

I seek refuge in Allah from satan the rejected  
In the name of Allah, the Most Gracious, the Most Merciful

It was God's promise to send guidance to the human beings on Earth. He has done it several times - conveyed and delivered messages through His scriptures. These scriptures and messages are sent through the prophets and the messengers appointed by Him. In the past, some of the guidance and messages may have been for specific communities. As the world population grew and increased multifold, God sent the Final Scripture – called “The Quran.” This last and final scripture is fully detailed, and is encoded with “hidden messages” till the Day of Judgment. Although it was sent down to a particular community – the Arabs - it was not confined to them; rather it is meant to deliver the message to the entire world, which includes all the countries on earth. By this token, the message is very serious, important, heavy, and ongoing.

**81:27** This is a message to all the people.

**68:52** It is in fact a message to the world.

**Revealed:** my letters are 9 and 10, the diff. is 1 ( the sum is 19 )

**Revealed:** Allah letters are 8 and 8 – Matching

**Revealed:** The GV of Allah letters are 128 and 128 – Matching, and reveal the name of the messenger – Husain, through each verse. The ultimate miracle and message has now come, glory be to God.

The above revelation informs us about the system through which GOD reveals His messages. The Quran was sent down containing all the messages, and a verse from it tells us that the message has been delivered to the people of the earth. It is easily available and accessible for those seeking the right path.

**21:10** We have sent down to you a scripture containing your message. Do you not understand?

**28:51** We have delivered the message to them, that they may take heed.

**Revealed:** The Allah letters are 12 and 11, the diff. is 1. This proves that the message has been delivered to the people through the “Revelation of 1” sent through this messenger.

**Revealed:** The GV of Allah letters for each verse are 161 + 222, the sum is **383**, Matching the GV of Al-Quran. Through the Quran, the entire message has been revealed and delivered to the people. The GV of 222 in verse 28:51 represents the value of “Rabbayka – your Lord,” who confirms that the message has been delivered to the people, through His messengers.

**21:10 Part 1:** We have sent down to you a scripture containing your message.

**Revealed:** GV of my name letters is 392, a multiple of 14

**21:10 Part 2:** Do you not understand?

**Revealed:** GV of my name letters for entire verse is 608, a multiple of 19 – Quran with Sacred Codes.

**21:10** GV of my letters is 608

**28:51** GV of my letters is 624, the sum is  $1232 = 14 \times 88$

**Revealed:** Both Verses: GV of Allah letters 383 + GV of my letters 1232 = 1615 =  $19 \times 85$

In order to provide complete assurance to the people, the Most Gracious Lord even reveals His name,

**ALLAH – 66** through the messenger’s name letters, who has been blessed with the Ultimate Miracles.

**21:10** We have sent down to you a scripture containing your message.

**28:51** We have delivered the message to them.

**Revealed:** my name letters are 11 and 12, the diff. is 1

**Revealed:** The GV of my letters are 392 and 458, **the difference is 66**. This great revelation from **ALLAH** proves and confirms that the message through Makbool Husain has been conveyed to the people. Glory be to my Lord.

**21:10 Part 2 of Verse:** Do you not understand?

**28:51 Part 2 of Verse:** That they may take heed.

**Revealed:** The Allah letters are 4 and 3, the diff. is 1

**Revealed:** my name letters are 5 and 6, the diff. is 1

The majority of the people are confused and lost during their lives. Either they follow their parent’s religion blindly, or are skeptical about it, or cannot find the truth that they are looking for. Anyone sincerely searching for the Truth can easily find it – by reading the scriptures to see which one is logical, consistent, without flaws, and free of human distortions. They will find “the Quran” to be exceptional and unique as compared to all other books. It is infallible, without flaws, and comes from the Lord of the Universe. This Book is especially encoded – even bearing the name letters of the messengers within the verses; all of this is an invisible phenomenon to the average eye. For example, look at this:

**2:2 Part of Verse:** This scripture is infallible.

**Revealed:** The Allah letters are 6, and my letters are 7, the diff. is 1

**Revealed:** The GV of my letters is precisely 114, being the number of chapters in the Quran.

**4:82 Part of Verse:** If it were from other than GOD, they would have found in it numerous contradictions.

**Revealed:** The GV of Allah letters is 166 and of my letters is 394. Watch the Miracle proving there are no contradictions in the Quran – the Ultimate Miracle of the Sacred Codes of Allah along with His messenger confirms it.

Sum of GV of Allah letters 166 + GV of my letters 394 = 560 = **14** x 40

Diff. of GV of Allah letters 166 and of my letters 394 = 228 = **19** x 12

**18:1** Praise GOD, who revealed to His servant this scripture, and made it flawless.

**Revealed:** The Allah letters are 18, and my name initials are 17, the diff. is 1 – “Revelation of One”

**18:2** A perfect (scripture) to warn of severe retribution from Him, and to deliver good news to the believers who lead a righteous life, that they have earned a generous recompense.

**Revealed:** The Allah letters are 21, and my initials are 35, **the diff. is 14** – “Revelation of 7 Pairs”

**Revealed:** Both Verses: my name letters are 21 and 40, **the difference is 19** – This shows that the Sacred Scripture, the Quran, is composed and structured with the Creator’s name letters as well as those of His messengers - assigned to deliver His messages to the people.

You may wonder why God left a blank after the word “**Qayyeman – Perfect.**” Had He written what He is referring to – the word scripture – the coded message and proof reserved for His

messenger **would not** have been revealed, with the precise difference of **19**. This displays and proves the immense wisdom of God in structuring and composing the Quran. These proofs and revelations point to the inspiration given to me, which is evident to all the people. Choosing the path in your life should be a straightforward decision – and the path should also be the right and the truthful one.

Just like the Quran exposes the truthful believers from the hypocrites; similarly, it will also expose a false messenger from an authorized, truthful one. The names of future messengers after its revelation to Muhammad, are intricately woven within the verses, so that the people can recognize the messenger sent and appointed by God. Another example is through the verse that says:

**39:23 ALLAH** has revealed herein the best **HADITH**.

**Revealed:** The GV of Allah letters is **128**, revealing my last name, **HUSAIN**, glory be to God.

**Revealed:** The GV of my name letters is **306**, revealing my full name, Makbool Husain.

Both ways, the lettering of Allah, Most Glorified, as well as through my name letters reveal the name of the messenger sent with the Ultimate Miracles of the Quran to deliver a profound message.

**39:23** (Part of Vs. after Hadith) A book that is consistent, and points out both ways (to Paradise and Hell). The skins of those who reverence their **LORD**.

**Revealed:** In this part, from “book to Lord, my name initials are **14**, and matched with my name letters being **19**, to reveal the Sacred Coding of God through my name letters. This ultimate message is really for people whose skins cringe in reverence for **GOD**; then their skins and hearts soften up for His message. By comparing 2 essential parts of the verse, the miracle and the message become even more clear.

**39:23 Part of Vs:** ALLAH has revealed herein the best **HADITH**.

**Part of Verse:** Such is ALLAH’s guidance; he bestows it upon whomever He wills.

**Revealed:** The Allah letters are 8 and 9, **the diff. is 1**

**Revealed:** my name letters are 10 and 10 – **Matching**.

**39:23** Such is God’s guidance; He bestows it upon whomever He wills.

**Revealed:** The Allah letters are 9, and my letters are 10, **the diff. is 1**

As for the idolatry committed by the disbelievers who are sent astray by **GOD**, it is also clearly defined and pointed out by putting comparable parts of the verse into perspective.

**39:23 Part of Vs:** Such is God’s guidance; He bestows it upon whomever He wills.

**Part of Verse:** As for those sent astray by **GOD**, nothing can guide them.

**Revealed:** The Allah letters are 9 and 11, the diff. is 2 – Sent astray by **GOD** to disbelieve in Him.

**Revealed:** My name letters are 10 and 12, the diff. is 2 – The ones sent astray by God cannot believe in His messenger either. Why? It is because they disbelieved in the Absolute Authority of God as 1, represented by an Aleef.

**Revealed:** The Aleefs are 2 and 3, **the diff. is 1**.

**6:93 Part 1:** Who is more evil than one who fabricates lies and attributes them to **GOD**, or says, “I have received divine inspiration,” when no such inspiration was given to him, or says, “I can write the same as God’s revelations?”

**Part 2:** If only you could see the transgressors at the time of death! The angels extend their hands to them, saying, “Let go of your souls. Today, you have incurred a shameful retribution for saying about God other than the truth, and for being too arrogant to accept His revelations.

**Revealed:** The Allah letters are split up as 31 and 35 to total precisely **66** on the word: “revelations.” The split reveals His Shahadah and Absolute Authority:  $31,35 = \underline{19} \times \underline{165}$

**Revealed:** The Allah letters are **66**, and my name initials are **85**, **the difference is 19**

**Revealed:** my name letters are **110**, revealing the **Absoluteness of God** in sending His messenger.

**6:93** and **3:78** are the two verses that will identify a truthful messenger from the unauthorized one, and are specifically marked with the **Code of Seven Pairs**. Reflect on the chapter and verse numbers assigned to them. First I will show you the miracles embedded within verse **6:93** and later on show you the miracles embedded in verse **3:78**. Both of these reveal the supreme, incontrovertible, amazing miracle of **the Sacred Codes of 19 and 14** through Allah letters and my name initials.

$$6,93 = \underline{7} \times 99$$

$$3,78 = \underline{14} \times 27$$

**6:93 Part 1:** Who is more evil than one who fabricates lies and attributes them to God?

**Revealed:** my name letters are **14 – Seven Pairs**.

**Part of Verse:** The angels extend their hands to them, saying, “Let go of your souls.”

**Revealed:** my name letters are **14 – Seven Pairs**.

**Part of Verse:** Or says, “I have received divine inspiration,” when no such inspiration was given to him.

**Part of Verse:** Or says, “I can write the same as God’s revelations”?

**Revealed:** The Allah letters are 10 and 12, the diff. is **2 – Idolatry**

**Revealed:** my name letters are 17 and 15, the diff. is **2 – Idolatry - MATCHING**

**QUESTION:** Can anyone write the same as God’s revelations in Arabic or its translation in another language? Experience and witness this yourself, as God writes simple words with complex mathematical structure to stun the hypocrites and the disbelievers, including the unauthorized false messengers.

**Part of Verse: (B)** Or says, “I can write the same as God’s revelations.”

**Revealed:** The GV of Allah letters is  $190 = \underline{19} \times 10$  revealing **the Code of 19**

**Revealed:** The GV of my letters are  $616 = \underline{14} \times 44$  revealing **the Code of 14 (Sacred Codes)**

**Part of Verse: (A)** Or says, “I have received divine inspiration,” when no such inspiration was given to him.

**Revealed:** the GV of my name letters is 350, **a multiple of 14**

**Revealed:** The diff. of GV of my letters for Parts A and B (350 & 616) is  $266 = \underline{19} \times \underline{14}$

**Part of Verse:** Or says, “I have received divine inspiration.”

**Part of Verse:** When no such inspiration was given to him.

**Revealed:** my name letters are 8 and 9, **the diff. is 1 – the truthful “revelation of 1” from God.**

**Part of Verse:** Today, you have incurred a shameful retribution for saying about God other than the truth, and for being too arrogant to accept His revelations.

**Revealed:** The Allah letters are 17, and my letters are 36, **the diff. is 19**

**Part of Verse:** “If only you could see the transgressors at the time of death! The angels extend their hands to them, saying, “Let go of your souls.”

**Part of Verse:** Today, you have incurred a shameful retribution for saying about God other than the truth.

**Revealed:** my name letters are 28 and 27, **the diff. is 1** – the **truthful messenger** is identified here.

**Part of Vs:** If only you could see the transgressors at the time of death! The angels extend their hands to them, saying, “Let go of your souls.”

**Part of Vs:** Today, you have incurred a shameful retribution for saying about God other than the truth, and for being too arrogant to accept His revelations.

**Revealed:** The Allah letters are 18 and 17, **the diff. is 1** – The **truthful Revelation** is confirmed.

**3:78** Among them are those who twist their tongues to imitate the scripture, that you may think it is from the scripture, when it is not from the scripture, and they claim that it is from GOD, when it is not from GOD. Thus, they utter lies and attribute them to GOD knowingly.

**Revealed:** The Allah letters are **40**, and my name initials are **54**, **the difference is 14**

**Note that in 6:93, the diff. in Allah letters and my initials was 19, thereby completing the Sacred Codes under these 2 very important verses exposing false messengers and religious preachers, who attribute lies to God knowingly.**

**3:78 Part of Verse:** “That you may think it is from the scripture.”

**Revealed:** The GV of Allah letters is **66**, and GV of my letters is **228**, the diff. is **162**. You can see that the GV of Submission (162) is revealed through Allah and His messenger’s name letters. The agents of satan will make you believe that what they say is from the scripture, when in fact it is not. If you believe and follow them, you have then submitted to idols and not to ALLAH.

**3:78 Part of Verse:** And they claim that it is from ALLAH,

**Part of Verse:** When it is not from ALLAH.

**Revealed:** The GV of my letters are 414 and 252, the diff. is **162** again. The only ones that God commands you to obey and follow are His authorized messengers sent with Signs, such as the ones you are witnessing. These Signs speak a language to confirm everything GOD is saying through the verses. The majority of those who follow the scripture will divert you from the path of submission (**162**), as God tells us in verses 3:100 and 6:116

Most people remain doubtful about God and His revelations. If the people could find mistakes in them, they would readily mock them. Even though the scriptures of God are perfect and flawless, they still mock Him, His revelations and His messengers.

Most humans are given the knowledge and the instinct to differentiate right from wrong, good from evil, truth from lies, facts from conjecture. If they purposely put off the decision to search

for the Truth and to believe in it, then they suffer from a lost opportunity and remorse later on. But if they make a conscientious effort to implore God to show them the Truth, then surely He will respond to them and guide them. The guidance is offered through His messengers, and all the people are expected to respond to such guidance. Through this system, you get a chance to prove that you indeed uphold God's Absolute Authority and to counter and defeat satan's challenge to God's authority. Reflect on these verses, again marked with precise lettering of the messenger:

**96:11** Is it not better for him to follow the guidance?

**Revealed:** The Allah letters are 7, and my letters are also 7 – Matched to reveal **the Seven Pairs**

**96:11** Is it not better for him to follow the guidance?

**96:13** If he disbelieves and turns away.

**Revealed:** my name letters are 7 and 7 in each verse – Matched to reveal **the Seven Pairs** guidance.

**Revealed:** The GV of my letters for each verse are 190 and 114, multiples of 19. The number 114 represents the total number of chapters in the Quran, through which the guidance has been sent to the people.

When deciding to choose the straight path to your Lord, you want to be sure that the guidance is indeed coming from God, and the human being proclaiming as such is not an imposter. Here is the sure proof for your concerns:

**92:12** We provide the guidance.

**Revealed:** The Allah letters are 6, and my letters are 7, **the diff. is 1** – this provides the concrete proof that the guidance offered through me is truthfully from GOD, Lord of the universe.

As stated in earlier paragraph, God has given the guidance to all the humans, except the handicapped, to differentiate between truth and falsehood; to decide and choose between the two paths in life – the evil and the good. This is also proven:

**90:10** Did we not show him the two paths?

**91:8** Then showed it what is evil and good.

**Revealed:** my name letters are 7 and 6, **the diff. is 1** – The good path is believing and reverencing God through His messengers, by following and obeying them. The evil path is adopted by turning away and rejecting God's messengers.

Being unaware of the presence of GOD in His vast universe, whereby He shows the humans miracles after miracles through His multitudes of creations, is the biggest folly and ignorance. It is no different than being a "homeless person" on the street who does not even acknowledge or recognize himself, or where he belongs. Being human, demands that you acknowledge your existence and identity, then rationalize as to who created you and everything around you, and the purpose of life. It does not take much to observe and see the preset formula occurring each day and happening in everyone's life. It starts with the process of being born on earth, followed by death at some point with a predetermined life span. Your life consists of an ongoing process of sleeping during the night, and waking up in the morning. The life cycle involves regular periods of food and liquid intake, and then passing out some of it through excretions. In addition to all this, there is the regular cycle of rotation of night and day, the earth, and the rising and setting of the sun and moon. There is no deviation from all

of this, and is beyond the human control or wishes. Each human being should ponder seriously why it should take them so long to reflect, believe and follow the right path, rather than a short time; especially when the cycle of life is running on a preset formula and is controlled by the One, Supreme God. To draw the attention of the disbelieving humans, GOD has even stated that He observes and sees, after each message has been sent down to earth. He sees as to who believes and who does not, and who accepts or rejects His Absolute Authority.

**96:14 Does He not realize that GOD sees?**

**Revealed:** this verse is marked under the **number 14**, drawing the attention of the disbelievers to the awesome **Code of the Seven Pairs**, which has confirmed the entire Quran.

**Revealed:** The GV of Allah letters is precisely **128**, revealing the name of the messenger, **Husain**, and again informing the hypocrites and the disbelievers that GOD sees and notices the response to His messengers and messages. Another comparable verse is marked with **the number 7** – to highlight the significance of **the Seven Pairs**:

**90:7 Does he think that no one sees him?**

The disbelievers are warned and put to notice to give up their notion of being alone in the universe without someone watching over them or observing them. The consistent, eternal presence of GOD is always there to see, witness, and record every action of your life, in order to hold everyone accountable on the Day of Judgment, as the following verses prove:

**84:14** He thought that he will never be called to account.

**84:15** Yes indeed, his LORD was SEER of him.

**Revealed:** The Aleefs are 2 and 3, **the diff. is 1** – the Absolute God is Omnipresent.

**Revealed:** my name letters are 8 and 9, **the diff. is 1**. Everyone is fully accountable for their evil deeds, and for rejecting God’s messages and messengers, glory be to Him.

To reinforce the above verses and the message, GOD swears by His own creations of dusk, the night and the moon, which all the humans observe and acknowledge, without disputing about them. Everyone is fully aware of the phenomena – they are not stationary and move from stage to stage, just like our lives move from one stage to another. Today is never the same as yesterday, and tomorrow will never be the same like today. The swearing of GOD is coded under the ultimate miracle of **14 – the Seven Pairs**, followed by **verse number 19**, to reveal the ultimate miracle of the Sacred Codes. The verse **84:19** is further connected and linked to another similar verse to reveal the **“Revelation of 1, as well as the Sacred Codes.”** These proofs bring out and glorify the name of the Author of the Quran, the Most Wise Lord of the Universe.

**84:16** I solemnly swear by the rosy dusk.

**84:17** And the night as it spreads.

**84:18** And the moon and its phases.

**Revealed:** The Allah letters are 5 – 4 – 5, the difference each time between the numbers **is 1**

**Revealed:** The sum of all Allah letters is  $5 + 4 + 5 =$  **14**, **THE SEVEN PAIRS**, glory be to GOD.

**84:19** You will move from stage to stage.

**71:14** He is the One who created you in stages.

**Revealed:** The chapters 71 up to 84 are precisely **14**, and the verse numbers are **19 and 14**.

**Revealed:** The Arabic letters in each verse are 15 and 14, **the difference is 1**.

Both of the revelations of ultimate miracles are thus revealed through this set of comparable verses. These verses additionally point out to the different stages of life that the human being goes through, from birth to death.

**84:21** And when the Quran is recited to them, they do not fall prostrate.

**Revealed:** The GV of Allah letters is a perfect **100** – the disbelievers refuse to prostrate upon hearing His Sacred Words, as they do not believe in His Absolute Authority being 100 percent.

**84:22** This is because those who disbelieved are rejecting (the Quran).

**Revealed:** The GV of Allah letters for both verses is **162** – the disbelievers reject the religion of Submission (Al-Islam) by rejecting either the entire Quran, or accepting only partially. Even if they accept the Quran to be truthful, they refuse to uphold all the commands of God.

**Revealed:** The GV of my letters are:

Verse **84:21** GV of my letters is  $532 = \underline{19} \times 28$

Verse **84:22** GV of my letters is  $196 = \underline{14} \times 14$

Both of the verses are sacredly marked with the messenger's name letters to reveal the Sacred Codes – the response of prostration is noted by GOD when the messenger recites God's revelations to the people through the Quran. What you read and see every week in these sermons are also GOD's revelations from the Quran, and your submission is noted whether you prostrate to Him or not.

I have been inspired by God, and am no more than a messenger like the ones before me. The numerous and inexhaustible proofs speak on their own. Those who believe that the Quran is from God and uphold it; will have no hesitation in their hearts to accept His messages and messengers. Those who have doubts in their hearts; the proofs should remove their doubts, if they are sincere. But those who have chosen the path of straying, nothing can help to guide them. Simply put, I am a deliverer of God's message, as the verse tells you:

**88:21** You shall remind, for your mission is to deliver this reminder.

**Revealed:** The Allah letters are 3, and my letters are 4, **the diff. is 1** – a serious reminder from God.

**88:22** You have no power over them.

**88:23** As for those who turn away and disbelieve.

**Revealed:** Allah letters are 3 and 4, **the diff. is 1**

**Revealed:** my name letters are 8 and 7, **the diff. is 1**

**88:24** GOD will commit them to the great retribution.

**88:25** To us is their ultimate destiny.

**Revealed:** my name letters are 8 and 7, **the diff. is 1**

**88:25** To us is their ultimate destiny.

**88:26** Then we will call them to account.

**Revealed:** Allah letters are 7 and 5, **the diff. is 2** – idolatry committed by the disbelievers.

**Revealed:** my name letters are 7 and 9, **the diff. is 2** – Matching. This points out that disbelief in God's messenger constitutes "idolatry and worship of the devil." They will be held accountable!

The coming of a messenger provides a unique opportunity to all the people to have their past sins forgiven. If they turn righteous, they are redeemed by the Most Merciful. If they turn away, then they have a lowly destiny. No excuses will be acceptable to God on the Day of Judgment, and their remorse will turn into misery and suffering. The following verses provide good news for the believers and bad news for the disbelievers.

**80:37** Each one of them, on that day, worries about his own destiny. ....**my letters are 14**

**80:38** Some faces on that day, will be happy. ....**my letters are 7**

\*\*\*The good news is revealed for the believers and confirmed through **the Code of Seven Pairs.**

**80:37** Each one of them, on that day, worries about his own destiny.

**80:40** Other faces, on that day, will be covered with misery.

**Revealed:** The Allah letters are 6 and 5, **the diff. is 1.** The fate of the disbelievers is highlighted.

\*\*\*my name letters in this pair of verses are 14 and 9 – these numbers are not the pattern of a Code, as revealed for the believing people in verses **80:37-38.** To prove the point: that even the disbelievers have to appear and answer to the One, Supreme God, He has marked His name letters with the difference of 1, while the messenger’s letters do not carry any code in the verses on disbelievers. This is because they failed to believe in God’s messenger and lost the opportunity to be redeemed by Him. If I connect the ending verses of chapters 80 and 88 about the disbelievers being called to account on the Day of Judgment, you will be enlightened with God’s Miracle:

**80:42** These are the wicked disbelievers.

**88:26** Then we will call them to account.

**Revealed:** The Allah letters are 9 and 5, **the sum is 14**

**Revealed:** my name letters are 5 and 9, **the sum is 14 – MATCHING.**

Praise be to God for Matching the numbers for Himself and His messenger, and enlightening us through the Miracle of the Seven Pairs through each verse.

**39:18 Part of Vs:** They are the ones who examine all words, then follow the best.

**39:55 Part of Vs:** And follow the best path that is pointed out for you by your Lord.

**Revealed:** The Allah letters are 7 and 8, **the diff. is 1**

The best path is clearly pointed out through the revelation sent down to this messenger, **the revelation of 1** as well as **the revelation of 66,** both of them prove and confirm that **“ALLAH IS ONE.”**

**39:55 And follow the best path that is pointed out for you by your Lord.**

**Revealed:** The GV of Allah letters is **66** – **the best path is the path to ALLAH. Praise and Glory be to my Lord.**

**25:57 (Part) All I seek is to help you find the right path to your Lord, if this is what you choose.**

**Revealed:** The GV of Allah letters is 101, and of my letters is 324, the diff. is **223. (the believers)** If you want to fulfill your pledge to God of being a believer, now is the chance as proven above.

To remind the people of their pledge made with GOD before coming to earth, as part of all the Covenants made; I present to you a set of verses which are Sacredly marked with profound

mathematical numbers of certain profound words, to prove the pledge made earlier during our first life. The opening part of the verse is marked with the Sacred Codes of 19 and 14, which reads as follows:

**57:8** Why should you not believe in ALLAH.

**Revealed:** The Arabic letters are **19**, and the Quranic Initials are **14** – **the Sacred Codes** should remind you that your belief in ALLAH is subject to the proofs He sends down and is subject to upholding His Absolute Authority in all circumstances.

**Revealed:** The GV of Allah letters is marked as **128**, representing my last name, **Husain**, to whom the Sign of the Sacred Codes has been blessed upon.

**57:8** Why should you not believe in ALLAH when the messenger is inviting you to believe in your LORD? He has taken a pledge from you, **if you are believers**.

**Revealed:** The GV of Allah letters is precisely **222 (Rabbayka)**, representing the pledge made with **your Lord (222)**. This lays out the system of belief in Allah, in accordance with the pledge made: “That He will send messengers to invite you to the guidance, then see your response regarding His Absolute Authority.” (Note the follow-up verse, 57:9, that accompanies this)

**57:9** He is the One who sends down to His servant clear revelations, in order to lead you out of the darkness into the light. God is Compassionate towards you, Most Merciful.

**Revealed:** The GV of Allah letters is **352 (Quran)**. This clarifies the system of “revelations of God,” which are sent only through the messengers appointed and chosen by Him. The people are thus put to the test of submission, and the arrogant are distinguished from the righteous through this system.

**Revealed:** Both of the above verses representing God’s system and a reminder for the people are further sacredly coded with **7 Aleefs in each verse** to total **14 Aleefs for both verses**. This provides proof of the Seven Pairs – a Sign given to this messenger, so you can be sure to follow him without any doubt and hesitation. The Aleefs represent the Absoluteness of ALLAH as ONE. The portion of the verse 57:8 on your pledge is also marked by God and reveals my name already pre-selected as a messenger of God. This fact about pre-determination has already been made clear to you in earlier sermons.

**57:8 Part of Verse:** He has taken a pledge from you.

**Revealed:** The GV of my name letters is exactly **296**, representing the value of “**MESSENGER**.” As all the verses come with the proofs and the explanation, it is time to honor your pledges made with God. There is no doubt in my mind nor should you have any doubt that I have been blessed with God’s revelations, Signs, Proofs, and messages from the Sacred Scripture – the Quran. I declare to all the people on earth that I have been sent as a profound warner and that they should take the warning and the call to take heed seriously.

The set and pair of verses recited above, 57:8-9 represented proofs through Allah letters, as the pledges were made with Him during our first life before coming to earth to participate in the Test. Now, I will show you a linkage through another set (pair) of verses that will reveal proofs with my name letters also, and confirm the fact of being a messenger of God.

**3:85** Anyone who accepts other than Submission as his religion, it will not be accepted from him, and

in the Hereafter, he will be with the losers.

**3:86** Why should God guide people who disbelieved after believing, and after witnessing that the messenger is truth, and after solid proofs have been given to them? God does not guide the wicked.

**Revealed:** my name letters are marked as 30 and 44, **the difference is 14**. The Proof of **the Seven Pairs** serves as a reminder for all who reverence their Lord, and a warning for the opponents.

**Revealed:** This profound set of verses are additionally marked with the Proof of Absoluteness, by having a total of **19 Aleefs** – glory be to my Lord.

Just like my name was marked in 57:8 under the pledge made by the humans to follow God's messengers with GV of my letters being **296**; similarly, you will see the same phenomenon through verse 3:86 identifying the messenger.

**3:86 Part of Verse:** And after witnessing that the messenger is truth.

**Revealed:** The GV of my name letters is marked as **296**, confirming that the messenger, **Makbool Husain** is truth from God. These Signs and Proofs offer a chance for everyone to witness the truth.

For those who will be unfortunate to believe in this message out of arrogance, denial, ego, or for any other reason; God provides the next verse with the strongest condemnation. This verse will be marked twice through the messenger's name letters with the number **352**, representing **QURAN**.

**3:87 Part 1:** These have incurred condemnation by ALLAH.

**Revealed:** The Allah letters are 13, and my letters are 12, **the diff. is 1 – THE REVELATION OF 1**

**Revealed:** The GV of my name letters is **352 – QURAN** (as they rejected the Quran)

**3:87 Part 2:** And the angels and all the people.

**Revealed:** The Allah letters are 8 and my letters are 11, **the sum is 19**

**Revealed:** The GV of my name letters is **352 – QURAN** (a clear and strong condemnation for the rejectors of Quran, through **the word of GOD – QURAN – 352**).

The inspiration of the revelation (the entire message) given to me is mentioned and confirmed by Allah, Most Glorified, through verse 42:52 also.

**42:52 Part 1:** Thus, we inspired to you a revelation proclaiming our commandments.

**Revealed:** GV of Allah letters is **66**, and my letters are **14**, **the Sign of the Seven Pairs**.

**42:52 Part 1:** Thus, we inspired to you a revelation proclaiming our commandments.

**Part 2:** You had no idea about the scripture or the faith.

**Revealed:** The Allah letters are 8 and 9, **the difference is 1** – glory be to God.

**Revealed:** The GV of Allah letters are  $66 + 96 = 162$ . God's revelation has been sent to guide the messenger and those who wish to be guided by following the **true Islam (162)**.

**42:52 Part 3:** Yet, we made this (the Quran) a beacon to guide whomever we choose from among our servants. Surely, you guide in a straight path.

**Revealed:** The Allah letters are 14, and my letters are 28, the difference is **14 – the Seven Pairs Sign**.

The humans made certain Covenants with GOD during our first life in Heaven and have been sent down to earth to prove their pledges. One of the Covenant made was to uphold God's guidance sent down through His messengers, and therefore, to be classified as "BELIEVERS." We also agreed to go through the TEST while being believers. This will be proven through the historical verse following the Heavenly Feud, and through another verse referring to the messenger. You will note that God has used His name letters and those of His messenger to bring out the clear message and meaning of **223 – The Believers.**

**38:82** He said (Iblees), "I swear by Your Majesty, that I will send them all astray."

**38:83** "Except Your worshipers who are devoted absolutely to You alone."

**Revealed:** The Aleefs are 3 and 4, the difference is **1 – God is ABSOLUTE in Authority.**

**Revealed:** my **name letters** are 11 and 10, the difference is **1 – Messengers were in the Original Plan.**

**Revealed:** The Allah letters are 6 + 8, the sum is **14 – the Seven Pairs Revelation.**

**Revealed:** Verse No. 82 + Verse No. 83, the sum is **165 – God's Absolute Authority Proven.**

**38:83** "Except Your worshipers who are devoted absolutely to You alone."

**Revealed:** The GV of Allah letters is 99, and GV of my letters is 322, the diff. is **223-The Believers.**

**25:57 Part 2:** All I seek is to help you find the right path to your Lord, if this what you choose.

**Revealed:** The GV of Allah letters is 101, and GV of my letters is 324, the diff. is **223-The Believers**

#### **THE TRUE GUIDANCE HAS COME:**

**45:6** These are Allah's revelations that we recite to you truthfully. In which Hadith other than Allah and His revelations do they believe?

**45:8** The one who hears Allah's revelations recited to him, then insists arrogantly on his way, as if he never heard them. Promise him a painful retribution.

**Revealed:** The Aleefs are **7 and 7**, revealing Allah's Absoluteness through the **Proof of the Seven Pairs.**

**Revealed:** Verse 45:6, the Allah letters are **19**, confirming Quran to be Allah's Hadith.

**Revealed: Both Verses:** Allah letters are 19 and 17, **the diff. is 2 (Idolatry).** Those who reject God's Hadith, His revelations, and His messengers commit a blasphemy **and are guilty of worshiping two gods.**

**Revealed: my name letters** are 28 and 27, **the diff. is 1** – your redemption and salvation on the Day of Judgment can only be assured if you believe in God, then follow and obey the messenger, while leading a righteous life, as proven through God's revelation above.

#### **45:7 WOE TO EVERY FABRICATOR, GUILTY.**

**Revealed:** The Allah letters are **6**, and my letters are **7**, **the diff. is 1.** I am not a fabricator nor an imposter; those who refuse to believe in God, and follow me will be held accountable as "**guilty.**"

Peace be upon the messengers.

**PRAISE BE TO ALLAH, LORD OF THE UNIVERSE.**
