

GOD'S SYSTEM !!
INVITATION TO BELIEVE
CALL MADE BY THE MESSENGER
RESPONSE NOTED BY GOD

I seek refuge in ALLAH from satan the rejected.
In the name of ALLAH, the Most Gracious, the Most Merciful.

The system of ALLAH revealed through the Quran is that He sends down the guidance to the people through His messengers. The human messengers who are guided and inspired by ALLAH then “invite” the people by making “a call” to believe in ALLAH and His messenger in order to be forgiven by Him. The “response” of the people is then noted by ALLAH. Those who respond to the messenger’s call are guided by ALLAH, while those who turn a deaf ear to his call are sent astray by Him. In this Khutbah, I will recite some of the verses on the subject of “invitation” and the “call” made by the messenger on behalf of GOD and the “response” of the people to such an invitation and call. You will also note through the verses that GOD has placed great emphasis to responding to His Call through the messengers.

In this life, the people ordinarily get an invitation or are called to attend a certain gathering, function, or ceremony, and the host expects a response to such an invitation. The response has to indicate whether you will attend or not. Nor would you like to attend and participate if you are not invited. Similarly, GOD makes a call to the people through His messengers, who invite them on the basis of clear proofs to submit to the Lord of the Universe. Those who listen and respond favorably by accepting the messenger and the message are granted their package of righteousness (47:17), while those who refuse to heed the call of the messenger are sent astray, and shields are placed on their hearts and minds as well as deafness in their ears (17:45-46, 18:57).

The call made by me as a messenger inviting the people to GOD according to the Quran’s verse **3:193** and many others is loud and clear and solidly backed up by GOD’S Proofs, which are incontrovertible and indisputable. The Verse No. is **193**, and the GV of “the humans – Al-Insan” is also **193**. The Coding through these specific numbers proves that the humans will be invited to submission through the messengers who make a call, as the verse suggests. The follow up verse **3:194** in combination with **3:193** reveals the Perfect Proofs of GOD, and are linked to one another.

[3:193] "Our Lord, we have heard a caller calling to faith and proclaiming: 'You shall believe in your Lord,' and we have believed. Our Lord, forgive us our transgressions, remit our sins, and let us die as righteous believers.

[3:194] "Our Lord, shower us with the blessings you promised us through Your messengers, and do not forsake us on the Day of Resurrection. You never break a promise."

Revealed: The messenger’s name letters are 46 and 27, **the diff. is 19.**

This proves that the messenger is calling the people to faith and inviting them to believe in their Lord. They can only avail the privilege of guidance through the messengers of GOD, as the proof indicates.

Revealed: Verse 3:193 has **28 letters of Allah**, and Verse 3:194 has **27 letters of the messenger**, the **difference revealed is 1**. This again proves that the blessings of GOD are sent down through the messengers. These blessings of guidance and redemption in the Hereafter are specifically reserved for those who believe in GOD, and believe in His messengers without making any distinction among them.

The importance of these verses and the encoded message contained in them can only be comprehended by taking parts of the verses which reveal more proofs and messages.

[3:193] Part 1: "Our Lord, we have heard a caller calling to faith and proclaiming:
Part 2: 'You shall believe in your Lord,' and we have believed.

Revealed: The GV of the messenger's letters are 632 and 280, **the diff. is 352** – the messenger has been inspired to invite and call the people to **Islam (submission)** through the **Quran 352**, which has been revealed to him under a specific coded pattern.

Part 3: Our Lord, forgive us our transgressions, remit our sins, and let us die as righteous believers.

Revealed: The **messenger's name letters** are precisely **19**. Through the messenger, GOD gives an opportunity to the people to seek forgiveness for their past sins and to grant them the package of righteousness in order to be redeemed in the Hereafter.

[3:194] Part 1: "Our Lord, shower us with the blessings you promised us through Your messengers.
Part 2: And do not forsake us on the Day of Resurrection.

Revealed: The **Allah letters** are 7 and 6, **the diff. is 1**, SubhanAllah

Revealed: The **messenger's letters** are 11 and 10, **the diff. is 1**, AlhamdoLillah

Part 3: You never break a promise.

Revealed: The Allah letters are 7, and my letters are 6, **the diff. is 1**

Revealed: The **entire verse, 3:194**, has GV of **Allah letters as 227** – a crystal clear marking to bring out the word "**Al-Mumineen – the Believers, 227.**" This Verse is mandatory for the believers to implore GOD through it, in order to be guided and to stay guided.

Those who ignore or disregard any verse of the Quran and do not humble themselves to implore GOD as commanded through the verses, He will not guide them or offer ongoing guidance after the messenger departs from earth.

This verse is the key to the system of guidance through the messengers, and is consistent with other verses, such as 22:75, 7:35, 44:5, 40:70, and many others. Since most people who believe in the

Quran do not care to recite **Verse 3:194** or reflect on it; they are already exposed as hypocrites and partial believers in the Scripture.

Imploring GOD for everything is the essential part of Islam, and constitutes worship of the Most Gracious. Those who do not implore Him are arrogant and He does not bestow His mercy on the arrogant, as the following verses suggest. The Most Praiseworthy says that He is always near to the people. This is how the believers should feel – that GOD is near and close. He wants you to implore Him and pray to Him. In a way, **you are calling out to Him for your needs. Then He responds to you and guides you, as you believed in Him constantly, continuously, and consistently.** He thus sets the precedent for His own system by giving verses in the Quran which address the subject of GOD responding to your call for help, mercy, guidance, and provisions. Similarly, He expects positive and favorable responses from the people when He makes a Call and Invitation to believe through His messengers. Here is a matching pair of verses on imploring GOD, **to receive His response.**

[2:186] When My servants ask you about Me, I am always near. I answer their prayers when they pray to Me. **The people shall respond to Me and believe in Me, in order to be guided.**

[40:60] Your Lord says, "**Implore Me, and I will respond to you.** Surely, those who are too arrogant to worship Me will enter Gehenna, forcibly."

Revealed: The Aleefs for both verses are : $13 + 7 = 20$

Revealed: The Allah letters for both verses are : $22 + 12 = 34$

The difference between 20 Aleefs and 34 Allah letters is **precisely 14**, SubhanAllah.

Revealed: **2:186** my name initials are 28, and my letters are 40, the diff. is **12**

Revealed: **40:60** my name initials are 25, and my letters are 33, the diff. is **8**

The diff. between my initials and letters for both verses on “imploring GOD” in order to be guided and to be responded by Him is **12 & 8**. The Most Wise has revealed **the Pattern of my name 128**, and has already proven that He does indeed respond to our imploring to Him, AlhamdoLillah. Note the Proof of the Seven Pairs between the Aleefs and Allah letters also.

40:60 Part: Surely, those who are too arrogant to worship Me will enter Gehenna, forcibly.

Revealed: The Allah letters are 7, and my letters are 21, **the diff. is 14**.

[42:24] Are they saying, "He (the messenger) has fabricated lies about **GOD!**"? If **GOD** willed, He could have sealed your mind, but GOD erases the falsehood and affirms the truth with His words. He is fully aware of the innermost thoughts.

[42:25] He is the One who accepts the repentance from His servants, and remits the sins. He is fully aware of everything you do.

[42:26] **Responding to Him** are those who believe and lead a righteous life. He will shower them with His blessings. As for the disbelievers, they have incurred a severe retribution.

[13:18] **Those who respond to their Lord** deserve the good rewards. As for those who failed to respond to Him, if they possessed everything on earth - even twice as much - they would readily give it

up as ransom. They have incurred the worst reckoning, and their final abode is Hell; what a miserable destiny.

Revealed: The **Aleefs** of Absoluteness are **precisely 19** in the Verse.

[13:19] Is one who recognizes that your Lord's revelations to you are the truth equal to one who is blind? **Only those who possess intelligence will take heed.**

Revealed: The **Allah letters** for **both verses** are **66** – Praise be to Allah, whose revelations are the truth and are appreciated by those who possess intelligence.

13:19 (Part) Only those who possess intelligence will take heed.

Revealed: The Allah letters are 9 and my letters are 10, **the diff. is 1, the sum is 19.**

Revealed: The GV of Allah letters is 96, and for my letters is 206, **the diff. is 110.**

Revealed: The GV of the words “**those who possess intelligence**” is also **110.**

*** The intelligent humans are those who fulfill their pledge to GOD, and do not violate their Covenant. They believe in GOD's revelations, uphold the guidance, and prove it by following His messengers, which is the best response to GOD'S call to believe in Him. Note that the messenger's letters were involved to reveal the **Proof of 1**, as well as the **Proof of 110** of Absoluteness, through **Verses 13:18-19** above, Praise be to Allah.

[42:47] **You shall respond to your Lord** before a day comes which is decreed inevitable by **GOD**. There will be no refuge for you on that day, nor an advocate.

[42:48] If they turn away, we did not send you as their guardian. Your sole mission is delivering the message. When we shower the human beings with mercy, they become proud, and when adversity afflicts them, as a consequence of their own deeds, the human beings turn into disbelievers.

[6:34] Messengers before you have been rejected, and they steadfastly persevered in the face of rejection. They were persecuted until our victory came to them. Such is **GOD's** system that will never change. The history of My messengers thus sets the precedents for you.

[6:35] If their rejection gets to be too much for you, you should know that even if you dug a tunnel through the earth, or climbed a ladder into the sky, and produced a miracle for them (they still would not believe). Had **GOD** willed, He could have guided them, unanimously. Therefore, do not behave like the ignorant ones.

[6:36] **The only ones to respond are those who listen.** **GOD** resurrects the dead.

There are some who will listen to the call of the messenger and the invitation to believe in GOD, while the vast majority will turn a deaf ear and pretend to be blind to the revelations of GOD. Here are some of the verses on such arrogant people.

[21:45] Say, "I am warning you in accordance with divine inspiration." However, **the deaf cannot hear the call**, when they are warned.

[27:80] You cannot make the dead, nor the deaf, hear the call, if they turn away.

[27:81] Nor can you guide the blind out of their straying. The only ones who will hear you are those who believe in our revelations, and decide to be submitters.

Verse **3:193** was on “**the messenger making a call to the people.**” The next verse will inform the people that **they were invited to believe** but the majority chose to disbelieve.

[40:10] Those who disbelieve will be told, "GOD's abhorrence towards you is even worse than your own abhorrence towards yourselves. For you were invited to believe, but you chose to disbelieve."

Revelation of Invitation: up to “**ALLAH,**” my letters are **14**, and for the remaining words in the verse, they are **19**, thus revealing **the Sacred Codes.**

Confirmation of Invitation: The GV of my letters up to “**ALLAH**” are 492, and for the remaining verse are 704, the diff. is **212**, spelling out the GV of “**RABBI – my LORD.**” This revelation proves that I have extended the “**Invitation**” to the people to believe in their Lord, and to follow me as a messenger.

Revealed: The GV of Allah letters is $196 = 14 \times 7 \times 2$

Revealed: The entire verse has precisely **66 Arabic Letters.**

[40:10] Part 1: Those who disbelieve will be told, “**GOD’S** abhorrence towards you is even worse,
Part 2: Than your own abhorrence towards yourselves.

Revealed: Part 1: GV of my letters is $494 = 19 \times 26$

Revealed: Part 2: GV of my letters is $420 = 14 \times 30$ – again revealing **the Sacred Codes.**

40:11 They will say, “**Our LORD, you have put us to death twice, and YOU gave us two lives; now we have confessed our sins. Is there any way out?**”

Revealed: 40:10 my letters are 33

Revealed: 40:11 my letters are 34, **the diff. is 1**

Revealed: The Allah letters are 18 and 18 for each verse – **Perfectly Matched.**

***Most people disbelieve when invited by the messengers to believe in the Lord of the Universe, and will end up confessing their guilt and sins on the Day of Judgment. These were an important pair of verses, which were marked with the messenger’s letters to reveal the Eternal, Living Existence and Presence of ONE GOD. All praise and glory be to Him.

2 Deaths and 2 Lives Wasted by the Disbelievers

40:11 Part 1: They will say, “**Our LORD, you have put us to death twice, and YOU gave us two lives.**
Part 2: Now we have confessed our sins. Is there any way out?”

Revealed: The Allah letters are 10 and 8, **the diff. is 2** (gods) – **Disbelief in ALLAH.**

Revealed: my name letters are 18 and 16, **the diff. is 2** (gods) – **Disbelief in His messenger.**

** The “**Revelation of 2**” signifies and denotes IDOLATRY committed by the people and confirms that those who committed idolatry will be condemned to Hell by The Creator. This revelation originates and has its basis from **Verses 16:51 and 36:60-61**, which inform the followers of the scripture “**not to worship the two gods**; instead, **they should worship and reverence the ONE GOD**, who created them and provided for them. The follow-up verse reveals that the idol worshipers failed to uphold GOD’S Absolute Authority.

Failure to Uphold God’s Absolute Authority

40:12 Part: This is because when **ALLAH ALONE** was advocated.

Revealed: The Allah letters are 10, and my letters are 9, **the diff. is 1** – the messengers of GOD are inspired to advocate the Name of GOD ALONE according to the Shahadah, and to invite all the people towards Submission according to the commands and laws of GOD.

40:12 Part 1: This is because when **ALLAH ALONE** was advocated, **you disbelieved.**

Revealed: The Allah letters are 10, and my letters are 10 – **Perfectly Matched** – the messengers are given Matching Guidance by the Most Gracious, and authorized by Him to preach and convey His messages to the people.

40:12 Part 2: But when others were mentioned beside Him, you believed. Therefore, GOD’S judgment has been issued; He is the Most High, the Great.

Revealed: The messenger’s **name initials** are **14**, and his **name letters** are **19** – The idol worshipers have been exposed by GOD through **the Sacred Codes** of **14** and **19** using the messenger’s letters. This proves that GOD’S messengers advocate exactly what is inspired to them, which is the Truth from GOD. It is the hypocrites and the disbelievers who idolize them against GOD’S Commands, and thus blaspheme the Sacred Name and Sacred Commands of the Most High.

Revealed: Entire Verse: The Allah letters are 23, and my initials are 22, **the diff. is 1**

The regrettable fate of the disbelievers is pre-recorded and already narrated in the Quran by GOD. These are the people who did not respond to the call of GOD that came through His messengers. When the retribution hits them, they would be pleading for **one** more opportunity to return back to participate in the Test so that they can believe and do the righteous works that please GOD, but they will not be given any respite. The next verse is on failing to respond to the call of GOD by disbelieving in His messengers.

[14:44] Part 1: You shall warn the people of the day when the retribution comes to them. Those who transgressed will say,

Part 2: "Our Lord, give us one more respite. **We will then respond to Your call and follow the messengers.**" Did you not swear in the past that you will last forever?

Revealed: Part 1, Allah letters are **14**, & **Part 2**, Allah letters are **19** – **the Sacred Codes**.

Revealed: The **14th Aleef** occurs on the Aleef of “**Al-Rosul –the messengers**” while the entire verse is wrapped around with **19 Aleefs of Absoluteness**, again revealing **the Sacred Codes**.

Revealed: The Aleefs in the Verse are **19**, while the Allah letters are **33**, **the diff. is 14**.

Revealed: The Allah letters are **33**, while my name initials are **47**, **the diff. is 14**, glory be to Allah for the “**Proofs of Precision.**”

[28:65] On that day, He will ask everyone, "How did you respond to the messengers?"

[28:66] They will be so stunned by the facts on that day, they will be speechless.

Revealed: The Allah letters for both verses are 20, and my letters are 39, **the diff. is 19**.

*** This proven truth and fact already alerts the people that the majority will always disregard and reject God’s Absolute Authority, by refusing to believe in His messengers and the messages that He send down to earth through them.

[37:26] **They will be, on that day, totally submitting.**

[37:27] They will come to each other, questioning and blaming one another.

[37:28] They will say (to their leaders), "You used to come to us from the right side."

[37:29] **They will respond, "It is you who were not believers.**

[37:30] "We never had any power over you; it is you who were wicked.

[37:31] "We justly incurred our Lord's judgment; now we have to suffer.

[37:32] "We misled you, only because we were astray."

[37:33] Thus, together they will all partake of the retribution on that day.

[37:34] This is how we requite the guilty.

[37:35] **When they were told, "Laa Elaaha Ella Allah [There is no other god beside GOD]," they turned arrogant.**

*** The above set of verses are sealed and stamped by the Almighty through the first and the last verses. Both carry a serious and profound message and are linked together as the basis of Islam – Submission to GOD. The basis is revealed through the Revelation of the Sacred Codes using the messenger’s name letters, SubhanAllah.

[37:26] They will be, on that day, totally submitting.

[37:35] When they were told, "Laa Elaaha Ella Allah [There is no other god beside GOD]," they turned arrogant.

Revealed: my name letters are Coded and appear as **14 and 19** in each verse. SubhanAllah.

Revealed: The GV of my letters are 444 and 634.

Difference in 444 and 634 is 190 = **19** x 10 ----- **Code of 19**

The sum of 444 and 634 is 1078 = **14** x **77** (or) **14** x **7** x 11 ----- **Code of 14**

[57:8] Why should you not believe in **GOD when the messenger is inviting you to believe in your Lord?** He has taken a pledge from you, if you are believers.

Revealed: The GV of Allah letters is precisely 222, proving that the messengers invite the people to “Rabbayka” (222) – your Lord.

[57:9] He is the One who sends down to His servant clear revelations, in order to lead you out of the darkness into the light. GOD is Compassionate towards you, Most Merciful.

Revealed: The GV of Allah letters is precisely 352, proving that the messenger has received clear revelations from the Quran 352. Those who follow him are guided by GOD to His light, while those who disbelieve in him remain in darkness and ignorance.

Revealed: The Aleefs of Absoluteness are precisely 7 and 7 in each verse – **the Miracle of the Seven Pairs** associated with and revealed to the messenger.

Revealed: The messenger’s name initials are 31 and 30, the diff. is 1 – the most profound and clear revelation of GOD.

[3:172] For those who respond to GOD and the messenger, despite the persecution they suffer, and maintain their good works, and lead a righteous life, a great reward.

Revealed: The Aleefs are 14 in the Verse, a stamp of GOD’S Absoluteness regarding His recompense and reward for the messengers and the believers.

Revealed: my name letters are 38 in the Verse, **a multiple of 19**.

[14:10] (Part) Their messengers said, "Do you have doubts about GOD; the Initiator of the heavens and the earth?"

Revealed: The Allah letters are 15, and my letters are 14, the diff. is 1 – the messengers are inspired to know that the Initiator of the Heavens and the Earth is only ONE, SubhanAllah.

The messengers authorized and appointed by GOD are known to Him, and they are clearly marked under the words “their messengers said” as the proof reveals.

They said - “kaalat” - the GV of Allah letters is **31**

Their messengers - “Rosolohum” – the GV of Allah letters is **35**

Revealed: The Allah letters are precisely 4 in these words, to match the 4 letters that make up the Glorified Name of ALLAH, and the GV of these letters is a Perfect 66, AlhamdoLillah.

Moreover, the Pattern of 31 and 35 further reveals **the Sacred Shahadah and the Sacred name of ALLAH**.

- $31,35 = \underline{19} \times \underline{165}$

- $31 + 32 + 33 + 34 + 35 = \underline{165}$

- $31 + 35 = \underline{66 - ALLAH}$

NOTE: You have seen verses marked with the Sacred Coding of Allah letters. Now you

have seen that the Most Wise has even marked the words, “**For each congregation**” in Verse 22:67, and “**Their messengers said to them**” as in 14:10. There are an endless number of words marked by the Most Gracious with the Sacred Coding, SubhanAllah.

[14:10] (Part 1) Their messengers said, "Do you have doubts about **GOD**; the Initiator of the heavens and the earth? **He invites you only to forgive your sins**, and to give you another chance to redeem yourselves."

(Part 2) They said, "You are no more than humans like us, who want to repel us from the way our parents used to worship. Show us some profound authority."

Revealed: The Allah letters are 21 and 20, **the diff. is 1** – The majority of the people disbelieve in the messengers, as they have doubts about the Initiator of the heavens and the earth. They wrongly assume that the messengers will send them astray by taking them away from their parents’ teachings, and fail to recognize and appreciate the “**true guidance from GOD.**”

Part 2: The Allah letters are 20, and my letters are 34, **the diff. is 14** – this is proof of the Seven Pairs which represents **GOD’S profound authority to let the people know that I am indeed a human messenger from the Lord of the Universe. This is the Sign for the messenger.**

The next pair of verses I am going to recite informs us that the majority of the people are averse to the “**invitation of guidance**” through **GOD’S** messengers. They do not care to hear or follow the guidance revealed by **GOD** to His messenger.

[7:193] **When you invite them to the guidance**, they do not follow you. Thus, it is the same for them whether you invite them, or remain silent.

[7:198] **When you invite them to the guidance**, they do not hear. And you see them looking at you, but they do not see.

Revealed: The Aleefs are 8 and 7, **the diff. is 1** – the guidance to the messengers comes from the Absolute One God.

Revealed: The Allah letters are 15 and 16, **the diff. is 1** – the guidance is inspired by Allah, the Most Wise, to the messengers.

Revealed: The messenger’s name initials are 20 and 20 – **Perfectly Matched by GOD.**

Revealed: The messenger’s name letters are 28 and 28 – **Perfectly Matched by GOD.** This revelation again proves that the messengers are offered **Matching Guidance by GOD.** The precision of **GOD** to reveal my name letters as 28 and 28, (multiples of 14) also bring out the name of the **LORD, 202**, SubhanAllah. ----- **28,28 = 14 x 202**

[12:108] Say, "This is my path: I invite to **GOD**, on the basis of a clear proof, and so do those who follow me. **GOD** be glorified. I am not an idol worshiper."

Revealed: The Aleefs in the verse are 12, and the Allah letters are 26, **the diff. is 14.** This is the “**clear proof**” given to the messenger – the basis on which I invite the people to **GOD.**

Revealed: From the beginning of the verse up to the first mention of **GOD**, the Allah letters are **12**. From the beginning of the verse up to the second mention of **GOD**, the Aleefs are **8** – this is the “**clear proof**” of the Pattern of **my name – 128**, which appears on the Sacred Name of Allah, Most Glorified.

[12:108] (Part) Say, "This is my path: I invite to GOD, on the basis of a clear proof, and so do those who follow me.

Revealed: The Allah letters are 17, and my name initials are 18, **the diff. is 1**, Praise be to God.

[12:108] (Part) GOD be glorified. I am not an idol worshiper.

Revealed: The Aleefs are **5**, and my letters are **16**, revealing the **Pattern of 165**, which is the GV of the Shahadah; in other words, the Absoluteness of ALLAH.

GOD has 100 % Power and Authority according to the **Attribute of Absoluteness**. This part of the Verse therefore reveals the GV of **Allah letters to be 100**. He has appointed me through His Absolute Authority, which the disbelievers refuse, reject and deny. They will not be permitted to speak on the Day of Resurrection, and will be exposed as liars.

Each congregation under a messenger is identified by GOD through the rites decreed by Him. They all follow the rules and laws of Submission, which is to carry out the commands of GOD. These rites are instituted to test the people for their willingness to submit through the messenger and to test their “**ongoing submission to GOD.**” This becomes a Test of Submission, obedience, humbleness, and to see if they have overcome their “**EGO.**” Therefore, the following verse in this regard is very important and reveals substantial proofs.

[22:67] **Part 1:** For each congregation, we have decreed a set of rites that they must uphold. Therefore, they should not dispute with you.

my letters are 19

Part 2: You shall continue to invite everyone to your Lord. Most assuredly, you are on the right path.

my letters are 14

Revealed: The **Arabic letters** for each part are 40 and 26, **the diff. is 14** – this is a Perfect Proof of the Seven Pairs given to this messenger, SubhanAllah. **The precision of ALLAH is Perfect!**

Revealed: The entire verse has **66 Arabic Letters, another proof of Precision!** AlhamdoLillah.

Revealed: The GV of my letters for the entire verse is 1134, which is **7 x 162**. This number reveals the word “**Submission – Al-Islam, 162**, which reflects on the rites decreed for the congregation under the messenger.

*** **The Sacred Codes of GOD confirm authoritatively that the messenger and the believers guided through these Codes are on the path approved by Him, and have nothing to fear or grieve.** Again, look at the verse from another angle; this time separating the verse precisely up to the rites decreed by GOD to uphold, as compared with the rest of the verse.

[22:67] **Part 1:** For each congregation, we have decreed a set of rites that they must uphold.

Part 2: Therefore, they should not dispute with you. You shall continue to invite everyone to

your Lord. Most assuredly, you are on the right path.

Revealed: The GV of **my letters** are 486 and 648, the precise diff. is **162 (Submission)** – a clear invitation from GOD to follow the path with the messenger, who has been inspired **to submit (162)** to the Lord of the Universe. For this reason, I ask all the people to submit to the Lord of the Universe, by accepting His messenger, and by accepting and appreciating the revelations of ALLAH, Most Wise.

(Part) “You shall continue **to invite everyone** to your Lord.”

Revealed: The Allah letters are 3, and my letters are 4, **the diff. is 1** – the messenger invites everyone to GOD, in accordance with the “**inspiration**” given to him. Additionally, it reveals and confirms the Specific Authority of ALLAH to His messenger to invite the people towards submission and to deliver the message to them.

[22:67] (Part) Most assuredly, you are on the right path.

Revealed: Allah letters are 4 and my letters are 10, **the sum is 14 – the Seven Pairs.**

Revealed: The GV of my letters is 380, **a multiple of 19.** ($380 = 19 \times 20$)

Revealed: The GV of Allah letters is a **Perfect 66**, assuring me and the believers that we are on the right path, as decreed and approved by **ALLAH, Most Glorified.**

[22:67] (Part) You shall **continue to invite everyone to your Lord.** Most assuredly, you are on the right path.

Revealed: The Allah letters are **7**, and my letters are **14**, the Perfect Matching of letters of Allah and His messenger to reveal **the Sacred Code of the Seven Pairs.**

[22:67] (Part) For each congregation.

Revealed: The Allah letters are 4, and my letters are 3, **the diff. is 1**

Revealed: The GV of Allah letters is a **PERFECT 66** – each congregation is marked with the letters of Allah and His messenger, and is further marked and stamped with **the Authorization (66) of ALLAH,** Most Praiseworthy, **as the Proof reveals.** The disbelieving people remain unaware, but GOD has stamped, marked and pre-recorded all these events on Earth. They are all in the Master Record of ALLAH, AlhamdoLillah.

[13:36] Part: Those who received the scripture rejoice in what was revealed to you.

Revealed: my name letters are **19**

In this part of the verse, the words “those who received the scripture rejoice” means that “those who are guided through the scripture of GOD” will rejoice in what has been revealed to the messenger. The sincere followers of the scripture know that GOD does send messengers, and the revelations are associated with them. So this does not come as a surprise to them – it only augments and strengthens their faith. To gain additional knowledge, you should see **Verse 9:124.**

[13:36] **Part:** Those who received the scripture rejoice in what was revealed to you. Some others may reject parts of it.

Revealed: The Allah letters are 16, and my letters are 30, **the diff. is 14**. Those who reject this “**great miracle of the Seven Pairs**” are guilty of partial belief in the Quran, as this Miracle is in accordance with **Verse 15:87**. Each and every verse constitutes “**The Quran**.” No Verse can be taken out of the Quran nor can any Verse be added in.

[23:72] Are you asking them for a wage? Your Lord's wage is far better. He is the best Provider.

[23:73] Most assuredly, **you are inviting them to a straight path**.

[24:51] The only utterance of the believers, **whenever invited to GOD and His messenger** to judge in their affairs, is to say, "We hear and we obey." These are the winners.

Revealed: my letters for both verses are 37 and 51, **the diff. is 14**

The Sacred Codes are the sure confirmation from GOD, and those blessed and guided to follow them express their appreciation to GOD.

(Part) I am inviting you to the Almighty, the Forgiver.

Revealed: The Allah letters are 9, and my letters are 9 – the **Matching Guidance** from GOD.

[40:43] "**There is no doubt that what you invite me to do has no basis in this world**, nor in the Hereafter, that our ultimate return is to **GOD**, and that the transgressors have incurred the hellfire.

Revealed: my name letters are 24 and 43, **the diff. is 19**. The best and true guidance is GOD'S guidance; therefore, all the people are supposed to follow the messenger. The messenger is forbidden to follow the opinions of other people.

[71:2] He said, "O my people, I am a manifest warner to you.

[71:3] "To alert you that you shall worship **GOD**, reverence Him, and obey me."

[71:8] **Then I invited them publicly.**

[71:9] **Then I proclaimed to them loudly, and I spoke to them privately.**

[71:10] I said, "Implore your Lord for forgiveness; He is Forgiving.

[71:11] He will then shower you generously with rain.

[71:12] And provide you with money and children, and orchards, and streams.

[71:13] Why should you not strive to reverence **GOD**?

[71:14] He is the One who created you in stages.

The Miracle: The above **14 verses** are referenced to Noah's message to the people constituting the **Miracle of the Seven Pairs**. **The first and last verse** of the set are linked – they are sealed and stamped by the Omnipotent Lord.

Revealed: **71:1 & 71:14** The Allah letters for both are 22 and my letters 36, **the diff. is 14.**

The Righteous Jinns proclaim GOD'S Absoluteness

[46:31] "O our people, respond to the call of **GOD**, and believe in Him. He will then forgive your sins, and spare you a painful retribution."

Praise be to ALLAH, the guidance through the messenger offers the people the chance to seek forgiveness and “**the eternal life of the Hereafter.**” The disbelievers, on the other hand, will have “**eternal confinement and punishment**” in the Hereafter. By following GOD’S messengers, you are able to purify your souls, which is the specific purpose of your creation.

Last Part: And that before Him you will be summoned.

Revealed: The GV of Allah letters is 42 + GV of my letters is 160, the sum is **202** – **LORD**.

*** **NOTE** that in **Verse 8:24**, GOD has used both words – **respond and invites** – within the same verse. These words are the subject of this Khutbah (Sermon). Note also, that the digits of the chapter and the verse no. $(8+2+4)$ reveal the sum to be **14** – **the Ultimate Miracle**.

GOD’S system of democracy grants all the people the right of freedom of religion, choice, speech, actions and utterances, and more. Those who use this privilege by deciding to choose GOD over satan are the intelligent human beings who will rejoice in this life and in the Hereafter. They are the fortunate ones who will be happy with their “**correct decision and choice.**” Those who do not decide in this life to believe in GOD and stay confused have not only made the wrong decision, but will also be greatly remorseful on the Day of Resurrection.

The people have the right to vote in favor, support, and belief in - the One, the Creator, the Initiator, the Provider, the Living, the Eternal, ALLAH - who invites you to Paradise, OR choose His enemy, satan – who is temporary, powerless, condemned, and invites you to Hell. The people ought to choose, exercise, and cast their vote to believe in GOD or not. The choice made by them during this life will have everlasting consequences – **Paradise or Hell**. Every human is required to cast their vote during their life – as GOD has given them the gift and the privilege to vote by participating in making a clear decision and choice **without any compulsion**.

[2:256] (Part) There shall be no compulsion in religion.

Revealed: The Allah letters are **7**, and the Arabic letters are **14** – This miracle of the Seven Pairs proves the gift of “**freedom of religion and choice**” from GOD, Most Merciful.

[2:256] Part 1: There shall be no compulsion of religion. The right way is now distinct from the wrong way.

Revealed: the messenger's letters are **14** – the right way is to GOD by believing and following His messengers, while the wrong way is by disbelief in GOD and His messengers, which then becomes the path of satan leading to Hell.

[2:256] (Voting to Proclaim your Belief or Disbelief): **Part 2:** Anyone who denounces the devil and believes in GOD has grasped the strongest bond; one that never breaks.

A Vote for GOD has Proven Results: The Allah letters are 19, glory be to Him.

NOTE that **Part 1** has the messenger's letters as **14**, and **Part 2** has Allah's letters as **19**. This reveals the importance of casting your vote during your life. The Sacred Codes enable the people to make the better choice in their lives – by choosing GOD over the devil. Another Miracle is enshrined within Part 2 by reciting the verse to the end.

To complete Part 2 of Verse: GOD is Hearer, Omniscient.

Revealed: The Allah letters for Part 2 are **24**, and the messenger's letters are **38**, the diff. is **14**.

Once the people make the choice to believe in GOD wholeheartedly, without having any doubts, then they will not have any problem believing in the Quran, His messengers, and the Miracles of the Quran. GOD will open up their hearts for Submission out of His mercy.

*** Part 2 of the Verse is marked twice with the Sacred Number **165**..... **How?**

There are 12 Allah letters in the Shahadah which have the GV of 165. Since there are 24 Allah letters in Part 2 of verse, the first **12 Allah letters** reveal the GV of **165**, and so do the next **12 Allah letters** which also reveal the GV to be **165**. This strong coding of Allah letters reflects on the theme and essence of the Quran – **the belief in ALLAH and His ABSOLUTE AUTHORITY, by denouncing the devil, now and always.**

[39:7] **Part 1:** If you disbelieve, GOD does not need anyone. But He dislikes to see His servants make the wrong decision (by disbelieving).

Revealed: The Aleefs are **7**, while the Allah letters are **14** – the disbelievers' wrongful choice and decision is clearly indicated here. At the same time the above Miracle is a proven guide and mercy for the believers.

*** The right of freedom of choice along with other freedoms enjoyed by the humans in this life will be revoked on the Day of Judgment, and everyone will be totally submitting on that DAY. **The majority of the people disregard the messenger’s call on earth**, but on the Day of Judgment, **everyone will follow the caller appointed by GOD** with complete obedience, as a sign of submission.

[54:6-8] Ignore them; the day will come when **the caller will announce a terrible disaster**. With their eyes humiliated, they come out of the graves like scattered locusts. **As they respond to the caller**, the disbelievers will say, "This is a difficult day."

Revealed: (All 3 Verses) The Allah letters are 28, and my letters are 42, **the diff. is 14**. Glory be to GOD for the **profound proof of the Seven Pairs** illustrating the truth on the Day of Judgment.

[20:108] **Part 1:** On that day, everyone will follow the caller, without the slightest deviation.

Part 2: All sounds will be hushed before the Most Gracious; you will hear nothing but whispers.

Revealed: Part 1, Allah letters are 7, and **Part 2**, the messenger’s letters are 14, AlhamdoLillah.

Part 2: You shall uphold this one religion, and do not divide it. **The idol worshipers will greatly resent what you invite them to do.**

Revealed: The **Aleefs of Absoluteness** are 10 and 9, **the diff. is 1** – **the sum is 19**.

Revealed: The Allah letters are 17 and 17 – proving that GOD’S messengers receive the **Matching Guidance** from Him through **Inspiration**.

[42:13] **Part A:** You shall uphold this one religion.

Revealed: The GV of **my letters** is precisely 296 spelling out the word “**Rasul – Messenger**” which has the GV of 296.

The “**one religion**” and the “**one congregation**” mentioned by GOD in the Quran is the one decreed by Him through His messengers. The messengers and the believers are part of the “**one congregation**” and are counted by GOD in the “**one religion – Islam.**”

[42:13] **Part A:** You shall uphold this one religion.

Part B: And do not divide it.

Revealed: The Allah letters are 5 and 4, **the diff. is 1** – this proves that GOD’S religion is only ONE – the path decreed through His messengers, AlhamdoLillah.

[42:13] Part: The idol worshipers will greatly **resent what you invite them to do.**

Revealed: The Allah letters are **8**, and my letters are **12**, revealing the **Pattern of my name, 128**. When the messenger invites the people to Submission and forgiveness from GOD, the idol worshipers resent the invitation and act arrogant.

[42:13] Part: GOD redeems to Himself whomever He wills; He guides to Himself only those who totally submit.

Revealed: The Allah letters are **12**, and my letters are **21** – the guidance is Coded under the specific pattern of **1221** for the messenger and those who follow him.

Revealed: The numbers **12** added up to **21** will reveal the sum of **165**, which reflects upon **GOD’S Absolute Authority** to inspire and reveal to anyone whom He chooses.

Revealed: The GV of Allah letters is **144**, and GV of my letters is **450**, the diff. is **306**. This is the full name of the messenger, **Makbool Husain – 306**. GOD has chosen to redeem and guide me through the Quran and its mathematical coding - the ones who follow and obey me will likewise be guided by Him.

I will recite the breakdown of parts of the verse again to show you how GOD clearly reveals the number **296 for messenger** again, after having revealed **my full name 306**, as well as the **pattern of my name 128**, as well as many other revelations through the same verse.

[42:13] Part A: You shall uphold this one religion, and do not divide it. **The idol worshipers will greatly resent what you invite them to do.**

Part B: GOD redeems to Himself whomever He wills; He guides to Himself only those who totally submit.

Those who do not believe and follow it as dictated and revealed by GOD are idol worshipers who resent His Absolute Authority. GOD does not need them, He is the Most Praiseworthy.

The Verses of the Quran open up the system of guidance for the people. They are in harmony with each other, but the views and preaching advocated by the idol worshipers and the hypocrites are

totally contradictory. This life has a specific purpose which includes the Test from GOD. Those who vote their conscience in favor of GOD by rejecting satan, and implore Him for the truth and guidance are indeed provided guidance – but those who remain unaware and blind will remain as such; they will be even worse off on the Day of Resurrection. The specific purpose is illustrated through this verse which tells us that those who deserve guidance do receive it from their Lord. He knows everyone’s hearts and minds and guides those who totally submit to Him.

[42:8] Part 1: Had GOD willed, He could have made them one community.

Revealed: The Allah letters are 12, and the messenger’s letters are 11, **the diff. is 1**. The few who are guided through His messengers are known to Him – they are the ones whose hearts rejoice in remembering GOD.

Part 2: But He redeems into His mercy whomever He wills.

Revealed: The Allah letters are 4, and the GV is **the PERFECT 66** – Glory and Praise be to ALLAH – the One who controls and provides the guidance.

[10:99] Part 1: Had your Lord willed, all the people on earth would have believed.

Part 2: Do you want to force the people to become believers?

Revealed: The messenger’s letters are 15 and 16, **the diff. is 1** – the “**freedom of choice**” is expressed through this verse and rejects the notion of compulsion or coercion to believe.

Revealed: The Allah letters in entire verse are 17, and my letters are 31, **the diff. is 14**.

[10:100] Part 1: No soul can believe except in accordance with GOD’s will.

Part 2: For He places a curse upon those who refuse to understand.

Revealed: The Allah letters are 18, and my letters are 32, **the diff. is 14** – those who are blind to see GOD’s proofs in the heavens and the earth will remain blind to these awesome proofs from the Quran also.

Revealed: Verse **10:100**, my letters are 31, and **10:101**, my letters are 32, **the diff. is 1** – the awesome Miracle and Proof that GOD is ONE in the heavens and the earth is already revealed and proven through the Quran, the Scripture of GOD.

[10:103] Part 1: We ultimately save our messengers and those who believe.
