

I seek refuge in Allah from satan the rejected.
In the name of Allah, Most Gracious, Most Merciful

This is a lengthy Sermon covering a lot of important subjects and verses, so that you can get an essence behind the Message of “*First Day to the Last Day*.” The **Most Gracious** has sent down an unlimited number of miraculous and astounding revelations over the years and provided proofs for the verses, which are revealed to the messenger. The revelations are on a host of various subjects. They serve as a confirmation that each and every letter in the **Quran** is from the **Most High**, except for **Verses 9:128-129** which are fabrications by the distorters of Quran.

In this **Sermon**, I will summarize through some important verses the appointment and role of the messenger whose name is encoded by **Allah in the sacred words of the Quran** - from the beginning of times immemorial – which was **DAY 1** in the **Eternal Past**, meaning “**the creation of the Universe**” - to the **LAST DAY**, being the **Day of Judgment** and beyond. *Praise be to Allah*. Truthfully and equitably, the **Most Merciful** has fulfilled the “*Prophecy of Ahmed*” narrated in **Verse 61:6** through the *messenger, Makbool Husain*. This makes the entire message, the proofs, and the clarifying and unique revelations stand out till the **Day of Judgment** as a great *Marvel and Miracle of Allah*, while being verifiable by all the people. This makes it the “*the Praised Message*” revealed by the **Most Praiseworthy Allah** through the messenger whose name will be even more praised, once the people realize, acknowledge, and appreciate the extent and greatness of the **Miracle**, whereby the name of the messenger is encoded in the sacred words which reflect the **Eternal Past**. The truth is that the **name letters Allah and His messenger** are engraved, encoded, and woven in the entire script of **Quran** – a feat of a *Marvel and Miracle* that is truly the works of the **Almighty and Omnipotent Lord of the Universe**, Glory be to Him.

The coming of messenger **Makbool Husain** with proofs identifying and revealing his full name through the verses gives the “*Prophecy*” a lot of impetus. The miracles and proofs revealed to the messenger are truly **the first as a precedent in the chain of miracles** sent down by **Allah to His messengers**. There is no previous example in the Quran whereby the *messenger’s name letters* were ever encoded in the entire scripture – even more so in verses on *1st Day, the creation of the Universe, the creation of human beings, and the Last Day*. In addition, the Verses on the reminder of the “**Heavenly Feud**” are also marked through the **letters of the messenger** with the **Sacred Codes**.

This Sermon will reveal an incomprehensible dimension of miracles and the absolute proofs from **my Lord**. These Miracles are *perpetual* till the **Day of Judgment**. The difference in the past miracles and this one is - that the past miracles vanished with the demise of the messenger, whereas this miracle will remain on record even after the messenger departs earth, till the **Day of Judgment**. It is engraved, interwoven, and coded in the words and verses of the Quran to be observed and witnessed by the later generations also, **Praise be to Allah**. I have received the following revelations recently - they are new, and eye-openers for the followers of the Quran. The verses declaring and proving that I am a messenger of Allah are given below. They clearly bring out and reveal the name of the messenger along with the appropriate revealed proofs.

98:2 A messenger from **ALLAH** is reciting to them sacred instructions.

98:3 In them there are valuable teachings.

Revealed: The GV of **messenger's letters** are 340 and 162, **the diff. is 178**. **Praise be to Allah** who has encoded the verses through the letters of the messenger to reveal his name, **Makbool**, along with the secret and coded miracles and proofs through the entire Quran.

Secret Coding of 19 and 14 – the Mathematical Attribute of Allah, Most Praised:

Revealed: The first **19** Arabic letters which are **Quranic Initials** have the GV of **840**, which is the **Sign** revealed to the messenger, as per chapters 40 through 46 and represent the initials **H.M.**, with their gematric values being 8,40 through them. The **H** reveals the last name **Husain**, and the **M** reveals the first name **Makbool** of the messenger.

Revealed: The first **14** letters of the **messenger's name** have the GV of **352** – this spells out the word “**Quran**.” This is the name of the Scripture revealed by the **Most Gracious**. Together, the proofs of 19 and 14 reveal the scripture, the Quran and the Sign of H.M 840 through them, as well as the name of the messenger, **Alhumdo Lillah**. The valuable teachings mentioned in **98:3** are expressed through the revealed number **162**, which represents **Al-Islam or Submission**. The entire revealed message is about Submission and is through the Quran, **Glory be to Allah**.

In this Sermon, I will recite verses on **The Master and Sacred Codes of 19-14** revealed earlier on - but are now **confirmed** as the mathematical attributes and **Signature of the Creator – ALLAH** – through some important verses directly related to the Sacred Coding of the **Most High**. The Miracles through such verses clearly prove that these are the controlling and absolute codes as well as **the stamp and signature of the Lord of the Universe** on each and every creation of His. **Glory be to Allah**. The Verses recited by me are on the **Creation of the Universe**, the **Sovereignty**, and the **Absoluteness of ALLAH**.

You will notice that the **messenger's letters** are in combination with the glorified **letters of Allah** in revealing these proofs. I will also recite verses on the **Absolute worship of Allah**, without committing any idolatry. They serve as a reminder to the messengers commanding them to worship **Allah** through His revelations and scripture, and not to be diverted by others who do not follow the entire Quran and truth, and do not follow and uphold the "**Revealed Guidance**."

You will also hear verses on the creation of the **first human being – Adam, and the creation of the descendants of Adam from him**. You will note and witness that the messenger's name is carved into such verses also, proving that the "**Ultimate Miracle and Message**" given to the messenger stretches from **DAY ONE** which was the creation of the Universe, then onto the creation of the human beings and up to the **LAST DAY** – **all Praise and Glory be to ALLAH**, for His immense proofs and mercy on me.

Finally, I will recite verses on the **Last Day – the Day of Judgment**. That is the Day when all the people will be gathered before the **Lord of the Universe, who Alone is the Master of the Day of Judgment**, and will decide the fate of each human being, **Glory be to Allah**. The special coding of messenger's letters will again be evident as part of the complete message from **Day 1 to the Last Day** as narrated through the **glorious Quran**. Sections 4 and 5 – Test of Submission – Command to the angels – Iblees exposed as the devil – Initiation of the Heavenly Feud:

**** Original History of Submission – Command to the Angels**

18:50 We said to the angels, "Fall prostrate before Adam." They fell prostrate, except Satan. He became a jinn, for he disobeyed the order of **His Lord**. Will you choose him and his descendants as lords instead of Me, even though they are your enemies? What a miserable substitute!

Revealed: The **Aleefs** (of Absoluteness) are 16 and **Allah letters** are 35, the diff. is 19. This is the *Absolute Proof of our Lord* regarding the original history of the "*heavenly feud*" and the disobedience of Iblees to **Allah's command**.

The importance of this verse is reflected by unique and special markings on the words "*al-jinn*" and "*lords – auleeyaa*" which are stamped as the **19th Allah** letter on the **Aleef** of "*al-jinn*" and the **14th Aleef** on the **Aleef** of "*auleeyaa – lords*." In addition, they are further stamped for the part of the verse

starting from “*al-jinn*” and ending on “*auleeyaa* – lords” by connecting them with **14 letters** of the messenger’s name, Subhan Allah.

18:50 Part 1: We said to the angels, "Fall prostrate before Adam." They fell prostrate, except Satan. He became a jinn, for he disobeyed the order of **His Lord**.

Part 2: Will you choose him and his descendants as lords instead of Me, even though they are your enemies? What a miserable substitute!

Revealed: The messenger’s letters are 29 and 27 in each part to reveal **the diff. of 2**. This verse informs the believers that Iblees was demoted from the rank of an angel to a jinn for gross disobedience to the **command of Allah**. Anyone who follows Iblees (satan) and his descendants will be guilty of idolatry and worship of 2 gods. This will inevitably lead such disbelievers to Hell.

18:50 Part: We said to the angels, "Fall prostrate before Adam." They fell prostrate, except satan.

Revealed: The messenger’s letters are precisely **14** up to “*prostrate*” and **19** up to “*Iblees* (satan).” The Sacred Codes through the letters of the messenger confirm the original history of disobedience and arrogance of Iblees, when he was asked to submit to **Allah’s command** by falling prostrate to Adam along with all other angels.

Comment: The original history of the start of Islam (Submission) whereby the angels were put to the Test of Submission is therefore recorded through the letters of **Allah and the messenger** revealing the **Sacred Codes of 19 and 14**, Subhan Allah.

The words “*asjodu*” and “*fasajodu*” for “**fall prostrate**” and “**fell prostrate**” are coded with **2 Aleefs** and **1 Aleef**. What is the reason behind 2 Aleefs and 1 Aleef?

Upon the initiation of the Test, the command to “**fall prostrate**” is marked with 2 Aleefs. It is because the angels had not been tested before and therefore their loyalty and allegiance towards **Allah** remained untested till put to the Test. When all of them did prostrate, except for Iblees, then the word “*fasajodu*” – **fell prostrate**, is marked with a **singular Aleef**. This certifies and attests to their submission to **Allah and His commands**. Moreover, the messenger’s letters in each of the words have the GV of **66**, revealing the profound proof of “**Test of Submission**” for the angels to fall prostrate to Adam, a human being. This provides the proof for the important word of “**prostrate**” through the coding of **1 Aleef** for loyalty, complete allegiance, obedience, and unwavering submission to **Allah, the Absolute**. Additionally, **His** glorified name of **66** is marked through the letters of the **messenger**.

Revealed: Both Words on “*Prostrate*” The **Allah letters** are a total of 3 and **messenger’s letters** are 4, **the difference is ONE**. The important word “*prostrate*” is the starting point in submission.

Revealed: Both Verses: The **messenger’s letters** are **14** – the **Seven Pairs** which reveals the **Sacred Miracle** as the Code per **Verse 15:87**.

The **Sacred Codes of 14-19** through the letters of the messenger are thus incorporated within the **3 Verses** on “**Heavenly Feud**” to prove and confirm this most horrendous crime of rebellion against **Allah**, which led to the eviction of the humans and jinns from **Paradise**.

Allah, Most High, has revealed His inner and closely guarded **Secret** of the mathematical attributes through the **numbers 14 and 19** to the messenger. He has also revealed that **He is absolutely ONE** without any partners through the great “**Revelation of 1**.” These are **His mathematical Signature** over all the creations in the universe. In a way, He has stamped and sealed everything He has created with the **Codes of 14-19** and the **Seal / Stamp of ONE**. **These are called the Sacred and Master Codes of Allah, Most Glorified**.

All **3 numbers** written together become: $19114 = 19 \times 1006$, or they can be written as $11419 = 19 \times 601$. The numbers further reveal the number of chapters of the **Quran** as **114** and the **Signature of Allah** as **19** for **Waahed – One**.

Here is another example and proof through the Verses regarding the **Sacred Coding of 1-14-19**. The **3 numbers - 1, 14, 19**, can also be written as: $11914 = 14 \times 851$.

The first and opening statement and verse in the Quran is: **In the name of God, Most Gracious, Most Merciful.** The ultimate statement uttered by the believers is "**And praise be to Allah, Lord of the Universe.**" Below are the verses in Arabic written in English.

1:1 *Bism Allah Al-Rahman Al-Raheem.*

Revealed: The GV of **messenger's letters** are 378 + 306, the sum is **684 = 19 x 36.**

Revealed: The **Allah letters** are 8 and **messenger's name initials** are 12, revealing the **messenger Husain 128** through the Pattern and combination of letters of *Allah and His messenger*.

Revealed: The GV of **Allah letters** is a **Perfect 128** - an additional proof to reveal the name of the messenger, Husain, 128. The Verse is therefore “*double-proofed*” to magnify the Miracle.

Revealed: The GV of **Allah letters** is a **Perfect 66** and GV of **messenger's letters** is a **Perfect 162** spelling out the name of the Creator and His decreed religion of Islam for the human beings.

The **Creator** has mentioned 2 names to call on Him through **Verse 17:110**. Either one of them is acceptable to Him. They are: *Allah and Al-Rahman*. The special coding reveals the messenger's name through the glorified word of **Al-Rahman**. The GV of *messenger's letters is 128* in this word, revealing the *messenger Husain*, who has been sent to earth to deliver the profound revelations and as fulfillment of the *Prophecy of Ahmed*, in accordance with the pre-determined plan of **the Creator**.

The GV of **Allah** and **Al-Rahman** are: $66,329 = \underline{19} \times 3491$.

The GV of **Al-Rahman** and **Al-Raheem** are: $329,289 = \underline{19} \times 17331$. Thus the words of the verse are interwoven together with the specified code.

The GV of the **19 letters** of “BismAllah Al-Rahman Al-Raheem” are:

2,60,40,1,30,30,5,1,30,200,8,40,50,1,30,200,8,10,40 ----- The sum of all digits is *Perfectly 66*, proclaiming loud and clear the *Exalted and Glorified Name of ALLAH*.

The GV of Al-Rahman is 329 and its digits add to 14.

The GV of Al-Raheem is 289 and its digits add to 19. Subhan Allah.

These were some of the exalted proofs revealing the truthful Signs from **Allah** through His Scripture, the Quran, which is full of wisdom and miracles.

Note the following revelations under verses 53:4–53:10, 7:61-7:67, and 7:62-7:68 are spaced 7 verses apart under the Miracle of 7.

53:4 – 53:10 The sum of verse numbers $4 + 10 = 14$.

7:61 – 7:67 The sum of verse numbers $61 + 67 = 128$.

This reveals the precision and absolute coding of my Lord to reveal the name of the messenger, **128** as well as the **Miracle of 14** assigned to him, Praise be to my Lord.

7:62 Part 1: I deliver to you the messages of my Lord, and I advise you.

Revealed: The **Allah letters** are 3 and 5, **the diff. is 2** - meaning “**double**” for idolatry.

7:62 Part: And I advise you.

7:68 Part: And I am honestly advising you.

Both Parts: The **Allah letters** are **7**, and **messenger's letters** are **14**. The messenger's advice regarding true guidance is based on the *Miracle of Seven Pairs*. This is the profound Sign granted by **Allah** to part guidance and teachings to the people.

The "*Revelation of 2*" through the letters of **Allah** inform the people that their belief remains idolatrous (*worship of 2 gods*) till the messenger is sent to deliver the true guidance in order to purify them. Note the Revelation of numbers **114** (for entire Scripture) and **110** for Absoluteness of **Allah** appear through the letters of the messenger. The advice of the messenger is also based on the inspiration under the **Codes of 7-14**.

Before the messenger came, the people were astray

Revealed: The digits of chapter and verse number $3+1+6+4$ add to **14**, revealing the coded messenger who has come with the **Miracle of Seven Pairs**.

The Hidden and Coded Message / Miracle: The awesome miracle of **Allah Ta'ala** is evident through the coding of the entire verse with the letters of the messenger to reveal the GV of **1914**. The Revelation of the *Master and Sacred Codes of 19-14* are therefore attached to the name letters of the messenger in this verse. This is the great revelation and the clear sign granted to the messenger.

3:164 Part 1: **Allah** has blessed the believers by raising in their midst a messenger from among them, to recite for them His revelations.

Part 1: The GV of *messenger's letters* is 1378 – **the sum of digits is 19**.

Part 2: The GV of *messenger's letters* is 536 – **the sum of digits is 14**. Praise be to **Allah** for such intense and intriguing proofs of wisdom which reveal the *sacred codes of 19 and 14* again through the same verse.

The **Key** to access additional information out of the verse does reveal that the followers of Quran had gone astray before the messenger was sent to guide and enlighten them. Note the intricate coding of words.

Part: Before this – "*wa in kanoo min kabal*" (before the messenger came)

Part: They had gone totally astray - (*lafee zalaalin mubeen*).

Revealed: The GV of **messenger's letters** is 334 and 202. Note that the digits of both numbers 3+3+4+2+0+2 add to **14** to match the digits of 536 that also add to **14** revealed for entire part 2 of verse through the letters of the messenger.

Section 11 – Revelation of the Secrets of Allah:

In this segment, I will recite proven verses to inform the readers and followers of the Quran that the **Revelation of the Sacred Codes of 1, 14, and 19** are indeed authorized and revealed by **Allah, Lord of the Universe**.

“Revelation of 1” and “Revelation of 14-19”

Revelation of the Sacred Codes: The **Allah letters** are **14** and **19** in each verse, proving that **Allah** is the only One who knows the Secret in the heavens and the earth, while none of His creatures know anything till He reveals the information and knowledge. Revealed: The **Arabic Letters** are **16** and **Allah letters** are **5** – the coded pattern reveals the ***Absoluteness of Allah through the number 165.***

25:2 Part of Verse: The One to whom belongs all sovereignty of the heavens and the earth.

Revealed: The **Allah letters** are 10 and **messenger's letters** are 11, **the diff. is ONE**. This proves that all sovereignty of the heavens and the earth belongs to **Allah Subhanahoo**. The demonstration of **Allah's Sovereignty** is evident through these revelations granted to the messenger out of **His Mercy**.

**** The Hidden Secret – Revelation of ONE**

74:1 O you hidden secret.

Revealed: The **Allah letters** are 5 and **messenger's letters** are 4, **the diff. is ONE**.

This is one of the hidden secrets whereby the letters of **Allah Ta'ala** are coded along with the letters of His messenger Makbool, at the time of the revelation of the Quran to prophet Muhammad. **Glory be to Allah.**

As idolatry and disbelief is widespread and endemic, the purpose of sending a messenger through the hidden coding is evident and self-explanatory through the accompanying verses. The purpose is to warn the people about the **Absoluteness of Allah** and to remind them of the awesome **Day of Judgment**. The sacred codes are also meant to purify the Quran, which has been corrupted through false translations, injections of certain letters and words, and interpretations.

74:1 O you hidden secret.

74:2 Come out and warn.

Revealed: The **messenger's letters** are 4 and 3, **the diff. is ONE**.

74:3 Extol your Lord.

74:7 Steadfastly commemorate your Lord.

Revealed: The **messenger's letters** are 3 and 4, revealing **the diff. is ONE**. The glorified name of the **Lord and His complete Absoluteness** over the universe and the creations has been revealed in a proven way through the glorious scripture – **the Quran**.

74:4 Purify your garment (the soul).

74:5 Forsake what is wrong.

Revealed: The **Allah letters** are 2 and 4, revealing **the diff. is 2**.

The followers of the Quran and the hypocrites had corrupted the garment of righteousness (the Quran) over time with false injections of verses and words, therefore the souls also got corrupted by following falsehood – now the **Most Gracious** has purified it through His messengers and asked the followers of

Quran to give up and forsake what was wrong in the past. The same rule of giving up on the falsehood applies in future when unauthorized people distort and invent lies against *Allah, the Quran, and His messengers*.

Revealed: The **messenger's letters** are 3 and 2, revealing **the diff. is ONE**. The purification of the garment of righteousness – the scripture as well as your soul, is done through the authorized messengers of **Allah**. The true believers readily follow them by giving up the falsehood and idolatry practiced by them in the past in order to purify their souls.

74:1 O you hidden secret.

74:2 Come out and warn.

74:3 Extol your Lord.

Revealed: The *messenger's letters* engraved in each verse are **4-3-3** to reveal the glorified name of "*Lord of the Universe.*" The "**KEY**" to some of the hidden secrets of **Allah, Most Wise** has been granted to the messenger. This Key is granted by the **One** – *Ahad* (GV **13**, see Verse **112:1**) and unlocks the secrets of the Quran through the guidance under the matching codes provided by the **Most Gracious**. *By the grace of Allah, the Key surely works each time the messenger uses it to receive more information from the Most High, the Most Exalted.*

Allah purifies your garment (the soul) through the messenger

74:4 Purify your garment (the soul).

Revealed: The **Allah letters** are 2 and **messenger's letters** are 3, **the diff. is ONE**.

The Quran is called the "*garment of righteousness*" as it is a revelation from the **Lord of the Universe**. When the Quran is in a purified state through the messenger, then the believing soul can benefit by working righteousness. When the Quran is corrupted and distorted, then the soul will not get a chance to purify itself. The soul is also the "*garment*" within the body, which has the opportunity to believe in *Allah and His Absolute Authority and working righteousness*.

Revealed: The GV of **Allah letters** is **141** and GV of **messenger's letters** is **292**, the combination of the secret codes of the Key thus produces and reveals the number **433** proclaiming the *Lord of the Universe* who has opened the door of His mercy for the messenger and the believers. Revealed: The **Quranic Initials** for the verse are **21** and the **Arabic Letters** are **28**, both are multiple of either **7** or **14**. When placed side by side to make up one number, the pattern becomes **2128**; which is **19** x **14** x 8. Thus the **Sacred Codes of 19 and 14** are revealed through the same **secret Key** to unlock another mystery.

Part: With Him are the keys to all secrets.

Part: None knows them except He.

Revealed: The **messenger's letters** are 7 and 6, **the diff. is ONE**. Note that the **Key** reveals and confirms the beginning and the ending of Quran as the first chapter has 7 verses and the last chapter has 6 verses; thus the unlocked codes through the numbers perfectly matches.

The actual word for **the Keys** in Arabic given in the verse is “*mafa tey ho.*”

The Miracle of Absoluteness through the 3 Parts of the Verse

6:59 Part 1: With Him are the keys to all secrets; none knows them except He.

Part 3: Nor is there a grain in the depths of the soil. Nor is there anything wet or dry that is not recorded in a profound record.

Revealed: The **Aleefs of Absoluteness** in each part are **6-7-8**, revealing **the diff. is ONE**. All Praise and Glory be to **Allah – the Absolute Lord** who possesses all the Knowledge in the Heavens and the Earth.

Section 12 – Fulfillment of Prophecy of Ahmed – profound Signs from beginning to end – 3 messengers – 3 messages:

**** Fulfillment of "Prophecy of Ahmed"**

The precision of coding by **Allah, Most High**, reveals and confirms that **messenger Husain, coded as 128**, is the truth and the fulfillment of "**Prophecy of Ahmed**" through **Verse 61:6**. The exact and precise number of **Allah letters** which are engraved and woven in **Verses 1 through 6** are **128 Allah letters**. Thus, they reveal the name of the **messenger Husain**. **This is the Absolute Precision of Almighty Lord**, and leaves no doubts for anyone else to make a false claim. The Proof and Miracle is through the letters of **Allah, the Author of the Quran**, and provide a firm **Seal and Stamp** to confirm the fulfillment of the Prophecy through the messenger, **Husain**.

Moreover, the **messenger's letters** from Verse 1 through 6 are **224**, a multiple of **14**. In addition, the sum of **Allah letters 128** and the **messenger's letters 224** add to **352**, revealing the "**Quran – 352**" through which the messenger has been appointed and approved by the **Most Praiseworthy**. The sum of digits of 128 and 224 also reveal the number **19**, Subhan Allah.

61:6 Recall that Jesus, son of Mary, said, "O Children of Israel, I am **Allah's** messenger to you, confirming the Torah and bringing good news of a messenger to come after me whose name will be even more praised (Ahmad)." Then, when he showed them the **clear proofs**.

Revealed: The **messenger's letters** are perfectly coded as **66** up to "**clear proofs**." The clear proof of **66** proclaiming the glorified name of **ALLAH** should make all the humans who fear the **Hereafter** believe and reverence Him by believing in His messenger.

Revealed: The **messenger's letters** are **66** and the **Arabic Letters** are **Perfectly 110**, to reveal the absolute coding which is a great Miracle granted to the messenger.

Part: They said, "This is profound magic."

Revealed: The GV of **messenger's letters** is **Perfectly 306** revealing the full name of the messenger.

Thus the 3 numbers represent the important values: **66** for **ALLAH**, **110** for the attribute of **Absoluteness** (La Elaha Ella Hoo) and **306** for the messenger, **Makbool Husain**, who has been inspired to receive the revelations from the **ONE** in the **Highest Paradise** and is the **Lord of the Universe**.

Part: "And bringing good news of a messenger to come after me whose name will be even more praised (Ahmad)."

Part: Then, when he showed them the clear proofs.

Clear Proofs Marked in Verse: The **messenger's letters** are **17** and **8** in each part, revealing the name **Makbool 178**, Subhan Allah.

61:6 Part: Then, when he showed them the clear proofs.

Part: They said, "This is profound magic."

Clear Proofs from Allah: The **messenger's letters** are 8 and 9, **the diff. is ONE**.

Clear Proofs from Quran: *The Arabic Letters* in each part are **16** and **15**, **the diff. is ONE**.

Ultimate Proof of messenger "Ahmed." **Part:** They said, "This is profound magic."

Revealed: The **messenger's letters** are 9 in this part, matching the number of letters in his actual name **Makbool Husain**, and the GV of the letters is **Perfectly 306** to reveal the messenger who remained hidden in the sacred coding of "**Ahmed**" but has been revealed now, Subhan Allah.

"A Revelation out of the numbers used in Verse 61:6"

The numbers 6-1-6 used by **Allah Ta'ala** for the chapter and verse number convert and become chapters 6-1-6. They are chapters "Al-Anaam – Livestock, Al-Fatehah – the Key, and Al-Anaam – Livestock."

Revealed: The **Allah letters** in the 3 chapter names are $4+4+4 = 12$.

Revealed: The **messenger's letters** are $3+2+3 = 8$. The new numbers originating out of previously revealed **Verse No. 61:6** are **12 and 8**, revealing the name of messenger "**Ahmed**" who is coded, and was hidden secretly by the **Most Wise** in the verses and words of the Quran.

In addition, **Verse 36:14** mentions **3 messengers**. The coding of the verse under the **number 14** is proof enough to support the interpretation of messenger Makbool regarding the 3 messengers – **Muhammad, Rashad Khalifa, and Makbool Husain**.

(For reference to the subject of 3 verses, especially on belief and the system of satan, see the sets of verses 3:18-20, 2:208-210, 7:172-174, 7:200-202, 17:45-47, 16:98-100, 36:60-62, 58:19-21, and many more.) The secret coding to shed light on the ultimate “**Miracle of 3**” is so profound that the **3rd messenger** is mentioned under **verse 14** in **chapter 36**, which has many more occurrences of **3 verses** under different subjects to highlight this fact and miracle.

36:14 When we sent to them **two**, they disbelieved them. We then supported them by **a third**. They said, "We are (Allah's) messengers to you."

Precision of Allah to support the truth of 3 messengers of Quran:

The words “**two – asnain**” and “**third – be’salis**” are connected together through the coding of **14 Arabic letters** and **7 Quranic Initialed letters** in between, **Praise be to Allah**. Moreover, both words reveal Allah letters to be 3 and messenger’s letters as 5, revealing **the diff. of 2**. The majority of people have rejected all the 3 messengers and messages of **Allah**. Hence, they are considered idol worshipers.

The GV of **Allah letters** in both words is 32 and GV of **messenger’s letters** is 142, revealing the **diff. of 110**. This proves that the followers of the previous scriptures and of the Quran totally ignored and disregarded the **Absolute Authority of Allah (110)** by rejecting His messengers. They are therefore marked as the ones who will be destined to go to Hell.

Revealed: The GV of the words “**two**” and “**a third**” are 611 and 1033, **the diff. is 422** – spelling out “**kitaab – scripture**.” This proves that all **3 messengers** were sent through the same Scripture – **the Quran** and are marked through the words and verses of the Quran. The falsifiers who represent themselves to be from **Allah** will thus be exposed through the Quran, as they will find no supporting proof or miracle for themselves.

36:14 Part 1: When we sent to them two (messengers), they disbelieved them.
Part 2: We then supported them by a third.

Revealed: The GV of **messenger’s letters** are 378 and 82, **the diff. is 296**, revealing the word “**Rasool – messenger**.” This proves that the 3rd messenger, Makbool Husain has been sent to support the teachings of the previous two and to confirm them, Subhan Allah.

Revealed: Both Parts: The GV of **Allah letters** is 108 and GV of **messenger’s letters** is 460, **the diff. is 352**, revealing that all 3 messengers were guided and sent through the **Quran**.

Part 3: They said, "We are (Allah's) messengers to you."

Revealed: The **Allah letters** are 8 and **messenger’s letters** are **12**, revealing the name of **Husain – the messenger of Allah**.

36:14 When we sent to them two (messengers), they disbelieved them. We then supported them by a third. They said, "We are (God's) messengers to you."

36:15 They said, "You are no more than human beings like us. The **Most Gracious** did not send down

anything. You are liars."

Revealed: The **Aleefs of Absoluteness** are 13 and 14, **the diff. is 1.**

Revealed: The **Allah letters** are 21 and 20, **the diff. is 1.** This proves that the messengers are authorized, approved, and appointed by the **Most Gracious.**

Revealed: The **messenger's letters** are 27 and 29, **the diff. is 2.** The irony behind the disbelief in the messengers is clear with the *revelation of 2*, although they are inspired and sent by **Allah.** Thus the disbelievers reject the **Absolute Authority of Allah** by rejecting His messengers.

36:15 Part 1: They said, "You are no more than human beings like us."

Part 2: The **Most Gracious** did not send down anything. You are liars.

Revealed: The **Aleefs of Absoluteness** are 7 and 7 in each part – the **Absoluteness of Allah and His Supreme Authority** is revealed here through the **Miracle of Seven Pairs.**

40:70 They are the ones who have disbelieved in the scripture, and in the messages we have sent with our messengers. Therefore, they will surely find out.

Revealed: The GV of **Allah letters** is a **Perfect 162** for the verse. This proves that the majority disbelieved in the Quran and in the messages sent with **Allah's messengers.** Therefore, they will be guilty for not following the path of *Islam* – **Submission.**

40:70 Part 1: They are the ones who have disbelieved in the scripture, and in the messages we have sent with our messengers.

Revealed: The GV of **messenger's letters** is a **Perfect 462** = 7 x 66. The value of 462 represents "*The Statute Book – Al-Furqan.*"

Part 2: Therefore, they will surely find out.

Revealed: The GV of **messenger's letters** is a **Perfect 202** spelling out the glorified name of **Lord.** Such revelations enlighten the believers by informing them that the **Lord (Rabb)** is the **One** who sends the messengers with the Guidance and the Statute Book – The Quran.

58:19 Part 1: The **devil** has possessed them, and has caused them to disregard **Allah's message.**

Part 2: These are the party of the **devil.** Absolutely, the party of the **devil** are the losers.

Revealed: The **messenger's letters** are 14 and 19 in each part. The **Sacred Codes of 14-19** confirm the fact that there are **3 messengers** mentioned in the Quran through **36:14** and this verse is testimony to the truth that the devil is mentioned **3 times** here. The devil made the people disregard **Allah's message** through the **3 messengers.** The message delivered by the messengers is **one and the same** – the **Absolute Worship of Allah** through His Scripture and commands revealed through His messengers.

Revealed: The total **messenger's letters** are 33 and the **Verse No.** is 19, **the diff. is 14.**

Revealed: The **Allah letters** are 11 and 13, **the diff. is 2.** Surely, the devil has possessed the disbelievers and the hypocrites and made them totally forget **Allah's message** sent down through His messengers.

The **Revelation of 2** provides the proof of the truth of this matter.

Revealed: Part 1: The GV of Allah letters is **Perfectly 139** for “*al-haq – the truth.*”

Revealed: Part 2: The GV of Allah letters is **Perfectly 162** for “*al-islam – submission.*” This revelation of **139** and **162** shows that the devil has influenced and misled the people into disbelieving in the **Truth (139)** that is revealed through the messenger, and therefore they cannot fully **submit (162)** to Allah.

58:19 Part 1: The **devil** has possessed them, and has caused them to disregard Allah's message.

Part 2: These are the party of the **devil**.

Revealed: The **messenger's letters** are **14** and **7** – another proof through the **Sacred Codes of 7-14** that the devil has misled the majority of people into disbelief, arrogance and denial. The devil has hardened the hearts of the disbelievers into not accepting **Allah's messengers**.

58:20 Part 1: Surely, those who oppose Allah and His messenger.

Part 2: These will be among the lowliest.

Revealed: The **messenger's letters** are **14** and **7** in each part. The gross sin of opposing **Allah and His messenger** will commit the disbelievers to be among the lowliest on the Day of Judgment.

Revealed: The **Aleefs** are **7** in the entire verse, and **messenger's letters** are **21**, **the diff. is 14** – the **Sacred Miracle of Seven Pairs**.

Revealed: The GV of Allah letters for entire verse is **227** for “*al-muhmineen – the believers.*” The proof reveals that those who did not become believers or did not behave like believers will be among the lowliest on the Day of Judgment.

58:21 Allah has decreed: "I and My messengers will most assuredly win." **Allah** is Powerful, Almighty.

Revealed: The **messenger's letters** are perfectly **19**. This Supreme Code reveals that in the end **Allah His messengers** will most assuredly win over satan and his followers.

58:20 Surely, those who oppose Allah and His messenger; these will be among the lowliest.

58:21 Allah has decreed: "I and My messengers will most assuredly win." **Allah** is Powerful, Almighty.

Revealed: The **Aleefs** are **7** and **6**, **the diff. is 1**.

Revealed: The **Allah letters** are **16** and **15**, **the diff. is 1**. The Sacred Coding through the Revelation of 1 confirms Allah's punishment and retribution for the disbelievers who were the lowliest in opposing Allah and His messenger. In the end, victory belongs to Allah and His messengers as satan and his followers will be defeated by the **Supreme and Omnipotent Lord**.

Allah sends peace upon the messenger, Glory be to Him.

19:15 Peace be upon him the day he was born, the day he dies, and the day he is resurrected back to life.

19:33 And peace be upon me the day I was born, the day I die, and the day I get resurrected.

These are **19 verses** apart, and **Allah Ta'ala** reveals that peace is upon me from the time I was born, the day I die, and the day when I get resurrected, **Alhumdo Lillah**.

Revealed: The **messenger's letters** are 26 and 25, **the diff. is 1**, Subhan Allah. **Note** that in **Verse 19:33**, the messenger is speaking for himself by saying "Peace be upon me" as compared to Verse 19:15 whereby **Allah** is saying "Peace be upon him." What is the difference through the coded numbers of verses based on the language narrated by **Allah**?

The difference is this: The verse through which the messenger speaks for himself is coded under the numbers 19:33. **Chapter No.** is **19** and **Verse No.** is **33**, **the diff. is 14**, authorizing and pointing out the specific messenger.

37:180 Glory be to your Lord, the great Lord; far above their claims.

37:181 Peace be upon the messengers.

Revealed: The **messenger's letters** are 11 and 12, **the diff. is 1**. The messengers are appointed by **Allah** to serve Him and are not partners with Him. They advocate the Absoluteness of Allah and forbid idolatry in all its forms. The disbelievers who do not believe in His system of messengers or idolize them against their will are the idol-worshippers. They follow unauthorized leaders and claim that they are from **Allah**. The great Lord rejects their claims as falsehood. **Instead, He has wished peace upon His messengers.**

Praise is to **Allah** for informing me that He has created the messenger just for Him and that He never created anyone like him before with the same identical traits, qualities, knowledge, and wisdom. In addition, the **Most Wise** has never created and sent any messenger whose name was coded in the entire scripture to cover from the **First Day to the Last Day**, **Subhan Allah**.

20:39 Part: I showered you with love from Me.

Part: And I had you made before My watchful eye.

Revealed: The **messenger's letters** are **12** and **8** in each part, clearly revealing the name of the **messenger**, **128** and confirming Allah's love for me, and my unique and distinct creation which is different from other human beings, Alhumdo Lillah.

The Day of Judgment – the Last Day, is marked with profound coding through **Allah letters and the messenger’s letters**. The **messenger** is marked through the revelation of his **name 128**, **Praise be to Allah**.

Section 16 – Idolatry – Setting up of idols to rival and rank with the Lord of the Universe:

Setting up of false idols to Rank with Allah – Lord of Universe

14:30 Part: They set up rivals to rank with Allah.

26:98 How could we set you up to rank with the **Lord of the universe?**

Revealed: The GV of messenger's letters are 152 and 330, the diff. is 178, revealing the messenger Makbool. The people did not accept Allah's messenger authorized by Him – rather they accepted unauthorized teachings from scholars, thereby setting up idols to rank with the **Lord of the Universe**.

Revealed: The messenger Makbool 178 is coded in Verse 26:98. The sum of digits for 26 is 8 and sum of digits for 98 is 17, thereby revealing the name of messenger **178** through the Pattern.

26:97 "By Allah, we were far astray.

26:98 "How could we set you up to rank with the **Lord of the universe?**"

Revealed: Both Verses: The Arabic Letters are 38 and messenger's letters are 24, the diff. is 14.

40:15 *Possessor of the highest ranks*, and Ruler of the whole dominion. He sends inspiration, bearing His commands, to whomever He chooses from among His servants, to warn about the Day of Summoning.

41:9 Say, "You disbelieve in the One who created the earth in two days, *and you set up idols to rank with Him*, though He is Lord of the universe."

Revealed: The Allah letters are 18 and 19, the diff. is One.

Revealed: The messenger's letters are 31 and 32, the diff. is One.

39:38 Part: If you ask them, "Who created the heavens and the earth?" they will say, "Allah." Say, "Why then do you set up idols beside Allah?"

Revealed: The **Allah letters** are 23 and **messenger's letters** are 37, **the diff. is 14**.

Revealed: The GV of **Allah letters** is a **Perfect 383** spelling out the name of the scripture, Al-Quran. The disbelievers have no sure knowledge or proof – their utterances offer only lip service.

Revealed: Chapter No. is 39 and Verse No. is 38, **the diff. is ONE**.

39:38 Part: If you ask them, "Who created the heavens and the earth?" they will say, "**Allah**."

Part: Say, "Why then do you set up idols beside **Allah**?"

Revealed: The GV of **Allah letters** for each part are **285** (19x15) and **98** (14x7). Thus, the **Sacred Codes of 19-14** confirm that the hypocrites are liars.

Part: They will say, "**Allah**."

Part: Say, "Why then do you set up idols beside **Allah**?"

Revealed: The **Allah letters** are 6 and 7, **the diff. is ONE**.

18:101 Part 1: They are the ones whose eyes were too veiled to see My message.

Part 2: Nor could they hear.

Revealed: The **Allah letters** in each part are 6 and 5, **the diff. is ONE**. Subhan Allah.

Revealed: The *authorized messenger's letters* are 10 and 11, **the diff. is ONE**, Alhumdo Lillah.

18:102 Do those who disbelieve think that they can get away with setting up My servants as gods beside Me? We have prepared for the disbelievers Hell as an eternal abode.

Revealed: The **Allah letters** are perfectly **19** spelling out clearly the word "**WAAHED**" meaning "**ONE**."

This clearly proves that those followers of scriptures who idolize their prophets and messengers and forget *Allah and His Words / Commands* in the scriptures are destined for **HELL**. The sole purpose of all prophets / messengers is to deliver **Allah's** message and to remind you about the Creator, the purpose of life, and the Day of Judgment. Those who forget **Allah**, His revelations, His messengers, and the Last Day, have indeed strayed far astray and will be counted among the idol worshippers.

Section 17 – The ultimate admission by the second god – Iblees, his followers, and the leaders of sects about their disbelief in Absolute Authority of Allah and His command to submit to Him:

34:31 Part 1: Those who disbelieve have said, "We will not believe in this Quran, nor in the previous scriptures."

Part 2: If you could only envision these transgressors when they stand before their Lord! They will argue with one another back and forth.

Part 3: The followers will tell their leaders, "If it were not for you, we would have been believers."

Revealed: The **messenger's letters** are 27-28-29, **the diff. is 1**. Note that the Verse ends with the last word being "*believers*." The leaders misled their people into disbelieving in the Quran, the previous scriptures, and in the **messengers of Allah**. The GV of "*muhmineen – believers*" is **196 = 14 x 14**. The precise coding of the **messenger's letters** reveals the **diff. of 1** between each part. The mutual blaming

by the leaders and the followers is apparent through their argument when they will face **their Lord**. The followers will express their remorse that had it not been the pressure from the leaders, they could have been believers by believing in the messengers.

34:31 Part 1: Those who disbelieve have said, "We will not believe in this Quran, nor in the previous scriptures." If you could only envision these transgressors when they stand before their Lord! They will argue with one another back and forth.

Part 2: The followers will tell their leaders, "If it were not for you, we would have been believers."

Revealed: The Aleefs of Absoluteness are **12** and **8** – the precise pattern reveals and spells out the name of the **messenger, Husain, 128**, Subhan Allah.

34:32 The leaders will say to those who followed them, "Are we the ones who diverted you from the **guidance** after it came to you"?"

Revealed: The GV of Allah letters is precisely **128** on the Aleef of "*al-hudaa* – **guidance**" and **165** in the verse, Subhan Allah. This shows the **Absoluteness of Allah (165)** in sending the **messenger, Husain, 128** for the guidance of the people.

Part: No; it is you who were wicked.

Revealed: The Allah letter **is only 1**, which is a "*laam*" and is the only common alphabet in the name of Allah which is also in the name of the **messenger**.

34:32 Part: The leaders will say to those who followed them.

34:33 Part: The followers will say to their leaders.

Revealed: The messenger's letters are 14 and 15, **revealing the diff. is 1**. The prerecorded conversation between the leaders and their followers is hereby proven through the letters of the messenger revealing the **difference of 1**, Alhumdo Lillah.

Revealed: The Aleefs of Absoluteness are **6** and **6**, revealing the **glorified name of Allah**, who knows ahead of time what they will say to each other, which will be "*mutual blaming*."

The Words: The leaders – *astakbaroo* and the followers – *astuzafoo*.

Revealed: The messenger's letters in each word are 3 and 2 **the diff. is 1**.

Revealed: The GV of messenger's letters is 68 and 66, **revealing the diff. of 2**. The GV of **66** is stamped on the "*followers*" and not on the "*leaders or the arrogant*." The retribution and punishment for the arrogant and the leaders will be more severe than the followers, though both groups will suffer in Hell.

Revealed: The Allah letters in both words is 4 and messenger's letters is 5 **the diff. is 1**.

34:33 The followers will say to their leaders, "It was you who schemed night and day, then commanded us to be **unappreciative of Allah**, and to set up idols to rank with Him." They will be ridden with remorse, when they see the retribution, for we will place shackles around the necks of those who disbelieved. Are they not justly requited for what they did?

This is the 3rd verse in the set of 3 Verses for the Day of Judgment. It is coded with the chapter number being 34 and Verse number being 33, to reveal the **difference of 1**. This is the only verse that has the mention of the **glorified name of Allah**, which is scripted in this particular verse for the specific reason of “**Revelation of 1**” through the *chapter/verse numbers*, proving with *absolute certainty that Allah is indeed One in Eternal, Living Existence as well as in Absolute Authority and Sovereignty - Subhan Allah*.

Perfection of Allah Ta’ala: The **Allah letters** are precisely **66** in the entire verse to complement the “**Revelation of 1**” through the chapter/verse numbers. Moreover, the **Aleefs of Absoluteness** are **38**, a multiple of **19**.

The words – “unappreciative of Allah – un nukfer Billah” GV of **messenger’s letters** is **162**. The ones who disbelieved never appreciated **Allah’s blessings** in their lives, and more so the blessing of guidance through His messengers. Their submission 162 in all forms is therefore nullified on the Day of Judgment.

The words – “nukfer Billah” – GV of **Allah letters** is **66** and GV of **messenger’s letters** is **112**, the **sum is 178** – revealing the great blessing of guidance through the **messenger Makbool**, who has been coded in the Quran from the beginning to the end of times. All Praise be to my Lord.

Revelation of Precision to Reveal Sacred Codes: up to the word “**Billah**” the **Aleefs are 14** and **messenger’s letters** are **33**, revealing **the diff. of 19**.

The followers will blame their leaders, as per this part of the verse:

34:33 Part: It was you who schemed night and day, then commanded us to be **unappreciative of Allah**, and to set up idols to rank with Him.

Revealed: The **Allah letters** are 22 and **messenger’s letters** are 23, **the diff. is 1**. The revelation brings out the true meaning regarding the words “**being unappreciative of Allah and setting up idols to rank with Him**.” The words are taken in context of guidance through messengers – the believers show their appreciation, while the disbelievers feel unappreciative of Allah’s blessing.

Revealed: The GV of **Allah letters** is 266, which is **14 x 19**.

34:33 Part: It was you who schemed night and day.

Revealed: The GV of **Allah letters** is **128**, pointing out the fact that the disbelievers and their leaders always scheme against the messengers and try to turn the people against them.

34:33 Part: Then commanded us to be **unappreciative of Allah**, and to set up idols to rank with Him.

Revealed: The **Allah letters** are **14** – **Perfectly Matched** with **14** letters of the messenger.

34:33 Part: Then commanded us to be **unappreciative of Allah**.

Revealed: The **Allah letters** are 8 and **messenger’s letters** are 9, **the diff. is 1**.

34:33 Part: And to set up idols to rank with Him.

Revealed: The **Allah letters** are 6 and **messenger's letters** are 5, **the diff. is 1**. Note that Allah letters in each part are **8** and **6**, to reveal **the diff. of 2** (gods), while the **messenger's letters** as **9** and **5** is the exact pattern of verses under 128 and 178 appearing in the Quran – a profound proof for the messenger. The disbelievers reject the messengers and follow their idols whom they set up as rivals to rank with Allah, while the believers obey and follow the messengers to worship Allah through His Absolute Authority.

34:33 Part: They will be ridden with remorse, when they see the retribution, for we will place shackles around the necks of those who disbelieved.

Revealed: The **Allah letters** are 25 and **messenger's letters** are 24, **the diff. is 1**.

14:21 When they all stand before **Allah**, the followers will say to the leaders, "We used to follow you. Can you spare us even a little bit of **Allah's** retribution?" They will say, "Had **Allah** guided us, we would have guided you. Now it is too late, whether we grieve or resort to patience, there is no exit for us."

14:22 And the devil will say, after the judgment had been issued, "**Allah** has promised you the truthful promise, and I promised you, but I broke my promise. I had no power over you; I simply invited you, and you accepted my invitation. Therefore, do not blame me, and blame only yourselves. My complaining cannot help you, nor can your complaining help me. I have disbelieved in your idolizing me. The transgressors have incurred a painful retribution."

Revealed: The **Aleefs of Absoluteness** are 27 and 30, **the diff. is 3**. (*The numbers 27 added up to 30 reveal the number **114** – for the total number of chapters of the Quran. Those who did not fully uphold the 114 chapters of the Quran will be considered to have followed the path of the devil.*)

Revealed: The **Allah letters** are 50 and 53 revealing **the diff. of 3**.

** The reason for the "**Revelation of 3**" through the **Aleefs and Allah letters** will be explained a little later on.

Revealed: Both Verses: The **Allah letters** are 50 + 53, the **sum is 103**.

Revealed: Both Verses: The GV of **Allah letters** are 567 and 670, the **diff. is 103**.

Praise be to Allah, these are unique proofs designed to identify **Iblees (103)** and his crime of arrogance and disobedience to the command of **Allah** for **prostration (103)** to **Adam**. The number **103** reflects two values – **Al-Sajdah (prostration)** and **Iblees – satan**.

The beginning of the invisible war between **Allah** and His enemy **Iblees** started when Iblees disobeyed the **command of Allah** to fall prostrate to Adam, while all other angels complied. His arrogance and disobedience immediately made him rival with **Allah and His Supreme Authority**, thereby constituting a **2nd god and authority**. Moreover, he even challenged that he will mislead and send astray all the humans except for the ones sincerely devoted to **Allah**.

This opposition by Iblees to **Allah and His religion of submission** started from the time of the **Heavenly Feud** and will continue till the **Last Day – the Day of Judgment**. On the Day of Judgment, as **Verse 14:22** informs us, Iblees and his followers will finally submit to **Allah**, as their freedom to speak will be renounced. They will then be powerless and will admit their crime and guilt of misleading the people to think that **Allah Alone** was not enough as a **Lord and Master**; and that he also had some power independent of **Allah**. For this fact, read the end part of **Verse 14:22** whereby Iblees confesses that he

has disbelieved in the people's idolization for him.

The **Verse 14:22** takes us back in time when the “*heavenly feud*” was initiated by **Iblees**, GV **103** by refusing to fall **prostrate** (GV **103**) upon the command of **Allah Ta'ala**. Therefore, the last day verse, **14:22** is marked and coded to connect it from the *First Day to the Last Day*. This reflects upon the “*invisible war*” that satan and his allies launched against **Allah** and His truthful allies by promoting falsehood and misleading the people.

The reason behind the “*Revelation of 3*” is that **Allah** has sent **3 messengers and messages** through the glorious Quran. Each time satan duped and misled the people to make them disbelieve in **Allah, His revelations, and His messengers**, except for the **FEW**. This fact of truth is stated by **Allah** through the hidden coding of a verse, which is 58:19, followed up by 58:20-21 to make them the Miracle of 3 verses. If you go through the verses on the system of satan in the Quran, you will find that the sets of verses are based on 3 verses to provide proof for 3 messages of the Quran.

In the end, satan, his allies, and followers will utter their defeat through a couple of words only, which are pre-recorded by **Allah Ta'ala** and will be programmed into the minds of all the disbelievers. This is proven through the last occurrence of the **66 numbered verse** which is in **chapter 56**. The number **66** represents the GV of **Allah, Most Glorified**. This is all that they will say:

56:66 “WE LOST.”

Revealed: The **Allah letters** are only **3**. On the Day of Judgment, the disbelievers will remember that they rejected the **3 messages of Allah**, which were sent down through the Quran in order to guide them, but they lost out on every opportunity and reminder. Therefore, their fate is sealed to be condemned to Hell.

Satan and his followers lost in the end, and will be the losers. *Who are the victors in the end?* The *victors and the winners* are also proven through the glorious Quran. Note the profound revelations through the intricate coding of **Allah (66)** and **His messenger (128)** – all Praise belongs to **Allah**.

56:66 “WE LOST.”

37:173 “OUR SOLDIERS (the angels and believers) ARE THE WINNERS.”

NOTE that the chapters 56 and 37 have a difference of **19 chapters**. Chapter 56 has the last occurrence of 66 (Allah) numbered verse, and chapter 37 has the last occurrences of verses under the messenger's names 128 and 178.

The Truthful and Eye-Opening Revelation that distinguishes the Losers and the Winners.

Inspirational Revelation: The GV of **Allah letters** are 32 and 98, **the precise diff. is 66**, Glory be to **Allah**, who is the **Most Powerful and Almighty**. He can and never will be defeated by satan and his allies.

Inspiration Revelation: The GV of **messenger's letters** are 216 and 344, **the diff. is 128**, Subhan Allah. The **Most Gracious** has proven that his soldiers – the angels, the human messengers, and the believers – will undoubtedly be the winners on the Day of Judgment, as per Verses 37:171, 172, 173. These verses and their awesome proofs have just been revealed while typing and create a clear link between the glorified name of **Allah 66 and His messenger 128**, who has been sent to deliver these ultimate

revelations before the *Day of Judgment*.

37:172 They are surely the victors.

37:173 Our soldiers are the winners.

Revealed: The **Aleefs of Absoluteness** are 2 and 3, **the diff. is 1**, Subhan Allah.

Revealed: The **Allah letters** are 6 and 7, **the diff. is 1**, Subhan Allah.

Revealed: The **messenger's letters** are 10 and 11, **the diff. is 1**, Alhumdo Lillah.

Note the absence of "*Revelation of 2*" through verses that address and refer to the messengers and the believers. They are solidly marked with the clear **Signature of Allah** through the "**Revelation of 1**," Praise and Glory be to **my Lord**.
