decide between

the disputes of the people that they had on Earth, and reveals it through a set of coded verses:

32:25 Your Lord is the One who will judge them on the Day of Resurrection, regarding everything they had disputed.

32:26 Does it ever occur to them how many generations we have annihilated before them? They now live and walk in their ancestors' homes. This should provide sufficient proofs. Do they not hear?

Revealed: The Allah letters are **12** and **21**, revealing the special coding and pattern of **1221**. This number represents the GV of the verse, 74:30, saying "Over it is nineteen." This number has the same significance as the number 19, and GOD has used this pattern and Code in many verses.

Revealed: my name letters are $25 + 41 = \mathbf{66}$, revealing the glorified name of **ALLAH**, Most Praiseworthy. As stated in the Quran, and now verified through GOD's name letters and those of the messenger, He will be the only Judge to decide between the affairs and disputes of all the humans, on the great Day of Resurrection and Accountability.

*** This concludes the Khutbah, and should be read for the weeks of July 28, 2006 and August 4, 2006.

*** I shall be out of town over the next 2 weeks, GOD willing. After coming back, I shall recite and post the final sermon on this subject with concrete proofs about Hell and Paradise.

Praise GOD for revealing so much vital information from the Quran, which should help in removing doubts about the meeting with our Lord on the Day of Judgment. It gives a chance to all of you to prepare for it, and to prepare earnestly with the all the devotion, zeal and sincerity.

27:59 Say, "Praise be to ALLAH and peace be upon the servants whom He chose. Is ALLAH better, or the idols some people set up?"

A Reminder: 40:16 "To whom belongs all sovereignty on that Day?"

The Answer: 40:16 "To ALLAH, the One, the Supreme."

Revealed: The Arabic letters are 13 and 14, the diff. is 1 – The One, The Supreme.

Revealed: The Aleefs are 2 and 3, the diff. is 1 – the Absolute Lord of the universe.

“GOD BE GLORIFIED FAR ABOVE THEIR CLAIMS”

“GOD BE GLORIFIED FAR ABOVE WHAT THEY ASSOCIATE WITH HIM”
