Khutbah:

**MOST and FEW**

I seek refuge in Allah from satan the rejected.  
In the name of Allah, the Most Gracious, the Most Merciful.

During our first life in Paradise, after the Heavenly Feud, it was decided by GOD based on His personal and intimate knowledge of the jinns and the humans; that the **majority will not fully believe** when given the freedom of choice – **that only a few will believe**. The believers always wonder as to why they are so few in number, and why the majority of the people do not believe. The Quran does not provide any verses telling the believers to worry about others, or to be so concerned about others as to lose their own faith simply because others do not believe. They are only commanded to preach the truthful message of GOD and refrain from all sorts of arguments. Each one of us is responsible for our own soul and our deeds. We are not responsible for the deeds of others. GOD – the Creator of all things, including all the words and all the languages, has therefore designated Arabic words to reflect the meaning and the history of these words – “**kasseer**” for **majority or most**, and “**kaleel**” for **minority or few**. These are typical Arabic words, and the literal meaning is also the same as given above.

The GV of “kasseer” (majority) is 730 and for “kaleel” (few or minority) is 170. The difference between these numbers - 560, is separated by the code of the Seven Pairs. ( $560 = 14 \times 40$ ).

Together, side by side, they are also multiples of 19 and 14, being **the Sacred Codes** –

$$730,170 = \underline{19} \times \underline{14} \times 2745 \quad \text{OR} \quad 170,730 = \underline{14} \times 12195$$

If I take the Arabic words with a different spelling given in the Quran, which is “kasseera” (most or majority) and “kaleela” (few or minority), the GV’s of these words are 731 and 171. When placed side by side, they still reveal multiples of 7, being the Seven Pairs Code.

$$731,171 = \underline{7} \times 104453 \quad \text{OR} \quad 171,731 = \underline{7} \times 24533 - \underline{\text{the Seven Pairs}}$$

By placing the value of “majority 730” before the “few 170,” GOD reveals the Sacred Codes of 19 and 14, and with the values of 731 and 171, it also reveals the Seven Pairs Code. Is it not true that the majority is always talked about in every aspect of life on Earth and is placed ahead of the minority? In this worldly life, the majority calls the shots and makes all the decisions, while the rights of the minority (few) are always disregarded and violated. It is the opposite with GOD, whereby He values the devotion and efforts of the few (minority) in worshiping Him, \*\* (see Page 12) while nullifying and condemning the utterances, actions, and belief of the majority (most). Praise be to GOD, the value of 730 for majority is **4.29 times** more than the value of 170 for the few, ( $730 / 170 = 4.29$ ), and 731 for majority compared with 171 for few is **4.27 times** higher in value ( $731 / 171 = 4.27$ ), reflecting the meaning of the words – most and few, whereby the GV for most is much higher than the GV for few. By taking the numbers 429 and 427 as the answers from the above calculations, God converts these numbers in to “**a revelation**”-a unique and miraculous phenomenon of GOD, thus proving the flow of inspiration to the messenger. These become **chapter and verse 42:9, and 42:7, glory be to God.**

**42:9 Part 1:** Did they find other lords beside Him?

**Part 2:** ALLAH is the only Lord and Master.

**Revealed:** The Allah letters are 7 and 8, **the diff. is 1** – **ALLAH is the only True Lord.**

**Revealed: Both Parts:** Allah letters are 15, and my letters are 16, **the diff. is 1** – A Revelation

and Inspiration to the messenger that ALLAH is indeed ONE.

**Part 3:** He is the One who resurrects the dead, and He is the Omnipotent One.

**Revealed:** Parts 1-2, my letters are **16**, for Part 3, my letters are **17**, **the diff. is 1**

God's glorified name as the **LORD (202)** will now be revealed through the messenger's name letters, as well as proving and confirming that He is indeed ONE, who resurrects the dead and is Omnipotent.

**(Part)** He is the One who resurrects the dead. GV of my letters is  $126 = 14 \times 9$

**(Part)** And He is the Omnipotent One. GV of my letters is **202** for **LORD**.

**Revealed:** my name letters are 9 and 8, **the diff. is 1 - a Proven Fact that GOD is ONE.**

**42:7** We thus reveal to you an Arabic Quran to warn the central community and all around it, and to warn about the Day of Summoning that is inevitable. Some will end up in Heaven, and some in Hell.

**Revelation of 42:9 and 42:7 Compared:** my name letters are 33 and 47, **the diff. is 14** – the Seven Pairs is revealed – God is addressing me through Inspiration, be He glorified.

**Revealed: Both Verses:** my name initials are 61, my letters are 80, **the diff. is 19** – confirmation of the inspiration from God.

It was Iblees's (satan's) challenge to the Most Gracious Lord, that he will send **all** the jinn and human creatures astray, **except the few** who are devoted absolutely to their Lord. The following verses reflect and confirm the truthful history.

**38:82** He said, (satan) "I swear by Your Majesty, that I will send them all astray."

**38:83** "Except Your worshipers who are devoted absolutely to You alone."

**Revealed:** The **Aleefs** are 3 and 4, **the diff. is 1** – the Almighty Lord accepted satan's challenge.

**Revealed:** The **Allah letters** are 6 + 8, the sum is **14** – **the Seven Pairs** confirms the history.

**Revealed:** my name letters are 11 and 10, **the diff. is 1** – the messenger appointed to deliver God's Coded message and to remind the people about their "Original Covenants" made with GOD is revealed through these verses.

As I belong with the minority (the few who believe), who has fully submitted to GOD, as well as the other believers, my name letters are revealed with **the difference of 1**, which is the great revelation from the Most Wise. In addition, the GV of Allah letters along with the GV of the messenger's letters reveals a profound number through the verse above on "**believers.**"

**38:83 Revealed:** The GV of Allah letters is 99, and GV of my letters is 322, **the diff. is 223.**

This is the GV of the word "**The Believers.**" The number 322 is also a **multiple of 14.**

The GV of Allah letters – **99**, when added with His name, **66** becomes **165** – **the Absolute God.**

The verses 82 + 83 also reveal the number **165**, being the sum of the numbers.

### **GOD'S ANSWER to Satan:**

**38:84** He (God) said, "This is the truth, and the truth is all that I utter."

**38:85** "I will fill Hell with you and all those who follow you."

**Revealed:** The **Aleefs** are 4 and 3, **the diff. is 1** – The Absolute God responded to satan's

challenge, glory be to Him.

**Revealed:** The **Allah letters** are 8 and 7, **the diff. is 1** – the double proofing through the Aleefs and Allah letters to reveal the number 1, provides concrete proof of the original history and confirmation. The truth and fact about the Hell being filled up with satan and those who follow him is also evident from the proof – the messenger’s name letters are marked with **19 letters** in **38:85**.

There are **more verses** in the Quran with the word “**most or majority**” as compared to the verses on “**few or minority.**” The consistency of GOD is reflected by given a higher gematrical value to “**Most**” and citing more verses on it, as compared to the lower value for “**Few**” and citing fewer verses on it. This revelation adds truth to the meaning of these words, and should provide comfort to those who wonder why the believers at any given time are so few. The results concerning the belief of the people are already predetermined, and the outcome that we notice is therefore, inevitable.

You may be surprised by what you hear and read today on this subject. I do not bring any new verses except that which is already in the Quran. Had the followers of the scripture believed and followed it with sincerity while discarding all forms of idol worship, they would also see words and verses in the Quran just the same way I see them. Because of their hypocrisy and rejection of God’s Absolute Authority, the disbelieving Muslims have been blinded out from the contents of the Quran and abandoned by the Most Merciful. The GV of “few – kaleel” is 170, and the GV of “muslim – submitter” is also 170. **Is it a coincidence? No, it is not.** It has already been predetermined by the Most Wise that Muslim (170) will be few (170). This is why He tied in the values of the two words. Glory be to Him.

There is no more chance given to anyone, except what you get in this earthly life – to believe or not. The special fore-knowledge of GOD is reflected through verses 6:27-28, which will prove that the majority will still reject God’s Absolute Authority even if another chance was given. This is why there will be no more chances given to anyone.

**6:27** If only you could see them when they face the Hellfire! They would say then, “Woe to us. Oh, we wish we could go back, and never reject our Lord’s revelations, **and join the believers.**”  
**6:28** As a matter of fact, (they only say this because) their secrets have been exposed. If they go back, they will commit exactly the same crimes. **They are liars.**

**Proven Knowledge of God:** The Aleefs are 11 and 10, **the diff. is 1** – signifies rejection of God’s Absolute Authority by the majority of people.

**Proven Knowledge of God:** The GV of Allah letters are 221 and 240, **the diff. is 19** – this signifies that the disbelievers do not consider GOD as ONE, when they reject His Authority.

**A New Miracle:** The letters of the word “**Wahed**” (wow-aleef-hey-dal) meaning (One - in English) are 21 and 22, **the diff. is 1**. This is an **Absolute Miracle from GOD**, proving He is One (Wahed), and also proving the criminal nature and belief of the majority of the people, in this life, or even if another chance was given by GOD. Praise be to GOD for His fore-knowledge – He is Knower of the Future and of all Secrets and Declarations.

There is a certain verse in the Quran that has both of the words (most and few) mentioned within the same verse. It is **38:24**, and the miracle is easy to see as the chapter and the verse number reveal the difference of **14** – **the Seven Pairs** (38 – 24 = 14). I will recite it now and show you the revealed proofs from GOD.

**38:24 Part 1:** He said, “He is being unfair to you by asking you to combine your sheep with his.

**Part 2:** Most people who combine their properties treat each other unfairly.

**Revealed:** The Allah letters are 10 and 9, **the diff. is 1** – indicates lack of fear of GOD when the people cheat each other.

**Revealed:** my name letters are 14 and 16, **the diff. is 2**. This revelation confirms that most people commit the gross sin of idolatry - worship of 2 gods, by their disbelief in messengers, thus violating their Covenants made with GOD.

**Part 3:** Except those who believe and work righteousness, and these are so few.

**Revealed:** upto the Arabic word “**Kaleel – few,**” the Allah letters are **14**, my letters are **19**, revealing **the Sacred Codes of God**. This is God’s testimony that few are guided, few will believe, and few will work righteousness (implementing God’s laws) in their lives. For this reason, the proof of the highest order is revealed here.

**Revealed:** The entire **Part 3** is marked with GV of Allah letters as **223**, referring to **the believers** who follow the messengers and then work righteousness in the cause of God.

**Part of Verse:** **And these are so FEW.**

**Revealed:** The Allah letters are precisely **4** and the GV is **66**. **ALLAH (God) has testified here through His Name that the believers are indeed FEW, Praise be to Him.**

**Part of Verse:** Except those who believe and work righteousness.

**Part of Verse:** And these are so FEW.

**Revealed:** my name letters are split up as **14 and 7**, revealing the **Code of the Seven Pairs**.

**Revealed:** The GV of my letters are 366 and 256, **the diff. is 110** (Absolute Authority through His Shahadah), glory be to my Lord. The ones who steadfastly fear and reverence God and believe in His Absolute Authority, are really **FEW**, as GOD has revealed through His name letters and those of His messenger.

**Revealed:** The **Allah letters** linking and connecting the words “Kaseeran – most” and “Kaleelun – few” are precisely **19** in between, another Sign from GOD about the precision of His words. Let me continue with the last part of verse 38:24 up to verse 38:25 to show you God’s response to David’s imploring for His forgiveness.

**38:24 (Part)** Afterwards, David wondered if he made the right judgment. He thought that we were testing him. He then implored his Lord for forgiveness, bowed down, and repented.

**38:25** We forgave him in this matter. We have granted him a position of honor with us, and a beautiful abode.

**Revealed:** The Allah letters are 10 and 11, **the diff. is 1** – God did forgive David out of His mercy. For this reason, verse 38:25 is marked with GV of my letters as **532**, being a multiple of **14** and **19**. ( $532 = 14 \times 19 \times 2$ )

According to the Covenant made by the humans before being sent to Earth, God has already pre-determined and distinguished the truthful from the liars, the believers from the disbelievers, the repenters from the sinful. Therefore, the humans are reminded through verses 36:60-61-62, which again inform us that the majority will be possessed by the devil.

**Question:** Does satan have the power to possess and mislead the people against God’s will?

**Answer:** Satan has no real power but GOD allows him to possess and mislead those who are insincere, doubtful, arrogant, argumentative, and egoist. Those who do not overcome and replace these adversarial and negative traits are condemned and abandoned by GOD, only to be taken over by God's enemy – satan, who then leads them on and corrupts everything they had believed in and learnt. This happens in accordance with God's will, and satan puts them in a state of confusion and of being lost, by making his subjects forget: God, the specific purpose of their creation and the Hereafter. **They are thus called being astray.** The word "astray" is similar to the worldly example: when you lose the direction or the way to a certain destination, you are lost and astray. This is similarly the case when people forget GOD and His revelations – they are sent astray only to lose their souls. The verses from the Quran can corroborate what I have just said, and I will recite some of them later on in this sermon. Right now, I will show you the relationship and the linkage between our Covenant with God (7:172-173-174) and the reminder of the Covenant through 36:60-62.

**7:172** Recall that your Lord summoned all the descendants of Adam, and had them bear witness for themselves: "**Am I not your LORD?**" **They all said, "YES. We bear witness."** Thus, you cannot say on the Day of Resurrection, "We were not aware of this."

**7:173** Nor can you say, "It was our parents who practiced idolatry, and we simply followed in their footsteps. Will You punish us because of what other have innovated?"

**7:174** We thus explain the revelations, to enable the people to redeem themselves.

(These are **3 verses** under a certain unpublished Miracle as yet, (Miracle of 3) and now I will narrate **3 verses** from Chapter 36, to match the number of verses in each set. Then you will witness the revealed Proof and Miracle)

**36:60** Did I not covenant with you, O Children of Adam, that you shall not worship the devil? That he is your most ardent enemy?

**36:61** And that you shall worship Me alone? This is the right path.

**36:62** He has misled **multitudes** (**kaseeran – most**) of you. Did you not possess any understanding?

**Revealed:** The **Aleefs** for each set of verses are 31 and 17, the precise diff. is **14 – Seven Pairs.** This represents and proves the profound Covenant the humans made with ALLAH-the glorified, to uphold His Absolute Authority while being on Earth, which will then establish and prove that such individuals will also uphold His authority in the Hereafter also.

**Revealed: my letters** for each set are 97 and 55; these will produce **the Sacred Codes.**

**Addition:**  $97 + 55 = 152 = \underline{19} \times 8$     **Subtraction:**  $97 - 55 = 42 = \underline{14} \times 3$ , **the Sacred Codes**

**Revealed: Verse 7:172** is marked with Allah letters 32, and my letters 51, **the diff. is 19;** the humans are hereby reminded in a proven way through this messenger (Messenger regarding Original Covenants) about the profound Covenant they made with their Lord – ALLAH.

**Revealed: Verse 36:62** is marked with **my letters 19** and **my initials 14**, revealing **the Sacred Codes.** This reflects and proves the history after the fact, on the Day of Resurrection, when the humans will be asked why they did not use their common sense and understanding when satan diverted them from the path of GOD. The messenger's letters (Messenger regarding Original Covenants) inscribed by GOD through the Sacred Codes of 19 and 14 is a vivid reminder for all

the humans.

**Revealed: 36:60-61-62** The letters of my name are 55 in these 3 verses, and the sum of verses is  $60+61+62 = 183$ , the diff. in 183 and 55 is precisely 128, revealing **my name, Husain**. The sum of 183 and 55 is 238, a multiple of 14 ( $238 = 14 \times 17$ ), Messenger of Original Covenants through the Seven Pairs Revelation, is named herein. Note the new set of numbers derived from the “sum and the difference” – 238 and 128, have a difference of 110 between them, denoting God’s Absolute Authority, to choose whomever He likes for His messages, glory be to Him.

**Revealed: 7:172-173-174** The letters of my name are 97 in these 3 verses, and the sum of verses is  $172+173+174 = 519$ , the diff. in 519 and 97 is 422 for (**Kitab – Scripture**), and the sum is 616, a multiple of 14 again, ( $616 = 14 \times 44$ ) just like the other set of verses. Moreover, this revelation points out to the messenger through the **Scripture (Quran)**, as prophesied in **61:6**, under the Coded message of “**AHMAD.**” The proofs on this verse have been presented separately through another sermon. This confirms the coming of the messenger to remind the people of their Original Covenants made with GOD.

Another astounding Miracle is revealed by GOD for those who fear and reverence Him alone. The set of verses 36:60-61-62, which remind the humans of violating their Covenant and worshiping the devil instead of GOD, has been marked with the GV of my name letters as **1698**. This number, which is easily recognizable by the believers, is converted by GOD into “**a revelation**” – the only outcome is chapter 16, verse 98. This verse commands the believers to seek refuge in Allah when they read the Quran, from satan the rejected. There is a profound invisible system at work round the clock, of which most people are unaware. Anyone who disobeys this command through 16:98, is sent astray by GOD. The rationale and the reason for leading me on to this revelation will become apparent and evident to you now.

**16:98 When you read the Quran, you shall seek refuge in ALLAH from satan the rejected.**

**Revealed:** The **Allah letters** are 15, and **my letters** are 16, **the diff. is 1**. The Quran was revealed through a messenger and the Sacred Codes have also been revealed through the messengers. Those who do not believe in God’s messengers and His Proofs, have been diverted from the right path by the devil, and have gone astray. This revelation proves and confirms that it is mandatory to believe in all the messengers of God and the revelations given to them. Moreover, this is a very important verse and **the Coding of “Revelation of 1”** is therefore, **extremely significant**. Observe the proofs as I go along with these verses to complete the set of 3 verses, under **the Miracle of 3**, as yet unpublished.

**16:99** He has no power over those who believe and trust in their Lord.

**16:100** His power is limited to those who choose him as their master; those who choose him as their god.

**Astounding Miracle:** The **Allah letters** for all 3 verses are 15-14-13, **the diff. is 1** – Praise and Glory be to the ONE GOD for confirming the TRUTH, and exposing the falsehood espoused and preached by satan.

**Astounding Miracle for the Messenger:** my name letters appear as 16-26-24 in all 3 verses, to **total 66**, revealing the name of **ALLAH – Most Praiseworthy**. You cannot worship ALLAH or seek His mercy and forgiveness, till you fully denounce the devil. This opens up the entire

message of the Quran through this messenger, and carries behind it the importance as mentioned in **61:6** - a glorified message through the glorious revelations of GOD.

To highlight the Miracle of God through the numbers selected by Him of my name to sequence them in a specific pattern, **to total 66**: He will show you **the rotating Miracle of the Seven Pairs**. Let us place these numbers in sequence and then rotate them all the way, by advancing the number each time, as far as we can go.

16,26,24 = **14** x 11616          26,24,16 = **14** x 18744          24,16,26 = **14** x 17259

Have you seen that God has rotated the numbers 3 different ways? The Miracle is consistent! Glory be to the Omnipotent One.

I will now recite a pair of verses on the subject of conspiracies and the secrets of the hypocrites and the disbelievers, which are instilled by the devil, but are all known to GOD. This should give you some insight and clue as to why GOD sends such people astray to be taken over by the devils.

**43:80** Do they think that we do not hear their secrets and conspiracies? Yes indeed; our messengers are with them, recording.

**45:29** This is our record; it utters the truth about you. We have been recording everything you did.

**Revealed**: The Allah letters are 12 and 11, **the diff. is 1** – Everything about our lives and our actions are recorded by the angels in accordance with GOD’S commands.

The system is outlined through these verses for those who reject and disregard the messages of the Most Gracious. As I have explained earlier, such people are abandoned by GOD, and the devil is appointed to be their constant companion. As the devil is the enemy of GOD and the enemy of the humans, the fate of humans assigned to his company becomes locked in despair, disbelief, confusion – this life then becomes purposeless and lost. There are some who choose to quit the right path followed by the believers and according to God’s system, they are also turned over to the devils. Here is the verse on this subject first, followed by the verse on God’s system when the devils take over the human.

**6:71 Part 1**: Say, “Shall we implore, beside GOD, what possesses no power to benefit us or hurt us, and turn back on our heels after GOD has guided us?”

**Revealed**: The Allah letters are 25, and my name initials are 24, **the diff. is 1**.

**Part 2**: In that case, we would join those possessed by the devils on the Earth, and rendered utterly confused.

**Revealed**: The Allah letters are 13, and my letters are 14, **the diff. is 1** – God is One – if He abandons you, then there is only the devil to pursue you and take over your life.

**Part 3**: While their friends (the believers) try to save them: ‘Stay with us on the right path.’ Say, “God’s guidance is the right guidance.”

**Revealed**: The Allah letters are 20, and my letters are 19, **the diff. is 1** – True guidance comes only through the messengers.

**Revealed: Parts 2 & 3:** my name letters are **14** and **19** – the guidance through this messenger is marked, identified and revealed through **the Sacred Codes**.

**Part of Vs: (A)** Say, “God’s guidance is the right guidance.”

**Revealed:** The GV of my letters is precisely **296**, (**messenger GV 296**) revealing the words used by the messengers to tell the people that the best and right guidance from God comes only through them.

**Part of Vs: (B)** We are commanded to submit to the Lord of the universe.

**Revealed: Parts A & B:** The GV of my letters are 296 – 498, the diff. is **202** for **LORD**.

**Revealed: Parts A & B:** The Allah letters are **19** and marked with the GV of **296**, confirming what I just said. Submitting to the Lord of the Universe can only be done according to the decreed and prescribed guidance of GOD – the system proves that the people have to believe and follow the guidance sent through the messengers.

**Revealed:** This entire verse has precisely marked with **66 Allah letters** and is further **Matched** with **66 initials** of my name – glory and praise be to Allah.

**43:36** Anyone who disregards the message of the Most Gracious, we appoint a devil to be his constant companion.

**43:37** Such companions will divert them from the path, yet make them believe that they are guided.

**Revealed:** The **Aleefs** are 2 and 3, **the diff. is 1** – God possesses Absolute Authority, and those who do not fully believe and submit to Him, are sent to the company of the devils.

**Revealed:** The **Arabic letters** in each verse are 37 and 38, **the diff. is 1** – those who do not want to see or appreciate this glorious revelation of the Quran with its miracles are subject to God’s retribution – being sent to the company of the devils, as mentioned through these verses.

**Revealed: my name initials** are 18 and 19, **the diff. is 1**, glory be to God.

**Revealed:** The **Allah letters** are 8 and 10, **the diff. is 2** – those who refuse to believe and disregard the messages of God are sent in the company of the devils as they have committed idolatry by doing so. Those who believe in all the messages of GOD believe in the ONE; those who refuse or reject the messages, or any message, believe in 2 gods – and are guilty of idolatry.

GOD has already informed the people, and warned them through His scriptures that the devil is His enemy and also of the people. The following verse clearly establishes that when you do not fully submit to the One God, then you end up following 2 authorities and 2 gods. The second temporary god is the devil till the Day of Judgment.

**35:6 Part 1:** The devil is your enemy, so treat him as an enemy.

**Part 2:** He only invites his party to be the dwellers of Hell.

**Revealed:** The **Aleefs** are 4 and 6, **the diff. is 2** – reveals 2 authorities including the devil.

**Revealed:** The **Allah letters** are 7 and 9, **the diff. is 2** – reveals 2 gods including the devil.

**Revealed:** The GV of Allah letters are 69 and 71, **the diff. is 2**, confirming the existence of the devil as the enemy of ALLAH, and of the humans. To confirm this verse and the above proofs, God is going to reveal the Sacred Codes – glory be to Him.

**Revealed:** The GV of Allah letters for the verse is 140 = **14 x 10**

**Revealed:** The GV of my letters for the verse is 646 = **19 x 34** (each part has GV of my letters

as 228 and 418, both are multiples of 19 also). This is the great “**Revelation of the Sacred Codes**” from **ALLAH, Lord of the Universe**.

**2:208 Part 1:** O you who believe, you shall embrace total submission,

**Part 2:** Do not follow the steps of satan, for he is your most ardent enemy.

**Revealed:** **my name letters** are 15 and 16, **the diff. is 1** – total submission can only be achieved and proven by believing in all the messengers of GOD, without making any distinction between them, otherwise, you are following satan. This is the first step of satan in order to mislead, which is to prevent you from believing in messengers, and eventually lead you to the path of doom.

**This verse is strictly marked with the letters of the messenger’s name. The next verse is marked with the letters of the Almighty God by Him.**

**2:209 Part 1:** If you backslide, after the clear proofs have come to you,

**Part 2:** Then know that GOD is Almighty, Most Wise.

**Revealed:** The Allah letters are 7 and 8, **the diff. is 1** – GOD provides clear proofs to the people regarding His messengers, and His mercy is evident through the proofs sent through this messenger.

**God’s Mercy is Evident:** In Verse 2:208, the Allah letters are **23**, in 2:209, my letters are **23**, (see verse 56:37) **Perfectly Matched**.

As has been predetermined by GOD, most people will not believe in Him. Instead, they will follow the devil. Therefore, there is a set of verses addressing the jinns and the humans laying out the scenario on the Day of Resurrection, whereby they will be questioned, and will blame each other.

**6:128** The day will come when He summons all of them (and says): “O you jinns, you have claimed multitudes (most) of humans.” Their human companions will say, “Our Lord, we enjoyed each others’ company until we wasted the life span You had set for us.” He will say, “Hell is your destiny.” They abide therein forever, in accordance with God’s will. Your Lord is Wise, Omniscient.

**41:29** Those who disbelieved will say, “Our Lord, show us those among the two kinds – jinns and humans – who misled us, so we can trample them under our feet, and render them the lowliest.”

**Revealed:** The Allah letters are 50 and 31, **the diff. is 19** – a powerful reminder from **ALLAH**.

Those who say they believe are subjected to the Test by God, whereby He sorts out the true believers from the hypocrites. The **majority** out of the believers again end up following the devil, which leaves only **a few** considered as believers. Here is the reference to this:

**34:20** Iblees (satan) found them readily fulfilling his expectations. They followed him, **except a few believers**.

**34:21 (Part)** He (satan) never had any power over them. But we thus distinguish those who believe in the Hereafter from those who are doubtful about it.

**Revealed:** The Allah letters are **14** and **19** – a clear reminder through the powerful Sacred Codes.

**34:20 -21 (entire verse)** The Aleefs are 6 and 7, **the diff. is 1** – the believers are tested

regarding God's Absolute Authority, which satan has already disobeyed and rebelled. The Test is designed to see if the believers uphold God's Authority, or still follow satan's path.

**Revealed:** the messenger's letters are 26 and 40, the diff. is 14 – the Seven Pairs, while the sum of letters is  $26 + 40 = 66$ , revealing the glorified name of ALLAH, Most High. These verses provide both powerful revelations blessed upon myself, and clarifies the system of God whereby the Test is conducted through the messengers regarding His Absolute Authority.

Based on 34:20-21, God has therefore warned the believers through verse 12:106 also. Your belief in God and His messenger is not enough, unless that belief is put to the Test through the messenger. Either you will pass the Test through complete obedience, or be found guilty of idol worship by disobeying the messenger. Disobedience constitutes a challenge to God's Authority, as you become guilty of disobeying God's commands.

**12:106** The majority of those who believe in GOD do not do so without committing idol worship.

**Revealed:** The GV of Allah letters is a perfect 110 – shedding light on the entire subject of total submission to GOD, or idolatry committed by following the devil.

### **Test from GOD regarding His Revelations and Messengers – satan will mislead Most:**

I will recite a set of 3 verses; the 1<sup>st</sup> one is regarding God's revelations, the 2<sup>nd</sup> one is calling the people to God and His messenger, and the 3<sup>rd</sup> one invites the people to believe in the messenger in order to be forgiven by God. Through these verses, God provides concrete numbers as Proofs to explain the precise meaning of the verses and of His system, glory be to Him. The system designed whereby the devil will do his best to distract and mislead the people away from ALLAH, His revelations and His messengers is also revealed through these verses.

**31:21 Part 1:** When they are told, “Follow these revelations of GOD,”

**Part 2:** They say, “No, we follow only what we found our parents doing.” **What if the devil is leading them to the agony of HELL?**

**Revealed:** In Part 1, upto GOD, the Allah letters are **14 (coded for the believers)**, and my letters are 13, the difference is **precisely 1** – God is inviting the people to follow the “**Revelation of 1**” sent down to them through this messenger.

**Revealed:** The GV of Allah letters, both parts are 167 and 233, the diff. is **66 ALLAH**

**5:104 Part 1:** When they are told, “Come to what GOD has revealed, and to the messenger,”

**Part 2:** They say, “What we found our parents doing is sufficient for us.” What if their parents knew nothing, and were not guided?

**Revealed:** Part 1, the Allah letters are **22**, and my letters are also **22** – “**Matching Revelation**”

**Revealed:** Both Parts: GV of Allah letters are 320 and 210, the diff. is **110 – SHAHADAH**

**Part A:** They say, “What we found our parents doing is sufficient for us.

**Part B:** What if their parents knew nothing, and were not guided?

**Revealed:** **my name letters are 14 and 19 for each part – the Sacred Codes, SubhanAllah**

**63:5 Part 1:** When they are told, “Come let the messenger of GOD pray for your forgiveness,”

**Part 2:** They mockingly turn their heads, and you see them repel others and act arrogantly.

**Revealed:** The GV of Allah letters are 225 and 47, the diff. is **178**, revealing the name of the messenger, **Makbool** – Praise and Glory be to **ALLAH**.

**Revealed:** This verse revealing the messenger's name is precisely marked with **66** Arabic letters revealing the name of the Lord as **ALLAH – 66**, Praise be to Him.

I have recited **3 different verses** – 31:21 – 5:104 – 63:5, each one of them revealed the profound numbers as a “**great miracle from GOD.**” These numbers reveal the name of **ALLAH (66), His Shahadah bearing the Absolute Authority (110) and finally the name of the messenger, Makbool (178)** through whom these astounding, incontrovertible and phenomenal Miracles and Message has been sent to all the humans on the earth – a good chance for the believers to solidify their faith and belief, as well as advance their souls in the cause of GOD, and a grave warning to the opponents of GOD that their disbelief will not help them when the retribution comes to them or the Hour comes to them, and they will not get a chance to repent.

Earlier in the sermon, if you recall, I mentioned about the “**Miracle of 3,**” as yet unpublished and unknown to you all. Now you have some idea, and GOD has already shown you His support behind me – by revealing my name on the 3<sup>rd</sup> occurrence of verses on the same subject that I recited. The Miracle of 3 essentially reveals that I am the 3<sup>rd</sup> messenger from the Quran, and my name brings out the ultimate miracle and revelation of 66 – ALLAH.

**How?** The 3 messengers from the Quran are: Muhammad, Rashad Khalifa and Makbool Husain.

**Revealed:** The Allah letters in the messengers' names are precisely **4**, as are in His Name, **ALLAH**, and the GV of these 4 letters is precisely **66**, thus revealing the “**glorious revelation of 66**” and fulfilling the prophecy of **61:6 coded under the name – AHMAD**. Some of you are aware of this miracle; others can be informed later on. Note, that all 3 verses reveal the profound numbers 66, 110, 178, through the letters of ALLAH alone, who has blessed me out of His mercy to bestow wisdom from the Quran, and granted me clear Signs, AlhamdoLillah.

There is however good news for those who submit fully and throughout their lives, whereby the angels descend upon them. Again, you will notice that the verse is marked through the messenger's letters, which sets the condition for the belief to be acceptable to GOD.

**41:30** Those who proclaim: “Our LORD is GOD,” then lead a righteous life, the angels descend upon them: “You shall have no fear, nor shall you grieve. Rejoice in the good news that Paradise has been reserved for you.”

**Revealed:** The Verse is marked with **19 Aleefs**, signifying belief in God's Absolute Authority.

**Revealed:** The Verse Number is 30, and the messenger's letters are 44, diff. is **14** – **Seven Pairs**.

\*\*\* These proofs provide the Sacred Codes in a unique way, glory be to Allah. Most people misinterpret these verses and translate the meaning of “righteous life” as they see it. They are under the influence of the devil for doing so. God possesses the power to bring out the best meaning through the intricate coding system which is beyond the scope of the jinns and humans.

**Part of Vs:** Then lead a righteous life. **Part of Vs:** The angels descend upon them.

**Revealed:** The GV of **my letters** are 246 and 260, the precise diff. is **14** – **the Seven Pairs**. This proves that the righteous life really means believing and following the messengers, and upholding all of God's laws, after believing in GOD.

\*\*As stated earlier on Page 1, the believers are the only ones valued on the Day of Judgment and their souls will have weight, while the disbelievers will have no value and their souls will be light. In this Test Period on Earth, the believers will be **FEW** while the hypocrites, disbelievers and the idol worshipers will constitute the **majority**. At the same time, the majority will end up in Hell, according to God's decree. To show you an unusual miracle on this subject, I recite to you 2:212. The verse number **212** represents "**Rabbi - my Lord.**"

**2:212 Part 1:** This worldly life is adorned in the eyes of the disbelievers, and they ridicule those who believe.

**Part 2:** However, the righteous will be far above them on the Day of Resurrection. God blesses whomever He wills, without limits.

**Revealed:** The Aleefs in each part are **7 and 7**, totaling **14**, to reveal **the Seven Pairs**.

**Note the Miracle:** The Allah letters are 13 and **14**, **the diff. is 1**. The higher and coded Seven Pairs number of 14 appears on the part addressing the "righteous." Their souls will be heavier.

**Note the Miracle:** The Quranic Initials are 33 and **34**, **the diff. is 1**. The higher number of 34 appears on the part addressing the "righteous." Their souls will have more weight.

**Note the Miracle:** The Arabic letters are 45 and **48**, the higher number of 48 appears on the side of the "righteous," which will have a higher value.

**Note the Miracle:** my name letters are 27 and **29**, the higher number of 29 appears on the side of the believers, who will be far above those who disbelieved on the Day of Resurrection. The diff. is 2 reflecting the idolatry committed by those who disbelieved in God's messenger.

**Part 1: Question:** Why did the disbelievers ridicule the Believers? **The Answer** is marked by **GOD:** The GV of Allah letters is precisely **162**, representing **Al-Islam and Al-Salaat** (The Submission and the Contact Prayers). This proves that when the Believers follow and uphold the True Islam (162) and do their daily Contact Prayers (162) on time, it upsets the disbelievers, as they have been deceived by the devil and have forgotten ALLAH.

**The Sacred Codes Mark the Verse:**

The GV of Allah letters for the entire verse are:  $304 = 19 \times 16$       **Absolute Signature**  
The GV of the messenger's letters are:  $1680 = 14 \times 120$       **of G O D.**

**SIGNATURE OF GOD:** The Arabic letters in the verse are 93, and the Allah letters in the verse are 27, the difference is **66 – A L L A H**

**83:29** The wicked used to laugh at those who believed.      **GV of Allah letters is 69**

**83:34** Today, those who believed are laughing at the disbelievers.      **GV of Allah letters is 96**

**NOTE:** The numbers are the reverse of each other; the **higher Number of 96** appears for "**the believers.**" What was the real dispute and difference between the 2 groups? **Very Simple:**  $(69 + 96 = 165)$  And  $(96 + Allah 66 = 162)$  **It was all about Allah's Absolute Authority and Islam!!**

**83:34 Believers shown Sign by God:** Arabic letters are 31, my letters are 17, **the diff. is 14**

(There will be more on the same subject after 2 weeks, InshaAllah)

**Praise and Glory be to Allah, Lord of the Universe.**
