

Sermon: Is Quran the messenger or the message? Part 1

Role of the human messenger according to the message of God in the Quran

I seek refuge in Allah from satan the rejected.
In the name of Allah, the Most Gracious, the Most Merciful.

This is one of the most important subjects in the Quran – the subject of guidance for people received through GOD’S messengers, instead of directly through the Quran on their own. When I say “directly on their own,” it means that the Quran has many verses on guidance through the messengers and those who believe in the entire Quran have to believe and follow all the verses. If they do not believe and uphold the entire Quran, then they have already deviated, and violated their Covenant with GOD. Once they are guilty of challenging GOD and have not repented to Him, then why should He guide them? The importance of this subject is extensively narrated throughout the Quran, so much so that the guidance, belief, striving, upholding of covenants, practicing the correct laws, and finally the accountability on the Day of Judgment, all hinge on the subject of belief in GOD’S messengers. This is the reason they (the messengers) will be called by GOD as witnesses over their people.

A substantial portion of the Quran is on GOD’S messengers and on past precedents set up by them. One way of praising GOD would be to appreciate the merit and emphasis placed by Him on this subject. I will therefore devote ample time to explain and clarify this subject to confirm the Truth of the Quran, while exposing the hypocrites and the disbelievers who have distorted and misinterpreted the Sacred Words of GOD deliberately and purposely. **This Khutbah (sermon) will be presented in Parts – and I cannot tell you the exact number of parts at this time.** There are a lot of verses to bring forth to your attention.

There are no straightforward verses in the Quran calling it a messenger to the people, as they will then contradict the verses on human messengers who are sent to guide the people and to deliver GOD’S messages. There are many clear verses about human messengers and their role and function in delivering the messages of GOD. **The Quran is certainly a messenger in a different sense – it is a messenger to the human messengers who receive their messages from within the Quran, when authorized by GOD. It is not a direct messenger to the people in terms of understanding the entire message of GOD or to extract proofs and miracles from it.**

GOD has called the Quran a “message” and a “reminder” to all the people. The clear proof of this fact is that the Quran was originally revealed through the mouth of a human being - Muhammad –the prophet and messenger of GOD. He was given the task to recite it, and offered guidance to the people in his time. It was not sent straight from the sky direct to the people. If it were a direct messenger to the people, as the falsifiers claim, then why do they fail to understand most of the Quran? If they think that they understand GOD’S message, then what is the reason for disputing and breaking down into so many sects of Islam, which is against GOD’S law as given in **30:30-32 and 6:159**, to mention just a few verses?

When the people read or believe in the Quran without belief in the system of human messengers, then they cannot extract the entire message of GOD, and whatever they are able to deduce from it is corrupted by satan, as they failed to believe in all of GOD’S verses and revelations. This is according to the system of GOD whereby He appoints the devil to be the human’s constant companion for disregarding the message of the Most Gracious. **(See Verses 43:36-39 and 41:25 to know about the system)** I am talking about the entire Quran, and not just portions and parts of the scripture which ironically most people believe and follow while self assuring themselves that they are guided. **(See 43:37, 23:63, 18:101-106, 36:45-46, to mention just a few verses)**

Sermon: Is Quran the messenger or the message? Part 1 (continued)

Those who disbelieve have always disputed about the messengers, and most of those who believed in the messengers, later end up disputing between themselves after the messengers depart from earth. Therefore, they will all be reminded about their gross sin of disbelief in GOD'S messengers displayed through their arrogance on earth, on the Day of Judgment before being condemned to Hell. The only question asked of the disbelievers, hypocrites, and the compromisers by the guardians of Hell will be whether they received GOD'S messengers and messages. You have to reflect and see the truth which is: GOD is not going to ask the people on the Day of Resurrection whether they believed in the Psalms, Torah, Bible, Quran, and other scriptures not named by Him. Instead, The Absolute GOD is going to ask them: **“Did they not receive messengers from among them who recited to them His revelations?” (39:71)** and **“Did they not receive their messengers who delivered to them clear messages?” (40:50)** He is also going to ask them a simple question: **“Is this not the truth?” (6:30, 46:34)** For all the 3 questions, the unanimous answer of the disbelievers will be: **“Yes, by our Lord.”** The scriptures, messages, messengers, and the proofs, signs and miracles given to them are all lumped and included in the word, **“truth.”** The belief in messengers is directly connected with the Day of Judgment as pointed out through the straightforward questions asked of the disbelievers, therefore, **this becomes the most important subject of GOD'S scriptures** – the Messages of GOD and the delivery of the Messages by His Messengers. Later on in this sermon, I will recite the appropriate verses on the accountability of human beings with regards to this subject.

Why is GOD going to ask about human messengers and the warners in a direct way but not about His scriptures in the same way? It is because the scriptures were revealed through the human messengers, who recited the truth to the people, as inspired by GOD. All the Scriptures have been unique in their style, language, the layout of the verses, and the entire composition, which proves that they are not from any human being, and are from GOD – the Creator of the high heavens and the earth. Without GOD'S inspiration, it is impossible to understand and interpret the scripture in a truthful and consistent manner. This is the reason behind the system of human messengers who are inspired by GOD, so that the people may know that they bring His messages and did not fabricate lies to present them. The Signs and Miracles are also given to them so that the people may identify them as being from GOD.

All of this shows the importance of the system whereby the messengers are sent to the communities chosen by GOD to test whether they believe in His Absolute Authority or not. A billion or more people at this time may believe that the Quran is the word of GOD, but are they willing to believe in a messenger sent by the same GOD through the same scripture – the Quran? **Most of them will not!** It is all about GOD'S Absolute Authority. When they do not believe in the messengers, they are staying away from the test of GOD, which makes them hypocrites, disbelievers, and idolaters. How can GOD forgive and redeem them when they have not been tested? This life is supposed to be the 2nd chance and each human has to go through the Test regarding GOD'S Authority, by fulfilling all the covenants they made with Him before being sent here.

Another fact is that all of GOD'S Scriptures have always been corrupted, misinterpreted, distorted, and the truth concealed by the hypocrites and the disbelievers. These distorted scriptures can be bought in the marketplace by the distorters – any number of them, with plenty of mistakes, distortions, and concealment. However, the Scripture given to the messenger is revealed by The Most Wise, and foremost among the tasks assigned to him is to purge (purify) all lies, distortions, and concealment from the scripture. Why would GOD ask you to believe in a scripture which is not pure and truthful anymore? Or why should GOD guide the followers of the scripture who do not believe in all of the verses? **But He does ask the people to believe in the scripture recited by His messenger. The scripture recited by the messenger is revealed by GOD and the people are tested through the messenger.** He is the One who lets the messengers inherit the Scripture from Him, in accordance with His will. You will note that Verse **35:32** reveals each part coded with my name letters through the Seven Paris, as well as Verses **74:49,52,53**, which are also coded with the

pattern of my name letters to reveal my first name. I will recite these verses to show you GOD'S Miracle.

35:32 Part 1: We passed the scripture from generation to generation, and we allowed whomever we chose from among our servants to receive it.

Revealed: The GV of Allah letters is 68, and of my letters is 420, **the diff. is 352** – the name of the Scripture, **Quran – 352**, is thus spelled out for the messenger who has received it from GOD.

Revealed: The **messenger's name letters are 14**.
The scripture has been passed to me by GOD under the **Code of the Seven Pairs**, as well as many other revelations, bringing new knowledge to the people who believe.

Part 2: Subsequently, some of them wronged their souls, and others upheld it only part of the time.

Revealed: the **messenger's name letters are 14**.

Part 3: While others were eager to work righteousness in accordance with GOD'S will.

Revealed: The **messenger' name letters are 14**.

Part 4: This is the greatest triumph.

Revealed: The **messenger's name letters are 7**.

*****Note the Pattern of my name letters as: 14-14-14-7 precisely designed by GOD for each part of the verse, SubhanAllah. Can the disbelievers deny GOD'S proofs and miracles?**

The believers who follow and obey the messenger in upholding the laws, working righteousness, and striving alongside him, are separately marked by ALLAH with the Sacredness of His name letters. I will combine the parts on believers to show you the "revelation."

35:32 Part: We passed the scripture from generation to generation, and we allowed whomever we chose from among our servants to receive it.

35:32 Part: While others were eager to work righteousness in accordance with GOD'S will.

Revealed: The Allah letters are 10 and 9, **the diff. is 1**, and the sum is **19**, revealing the Most Praiseworthy Allah.

35:32 Part: This is the greatest triumph.

Revealed: The Allah letters are **7**, and the messenger's letters are **7** – **the Miracle of the Seven Pairs**. In the end, on the Day of Resurrection, the messengers and the believers are the ultimate victors. They will be redeemed into Paradise by the Forgiver, Most Merciful.

Jealousy is the reason for rejecting the messenger and demanding the scripture personally!

74:49 Why are they so averse to this reminder?

74:52 Does each one of them want to receive the scripture personally?

Revealed: The **Allah letters** are 6 and 7, **the diff. is 1**. The reminders are served by the (human) messengers and they are the ones blessed personally with GOD'S scripture. The disbelieving humans reject them out of jealousy.

Revealed: The **messenger's letters** are 8 and 17 – the numbers are scrambled to reveal the pattern of the name **178 for Makbool** – the messenger of GOD, SubhanAllah.

74:52 Does each one of them want to receive the scripture personally?

74:53 Indeed, they do not fear the Hereafter.

Revealed: The **messenger's letters** are 17 and 8, the pattern of my first name, **178 for Makbool**, AlhamdoLillah.

4:54 Part 1: Are they envious of the people because GOD has showered them with His blessings?

Revealed: The **Allah letters are 14** – the ultimate miracle of GOD confirms the blessings bestowed upon the messengers.

Part 2: We have given Abraham's family the scripture, and wisdom; we granted them a great authority.

Revealed: The Allah letters are 16, my name initials are 17, **the diff. is 1**.

4:55 Part 1: Some of them believed therein,

Part 2: And some of them repelled therefrom.

Revealed: The Allah letters are 3 and 2, **the diff. is 1**.

Revealed: The messenger's letters are 8 and 7, **the diff. is 1**.

Part 3: Hell is the only just retribution for these.

Revealed: The **messenger's letters are 7**.

6:53 Part 1: We thus test them by each other.

Part 2: To let them say (mockingly), "Are these the people among us who are blessed by GOD?"

Revealed: The **messenger's letters** are 7 and 21, **the diff. is 14**

Sermon: Is Quran the messenger or the message? Part 1 (continued)

Part 2: To let them say (mockingly), “Are these the people among us who are blessed by GOD?”

Revealed: The letters of Allah are **14**, to again confirm the blessings bestowed upon the messengers by guiding them to the faith, glory be to Allah.

Part 2: To let them say (mockingly), “Are these the people among us who are blessed by GOD?”

Part 3: Is GOD not aware of the appreciative ones?

Revealed: The messenger’s letters are 21 and 12, revealing the pattern of **1221** through the scrambled numbers in reverse order – a profound proof of GOD’S Absolute Authority in choosing whomever He likes.

“Are these the people among us who are blessed by GOD?”

Revealed: The GV of Allah letters is 139, and GV of my letters is 468, **the diff. is 329** – the **Most Gracious 329** decides who to choose and the reason behind it! No one else does any choosing.

“Is GOD not aware of the appreciative ones?”

Revealed: The GV of Allah letters is 159, and GV of my letters is 324, **the diff. is 165** – the Absolute GOD is fully aware of each soul – He is fully aware of the appreciative souls and those who disregard His Absolute Authority. The Coding of the Verses reveals the Truth.

The disbelievers and the hypocrites challenge GOD’S appointment of the messenger out of jealousy and resentment. This is why GOD has mentioned each one of them wanting the scripture personally from GOD also. The scripture is the same which the people can buy from the book stores, but the one that the messenger receives from GOD has the revelations from Him and the knowledge behind them – just as you see right before your eyes. You and I are reading off the same Quran, but you do not have any inside knowledge of anything in the scripture, which you can prove. On the other hand, it will now be impossible to count the total number of revelations revealed by GOD to me, AlhamdoLillah.

Most people who disbelieve in the messenger do not like the scripture recited by him, or the guidance offered by him. **Why?** It is because they are blessed with the Truth to counter and defeat the falsehood and lies. It is usual to hear them tell the messenger to bring a Quran other than this (the one recited by the messenger), or to change it. This takes me to certain verses to state the absolute truth from GOD.

4:136 O you who believe, you shall believe in **GOD** and His messenger, **and the scripture He has revealed through His messenger** (current messenger), and the scripture He has revealed before that (to past messengers). Anyone who refuses to believe in **GOD**, and His angels, and His scriptures, and His messengers, and the Last Day, has indeed strayed far astray.

Revealed: The Verse is wrapped around with **19 Aleefs** of **Absoluteness**, SubhanAllah.

Revealed: The Allah letters in the verse are $49 = 7 \times 7$, the **Miracle of Seven Pairs**.

Revealed: The messenger's name initials are $49 = 7 \times 7$, the **Matching Miracle of Seven Pairs**.

The same scripture can, and is revealed by GOD again, to subsequent messengers, as there are hidden verses, proofs, messages, prophecies, knowledge about the future, and many other reasons. This is why the believers who are addressed in this verse should note the usage of words by GOD:

“And the Scripture He has revealed through His messenger.”
“And the Scripture He has revealed before that.”

Revealed: The Aleefs of Absoluteness are 2 and 3, **the difference is 1**

Revealed: The Allah letters are 8 and 7, **the difference is 1**

Revealed: the messenger's letters are 12 and 12, **Perfectly Matched**.

Revealed: Each part, the GV of the messenger's letters are: $294 = 14 \times 7 \times 3$
And: $380 = 19 \times 20$

Note that the **1st part** is on the “**present messenger**” and is accompanied with the proof of the current miracle of **the Seven Pairs** ($14 \times 7 \times 3$) revealed through the GV of the messenger's letters – proving the Revelation of the Quran to me. Even the quotient of “**3**” has a meaning – **the 3rd messenger from the Quran**, as I have stated to you in the past. What I have said earlier has now been confirmed by the Absolute GOD. The **2nd part** mentions the “**past**” which is accompanied with the miracle of **19** through the GV of my name letters, which was given to Rashad. Let me show you again the portion of the verse applicable to me at “**present**.”

“And the Scripture He has revealed through His messenger.”

Revealed: The Allah letters are **8**, and my letters are **12**, to reveal the name of the **messenger**, profoundly marked as **128** for **Husain**. This leaves no doubt now that the same Quran once recited by Muhammad and Rashad, is the same Quran given to me by the Most Praiseworthy. How do we know this fact? Look at the next part of the Verse again. It is all coded by GOD to make it easy for the human messenger to explain. The Quran as a book could not do on its own, as it is not designed by GOD for that purpose.

“And the Scripture He has revealed before that.”

Revealed: The Allah letters are 7, and the messenger's letters are 12, **the sum is 19**. This proves that the earlier revelations to previous messengers were also from the same One God – Allah. The truth about the past is also given and proven through subsequent messengers.

Revealed: **1st Part**, Allah letters are 8, the messenger's letters are 12, the sum is **20**.

Revealed: **2nd Part**, Allah letters are 7, the messenger's letters are 12, the sum is **19**.

Both Parts: What is the diff. in the coded numbers of Allah and His messenger? It is **ONE**.

“Bring a Quran other than this, or change it!”

10:15 Part 1: When our revelations are recited to them clearly.

Revealed: The Allah letters are 8, and the messenger’s letters are 11, **the sum is 19**. This shows the linkage of the verses and the revelations with the name letters of the messenger. The human messenger is blessed to point out the hidden and deeply coded proofs of GOD, whereas the Quran as a book cannot inform you about them on its own – again, it is not designed by GOD to do so.

10:15 Part 2: Those who do not expect to meet us say, “Bring a Quran other than this, or change it!”

Revealed: The Allah letters are 16, and the messenger’s name initials are 15, **the diff. is 1**.

Revealed: The messenger’s name letters are **19**. The disbelievers do not like the Quran, especially when it comes in a proven form, as it leaves them no room or margin to utter lies against GOD.

“Bring a Quran other than this, or change it!”

Revealed: The Allah letters are **7**, and the messenger’s letters are **7** – this proves the “special revelation of the Quran” and the linkage of the messenger to the verses, through the Seven Pairs Sign given to me, which the disbelievers will not like, or appreciate.

*“Those who do not expect to meet us say,”
“Bring a Quran other than this, or change it!”*

Revealed: The GV of the messenger’s letters are 496 and 200, the diff. is **296** – for **Messenger**. The disbelievers and hypocrites, as GOD has stated, will not appreciate these revelations, or the messenger, and they will insist upon the **messenger (296)** to bring a different **Quran** – one that suits their idolatry and disbelief, whereby they can be exempt from the Test of GOD, and not be questioned about their idolatrous beliefs and practices. Praise be to Allah for the proofs of precision and clarification.

10:15 Part 3 (A) Say, “I cannot possibly change it on my own.”

Revealed: The messenger’s name letters are again **19**, SubhanAllah.

10:15 Part 3: Say, “I cannot possibly change it on my own. I simply follow what is revealed to me. I fear, if I disobey my Lord, the retribution of an awesome day.

Revealed: The Allah letters are 22, and the messenger’s letters are 41, **the diff. is 19**.

The Shahadah of GOD in the Quran is the basis of belief in Him and in His Absolute Authority. It is the same Shahadah recited by me which has been recited by the previous messengers. The 2 different forms are given in the Quran, and the Absolute Truth is also revealed through them. The disbelievers and the hypocrites either do not agree with the Shahadahs of ALLAH, or do not understand and comprehend the vast meaning behind them. This is the reason they have gone astray, and incurred

misery upon themselves and upon the ones who follow them. The Omnipotence of Allah, His Absolute Authority, as well as all of His Attributes are reflected and encompassed through the Shahadahs.

(1) La Elaha Ella Hoo

(2) La Elaha Ella Allah

Revealed: The Aleefs of Absoluteness are 4 and 5, **the diff. is 1.**

Revealed: the messenger's letters are 4 and 5, **the diff. is 1**, and designed to Match with the Proofs of Absoluteness, Alhamdo Lillah.

The truth of the Shahadah is also given to the human messengers who proclaim it to the people with their voices, while the Quran as a book does not proclaim it to the people with a voice. It is only written in the book for those who care to read, and to believe in it.

37:35 When they are told, "La Elaha Ella Allah (there is no other god beside Allah).

Revealed: The messenger's name letters are **14**.

37:35 When they are told, "La Elaha Ella Allah (there is no other god beside Allah), they turned arrogant.

Revealed: The messenger's name letters are **19**. Thus the Sacred Shahadah is marked with the Sacred Codes of **14 and 19** for the messengers, to recite and proclaim to the people. They are the ones who deliver GOD'S messages and make the people aware of His profound Absolute Authority.

37:37 In fact, **he** (*the messenger*) has brought the truth, and has confirmed the messengers.

Revealed: The Truth: The Allah letters are **7**, and the messenger's letters are **14**.

The teachings and guidance has been revealed to the messenger under the Code of Seven Pairs, as well as many other revelations. The word "**he**" clearly represents the human messenger, who delivers the message to the people. Here again, the Quran is not speaking to the people on its own to carry out the same functions which are assigned and designated to the human messengers.

These proofs reveal the truth that I am reciting the same Quran revealed by the One, Absolute GOD, as recited by the past messengers who preceded me, and the guidance is matched by the Omnipotent. It has been revealed in a different form, proofs, and revelations to me. If you look back, you will not find khutbahs (sermons) recited in the past with verses in a proven form, like the ones inspired to me, and recited to you so frequently. AlhamdoLillah.

As stated in the Quran, the acceptance of the messengers and their messages from GOD has always mostly been rejected, disputed, and opposed by the hypocrites and the disbelievers throughout all times. Lately in our times, after the death of Rashad (messenger of God), the followers of the messenger have again disputed and divided into various sects, each of them rejecting the future messengers of GOD and asking their followers to disbelieve in any future messenger. They also proclaim to follow "Quran Alone" - only as a slogan, while disregarding numerous verses on covenants and pledges made with GOD as well as verses on guidance through the messengers. Thus GOD has nullified their works and sent all of them astray, except those who repent to GOD and believe in the entire Quran. A clear proof of this fact is that if you visit and read the numerous websites, articles, and commentaries of the hypocrites, you will notice that the verses recited in this

Khutbah (Sermon) and the topics presented by me are missing from theirs. They totally ignore certain subjects and conceal the verses on Shahadah, messengers, covenants, and much more.

The believers on the other hand whose works are accepted and approved by GOD will not be asked any questions on the Day of Judgment, as He was fully aware of their belief. GOD knows that they upheld their Covenants – one of them was to believe and follow His messengers. Part of this Covenant states that the believers will respond by saying **“we hear and we obey”** to any revelation from GOD, and to the living messenger, if they did receive one. As the sincere believers upheld all of GOD’S commands, they will be rewarded with the word **“Peace”** by the angels and welcomed into Paradise. The fact that the believers obeyed GOD is already reflected in the Quran with the omission of verses on believers rejecting the messengers. There is not a single verse telling us that the sincere believers rejected, opposed or disbelieved in the messengers. On the other hand, there are verses on the disbelievers saying to the messenger: **“you are not a messenger – you are crazy – you are bewitched – tales from the past – you are a liar- and much more.”** (See Verses 13:43, 14:13, 21:36,42, 25:4,27, 13:27, 52:33, to mention just a few).

The disbelievers and the hypocrites have the audacity and the arrogance to challenge GOD consistently by saying that He does not send messengers, nor does He reveal anything to any human being. On both counts they are misguided and absolutely wrong. They have gone far astray and will be remorseful on the Day of Resurrection. GOD is the One who decides when to send a messenger and to which community. He is the One who decides what to reveal through the human messenger, as well as the miracle and the sign to bestow upon him. No one else does any choosing. This law is stated in **59:6 with the Perfect Proof of 66** to prove **His Law**, and reveals the glorified name of **ALLAH**.

59:6 Part A: GOD is the One who sends His messengers against whomever He wills.

Part B: And GOD is Omnipotent over all things.

Revealed: The GV of Allah letters are 192 and 126, the diff. is the **Perfect 66 – ALLAH**.

6:91 Part 1: They never valued GOD as He should be valued. Thus, they said, “GOD does not reveal anything to any human being.”

The Allah letters are 19 – the Perfect Code

6:91 Part 2: Say, “Who then revealed the scripture that Moses brought, with light and guidance for the people?”

The Allah letters are 14 – the Perfect Code

The Perfect Revelations of **19 and 14** through the letters of ALLAH prove that the disbelievers do not value GOD and His Authority, as they disbelieve when He reveals scriptures and messages through His messengers. Moreover, it also proves that the previous scriptures as well as the Quran are perfectly coded by GOD through the Sacred Codes. The inscription of the name letters of the current messenger in such verses and in the whole of Quran is testament to the truth of GOD. He has pre-selected His messengers and coded some of them in His Scriptures.

The names of some of the messengers are mentioned in the Quran, while some are not mentioned. One way to mention them is through the mathematical coding of specific name letters under specific codes; thus spelling out the name mathematically, as is the case with me, SubhanAllah. This system

is way beyond any liar or fabricator falsely proclaiming that they are from GOD, as they will not be able to present any evidence to support their claim.

6:91 Part: You put it down on paper to proclaim it, while concealing a lot of it.

Connection of messenger with Scripture: The Allah letters are 6 and my letters are 13, **the sum is 19.**

6:91 Part 3: You put it down on paper to proclaim it, while concealing a lot of it. You were taught what you never knew – you and your parents.

Revealed: The Allah letters are 16 and the messenger's letters are 30, **the diff. is 14.**

The above proof refers to the hypocrites and the disbelievers who inherit the scriptures left behind by the messengers and later alter it to delete, add, and repeal certain verses and portions of the scripture to suit their desires. GOD is fully aware of the criminals. The last part of this verse ends with the letters of the messenger as **14** – the profound miracle of the Seven Pairs.

6:91 Part 4: Say, "ALLAH" (is the One who revealed it), then leave them in their heedlessness, playing.

Revealed: The letters of **the messenger** are precisely **14** – **the Perfect Proof of Seven Pairs.**

Note that the word "**say**" applies to the messenger here who has been given the revelations by GOD. This proves that GOD speaks to the human messengers and commands them. If you accept the distorted version of the disbelievers who preach that the "Quran is the messenger," then ask them who is GOD talking to when He uses the word: "**say.**" Surely, the Most Wise is not talking to the Quran and asking it to say "Allah" as He has not granted it a voice, unless the disbelievers think to the contrary and are under some form of delusion.

At this point, I will recite a verse with relevant and consistent proofs of GOD, clarifying that the QURAN is the "**message**" while the "**human messenger**" is commanded and given the duty to recite GOD'S revelations. The premise of GOD applicable to all the followers of the Quran is that they do not fully believe and practice the "**correct laws**" till the messenger comes to them and shows them how to do it, and enlightens them with the truthful interpretation of the Scripture. They are considered to be astray in the sense that they did not uphold all the verses, laws, commands of GOD, or practice them correctly. Moreover, they had not been put to the Test regarding GOD'S Absolute Authority till the messenger is sent to them. (See Verse 3:164, 62:2)

MESSAGE – the QURAN, and (human) MESSENGER

65:10 (Part) GOD has prepared for them severe retribution. Therefore, you shall reverence GOD, O you who possess intelligence and believed.

Revealed: The Allah letters are 26, and the messenger's letters are 24, **the diff. is 2.**

Revealed: This portion of the Verse is guarded with **14 Aleefs of Absoluteness** outlining the Revelation given to me, and proving what I have stated below in my comments with regard to the idolatry committed by the followers of the Quran.

Comment: The “**Revelation of 2**” signifies here that the majority of those who say that they believe in GOD and the Quran do not do so without committing idol worship (**12:106**). They do not really believe in all the verses and do not care to uphold them, including disbelief in His Absolute Authority displayed through His messengers. Therefore, you see the “**Revelation of 2 gods**” – meaning idolatry committed by the people by disbelieving, rejecting, opposing and ridiculing GOD’S (*human*) messengers.

When I combine the portion addressing those who possess intelligence to reverence GOD completely, as He has sent down a message (through the Quran); the revelation revealing and identifying the messenger is clear and proven. The ones who reverence GOD wholeheartedly and totally **are few** out of those who claim to believe and follow the Quran.

65:10 (Part) Therefore, you shall reverence GOD, O you who possess intelligence and believed. GOD has sent down to you a message.

Revealed: The Allah letters are 25, and my letters are 26, **the diff. is 1** – the Supreme Revelation of 1 is revealed by ALLAH to let the people know about the profound warner and messenger sent by Him with His Sacred Message.

Revealed: The GV of Allah letters is 323 = **19** x 17

Revealed: The GV of Allah letters is 323 and GV of my letters is 792. Let me place these values side by side to show you the indisputable revelation of **the Seven Pairs**.

323,792 = 14 x 14 x 14 x 118 ----- Glory and Praise be to ALLAH.

How did the Revelation suddenly change and transform from “Revelation of 2” to “Revelation of 1” in accordance with the content of the verse and the subject matter?

The beginning part of the verse bringing out the “**Revelation of 2**” addressed those who claim that they believe in the Quran, but GOD knows best that their belief is **idolatrous**, as they had not been tested through a messenger. When they are put to the Test through the messenger, their idolatry is easily and clearly revealed through their rejection and disbelief. Their distortion and lies in interpreting the Quran wrongly inspired me to prepare and recite this Khutbah (Sermon) to you, so that you can hear the TRUTH and recognize it through the verses on this subject along with the relevant proofs.

The second combination of part of the verse brings out the “**Revelation of 1**” as GOD is speaking to those who possess intelligence and reverence GOD to submit totally through the “**ENTIRE MESSAGE OF THE QURAN**.” These are the ones **who are few** and uphold GOD’S Absolute Authority in order to reverence Him. **The Quran is my messenger** through which GOD has revealed this indisputable and undeniable revelation, but I am the human messenger through whom the rest of the people will know and hear about this revelation.

65:10 (Part) GOD has sent down to you a message.

Revealed: The Allah letters are 9, and my letters are 8, **the diff. is 1**.

The message of GOD here is the revelation of the human messenger bearing the message of Quran, and the Sign assigned to him is **the profound Sign of 1**, authorized and approved by the Most Gracious, Lord of the Universe, who is indeed ONE in number and in His Absolute Authority.

65:10 (Part) GOD has sent down to you a message.

65:11 (Part) A messenger (*human*) who recites to you GOD'S revelations.

Revealed: The Allah letters are 9 and 10, the diff. is 1 ----- (the sum is 19)

Revealed: my name letters in each part are 8 and 12; the numbers are scrambled to bring out the Pattern of my name **128** for **Husain** to complement the Revelation of 1, AlhamdoLillah.

Revealed: The GV's of my letters are: $320,292 = \underline{14} \times 22878$ – Seven Pairs confirmation.

GOD will now reveal the **Secret** behind my recitation of His Revelations in accordance with His will – the Perfect Revelation of the Seven Pairs bestowed upon me as a Profound Sign through the relevant parts of **Verses 65:10-11** and augments it with **Verse 27:6** which mentions the entire QURAN blessed upon me through the same Miracle.

65:10-11 (Parts) GOD has sent down to you a message - a messenger (*human*) who recites to you GOD'S revelations **clearly**.

Revealed: The **Allah letters** are **19** – a clear revelation of the Authority of GOD.

Revealed: The G.V. of the **messenger's letters** is **714** – a clear revelation of the Seven Pairs through all the name letters of the messenger, SubhanAllah.

65:10-11 (Part) GOD has sent down to you a message - a messenger (*human*) who recites to you GOD'S revelations **clearly**.

65:11 (Part) To lead those who believe and work righteousness out of the darkness into the light.

Revealed: The messenger's letters are 24 and 25, **the diff. is 1** – the truth about the message and the (*human*) messenger.

65:11 (Part) Anyone who believes in GOD and leads a righteous life, He will admit him into gardens with flowing streams; they abide therein forever. GOD will generously reward him.

Revealed: The Allah letters are 28, a multiple of **14**. (28 = **14** x 2)

Revealed: the messenger's letters are 38, a multiple of **19**. (38 = **19** x 2)

This is not only the "Revelation of the Sacred Codes of 14 and 19; in fact it brings out the Sacred and Glorified Name of **ALLAH**, as $28 + 38 = \underline{66}$, SubhanAllah.

Note that the pair of important verses, 65:10-11 bear the sum of the digits as **14** – the truthful miracle of the Seven Pairs. $(6 + 5 + 1 + 1 + 1 = \underline{14})$

Note that GOD has chosen to reveal His glorified name **66**, in combination with His letters and those of His messenger, to point out the role and function of the human messengers.

27:6 Surely, you (the messenger) are receiving the Quran from the Most Wise, Omniscient.

Revealed: the messenger's letters are 19, and the GV of his letters is 714

GOD has thus confirmed the "Revelation of the Seven Pairs" by inscribing 19 letters of His Name in Verses 65:10-11 and complementing it with 19 letters of the messenger's letters in 27:6. Both of the Verses additionally are marked with the GV of the messenger's letters as 714, each time. These are just 2 examples and there are more verses marked with this Miracle, SubhanAllah.

It is utter shame for the hypocrites and the disbelievers to say that the Quran is the messenger for the people, therefore, they do not need nor will accept human messengers from GOD. Can they not read **Verse 27:6**, which is from the Quran, to figure out who is the word "**you**" is addressed to? The Verse reads: Surely, **you are receiving** the Quran from the Most Wise, Omniscient.

Surely, the Quran cannot receive the Quran, as the verse will not make any sense. The link between the Quran and the people is clearly stated here to be the human messenger who has been addressed as "**you**." Moreover, the proofs speak the truth as revealed by GOD. The disbelievers will not be able to face the Truth as they have no basis to challenge GOD, just like satan had no basis in challenging GOD'S Authority.

While GOD narrates that the Scriptures bring the people out of darkness into the light, He also informs us of His system that involves His messengers who recite from the Scriptures to achieve this goal. All of the verses on every subject in the Quran are **inter-linked** and **inter-connected** with the "**messengers**" through further extensions and links – till we put them in perspective and context, you cannot get the complete and truthful meaning or interpretation. This is consistent throughout the Quran. For example, I am going to show you the "linkage" between the "**Scripture**" and the "**Messengers**" when it comes to leading the people out of darkness into the light.

THE SCRIPTURE – to lead the people out of darkness into the light:

14:1 A.L.R. A scripture that we revealed to you, in order to lead the people out of darkness into the light - in accordance with the will of their Lord - to the path of the Almighty, the Praiseworthy.

14:2 (The path of) GOD; the One who possesses everything in the heavens and everything on earth. Woe to the disbelievers; they have incurred a terrible retribution.

"Interlink and Inter-Connection of Scriptures to the Messengers Proven"

Revealed: Both Verses: The Allah letters are 26 and 19, the diff. is 7 – the Miracle Code.

Revealed: 14:1 has the messenger's letters 33, and 14:2 has Allah letters 19, the diff. is 14.

Revealed: 14:1 has Allah letters as 26, and 14:2 has the messenger's letters 27, the diff. is 1.

This complex structure of the verses along with the built-in proofs of the messenger's letters blessed with the Ultimate Miracles, proves beyond all doubts that ALLAH is the MOST WISE who has encompassed His messengers and has included them in the Quran as well as in the previous

Sermon: Is Quran the messenger or the message? Part 1 (continued)

scriptures in His dictation of them. **14:1** clearly informs us that the scripture (Quran) is revealed to the human messenger who is given the task of leading the people to the path of GOD. **14:2** expresses GOD'S Absolute Authority over everything He does with the grave warning to the disbelievers who challenge and refuse to accept His Authority. Here is the sure confirmation of what I have said in addition to all the above proofs.

Revealed: The Aleefs of Absoluteness in both verses are precisely **12 and 8**, to reveal the Pattern of the name **128 for Husain** – the messenger blessed with the Ultimate Miracles of the Quran.

THE HUMAN MESSENGER – to lead the people out of darkness into the light:

57:8 Why should you not believe in **GOD** when the messenger is inviting you to believe in your Lord? He has taken a pledge from you, if you are believers.

57:9 He is the One who sends down to His servant clear revelations, in order to lead you out of the darkness into the light. **GOD** is Compassionate towards you, Most Merciful.

Revealed: Both Verses are stamped by ALLAH with the profound numbers **222 and 352** – the former represents: “**Your LORD**” and the latter represents “**QURAN.**”

The verses again prove the system of GOD - to invite the people to His guidance through His messengers, who are given the clear revelations through His scriptures. The system is based on the pledges and covenants made by the human beings during their first life in Paradise before coming to Earth. The system also has been designed to be inter-dependent between the scripture and the human messenger. The scripture relies on the human messenger to recite GOD'S revelations and the messenger relies on the scripture to receive and recite GOD'S messages to the people.

Just like the first set of verses **14:1 and 2** were clearly marked with the Aleefs of Absoluteness as **12 and 8** to reveal the name of the messenger **128**; similarly, the set of verses **57:8-9** is also marked with the Aleefs of Absoluteness to reveal the Sign given to the messenger.

Revealed: The Aleefs of Absoluteness in both verses are precisely **7 and 7**, to reveal the great Miracle of the Quran in accordance with **Verse 15:87** – a true reflection of **the Ultimate Miracle.**

Peace be upon the messengers.

PRAISE BE TO ALLAH, LORD OF THE UNIVERSE.
