Sermon:

IMPLORING GOD TO REMOVE ADVERSITY AND AFFLICTION

I seek refuge in Allah from satan the rejected.
In the name of Allah, the Most Gracious, the Most Merciful.

I see some of the believers go through a prolonged test of health, disease, adversity, affliction or other problems. They could also be job related or not making enough money to support themselves and their families. We all go through different tests during our lives. God tests us through good times and better health, compared with bad times and failing health. We have been informed through the following verses that:

21:111 For all that I know, this world is a test for you, and a temporary enjoyment.

21:35 Every soul will taste death, after we put you to the test through adversity and prosperity, then to us you ultimately return.

2:155 We will surely test you through some fear, hunger, and loss of money, lives, and crops. Give good news to the steadfast.

These were some of the verses alerting every believer to know what they will be going through in this life, and to be steadfast in their worship of the Almighty, even though we may dislike some of these tests. All of the humans have to go through the Test that GOD has instituted for them. The messengers are just human beings like others, and they go through the same process applicable to other people. The messengers are asked not to dismiss any believing person, and they are close to the believers. Being close means that it hurts them when they see the suffering of other believing people. At times, they can feel saddened about their own plight or of others, during trying and difficult times. The believers (**223**) are made especially aware by the Coding under their name through a part of verse 2:214, which states:

2:214 Do you expect to enter Paradise without being tested like those before you?

Revealed: The GV of Allah letters is **223** and “**the Believers**” has the GV of **223** also.

By taking the second part of the verse, the difference revealed is the name of the **Lord, 202**

2:214 Part 2: They were tested with hardship and adversity, **and were shaken up**, until the messenger and those who believed with him said, “Where is God’s victory?” God’s victory is near.

Revealed: The GV of Allah letters for Part 2 is 425, for Part 1 is 223, the diff. is **202 – LORD**. GOD is the One who conducts and puts us to the test. Sometimes it could severe enough to shake up the messenger and the believers.

We as believers have opted to strive for the highest reward that God will bestow in the Hereafter – the eternal and peaceful abode of Paradise, free of all kinds of problems and tests - with unlimited provisions. To achieve this goal, we should be prepared to make sacrifices in the

cause of God and to please Him. Only then can we hope to be redeemed into the eternal Paradise. There are all kinds of obstacles that we have to overcome – the main one is the interference of satan in our belief in God, and in the pursuit of righteousness advocated by God. Everyone should know and be aware that satan is a living being who is also striving to divert all the humans from the path of God. This makes the test even tougher for us and requires a strong sense of focus on Islam, and continuous remembrance of God in all situations – good and bad, to overcome satan’s influence. All of this goes back to the Heavenly Feud; this topic comes up frequently, so that you can be enlightened with the historical background and the rationale behind things that you do not know. Let me cite some verses on satan’s challenge to God, which makes most people unappreciative to turn to their Lord in this life.

Satan’s Challenge:

7:17 Part 1: I will come to them from before them, and from behind them.

Part 2: And from their right and from their left, and You will find that most of them are unappreciative.

Revealed: The Aleefs are 2 and 4, **the diff. is 2** – Challenge to God’s Absolute Authority.

Revealed: The Allah letters are 7 and 9, **the diff. is 2** – Blaspheming the name of Allah.

Revealed: my name letters are 18 and 16, **the diff. is 2**- repelling from the path of messengers.

These proofs within the verse make the historical fact abundantly clear that satan (Iblees) will do his best to challenge God’s Absolute Authority, to blaspheme His Glorified Name – ALLAH, distract and repel the humans from following the guidance sent down through the messengers and to reject God’s commands. In general, satan tries to ensure disobedience to God.

The “**Revelation of 2 gods,**” constituting “**Idolatry**” is revealed, to alert and warn the people not to go against the command of **16:51, which tells us not to worship 2 gods, but worship and reverence only 1 GOD.** The second god is satan, who interferes in everything that God commands, says, or reveals. It is evident that we are surrounded by satan all the time from all sides, as verse 7:17 tells us. The last part is marked to enlighten us with satan’s scheme to turn the majority into unappreciative human beings. Satan himself was unappreciative of God’s blessings, and by rejecting the command to prostrate before Adam, proved to be such. Now his goal is to make sure that the human beings do the same.

7:17 “You will find that most of them are unappreciative.”

Revealed: Allah letters are 4, and my letters are 5, **the diff. is 1.** This fact is true for most humans who do not believe and worship God without committing various forms of idol worship, as stated in 12:106. As this fact is revealed through the messenger’s name letters, it also proves that most people will reject God’s messengers and His guidance.

The above verse **7:17** has a follow up verse to clarify the historical events further:

7:18 He (God) said, “Get out therefrom, despised and defeated. Those among them who follow you, I will fill Hell with you all.

Revealed: Verse **7:17**, Allah letters are 16, in Verse **7:18**, Allah letters are 15, **the diff. is 1.** This clear revelation proves the Heavenly Feud and proves satan’s challenge to **God’s Authority.**

Moreover, **verses 7:17-18** are wrapped around with **14 Aleefs**, signifying **the Seven Pairs**, that seal and bind the verses from satan's subjects who may try to distort God's words. After satan (Iblees) proclaimed the challenge to God's Absolute Authority, given in verse **7:17**, it was accepted by ALLAH, Most Glorified, who sent down this verse to confirm this historical fact, again backed up by the solid proof of **the Seven Pairs**.

17:64 Part of Verse: You (satan) may entice them with your voice, and mobilize all your forces and all your men against them, and share in their money and children, and promise them.
Revealed: Allah letters are 20, and my letters are 34, the diff. is **14** – **Proof of the Seven Pairs**.
The last part is again marked with the **“Revelation of 1”** just like **7:17**.

17:64 Ending Part: **“Anything the devil promises is no more than an illusion.”**
Revealed: The Allah letters are 8, and my letters are 9, **the diff. is 1**. This should enlighten you to avoid listening to all outside voices, as there are jinn and human devils bent on sending you astray. The only exception is God's messengers who are given the truth and the proofs so that you may recognize them. One of the clearest proofs is, as you observe on this website, that nothing is written or presented, except the Quran. There are no quotations from other sources, books, or human teachings at all, except the Quran and whatever comes out of it. AlhamdoLillah.

The lesson for the human race is given through the example of the first human being, **Adam**, who was duped and lead astray by Iblees (satan) to disobey God. Adam was also evicted from Paradise and sent down to Earth. He had to prove his total reverence and worship of God in all situations by repenting, and carrying out the commands of God alone. In the Paradise, he was given only the command not to go near a certain tree and eat from it, but on earth he was given **the words of God** (which are in the plural), **meaning more than one command**. According to God's plan, he fulfilled them and was redeemed, as the verse will clearly reveal 2 facts – **Allah (66)** and **His Absolute Authority (110)**. These are a must for redemption for each human being.

2:37 Part 1: Then, Adam received from his Lord words.

Revealed: The GV of Allah letters is precisely **66** – Adam received the commands from ALLAH (GV **66**) through **His words**.

Part 2: Whereby He redeemed him. He is the Redeemer, Most Merciful.

Revealed: The GV of Allah letters is precisely **110** – When Adam fulfilled all the commands of **Allah (66)** without following satan, he proved himself to uphold **the Absolute Authority of God (110)**. This enabled him to be redeemed. (110 is the GV of La Elaha Ella Hoo – there is no god but **HE**)

As I have been revealed certain facts from the Quran through the revelations of God, which are unknown to other human beings; it is my duty to bring them to the attention of other people seeking the entire truth. My concern for the believers made me meditate on God to come up with some verses from the Quran that we all can recite during adversity and affliction. You could not possibly recite the entire Quran to implore for specific situations; perhaps it would make it easy on the believers to recite certain verses that I have compiled by God's leave. It is indeed a mercy from the Omnipotent Lord of the universe that He has opened up the path of inspiration to me, whereby He confirms and authenticates what I write by matching it with certain numbers that are part of the revelations given to me. This is the only way I know that it is

acceptable to my Lord. This is the only way I know that He has approved what I have written and assures my heart through the communication with the Most Merciful Lord.

The believers are hereby blessed through the messenger to recite some verses from the Quran given in this khutbah, which tie in to the mathematical code of GOD, with the number **165** denoting **His Absoluteness (Al-Samad)**, and **His Shahadah (La Elaha Ella Allah)**, both of which have the GV of **165** also. If you desire, you may recite the following verses (some are part of verses only given below) frequently to commemorate God and to implore for His mercy, to alleviate or remove your afflictions and adversities. These are sequenced in accordance with God's will, and you should recite them in the same manner. **The believers (223)** have to be sincere when they implore God for anything, as He is fully aware of our hidden thoughts and whatever they conceal in their hearts. This fact is brought out through a very important set of verses connected to the Heavenly Feud and made a **LAW** till the Day of Judgment.

38:82 He (Iblees) said, "I swear by Your Majesty, that I will send them all astray."

38:83 "Except Your worshipers who are devoted absolutely to You alone."

Revealed: Verse No. 82 + Verse No. 83 = **165** – satan vowed to send the majority astray, except the sincere and devoted worshipers of ALLAH, who uphold **His Absolute Authority (165)**.

Revealed: The **Aleefs** are 3 and 4, **the diff. is 1** – satan does not have any power over the sincere believers who uphold God's Absolute Authority, through their utterances and actions. This will now be proven through the messenger's name letters.

Revealed: **my name letters** are 11 and 10, the diff. is **ONE** – following the messenger of God is the only safe path to follow, in order to avoid being duped by satan.

38:83 "Except Your worshipers who are devoted to You alone."

(Who is considered by God to be the devoted worshipers? Note the answer below!)

Revealed: The Allah letters are 8, and my name initials are 9, **the diff. is 1**

Revealed: my name initials are 9, and my name letters are 10, **the diff. is 1**

Revealed: The GV of Allah letters is 99, and my letters is 322, the diff. is **223** – **The Believers**, who are defined as believing in God and all His messengers, without making any distinction among them.

Do not be like the hypocritical believers mentioned in the verses **34:20-21**, marked under the Sacred Codes of 14 and 19.

34:20 Satan found them readily fulfilling his expectations. They followed him, except a few believers.

Allah letters are 14

34:21 He (satan) never had any power over them. But we thus distinguish those who believe in the Hereafter from those who are doubtful about it.
