

Sermon: Repenting & Reforming –
What does it entail?

March 21st 2008

I seek refuge in ALLAH from satan the rejected.
In the name of ALLAH, Most Gracious, Most Merciful

I wrote an email of guidance to the believers with extensive proofs on just a single verse on **“Repeating & Reforming.”** As these were important proofs from **our LORD** and revealed new knowledge regarding these verses, I decided to write a sermon on it, so that it may benefit the believers who are not online and in touch with other believers. These few believers who are not on the email system are deprived of such valuable revelations, unless I recite for them through this sermon. Additional proofs were revealed by GOD to let the believers, as well as the followers of the Scripture know what is entailed in these coded words of **ALLAH**. Most people assume that a simple utterance of repentance may grant them forgiveness from GOD, but it is not so. Everything stated in the Quran relates to His Absoluteness projected and tested through His messengers. Therefore, the entire subject matter is in context of the messengers, through whom GOD sends the guidance and delivers good and bad news. If anyone had a hard time understanding the full context and meaning of the verses on repentance and reform, this sermon should open their eyes to the broad enlightenment offered by the Most Gracious in contemplating the coded depth of such verses.

As a messenger has been sent by GOD, all the people are asked to believe in him. The few who have believed and followed him are asked to **“strive actively”** in the cause of GOD, as commanded by the messenger. If the believers do not strive in GOD'S cause, then they are really not believers, and will not be counted as such. I recite a verse on what it takes to be counted as believers and the conditions set out by GOD. The enormous inspirational revelations will speak for themselves and will project a clear, uniform, balanced, and straightforward message to all the people. All the revelations through the various numbers compliment each other, which makes them truthful and pointblank in conveying **the Message**.

4:146 Only those who repent, reform, hold fast to GOD, and devote their religion absolutely to GOD alone, will be counted with the believers.

Revealed: The **Aleefs of Absoluteness are marked as 14** up to the word of **“Believers.”** This category of submitters - the believers, are the ones who have the chance to hold fast to GOD and devote their religion to Him alone, after having repented and reformed to the Truthful belief and ways. Note the Proof till the end of the Verse:

4:146 Part: GOD will bless the believers with a great recompense.

Revealed: The **Aleefs of Absoluteness to the end of the Verse are 19**, thus revealing the most profound **Sacred Codes of 14 and 19** through **the Aleefs** within the same verse.

How is the messenger and the message brought into the picture through the same verse?
Note GOD'S PROOFS.

4:146 Only those who repent, reform, hold fast to GOD, and devote their religion absolutely to GOD alone.

Revealed: The **Allah letters are 23** and the **messenger's letters are 24**, **the diff. is 1** - the **Supreme Revelation of 1** explains the hidden and enlightened meaning behind it.

Sermon: Repenting & Reforming – What does it entail?

Revealed: GV of **Allah letters** is 267 and GV of **messenger's letters** is 494, the diff. is **227**. This number represents the value of **Al-Muhmineen - the believers**. The chance given to the followers of the Scripture is through the messenger with the opportunity to repent a firm repentance for their past disbelief and sins, and to show that they are **“believers” in GOD**.

Parts 1 and 2 mention the believers by name as they will be blessed with a great recompense. GOD has clarified and confirmed the meaning by revealing the number **227** which represents the value of **“The Believers”** by linking it with **Himself and His messenger**. The true meaning of the word – **believers** – is therefore applicable to those who believe in GOD through His messenger, after seeing His Proofs or Signs and the message revealed through the messenger.

NOTE again some more proofs, which are all spontaneous as I reflected on the Verse - **“being counted with the believers.”**

4:146 Only those who repent, reform, and hold fast to GOD.

Revealed: The GV of **Allah letters** is a perfect **165** - Those believers who uphold the **Absoluteness of Allah** after repenting, reforming, and then steadfastly persevering in faith and cause of GOD will be counted as the true believers. Those who remained believers by name only will be counted in the category of the **“hypocrites.”**

“Only those who repent” GV of **messenger's letters** is **128**
“Only those who repent and reform” GV of **messenger's letters** is **178**
“And hold fast to GOD” GV of **messenger's letters** is **114**
“And devote their religion to absolutely to GOD” GV of **messenger's letters** is **202**

NOTE another Proof:

4:146 Only those who repent, reform, hold fast to GOD, and devote their religion absolutely to GOD alone, will be counted with the believers.

Revealed: The GV of the **messenger's letters** is **924 = 14 x 66**. **GOD** has revealed His glorified name through **the Code of 14** and through **the letters of the messenger**, thus revealing the enlightened meaning behind this and other verses.

MAJOR PROOF:

Revealed: Entire Vs: Allah letters are 36 and the messenger's initials are 35, **the diff. is 1**

Revealed: Allah letters are 36 and the messenger's letters are 50, **the diff. is 14**.

You have seen how GOD has unfolded and unveiled a single verse to express so much, bringing out the enlightened meaning in so many different ways. **As I have stated before, all the verses in the Quran are revealed in context of the messengers.** The hidden meaning, about which none of you were aware, reveals that the true meaning goes way beyond what you may understand through a straight read of the verse. If you look at the proofs carefully, you will see the name of the **Lord 202** is revealed, the name of **Allah 66**, the **Revelation of 329 for Most Gracious**, the Revelation of the **Absoluteness 165**, the **Revelation of 1**, the **Revelation of Seven Pairs 14**, the **Revelation of the Sacred Codes of 14 and 19**, the **number of chapters 114**, the **revelation of the believers 227**, the **Revelation of 162 for Al-**

Sermon: Repenting & Reforming – What does it entail?

Islam and Al-Salat, the Revelation of 100 (percent), and finally the revelation of the name of the messenger as 128 and 178 - all Praise and Glory be to Allah, Lord of the Universe.

All my emails, sermons, and other communications are always under inspiration from ALLAH, Most Praiseworthy, with the spontaneous proofs flowing out, without knowing the verse ahead of time to what I would be writing. This should explain the "**System of Inspiration of GOD**" to the believers. You may read this sermon to those who have not fully believed yet, so that they may fully repent, reform and believe in GOD by believing through His messenger.

I was making note of some of the revelations received from the Most Gracious into my personal records, after sending you the email, when the Most Gracious started to reveal some more on the same verse that I had written earlier to you. **This is Verse 4:146.**

It is a very important verse and sets the criteria for either forgiveness from Allah or retribution from Him in the Hereafter. It also clarifies the path of the true believers and how they can attain the status of being a "**BELIEVER**." It also has and will define the meaning of "**complete devotion to Allah**" and the way it can be achieved. Nothing should be short of **100 percent** in your worship and obedience of Allah. This number is universally recognized as being the complete fulfillment of anything and is used as a yardstick or a scale to express the full performance or qualification of any matter, when referred to it as **100 percent**.

The additional revelations received from the Almighty would fascinate you even more, as a single verse can reveal so much that is why you will appreciate the expression of the words in the Quran which read, **Say, "Praise be to Allah."** The word "**Praise**" has no bounds and limits when mentioned and uttered for ALLAH, as **He is Infinite in all His Attributes**.

NEW AND ADDITIONAL REVELATIONS:

4:146 Only those who repent, and reform, and hold fast to GOD.

Revealed: The GV of Allah letters is **165** - belief in God's Absoluteness through His messengers.

4:146 Only those who repent, and reform, and hold fast to GOD, and devote their religion absolutely to GOD alone, will be counted with the believers.

Revealed: The GV of Allah letters is **329** for Most Gracious.

4:146 Last Part: GOD will bless the believers with a great recompense.

Revealed: The GV of Allah letters is **100**. This represents the **100 percent** acceptance and approval by GOD, of the belief and worship practices carried out by the believers, for which they will be forgiven **100 percent** and granted the ultimate abode of Paradise.

NOTE another PROOF:

4:146 Part: And devote their religion absolutely to GOD alone.

Revealed: GV of Allah letters is **102** and of the messenger is **202** (for Rubb), the diff. is **100**. This again reveals the fact that **GOD commands the believers to devote their religion 100 percent to**

Sermon: Repenting & Reforming – What does it entail?

Him, and this can only be achieved by following the path with the messenger, as the proof through the messenger's letters reveals.

NOTE that the GV of **the messenger's letters is 202 for LORD**. This also proves that the status of a believer who wants to achieve **100 percent approval of GOD** can only be achieved through and during the life of the messenger.

4:146 Part: And devote their religion absolutely to GOD alone.

Part: These will be counted with the believers.

Revealed: The GV of the **messenger's letters** are 202 and 302, **the diff. is 100** again.

The truthful and complete meaning of these parts is being revealed by **the Most Gracious**. The **revelation of the number 100** in a repeated form establishes the criteria of GOD, and the standard set by Him in order to forgive and redeem some believers. It is clear now that **the 100 % belief and worship of GOD can only be achieved through a messenger by the believers, who are granted the full opportunity to participate in the Test, and can score 100 percent in this Test, if they strive and prioritize their devotion 100 percent in the cause of GOD**. It is also clear now that to achieve GOD'S mercy and approval, you have to be a believer, **which means following the path with the messenger 100 % and devoting all your religious practices including striving in the cause of GOD 100 % in order to please HIM**. These Revelations are a grave warning to the sedentary believers and the hypocrites.

NOTE another PROOF:

4:146 These are the ones to be counted with the believers. GOD will bless the believers with a great recompense.

Revealed: The GV of **Allah letters is a perfect 162 for Al-Islam and Al-Salat**.

Those believers who followed and obeyed the messenger will be counted as having submitted fully to GOD and His Absolute Authority - thereby being called Submitters who followed the path of **Islam, 162. Their Salat was the correct one accepted by GOD** as it was taught by the messenger, and the foremost trait of the believers is to observe the **5 daily Salats (162) for ALLAH** in the proper and correct way – approved by the Most Gracious.

FOLLOW UP VERSE:

4:147 Part 1: What will GOD gain from punishing you, if you became appreciative and believed?

Revealed: The **messenger's letters are perfectly 14 - the Seven Pairs Miracle**.

Revealed: The GV of **Allah letters is a Perfect 100**.

*** If the people showed their appreciation of GOD'S revelations by believing in His messenger, which will constitute **the 100 percent belief**, then GOD has no need to punish, nor does He gain anything from punishing them, as He is the Creator and Sustainer of all creations.

4:147 Part 2: GOD is Appreciative, Omniscient.

Revealed: The messenger's letter are 7.

Revealed: The GV of Allah letters is a Perfect 100.

What does all of this mean?

NOTE that the Verse No. is 147 representing the Miracle of the Seven Pairs.

NOTE that the Messenger's letters appear in the same pattern as 14 in the first part followed by 7 in the second part to reveal the similar pattern of 147 - thus Matching the Verse No. and bringing out the Miracle of Seven Pairs through his name letters.

NOTE that the GV of Allah letters for each part is the Perfect Number of 100. The words mentioned in the verse such as - punishing you, became appreciative, and believed - all have only 1 Allah letter in each word in the form of ALEEF. Since each word is composed of Aleef as the profound Proof of Absoluteness, the real meaning is evident - **GOD alone has the power and the privilege to either punish or forgive whomever He likes**. However, one fact is clear - **the words appreciative and believed are LINKED together** through the same verse.

The word "believed" is again LINKED with belief in ALLAH and His messengers. If someone had a difficult time understanding the true meaning of these words, all they have to do is see the proofs revealed above, whereby the messenger's letters are in perfect harmony of 14 and 7 based on the Miracle revealed to Him, and GV of Allah letters is a perfect 100 and 100. These numbers further compliment the previous verse 4:146.

The Verse reminds the followers of the Quran that if they believed in GOD'S messengers, then they would be considered appreciative servants of GOD and GOD would then be Appreciative of their belief and faith. The relationship between the Creator and the creatures is mutual and GOD reciprocates to those who show their reverence for HIM.

Now examine the preceding verse, 4:145 about the hypocrites who are served a clear warning through a clear number.

4:145 The hypocrites will be committed to the lowest pit of Hell, and you will find no one to help them.

Revealed: The GV of Allah letters is a Perfect 223 for "**The Believers**." The hypocrites will be informed on the Day of Resurrection that they failed to become believers. Those who became believers, but remained sedentary without due cause or reason and failed to strive in the cause of GOD, and those who falsely believed that they were righteous but failed to live the "**believers way of life**" will fall under this verse. (See Verses 4:115, 7:72, 20:74-75) Such people proclaimed to follow the Quran but did not fully submit. They will be categorized as "**Hypocrites**" and will suffer the fate of being in the "**lowest pit of Hell**."

I recite and present to you a couple of Matching Sets of Verses so that you may understand what is expected of the people to qualify as "**having believed 100 percent in the Creator, the Omniscient Allah**." These verses will demonstrate what I have stated earlier; that GOD is Appreciative of those

who are appreciative of Him, and He reciprocates to those who reverence Him through all His commands in the Quran.

Proofs to show GOD is Appreciative of His sincere servants and Reciprocates:

26:89 Only those who come to GOD with their whole heart (will be saved).

Revealed: The messenger's letters are marked and stamped as 14

The Ultimate Miracle and Message is revealed through the letters of the messenger for those who would like to be saved by GOD.

44:42 Only those who attain mercy from ALLAH. He is the Almighty, Most Merciful.

Revealed: The Allah letters are marked and stamped as 14

The Ultimate Miracle and Message is revealed showing the reciprocity of GOD through the letters of the Praiseworthy for those who upheld the entire Quran without objections, criticism, arrogance, or ego, and humbly submitted by following the path of His messengers – the Ultimate Miracle and Message is hereby revealed again to deliver **the Reminder** to the people. The **14 letters of the messenger in Verse 26:89** thus compliment the **14 letters of Allah, Most Glorified, in Verse 44:42**, revealing the **Matching Pair of Verses**. This Matching Pair explains the complete meaning in detail – the Absoluteness of Allah can only be demonstrated and proven by believing in His messengers, as the Verses are composed along with the proofs in a Specific Pattern to project a specific meaning, as willed by **the Author of the Quran**.

WHO WILL ATTAIN MERCY FROM ALLAH, THE MOST MERCIFUL?

Read the answer below through the revelations of GOD:

44:42 Only those who attain mercy from ALLAH. He is the Almighty, Most Merciful.

Revealed: The Allah letters are 14 and the messenger's letters are 15, the diff. is 1

This proves that the belief in the Absoluteness of ALLAH can only be determined and distinguished by sending a messenger through whom the people are tested whether they were sincere or fake in their belief, and in their acceptance of GOD'S Scriptures and Revelations.

44:42 Part 1: Only those who attain mercy from ALLAH.

Part 2: He is the Almighty, the Most Merciful.

Revealed: The Allah letters are 7 and 7 – the Perfect Proof of the Seven Pairs Revelation.

Revealed: The messenger's letters are 7 and 8, the diff. is 1

44:42 Part 1: Only those who attain mercy from ALLAH.

Revealed: The Allah letters are 7 and the messenger's letters are 7 – the complimenting Proof of the Seven Pairs, Subhan Allah.

Further to these verses and revelations, additional verses are being revealed as a follow up to deliver the truthful and clear message to both kinds of people - those striving for the Hereafter and those who have chosen to stay oblivious to GOD’S messages and constant reminders. These verses come with **the Sacred Codes through the letters of the messenger.**

26:90 Paradise will be presented to the righteous.

26:91 Hell will be set up for the strayers.

Revealed: The Allah letters are 7 and 5, **the diff. is 2** – the difference in the two groups of people would be the choice they made in this life between the 2 gods – ALLAH or Iblees (satan). If they wasted their time and failed to make up their minds decisively to worship only ALLAH, then they will be guilty of idolatry – **the worship of 2 gods.**

Revealed: The **messenger’s letters** are 10 and 11, **the diff. is 1.** The messengers were granted the mercy to believe in ONE GOD through Inspiration. Those who believed in GOD through them and followed them would be considered righteous. These are the ones who proved their belief and faith in ONE GOD and His Absoluteness.

Revealed: The GV of **the messenger’s letters** are **376 and 222.** Note the Sacred Codes evolve out of these numbers.

$$376,222 = \underline{14} \times \underline{7} \times 3839 \dots\dots\dots 222,376 = \underline{19} \times \underline{19} \times \underline{14} \times 44$$

This is an absolute proof and confirmation by the Absolute GOD.

A quick **LINK** to the **Proofs of 165 (Absoluteness)** and **329 (the Most Gracious)** revealed through **Verse 4:146** is hereby revealed on the similar subject of belief which is **LINKED** and **TIED** to **“being appreciative of GOD.”** The Cognizant and All-Aware GOD fully knows His creatures, and knows which ones are the guided ones. The guided believers are the ones who are appreciative of GOD and He is fully aware of them. The proof is provided herein through the letters of **the Creator along with the letters of His messenger,** to assure the hearts of the believers.

6:53 Part 1: We thus test the people by each other, to let them say (mockingly), “Are these the people among us who are blessed by GOD?”

Part 2: Is GOD not aware of the appreciative ones?

Revealed: The **Aleefs of Absoluteness** are 6 and 4, **the diff. is 2 (gods).** Those who are cynical of the believers and talk in the sarcastic tone mentioned through the verse are guilty of **idolatry – worship of 2 gods, as they ridiculed GOD’S decisions and judgments.** The true feelings of the hypocrites and the disbelievers come out when GOD puts them to the test through the messenger.

NOTE that the digits of the chapter and verse number add up to $(6+5+3) = \underline{14}$

What is the TEST about?

6:53 Part: (To let them say), *“Are these the people among us who are blessed by GOD?”*

Revealed: *The GV of Allah letters is 139 and of the messenger is 468, the diff. is 329 – Most Gracious.*

6:53 Part: *Is GOD not aware of the appreciative ones?*

Revealed: *The GV of Allah letters is 159 and of the messenger is 324, the diff. is 165*

Both Parts: *The Allah letters are 11 and 10, the diff. is 1.*

Revealed: *Up to the first mention of “ALLAH” in the portion “blessed by Allah,” the Allah letters are precisely 14, while the messenger’s letters are precisely 19, revealing the Sacredness of 14-19 of these Verses, and of the Proofs revealed herein by the Most Sacred.*

Another LINK is created by GOD through a pair of verses whereby the disbelievers ridicule the messenger for having been chosen by GOD, thus blaspheming Him. The disbelieving people also expressed their aversion to the message and chose to remain devoted to their “unauthorized human gods and idols.”

25:41 Part 1: When they saw you, they always ridiculed you.

Revealed: The Allah letters are 9 and the messenger’s letters are 8, **the diff. is 1**

25:41 Part 2: “Is this the one chosen by GOD to be a messenger?”

Revealed: The Allah letters are 11 and the messenger’s letters are 8, **the sum is 19**

Both Parts: The Aleefs of Absoluteness are 7 and 5, **the diff. is 2 (gods) – Idolatry.**

Both Parts: The Allah letters are 9 and 11, **the diff. is 2 (gods) – Idolatry.**

Both Parts: The messenger’s letters are 8 and 8 – **Perfectly Matched to show the choice made by GOD exclusively.**

*** Those who question GOD’S Authority in choosing His messengers or for choosing any other matter in the universe are proven to be guilty of idolatry – **the worship of 2 gods** – as revealed through the **Aleefs and Allah letters** above.

25:42 Part 1: “He (the messenger) almost diverted us from our gods, if it were not that we steadfastly persevered with them.”

Part 2: They will certainly find out, when they see the retribution, who are the real strayers from the path.

Revealed: The **Allah letters** for each part are **17 and 8**, spelling out the name of **the messenger, Makbool, Subhan Allah.**

Revealed: Entire Verse: The Allah letters are 25, while the messenger's letters are 39, the diff. is 14 – the precise proof of the Ultimate Miracle of GOD, which converts this verse to the current revelation and situation, Alhamdo Lillah.

*****Are there any other real gods beside ALLAH or are they just fabricated idols to rank with ALLAH, in order to ignore His message? Note the clear answer to this pestering question!**

THERE IS ONLY ONE GOD – ONE CLEAR AUTHORITY

25:42 Part 1: “He (the messenger) almost diverted us from our gods, if it were not that we steadfastly persevered with them.”

Revealed: The Allah letters are 17 and the messenger's letters are 16, the diff. is 1 – ONE TRUE GOD AND ONE CLEAR ABOSOLUTE AUTHORITY, which He projects through His messengers.

25:42 Part 1: “He (the messenger) almost diverted us from our gods.”

Revealed: The Allah letters are 9 and the messenger's letters are 8, the diff. is 1 – There are no other gods besides ALLAH – they are only fabricated idols to rank with ALLAH and His Authority. This is the prime reason for rejecting His messengers who come with a clear Authority from ALLAH and with the TRUTH. The unauthorized idols have no authorization, no proof, and no truth. Their control over their subjects and followers is through the endless lies and fabrications all generated and promoted by satan and his allies.

Revealed: The GV of Allah letters is a perfect 100. This proves that all Control, Authority, and Power belongs to ALLAH, who has 100 percent Sovereignty over everything, while the fabricated idols have no real power. It is only a Test, and the hypocrites and disbelievers remain under an illusion that their idols have power. GOD can annihilate them whenever He wills. The idols have a temporary life-span and die, while the Sovereign ALLAH is Eternal and never dies.

25:42 Part 1: “He (the messenger) almost diverted us from our gods.”

25:42 Part 2: If it were not that we steadfastly persevered with them.”

Revealed: The Aleefs of Absoluteness are 5 and 4, the diff. is 1 – ONE TRUE SOVEREIGN.

Revealed: The Allah letters for each part are 9 and 8, the diff. is 1 – ONE TRUE GOD.

Revealed: The GV of Allah letters are 100 and 99, the diff. is 1 – ONE CLEAR AUTHORITY.

***** How serious is the crime of ridiculing a messenger authorized by GOD and sent with His Scripture – the Quran? Look at the Coding of GOD to reflect on it!**

25:41 Part: (The disbelievers mock) “Is this the one chosen by GOD to be a messenger?”

17:93 Part: (The messenger says) “Am I any more than a human messenger?”

Revealed: The messenger's letters are 8 and 7, the diff. is 1

Revealed: Both Parts: The Allah letters are: $11+8 = 19$

17:93 Part: Say, “Glory be to my Lord.”

Part: Am I any more than a human messenger?

Revealed: The messenger’s letters are 8 and 7, the diff. is 1

17:94 What prevented the people from believing when the guidance came to them, is their saying, “Did GOD send a human being as a messenger?”

17:95 Say, “If the earth were inhabited by angels, we would have sent down to them from the sky an angel messenger.”

Revealed: The Allah letters are 27 and 20, the diff. is 7.

Revealed: The messenger’s letters are 28 and 35, the diff. is 7.

Revealed: The Aleefs of Absoluteness are 17 and 8, revealing the name of the messenger, 178.

This is the profound proof of the Seven Pairs, whereby Allah and the messenger’s letters are complimenting and Matching. In addition, the Aleefs reveal the name of the messenger.

17:96 Part 1: Say, “GOD suffices as a witness between me and you.”

Part 2: He is fully Cognizant of His worshipers, Seer.

Revealed: The Allah letters are 7 and 7 – the clear **Proof of the Seven Pairs** for the messenger.

Is ALLAH really Cognizant and Seer of all His worshipers? Watch the answer!

Part 2: He is fully Cognizant of His worshipers, Seer.

Revealed: The Allah letters are 7 and the messenger’s letters are 8, the diff. is 1

Revealed: The GV of the messenger’s letters is 128 – the Cognizant is Seer of the messenger and those who follow him, while He is also Cognizant and Seer of all others who reject His Message and Authority.

Here is the real “**Shocker**” for **the Day of Judgment**. The majority of the people ignore the verses on messengers given in the Quran and do not feel any guilt about it. When a messenger does come to them, they still ignore, disregard, oppose, and reject him. This is the most serious question such disbelievers will have to face from **the Lord of the Universe** on the **Day of Judgment**. Note the verses and the proofs of idolatry revealed herein, as well as the truth of the messenger sent with this guidance.

28:65 On that day, **HE (GOD)** will ask everyone, “How did you respond to the messengers?”

28:66 They will be so stunned by the facts on that day, they will be speechless.

Revealed: The Arabic Letters are 33 and 35, the **diff. is 2 (gods) – Guilty of Idolatry.**

Revealed: The Allah letters are 9 and 11, the **diff. is 2 (gods) – Guilty of Idolatry.**

Revealed: The messenger's name initials are 17 and 15, the **diff. is 2 (gods) – Guilty of Idolatry.**

The **3 counts** of “**Guilty of Idolatry**” revealed through the Proofs above are a very strong charge against the disbelievers, and should be a good lesson for anyone wishing to take heed. This proves that the overwhelming majority of the people remained either ignorant, or oblivious, or defiant to God's messengers, and therefore will end up as **GUILTY** and condemned to **HELL**. *How does GOD prove that Makbool is truthful and is writing GOD'S Revelations?* Well, the Most Wise has encompassed everything in the Master Plan; therefore He has wrapped around this pair of verses with the profound, meaningful, and recognizable **CODE OF 19**.

Revealed: The Allah letters are $(9+11) = 20$, and the messenger's letters are $(21+18) = 39$, the **difference is 19**, Subhan Allah.

NOTE that **ALLAH** has chosen the Verse Numbers to be 65 and 66 for a specific reason. In these verses, **ALLAH** Himself is addressing the disbelievers, rather than the angels, and is asking them a pointblank question about His messengers. Therefore the numbers speak for themselves, as:

65 is the GV for LILLAH and **66 is the GV for ALLAH** - both forms of spellings are used in the Quran to spell out the name of GOD. Essentially they are the same in meaning.

Just like you saw **Verses 4:145-146-147** which revealed the Coded Message of repenting and reforming being linked with belief in the messengers of GOD; similarly the verses above **28:65-66-67** are **LINKED** and in **context** with the messengers, as you shall see.

28:67 Part: As for those who repent and believe.

Revealed: The GV of messenger's letters is $228 = 19 \times 12$

28:67 Part: And lead a righteous life.

Revealed: The GV of messenger's letters is $114 = 19 \times 6$. This infers to leading a righteous life according to Quran.

Revealed: The GV'S of messenger's letters for both parts are 228 and 114, the diff. is also **114**.

Revealed: The Allah letters for both parts are 7, the messenger's letters are 12, the sum is **19**.

28:67 Part: They will end up with the winners.

Revealed: The messenger's letters are **14** – the winners are already declared by GOD. Those who repent for their past disbelief and sins, and follow the enlightened ultimate message and miracle sent down through the messenger will end up as the winners.

A profound miracle through a profound number that is easily recognizable and known to a lot of people is hereby revealed through **Verse 28:67. The number is 786**.

Revealed: 28:67 The GV of the messenger's letters for the entire verse is 7 8 6. This is the gematrical value of: **BISMILLAH AL-RAHMAN AL-RAHEEM**. Those who sincerely believe that ALLAH is the Alpha and the Omega, the Outermost and the Innermost, that the Universe was Initiated by Him, that He is Eternal, that everything glorifies Him in the Heavens and the Earth, that He is Absolute over His creations – the **number 786** through the letters of the messenger represents it all. Now you can imagine how profound the meaning of **Verse 28:67** has become, after these proofs have been revealed. How could the disbelievers and hypocrites be forgiven by GOD if they disbelieve in His messenger and His message? Did they fail to see and realize that these revelations are indeed **from ALLAH** and not from the human being, Makbool?

28:65 On that day, HE (GOD) will ask everyone, “How did you respond to the messengers?”

Revealed: The GV of Allah letters is a Perfect 100.

Why do you think GOD revealed the number 100 again? He never asked the people to believe partly or less than a 100 percent. The 100 percent cannot be achieved as stated before, till the people believe in His messengers without doubts, questions, and conditions. The Verse is directed at the disbelievers, idol worshipers, and hypocrites, who will be addressed pointblank by ALLAH, the Most Sacred, for challenging and blaspheming His Absolute Authority. Remember, the GV of 100 is through the name letters of ALLAH.

GOD has narrated opposing and complementing verses regarding questioning the people about His messengers, and also questioning the messengers as to the response received by them from the people that they delivered the messages to. The questioning of the people was through Verses **28:65-66**. Now I will recite the verse on the messengers being questioned by GOD.

5:109 Part 1: The day will come when GOD will summon the messengers and ask them, “How was the response to you?”

Part 2: They will say, “We have no knowledge. You are the Knower of all secrets.”

Revealed: The Allah letters are 11 and 13, **the diff. is 2 (gods)** – most people disbelieved in the messengers, and were guilty of idolatry.

Revealed: The Arabic Letters are 30 and 28, **the diff. is 2 (gods)** – this knowledge and fact is pre-known to GOD that the majority will not uphold His Absolute Authority, even though they have been given a 2nd chance.

To authenticate these verses and to let the people know how important it is to believe in His messengers, and to be ready to face the most important question on the Day of Judgment, the Most High has structured the verse with absolute precision to reveal **the “Revelation of 1”** through the messenger's letters to state the obvious Truth.

Revealed: The messenger's letters are 17 and 16, **the diff. is 1**. God be Praised

Revealed: The messenger's initials are 14 and 13, **the diff. is 1**. God be Glorified.

7:6 Part 1: We will certainly question those who received the message.

Part 2: And we will question the messengers.

Revealed: The messenger's letters are 13 and 12, **the diff. is 1.**

Revealed: Entire Verse: The Allah letters are **14.**

These verses have clarified and confirmed the most important subject matter regarding the Test of GOD'S Absolute Authority and Sovereignty over all commands, matters, decisions, laws, and His choice of messengers sent to mankind with specific messages. All the people who disobeyed GOD will be questioned for their arrogance on earth without justification.

To believe in the entire Scripture and to proclaim it is an important part of the belief. When you carry out this command, then automatically you are also believing and proclaiming the verses on messengers and the remaining subject matter of the Quran, without criticizing and opposing them. Hence the following verse will play an important role in complimenting the verses on messengers and enlightening you to the broad meaning of repenting and reforming.

2:160 Part 1: As for those who repent, reform, and proclaim, I redeem them.

Revealed: The GV of **Allah letters is 165** – your repentance cannot be accepted till you are willing to reform, and conform to GOD'S laws through the Scripture, and you cannot reform till you proclaim His Absoluteness through the entire Scripture. Only then will GOD redeem you a **complete redemption – 100 percent.** Note the **2nd part of the verse.**

2:160 Part 2: I am the Redeemer, Most Merciful.

Revealed: The GV of **Allah letters is 65** for **LILLAH.**

Revealed: Both Parts: The GV of Allah letters are 165 and 65, **the diff. is 100** – a promise of complete redemption for those who proclaim the entire scripture and the absolute truth.

Now note parts of the verse through different revelations as regards to the messenger, to get even a broader meaning and how it relates to the messengers.

2:160 Part: As for those who repentGV of messenger's letters is **128**

2:160 Part: As for those who repent and reform GV of messenger's letters is **178**

2:160 Part 1: As for those who repent and reform and proclaim (the entire scripture and truth).

2:160 Part 2: I redeem them.

Revealed: The GV of the **messenger's letters** are 252 and 124, **the diff. is 128**

As you can see, the name of the messenger is encoded and encrypted within the words of the Quran providing the **Ultimate Miracle of GOD'S MESSAGE.** Those who have chosen to proclaim the entire scripture and truth have to believe in GOD and His Absolute Authority as well as believe in all the messengers while following and obeying the messenger - Makbool Husain – whose name is revealed

by GOD as being an integral component of the words: “**Repeating and Reforming**” and the condition for being redeemed “**a complete redemption**” – glory be to ALLAH.

Just like the messengers proclaim that they are messengers from the Lord of the Universe, the followers of the scripture are also required to accept the messengers without any conditions, thus proclaiming the acceptance of Truth from GOD. By accepting the messengers, the sincere proclaim their acceptance of the entire contents of the Scripture.

2:160 Part 1: As for those who repent, reform, and proclaim (the entire scripture and truth).

Part 2: I redeem them. I am the Redeemer, Most Merciful.

Revealed: The Aleefs of Absoluteness are 7 and 8, the diff. is 1.

Revealed: The Allah letters are 11 and 12, the diff. is 1.

Revealed: The messenger’s letters are 15 and 16, the diff. is 1

NOTE that the verses of the Quran have an assortment of proofs rather than proofs of a singular nature on similar subjects. This shows the immense wisdom of the Author of the Quran – the Most Wise Allah. The next verse will have proofs based on the same revelation but of a different nature.

20:82 I am surely Forgiving for those who repent, believe, and lead a righteous life, and steadfastly remain guided.

In this verse the important words are all sacredly coded. Look at the construction of the words to appreciate GOD’S MARVELS.

Repent (taaba) – Believe (aamanna) – lead a righteous life (amayla saalayha) – remain guided (ahtadaa)

Revealed: The Allah letters are precisely 7 in these words.

Revealed: The Arabic letters are 14 up to “righteous life” and 19 in all the words.

Revealed: The GV of messenger’s letters up to “righteous life” are 212 for “Rabbi – my Lord” and 222 for “Rabbayka – your Lord” for all the words.

The complete redemption along with the immense reward awaits the believers who follow the guidelines of the Almighty Lord, by properly and conscientiously repenting, reforming, believing, and leading a righteous life, according to the verses of the Quran. The steps to follow up on your belief are given through this verse. The 1st step is to repent when you decide to believe. Then you reform – meaning, give up all past customs, practices, traditions, or whatever and however you practiced your belief in the past. Then you believe the truthful way which the messenger has shown you, and finally, lead a righteous life according to all the verses of the Quran. The believers are granted the opportunity to implement and uphold the verses relating to the “**messenger**,” which they would not have ordinarily had the opportunity to uphold in the absence of the messenger. Thus, they are granted full and complete access to the implementation of the entire Quran, except a few verses which may not be applicable.

Sermon: Repenting & Reforming – What does it entail?

The following “**Proof of Absoluteness through the Aleefs**” will make it crystal clear for the knowledgeable, and direct them to uphold the system of GOD in order to gain Paradise. **The verses on Repentance and Reformation coupled with verses on Paradise will be confirmed through the crystal clear proofs of the Sacred Codes of 14 and 19 also.**

25:70 Part 1: Exempted are those who repent, believe, and lead a righteous life.

Part 2: GOD transforms their sins into credits.

25:71 Those who repent and lead a righteous life, GOD redeems them; a complete redemption.

Revealed: The Allah letters are 14 and the messenger’s letters are 19 – the 100 percent and complete redemption is guaranteed by GOD for those who believe and follow His system as defined through the verses. The Sacred Codes of 14 and 19 provide GOD’S great testimony.

19:61 The gardens of Eden await them, as promised by the Most Gracious for those who worship Him, even in privacy. Certainly, His promise must come to pass.

40:7 Part: Forgive those who repent and follow Your path, and spare them the retribution of Hell.

Revealed: The Allah letters are 12 and the messenger’s letters are 21 – the Code of 1221.

The words – **repent and reform** – may seem simple to utter, but are defined through the “**system of GOD**” and have conditions attached to them which take the followers of the scripture through the entire revealed book with solid linkages and connections attached to these words. Those who have doubts about certain verses which are not to their liking will not be able to “**repent and reform**” according to “**God’s System.**” They are thus put to the Test, and will be classified as

hypocrites and idol worshipers. Those who believe in the entire Quran and follow it through - will end up being the winners through redemption by the Most Merciful.

The new and enlightened knowledge revealed by the Most Gracious informs us that all the words, topics, and subjects are linked, inter-connected, and interwoven with each other. In addition, all of the above are in *context to, and connected* to the messengers of GOD. Hence, the subject of this Sermon on “*Repeating and Reforming*” is proven to be inter-linked and connected to the messengers also, as you shall see through **Verses 7:35-36 and 6:48-49** on similar subjects. This will offer and add another example of GOD’S reciprocity towards the believers by matching pairs of verses on similar subjects with **Allah letters and those of His messenger**.

7:35 O children of Adam, when **messengers** come to you from among you, and recite My revelations to you, **those who take heed and lead a righteous life, will have nothing to fear, nor will they grieve.**

6:48 We do not send **the messengers** except as deliverers of good news, as well as warners. **Those who believe and reform have nothing to fear, nor will they grieve.**

Revealed: The Allah letters are 17 and 18, **the diff. is 1**, Subhan Allah.

7:36 As for those who reject our revelations, and are too arrogant to uphold them, they have incurred Hell, wherein they abide forever.

6:49 As for those who reject our revelations, they incur the retribution for their wickedness.

Revealed: The messenger’s initials are 15 and 16, **the diff. is 1**

Revealed: The messenger’s letters are 25 and 24, **the diff. is 1**, Alhumdo Lillah. This proves that the messengers bring GOD’S revelations, and the rejection of messengers is a gross sin of idolatry punishable through Hell. The messenger’s name initials and letters are encoded in the above verses representing the System of GOD.

Revealed: For each pair of verses - **7:35-36 and 6:48-49**, the GV’S of Allah letters are **332 and 346, the diff. is 14**

Revealed: The Allah letters for all 4 verses are: 17+19+18+12, the sum is **66**. Separating the Allah letters for both sets, they are 36 and 30 in each pair of verses, (total of 66) whereby it opens up **Verse 36:30**

36:30 How sorry is the people’s condition! Every time a messenger went to them, they always ridiculed him.

Revealed: The messenger’s name initials are designed to be **14 up to messenger**, and **19** in the **verse**, revealing **the Truth of the Revelation through the Sacred Codes**.

Revealed: The **messenger’s initials** are **14 up to messenger**, and remaining verse has **Allah letters 7** to reveal **the combination code of 14-7**

Revealed: The GV of Allah letters is 148 – for **Alhumdo Lillah**. Even if the people reject His Absolute Authority by rejecting His messengers, GOD is still praised and glorified, far above the partners that they set up or rival with Him.

*** Here are the examples of forgiveness offered by repenting to GOD during the lives of the messengers. This is standard procedure according to the “system of GOD.”*

11:51 O my people, I do not ask you for any wage. My wage comes only from the One who initiated me. Do you not understand?

11:52 "O my people, seek forgiveness from your Lord, then repent to Him. He will then shower you with provisions from the sky, and augment your strength. Do not turn back into transgressors."

11:61 To Thamoud we sent their brother Saaleh. He said, "O my people, worship **GOD**; you have no other god beside Him. He initiated you from the earth, then settled you in it. You shall seek His forgiveness, then repent to Him. My Lord is always near, responsive."

11:62 They said, "O Saaleh, you used to be popular among us before this. Are you enjoining us from worshipping what our parents are worshipping? We are full of doubt concerning everything you have told us."

11:63 He said, "O my people, what if I have solid proof from my Lord, and mercy from Him? Who would support me against **GOD**, if I disobeyed Him? You can only augment my loss."

11:87 They said, "O Shu`aib, does your religion dictate upon you that we must abandon our parents' religion, or running our businesses in any manner we choose? Surely, you are known for being clement, wise."

11:88 He said, "O my people, what if I have solid proof from my Lord; what if He has provided me with a great blessing? It is not my wish to commit what I enjoin you from. I only wish to correct as many wrongs as I can. My guidance depends totally on **GOD**; I have put my trust in Him. To Him I have totally submitted."

11:89 "And, O my people, do not be provoked by your opposition to me into incurring the same disasters as the people of Noah, or the people of Hood, or the people of Saaleh; and the people of Lot are not too far from you."

11:90 "You shall implore your Lord for forgiveness, then repent to Him. My Lord is Most Merciful, Kind."

11:91 They said, "O Shu`aib, we do not comprehend many of the things you are telling us, and we see that you are powerless among us. If it were not for your tribe, we would have stoned you. You have no value for us."

11:92 He said, "O my people, does my tribe command a greater respect than **GOD**? Is this why you have been heedless of Him? My Lord is fully aware of everything you do."

Sermon: Repenting & Reforming – What does it entail?

11:93 "O my people, go on doing what you wish, and so will I. You will certainly find out which of us will incur shameful retribution; you will find out who the liar is. Just wait in anticipation, and I will wait in anticipation along with you."

Finally, a general verse that applies to all the messengers is given below. This verse does reveal my name encoded through the letters of Allah, Most Glorified to emphasize the importance of seeking forgiveness and repenting to GOD by believing in the messenger.

63:5 Part 1: When they are told, "Come let the messenger of GOD pray for your forgiveness,"

Part 2: They mockingly turn their heads, and you see them repel others and act arrogantly.

Revealed: This important verse has been **perfectly Coded with 66 Arabic Letters.**

Revealed: The GV of **Allah letters** are 225 and 47, **the diff. is 178** to reveal the name of the **messenger, Makbool**, assigned the Ultimate Miracle to prove the Monotheism of ALLAH through the glorified Name Letters of ALLAH.

14:10 Part 1: Their messengers said, "Do you have doubts about GOD; the Initiator of the heavens and the earth?"

Revealed: The **Allah letters** are 15 and the **messenger's letters** are 14, **the diff. is 1**

Part 2: He invites you only to forgive your sins, and to give you another chance to redeem yourselves.

Part 3: They said, "You are no more than humans like us, who want to repel us from the way our parents used to worship. Show us some profound authority."

Revealed: The **Allah letters** are 6 and 20, **the diff. is 14** – the Profound Authority of GOD represented through the revelations given to the messenger.

14:10 Part 1: Their messengers said, "Do you have doubts about GOD; the Initiator of the heavens and the earth? He invites you only to forgive your sins, and to give you another chance to redeem yourselves.

Part 2: They said, "You are no more than humans like us, who want to repel us from the way our parents used to worship. Show us some profound authority."

Revealed: The **Allah letters** are 21 and 20, **the diff. is 1**

When you repent and reform after receiving or hearing the message, then you can choose to advance in your belief thus helping your soul get rid of the heavy burden of sins that it has accumulated from the past, or you can neglect the message and regress further with no hope of being redeemed by GOD. Life is based on the laws and system of "advancement or regression."

When you strive to better your lives, to acquire more knowledge, to watch out for your health, to improve the quality of your lives, or do anything that makes you feel better than before, it will be called "**advancement**" in your lives. Similarly, when you repent and reform and follow the truth that comes from GOD, you advance in your faith and submission, thereby lessening the burden of sins trapped within your soul. If you do not advance in all the goals of life for which we are created, then it

Sermon: Repenting & Reforming – What does it entail?

automatically falls into “**regression.**” Those who fall into this category will lose out and miss the only opportunity granted by GOD to restore their souls – this being the condition for forgiveness and redemption into Paradise. Note the Proofs through the pair of verses on advancing or regressing.

74:37 For those among you who wish to **advance**, or **regress**.

The words – **advance and regress** are coded to reveal the **Sacred Codes**, in a unique way.

GV of “**Advance – yataqaddam**” is 554 – the sum of the digits (5+5+4) = **14**

GV of “**Regress – yata’akhar**” is 1211 – the sum of the digits (1+2+1+1) = **5**

The total sum of the digits for both words is therefore **19**

NOTE that the word “**advance**” is coded under the **Miracle of 14**, while both words also fall under the original **code of 19**, thus revealing the **Sacred Codes of GOD**. Comparing the Miracle of Allah letters, the word “**advance**” does not have any letter/s of Allah, while the word “**regress**” has **1 Allah** letter in the form of “**Aleef**.” This explains that those who regress is because they rejected God’s Absolute Authority, and totally disregarded His messages and reminders.

By adding the gematric values of both words: 554+1211, the sum is **1765**. Note the sum of the digits still adds up to **19**, as (1+7+6+5= **19**)

74:37 For those among you who wish to advance, or regress.

74:38 Every soul is trapped by its sins.

Revealed: The **Allah letters** are 5 and 4, **the diff. is 1**

Revealed: The GV of **Allah letters** are 34 and 41, **the diff. is 7**

Revealed: The **Arabic letters** in verses are 24 and 17, **the diff. is 7**

Revealed: The GV of the **messenger’s letters** are 466 and 304, **the diff. is 162**, Subhan Allah.

This explains the real purpose of our lives. Every soul comes trapped with the past sin of rebellion and disobedience to GOD during our first life in Heaven, and the additional sins incurred and accumulated in this life, before one repents and reforms by accepting and proclaiming their submission to GOD. This acceptance and proclamation entails denouncing the devil first as he is the guilty one who led on the rebellion against GOD, and tried to be a god beside ALLAH. Another important component of belief is according to **Verse 2:285**. This truthful and reformed belief only comes when you accept the messengers of GOD and will demonstrate your acceptability of GOD’S Absoluteness as ONE forever over everything He created – seen and unseen. This is the reason for the “**Revelation of 1**” through **Allah letters** above.

As for the **Revelations of 7 and 7 constituting the Seven Pairs**, as wells as the “**Revelation of 162**” through the letters of the messenger, GOD explains the emphasis placed on the ultimate revelations revealed through this messenger before the Day of Judgment. It is evident through the **number 162** arising out of the messenger’s letters, that those who do not fully submit by accepting the messenger of GOD, their submission will be in vain and unacceptable to Him. To submit a total submission, all the people have to accept God’s messengers, and thereby prove their acceptance of God’s Absolute Authority.

Peace be upon the messengers.

PRAISE BE TO ALLAH, LORD OF THE UNIVERSE.
