Sermon: A Flash of your Lives – from Birth to Death

I seek refuge in Allah from satan the rejected.  
In the name of Allah, the Most Gracious, the Most Merciful.

This is the first sermon of the year 2007, and is for the weeks of January 12 and 19. New revelations have been sent by God to confirm the verses of the Quran which tell us about our origin, the purpose of our creation, the death and finally the resurrection on an appointed day. It is important to know who you are, why you are here on earth, and where do you go after death. Today's sermon should be informative enough to enhance your belief in the Almighty Lord of the Universe, who has created us out of His mercy and offered us a chance to denounce our sin of blasphemy, by denouncing the devil, then repent to Him and follow the best path advocated by Him. The sermon is summarized under various titles, and practically all verses are presented with the "Revealed Proofs."

### SPECIFIC PURPOSE OF CREATION

**82:6** O you human being, what diverted you from your Lord, Most Honorable?

**82:7** The One who created you, designed you, and perfected you.

**Proof:** The GV of **Allah letters** are **162** – this is the same value as **Al-Islam** (the submission) and **Al-Salat** (the contact prayers), both of which have the GV of **162**. This proves that GOD created and designed us to worship and submit to Him, through His commands. The religion pointed out for the humans is clearly "**Submission or Islam.**"

**Proof: my name letters** are precisely **19** in the set of verses, proving that messengers are sent with GOD's guidance, through which other humans are given a chance to submit to their Lord.

**Proof: Verse 82:7:** The GV of my name letters is  $266 = 14 \times 19$  – the Sacred Codes confirm the individuality of each soul; plus the unique and identifiable body of each human being.

**82:8** In whatever design He chose, He constructed it.

**82:9** Indeed, you disbelieve in the religion.

**Proof:** The **Allah letters** are 4 and 5, **the diff. is 1** – **ALLAH** is the One who constructed and decided our features, looks, height, weight, age, gender, family and everything else. By creating different conditions and circumstances for each of us, we are tested whether we worship Him or not. Those who oppose His decision, like Iblees (satan) did, have disbelieved in the religion of submission. Verse 82:9 is therefore, marked with my name letters as **212**, representing the value of "**my LORD.**" Our Lord has decided about the religion and the path we are supposed to follow, which is all given in the Quran.

**15:85** We did not create the heavens and the earth, and everything between them, except for a specific purpose.

**Proof:** The GV of **Allah letters** is **165** – all creatures in the Universe have to submit to GOD's Absolute Authority, and those who do not do so will suffer eternal condemnation and exile from GOD. The **Shahadah** (165) and the attribute of **Absoluteness** (165) therefore carry the same values.

Together, the 2 important values of **162** (Submission & Contact Prayers) and **165** (Shahadah & Absoluteness) have therefore been revealed, to tell us about the specific purpose of the creation of human beings and the test that we have to endure.

### **CREATION OF THE HUMAN BEINGS:**

**38:71** Your LORD said to the angels, “I am creating a human being from clay.”

**38:72** “Once I design him, and blow into him from My spirit, you shall fall prostrate before him.”

**Proof:** The **Arabic letters** for both verses are 30 + 36, the sum is **66** – **ALLAH**

**Proof:** The **Aleefs** are 4 and 3, **the diff. is 1** – **the One, Absolute God.**

**Proof:** The **GV of Allah letters** for both verses is **207**, for “**Rabbahoo – his Lord**”

**Proof:** **my name letters** are 16 and 17, **the diff. is 1.**

Through these verses, the Omnipotent Lord has proven His Name and His Absoluteness as being the Creator of the human beings. The difference in my name letters of 1, serves as an example of “a human being” created by GOD, which proves the creation of the entire human race.

The Creator (be He glorified) states that He has precisely measured everything and counted everything. Our human existence and bodies are just one example – everything in the universe is counted just the same way. Reflect on His awesome wisdom and power. I am going to show you part by part of verse 38:72, and the values revealed to confirm the facts.

**38:72** Once I design him .....GV of my letters is **76** (multiple of 19) – unique and coded human creature, bearing the stamp of Allah as the Creator.

And blow into him ..... GV of my letters is **66** (Name of Allah), who blew His miraculous Spirit, which made us what we are.

From My spirit ..... GV of my letters is **114** (multiple of 19), as well as the number of the chapters in the Quran, to confirm that God’s name is planted in the instinct of the humans.

The above portions really constitute Part 1 of the verse, which I presented in 3 sub-parts, to show you the profound markings of the Creator in our creation. AlhamdoLillah. The values for Part 1 of the verse, which reads as: “Once I design him, and blow into him from My spirit” add up to:

$$76 + 66 + 114 = \underline{256}$$

**Part 2:** You shall fall prostrate before him.

**Proof:** GV of my letters for **Part 1** is **256**, and for **Part 2** is also **256**. This proves and confirms the unique, precisely measured, and perfectly matched human creature designed by ALLAH. Placing both values side by side, they are multiples of **14** – **the Seven Pairs.**

$$256, 256 = \underline{14} \times 18304$$

I will now take you further into the deeper miracles of God, which are meant only for the very reverent and sincere believers, classified by God as the “intelligent creatures.” They will understand and appreciate God’s Marvels. Let me pick the number **256**, having been revealed by God above, to let you reflect on His Perfect Matching through His Special Coding. The first

chapter bearing God's commands and laws starts from Chapter 2, and this is what verse 256 from this chapter states:

**2:256** There shall be no compulsion in religion: the right way is now distinct from the wrong way. Anyone who denounces the devil, and believes in ALLAH has grasped the strongest bond; one that never breaks. ALLAH is Hearer, Omniscient.

**Proof:** The 14<sup>th</sup> Allah letter occurs on the **Aleef** of **Allah** in the verse – proving **the Seven Pairs**.

**Proof:** The 19<sup>th</sup> Allah letter occurs on the **Aleef** of Arabic word “**Bil-urwah-te.**” This **Aleef** is also the 66<sup>th</sup> **Arabic letter** in the verse, precisely measured and matched to coincide with the 19<sup>th</sup> **Allah letter** – thus proving His Name, **ALLAH (66)** and **His Signature (19)**.

**Proof:** There are **101 Arabic letters**, and the **Allah letters are 35** that make up the verse. The difference in the numbers 101 and 35 is again precisely measured to be **66** – glory be to my Lord.

Remember the number **256**, revealed through the verse of human creation in **38:72**, which brought us to verse **256** in chapter 2, which now brings us to the last part of this verse, which reads:

**2:256** **ALLAH is Hearer, Omniscient.**

**What does ALLAH want to hear from us?**

**Proof:** The GV of my letters in this part are again **256**, matched perfectly, to see if the humans denounce their crime and sin through the command of this verse or not. Without denouncing the devil, you cannot believe in ALLAH, nor is your belief accepted. It will be proven by the words of God through **Quran, 352**.

**Proof:** The GV of Allah letters is **96** and GV of my letters is **256**, the sum is **352** – **QURAN**, the medium through which ALLAH has issued and does issue His commands.

The Heavenly Feud was a challenge to God's Absolute Authority – a challenge represented through **His Shahadah 165**, and His attribute of **Absoluteness, 165**. Note the important part of the verse and how this number is revealed twice – through the appropriate portions of the verse.

**2:256 (Part)** Anyone who denounces the devil, and believes in ALLAH has grasped the strongest bond; (Allah letters are **12**, the GV is **165**)

**(Part)** one that never breaks. ALLAH is Hearer, Omniscient. (Allah letters are **12**, GV is **165**)

The number of letters measured and matched in each part to reflect **165**, the value of the **Shahadah and of Absoluteness**, clearly proves the purpose of our creation, and for being here on Earth during the Test Period – which is to denounce the devil and repent to ALLAH for blaspheming Him during our first life in Paradise. This also proves the Sacredness of the Shahadah - La Elaha Ella Allah, which has been preserved by ALLAH. The disbelievers and the idol worshipers among the followers of the scriptures have tried to corrupt and distort the Sacredness of this Statement, but they have failed to succeed, glory be to my Lord.

The number revealed here as **165** now opens up another revelation coded through verse **165 in Chapter 2**, just like I showed you early on.

**2:165** Yet, some people set up idols to rival GOD, and love them as if they are GOD. Those who believe love GOD the most. If only the transgressors could see themselves when they see the retribution! They will realize then that all power belongs to GOD alone, and that GOD's retribution is awesome.

**Revealed:** The Allah letters are 49, and my letters are 68, **the diff. is 19 – ONE GOD**, who is **Absolute**, as advocated and preached by the messengers of GOD.

You have seen and witnessed many times how a specific proof creates numbers, which are then turned into a certain verse, which then reveals additional proofs and miracles from ALLAH, the Most Wise, just as you witnessed through verse 38:72 leading up to verse 2:256, and this verse created the number 165, which then became 2:165. All of this is beyond the scope, capability and control of human beings. Revelations of this nature prove beyond doubt that ALLAH is in control of everything in the universe, including controlling His creatures, and His words in the scripture. Praise be to Him.

When you see a bud in the plant, you have no idea that it can open up and unfold into a beautiful flower with multiple colors, shapes and texture. When you see a sperm, you have no idea that it can germinate and develop into a unique and profound human creature, capable of making decisions and handling multiple functions of life. Similarly, when you see and witness the numbers revealed by ALLAH through the verses, you have no idea of what lays behind the numbering, and that GOD converts them into actual verses from the Quran, and provides solid proofs to prove even the numbers He reveals. This is the extent of His control, and reflects the wisdom, knowledge, revelations and inspiration given to the messengers. Glory be to my Lord.

### **SATAN'S ARROGANCE CAUSED HIM TO REBEL AND DISOBEY GOD**

**38:75** He (GOD) said, "O Iblees (satan), what prevented you from prostrating before what I created with My hands? Are you too arrogant? Have you rebelled?"

**Revealed:** The Allah letters are 15, and my letters are 29, the diff. is **14 – the Seven Pairs**.

**38:76 Part 1:** He (satan) said, "I am better than he."

**Revealed:** The Allah letters are 5, and my letters are 6, **the diff. is 1** – a challenge to GOD's Absolute Authority by Iblees, who exalted himself to disobey the command, though he was created by GOD.

**Revealed:** The GV of Allah letters is 38, **a multiple of 19**

**Revealed:** the GV of my name letters is 280, **a multiple of 14**, revealing **the Sacred Codes**.

**Part 2:** You created me from fire, and created him from clay.

**Revealed:** The Allah letters are 4, and the GV is **66** – an admission by satan about ALLAH's Omnipotence and Eternal Existence, while rejecting His Authority.

**Revealed:** my name letters are **14 – the Proof of the Seven Pairs**.

**7:12 Part 1:** He (GOD) said, "What prevented you from prostrating when I ordered you?"

**Revealed:** The GV of Allah letters is precisely **66**, revealing **the name of ALLAH**, who commanded the angels to fall prostrate before Adam. All the angels complied, except Iblees.

**Part 2:** He (Iblees) said, “I am better than he, You created me from fire, and created him from mud.”

**Revealed:** The **Allah** letters for each part are 8 and 9, **the diff. is 1**

**15:26** We created the human being from aged mud, like the potter’s clay.

**15:33** He (satan) said, “I am not to prostrate before a human being, whom You created from aged mud, like the potter’s clay.”

**Revealed:** **my name letters** are 23 and 24, **the difference is 1** – this proof reflects the gross arrogance displayed by Iblees (satan) against GOD and for being completely unappreciative of His blessings and disregarding His Creative Power of Omnipotence.

### **WHO CREATED YOU? Read the answer!**

**64:2 (Part of Vs)** He is the One who created you.

**PROOF:** The Allah letters are **4** and the GV is **66**, **spelling out the name - ALLAH**

**64:2 Part 1:** He is the One who created you; then among you there is the disbeliever, and the believer.

**Part 2:** Allah is fully Seer of everything you do.

**Revealed:** The Allah letters are 5 and 6, **the diff. is 1 – the Creator.**

**Revealed:** GV of “Disbeliever” is 301; and GV of “Believer” is 136, **the diff. is 165. GOD** is fully Seer and Aware of those who believe in **His Absolute Authority – 165.**

This important verse is accompanied by a set of verses having **the Sacred Codes.**

**64:3** He created the heavens and the earth for a specific purpose, designed you and perfected your design, then to Him is the final destiny. **(Allah letters are 14)**

**64:4** He knows everything in the heavens and the earth, and He knows everything you conceal and declare. GOD is fully aware of the innermost thoughts. **(Allah letters are 19)**

### **COMPONENT USED IN CREATING JINNS AND HUMANS :**

**15:26** We created the human being from aged mud, like the potter’s clay.

**15:27** As for the jinns, we created them, before that, from blazing fire.

**Proof:** The Aleefs are 4 and 4 – **Matching**

**Proof:** The Allah letters are 9 and 9 – **Matching.** Both jinns and humans created by **Allah**; the jinns from blazing fire, and the humans from aged mud. Glory be to my Lord.

**Proof:** my name letters are 23 and 19, representing values of “Wahdahoo (23) for Alone, and Waahed (19) for One. Allah is One and Alone and is the only Creator in the Universe.

**15:27** As for the jinns, we created them, before that, from blazing fire. **(my letters are 19)**

**23:12** We created the human being from a certain kind of mud. **(my letters are 19)**

**Proof:** The Allah letters are 9 and 9 – Matching and proving that the Creator is the same God.

**Note:** As a messenger from God given the profound Revelation of 1, the Most Gracious has inscribed my name letters 19 and 19 in the creation verses of jinns and humans. All Praise

and Glory be to Allah.

### **DEVELOPMENT OF THE HUMAN WITHIN THE WOMB – STAGE BY STAGE:**

**22:5** O people, if you have any doubt about resurrection, we created you from dust, and subsequently from a tiny drop, which turns into a hanging (embryo), then it becomes a fetus that is given life, or deemed lifeless. We thus clarify things for you. We settle in the wombs whatever we will for a predetermined period. We then bring you out as infants, then you reach maturity. While some of you die young, others live to the worst age, only to find out that no more knowledge can be attained beyond a certain limit. Also, you look at a land that is dead, then as soon as we shower it with water, it vibrates with life and grows all kinds of beautiful plants.

**23:12-14** We created the human being from a certain kind of mud. Subsequently, we reproduced him from a tiny drop, that is placed into a well protected repository. Then we developed the drop into a hanging (embryo), then developed the hanging (embryo) into a bite-size (fetus), then created the bite-size (fetus) into bones, then covered the bones with flesh. We thus produce a new creature. Most blessed is ALLAH, the best CREATOR.

**SOLID PROOF:** The ALEEFs are 36 and 22, **the diff. is 14**, reflecting the Absoluteness of ALLAH in creating and coding the human stages through the Seven Pairs Proof.

**23:14 (Part) We thus produce a new creature. Most blessed is ALLAH, the best Creator.**

**Revealed:** The Allah letters are 15, and my letters are 16, **the diff. is 1** – the Best Creator, Allah.

**13:8 (Part) GOD** knows what every female bears, and what every womb releases, or gains.

**53:32 (Part)** He has been fully aware of you since He initiated you from the earth, and while you were embryos in your mother's bellies.

**Proof:** The ALEEFs are 9 and 10, **the diff. is 1** – the Absolute Lord is fully aware of us.

**Proof:** The ALLAH letters are 16 and 15, **the diff. is 1** – Allah knows before any human finds out whether the fetus will develop into a child or will have a miscarriage.

**Proof:** my name letters are 20 and 20 – **Matching Revelation**, glory be to my Lord.

**13:8 Part of Verse:** Everything He does is precisely measured.

**Revealed:** The GV of Allah letters is 36, and of my letters is 238, the diff. is **202 – LORD**.

### **A REMINDER OF HOW UNIMPORTANT WE ARE**

**75:36** Does the human being think that he will go to nothing?

**75:37** Was he not a drop of ejected semen?

**Proof:** my name letters are 12 and 13, **the diff. is 1** – When GOD can create us from semen, He can surely resurrect us again too. This is easy for Him.

**75:37** Was he not a drop of ejected semen?

**75:38** Then He created an embryo out of it.

**Proof:** The Allah letters are 3 and 4, **the diff. is 1** – Glory be to God for His Omnipotence.

**75:1** I swear by the Day of Resurrection.

**75:2** And I swear by the blaming soul

**Proof:** my name letters are 12 and 13, **the diff. is 1** – the humans bear the blame for rebelling against GOD, and for blaspheming His Absolute Authority, which most are still doing on earth.

### **PRE-EXISTING RECORD OF LIFE, AND LIFE SPAN**

**35:11 (Part)** No female becomes pregnant, nor gives birth, without His knowledge. No one survives for a long life, and no one's life is snapped short, **except in accordance with a pre-existing record.** This is easy for ALLAH.

**Proof:** The Allah letters are 24, and my letters are 43, the diff is 19, glory be to God.

**35:11 (Part)** No one survives for a long life, and no one's life is snapped short, except in accordance with a pre-existing record. **This is easy for ALLAH.**

**SOLID PROOF:** The Allah letters are **14** and my letters are **28**, diff. is also **14 (Seven Pairs)**

**6:2** He is the One who created you from mud, then predetermined your life span, a life span that is known only to Him. Yet, you continue to doubt.

**6:3** He is the one GOD in the heavens and the earth. He knows your secrets and declarations, and He knows everything you earn.

**Proof:** my letters are 27 and 28, **the difference is 1** – GOD knows it all.

### **AGING IS IRREVERSIBLE**

**13:41** Do they not see that everyday on earth, brings them closer to the end, and that GOD decides their life span, irrevocably? He is the most efficient Reckoner.

**21:44** We have provided for these people and their ancestors, up until an old age. Do they not see that every day on earth brings them closer to the end? Can they reverse this process?

**Proof:** my name letters are 35 and 36, the difference is 1 – Aging is pre-decreed by GOD, and is irreversible, though the scientists continuously try to reverse it, but in vain.

**13:41 (Part)** Do they not see that everyday on earth, brings them closer to the end?

**Revealed:** The Allah letters are 15, and my letters are 14, **the diff. is 1**

### **TIME AND PLACE OF DEATH IS A SECRET KNOWN ONLY TO GOD**

**31:34 Part 1:** With GOD is the knowledge regarding the Hour. He is the One who sends down the rain.

**Revealed:** The Allah letters are **14** in Part 1.

**Part 2:** And He knows the contents of the womb. No soul knows what will happen to it tomorrow, and no one knows in which land he or she will die. God is Omniscient, Cognizant.

**Revealed:** The Allah letters are **19** in Part 2 of the verse, revealing **the Sacred Codes of 14 & 19**

**Revealed:** Verse No. is 34, and total Allah letters in the verse are 33, **the diff. is 1**

**21:35** Every soul will taste death, after we put you to the test through adversity and prosperity, then to us you ultimately return.

**39:31** On the Day of Resurrection, before your Lord, you people will feud with one another.

**Proof:** The Allah letters are 3 and 4, **the difference is 1** – the disbelieving people will blame each other on the Day of Judgment for leading them astray, and will regret losing the chance during the earthly life to believe fully in GOD and His commands.

### **DAY OF JUDGMENT AND THE MEETING WITH GOD**

**20:15** The HOUR is surely coming; I will keep it almost hidden. For each soul must be paid for its works.

**Revealed:** The Allah letters are **15**, and my letters are **14**, **the diff. is 1**

**15:85 (Part)** The end of the world will come, so treat them with benign neglect.

**Revealed:** The Allah letters are **14**, and my letters are **13**, **the diff. is 1**

**\*\*\*Note** that the above set of verses prove and confirm the Day of Judgment to be 2280. Each of these verses has the “Revelation of 1” through Allah letters and my letters. One of them is marked with 14 Allah letters and the other one is marked with the messenger’s letters as 14.

**84:6** O humans, you are irreversibly heading for a meeting with your LORD.

**83:6** That is the Day when all people will stand before the LORD of the Universe.

**Revealed:** my name letters are 14 – **Seven Pairs**, the GV of my letters is 306; revealing my full name under the Code of the Seven Pairs, confirming the truth of the Day of Judgment.

### **THIS LIFE IS VERY SHORT – MAKE THE RIGHT CHOICE**

I am going to recite 2 sets of verses, which reflect how short this life will seem to the disbelievers on the Day of Judgment. The answers given by them are already pre-programmed by GOD, and the verses reflect their confusion in counting the time they spent on Earth. The believers should reflect on **the Absoluteness of ALLAH**, represented through **the Proof of Aleef (1) revealed herein**.

**20:102** That is the day when the horn is blown, and we summon the guilty on that day blue.

**20:103** Whispering among themselves, they will say, “You have stayed (in the first life) no more than **ten days**.”

**20:104** We are fully aware of their utterances. The most accurate among them will say, “You stayed no more than **a day**.”

**Note:** the numbers used by GOD in this set as 10 days and 1 day are jumbled for the disbelievers who have no idea what GOD is talking about. For the believers, this is the “Pattern” of the Shahadah, La Elaha Ella Hoo, GV 110, representing God’s Absolute Authority.

**23:112** He said, “How long have you lasted on earth? How many years?”

**23:113** They said, “We lasted a day or part of a day. Ask those who counted.”

**23:114** He said, “In fact, you stayed but a brief interim, if you only knew.”

**PROOF:** The Aleefs in each set are 15 and 14, **the diff. is 1** – Praise be to Allah, the Absolute.

**PROOF:** The Allah letters 28 and 28 – Matched Perfectly under the Code of Seven Pairs, which will now reveal His name as the LORD.

28, 28 = 14 x 202 – **LORD**

### **PEACE UPON GOD’S MESSENGERS AND THE BELIEVERS**

**19:15** Peace be upon him the day he was born, the day he dies, and the day he is resurrected back to life.

**19: 33** And peace be upon me the day I was born, the day I die, and the day I get resurrected.

**Revealed:** my name initials are 17 and 16, **the diff. is 1**

**Revealed:** my name letters are 26 and 25, **the diff. is 1**

**Revealed:** The Aleefs are 1 and 4, revealing the Pattern of **14 – the Seven Pairs**.

### **NO ONE EQUALS GOD – HE CONTROLS EVERY SOUL**

**13:33** Is there any equal to the ONE who controls every single soul? Yet, they set up idols to rival GOD.

**31:28** The creation and resurrection of all of you is the same as that of one person. GOD is Hearer, Seer.

**Proof:** The **Allah letters** are 12 and 13, **the diff. is 1** – glory be to the **ONE** who has created and proven His Omnipotence.

**13:33** Is there any equal to the One who controls every single soul?

**31:28** The creation and resurrection of all of you is the same as that of one person.

**Revealed: my name letters** are 14 and 13, **the diff. is 1** – Praise be to ALLAH

**13:33** (Part) **Yet, they set up idols to rival ALLAH.**

**Revealed:** The **Allah letters** are 6, and **my letters** are 5, **the diff. is 1** – when the people accept and follow unauthorized humans over God’s messengers, as proven through this verse, they set up idols to rival GOD. This also proves that instead of upholding God’s Authority, they follow the steps of satan.

### **YOUR LIFE IS CODED BY GOD & SO ARE THESE SERMONS**

In the end, I will sum up this sermon with a pair of verses that are next to each other. These verses tell you about being created, then you die, and later on you are resurrected. This is accompanied by a verse on Proofs, and the Proof is the coming of a messenger spelled out by his name warning the people about the Day of Resurrection.

**20:55** From it (the earth) we created you, into it we return you, and from it we bring you out once more.

**20:56** We showed him all our proofs, but he disbelieved and refused.

**Solid Proof:** The **Allah letters** are 10 and 9, **the diff. is 1**; the sum is **19** – **God’s Signature.**

These Proofs have been shown by a particular human being, whose name is spelled out in a clear way, so that there is no ambiguity left. We are already informed by God through this verse that the majority will disbelieve and refuse to accept His proofs and revelations, though all of God’s proofs have been shown to them. Reflect on all the verses I have recited, and prostrate to the Most Gracious to glorify Him and to express your appreciation of His revelations.

**20:56** **We showed him all our proofs, but he disbelieved and refused.**

**Revealed:** The GV of my name letters is **306**, the spelling of **Makbool Husain**, who has been given Divine Signs to deliver a profound message to the human beings.

Peace be upon the messengers.

PRAISE BE TO ALLAH, LORD OF THE UNIVERSE.
