

**SERMON: August 3, 2007**  
**Last Minute Belief & Repentance Unacceptable to GOD**

I seek refuge in Allah from satan the rejected.  
In the name of Allah, the Most Gracious, the Most Merciful.

Those who uphold the entire scripture – the Quran, and believed in ALLAH, His angels, His scriptures, His messengers, the Last Day, and worked righteousness while believing will be forgiven by ALLAH and redeemed into Paradise. These are the ones who took advantage of the specific purpose of life, prepared for the Hereafter, and repented to ALLAH for their Original Sin and those that they incurred in this life. The repentance offered to Allah in this life will save them from the grievous consequences of the Hellfire.

**35:33** They will enter the gardens of Eden, where they will be adorned with bracelets of gold and pearls, and their garments in it will be made of silk.

**35:34** They will say, “Praise Allah for removing all our worries.” Our Lord is Forgiving, Appreciative.

**Revealed:** The Allah letters are 17 and 18, **the diff. is 1** – Praise be to ALLAH.

**35:33** They will enter the gardens of Eden, where they will be adorned with bracelets of gold and pearls, and their garments in it will be made of silk.

**35:34** They will say, “Praise Allah for removing all our worries.” Our Lord is Forgiving, Appreciative.

**35:35** “He has admitted us into the abode of eternal bliss, out of His grace. Never do we get bored herein, never do we get tired.”

**Revealed:** my name initials for all 3 Verses are 65, and my letters are 84, **the diff. is 19**.

One of the key elements of GOD’S grace and mercy for those admitted to Paradise is that they will have no “worries at all.” Eternally, they will reside in peace. This portion is marked specifically with the “**Revelation of 1.**”

**35:34** They will say, “Praise ALLAH for removing all our worries.”

**Revealed:** The Allah letters are 15, and my letters are 16, **the diff. is 1** – Glory be to Allah.

**Revealed:** The chapter number is 35, and the verse number is 34, **the diff. is 1**.

**35:34 Part 1:** They will say, “Praise Allah for removing all our worries.”

**Part 2:** Our Lord is Forgiving, Appreciative.

**Revealed:** The GV of Allah letters are 197 and 32, **the diff. is 165** – the people coded under this profound number are the ones who believed and upheld GOD’S Absolute Authority by believing in all His messengers, without making any distinction. This will be evidenced through the words of praise for ALLAH, which the believers know and recite in this world and in the Hereafter.

Worries are a test in this earthly life, and there is not a human being who does not have worries of some sort. In Paradise, the believers will enjoy life through the special grace of the Almighty, by having all their worries removed – a stress-free and carefree life. SubhanAllah.

**35:34 (Part of Verse)** They will say, “Praise ALLAH.”

**Revealed:** The above words comprise of **14 Arabic letters** and the GV of Allah letters is **128**.

**Revealed:** The **14** Arabic letters have a GV of 292 and  $(14 + 292) = \mathbf{306}$ .

Revealed: Praise be to Allah for marking the full name of the messenger, Makbool Husain through the **14** Arabic letters and their GV, as well as my last name through the GV of Allah letters. The statement of the true believers has been pre-recorded by The Most Wise, and they utter these words of glorification for Allah in this life and will do so in the Hereafter. Their worship and utterances are accepted and approved by the Forgiver, Most Merciful, The true believers under the congregations of various messengers are all coded and pre-marked by GOD -be He glorified for His immense Wisdom.

The words of praise for Allah is evidenced through another verse which informs us that these are, and will be recited by those who believed in ALLAH through His messengers, as they are sent with the truth from Him.

**7:43 (Part)** They will say, “ALLAH be praised for guiding us.”

**Revealed:** The Allah letters are 12, and my letters are 12 – the messengers are given **Matching and True Guidance** by GOD.

**Revealed:** The 12 Allah letters have a GV of **165** – this proves that GOD guides to Him those who totally submit, and they cannot be guided till they believe in His Absolute Authority by believing in His messengers.

**7:43 (Part)** They will say, “ALLAH be praised for guiding us. We could not possibly be guided, if it were not that GOD has guided us. The messengers of our LORD did bring the truth.”

**Revealed:** The Allah letters are 35, and my letters are 36, **the diff. is 1** - , this proves that Allah guides the believers through His messengers and gives them the chance to repent to Him.

The words of praise for GOD uttered by the believers on the Day of Judgment are also reflected through the actual verse for that awesome DAY.

**39:75 (Part)** After the equitable judgment is issued to all, it will be proclaimed: “Praise be to ALLAH, Lord of the Universe.”

**Revealed:** The Allah letters are 12, and my letters are 26, **the diff. is 14** – the proof of the Seven Pairs is the Ultimate Miracle, which confirms the truth from GOD, Most Glorified.

**Revealed:** The GV of Allah letters is precisely **223** – a confirmation by GOD that the “**Believers-223**” will be uttering these words of praise for ALLAH.

The procedure to submit to Allah involves asking Him for forgiveness and repenting to Him. After repentance, the people have to refrain from committing the gross sins that are outlined in the Quran. As for the minor sins committed without being deliberate or intentional, GOD will overlook them out of His mercy.

**66:8 (Part)** O you who believe, you shall repent to ALLAH a firm repentance.

**24:31 (Part)** All of you shall repent to ALLAH, O you believers, that you may succeed.

**Revealed:** The Allah letters are 16 and 15, **the diff. is 1.**

**Revealed:** Both Verses: The Allah letters are  $(16+15) = 31$ , my letters are  $(20+25) = 45$ , the precise difference is **14**. This glorified proof of ALLAH which is consistent with the “**Revelations**” given to me informs us that these verses are addressed to the believers, who follow a living messenger, then seek repentance in order to be forgiven by the Forgiver, Most Merciful.

**5:74** Would they not repent to ALLAH, and ask for His forgiveness? ALLAH is Forgiver, Most Merciful.

**Revealed:** The Allah letters are **14** – the Proof of **the Seven Pairs**.

**2:160 (Part)** As for those who repent, reform, and proclaim, I redeem them.

**Revealed:** The GV of Allah letters is **165** – those who repent to the Almighty GOD, reform from disbelief into belief, and proclaim the **Shahadah 165** as well as the entire Quran, GOD redeems them.

**4:146 (Part 1)** Only those who repent, reform, hold fast to GOD, and devote their religion absolutely to GOD alone.

**Revealed:** The Allah letters are 23, and my letters are 24, **the diff. is 1.**

**(Part 2)** These will be counted with the believers. GOD will bless the believers with a great recompense.

**Revealed:** The GV of Allah letters is **162** – it is only from **the believers** that GOD accepts their repentance and **submission (162)**.

**Revealed:** Entire Verse: The Allah letters are 36, and my letters are 50, the diff. is **14** - the Seven Pairs Revelation is a mercy from GOD, and those who believe and follow it will be counted with the Believers, as stated by the Forgiver, Most Merciful.

**Revealed:** Entire Verse: The Allah letters are 36, and my name initials are 35, **the diff. is 1.**

**19:60** Only those who repent, believe, and lead a righteous life will enter Paradise, without the least injustice.

**19:61** The gardens of Eden await them, as promised by the Most Gracious for those who worship Him, even in privacy. Certainly, His promise must come to pass.

**Revealed:** The **Aleefs** of Absoluteness are 9 and 8, **the diff. is 1.**

### **GOD’S Promise of Gardens of Eden for the righteous will come to pass – Praise be to Him**

**19:61** The gardens of Eden await them, as promised by the Most Gracious for those who worship Him, even in privacy. Certainly, His promise must come to pass.

**Revealed:** The Allah letters are **14**, and my letters are **19** – **the Sacred Codes** confirm GOD’S promise.

**Revealed:** my name initials are **14**, and my letters are **19** – the double proofing of the Sacred Codes surely brings good news for the believers – the promised reward from the Most Gracious.

**20:82** I am surely Forgiving for those who repent, believe, lead a righteous life, and steadfastly remain guided.

**Revealed:** my name initials are **14** – **the Seven Pairs Revelation** from the Forgiver.

The 4 important words linked together in this verse are:

Repent (taaba) – believe (aamana) – righteous life (amayla saalayha) – guided (aahtadaa)

Those who fulfill the command of GOD above according to these words, GOD will forgive them as stated by Him. These words are coded in unimaginable ways and linked together. Here are the proofs.

**Revealed:** The Arabic letters for each word are: 3 + 4 + 7 + 5, the sum is **19**

**Revealed:** The Quranic Initials for each word are: 1 + 3 + 7 + 3, the sum is **14**

Thus, the words in the verse **20:82** bear the **Sacred Codes of GOD**, and the assortment of verses on the similar subject has revealed various proofs from the Forgiver, Most Merciful.

### **The Angels pray for those who repent and follow GOD’S Path of messengers**

**40:7 (Part)** And they ask forgiveness for those who believe: “Our Lord, Your mercy and Your knowledge encompass all things.”

**Revealed:** The Allah letters are 9, and my letters are 23, **the diff. is 14** – GOD’S mercy does encompass forgiveness for those who are guided through the “**Revelation of the Seven Pairs.**”

**40:7 (Part)** Forgive those who repent and follow Your path, and spare them the retribution of Hell.

**Revealed:** The Allah letters are **12**, and my letters are **21** – this is the **Sacred Coding** of the **Miracle of 19** according to Verse 74:30, whose GV is **1221**. The Pattern of Allah letters and of my letters reflects **the Code of 1221**.

**Revealed:** The numbers **12** added up to **21** reveal the sum of **165**, which denotes GOD’S Absolute Authority reflected through the Sacred Codes and the Verses in the Quran.

**39:53** Proclaim: “O My servants who exceeded the limits, never despair of GOD’S mercy. For GOD forgives all sins. He is the Forgiver, Most Merciful.

**Revealed:** This verse is coded by the chapter and verse number reflecting GOD’S mercy upon the believers when they seek forgiveness for their sins. GOD forgives the people who had transgressed the limits and blasphemed Him in the past when they believe in the messenger sent to them and repent to Him. The chapter number is 39, and the verse number is 53, the diff. is **14**.

The next 2 verses clarify that GOD commands total submission by following the best path – **the path of the messengers**. The verses reveal the “**Revelation of 1**” as given to this messenger and warning about the retribution associated with disbelief in His messengers.

**39:54** You shall obey your Lord, and submit to Him totally, before the retribution overtakes you, then you cannot be helped.

**39:55** And follow the best path that is pointed out for you by your Lord, before the retribution overtakes you suddenly when you least expect it.

**Revealed:** The Allah letters are 17 and 18, **the diff. is 1** – the best path is achieved by belief in GOD’S Absoluteness, which translates into belief in all His messengers, who bring messages from Him.

In order to submit totally, you have to follow the best path, as pointed out by GOD. This will now be clarified through the above verses as well as another verse in the same chapter. GOD reveals that the “**best path to follow**” is through the “**Revelation of 1**” that is assigned to the messenger, glory be to Him. **Verse 39:18** will further prove the encoding of the messenger’s letters to reveal the best path for the followers of the Quran.

**39:54 (Part)** You shall obey your Lord, and submit to Him totally.

**39:55 (Part)** And follow the best path that is pointed out for you by your Lord.

**Revealed:** The Allah letters are 9 and 8, **the diff. is 1** – glory be to Allah.

**Revealed:** my name letters are 15 and 16, **the diff. is 1** – praise be to Allah.

**39:18 Part 1:** They are the ones who examine all words, then follow the best.

**Part 2:** These are the ones whom GOD has guided; these are the ones who possess intelligence.

**Revealed:** Each part has my letters encoded by GOD as **19** and **19**, a profound miracle and guidance from the Most Merciful.

### **When is Repentance acceptable to ALLAH**

**4:17** Repentance is acceptable by GOD from those who fall in sin out of ignorance, then repent immediately thereafter. GOD redeems them. GOD is Omniscient, Most Wise.

**16:119** Yet, as regards those who fall in sin out of ignorance, then repent thereafter and reform, your Lord after this is done, is Forgiver, Most Merciful.

**Revealed:** The Allah letters are 34 and 20, **the diff. is 14** – glory be to GOD for the Proof.

**3:135** If they fall in sin or wrong their souls, they remember GOD and ask forgiveness for their sins – and who forgives the sins except GOD – and they do not persist in sins, knowingly.

**Revealed:** The Allah letters are 38, a **multiple of 19**.

**3:136** Their recompense is forgiveness from their Lord, and gardens with flowing streams; they abide therein forever. What a blessed reward for the workers!

**Revealed:** The Allah letters are **19**.

**Revealed:** Both Verses: **3:135-136** The Allah letters are 38 and 19, **the diff. is also 19**.

## Mercy and Forgiveness for believers when they repent to ALLAH

**6:54 Part 1:** When those who believe in our revelations come to you, you shall say, “Salamun Alaykum (Peace be upon you).

**Part 2:** Your Lord has decreed that mercy is His attribute. Thus, anyone among you who commits a transgression out of ignorance, and repents thereafter and reforms, then He is Forgiving, Most Merciful.

**Revealed:** my name letters are 21 and 35, **the diff. is 14** – GOD’S mercy upon the believers.

**7:153** As for those who committed sins, then repented thereafter **and believed**, your Lord – after this – is Forgiver, Most Merciful.

**Revealed:** The Aleefs are 11, and my letters are 30, **the diff. is 19** – GOD’S mercy for the people when they believe in His messengers.

**11:90** “You shall implore your Lord for forgiveness, then repent to Him. My Lord is Most Merciful, Kind.”

**Revealed:** The Allah letters are **7**, and my letters are **19** – the Sacred Codes.

**25:70 Part 1:** Exempted are those who repent, believe, and lead a righteous life.

**Part 2:** GOD transforms their sins into credits.

**Revealed:** The Allah letters are 10 and 9, **the diff. is 1** – the sum is **19**.

**Revealed:** my name letters are 14 and 13, **the diff. is 1**.

**Part 3:** GOD is Forgiver, Most Merciful.

**Revealed:** The Allah letters are 7, and my letters are 8, **the diff. is 1** – GOD is Forgiver and Merciful towards the believers.

## Fate of Disbelievers for ignoring and disregarding Reminders of Allah

**35:36** As for those who disbelieve, they have incurred the fire of Hell, where they are never finished by death, nor is the retribution ever commuted for them. We thus requite the unappreciative.

**Revealed:** The Allah letters are 20, and my letters are 34, **the diff. is 14**.

**35:37** They will scream therein, “Our Lord, if you get us out of here, we will work righteousness, instead of the works we used to do.” Did we not give you a life-long chance with continuous reminders for those who would take heed? Did you not receive the warner? Therefore, taste (the consequences). The transgressors will have no one to help them.

**Revealed:** The Allah letters are 25, and my name initials are 44, **the diff. is 19** – the Sacred Codes mark this pair of verses, glory be to Allah.

## When is Repentance Unacceptable to Allah

**4:18 (Part 1)** Not acceptable is the repentance of those who commit sins until death comes to them, then say, “**Now I repent.**”

**Revealed:** This part has **19 Allah letters** and the 19<sup>th</sup> letter occurs on the Aleef of “Innee Tubto – I repent.”

**(Part 2)** Nor is it acceptable from those who die as disbelievers. For these, we have prepared a painful retribution.

**Revealed:** Part 2 also has **19 letters of Allah** – be He glorified. The total Allah letters in the entire verse are therefore 38, a multiple of 19.

**Revealed:** The chapter and verse numbers have been especially chosen by GOD to reveal the coded message of Absoluteness. The numbers from 4 added up to 18, reveal the sum to be 165.

$$4+5+6+7+8+9+10+11+12+13+14+15+16+17+18 = \underline{165}$$

**9:126** Do they not see that they suffer from exacting trials every year once or twice? Yet, they consistently fail to repent and fail to take heed?

**Revealed:** The Allah letters are 14 – a strong reminder for the arrogant who fail to realize that suffering and trials are from GOD and He can remove them once you repent to Him and believe.

### Profound Example of Pharaoh through the Sacred Codes of Allah & His messenger

**10:90 Part 1:** We delivered the Children of Israel across the sea. Pharaoh and his troops pursued them, aggressively and sinfully. When drowning became a reality for him,

**10:90 Part 2 & 10:91** He (Pharaoh) said, “I believe that there is no god except the One in whom the Children of Israel have believed; I am a submitter.” Too late! For you have rebelled already, and chose to be a transgressor.

**Revealed:** The Allah letters are 16 and 30, **the difference is 14**.

The **Allah letters** are separated for these parts of the verses at a special cut-off point in the verses, to prove the history through the Sacred Codes. These verses reflect that Pharaoh admitted belief in Submission and GOD, when he saw death approaching through drowning, but GOD rejected his belief, as he had rebelled and opposed till the end. **Thus it was too late for him.**

**Revealed:** The **messenger’s letters** for these parts are 28 and 47, the diff. is **precisely 19**. This is the **Revelation of the Sacred Codes**, proving and confirming that “**last minute belief**” is clearly unacceptable to GOD.

**Revealed:** For Verse 10:90 (Part 2) and 10:91, the GV of Allah letters is  $361 = \underline{19} \times \underline{19}$

**Revealed:** The 19<sup>th</sup> Allah letter occurs on the Aleef of “**aamanat – I believe**” and the 19<sup>th</sup> Aleef occurs on the Aleef of “**aamanat – have believed.**” There are 2 occurrences of the words “aamanat” in 10:90.

These words are further connected from **Aleef to Aleef** of each word by having **19 Arabic letters** in between, and also reveal the Allah letters to be **12**, and my letters to be **8**, thus revealing the **Pattern of 128**, SubhanAllah.

The **66<sup>th</sup> Arabic letter** occurs on the Aleef of “kaala – he said.” Therefore, the **19<sup>th</sup> Aleef**, the **19<sup>th</sup> Allah letter**, as well as the **66<sup>th</sup> Arabic letter**, all occur on **ALEEFs** (which has the GV of 1) profound numbers **19** and **66** therefore, occur on the **Aleefs** revealing the **GOD is Absolutely ONE**.

**Revealed:** 10:90-91 Entire Verses: The GV of Allah letters are  $476 = \underline{14} \times 34$

**Revealed:** 10:90-91 Entire Verses: The GV of my letters are  $2318 = \underline{19} \times 122$

**Part of Verse:** He (Pharaoh) said, I believe that there is no god except the One in whom the Children of Israel have believed.

**Revealed:** The Allah letters are 20, and my letters are 19, **the diff. is 1**.

Finally, to end this Khutbah, I will present and recite **14 profound verses** from the chapter that has the last occurrence of **66 numbered verses**. The GV of ALLAH is 66, therefore, the verses under this number occur in Chapter 56 for the last time in the Quran. Through Chapter 56, the **last 14 verses** reveal the glorified name of **ALLAH – 66**.

The starting point of these verses show that the disbelieving humans will finally realize and acknowledge GOD and His Absoluteness, when their souls reach their throats to depart back to GOD. That is the time when the human finally submits and the arrogance comes to an end. Through Verse 56:84, it informs us that after death, when the soul looks around, it will see the Existence of only ONE GOD, who is ALLAH, Most Glorified, as revealed through the Proofs.

**56:83 When the time comes and it (your soul) reaches your throat. (Arabic letters are 19)**

56:84 you will then look around.

56:85 We are closer to it than you are, but you do not see.

56:86 If it is true that you do not owe any accounting.

56:87 Why do you not restore (your soul), if you are truthful?

56:88 If he is one of those close to Me.

56:89 Then joy, flowers, and gardens of bliss.

56:90 And if he is one of the right.

56:91 Peace is the lot of those on the right.

56:92 But if he is one of the disbelievers, the strayers.

56:93 Then an abode of Inferno.

56:94 And burning in Hell.

56:95 This is the Absolute Truth.

**56:96 You shall glorify the name of your Lord, the Great.**

**Revealed:** These are the last **14 verses** in **Chapter 56** constituting the **Proof of the Seven Pairs – the Ultimate Miracle**, through which GOD reveals His Glorified Name, **ALLAH, 66**.

**Revealed:** The Allah letters for each verse are as follows:

9 + 1+ 7 + 4+ 3+ 6+ 1+ 7+ 5 + 10 + 1 + 2 + 7 + 3, the sum is precisely **66**

Praise be to ALLAH, whose name the believers glorify in this world, and they will also glorify Him in the Hereafter as well. The disbelievers will realize their arrogance for failing to submit to Him, when their souls reach their throats, **but it will be too late to reform and repent!**

**56:83** When the time comes and it (your soul) reaches your throat.

**56:84** You will then look around.

**Revealed:** The Allah letters are 9 and 1 – **the Pattern of 19**, glory be to Allah

**56:84** You will then look around.

**Revealed:** The Allah letter is only **1** – signifying and proving that **ALLAH is ONE**.

**Revealed:** The Allah letter is 1, and my letters are 9, **the Pattern of 19** – proving **ALLAH is ONE**, as inspired and proven through the messenger, Makbool Husain – praise be to Allah.

The above set of 14 verses are further encoded with Allah letters and the messenger’s letters through the first and last verses to seal and bind the subject matter and the Proofs of GOD.

**56:83** When the time comes and it (your soul) reaches your throat.

**56:96** You shall glorify the name of your Lord, the Great.

**Revealed: Both Verses:** The Allah letters are **12**, and my letters are **21** – thus **the Profound Code of 1221** seals all the **14 verses** – reflecting the heavy message to the people sent down through the messenger. GOD be praised for showing us His Omnipotence and Wisdom in composing His Sacred Words.

### **GOD’S Command to the Messenger and the Believers**

**11:112** Therefore, continue on the path you have been enjoined to follow, together with those who repented with you, and do not transgress. He is Seer of everything you do.

**Revealed:** The Verse No. is 112, and the Arabic letters are 46, the diff. is **66**, SubhanAllah.

**Revealed:** The Verse No. is 112, plus the GV of Allah **66**, the sum is **178**, Alhamdo Lillah.

**Revealed:** The Arabic letters are 46, and the Quranic Initials are 32, **the diff. is 14**.

**Peace be upon the messengers.**

**PRAISE BE TO ALLAH, LORD OF THE UNIVERSE.**
