

The messenger has turned 60 years old, Masha Allah. This number reminds me of the chapter in the Quran called "**The Test.**"

**The Most Gracious** has already informed us that **He** will subject the messenger and the believers to the **Test** as stated in **Verse 2:214.**

**2:214** Do you expect to enter Paradise without being tested like those before you? They were tested with hardship and adversity, and were shaken up, until the messenger and those who believed with him said, "Where is **Allah's** victory?" **Allah's** victory is near.

This is a deeply coded verse with the number **223** and **227** appearing twice to convey the message to "**the believers – 223 and 227.**" The **Absoluteness of Allah as 165** is also conveyed through this verse.

**Revealed:** The **messenger's name initials** are 57 and **messenger's letters** are 71, **the diff. is 14.** This confirms the Test for the messenger and the believers. The **Test of Allah** can be real hard and severe, as pointed out through the Verse. May **Allah** make us steadfast to persevere during times of adversity and hardship.

**2:214** Part: Do you expect to enter Paradise without being tested like those before you?

**Revealed:** The GV of **Allah letters** is a **Perfect 223**, spelling out the word "**Al-Muhminoona** – the Believers." This reveals the truth that no believer can enter Paradise without being tested through by Allah and through His messenger.

**2:214 Part:** They were tested with hardship and adversity, and were shaken up, until the messenger and those who believed with him said, "Where is **Allah's** victory?"

**Part:** **Allah's** victory is near.

**Revealed:** The GV of **Allah letters** are 326 and 99, **the diff. is 227**, spelling out the word "**the believers – al muhmineen.**" This proof reinforces the fact as stated in Part 1 also and now, that the believers, **223 and 227**, are surely tested regarding their belief, faith, trust, steadfastness, and perseverance in the cause of **ALLAH.**

**Last Part of Verse:** (said), "Where is **Allah's** victory?" **Allah's** victory is near.

**Revealed:** The **Allah letters** are 12 and **messenger's letters** are 13, **the diff. is ONE.**

**Revealed:** The GV of **Allah letters** is a **Perfect 165**, revealing the promised victory after the test of hardship and adversity, as proven through the number 164, representing the **Absoluteness of Allah.**

**Revealed:** The GV of **messenger's letters** is **462**, revealing the value of "**Statute Book – Al Furqan, 462.**" **Allah's promises** mentioned in the **Statute Book** are always truthful. The believers just need to be steadfast and patient.

**Revealed:** The GV of **Allah letters** is **165** and of the messenger is **462**, **the diff. is 297**, spelling out the word “*Rasoola – a messenger.*” The believers have been put to the Test through “a messenger” – those who remain guided, united, and steadfast, will surely attain victory by the will of the **Forgiver, Most Merciful.**

The sacred words “*Allah’s victory*” are coded under His name and under His messenger.

“*Nasr Allah – Allah’s victory*” The GV of **Allah is 66** and GV of the **messenger is 110**, Subhan Allah. Both numbers bring out the sacred values of Allah, 66, and His Absoluteness (La Elaha Ella Hoo 110).

***The Hidden Coding proves Allah’s promise of victory for the believers is the Truth.***

**Part:** “Where is **Allah’s** victory?”

**Part:** **Allah’s** victory is near.

**Sacred Coding and Proof:** The **Aleefs of Absoluteness** are **1** and **4** in each part, to reveal the hidden **Miracle of 14 or the Seven Pairs.** The numbers **1** and **4** occur on the **Aleef of Allah** in each part, **Alhumdo Lillah**, expressing the profound attribute of Absoluteness of Allah, who puts us to the Tests and controls everything.

***The Words of hardship and adversity are coded through the messenger’s letters.***

“*hardship and adversity*” - *al bahsaa’o wa al zarraa’o*

**Revealed:** The GV of **messenger’s letters** for both words are:  $92 + 36$ , **the sum is 128**, Subhan Allah. By coding the **messenger Husain** through the words, it proves that the believers and the messenger will be subjected to various tests – they may be easy or hard, as **Allah** has decreed and wills for us.

**Revealed:** The GV of **Allah letters** for both words are:  $33 + 32$ , the sum is **65**. This is the GV of **Lillah** (another form of the word – Allah). Together the GV of **Allah as 65** and GV of **messenger as 128** reveals the sum of **193**, which spells out the word “**The Humans – Al-Insaan**, as in Chapter Name 76). The Tests are decreed and designed for the humans to check out their Submission towards their Creator.

**Revealed: Both Words:** The **Allah letters** are 4 and 3, **the diff. is ONE.**

**Revealed: Both Words:** The **messenger’s letters** are 3 and 2, **the diff. is ONE.**

**Part:** They were tested with hardship and adversity, and were shaken up.

**Revealed:** The **messenger’s name letters** are **12** and **messenger’s name initials** are **8** to reveal the name of the messenger through the **Pattern of 128.**

**Part:** The messenger and those who believed with him.

**Revealed:** The **Allah letters** are **8** and **messenger’s letters** are **12** – revealing the name of the **messenger, 128** through the Pattern of Allah and His messenger’s letters.

***THE VITAL AND IMPORTANT TEST OF LIFE FOR EVERYONE:***

\*\*\* Chapter 60 is specially titled “**The Test – Al-Mumtahanah**” as one of the chapters in **the Quran**. This makes it an integral part of the **Quran** and is Coded for the decreed and specific **Test** for the humans on earth. It defines the purpose of our being here on Earth for a limited time and span of life. The greater purpose is narrated through the verses to inform us of all the details about this life and the continuation of eternal life filled with joy and happiness after death, or the eternal consequences of suffering and punishment after death.

The name of the Chapter “**The Test**” has **3 Allah letters** and **5 messenger’s letters**, thereby revealing **the difference of 2**. The revelation of 2 informs us of the Heavenly Feud and the rebellion of the human beings against the **Supreme Authority of Allah** called “**the Absoluteness – Al Samad**.” The humans committed a gross sin and evil during the first life in Paradise, and were therefore exiled on the planet Earth to be put to the Test of Submission and given one more chance to denounce satan – their leader – and to denounce all forms of idolatry, and then believe in **Allah and His Absolute Authority** by obeying His laws on earth till their death.

\*\*\* **The 1<sup>st</sup> and the last verse** of the chapter are eye-openers to **The Test**. Both verses are addressed to the believers, with the opening of the verses saying: “**O you who believe.**” This part addressing the believers is composed of **7 Allah letters** with **8 messenger’s letters**, **to reveal the diff. of 1**. This chapter is unique as the opening and ending verses are on the same subject, saying “Do not befriend the disbelievers who are really Allah’s enemies and do not befriend people with whom Allah is angry and are hopelessly stuck in disbelief. They do not believe in Allah, His Absolute Authority, and His messengers.

\*\*\* The first part of each verse is linked and sealed by **the Most Gracious** to the last part of the verse to bind them together as the **Stamp from the Almighty Allah**.

**60:1 1<sup>st</sup> Verse - Opening Part:** O you who believe.

**Ending Part:** Those among you who do this have indeed strayed off the right path.

**Revealed:** The **Allah letters** are **7** and **7** – **the ultimate miracle of Seven Pairs.**

**Revealed:** The **Ultimate Miracle** is confirmed as the **messenger’s letters** are marked as **8** and **17** for each part, thus revealing his **first name 178** for **Makbool**, along with the **Proof of Seven Pairs** through the glorified letters of **ALLAH**.

**60:13 Last Verse - Opening Part:** O you who believe.

**Ending Part:** They are just as hopeless as the disbelievers who are already in the graves.

**Revealed:** The **Allah letters** are **7** and **7** – **the ultimate miracle of Seven Pairs.**

**Revealed:** The **Ultimate Miracle** is totally confirmed leaving no doubts whatsoever as the **messenger’s letters** are marked as **8** and **12** to spell out his **last name** – **Husain 128** – in each part, along with the letters of **Allah as 7 and 7**, to augment the message sent down through the messenger – **ALLAH is glorified**.

Both of the verses – first and last- thus reveal the **Code of Seven Pairs** as well as spell out the **first and last names of the messenger**, Alhumdo Lillah. Thus the verses of the entire chapter are wrapped around with the Miracle and the Revelation of the messenger’s name.

NOTE that each of the verses has the opening part addressed to the believers, while the ending part in each verse is addressed to the strayers and the disbelievers who are hopelessly stuck in disbelief and cannot be reformed. Though the Quran is addressed to the believers and sent down for them, **the Most Wise and Knower of all Secrets and Declarations** knows ahead of time that most of the followers of Quran, as well as those who say they believe in **Allah** will remain as strayers and stuck in disbelief, partly or wholly. This is the reason for marking and stamping it with the “*ultimate miracle*” and the name of the messenger sent with the “*customized message to the world.*” Now you can also understand why the Chapter name “**The Test**” reveals the difference of **2** between **Allah** and the **messenger’s letters**. The **Most Wise Allah** knows that no matter what kind of Miracle and Message He sends down to guide the people, most of them will not believe. This is already stated through **Verses 36:7, 36:10, and 12:106**.

The Miracle through these verses, the chapter itself, and the Quran at large is further enhanced, magnified, and revealed by the **Most Wise** in a manner that has no parallels. **The last word of each verse** is Coded to reveal the specific revelations and message, as you will witness. Be sure to glorify your **LORD** and prostrate to Him.

**60:1** Last word in Verse is “*Al-Sabeel – the right path.*”

**60:13** Last word in Verse is “*Al-Qaboor – the graves.*”

**Revealed:** The **Allah letters** in each word are 3 and 2, **the diff. is 1.**

**Revealed:** The **messenger’s letters** in each word are 5 and 4, **the diff. is 1.**

**Revealed:** The total number of letters for Allah and His messenger are:  $3+2+5+4 = 14$  – the **Coded Message through the Seven Pairs**.

**Revealed:** The GV of **Allah letters** in both words are:  $61 + 31$ , the total is **92**.  
The GV of **messenger’s letters** in both words are:  $132 + 138$ , the total is **270**.

**Great Miracle:** The difference between GV of **Allah letters 92** and GV of **messenger’s letters 270** is precisely **178**, revealing the name of the **messenger, Makbool, Alhumdo Lillah**.

In short, the Coded Message is alerting the followers of the Quran that the messenger has been sent by the **Most High** and if they stray away from the “*right path,*” then their fate will be as mentioned in **60:13** which is to be with the disbelievers who are already in the graves. These verses stress upon the important command and requirement upon the believers to befriend and keep company **only** with the believers and **not** with the disbelievers or those with whom **ALLAH** is angry.

**60:1 Part 1:** O you who believe, you shall not befriend My enemies and your enemies, extending love and friendship to them, even though they have disbelieved in the truth that has come to you. They persecute **the messenger**, and you, just because you believe in **Allah, your Lord**.

**Revealed:** Up to “*Al-Rasool - the messenger,*” the **messenger’s name initials** are 33 are the **messenger’s name letters** are 47, **the difference is 14**, Subhan Allah.

**Revealed:** Up to “*Rabbaykum – your Lord,*” the **messenger’s name initials** are 41 and the **messenger’s name letters** are 60, **the difference is 19**, Subhan Allah.

Note that the messenger's name letters are **Perfectly Matched** as **60** up to "*your Lord*" to match with **Chapter Number 60**. You possibly cannot fathom the power and wisdom of **Almighty Lord** who has engraved the **letters of the messenger** on **specific words** which are the most important in context of Quran, its teachings, and the Message; they are "**Allah – your Lord, and His messenger**" who delivers the messages and teachings. This is the reason **Allah Most High** encoded it so profoundly in the **first Verse** of the chapter titled "**THE TEST.**" The *Revelation revealing the Sacred Codes of 14 and 19 through the messenger's initials and letters* is an awesome miracle which is perpetual and verifiable by those who want to take heed and *appreciate Allah's Absolute Authority now and in the Hereafter.*

Note the most important words – **Billah** (Allah) and **Al Rasool** (the messenger).

**Revealed:** The **Allah letters** in both words are  $3 + 4 = 7$ . The messenger's letters are  $4 + 3 = 7$ . This is the **Revelation of the Seven Pairs – 77 or 14**. Note that the pattern of letters is the same except in reverse order. The pattern of 34 and 43 reveals the sum of **77**, Subhan Allah.

The **Arabic word: Al Rasool – the messenger:** **Allah letters** are 3 and **messenger's letters** are 4, **the difference is 1**.

The **Arabic word: Billah** (for Allah): The **Allah letters** are 4 and **messenger's letters** are 3, **the difference is 1**. **Praise be to Allah** for revealing such intricate Miracles even through the words.

\*\*\* **The Great Miracle:** The full name of **the messenger** as **306** is revealed **twice** through **Allah letters in Verse # 1**.

**60:1 Part:** O you who believe, you shall not befriend My enemies and your enemies, extending love and friendship to them, even though they have disbelieved in the truth that has come to you. They persecute **the messenger**, and you, just because you believe in **Allah, your Lord**.

**Revealed:** The GV of **Allah letters** in **Part 1** up to the "**Aleef of Allah**" is a **Perfect 306** – a solid *Sign of Absoluteness of Allah* who has chosen and appointed the messenger to receive His message and to deliver it along with the perfect markings of revelations to the people.

The mathematical coding is intensely deep and it hard for me to define or describe the **Great Miracle of Allah Ta'ala** except to present it to you in the manner as revealed. After revealing the GV of **306** on the **Aleef of Allah**, the remaining letters of **Allah and your Lord** are *lam, lam, hey, for Lillah, and ra, ba, kaf, meem* in Rabbakum. These add up to precisely **327**, which is the GV of **Al-Rasool – the messenger**. This coding reveals something very profound – the importance of the messenger in your belief as he brings **Allah's message** to the people. Those who believe in him demonstrate their acceptance of **Allah's Absolute Authority**, and those who do not believe in the messenger have rejected (Aleef) the **Absolute Authority of Allah**. The submission from such betrayers will not be accepted by Him.

**60:1 Part 2:** If you mobilize to struggle in My cause, seeking My blessings, how can you secretly love them? I am fully aware of everything you conceal, and

everything you declare. Those among you who do this have indeed strayed off the right path.

**Revealed:** The GV of **Allah letters** in **Part 2** are again coded as a **Perfect 306** to reveal the name of the **messenger, Makbool Husain**, Alhumdo Lillah.

**60:1 Part on Absoluteness:** Even though they have disbelieved in the truth that has come to you. They persecute the messenger, and you, just because you believe in **Allah, your Lord**.

**Revealed:** The GV of **Allah letters** is a **Perfect 165** – expressing the **Absolute Truth** revealed through the messenger. The disbelievers persecute the messenger and the believers simply because they believe and follow the Truth revealed by **Allah** through His messenger.

The Arabic word in this verse for “persecute” in “*yukhrejoona*.” The GV of **messenger’s letters** is a **Perfect 66** in the word. This proves that the hypocrites and the disbelievers hate the messenger as he preaches and advocates the **Absoluteness of Allah** and tries to correct their false worship practices which they follow through their sects and leaders.

**Revealed:** The entire Verse is encoded with **114 letters of the messenger**. The Test for the people is through the entire **Quran** which is composed of **114 chapters**. The **Allah letters** in the Verse are 65 coded for **Lillah** (same meaning as Allah).

**Verses 1 and 13 – the Opening and Ending Verses:**

**Revealed:** The **Allah letters** are 65 + 30, the sum is 95 = **19** x 5, a **multiple of 19**.

**Revealed:** The **messenger’s letters** are 114 + 40, the sum is 154 = **14** x 11, a **multiple of 14**.

*These are the Sacred and Profound Revelations of my Lord coded under the Sacred Codes of 19 and 14, all praise and glory be to my Lord.*

**Peace be upon the messengers.**

**PRAISE BE TO ALLAH, LORD OF THE UNIVERSE.**
