

Sermon: A Dream Come True

January 18th 2008

I seek refuge in Allah from satan the rejected.
In the name of Allah, the Most Gracious, the Most Merciful.

A true miracle has come to pass from ALLAH, Most Praiseworthy. A dream seen by one of the believers and communicated to the believers on December 14, 2007 did not impress upon us as much of anything at the time, but GOD was to show a Miracle later on through the fulfillment of it. The Most Merciful was to show that He is in touch with the believers and supports their efforts to preach the Truth. To the believers, it is one more assurance from GOD that He controls everything in the universe, and guides whomever He wills. The Most Gracious can link up human beings to the messenger in unique ways, and can direct them to the guidance, if He so wills it. By now, GOD has shown you thousands of miracles from the Quran through the new revelations revealed to me, which are unique, inspiring, and endless. This one is yet another miracle of a different nature whereby the messenger was unaware of the purpose of his trip to the U.K., but was in accordance with GOD'S Plan. Moreover, the believers have witnessed the Miracle play out in real life thus establishing the truth of the dream for which all praise belongs to ALLAH – the Knower of the Future.

Before I left for London, Ozcan had sent an email to all of us. The date of this email received by the messenger is printed below as **December 14, 2007**. Glory be to the Almighty for sending the hidden good news that were in the waiting under **the Miracle of 14** being the date of the email from Ozcan. **Part of the email** is printed below with the date to remind all of you about the Miracle from GOD that was to unveil after the meeting with Ali – the one who has lost his vision some years ago, and was directed by GOD to seek guidance through the messenger.

DRAFT OF OZCAN'S EMAIL QUOTED BELOW:

Date: Dec 14, 2007 5:03 PM - mailed-by yahoo.com

Ozcan

To realize that GOD controls the guidance and is in full control at all times, one just had to witness the demeanor of ALI when I first met him - the attitude, the talk and the voice - which were different when he talked from the point of disbelief, compared to a total change of his tone and voice thereafter once he believed. There is a remarkable difference in a human being when they allow their human soul to speak out in favor and belief in GOD, as compared to the jinn soul which speaks out in arrogance to repel from the path of GOD. Praise be to ALLAH, that He guided a blind man to believe in what he heard from my mouth - including the proofs without actually seeing them. Glory be to Allah for showing the believer a dream and thereby fulfilling it through ALI.

None of us could ever imagine that the verses mentioned in **Chapter 80** about the blind man can be played out and revealed again, as it seemed like history of the past. But GOD has converted the Quran's Verses into current revelations and is fulfilling them to show yet again that He is Omnipresent, Omniscient, and Omnipotent – glory be to Him. Not only did He reveal this part of history again and made it happen, but also revealed substantial proofs to myself after the man was guided. Some of these proofs have been recited to the believers in London. As I type this sermon, The Most Wise is revealing more proofs to confirm that He has shown us all a True Miracle for which the believers ought to be appreciative of GOD, His Omnipotence, and His Absoluteness.

***** A NOTE:** The Proofs about the “blind man” do not in any way signify that he is special in any way, or is above other believing men and women. GOD sets up precedents and examples through some human beings for others to observe. The final redemption depends on the individual staying guided and steadfast till death. This is GOD'S way of showing us that all the human beings are marked and coded as disbelievers or believers. The believers will be shown the path of guidance and righteousness in this life, while the disbelievers will remain unaware and heedless of GOD – their Creator.

I now narrate the proofs and miracles behind this whole incident.

THE DATE I RECEIVED THE EMAIL: December 14, 2007 is hereby confirmed by GOD.

Proof: 12,14,2007 = 19 x 639053

December 12 + Day 14 + Year 2007 = 2033 = 19 x 107

The name of the messenger is hidden and coded in the date, and is now revealed by GOD during the course of typing out this sermon.

Miracle: The sum of the digits is: $1+2+1+4+2+0+0+7 = \underline{17}$
12,14,2007

The digits involved in the date are a total of : **8**

The Pattern of 17 and 8 encoded within the numbers of the DATE clearly reveals the messenger **178, Makbool**, through whom GOD willed to provide Ali with the guidance.

By taking both forms of the numbers, which comprise the DATE, as 12-14-2007 and the sum of the numbers of the DATE, which add to 2033, the name of the messenger is revealed again.

Miracle: The sum of the digits of the date are: $1+2+1+4+2+0+0+7 = \underline{17}$
The sum of the digits of 2033 are: $2+0+3+3 = \underline{8}$

This again reveals the Pattern of **178**, being the name of the messenger, **Makbool**.

You have just witnessed that the date concerning the miracle of guidance for the blind man has been revealed twice through the Miracle of 19, as well as the name of the messenger, which has also been revealed twice above.

The following are the Verses from Chapter 80 regarding the history and the precedent of the “**blind man**” who came to seek guidance from prophet Muhammad centuries ago. A similar repeat of the incident happened with the current messenger, SubhanAllah. The precision of ALLAH is incomprehensible and commendable, as He does not reveal any revelation through the verses that do not apply to me. The 3 verses, which are NOT APPLICABLE to my situation, are given in “*italic print*” below. After reading them, you will realize why they do not apply to me.

The reason for them being non-applicable to me is that I did not frown at the blind man, nor did I ignore him, nor was there another rich man occupying my attention. The Most Gracious is truthful in selecting only **7 Verses** out of 10 to reveal the proofs and revelations.

*(80:1) He (Muhammad) frowned and turned away. *(Not Applicable to this situation)*

80:2 When the blind man came to him.

80:3 How do you know? He may purify himself.

80:4 Or he may take heed, and benefit from the message.

*(80:5) As for the rich man. *(Not Applicable to this situation)*

80:6 You gave him your attention.

80:7 Even though you could not guarantee his salvation.

80:8 The one who came to you eagerly.

80:9 And is really reverent.

(80:10) You ignored him. *(Not Applicable to this situation)

Here is a Chart of the Letters of Allah and of the Messenger for each of the 7 Verses:

<u>Verse No.</u>	<u>Allah letters</u>	<u>Messenger's letters</u>
80:2	6	4
80:3	4	8
80:4	4	5
80:6	3	3
80:7	5	7
80:8	3	7
80:9	1	4

*** These 7 Verses are split up as a set of 3 verses (80:2-3-4) together, followed by 4 verses (80:6-7-8-9) after.

- 80:2** When the blind man came to him.
80:3 How do you know? He may purify himself.
80:4 Or he may take heed, and benefit from the message.

Confirmation Revealed by the Most Wise: In this set of **3 verses**, the Aleefs are precisely **7**, and the Allah letters are **14** - glory be to Allah for the Miracle of **the SEVEN PAIRS**.

Revealed: The Allah letters are 14, and the messenger's initials are 15, **the diff. is 1**

- 80:6** You gave him your attention.
80:7 Even though you could not guarantee his salvation.
80:8 The one who came to you eagerly.
80:9 And is really reverent.

Revealed: The Aleefs are again **7**, while the Allah letters are **12**, **the sum is 19**.

Revealed: The Allah letters are **12**, and the messenger's letters are **21**, to reveal the profound Miracle of GOD of **1221** through the Pattern, SubhanAllah.

Revealed: The Aleefs are **7**, while the messenger's letters are **21**, to reveal the difference of **14**, as the profound **Miracle of Seven Pairs**.

Revealed: 1st Set of 3 verses has **7 Aleefs**, and 2nd Set of 4 verses has **7 Aleefs** also. This is the true **Miracle of the Seven Pairs** confirming the guidance from the Most Merciful to Ali, for which he should be eternally grateful by remaining steadfast in belief.

I will now present and recite the same verses in different combinations – each time they become a subject matter on its own, by GOD'S leave. You will be awed at the messages revealed through the combination of such sets of verses, and the encoded proofs within them, SubhanAllah.

The Blind Man Receives the Message of GOD:

- 80:2** When the blind man came to him.
80:3 How do you know? He may purify himself.
80:4 Or he may take heed, and benefit from the message.
80:7 Even though you could not guarantee his salvation.

Revealed: The **Allah letters** for the 4 verses are **19** – **completing the Sacred Codes.**

The Blind Man Receives the Message through the Messenger:

- 80:2** When the blind man came to him.
80:6 You gave him your attention.
80:8 The one who came to you eagerly.

80:8 The one who came to you eagerly.

Revealed: The messenger's letters in these 4 verses are **19**, revealing **the Sacred Codes**.

The Messenger had no idea whether the Blind Man will be Guided or Not:

- 80:7** Even though you could not guarantee his salvation.
80:8 The one who came to you eagerly.

Revealed: The messenger's letters are **7** and **7** – **the Seven Pairs**.

Revealed: Both of these verses are composed of **14** and **14** Arabic Letters – an additional Miracle of the Seven Pairs.

The Innermost Thoughts of the Blind Man were known only to GOD:

- 80:2** When the blind man came to him.
80:9 And is really reverent.

Revealed: The Allah letters are 7, and the messenger's letters are 8, **the diff. is 1**

The Messenger gave his attention regardless of the person:

80:2 When the blind man came to him.

80:6 You gave him your attention.

80:9 And is really reverent.

Revealed: The Allah letters are 10, and the messenger's letters are 11, **the diff. is 1**

PURIFYING THE SOUL THROUGH THE MESSENGER:

80:3 How do you know? He may purify himself.

Revealed: The Allah letters are 4, and the GV of Allah letters is precisely **66**. The system of purification of the soul takes place through the guidance of GOD revealed through His messengers. Hence the purification of the soul happens by belief in such guidance. (See Verses 2:129 and 2:151)

PURIFYING THE SOUL BY ACCEPTING THE MESSAGE:

80:4 Or he may take heed, and benefit from the message.

Revealed: The Allah letters are 4, and the messenger's letters are 5, **the diff. is 1** – The Profound Message through the “**Revelation of 1**” is pointed out here. Through this Ultimate Miracle and Message, the humans have a unique chance to purify their souls in order to be redeemed by GOD.

The Blind Man was given a Chance to Decide after Hearing the Message:

80:4 Or he may take heed, and benefit from the message.

80:6 You gave him your attention.

Revealed: The Allah letters are 4 and 3, **the diff. is 1**

Revealed: The GV of Allah letters are 37 and 36, **the diff. is 1**

Revealed: The GV of the messenger's letters is $196 = 14 \times 14$

Revealed: Both Verses: The Allah letters are 7, and the messenger's letters are 8, **the diff. is 1**

80:2 When the blind man came to him.

80:3 How do you know? He may purify himself.

80:4 Or he may take heed, and benefit from the message.

80:6 You gave him your attention.

Revealed: The GV of Allah letters for each verse are: $39+66+37+36 = 178$. This is the truthful confirmation from my LORD that I gave the blind man my attention, and GOD approves of it by spelling out **my name 178 for Makbool**.

GOD APPROVES OF MY HANDLING OF THE SITUATION:

80:6 You gave him your attention.

80:8 The one who came to you eagerly.

80:9 And is really reverent.

Revealed: The Allah letters are 7, and the messenger's letters are 14 – the Miracle of the Seven Pairs confirms the testimony of GOD that I gave the blind man my attention and welcomed his visit.

80:6 You gave him your attention.

80:8 The one who came to you eagerly.

Revealed: The GV of my letters are $90 + 216 = 306$. This is the **Stamp of Approval** from my Lord, who has revealed my full name, which was encoded within the appropriate Verses.

Revealed: The GV's of my letters written together: $90,216 = 14 \times 6444$. This is additional proof through the encoding of the GV of my letters under **the Miracle of the Seven Pairs**.

The total number of verses applicable to prophet Muhammad in Chapter 80 on the subject of the "blind man are 10. Those are Verses 1 through 10. By writing the first and last verses side by side as 1,10, it reveals the profound number 110, which in fact represents GOD'S Absolute Authority to do as He wills and to guide whomever He wills. The blind man was inspired to seek the guidance through the prophet and messenger of GOD. Unfortunately, prophet Muhammad frowned at him, and ignored him - as the first and last verses suggest. GOD did not approve of his reaction and response to the blind man, and therefore revealed these verses. The first and last verses on this incident bind the subject matter through the Glorified Name of ALLAH, who possesses the attribute of ABSOLUTENESS, and Muhammad had to submit totally to ALLAH and His will.

First Verse: 80:1 He (Muhammad) frowned and turned away (from the blind man).

Last Verse: 80:10 You (Muhammad) ignored him (the blind man).

Revealed: The Arabic Letters for each verse are $8 + 11$, **the sum is 19**. GOD'S Coding covers the verses, the messengers, the message, and everything else.

Revealed: The Allah letters in this pair of verses are 4, and my letters are 10, **the sum is 14**.

This is the great Miracle of the Sacred Codes of 19 and 14, which reveal the inter-woven nature of GOD'S Revelations and the inscription of my letters within the verses as part of the "PROOF SYSTEM OF QURAN."

Revealed: The Allah letters in both Verses are 4, and the GV is precisely 66 – SubhanAllah.

ALLAH is the One who is in control of everything, and does not hesitate to correct or reprimand His messengers when they go wrong.

Revealed: 80:1 The GV of **my letters is 114** – The blind man came to hear the Word of God through the 114 chapters mathematically coded and given to Muhammad, and similarly now to myself. In my case, the blind man was welcomed and due regard and time was given to him to offer him the valued guidance of GOD.

Revealed: 80:10 The GV of **my letters is 140** – the mathematically coded Glorious Quran given to me provides the proofs and evidence of the past and future history and events.

NOTE that the GV of my letters for the 1st and the last Verses are **114 and 140**. These numbers are multiples of **19 and 14** respectively – a profound Miracle of **the Sacred Codes of GOD** given to me, AlhamdoLillah.

FINAL CONFIRMATION:

The sum of the Seven Verses is: $2 + 3 + 4 + 6 + 7 + 8 + 9 = \underline{39}$
The messenger's letters in the 7 Verses are: $4 + 8 + 5 + 3 + 7 + 7 + 4 = \underline{38}$

Revealed: The messenger's letters in relation to the 7 Verses reveals the diff. of 1

The Miracles of 7 and 19 are both represented here through the verses, which are 7, and the messenger's letters in the verses, which are 38, being a multiple of 19.

The Sequence of Allah letters in the 7 Verses is as follows: 6-4-4-3-5-3-1
The Sequence of the Messenger's letters is as follows: 4-8-5-3-7-7-4

Let me write the sequence of the letters of Allah and of mine. By adding up the exact sequence of both sets, they reveal to be **a multiple of 19**.

$$6443531 + 4853774 = 11297305 = \underline{19} \times 594595$$

The Beginning and Ending Numbers of Allah letters and my letters are wrapped around the **Seven Verses**, as follows:

Allah letters – Beginning and Ending Letters are: 6 and 1, the sum is 7.
Messenger's letters – Beginning and Ending Letters are 4 and 4, the sum is 8.

The difference in the numbers 7 and 8 **reveals the difference of 1** – Praise be to ALLAH.

Now you have some idea about Ali and the history behind his belief. Did Ali decide to see me or was it ALLAH who inspired him to come down and see His messenger. It could not have happened except with GOD'S will. All Praise is to ALLAH, who fulfilled His promise to guide the believing souls.

If this incident happened to any sectarian or idol worshiping group, in the manner that it did happen – first the dream seen by a certain individual, followed up by my visit, which brings

in the blind man into the picture, who then decides to believe – such groups would have manipulated the incident by publicizing it in order to achieve their goals and to promote their idolatry. The believers on the contrary put their trust in Allah and know that everything happens in accordance with His will - He is Supreme over all decisions and matters and is Omnipotent over all things. Glory be to Him, as everything is easy for Him.

The gentleman Ali made an effort to seek the Truth and strove in the cause of GOD by taking out the time to do so. As he was sincere and impartial in differentiating the TRUTH from the LIES, he was able to achieve the best result, which is to submit to GOD through His messenger, the revelations, and the proofs.

29:69 Part 1: As for those who strive in our cause, we will surely guide them in our paths.
Part 2: Most assuredly, GOD is with the pious.

Revealed: The GV of Allah letters are 109 and 128, **the diff. is 19**, SubhanAllah. Also note that the GV of the word “**STRIVE – Jahadoo**” is also **19**.

Revealed: The GV of Allah letters in the entire verse is 237, and the GV of the messenger’s letters is 918, the sum is 1155 = **7 x 165**

The striving mentioned here in the cause of GOD really implies accepting GOD’S Absolute Authority by believing in His messenger, as the **Proof of 165 indicates.

**All the people who strive in the cause of GOD are blessed with the guidance, as stated by the Most Sacred in the Verse and proven through the Verse.

29:69 Part of Vs: As for those who strive in our cause.

Revealed: The GV of the messenger’s letters is **162** – this Proof indicates that the Truth of Submission (162) can only be found through the messengers of GOD, who are blessed with His revelations and inspiration.

29:69 Part of Vs: Most assuredly, GOD is with the pious.

Revealed: The GV of Allah letters is **128**.

Revealed: The GV of Allah letters is 128, and of the messenger is 434, **the diff. is 306**.

Revealed: The Allah letters are 8, and my name initials are 12 – **the Pattern of 128**.

** In this verse, the word “**pious**” is coded for the messengers of GOD, who are approved by Him, and His support and approval extends to the believers who follow them. You have witnessed this small part of the verse to be encoded 3 different ways to reveal the name of the messenger, AlhamdoLillah.

The Coded Message that comes out through the numbers assigned to the verses in chapter 80 is another Marvel of GOD. I am going to write the Verse Nos. and add up the digits of such verse numbers to show you the Marvel of GOD.

Verse Nos: 1 – 2 – 3 – 4 – 5 – 6 – 7 – 8 – 9 – 10 – 11 – 12 – 13 – 14 – 15.

MIRACLE: The sum of the digits comprising the 15 verses are as follows:

$$1+2+3+4+5+6+7+8+9+1+1+1+1+2+1+3+1+4+1+5 = \underline{66}.$$

The Revelation of 66 happens on Verse **80:15**, which reads:

80:15 (Written) by the hands of the messengers.

This brings out the Revelation that GOD’S messages and words are written and recorded by the messengers with their hands, such as the example you see and witness in my case.

Another Miracle:

Verse Nos: 1-2-3-4-5-6-7-8-9-10-11-12-13-14-15-16-17-18-19-20-21-22-23

By adding the digits up to Verse 23, this is the result and revelation:

MIRACLE: The sum of the digits comprising the 23 verses are as follows:

$$1+2+3+4+5+6+7+8+9+1+1+1+1+2+1+3+1+4+1+5+1+6+1+7+1+8+1+9+2+2+1+2+2+2+3, \text{ the Sum of the Digits is } \underline{114}.$$

The Revelation of 114 happens on Verse **80:23**, which reads:

80:23 He shall uphold His commandments.

Revealed: The Allah letters are 7, and the messenger’s letters are also 7 – providing Matching Guidance through the Miracle of the Seven Pairs, through the verse commanding the people to uphold GOD’S commandments. This verse originates when the digits add up to **114**, which comprises the entire subject matter of the Quran.

The **2 Verses (80:15 and 80:23)** revealed above through the **Sacred and Hidden Coding of 66 and 114** command the people to uphold ALL the REVELATIONS of GOD that have been written by Makbool – the messenger of GOD. **The Sacred Codes of 14 and 19** encompass even these **2 new verses** which GOD has opened up for you to realize His Marvels.

80:15 The sum of the digits are $8+0+1+5 = \underline{14}$

80:15 & 23 The sum of the digits are $8+0+1+5+2+3 = \underline{19}$

The next set of verses inform you that the words I utter are from the honorable scripture, which is exalted and pure, written by the hands of the messenger, who is honorable and righteous – those who do not believe in these revelations are really unappreciative of ALLAH. From Verse **80:11 to 80:17** are precisely **7 Verses – the Miracle of 7 for you to behold!**

I will take the **first 3 Verses as a Set**. This will highlight on the “**Miracle of 3.**” I will then progress with a Set of 4 verses, then 5, then 6, and finally conclude with the **Set of 7 Verses** to highlight the Miracle of 7 – the journey through the sets of verses will reveal the great Revelation of 1 each time – glory and praise be to ALLAH.

THREE VERSES: Reminder through the Honorable Scripture – the Quran:

- 80:11** Indeed, this is a reminder.
- 80:12** Whoever wills shall take heed.
- 80:13** In honorable scriptures.

Revealed: The **Allah letters** are 9, and the **messenger’s letters** are 8, **the diff. is ONE.**

FOUR VERSES: Reminder through the Quran that is Exalted and Pure:

- 80:11** Indeed, this is a reminder.
- 80:12** Whoever wills shall take heed.
- 80:13** In honorable scriptures.
- 80:14** Exalted and pure.

Revealed: The **Allah letters** are 12, and the **messenger’s letters** are 11, **the diff. is ONE.**

FIVE VERSES: Reminder to Follow the Revelations written and Recorded by the Messenger:

- 80:11** Indeed, this is a reminder.
- 80:12** Whoever wills shall take heed.
- 80:13** In honorable scriptures.
- 80:14** Exalted and pure.
- 80:15** (Written) by the hands of messengers

Revealed: The **Allah letters** are 14, and the **messenger’s letters** are 15, **the diff. is ONE.**

SIX VERSES: Reminder to follow the messenger who is honorable and righteous:

- 80:11** Indeed, this is a reminder.
- 80:12** Whoever wills shall take heed.
- 80:13** In honorable scriptures.
- 80:14** Exalted and pure.
- 80:15** (Written) by the hands of messengers
- 80:16** Who are honorable and righteous.

Revealed: The **Allah letters** are 16, and the **messenger’s letters** are 17, **the diff. is ONE.**

SEVEN VERSES: The Unappreciative will be Exposed in Time due to Disregard for GOD’S Miracles and Revelations:

- 80:11** Indeed, this is a reminder.
80:12 Whoever wills shall take heed.
80:13 In honorable scriptures.
80:14 Exalted and pure.
80:15 (Written) by the hands of messengers
80:16 Who are honorable and righteous.
80:17 Woe to the human being; he is so unappreciative!

Revealed: The **Allah letters** are 23, and the **messenger's letters** are 24, **the diff. is ONE.**

WHAT A SUPREME MIRACLE FROM THE LORD OF THE UNIVERSE – THE MIRACLE OF 7. The last verse, 80:17 is again marked for the human to reflect!

80:17 Woe to the human being; he is so unappreciative!

Revealed: The **Allah letters** are **7**, and the **messenger's letters** are **7** – **the Miracle of the Seven Pairs** to conclude this Sermon.

A Reminder! The Verses on the “blind man” applicable to me were 7. The reminder to take heed through the scriptures and messengers of GOD were also 7. GOD has therefore revealed the TRUE MIRACLE OF THE SEVEN PAIRS IN THIS SERMON. This chapter ends with the words “Wicked Disbelievers.” Each of the words are 6 and 6 Arabic Letters, thereby revealing the Glorified Name of ALLAH as 66 before you exit this chapter. I will recite a pairs of verses from Chapter 83 to express the state of the disbelievers in order to conclude this Sermon.

83:13 When our revelations are recited to them, he says, “Tales from the past!”

Revealed: The **Allah letters** are **14**.

83:14 Indeed, their hearts have become shielded by their sins.

Revealed: The **messenger's letters** are **19** – the Sacred Codes compliment the Words of GOD.

Revealed: The **Verse No. is 14**, and the **messenger's letters** are **19** – **Double Miracle!**

PROSTRATE TO YOUR LORD AND ASK FOR FORGIVENESS!

Peace be upon the messengers.

PRAISE AND GLORY BE TO ALLAH.
