

Sermon ALLAH's Decree to complete the Religion of ISLAM (Submission) through His Messenger prevails over the devil's wishes and his curse against it.

January 16th 2009

I seek refuge in ALLAH from satan the rejected.
In the name of ALLAH, the Most Gracious, the Most Merciful.

The **Hidden Miracle** of the **“Revelation of 1”** through the letters of **ALLAH and His Messenger** completes the **Religion of ISLAM**. This **“unique and special revelation”** proves and identifies the **Lord of the Universe as ONE – as a Monotheist**, with the **Absolute Authority** of being the **only LORD of the Heavens and the Earth, and whatever is in between**. The **“special revelation of 1”** is an overlapping and wrapping revelation which preserves and guards the **entire Quran**, and is further guarded and preserved through the **3 Mathematical Codes**, as given through **Verses**:

74:30 Over it is nineteen.

15:87 We have given you the Seven Pairs, and the great Quran.

89:3 By the even and the odd.

All the above secret codes are guarded by **ALLAH** under the **Master Code of 19**, as you shall witness.

Revealed: The **Allah letters** in each verse are: $4 + 11 + 4 = 19$, Alhumdo Lillah.

The purity and preservation of the Quran is thus guaranteed by **ALLAH** against the wishes of the devil and the wishes and evil schemes of the disbelieving human and jinn devils – praise be to **the Most Wise, Most High**.

The phenomenal **Miracles of Allah in the Quran** is astounding, unique, beyond critique, and beyond the challenge of any human or jinn devil. They are the most revealing and detailed in the clarification and understanding of the **“Ultimate Miracles and Proofs.”**

The Quran was revealed to prophet Muhammad over 1400 years ago. It included **114** chapters and **6346 verses** – numbered and un-numbered. The count of **ALLAH**, as mentioned through all the verses in 114 chapters is precisely **2698**. All of these numbers are multiples of **19**. The mathematical component that binds **ALLAH's dictated words and verses**, as well as the prophecies, and the explanation and meaning behind them remained closely guarded, until **ALLAH** chose, or chooses, to reveal a specific meaning and understanding by inspiring it through **His messengers**.

ALLAH has revealed the Quran for all times until the Day of Judgment. He has provided verses for the past, present, and the future. The meaning, understanding, and application of the commands are inspired by **Him** to the messengers. Some of the **“hidden**

content” was reserved for later teachings and generations, as well as the **“revelation of the secret mathematical codes.”**

Soon after Muhammad's departure from Earth, the Quran was polluted with **2 false verses – 9:128-129**. Other false material, explanations, and commentaries were soon introduced to mislead the followers of the Quran away from **ALLAH**. This criminal injection of unproven and unreliable information added in to the Quran removed the **“purity of the scripture.”**

The Verses of the Quran, however, clarify GOD's exact plan for the future, and the manner in which it will be restored to its pristine purity, to differentiate **His Proven Words** from the un-proven human words and language.

74:1 O you hidden Secret.

Revealed: The **Allah letters** are 5 and **messenger's letters** are 4, **the diff. is 1**.

74:1 O you hidden Secret.

74:2 Come out and warn.

74:3 Extol your Lord.

Revealed: The **messenger's letters** are **4 – 3 – 3**; the **perfect Pattern of 433** to extol the glorified **Lord of the Universe**, all praise be to Him.

Revealed: The GV of **Allah letters** in all **3 Verses** is 39 and of **the messenger** is 290, the sum is **329**, spelling out the glorified name of **Most Gracious or Al-Rahman**.

Revealed: The **Pattern of Allah letters** for all **3 Verses** is **5-1-0**. The **Pattern of messenger's letters** for all **3 verses** is **4-3-3**. By taking the new numbers based on the Patterns created by **ALLAH**, the difference between 510 and 433 is **precisely 77**, revealing the profound proof and miracle of **Seven Pairs** which is enshrined through **the Quran**. This **Miracle and Sign** has been granted and assigned to the particular messenger, **Makbool Husain**, with many other overwhelming Signs, glory be to **Allah**.

74:4 Purify your garment.

Revealed: The **Allah letters** are 2 and **messenger's letters** are 3, **the diff. is 1**. The purifying of the **garment of Quran** which had been subjected to distortion, conjecture, hearsay, lies, fabrications, interpretations, and more, could only be done through the secret codes of ALLAH and under His control and authority. The purification of the garment of Quran and its verses has been carried out by the previous messenger as well as this messenger, according to the authorization of ALLAH, be He glorified.

The subject matter on purifying the Quran covers **7 Verses**, from **74:1** to **74:7**. By connecting the 1st verse to the 7th verse, the relativity and importance of these revelations comes to light.

74:1 O you hidden Secret.

74:7 Steadfastly commemorate your Lord.

Revealed: Both Verses: The **Allah letters** are 7 and **messenger's letters** are 8, **the diff. is 1.**

Though the Quran remained polluted and unpurified for centuries, **the Most Wise** had a **Plan for the future**. He has demonstrated and proven that He totally controls the future and makes all absolute choices regarding His creatures, decisions, matters, and commands. The majority of disbelieving muslims had already put a stop to further revelations and messengers, and engaged in worshiping Muhammad as the last messenger. They thus blasphemed **ALLAH's Absolute Authority** and nullified their submission to Him. This kind of belief and thinking by the people of the scripture is wrong and erroneous, and violates their oaths and covenants made with **ALLAH**. The following few verses will shed light on the **System of Allah**, and the reason behind the completion of the Quran with its mathematical coding system at this time of history, though the Quran in Arabic was revealed centuries ago, Subhan Allah.

2:79 Therefore, woe to those who distort the scripture with their own hands, then say, "This is what **GOD** has revealed," seeking a cheap material gain. Woe to them for such distortion, and woe to them for their illicit gains.

2:146 Those who received the scripture recognize the truth herein, as they recognize their own children. Yet, some of them conceal the truth, knowingly.

2:147 This is the truth from your Lord; do not harbor any doubt.

2:159 Those who conceal our revelations and guidance, after proclaiming them for the people in the scripture, are condemned by **GOD**; they are condemned by all the condemners.

2:174 Those who conceal **GOD's** revelations in the scripture, in exchange for a cheap material gain, eat but fire into their bellies. **GOD** will not speak to them on the Day of Resurrection, nor will He purify them. They have incurred a painful retribution.

2:175 It is they who chose the straying instead of guidance, and the retribution instead of forgiveness. Consequently, they will have to endure Hell.

2:176 This is because **GOD** has revealed this scripture, bearing the truth, and those who dispute the scripture are the most ardent opponents.

After reading the above verses, you now have a better idea that the Quran was indeed polluted before GOD sent messengers after Muhammad to purify the scripture. The following verses will help you understand better through the sacred coding of Allah.

75:16 Do not move your tongue to hasten it.

75:17 It is we who will collect it into Quran.

Revealed: The messenger's letters are 9 and 8, **the diff. is 1.**

Revealed: The Allah letters for **both verses** are **14**. The **Most High** converted the distorted and polluted Quran to a purified one by revealing it to His messengers based upon the Sacred Codes.

75:18 Once we recite it, you shall follow such a Quran.

75:19 Then it is we who will explain it.

Revealed: Both Verses: Allah letters are 12 and messenger's letters are 13, **diff. is 1.**

75:18 *Once we recite it, you shall follow such a Quran.*

The Most Gracious has recited the Quran based on the **Miracle of Seven** to the messenger, who has done the same for the believers. The Allah letters in this Verse are coded to be precisely **Seven-7**. Now, as GOD says in the verse, it is time for the believers to follow such a Quran to prove their submission and appreciation for Him.

75:19 *Then it is we who will explain it.*

Revealed: The Verse number is **19**, and the Arabic letters are **14**. This completes the last of the set of verses under this message, ending **with the Sacred Codes of 19 and 14** to mark the completion of the message and the miracle granted to the messenger. The revelation of the "*Sacred Codes of 19 and 14*" and the "*Revelation of 1*" are the "*ultimate proofs*" of the Quran and are the **Stamp of the Almighty**.

No further proofs or revelations are needed to prove the authenticity of the Quran. It is now the "Proven Word and Book of Allah" and will remain so until the Day of Resurrection. As Verse 75:19 says - Allah has explained it through His messenger. All Praise and Glory be to ALLAH, the Creator of all things, and Possessor of All Knowledge and Power.

Finally, the **Most High** has erased what was unauthorized and fixed it with the **Truth of His words** to restore **the Quran** to its purity. The following verse is special in revealing

the name of the ultimate messenger who has been **pre-recorded** in the **Master Record of the Forgiver, the Most Merciful, Alhumdo Lillah.**

13:39 Part 1: GOD erases whatever He wills, and fixes.

Revealed: The Allah letters are 7 – the **Miracle Code of Seven.**

Revealed: The Allah letters are 7 and messenger's initials are 8, the diff. is 1.

Revealed: The GV of messenger's initials is precisely 178, to reveal the name of the messenger assigned to clarify and to teach the people the **Truth of Allah's Words.**

13:39 Part 2: With Him is the original Master Record.

Revealed: The Allah letters are 4 and messenger's letters are 5, the diff. is 1.

Revealed: The GV of messenger's letters recorded in the Master Record of Allah, as the **Sovereign and the Absolute**, is precisely 128 for the messenger. Note that the **messenger's name** is marked and recorded under the **“Revelation of 1”** which has now been extensively revealed since the year 2001, Alhumdo Lillah.

The Test of affliction and hardship for the messenger is all in accordance with the **Divine Plan of ALLAH, Most Merciful**. He knows the future and the ultimate destiny of every human. The afflictions, adversities, and hardship are all controlled by **ALLAH**. He is **the One** who put me to the Test of affliction and hardship back in November and December of 2008 and continues until now. **I implore my LORD to heal me, relieve my adversity, and spare me the curse of the devil. My Lord is Most Forgiving and Kind towards the believers – glory be to Him.**

I shall recite part of a verse to enlighten you.

11:88 Part: He said, "O my people, what if I have solid proof from my Lord."

Revealed: The messenger's letters are marked as 19 as the solid proof from my Lord.

11:88 Part: What if He has provided me with a great blessing?

Revealed: The GV of Allah letters is the perfect number 7.

11:88 Part: It is not my wish to commit what I enjoin you from.

Part: I only wish to correct as many wrongs as I can.

Revealed: The Allah letters for each part are 12 and 11, the diff. is 1, Subhan Allah.

Revealed: The messenger's letters are marked in each part as 12 and 8, to reveal the identity and name of **the messenger -128** - sent with the true guidance from ALLAH.

11:88 Part: My guidance depends totally on **GOD**.

Part: I have put my trust in Him. To Him I have totally submitted.

Revealed: The Allah letters are 8 and 7, the diff. is 1.

11:88 Part: I only wish to correct as many wrongs as I can. My guidance depends totally on **GOD**.

Revealed: The Allah letters are perfectly marked as 19 – all guidance and inspiration to the messengers comes only from **ALLAH** – the One who reveals.

Revealed: The Allah letters are 19 and messenger's letters are 18, the diff. is 1 – **He is the One GOD** who has inspired me with the Revelations no matter where I am on earth, or in any condition or situation, glory be to Him for providing me with continuous support and mercy.

Finally, I shall recite the “Ultimate Proof” of **ALLAH's Absoluteness** through **His messenger**, and prove that the revelations are the “Ultimate Truth” from **Him**.

11:88 Part: My guidance depends totally on **ALLAH**.

Revealed: The GV of Allah letters is 99 and of the messenger is 264, the diff. is 165. This is the ultimate proof that my recitation of the Quran's verses over the years to the believers has been **“inspired revelations”** - fully supported and authorized by the **Lord of the Universe**. They have been authorized under His exclusive and sole authority of being the **Absolute (Al-Samad)** – 165. These revelations have been clarifying and full of wisdom. **All Praise be to ALLAH**.

The System – the devil's wishes and curse upon the believers:

It has been proven to be the devil's wish that I do not recite the revelations of my **LORD**, so that the people remain unaware of the **Truth** from **Him**. The devil knows that the revelations inspired to me are powerful and truthful, and can spread to the people. The devil also knows that some of the people may choose to become believers in **ALLAH and His Words**. He does not like this at all, and will do anything within his

power to counter or corrupt the flow of words and revelations, after they have been inspired by **ALLAH to the messenger**. The devil also wished his curse upon me in order to see the end of these revelations, and rejoices in my misery, suffering, and hardship. All of this benefits him and he would not like to see a single person change their mind in favor of **ALLAH** and against him.

But **ALLAH, the Most High**, controls everything, even the devil and his allies. **The Supreme Lord of the Universe** also controls the wishes and actions of the devil. The will of the **Omnipotent Lord** is to nullify the devil's actions and wishes in order to complete the message and the "*religion of Islam*" based on the mathematical codes and the revelations of the "*hidden content of the Quran known only to ALLAH.*" The events of my life as they happened, and are still happening, are all in accordance with the will of my **LORD**, as evidenced through the verses revealed by **the Most Gracious and Merciful Lord**.

Messenger protected by ALLAH from the devil's curse

8:11 Part: He protected you from the devil's curse.

Revealed: The GV of **Allah letters** is **36** and of **messenger's letters** is 198, **the diff. is 162**.

The "*religion of Islam*" (162) is based on "*Al-Salat*" (162) for **ALLAH**, which is the foremost objective through it. It has been preserved and augmented through the messenger, as the Proof reveals, despite the devil's wishes and curse against it. **ALLAH's** will reigns supreme.

Part: And reassured you hearts.

Revealed: The GV of **messenger's letters** is **266 = 14 x 19**. The hearts of the believers have thus been assured through the consistent and constant revelations of **the Sacred Codes** through the messenger, all of this against the devil's wishes and curse – *may ALLAH keep him condemned*.

Part: And strengthened your foothold.

Revealed: The GV of **messenger's letters** is **190 = 19 x 10**. The *Sacred Code of 19* confirms that **ALLAH** does strengthen the foothold of the steadfast and the submitting believers.

8:11 Part: He protected you from the devil's curse and reassured your hearts.

Revealed: The **messenger's letters** are **19**.

Part: And strengthened your foothold.

Revealed: The messenger's letters are 7. The *Sacred Codes of 19 and 7* through the 2 parts of the Verse thus provide the Truth from our LORD that He has surely supported the messenger against the devils' wishes and curse, *all Praise be to the Most Merciful ALLAH.*

The Pre-Determined System of ALLAH encompasses the Devil's Role in Opposing the Revelations and the Messengers.

I shall recite to you a "set of 3 Verses" on the *system of ALLAH* in regards to the devil interfering in the wishes of the messenger. This has been decreed to test the belief of the people in ALLAH - to see if their faith is wavering or if it is solid and unshakable.

SET OF 3 VERSES ON SYSTEM TO CHECK OUT BELIEF OF PEOPLE

22:52 We did not send before you any messenger, nor a prophet, without having the devil interfere in his wishes. **GOD** then nullifies what the devil has done. **GOD** perfects His revelations. **GOD** is Omniscient, Most Wise.

22:53 He thus sets up the devil's scheme as a test for those who harbor doubts in their hearts, and those whose hearts are hardened. The wicked must remain with the opposition.

22:54 Those who are blessed with knowledge will recognize the truth from your Lord, then believe in it, and their hearts will readily accept it. Most assuredly, **GOD** guides the believers in the right path.

The revelations through the above set of 3 verses are plenty, but I will recite portions of it to limit the content of the Sermon, which will still provide the gist and the basis of the System of ALLAH regarding His revelations and messengers.

22:52 Part 1: We did not send before you any messenger, nor a prophet, without having the devil interfere in his wishes.

Revealed: The Allah letters are 19 – defining the "System of ALLAH."

Part 2: **GOD** then nullifies what the devil has done. **GOD** perfects His revelations.

Revealed: The Allah letters are 14 – the *Ultimate Miracle of the Seven Pairs* as the Sacred Code. This proves that *the Most Powerful* has perfected His revelations given to me after nullifying what the devil has done. This also establishes the fact that **ALLAH is Sovereign** over all His creatures, and allows opposition from them only to prove them wrong and to defeat them.

Part 2 (complete) GOD then nullifies what the devil has done. **GOD** perfects His revelations. **GOD** is Omniscient, Most Wise.

Revealed: The **Allah letters** are **19**. The *double Code of 19* in the beginning and ending parts of the verse along with *the Code of 14* in between handily clarifies the **System of Allah** in regards to His messengers and the revelations given to them, while the devil is given the chance to oppose them at the same time. **The ultimate victory belongs to ALLAH, His messengers, and the believers, Alhumdo Lillah.**

Revealed: The GV of **19 Allah letters** is precisely **296**, revealing the word "*messenger.*" This proves that the **Most Gracious** does indeed perfects His revelations revealed to the messenger, after nullifying what the devil had done. The **number 19** is the proof for the **number 296** representing the word "**messenger.**"

Part: Without having the devil interfere in his wishes.

Revealed: The **messenger's letters** are **14**.

Part: **GOD** then nullifies what the devil has done.

Revealed: The GV of **Allah letters** is **128** revealing the name of the messenger.

Part: **GOD** perfects His revelations.

Revealed: The **Allah letters** are 6 and **messenger's letters** are 7, **the diff. is 1 – the Perfect Revelation of ALLAH.**

SUMMARY through ALL 3 Verses – the "Great Miracle of 3."

22:52,53,54 Allah letters for all 3 verses are: $38 + 23 + 33$, the sum is **94**.

22:52,53,54 Messenger's letters are $63 + 46 + 51$, the sum is **160**.

Revealed: The difference in **94** and **160** is **precisely 66, Praise be to ALLAH**

6:18 Part 1: He is Supreme over His creatures.

Revealed: The **Allah letters** are **7** and **messenger's letters** are **7** – *the Perfect Revelation of the Seven Pairs confirms ALLAH's Kingship, Control, and Sovereignty over all the creatures and the entire universe.*

6:18 Part 2 He is the Most Wise, the Cognizant.

Revealed: Both Parts: The GV of Allah letters are 48 and 67, **the diff. is 19.**

26:81 Part 1: The One who puts me to death.

Part 2: Then brings me back to life.

Revealed: The GV of messenger's letters for each part are: **166** and **128**, Subhan Allah.

Revealed: Entire Verse: The messenger's letters are **14**, Alhumdo Lillah.

Note the Revelation above and how concise it is in expressing the clear meaning for the messenger and the believers. The ONE who puts me to death is **ALLAH** - as the **ONLY ONE**, expressed through the number **166** which makes up the above name of **Allah as One. Allah is 1 and His name value is 66.** In the 2nd part, it says that **ALLAH is the One** who brings me back to life as the human messenger. This is expressed through spelling out my name of **128**, while marking **the entire verse with 14 letters** of the messenger's name to prove the *Omniscience and Omnipotence of Lord of Universe* and His precise and intricate knowledge about all His creatures. **Glory be to ALLAH.**

THE DECREED RELIGION OF ISLAM
THE HIDDEN AND CODED MIRACLE THROUGH THE
LETTERS OF ALLAH AND HIS MESSENGER.

The Religion of ISLAM has been completed through the Hidden Coding and Content.

5:3 Prohibited for you are animals that die of themselves, blood, the meat of pigs, and animals dedicated to other than **GOD**. (Animals that die of themselves include those) strangled, struck with an object, fallen from a height, gored, attacked by a wild animal - unless you save your animal before it dies - and animals sacrificed on altars. Also prohibited is dividing the meat through a game of chance; this is an abomination. Today, the disbelievers have given up concerning (the eradication of) your religion; do not fear them and fear Me instead. Today, I have completed your religion, perfected My blessing upon you, and I have decreed Submission as the religion for you. If one is forced by famine (to eat prohibited food), without being deliberately sinful, then **GOD is Forgiver, Merciful.**

Revealed: The Allah letters are **83** and messenger's letters are **149**, **the diff. is 66.** Praise be to Allah, who has revealed the Quran to *Muhammad* in the past, and now to *messenger Makbool* by placing **His Sacred Signature and Name** over this long verse and over the entire Quran.

5:3 Revealed: The Verse No. is 3 and Allah letters are 83 to reveal the number 383 for Al-Quran.

Revealed: The Aleefs are 38 and Allah letters are 83, the sum is 121 revealing the Coded Signature of ALLAH which has 1 Aleef, 2 Lam, 1 Hey – written as 1-2-1.

*** Combine the numbers 38 and 83 to open up Verse 38:83, which reads:

38:83 “Except Your worshipers who are devoted absolutely to You alone.”

Revealed: The Allah letters are 8 and messenger’s initials are 9, the diff. is 1

Revealed: The messenger’s initials are 9 and messenger’s letters are 10, the diff. is 1.

Revealed: The GV of Allah letters is 99 and of the messenger’s letters is 322, the diff. is 223 for “the believers.” The believers are the ones who are devoted to worshipping the Absoluteness of Allah as One in Authority.

5:3 Part: Today, the disbelievers have given up concerning (the eradication of) your religion.

Part: Do not fear them and fear Me instead.

Revealed: The Allah letters are 5 and 4, the diff. is 1.

5:3 Part: Do not fear them.

Part: And fear Me instead.

Revealed: The GV of messenger’s letters are 76 and 62, the diff. is 14. The Seven Pairs Code informs the believers that they should never fear anyone except ALLAH, if they truly worship and reverence Him Alone. The best way of proving your worship, reverence, and fear of ALLAH is to follow the path with the messenger through whom He has revealed these profound Signs, Miracles, and teachings.

Fearing ALLAH alone – the Revealed Proof from the One and Absolute Allah:

Part: And fear Me instead.

Revealed: This part has only 1 Allah letter as an Aleef to show and prove that ALLAH is One in Eternal Existence and also One in Absolute Authority.

This also proves the verses saying: **Proclaim, “He is the One and only ALLAH. The Absolute (Al-Samad) ALLAH.”**

The **Most Gracious** has proven through the clear lettering of the word that **He is One** and should be feared, while warning the jinns and humans not to fear anyone else beside Him. There could be no clearer and greater proof than the inscription of **1 Allah letter as an Aleef** in the words **“and fear Me instead,”** which has the **gematric value of 1**. At the same time, the revelation of **162** in combination with **Allah and the messenger's letters are also a clear reminder of the “system of messengers” upon which ISLAM is based.**

Revealed: The GV of **Allah letter** is **1** and GV of **messenger's letters** is **62**; the two numbers joined together for purpose of **Proof** becomes the number **162** to reveal the name of **His** religion as **“Al-Islam or the Submission.”** As the latter part of the verse will reveal, this is the only religion decreed by Him in the Heavens and the Earth and for all the creatures in them called **Submission or Al-Islam**. The revelation of the name of the religion – **Al-Islam** by joining the gematric values of Allah and the messenger's letters proves the essence of the Quran which is that belief in Allah's messengers is mandatory and the biggest Test of Submission. The good or the bad and the believer or disbeliever, are distinguished right away based on their decision to believe in a messenger of GOD or not. This fact of Truth will later on through the same verse be conclusively stamped and sealed by the Absolute and Almighty GOD to enlighten the believers with one consistent meaning regarding His messengers.

5:3 Part: Do not fear them and fear Me instead.

Part: Today, I have completed your religion and perfected My blessing upon you.

Revealed: The **messenger's letters** are 6 and 20, **the diff. is 14**. The **Seven Pairs Code** through the **letters of the messenger** informs the followers of the **Quran** about the perfection of **ALLAH's blessings** upon them by sending the **“customized and ultimate miracle”** to explain, clarify and prove the teachings of the Quran as being **“inspired revelations and teachings” from the Most High, Most Wise.**

5:3 Part: Today, the disbelievers have given up concerning (the eradication of) your religion; do not fear them and fear Me instead.

Part: Today, I have completed your religion and perfected My blessing upon you.

Revealed: The **messenger's letters** are **21** and **20**, **the diff. is 1**. The religion has now been completed with the **“powerful revelation of 1”** having been sent down through the **messenger Makbool, to prove the existence and eternity of**

ALLAH as the One and Only Lord of the Universe; there is no other god beside Him. This Revelation is the perfection of Allah's blessing upon the true followers of the Quran, and the disbelievers can never eradicate or wipe out the Truth of GOD's Revelations and Proofs.

Revealed: The GV of Allah letters for both parts is a perfect number – **223** for “the believers.” The Quran was revealed for “the believers” and it is the believers who will be forgiven and redeemed on the Day of Judgment. The **Most Praiseworthy** has pointed out His immense blessing upon them through this part of the verse and has warned them not to fear anyone other than **Allah**. Whoever fears other than **Allah** – be they of the jinns or humans, will do gross injustice to their belief and soul.

5:3 Part: Today, the disbelievers have given up concerning (the eradication of) your religion; do not fear them and fear Me instead.

Revealed: The GV of Allah letters is a “**Perfect 100**” to reflect and prove the attribute of **Most Perfect** and **Absolute (Al-Samad) Allah** who has the *highest degree of perfection of 100*.

The “perfection” by Allah as the most perfect Designer and Creator is proven here and this is the reason that the Quran is still here in its purified form centuries later. Even though the disbelievers do not like it and have tampered with it, **The Most Wise** has preserved it for the believers. The people should **only fear ALLAH and no one else**. **The Almighty** has preserved the Quran, and the religion of Islam will always exist, no matter if only a few people believe in **GOD and follow His laws**. The disbelievers cannot eradicate it.

Through **Rashad and Makbool** – the messengers of Allah, He has revealed the **purified Quran** for the believers to uphold, by removing distortions and making the necessary corrections to it, Subhan Allah. **The 100 percent is the highest degree of perfection that it can be measured against, which is the Attribute of Allah as being the most perfect Creator and Designer**.

Part 2 A: Today, I have completed your religion.

Revealed: The GV of Allah letters is **92** for **Muhammad**. The **Most Gracious** sent down the original Quran through **prophet Muhammad** over 1400 years ago, and has duly stamped the name of **Muhammad** in this part of the revelation. The religion was completed through the *Quran* being the “*final scripture*” and *Islam* being the name of the religion. What you see now through later messengers is “*subsequent revelations*” and does not change the name of the scripture or the religion in any way.

Sermon: ALLAH's Decree to complete the Religion of ISLAM (Submission)

5:3 All 3 Parts: Today, the disbelievers have given up concerning (the eradication of) **your religion**; do not fear them and fear Me instead. Today, I have completed **your religion**, perfected My blessing upon you, and I have decreed Submission as **the religion** for you.

Revealed: The **Arabic Letters** are **92** for *Muhammad – the messenger and prophet* who was revealed the Quran in Arabic over 1400 years ago *which has subsequently been revealed again through messenger Rashad and now through messenger Makbool*, Alhumdo Lillah.

Revealed: The **Quranic Initials** are **perfectly 66** for **ALLAH**, the **ONE** who revealed the Quran to Muhammad, then Rashad, and now to Makbool, Subhan Allah.

5:3 Part: Today, the disbelievers have given up concerning (the eradication of) your religion; do not fear them and fear Me instead. Today, I have completed your religion.

Revealed: The **Allah letters** are **14 – the Seven Pairs Miracle** confirms that the religion has been completed through the **messenger Makbool**. The believers should not fear the disbelievers at all and put their trust in Allah. These powerful revelations provide support and assurance for the believers.

Part 2 B: And perfected My blessing upon you.

Revealed: The GV of **messenger's letters** is **266** – the perfect number revealing **the Sacred Codes**, as $266 = 14 \times 19$. The digits of **266** also add up to **14**. The blessings through **the Quran** have been perfected by **ALLAH** by revealing the **Sacred Codes** and other revelations given to **the messenger**.

Part 3: And I have decreed Submission as the religion for you.

Revealed: The GV of **messenger's letters** is **306** revealing the full name of the **“ultimate messenger”** blessed with the customized message from **ALLAH**. He has *Stamped and Sealed* this important part with *the messenger's name* letters as fulfillment of the **“prophecy of Ahmed”** as given in **61:6**.

5:3 Part: I have completed your religion.

Part: And I have decreed Submission as the religion for you.
