### **5. Fulfillment of Prophecy of Ahmad and some others**

*98:2 A messenger from Allah is reciting to them sacred instructions.*

*98:3 In them there are valuable teachings.*

*55:77 Which of your Lord's marvels can you deny?*

The messenger Makbool Husain started receiving revelations from the **Most Gracious** after returning back from Hajj pilgrimage in April 1997 and proclaimed to be a messenger from **Allah** on August 19, 1997, glory be to my Lord. The messenger remained unaware about the prophecy till he

was inspired much later on with the profound revelations through the letters of the **Allah**, Most Glorified.

The previous scriptures had the prophecy about Quran, the gentile prophet Muhammad, and the Prophecy of Ahmad, as well as most of what is stated in the Quran. The majority of people of the scripture disregarded it behind their backs and turned heedless. They disbelieved in their own scriptures, prophets and messengers, and the messages of **Allah**. They also failed to believe in subsequent scripture, messengers, revelations, and future prophecies. Here are some appropriate verses for such disbelievers.

**20:56** We showed him **ALL our proofs**, but he disbelieved and refused.

**Revealed:** The GV of **messenger's letters** is a **Perfect 306**, revealing the full name of messenger, Makbool Husain. **Allah** has shown **ALL the Proofs** through the messenger, but still most people refuse to accept them and choose to disbelieve.

**20:56** We showed him **ALL our proofs**.

**Revealed:** The GV of **Allah letters** is 74 and GV of **messenger's letters** is 286, revealing the diff. of **212**, proclaiming "*Rabbi – my Lord.*"

**Revealed:** The word "**ALL – Kullaha**" The GV of **Allah letters** is 36 and GV of **messenger's letters** is 30, **the sum is 66**. **Praise be to Allah** who has confirmed through the revelation of His glorified name that He has revealed **ALL the proofs**. (Refer to Verse 36:30 – proofs are given separately in this Sermon)

The 2 words in Arabic "*aayaatayna kullaha – all the proofs*" reveal the messenger's name.

**Revealed:** The GV of **Allah letters** is 38 and GV of **messenger's letters** is 90, **the sum is 128**. **Glory be to Allah**, who has revealed His name and His messenger's name through simple words, and detailing the meaning behind them. **128,66 = 14 x 919** – The sum of digits of the quotient 919 is **19**.

**7:52** We have given them a scripture that is fully detailed, with knowledge, guidance, and mercy.

**Revealed:** The **Allah letters** are **8** and **messenger's letters** are **17**, revealing the first name of the messenger, **Makbool 178**. The GV of **Allah letters** is **140**, which is **14 x 10**. The Miracle of Seven Pairs associated with the messenger has been revealed simultaneously, **Glory be to Allah**.

**7:52 Part:** For the people who believe.

**Revealed:** The **Allah letter** is only **1** and **messenger's letters** is **10**, revealing the **Absoluteness of Allah 110**. He is the **One** who is revealing the profound proofs and miracles through the messenger, as mercy for the people who believe in **Him** and **His Absolute Authority**.

The **3 important words** in the Verse are - ***knowledge, guidance, mercy***.

**Revealed:** The GV of **messenger's letters** in the **3 words** are: 70 + 10 + 48, **revealing the sum of 128** – the last name of **the messenger**, Subhan Allah. **Praise is to my Lord** who has blessed the messenger with knowledge, guidance and mercy. This also constitutes the **Miracle of 3**.

**7:53 Part:** Are they waiting until all (prophecies) are fulfilled?

**Revealed:** The **Allah letters** are 8 and **messenger's letters** are 9, **revealing the diff. of 1**.

**Revealed:** The GV of **Allah letters is 103** revealing the word “*Al-Sajdah* – **Prostration**.” The word through its extended meaning and in context of Quran implies **submission**. Therefore, the meaning through the revealed proof explains that the disbelievers keep on waiting till the prophecy comes to pass; then they will lose the opportunity to believe, submit, and prostrate to their Lord. They will be totally remorseful on the Day of Judgment and will wish that they got another chance to submit.

**Revealed:** The GV of **messenger's letters** is **222** proclaiming “*Rabbayka* - **your Lord**.” The proofs of 103 and 222 reveal the message for the doubtful and disbelieving people who have to submit by accepting and believing in the truth revealed from **their Lord** now, and not later on.

**7:53 Part:** The day such fulfillment comes to pass, those who disregarded it in the past will say, “The messengers of our Lord have brought the truth.” Are there any intercessors to intercede on our behalf? Would you send us back, so that we change our behavior, and do better works than what we did?” They have lost their souls, and their own innovations have caused their doom.

**Revealed:** The GV of **Allah letters** is a **Perfect 433**, revealing the sacred words, “**Lord of the Universe**.” The details in the verse along with the Supreme Proof from the **Lord of the Universe** is a dire warning to the disbelievers who will utter the words out of remorse saying, “The messengers of our Lord did bring the truth” and will be looking for intercessors in vain. They will also be pleading to Allah to send them back promising to change their behavior and do better works that what they did before. This will never happen, there is no more 2<sup>nd</sup> chance and they were given enough reminders during their lives on earth.

**7:53 Part:** Are they waiting until all (prophecies) are fulfilled?

**7:53 Part:** The day such fulfillment comes to pass.

**Revealed:** The **messenger's letters** are 9 and 8, **revealing the diff. of 1**. **Allah** has clarified that those who do not believe in His prophecies, it will not help them to believe when they come to pass.

**7:53 Part:** Those who disregarded it in the past will say, “The messengers of our Lord did bring the truth.”

**Revealed:** The **Allah letters** are 10 and **messenger's letters** are 24, **revealing the diff. of 14**.

**7:53 Part:** Are there any intercessors to intercede on our behalf?

**Revealed:** The **Allah letters** are 8 and **messenger's letters** are 9, **revealing the diff. of 1**.

**Revealed:** The GV of **messenger's letters** is **296** proclaiming the “*Rasool* – **Messenger**.” The disbelievers rejected the truth brought by the messengers and they will be looking for intercessors to intercede on their behalf on the Day of Judgment, but they will find no help or support.

**7:53 Part:** Would you send us back, so that we change our behavior, and do better works than what we did?" They have lost their souls, and their own innovations have caused their doom.

**Revealed:** The **Allah letters** are **14** and **messenger's letters** are **28**, revealing the diff. of 14.

**Praise be to Allah** who has sent a profound warner to deliver the proven message, and those who rejected the messenger will be full of remorse on the **Day of Judgment**.

**\*\* The Disbelievers Challenge the Messenger:**

**34:29** They challenge, "When will this promise come to pass, if you are truthful?"

**34:30** Say, "You have a specific time, on a specific day, that you cannot delay by one hour, nor advance it."

**Revealed:** The GV of **Allah letters** each verse is 68 and 134, revealing the diff. of 66 proclaiming the glorified name of **Allah**, while the sum for both is **202** proclaiming the name of **Lord**.

*The specific time on a specific day is marked with the messenger's name and the revelation of 1.*

**34:30** Say, "You have a specific time, on a specific day, that you cannot delay by one hour, nor advance it."

**Revealed:** The GV of **Allah letters** is 134 and of the **messenger** is 854; the sum is **988** which is **19** x 52.

**Revealed:** The sum of the digits of 134 is **8**. The sum of the digits of 854 is **17**. This is the revelation of the first name of the **messenger**, **178** for **Makbool**.

**34:30** Say, "You have a specific time, on a specific day."

**Revealed:** The GV of **messenger's letters** is **306**. The specific time and day for retribution chosen by **the Almighty, the Avenger**, is tied to the message and revelations granted to the messenger.

**Part:** That you cannot delay by one hour.

**Part:** Nor advance it.

**Revealed:** The **messenger's letters** are 6 and 7, revealing the diff. of 1, Subhan Allah.

**\* Allah's Response to the disbelievers regarding the Fulfillment of Prophecies:**

**6:67 Part 1:** Every prophecy herein will come to pass.

**Part 2:** And you will surely find out.

**Revealed:** The sum of digits of chapter and verse number is  $6+6+7 = 19$ .

**Revealed:** The **messenger's letters** are perfectly **7** and **7** in each part for a total of **14**. The **Sacred Codes of 19 and 14** have been revealed through the verse to put the disbelievers on notice and to augment the belief of the believers.

**Revealed:** The GV of **messenger's letters** is 312 and 198, revealing the diff. of 114. This is the 'proven response' from **Allah** to the disbelievers that every prophecy stated in **Quran's 114 chapters** will come to pass at a specified time of His choosing. The Verse is hereby confirmed by

**Seven Pairs Miracle** revealed through **messenger's letters**, Subhan Allah.

**Revealed:** The **Allah letters** in each part is 3 and 1, revealing the diff. of 2 gods as proof for idol worshipers and disbelievers who question and challenge **Allah's messenger** about the prophecy and when it will come to pass?

**Revealed:** The split of GV of **Allah letters** in each part is (**Part 1**-laam, laam, aleef and **Part 2**-laam). By writing the GV of each letter for each part and adding the GV of both parts, we get:

**30,30,1 + 30**, the sum is **30331** which is  $7 \times 7 \times 619$ . This is the profound miracle of **Seven Pairs**, and reveals **Verses 6:19 and 61:9**. Read the 2 verses revealed through the proof immediately, to enhance and augment your knowledge. The miracles and proofs enshrined for both verses have been narrated separately in this Sermon for the believers.

**22:47 Part 1:** They challenge you to bring retribution,  
**Part 2:** And **Allah** never fails to fulfill His prophecy.  
**Part 3:** A day of your Lord is like a thousand of your years.

**Revealed:** For **Parts 1 and 2**, the **Aleefs** are 3 and for **Part 3**, the **Aleefs** are 4, revealing the diff. of 1. The **total Aleefs** in the Verse are 7, revealing the Miracle of 7.

**Revealed: Parts 1-2:** The **messenger's letters** are 9 and 8, revealing the diff. of 1.

**Part 2:** And **Allah** never fails to fulfill His prophecy.

**Revealed:** The **Allah letters** are 7 and **messenger's letters** are 8, revealing the diff. of 1. The solid and clear proof of 1 informs the people that **Allah** always fulfills the prophecies narrated in the Quran at the specific time.

**Part 3:** A day of your Lord is like a thousand of your years.

**Revealed:** The **messenger's letters** are 14, and **Arabic Letters** are 28, revealing and confirming through the **Miracle of Seven Pairs** that indeed a **thousand years** on earth is equivalent to 1 day for our Lord. **Praise be to Him**.

The Quran's **Verse 61:6** narrates the "**Prophecy of Ahmad**" that was uttered by Jesus to the Children of Israel centuries ago. It is mentioned in the Torah, the Gospel, and the Quran. The Children of Israel as well as followers of subsequent scriptures knew all along about this profound prophecy. **Allah** is the One who inspired **Jesus** to proclaim the prophecy, just like He inspired him

to recite the Torah and the Injeel (Bible).

The Scriptures granted to the Children of Israel had the prophecies for the future, just like Quran has them. They were informed of another scripture to come in the future, as well as the gentile prophet. Their scriptures also contained the prophecy of another messenger to come after Jesus, whose metaphorical name will be “**Ahmad.**”

The Torah and Gospel were revealed to the Children of Israel and many prophets and messengers were sent to them with exceptional and profound miracles granted as **Signs** from the **Lord of the Universe**. Despite the immense blessings of **Allah** on them, the majority still disbelieved. The few who believed did not believe in subsequent revelations of **Allah** and their belief was conditional. There were a very small number of believers at any given time that were forgiven and redeemed by **Allah**.

All the past scriptures had the **Signature of Allah** through the mathematical sacred codes, though they were not revealed to the messengers. The coding of the scriptures serves as **the Stamp and Signature of Allah**. Anyone who alters the words and verses of the Scripture is guilty of gross distortion and idolatry. As the previous scriptures have been distorted by the followers, they do not represent the **Truth** anymore and do not have the uniform and consistent mathematical pattern that was designed and embedded by **Allah** in the contents of those scriptures.

**3:3** He sent down to you this scripture, truthfully, confirming all previous scriptures, and He sent down the Torah and the Gospel.

**Revealed:** The **Allah letters** are **19**, proving that **Allah** sent down the Quran as well as the Torah and the Gospel.

**3:3-4 Parts:** And He sent down the Torah and the Gospel before that, to guide the people.

**Revealed:** The **Allah letters** are **14**, revealing the composition of the previous scriptures under the **Sacred Codes of 19-14**.

**3:48** He (Allah) will teach him (Jesus) the scripture, wisdom, the Torah, and the Gospel.

**Revealed:** The **Allah letters** are **14**. **Allah** is the One who revealed the scriptures and He is the only One who teaches the messengers about His Scriptures.

**2:89** When this scripture came to them from **Allah**, and even though it agrees with, and confirms what they have, and *even though they used to prophesy its advent* when they talked with the disbelievers, *when their own prophecy came to pass*, they disbelieved therein. **Allah's** condemnation thus afflicts the disbelievers.

**2:90** Miserable indeed is what they sold their souls for - rejecting these revelations of **Allah** out of sheer resentment that **Allah** should bestow His grace upon whomever He chooses from among His servants. Consequently, they incurred wrath upon wrath. The disbelievers have incurred a humiliating retribution.

Note that each verse has **2 counts of Allah** to reflect on the disbelief and rejection by the people of the past scriptures as well as the followers of the Quran in the messages, prophecies, miracles, and proofs of the Quran.

**Revealed:** The **Aleefs of Absoluteness** are 15 and 16, **revealing the diff. of 1.**

**Revealed:** The **Allah letters** are 35 and 34, **revealing the diff. of 1.**

**Revealed:** The **messenger's letters** are 51 and 52, **revealing the diff. of 1.**

**Verses 2:89-90** are detailed and reveal proofs through **Allah's letters, His Absoluteness of Aleef, and messenger's letters**. The verses explain that the Quran as well as the gentile prophet was prophesied in the Torah and Injeel – the people of the scriptures used to prophesy its advent as they knew about the prophesy mentioned in their scriptures, but when **Allah** finally sent it down and revealed it to the gentile prophet, Muhammad, they disbelieved in him and the scripture, simply out of sheer resentment and jealousy that **Allah** had bestowed His grace upon a servant that He had chosen.

The **messenger's letters** are precisely counted in the 2 verses to **reveal the diff. of 1**. This proves that the messenger was already envisioned and pre-decreed by the **Lord of the Universe** as the future messenger to fulfill the **“Prophecy of Ahmad.”**

**2:91 Part:** When they are told, “You shall believe in these revelations of **Allah.**”

**Revealed:** The **Allah letters** are 14 and **messenger's letters** are 15, **revealing the diff. of 1.**

**2:91 Part:** They say, "We believe only in what was sent down to us." Thus, they disbelieve in subsequent revelations, even if it is the truth from their Lord, and even though it confirms what they have!

**Revealed:** The **Allah letters** are 18 and **messenger's letters** are 32, **revealing the diff. of 14.**

**2:91 Part:** Say, “Why then did you kill **Allah's** prophets.”

**Part:** If you were believers?

**Revealed:** The **Arabic Letters** are 26 and 12 in each part, **revealing the diff. of 14.** The revelation of **1** and **14** marked through **Allah and His messenger's letters** are “*new revelations.*” It is not surprising that the overwhelming majority of people of the scriptures have disbelieved in these distinct, unique, identifying, and customized revelations that have been revealed to the messenger by **the Lord of the Universe.**

**7:157 Part:** Follow the messenger, **the gentile prophet (Muhammad)**, whom they find written in their **Torah and Gospel.**

**Revealed:** The **Allah letters** are 22 and **messenger's letters** are 36, **revealing the diff. of 14.**

**The Coded Scriptures:** “*Al-Taurat* – the Torah” and “*Al-Injeel* – the Gospel.”

**Revealed:** **Allah letters** in both words is 3 and 4, **revealing diff. of 1**, total **Allah letters** are **7.**

**Revealed:** The **messenger's letters** in both words is 7, revealing that the previous scriptures were also composed on the **Miracle of Seven Pairs**. It is also revealed that the gentile prophet (Muhammad), as well as messenger Ahmad to fulfill the Prophecy was also mentioned in previous scriptures.

**Revealed:** The GV of **Allah letters** in both words is **98** – this is the **Proof** that both scriptures were mathematically composed – the number 98 is 7 x 14. The GV of **messenger's letters** is 162 for Submission. The only religion of **Allah** mentioned and advocated in His scriptures is “submission.”

**26:196** It has been prophesied in the books of previous generations.

**Revealed:** The **Allah letters** are 7 proving that the prophesies in the Quran were also prophesied in the books of previous generations.

**26:197 Part 1:** Is it not a sufficient sign for them?

**Part 2:** That it was *known to the scholars* among the Children of Israel?

**Revealed:** The **Allah letters** in each part are 6 and 7, **revealing the diff. of 1**.

**Revealed:** The **Aleefs of Absoluteness** are 2 and 3, **revealing the diff. of 1**.

The digits of chapter number is  $2+6 = 8$ , the digits of verse number is  $1+9+7 = 17$ , the pattern reveals the **messenger's name 178** who was prophesied under a coded name and it was known to the righteous scholars and rabbis among the Children of Israel regarding the Prophecy on messenger Ahmad who was to come later on.

In **Verse 26:197**, the words “known – *yahlamaho*” and “the scholars – *ulamaoo*.”

**Revealed:** The GV of **Allah letters** in each word is 35 and 31, **revealing the sum of 66**, and the pattern of 31-35 when added from 31 up to 35 reveals the sum of 165, Subhan Allah.

In each of the words, the **Allah letters** is 2 and **messenger's letters** is 3, **revealing the diff. of 1**.

**Revealed:** The GV of **Allah letters** in both words is 66, and GV of **messenger's letters** is 156, revealing the sum of 222 for “**your Lord – Rabbayka**” Subhan Allah

**17:107** Proclaim, “Believe in it, or do not believe in it.”

**Revealed:** The **Allah letters** are 8 and **messenger's letters** are 12, revealing the name of the **messenger Husain, 128**. It is up to the followers of the Quran to decide after seeing the clear revelations of **Allah**, to believe in the messenger or not to believe. Similarly, the followers of other scriptures and teachings are given the freedom to decide for themselves, as there is no compulsion in religion.

**Part:** Those who possess knowledge from the previous scriptures.

**Revealed:** The **messenger's letters** are 14.

**Part:** When it is recited to them, they fall down to their chins, prostrating.

**Revealed:** The **messenger's letters** are **14**. Those who possess knowledge from the previous scriptures know that **Allah** sends messengers and revelations through anyone He wills and whenever He wills. The **messenger's name** and the **Sign of Seven Pairs** have been clearly revealed to guide the people to the Truth so that they can make the right decision.

**17:107 Part:** They fall down to their chins, prostrating.

**17:109 Part:** They fall down on their chins, prostrating and weeping.

**Revealed:** The **Allah letters** are 5 and 4, **revealing the diff. of 1**.

**Revealed:** The **messenger's letters** in each part are **8** and **12**, revealing the name of the messenger **Husain, 128**. The phenomenal miracles revealed to the messenger would make the truthful submitters to fall prostrate before **Allah** with tears in their eyes out of reverence for **Him**, after seeing the profound miracles revealed to the messenger.

**Revealed:** GV of **messenger's letters** are 336 and 350, **revealing the diff. of 14**. The Seven Pairs Miracle describes the state of the reverent believers who fall down on their chins to glorify **Allah**.

**17:108** They say, "Glory be to our Lord. This fulfills our Lord's prophecy."

**Revealed:** The **Allah letters** are 8 and **messenger's letters** are 22, **revealing the diff. of 14**.

**Revealed:** The GV of **Allah letters** is 95 – a multiple of **19**. The GV of **messenger's letters** is 644 – a multiple of **14**. The **Proofs of 19-14** confirm the fulfillment of the "**Prophecy of Ahmad**"

**17:108 Part:** (The reverent believers say) This fulfills our Lord's prophecy.

**Revealed:** The **Arabic Letters** are **19** and **Quran's Initials** are **14**, revealing the fulfillment of the Prophecy through the Miracles of 19 and 14 revealed to messenger coded as **Ahmad**.

**17:108** They say, "Glory be to our Lord. This fulfills our Lord's prophecy."

**17:109** They fall down on their chins, prostrating and weeping, for it augments their reverence.

**Revealed: Both Verses:** The **Allah letters** are 8 and 6, **the sum is 14**. As the great Prophecy has been fulfilled, the believers should fall prostrate to glorify and praise **their Lord** whose promises are absolutely truthful. The act of submission and appreciation by falling prostrate will augment your reverence for **Allah, Most Glorified**.

**17:109 Part:** For it augments their **reverence**.

**Revealed:** The GV of **Allah letters** is 6 and GV of **messenger's letters** is 72, **revealing the diff. of 66, Praise be to Allah**. The word of "*reverence*" is used only for **Allah** and has a vast meaning, as pointed out in **Verse 5:44** with the proofs.

**6:66 Part 1:** Your people have rejected this, even though it is the truth.

**Part 2:** Say, "I am not a guardian over you."

**Revealed: Each Part**, the messenger's letters are 11 and Allah's letters are 4, the pattern reveals the number 114, which is the Quran's total number of chapters, Subhan Allah.

**Revealed:** The Allah letters are 4 and 4 and messenger's letters are 11 and 11 - **Perfectly Matched.**

**Revealed:** The total Allah letters are 8 and messenger's letters are 22, **revealing the diff. of 14.**

**6:66 Part 1:** Your people have rejected this (the inspired revelations to the messenger), even though it is the truth.

**6:66 Part 2:** Say, "I am not a guardian over you."

**Revealed: Part 1:** The GV of messenger's letters is a **Perfect 306**, revealing the full name of the messenger, **Makbool Husain.**

The incontestable proof of **306** inscribed in the verse as "**the Truth**" changes the meaning of the verse. The proof for the messenger is the matching revelations of **Allah and His messenger**, as well as the **Miracle of Seven Pairs - 14**. Also, the subsequent **verse 6:67** is marked and stamped with **14 letters** of the messenger.

**5:44 Part:** Therefore, do not reverence human beings; you shall reverence Me instead.

**Revealed:** The Allah letters is 7 and Arabic Letters is 19, **revealing the proofs of 7 and 19.**

**Revealed:** The GV of Allah letters is 65 proclaiming the word "**Lillah.**"

**5:44 Part:** Therefore, do not reverence human beings.

**Part:** You shall reverence Me instead.

**Revealed:** The GV of messenger's letters in each part are 176 and 62, **revealing the diff. of 114.** Those who uphold the entire Quran and regard all the verses of **114** chapters ***will never reverence anyone else except their Lord and Creator.***

**Revealed:** The Arabic Letters in each part are 13 and 6, **revealing the diff. of 7.**

The fulfillment of "**Prophecy of Ahmad**" is accompanied and supported by incomprehensible and incontrovertible proofs and miracles revealed to the messenger. This message, miracles, revelations, and proofs will serve as the "**ultimate**" in Miracles.

**61:6** Recall that Jesus, son of Mary, said, "O Children of Israel, I am Allah's messenger to you, confirming the previous scripture – the Torah, and bringing good news of a messenger to come after me whose name will be even more praised (Ahmad)." Then, when he showed them the clear proofs,

they said, “This is profound magic.”

From **Verse 61:1 to 61:6** (6 verses), the count of **Allah’s letters is precisely 128**. This is the verse on “**Prophecy of Ahmad.**” From **Verse 61:7 to 61:13** (7 verses) that says: “Additionally, you get something you truly love: support from **Allah** and guaranteed victory. Give good news to the believers.” - the count of **Allah’s letters is 129, revealing the diff. of 1 between 128 and 129 letters of Allah. From 61:6 to 61:13, the count of messenger’s letters is 297**, revealing “*Rasoola – a messenger.*” From **Verses 61:7 to 61:13**, the count of **messenger’s letters is Perfectly 222** proclaiming “*Rabbayka – your Lord.*” These complementing miracles of 128, 297 and 222 reveal the ultimate message through messenger “*Ahmad*” which is for the reverent submitters who believe in the entire Quran, as well as the messenger mentioned through the Prophecy of Ahmad, and the proofs and revelations of the **Most Praiseworthy Allah**.

There are 60 chapters before chapter 61. The numbers 6061 is a multiple of 19. Therefore,  $6061 = 19 \times 319$ .

There are 53 chapters after chapter 61. The numbers 6153 is multiple of 7. Therefore,  $6153 = 7 \times 879$ .

The quotients of 319 and 879 open up **Verses 3:19** and **87:9** as a “**new revelation.**”

The new revelation of numbers 319 and 879 are **multiples of 7** when concatenated with each other - -----  $319,879 = 7 \times 45697$ . In reverse,  $879,319 = 7 \times 125617$ .

**3:19** The only religion approved by **Allah** is “**Submission.**” Ironically, those who have received the scripture are the ones who dispute this fact, despite the knowledge they have received, due to jealousy. For such rejectors of **Allah’s** revelations, **Allah** is most strict in reckoning.

**87:9** Therefore, you shall remind; perhaps the reminder will benefit.

**Revealed:** The GV of **Allah letters** is  $528 + 32 = 560 = 14 \times 40$

**Revealed:** The GV of **messenger’s letters** is  $1494 + 140 = 1634 = 19 \times 86$

You have just witnessed new revelations springing out of the coding of chapter **numbered 61** narrating “**Prophecy of Ahmad**” which is “**wrapped around**” with 60 chapters before it and 53 after it, revealing the **Sacred Codes of 19 and 7**. Similarly, the numbers after being divisible revealed the quotients under precise numbers, which then again reveal profound verses regarding the only religion being **Islam – Submission**, and the messenger asked to **remind** the people, hoping that the **reminder** may benefit the people. These new numbers again revealed *the Sacred Codes of 14 and 19 through Allah and His messenger’s letters*. Subhan Allah.

**Messenger’s name** is inscribed and interwoven in the **6 verses** from **61:1 to 61:6** to reveal messenger “**Ahmad**” through the **sacred letters** of **Allah Subhanahoo**.

**61:1-6** The **Allah letters** in each verse are:  $15+13+12+13+38+37$ , the sum is **Perfectly 128**. The name of the messenger revealed here is **Husain 128**, to fulfill the “**Prophecy of Ahmad.**” **Praise be to Allah**. The messenger’s name has been coded all along since the time of original revelation of Quran to prophet Muhammad, but the past messenger’s remained unaware and did not claim to be messenger “**Ahmad**” as they were not inspired regarding this prophecy.

**Revealed:** The messenger's letters in Verses 61:1 to 61:6 are 224, which is a multiple of 14. The Allah letters are 128 + messenger's letters 224 reveal the sum of 352 – the proven Quran that is encoded and inscribed with **Allah and His messenger's letters** to reveal the fulfillment of **Prophecy of Ahmad**, as well as many other prominent revelations of the Quran. **Praise be to Allah.**

The chapter and Verse number assigned to the **Prophecy of Ahmad is 61:6**. The numbers are a multiple of 14. ( $616 = 14 \times 44$ ) The number 14 and the quotient of 44, when placed together are a multiple of 19 also. ( $1444 = 19 \times 19 \times 4$ )

**61:6** Recall that Jesus, son of Mary, said, "O Children of Israel, I am **Allah's** messenger to you, confirming the previous scripture – the Torah, and bringing good news of a messenger to come after me whose name will be even more praised (Ahmad). Then, when he showed them the **clear proofs**.

**Revealed:** The messenger's letters up to "clear proofs" is precisely 66, and Arabic Letters is 110, revealing the stamp of **Allah's Absoluteness** on letters of the messenger and the Arabic script, thus proving the fulfillment of "**Prophecy of Ahmad**" through the clear proofs revealed to him.

**61:6 Part:** They said, "This is profound magic."

**Revealed:** There are **9 letters** in messenger's name. This part of the Verse has all the **9 letters** of messenger's name to reveal the **Perfect Proof of 306**. The **Perfect and Precise Coding of Allah Ta'ala** to reveal the stamps of **66 and 306** boggles the disbelievers minds and they end up calling these revelations, "*profound magic*." They thus disbelieve in the revelations of **Allah** and disbelieve in **His messenger**.

**61:6 Part:** I am **Allah's** messenger to you, confirming the Torah and bringing good news of a messenger to come after me.

**Revealed:** The Allah letters are 17 and the Alefs are 8 revealing the name **Makbool 178** through the special, complex pattern, and combination of Allah letters with the Alefs.

**61:6 Part:** (Jesus said) I am **Allah's** messenger to you, confirming the previous scripture – the Torah.

**Part:** And bringing good news of a messenger to come after me whose name will be even more praised (Ahmad)." Then, when he showed them the clear proofs, they said, "This is profound magic."

**Revealed:** The GV of messenger's letters is 714 and 926, **the diff. is 212**, proclaiming "**Rabbi – my Lord**." The **Miracle of Seven Pairs, 714**, confirms that **the Torah** was also coded with secret miracles and numbers.

**61:6 Part:** And bringing good news of a messenger to come after me whose name will be even more praised (Ahmad).

**Part:** Then, when he showed them the clear proofs.

**Revealed:** The **messenger's letters as proofs** inscribed in these parts are 17 and 8, to reveal the name of coded messenger "**Ahmed**" who is Makbool 178.

**Revealed:** The GV of **messenger's letters** in each part are 416 and 204, the diff. is 212 for "**Rabbi – my Lord.**"

**61:6 Part:** Whose (*coded*) name will be **Ahmed**. Then when he showed them the clear proofs, they said, "This is profound magic."

**Revealed:** The **Allah letters** are precisely 14 revealing the Sign of Seven Pairs -14, for the coded messenger, **Ahmed**, whose real name is **Makbool Husain**. The Sign introduces and identifies the "**messenger of seven pairs.**"

**61:6 Part:** (*Jesus said*) I am **Allah's** messenger to you, confirming the previous scripture – the Torah.

**Revealed:** The **Allah letters** are 14, proving the proclamation made by Jesus to confirm the previous scripture – the **Torah**.

**Revealed:** The GV of **Allah letters** is  $196 = 14 \times 14$ . The GV of **messenger's letters** is  $714 = 14 \times 51$ . This is the revelation of the 2<sup>nd</sup> sacred code of Seven Pairs as given in **Verse 15:87**. The sum of GV of **Allah 196** and **His messenger 714** is precisely 910, revealing the 1<sup>st</sup> sacred code of "*tis'aa usher – nine-ten*" as given in **Verse 74:30**

Whatever Jesus was inspired to utter through the Injeel (Bible) to confirm the Torah was revealed by the **Most Gracious** to confirm the future messenger. The words uttered by him proclaiming that he was **Allah's messenger**, apply to the current messenger just the same way, with customized proofs for messenger "**Ahmad.**"

**61:6 Part:** (*Proclamation by Jesus and now by messenger "Ahmad"*) "I am **Allah's** messenger to you."

**Revealed:** The GV of **Allah letters** is **128** and GV of **messenger's letters** is **296**, Subhan Allah. This is the confirmation that **Husain (128) is a truthful messenger (296) of Allah** and the proclamation made by **Jesus** centuries ago was truly inspired to utter the precise chosen words in the scripture, thus providing proofs for the **future messenger "Ahmad."**

**61:6 Part:** Recall that Jesus, son of Mary, said, "O Children of Israel, I am **Allah's** messenger to you."

**Revealed:** The **Aleefs of Absoluteness** is perfectly 7 – revealing the Miracle of Seven.

**61:6 Part:** Recall that Jesus, son of Mary, said, "O Children of Israel, I am **Allah's** messenger to you, confirming the previous scripture – the Torah and bringing good news of a messenger to come

after me whose name will be even more praised (Ahmad).”

**Revealed:** The Aleefs of Absoluteness are Perfectly 14 up to “Ahmad” confirming that **Makbool Husain** is the messenger who has been revealed the **Sign of Seven Pairs (14)** as fulfillment of the **Prophecy of Ahmad**.

**Part:** Then, when he showed them the clear proofs.

**Part:** They said, “This is profound magic.”

**Revealed:** The Allah letters are 6 and 5, revealing the diff. of 1

**Revealed:** The messenger’s letters are 8 and 9, revealing the diff. of 1

**Chapter 61** is the only chapter that has 14 verses in the Quran. This in itself is the **Miracle of Seven Pairs**. Chapter 61 + 14 verses = 75. It immediately leads to Chapter “**Resurrection**” which is the **Day of Judgment**. This proves that this message is the “*ultimate miracle and message.*” The messenger’s name letters are also inscribed in the **Day of Judgment** verses.

The messengers and the believers respond to **Allah** for the blessings bestowed upon them by saying “*Praise be to Allah 148.*” The message sent through messenger Makbool Husain under the coded messenger “*named Ahmad*” bears the GV of his letters as 148 proclaiming: “*Praise be to Allah.*”

In **Verse 61:6**, Jesus is quoted as saying:

“O Children of Israel, I am **Allah’s messenger** to you, confirming the previous scripture, the **Torah** and bringing good news of a **messenger** to come after me whose “*name – asmaho*” (Ahmad - will be even more praised)

**Revealed:** Up to the word “*name – Asmaho*” and just before “Ahmad” the **Allah letters** are 21 and **messenger’s letters** are 45, revealing the sum of 66, Subhan Allah. The **Stamp of 66** teaches the believers that the metaphorical name of *Ahmad* is coded and is not the real name of the messenger, though the meaning is truthful as translated by the past messenger, Rashad Khalifa. The coded messenger “**Ahmad**” will bring the **Most Praised message of Allah** and coded Revelations from Him to establish the Truth of His Words and to counter and nullify the disbelievers teachings and practices.

**61:6 Part:** (Jesus said): I am **Allah’s messenger** to you, confirming the previous scripture, the Torah and bringing good news of a **messenger**.

regarding the messenger to come after him has been fulfilled through **Makbool Husain**, who has been revealed *the Sign of Seven Pairs through 14 letters of Allah that mark and stamp the words.*

**61:6 Part:** To come after me whose name will be even more praised (Ahmad)." Then, when he showed them the clear proofs, they said, "This is profound magic."

**Revealed:** The GV of **Allah letters** is **114**. The messenger (Ahmad) has been revealed and granted access to the entire **Quran** composed of **114 chapters**.

**61:6 Part:** Will be even more praised (Ahmad). Then, when he showed them the clear proofs, they said, 'This is profound magic.'

**Revealed:** From "Ahmad" to the end of the verse, the **messenger's letters** are **19**.

**Revealed: Both Parts:** The GV of **Allah letters** is 106 and GV of **messenger's letters** is 510, revealing the **sum of 616** – bringing back the same **verse 61:6** through which Allah is revealing the various astounding miracles and proofs to the messenger, Subhan Allah.

Prophet Muhammad never claimed to be messenger 'Ahmad' as there is no mention or evidence from the Quran that he did, nor did messenger Rashad Khalifa make any claim in regards to this, except that he was inspired to the correct translation of the metaphorical words, '**Asmaho Ahmad.**' The messengers will never fabricate a lie to present themselves to be what they are not, and they have to be inspired for proclaiming if they are. The messengers are honorable servants of **Allah**, and they never utter falsehood or a lie as they are guided and strictly controlled by Him. I will recite some revelations to let the people know that whatever this messenger recites is the proven truth from **Allah**. The proclamation that he is the fulfillment of the **Prophecy of Ahmad** is the truth that is supported and confirmed by **Allah, Most Sacred**.

**21:26 Part:** Glory be to Him. All (messengers) are (His) honored servants.

**21:27** They never speak on their own, and they strictly follow His commands.

**Revealed:** The **Allah letters** are 13 and **messenger's letters** are 32, revealing the diff. of **19**.

**21:26 Part:** All (messengers) are (His) honored servants.

**21:27 Part:** They never speak on their own.

**Revealed:** The GV of **Allah letters** is **128**, revealing the name of the messenger, who clarifies and explains the verses of the Quran with proofs. The revelation of the **messenger's name** through the **sacred letters of Allah** is proof that the messenger has been inspired to proclaim that he is the fulfillment of "**Prophecy of Ahmad**" Subhan Allah.

**Revealed:** The **messenger's letters** are **19** in both parts, **Allah be Praised**.

**Revealed:** The **messenger's name initials** are **12** and **Allah letters** are **8**, revealing the messenger's name **128** through the sacred pattern and mix of letters.

**21:27 Part:** And they strictly follow His commands.

**Revealed:** The GV of **messenger's letters** is  $224 = 14 \times 16$ .

**Revealed:** The GV of **Allah letters** for the previous parts was **128** and GV of **messenger's letters** in this part is **224**, the sum of both is **352**, revealing the "**Quran.**" These are proofs that what the messenger writes is inspired to him from the Quran by **Allah, Most High.**

**21:26 Part:** All (messengers) are (His) honored servants.

**21:27** They never speak on their own, and they strictly follow His commands.

**Revealed:** The **messenger's letters** are **7** and **21** in each part, **revealing the diff. of 14.** This is another proof that the messengers are inspired and do not speak on their own. It is confirmed by the **Miracle of Seven Pairs** revealed through **messenger's letters.**

**Messenger Makbool Husain** did not claim to be "**Ahmad**" for many years after receiving the revelations from **his Lord**, as he had not been inspired and revealed regarding the prophecy. It is only later on when the clear signs came to him from **his Lord** with incontrovertible proofs that he was inspired to proclaim that he is the messenger called "**Ahmad**" as fulfillment of the **Prophecy.** The Prophecy is accompanied with the most profound Signs and Revelations, and the Quran has been revealed again in a proven form through the messenger, Subhan Allah.

The coming of messenger "**Ahmad**" and the fulfillment of the "**Prophecy,**" are supported by profound miracles, marvels, and proofs that have never been revealed before. The revelation of the glorified name of **Allah (66)** and **His Absolute Authority (165)** as well the secret and sacred codes of **14-19** through Verses 15:87, 74:30, and 89:3, with a host of other profound miracles, are the greatest from **my Lord**, who has been **Most Kind** in revealing everything that had to be revealed. The Quran is not only a Scripture to be recited and followed; it is now a "**proven scripture, Verse 6:157**" that has to be upheld and followed by all the people on earth. The purpose and wisdom behind the "**proven scripture and revelations**" is that it will grant the people the true meaning and interpretation of **Allah's verses and words**, that will be consistent, and conform to the truth from **Him.** The reason and purpose behind revealing the "**proven revelations**" is twofold.

(1) They will readily expose the distorters, fabricators, disbelievers, and the idol worshipers, as well as the ones who twist the words of **Allah** to come up with a certain meaning.

(2) They will increase the faith of the faithful, remove all doubts of the believers, and grant them Absolute certainty in the words of **Allah**, as well as provide assurance of forgiveness and redemption in the Hereafter. The revealed guidance through the messenger is offered consistently through his emails that are sent to the believers as well as through the Sermons posted on the website.

They are on **Allah's marvels and proofs** that are part of the **Signs and Miracles** for the messenger sent to fulfill the "**Prophecy of Ahmad.**"

The translated meaning of **Verse 61:6** through the words and utterance of Jesus, son of Mary was that: *a messenger will come after him whose name (Ahmad) will be even more praised (than his).*

The following are the *3 different kinds of miracles* and proofs associated with the **Prophecy of Ahmad**.

**Allah's Proofs:**

**40:81** He thus shows you His proofs. Which of **Allah's** proofs can you deny?

**Revealed:** The **Allah letters** are **8** and **messenger's letters** are **12**, revealing the name of the **messenger 128 for Husain**. This is the proof revealing the name of the messenger through the special pattern that **Allah** has inscribed in the Quran in many verses. They are undeniable and incontrovertible and none other than Allah can reveal such clear markings in the verses. No matter what **Allah** reveals, the disbelievers may still reject the **Signs from Allah**.

**40:81 Part:** Which of **Allah's** proofs can you deny?

**Allah's Proof:** The **Allah letters** are 6 and **messenger's letters** are 7, revealing the diff. of 1.

**53:55** Which of your Lord's marvels can you deny?

**Lord's Marvel:** The **Allah letters** are 5 and **messenger's letters** are 6, revealing the diff. of 1.

**55:77** Which of your Lord's marvels can you deny?

**Lord's Marvel:** The **Allah letters** are 6 and **messenger's letters** are 7, revealing the diff. of 1. Praise be to my Lord for the consistency of the proofs and marvels in the 3 occurrences that project the **Absolute Wisdom of Allah** in revealing the Truth without forgetting anything. Subhan Allah.

The **Allah letters and messenger's letters** reveal the diff. of 1 even if we write the pattern individually for each name for all 3 occurrences, like **Allah's letters** as 6-5-6 and **messenger's letters** 7-6-7. The difference in the digits of the numbers is absolutely 1, **Glory be to my Lord**.

**What exactly is the meaning behind the translation of the metaphorical words:**

*"Asmoho Ahmad" ----- whose name will be even more praised.*

**Explanation:** This comes under the subject of **Allah's Absolute Authority**, who bestows His mercy and blessings upon whomever He wills. The **Most Wise** has granted different miracles to the different messengers in the past and some were granted more profound and greater miracles than others. It is not in accordance with the wishes of the messengers; it is **Allah** who decides and chooses what Sign or Miracle, or the number of miracles to grant to a particular messenger.

*The messenger's name letters and their values form part of the Quran's verses, words, and letters, and they are inscribed, embedded, and interwoven in them. When the verses, words, and attributes of Allah are recited, and you praise Him to show your appreciation, the praise automatically comes to the messenger's name also, as his letters are an integral part of the Quran's verses and words. As an example, I will recite a pair of verses that are in Praise of Allah and His Supremacy in the heavens and the earth. My Lord has chosen to reveal the "Revelation of 1" through the*

*messenger's letters and made the "revelation" possible by including a "wow" in the verse, though the verse would be perfect in meaning even without the "wow" but would not have revealed the "Revelation of 1" granted as a profound Sign to the messenger.*

**45:36** To **Allah** belongs all praise; Lord of the heavens, **and** (*insertion of 'wow'*) Lord of the earth, Lord of the universe.

**45:37** To Him belongs all supremacy in the heavens and the earth. He is the Almighty, Most Wise.

**Revelation of 2:** The Aleefs of Absoluteness are 5 and 7, **revealing the diff. of 2.**

**Revelation of 2:** The Allah letters are 13 and 15, **revealing the diff. of 2.**

**Revelation of 1:** The messenger's letters are 19 and 20, **revealing the diff. of 1**, Subhan Allah.

This was an exceptional example through **messenger's letters** to **reveal the diff. of 1** between both verses, and they are in praise of **Allah and His Supremacy** in the heavens and the earth. You have witnessed how **Allah** has accommodated the messenger to reveal the profound revelation of 1 through his name letters, Subhan Allah.

The "**Revelation of 2**" teaches us that there are 2 gods to choose from during the Test Period on Earth – *Allah, the Supreme Creator, who is the only True Lord*, (verses 7:172, 36:60-62, 2:256, 16:51, 2:168-170, 2:208, 7:22, 17:53, 35:6,) and His enemy satan, who has challenged His **Absolute Authority** to become the second god. Satan's power is absolutely **NIL**, as per **Verse 4:76**.

*Here is the most profound Miracle through the GV's of Al-Messiah Jesus and Makbool Husain's names. When placed next to each other, no matter with first names or last names, they are divisible by 7 or 14, revealing the linkage of Jesus and Makbool to the Prophecy of Ahmad, through the great Miracle of Seven Pairs.*

**45:7** Woe to every **fabricator**, guilty.

**Revealed:** The **Allah letters** are 6 and **messenger's letters** are 7, **revealing the diff. of 1**. As stated by the messenger earlier, the fabricators have been cursed by **Allah** and they will be guilty of the crime of disbelief and lying against the revelations of **the Supreme** revealed through the messenger.

**Revealed:** The Verse No. is **7**, the messenger's letters are **7**, and the Arabic Letters are **14**. By lining up the numbers and putting them in order, they reveal the perfect number of **1477** as the great miracle of **Seven Pairs** (Verse 15:87).

**45:9 Part 1:** When he **learns** anything about our revelations, he mocks them.

**Part 2:** These have incurred a shameful retribution.

**Revealed:** The **messenger's letters** are **9** and **8**, **revealing the diff. of 1**. The followers of Quran say that they believe in the scripture, but when they hear or see the unique revelations inspired to the messenger by **Allah**, they mock and reject them. **Allah** has promised them a shameful retribution.

**45:10 Part:** Awaiting them is Hell.

**Part:** Their earnings will not help them at all.

**Revealed:** The **Allah letters** are 3 and 6. The **doubling** of the number is another proof for idolatry, making **Allah** into 2 gods.

**Revealed:** The **messenger's letters** are 6 and 12. This is the matching proof whereby the numbers double through **Allah and His messenger's letters** to reveal the gross sin of idolatry. The disbelievers earnings will not help them at all on the Day of Judgment, and even if they offer any kind of ransom, it will not be accepted by **Allah, the Sacred and Most Praiseworthy**.

**45:10 Part:** Nor the lords and masters (idols) that they had set up beside **Allah**.

**Revealed:** The **Allah letters** are 12 and **messenger's letters** are 13, **revealing the diff. of 1.**

**Revealed:** The GV of **Allah letters** is 132 and GV of **messenger's letters** is 334, **revealing the diff. of 202 for Lord.** The disbelievers and idol worshipers who refused to believe in **Allah's messenger** and the signs, miracles, and revelations sent down with him will surely incur Hell and a terrible retribution, as promised by **the Lord of the Universe.**

**45:10 Part:** They have incurred a terrible retribution.

**Revealed:** The GV of **messenger's letters** is **128**, revealing his name. Instead of believing in **Allah and His messenger**, the disbelievers obeyed and followed their scholars, human lords and masters, thus incurring the eternal destiny of Hell.

**45:10 Part 1:** Awaiting them is Hell.

**Part 2:** Their earnings will not help them, nor the lords and masters (be of any help) that they had set up besides **Allah.**

**Revealed:** The **messenger's letters** are 6 and 25, **revealing the diff. of 19.**

**45:10 Part 2:** Their earnings will not help them nor the lords and masters (idols be of any help) that they had set up besides **Allah.**

**Part 3:** They have incurred a terrible retribution.

**Revealed:** The **messenger's letters** are 25 and 6, **revealing the diff. of 19.**

To support the truth of the linkage of Jesus with the Day of Judgment, **Allah** has reminded us through **Verse 43:61** that Jesus will serve as a marker for knowing the end of the world, and that should remove all doubts about this absolutely certain and specific time frame set by **Allah.**

**43:61** He is to serve as a marker for knowing the end of the world, so you can no longer harbor any doubt about it. You shall follow Me; this is the right path.

The initial confirmation of the “**marker**” is through the miracle of **Seven Pairs.** The sum of digits of chapter 43 is 7 and sum of digits of verse 61 is also 7. The **Pair of Seven** ties in to the pair of chapters 1 and 107 in the contents of the Quran, which are marked with **7 verses** each. Together, they add up to **14**, and there is only **1 chapter** in the Quran, which is chapter 61 that has **14 verses.** The numbers of **14** and **77** placed together reveal **1477** to reveal the **Miracle of Seven Pairs.** It ties in perfectly with **verse 15:87** saying: “We have given you the seven pairs,” the GV of the verse is **perfectly 1477.**

Note that **Verse 61** saying that Jesus is to serve as a marker for knowing the end of the world, matches the number assigned to **chapter 61** which has the **Prophecy of Ahmad.** The spread of chapters from 43 to 61 inclusive is **19.** The sum of the 19 chapter numbers is **988**, a multiple of **19**, and serves as “**The Proof**” because chapter **98 has 8 verses.** The **Proof of 98** occurs in the subsequent **verse 43:62** as an additional miracle.

**43:62** Let not the devil repel you; he is your most ardent enemy.

**Revealed:** The **Allah letters** are **7**, with the GV of **98**, drawing the attention of the believers to **not let the devil** repel them from the right path after they have received guidance and believed in **Allah** and His revelations sent down through the messenger.

**43:63 Part:** When Jesus went with the proofs, he said, "I bring to you wisdom."

**Revealed:** The **messenger's letters** are **19** – the proofs granted to **Jesus** had wisdom in them, and so do the proofs revealed through **Makbool**, as they are inspired by the **Omnipotent Lord**.

**Part:** "And to clarify some of the matters in which you dispute."

**Revealed:** The **messenger's letters** are **14**, revealing the **Sacred Miracle of 19-14**. The sacred codes have been revealed to the messenger to provide clarification for matters about which the followers of the Quran dispute.

**Revealed:** The GV of **messenger's letters** is **306**, a confirmation from **The Most High** that **messenger Makbool Husain** has been authorized to clarify matters in which the believers and other followers of the Quran dispute. The Sign of the messenger is the profound and endless miracle of **the Seven Pairs, 14 and 77**.

**Part:** You shall reverence **Allah** and obey me.

**Revealed:** The **Allah letters** are **7** and **messenger's letters** are **8**, **revealing the diff. of 1**.

**Revealed:** The GV of **messenger's letters** in the word before **Allah** in "*fa'attaqui*" is **106**, and in the words after **Allah** in "*wa aateoon*" is **72**, **revealing the sum of 178**, proclaiming the first name of the **messenger, Makbool**. This is a first in the unique miracles revealed by **my Lord**, which shows that the words surrounding the **glorified name of Allah** have the name of the messenger encoded in them, while revealing the **Supreme Revelation of 1** through the letters of **Allah and His messenger. Subhan Allah**.

*Now refer to the Prophecy of Ahmad in Verse 61:6 and you will see the reason why Allah, Most Wise has stated that the messenger's name will be even more praised. As an additional proof of the Miracle of Seven Pairs, I will write the GV of messenger's letters as 106 and 72 and write the GV of messenger's letters in the sacred name of Allah as 60. The 3 numbers concatenated together is a multiple of 14, even when written in reverse order.*

106,60,72 = **14** x 76148 ----- In Reverse Order: 72,60,106 = **14** x 518579

The majority of the people question the authenticity of the Quran and harbor doubts about it. No matter what kind of Miracle the **Most Gracious** reveals, they still refuse to believe, follow, and uphold it.

**6:7** Even if we sent down to them a physical book, written on paper, and they touched it with their hands, those who disbelieved would have said, "This is no more than clever magic."

**6:8** They also said, "If only an angel could come down with him!" Had we sent an angel, the whole matter would have been terminated, and they would no longer be respited.

**Revealed:** The **Aleefs of Absoluteness** is 11 and 10, revealing the diff. of 1.

**Revealed:** The **Allah letters** are 22 and 23, revealing the diff. of 1.

**Revealed:** The total **Aleefs** and **Allah letters** in both verses are: 11+10+22+23, the sum is **66**, **Glory be to Allah.** Even though **Allah** has revealed the verses with the precise coding of His glorified name, the disbelievers still insist that these miracles are no more than clever magic.

**6:8** They also said, "If only an angel could come down with him!" Had we sent an angel, the whole matter would have been terminated, and they would no longer be respited.

**6:9** Had we sent an angel, we would have sent him in the form of a man, and we would have kept them just as confused as they are confused now.

**Revealed:** The **Aleefs of Absoluteness** are 10+4 = **14**, revealing the **Miracle of Seven Pairs.**

**Revealed:** The **Allah letters** in both verses are 40 and **messenger's letters** are 59, revealing the diff. of 19.

**Revealed:** All **3 Verses** reveal the "**Miracle of 3.**" The **messenger's name initials** in each verse is 28+26+21, **the sum is 75**, and **messenger's letters** in each verse is 35+32+27, **the sum is 94**, revealing the diff. of 19.

**Part:** And within themselves.

**Revealed:** The GV of **messenger's letters** is **166** and GV of **Allah letters** is 6. The proof through messenger's letters reveals the truth that **Allah is One** (166). He is the One who created the humans and knows what He created and what is within their bodies. The proof of Seven Pairs through the numbers is revealed herein. **1666 = 7 x 14 x 17**

The most evident proof of **Seven Pairs** in our bodies is through the hands and the fingers. They have the **Stamp of the Creator** in each human being.

There is 1 thumb and 4 fingers in each hand. Similarly, in the foot, there is 1 thumb and 4 fingers. The numbers **1** and **4** is the **Miracle of Seven Pairs** that is the physical evidence and **Signature of the Creator** on the human beings.

Each hand has precisely **14 joints** in **1 thumb and 4 fingers**, revealing the sum of  $14 + 5 = 19$ . This is another **Miracle of 14 and 19**, Subhan Allah. The thumb has **2 joints** and remaining four fingers have **12 joints**, revealing the signature of **212** for "**Rabbi - my Lord.**"

Each of the hands have **14** and **14** joints, revealing  $14,14 = 7 \times 202$  to proclaim the name of the Lord - *Rabb*.

There are **7 pairs** of body parts.

1 pair of hands, 1 pair of arms, 1 pair of legs, 1 pair of feet, 1 pair of ears, 1 pair of eyes, and 1 pair of lips. **These make up the seven pairs, Praise be to Allah.**

There are uncountable miracles within the bodies, some of them have been revealed by the **Most Gracious** through the knowledge of science, and the rest are still unknown. Only **Allah** knows the true extent and the number of marvels within the human bodies. But He does point out through verses of the Quran that are stamped with **His Absolute Signature**. The verses are short but have a vast meaning behind them.

**80:24** Let the human consider his food!

**51:21** And within yourselves, can you see?

**Revealed:** The **messenger's letters** are 10 and 9, **revealing the diff. of 1.**

The **19 letters** are revealed through **verse 51:21** drawing the attention of the people, whether they can see within themselves. Once the food goes into the bodies, it becomes invisible to the humans. They cannot comprehend how the food is broken down through the multiple functions inside their bodies to create various nutrients and vitamins essential to the body and health, and to excrete what is not needed. The same food can also create harm to the organs of the body, and raise or lower levels that are not compatible to good health. Food ingested in the body can also create various diseases in accordance with **Allah's will**. The blood is essential and vital for the body, and the kind of food consumed has a direct bearing on the quality of blood.

All human beings are dependent on food, and they cannot survive without it. It has been made essential to the body and the survival of the human by the **Creator**. Every organ and cell of the body depends on food, water, and oxygen to nourish, grow, and perform the job that it was designed for by **the Creator**. It is all under **Allah's control** to provide benefits or cause diseases, after the food and water goes down into the stomach.

The profound "**Revelation of 2**" is revealed through letters of **Allah** warning the disbelievers and idol worshipers about the grave consequences on the Day of Judgment.

**24:24** The day will come when their own tongues, hands, and feet will bear witness to everything they had done.

**36:65** On that day we will seal their mouths; their hands and feet will bear witness to everything they had done.

**Revealed:** The **Aleefs of Absoluteness** are 6 and 8, **revealing the diff. of 2**, while the sum is **14**.

**Revealed:** The **Allah letters** are 15 and 17, **revealing the diff. of 2**.

**Revealed:** The **GV of Allah letters** is 151 and 153, **revealing the diff. of 2**.

**41:19** The day will come when the enemies of **Allah** will be summoned to the hellfire, forcibly.

**41:20** Once they get there, their own hearing, eyes, and skins will bear witness to everything they had done.

**41:21 Part:** (disbelievers will raise question to their skins) They will say to their skins, "Why did you bear witness against us?"

**41:21 Part:** (response of skins who submit to the will of Allah) They will reply, "**Allah** made us speak up; He is the One who causes everything to speak. He is the One who created you the first time, and now you have been returned to Him."

**Revealed:** The **Allah letters** in set of **3 verses** whereby the disbelievers will question their own skins who bore witness against them are **40**, and **Allah letters** whereby the skins respond submissively that **Allah is the One** who causes everything to speak and admit that He is the only Creator has **21 letters**, **revealing the diff. of 19** proving that the **Creator is One** and knows ahead of time about the disbelievers.

**41:22** There is no way you can hide from your own hearing, your eyes, or your skins. In fact, you thought that **Allah** was unaware of much of what you do.

**Revealed:** The **Allah letters** are 22 and **messenger's letters** are 44, revealing the sum of 66, Subhan Allah.

## 6. Miracles and Proofs have gotten more profound, serious, intense, and intricate over the last 14 years with new ongoing revelations.

*The hidden secrets and miracles in the Quran were unknown to the followers of the scripture in the past, till revealed now through the messenger. Allah's revelations are incontrovertible, unchallengeable, undeniable, and explain the encoded message through them. **The total count of Allah's letters in 114 chapters has been revealed recently.** The messenger's name and his letters form part of the Quran's chapters, verses, and words. They are customized to reveal the name and signs granted to the messenger and are embedded in the chapters, verses, and words of the Quran. False Claimants do not stand a chance against the truth of the miracles revealed to the messenger by the Most Gracious. The truthful miracles will swallow what the disbelievers fabricate to produce falsehood, just like Moses miracle that swallowed the magic produced by Pharaoh and his followers. Revelation of Chapter 9 with 127 verses proven through Allah and messenger's letters. Clarifying miracles and proofs. The Proofs and Revelations are inexhaustible.*

The messenger receives the revelations of **Allah** through the "**Honest Spirit (Gabriel)**" who reveals them into the heart of the messenger, Alhumdo Lillah.

26:192 This is a revelation from the **Lord of the universe.**

**Revealed:** The **Allah letters** are 7, revealing the Miracle of 7.

**Revealed:** The **Arabic Letters** are 19, proving that the revelation comes from the **Lord of the Universe**. You can see that **Allah, Most Wise** has already envisioned both codes of the Quran, the 7 and 19 before revealing them to the messenger through the **Honest Spirit**.

26:193 The Honest Spirit (Gabriel) came down with it.

**Revealed:** The **Allah letters** are 7. For both verses, the **Allah letters** are  $7 + 7 = \underline{14}$ , revealing the Seven Pairs Miracle.

**26:194** To reveal it into your heart, that you may be one of the warners.

**Revealed: All 3 Verses:** The **Allah letters** are 7+7+5, **revealing the sum of 19**. The numbers and their sequence conform to the GV of “**The Hidden Secret**” 775 in Chapter 74.

The **Sacred Codes of 7-14-19** are evident through the original revelations of Quran inspired by **Allah Ta’ala** to the messenger. The sequence in which they are marked in the 3 verses is **7-7-5** to reveal all 3 miracles of **7-14-19**.

This is the incontestable and phenomenal proof for the inspired revelations through **Verses 15:87 and 74:30**. The beauty displayed through the Pattern of **Allah’s** letters is something to marvel and praise.

The hidden secret of **miracle of 19** has been revealed to messenger Rashad in the past, whereas the miracles of **7 and 14** as well as all remaining proofs, miracles, and revelations have been revealed to the current messenger, Makbool Husain.

**73:1** O you cloaked one.

**74:1** O you hidden secret.

**Revealed:** The **Allah letters** are 6 and 5, **revealing the diff. of 1**.

**Revealed: Both Verses:** The **Allah letters** are 11 and **messenger’s letters** are 10, **revealing the diff. of 1**.

**73:1** O you cloaked one.

**Revealed:** The **Allah letters** are 6 and **messenger’s letters** are 6 – **Perfectly Matched** to reveal the glorified name of **Allah. He is the One** who cloaked the messenger in the Quran from the time of its revelation to prophet Muhammad till now, when He decided to uncloak the messenger to reveal his identity on August 19, 1997.

The uncloaking of the messenger was accompanied with incontestable and incontrovertible signs and miracles from the Quran in order to introduce him to the people as the messenger of **Allah, Most Wise**.

**74:1** O you hidden secret.

**Revealed:** The **Allah letters** are 5 and **messenger’s letters** are 4, **revealing the diff. of 1**.

**74:1** O you hidden secret.

**74:2** Come out and warn.

**Revealed:** The **messenger’s letters** are 4 and 3, **revealing the diff. of 1**. The **powerful “revelation of 1”** will serve as a warning to the entire human race. It is fully authorized and supported by the **Most Gracious**.

The 3 verses above reflect on the actual revelation of all 3 miracles (74:30, 15:87, 89:3) of the Quran including the major proof of **Seven Pairs**, granted to the messenger, Makbool Husain. They

also reflect the “**hidden secret**” of “Revelation of 1, Revelation of Aleefs of Absoluteness, Revelation of 165 and 110 for the two forms of Shahadah, as well as many other revelations.”

The **3 Miracles** through the sacred numbers are narrated in Verses 74:30, 15:87, and 89:3. Verse 89:3 states, “By the Even and the Odd.” By looking at the verse numbers that state the miracles of 19 and 14, it is clear that the 1<sup>st</sup> miracle under Verse 74:30 revealing the code of 19 is an Even Number, while the 2<sup>nd</sup> miracle under Verse 15:87 revealing the code of 14 is an Odd Number, fulfilling what **Allah** has narrated through **Verse 89:3**.

The Signature of “**Lord - 202**” is hidden in the **3 verses**. The diff. in chapter 74 and verse 30 is **44**. The diff. in chapter 15 and verse 87 is **72**. The diff. in chapter 89 and verse 3 is **86**. The sum of the new revealed numbers out of the diff. in chapter and verse numbers is:  $44 + 72 + 86 = \underline{202 - LORD}$ .

Note that the numbers under Miracle of Seven Pairs and Even and Odd are 72 and 86, **revealing the diff. of 14**. The **Wisdom of Allah** in revealing the **Miracle of Seven Pairs** through the numbers 72 and 86, is that the Miracle of 19 through verse 74:30 had already been revealed to messenger Rashad Khalifa in the past, while the last 2 revelations have been revealed presently to messenger Makbool Husain – the miracle of seven pairs, as well as the revelation of even and odd. It is no wonder that **Allah** had already predesigned the outcome of numbers to have the **diff. of 14** for the ultimate revelations.

The sum of  $72 + 86$  is **158** and the number revealed for Miracle of 19 is **44**. The diff. in 158 and 44 is **precisely 114**, being the total number of chapters in the Quran. The 3 numbers revealed are a **special revelation of Seven Pairs**, as they originate out of the 3 verses that are on numbers and are meant to preserve and guard the chapters and verses of the Quran. Observe the Miracle by concatenating the 3 numbers, then rotating them, and finally arranging them in different order to reveal the **Revelation of 7 Pairs**, each time.

$44,72,86 = \underline{14} \times 31949$	$72,86,44 = \underline{14} \times 52046$	$86,44,72 = \underline{14} \times 61748$
$86,72,44 = \underline{14} \times 61946$	$44,86,72 = \underline{14} \times 32048$	$72,44,86 = \underline{14} \times 51749$

These are the 6 possible combinations of numbers. The Miracle is that they are all **multiples of 14 only** and they cannot be **divided by 19 at all**. It truly proves the remarkable **Miracle of Seven Pairs** revealed to **messenger, Makbool Husain**.

The revelation of 3 verses revealing specific numbers is stamped with the **Signature of Allah as 19**.

**74:30** Over it is nineteen.

**15:87** We have given you the seven pairs, and the great Quran.

**89:3** By the even and the odd.

**Revealed:** The **Allah letters** are  $4 + 11 + 4$ , **the sum is 19**. The numbers revealed as **4114** open up **verse 41:14**. The believers should read the verse; it is on messengers, **and is stamped with 19 Aleefs of Absoluteness with 38 letters of Allah to reveal the diff. of 19 again, Subhan Allah**.

The important part in **Verse 41:14** narrates the history of messengers going to the people proclaiming, “that they should not worship anyone except **Allah**.” The arrogant response of the

people was that the **Lord** could have sent angels instead of human beings, and this was the prime reason for disbelief in the messages delivered by human messengers. Note the Miracle revealed through this important part of verse.

**41:14 Part:** Saying, “You shall not worship except **Allah.**” They said, “Had our Lord willed.”

**Revealed:** The GV of **messenger’s letters** up to “*Rabbona – our Lord*” is **352 for Quran**. The word, “**Our Lord**” is at the end of this part of verse in Arabic. The disbelievers seldom welcome the human messengers, and demand from their Lord to send angels in order for them to believe. It is only their wishful thinking by saying, “Had our Lord willed.”

**41:14 Part:** Saying, "You shall not worship except **Allah.**"

**Revealed:** The GV of **messenger’s letters** is **128**, revealing the name of the **messenger Husain**. This is the proclamation of the messenger and confirms that the past messengers also proclaimed the same statement before delivering the **message of Allah**.

Note – I bring to your attention something very unique. The set of 3 verses with proofs of 7-14-19 express that these are revelations from the **Lord of the Universe**, and that the **Honest Spirit** has come down with it to reveal them into the heart of the messenger is preceded and mounted by **Verse 26:191**. The verse is in the name of the **Almighty, Most Merciful Lord**.

The revelation of **Seven Pairs** through **Verse 15:87** is similarly preceded and mounted by **Verse 15:86**, narrating that the **Lord is the Creator and the Omniscient**. In both instances, these verses are inscribed with built-in and powerful proofs from **my Lord**.

### **Preceding Verses on inspiration from Allah and the revealed miracle of Seven Pairs**

**26:191** Most assuredly, your Lord is the Almighty, Most Merciful.

**15:86** Your Lord is the Creator, the Omniscient.

**Revealed:** The sum of digits of **Verse 26:191** is **19**. The sum of digits of **Verse 15:86** is **20**. The difference between the numbers is **precisely 1**, proving that **Allah is in Control** over His revelations, and has granted them to **messenger Makbool Husain**, whom He has chosen out of all the human beings for this role and mission, as **He is the Absolute Lord**.

**Revealed:** The **Allah letters** are 7 and 8, **revealing the diff. of 1**, Subhan Allah.

**Revealed:** The **messenger’s letters** are 11 and 10, **revealing the diff. of 1**, Alhumdo Lillah.

**Revealed:** **Verse 26:191** The GV of **Allah letters** is **98 = 7 x 14**, revealing “**The Proof**” according to **chapter 98**. The GV of **messenger’s letters** is a **Perfect 222** revealing the glorified words “**your Lord – Rabbayka.**”

**Revealed:** **Verse 15:86** The GV of **Allah letters** is **128**, revealing the name of the **messenger**, who has been granted the **Miracle of Seven Pairs** that appears in the very **next verse, 15:87, Praise be to the Almighty, the Most Merciful, the Omniscient Creator.**

***Have you noted the alternating proofs of Allah and His messenger?*** In verse 26:191, the messenger's letters reveal **222** for "your Lord" and in verse 15:86 the Allah letters reveal **128** for the name of the messenger. Glory be to Allah for revealing the "matching proofs."

With such precise, intricate, and heavy proofs, there will be no room for the disbelievers to wiggle around, to have doubts in them, or have any basis to oppose them. They are the truthful revelations from Allah, Lord of the Universe, as the devils (humans and jinns) have no power to reveal them nor would they, as the following verses state.

**26:210** The devils can never reveal this.

**26:211** They neither would, nor could.

**Revealed:** The Allah letters are 5 and 4, **revealing the diff. of 1**. The Most Gracious has confirmed that the revelations granted to the messenger can never be revealed by the devils or the disbelievers. **Allah's Stamp of 1** over these verses is proof that the revelations granted to the messenger are indeed revealed by Him.

**26:212** For they are prevented from hearing.

**26:223** They pretend to listen, but most of them are liars.

**Revealed:** The Allah letters are 6 and 5, revealing **the diff. of 1**.

**Revealed:** The messenger's letters are 12 and 13, **revealing the diff. of 1**.

**Interpretation:** Allah, Most Wise enlightens the messenger that the devils are prevented from hearing the revelations revealed to him; they only pretend to listen, as most of them are liars. The disbelievers are liars, and they are averse to the Truth revealed to the messenger. They can never reveal these miracles and proofs - they neither would, nor could.

The nature of such unique, distinct, and powerful revelations is well expressed through **Verse 76:23**. The **3 Verses** involved in the "special revelation" represent the "Miracle of 3" that has also been revealed some time back.

This proves the "special revelation" from my Lord and His immense mercy in granting customized revelations that involve the name letters of

**76:24** You shall steadfastly carry out your Lord's commandments, and do not obey any sinful disbeliever among them.

**Note** that both verses **76:22 and 24** reveal the *Pattern of Allah and His messenger's name initials* as **8-9** and **9-8** in each verse. These are the proofs of *Perfectly Matching Revelations*. The sum of **Allah letters** for both verses is  $8+9 = 17$ , and the sum of **messenger's initials** is  $9+8 = 17$ , again *Perfectly Matched by the Lord, Most Wise*.

**76:23** We have revealed to you this Quran; a special revelation from us.

**76:24** You shall steadfastly carry out your **Lord's commandments**, and do not obey any sinful disbeliever among them.

**47:24** Why do they not study the Quran carefully? Do they have locks on their minds?

**Revealed:** The **Allah letters** in both verses are **19 and 14**, revealing the **Sacred Miracle of 19 and 14**.

**Note:** There is **1 chapter** that reveals **Allah 66** through the sum of chapter and its verses; it is chapter 14 with 52 verses, the sum is **66**,

**Note:** There is **1 chapter** that reveals **Allah 66** through the difference in chapter and its verses; it is chapter 27 with 93 verses, the diff. is **66**.

The spread of chapters from chapter 14 to 27 is **precisely 14**. The sum of the digits of both chapters is:  $1+4+2+7 = 14$ .

Chapter 14 has 52 verses, the sum of digits is  $1+4+5+2 = 12$ . Chapter 27 has 93 verses, the sum of digits is  $2+7+9+3 = 21$ . The numbers **12** and **21** reveal the profound **miracle code of 1221**, that is the GV of Verse 74:30, saying, "**Over it is nineteen.**" The sum of all numbers when added from 12 up to 21 reveals **165**, which is the awesome miracle and proof of the attribute of **Allah** as "**The Absolute – 165, and His Shahadah – 165.**"

Chapter 14 has 52 verses, and chapter 27 has 93 verses. Note that the contents of the last verse 14:52 is on the **proclamation** made by **Allah** to let the people know that He is only one god, and for the people to take heed, and the last verse 27:93 is on **proofs** that will be made recognizable to the people. Both verses are applicable to the messenger, as the proof revealed will explain. Let me recite both verses.

**14:52** This is a proclamation for the people, to be warned herewith, and to let them know that He is only one god, and for those who possess intelligence to take heed.

Let me write down the “**new verses**” revealed through **Verses 45:36-37** to sum up the revelations and the message enshrined within them. The new verses revealed are **7:35, 73:5, and 10:28**.

**7:35** O children of Adam, when messengers come to you from among you, and recite My revelations to you, those who take heed and lead a righteous life, will have nothing to fear, nor will they grieve.

**73:5** We will give you a heavy message.

**Revealed:** The **Allah letters** in each verse is **17** and **8**, revealing the name of the messenger **Makbool 178**, who has been granted a heavy message from the Most High, Most Wise.

**10:28** On the day when we summon them all, we will say to those who worshipped idols, “We have summoned you, together with your idols.” We will have them confront each other, and their idols will say to them, “We had no idea that you idolized us.”

**Revealed:** The GV of **Allah letters** is a **Perfect 178**, revealing the **first name** of the messenger, who has been inspired with clear and clarifying revelations regarding idolatry – the only unforgiveable sin.

**10:28 Part:** Then we will say to those who worshipped idols, “We have summoned you, together with your idols.” We will have them confront each other, and their idols will say to them, “We had no idea that you idolized us.”

**Revealed:** The **Allah letters** are 19 and **messenger's letters** are 38, **revealing the diff. of 19**. It is clear through the profound proof that those who idolize the dead humans will have no idea that they were being idolized on earth.

**The Message:** **Allah** has sent a messenger as per **Verse 7:35** with the “**heavy message**” as per **Verse 73:5**. The miracles and signs granted to the messenger are true “**marvels**” as per **Verse 55:77**. On the great Day of Summoning, those who do not, or did not, believe in all of **Allah's messengers** and disbelieved in this messenger and the miracle revelations granted to him as **Signs of Allah**, will be considered by Him to have worshiped human and jinn idols. Their unfortunate fate will be the eternal condemnation in the **Fire of Hell**, wherein they will abide and burn forever.

The **sacred miracle of 14, the Seven Pairs** is revealed through the **5 important points** of belief constituting submission to **Allah**.

**Verse 4:136 Allah** - His angels - His scriptures - His messengers – and the **Last Day**.

**Revealed:** The **Allah letters** in these 5 sacred words are:  $4+2+1++2+5 = 14$ . **The Miracle of Seven Pairs** is wrapped around the verses and words of the “**great Quran**,” per verse 15:87. **Praise be to Allah**.

**4:136 The Words: Allah – and the Last Day**.

**Part 3:** But most people do not know.

**Revealed:** The GV of **Allah letters** is **227**, revealing the words: “Al-Muhmineen – the Believers.”

The believers sincerely believe in the Day of Resurrection and prepare for it by upholding the commands of their Lord, while the disbelievers will be taken by surprise and remorse for not believing and preparing for the awesome day.

*Though the messenger does not need any praise nor do he desire, it is the will of Allah to have included the messenger's name in the script of the Quran. It never dawned on me initially about the translated meaning of Verse 61:6 saying, “whose name will be even more praised – Asmaho Ahmad.” It has always baffled me to even conceive or think of any kind of praise for myself, as my deep and true belief is that all praise belongs to Allah, Lord of the Universe and not to any creature of His.*

*The messenger's name is included in the most sacred and profound verses and words, as well as the attributes, which reflect the pre-decreed decision and will of Allah to grant His immense mercy and blessings upon him. The blessing of coded guidance through insertion of his name letters highlight his role as the “messenger over the Original Covenants” and the messenger to fulfill the “Prophecy of Ahmad.” I will narrate and cite some verses and words from the Quran as an example, so that the believers and the people of the scripture can fully comprehend the*

*Absolute Authority of Allah to choose whomever He wills and to make exceptions, whenever He wills.*

*Here are examples of exceptional miracles and powers that Allah granted to His righteous servants in order to project and prove His Absolute Authority. This authority is demonstrated by choosing whomever He likes and by granting a miracle or miracles of His choosing. He is the One who can make exceptions to the general rules ordained by Him.*

*Mary was a virgin, but she was granted a son, Jesus by His will and command.*

**5:112** Recall that the disciples said, "O Jesus, son of Mary, can your Lord send down to us a feast from the sky?" He said, "You should reverence **Allah**, if you are believers."

**5:113** They said, "We wish to eat from it, and to reassure our hearts, and to know for sure that you

have told us the truth. We will serve as witnesses thereof."

**5:114** Said Jesus, the son of Mary, "Our god, our Lord, send down to us a feast from the sky. Let it bring plenty for each and every one of us, and a sign from You. Provide for us; You are the best Provider."

**3:37 Part:** Whenever Zachariah entered her sanctuary he found provisions with her. He would ask, "Mary, where did you get this from?" She would say, "It is from **Allah**. **Allah** provides for whomever He chooses, without limits."

**21:79** **We granted Solomon the correct understanding**, though we endowed both of them with wisdom and knowledge. We committed the mountains to serve David in glorifying (God), as well as the birds. This is what we did.

**21:80** And we taught him the skill of making shields to protect you in war. Are you then thankful?

**21:81** For Solomon, we committed the wind gusting and blowing at his disposal. He could direct it as he wished, to whatever land he chose, and we blessed such land for him. We are fully aware of all things.

**21:82** And of the devils there were those who would dive for him (to harvest the sea), or do whatever else he commanded them to do. We committed them in his service.

**38:34** We thus put Solomon to the test; we blessed him with vast material wealth, but he steadfastly submitted.

**38:35** He said, "My Lord, forgive me, and grant me a kingship never attained by anyone else. You are the Grantor."

**38:36** We (answered his prayer and) committed the wind at his disposal, pouring rain wherever he wanted.

**38:37** And the devils, building and diving.

**38:38** Others were placed at his disposal.

**38:39** "This is our provision to you; you may give generously, or withhold, without limits."

**27:15** We endowed David and Solomon with knowledge, and they said, "**Praise Allah for blessing us more than many of His believing servants.**"

**27:16** Solomon was David's heir. He said, "O people, we have been endowed with understanding the language of the birds, and all kinds of things have been bestowed upon us. This is indeed a real blessing."

**27:17** Mobilized in the service of Solomon were his obedient soldiers of jinns and humans, as well as the birds; all at his disposal.

**27:18** When they approached the valley of the ants, one ant said, "O you ants, go into your homes, lest you get crushed by Solomon and his soldiers, without perceiving."

**27:19** He smiled and laughed at her statement, and said, "My Lord, direct me to be appreciative of the blessings You have bestowed upon me and my parents, and to do the righteous works that please You. Admit me by Your mercy into the company of Your righteous servants."

**27:20** He inspected the birds, and noted: "Why do I not see the hoopoe? Why is he missing?"

**27:21** "I will punish him severely or sacrifice him, unless he gives me a good excuse."

**27:38** He said, "O you elders, which of you can bring me her mansion, before they arrive here as submitters?"

**27:39** One afrit from the jinns said, "I can bring it to you before you stand up. I am powerful enough to do this."

**27:40** *The one who possessed knowledge from the book said, "I can bring it to you in the blink of your eye."* When he saw it settled in front of him, he said, "This is a blessing from my Lord, whereby He tests me, to show whether I am appreciative or unappreciative. Whoever is appreciative is appreciative for his own good, and if one turns unappreciative, then my Lord is in no need for him, Most Honorable."

**27:41** He said, "Remodel her mansion for her. Let us see if she will be guided, or continue with the misguided."

**27:42** When she arrived, she was asked, "Does your mansion look like this?" She said, "It seems that this is it." (Solomon said,) "We knew beforehand what she was going to do, and we were already submitters."

**27:43** She had been diverted by worshipping idols instead of **Allah**; she belonged to disbelieving people.

**27:44** She was told, "Go inside the palace." When she saw its interior, she thought it was a pool of water, and she (pulled up her dress,) exposing her legs. He said, "This interior is now paved with crystal." **She said, "My Lord, I have wronged my soul. I now submit with Solomon to Allah, Lord of the universe."**

**34:10** We endowed David with blessings from us: "O mountains, submit with him, and you too, O birds." We softened the iron for him.

**34:11** "You may make shields that fit perfectly, and work righteousness. Whatever you do, I am Seer thereof."

**34:12** **To Solomon, we committed the wind at his disposal, traveling one month coming and one month going. And we caused a spring of oil to gush out for him. Also, the jinns worked for him, by his Lord's leave.** Any one of them who disregarded our commands, we subjected him to a severe retribution.

**18:25** **They (the youths) stayed in their cave three hundred years, increased by nine.**

**29:14** **We sent Noah to his people, and he stayed with them one thousand years, less fifty.** Subsequently, they incurred the flood because of their transgressions.

**Revealed:** The **messenger's letters** are 44 and 25, revealing the diff. of 19.

**Revealed:** The **Allah letters** are 17 and 19, revealing the diff. of 2. Those who reject the **Revelations of Allah** by refusing to accept His messengers out of arrogance will be held strictly accountable for **committing idolatry and blasphemy to Allah**.

Here is another stunning miracle through chapter, *"the believers"* that has just been revealed. Through the 4 verses, the stunning proofs and miracles have been revealed.

**23:66** *My proofs have been presented to you*, but you turned back on your heels.

**23:67** You were too arrogant to accept them, and you defiantly disregarded them.

**23:68** Why do they not reflect upon this scripture? Do they not realize that they have received something never attained by their ancestors?

**23:69** *Have they failed to recognize their messenger?* Is this why they are disregarding him?

**Profound Revelation of ALLAH:** The **messenger's letters** are a **Perfect 66**, to reveal the glorified name of **Allah**. He is the One who has inscribed and engraved letters of the messenger in the verses in perfect order, to reveal His name **Allah**, as the unchallengeable proof that is mentioned in **Verse 66**, the number being the mathematical GV of His name.

**Profound Revelation of Al-Quran:** The GV of **Allah letters** in all 4 verses is **perfectly 412**, revealing the glorious verses, proofs, miracles, and revelations of the Quran. The entire Quran has been revealed again through messenger Makbool Husain as a proven scripture (see Verse 6:157) to fulfill the Prophecy of Ahmed (see Verse 61:6). The letters of **Allah Ta'ala and of messenger "Ahmed"** are inscribed and woven within the chapters, verses, words, and letters of the scripture, as an integral part of the Quran. This kind of script bearing the letters of **Allah and His messenger** was previously unheard of, and unknown to the people on earth. This kind of miracle writing of the Quran has set the highest standard for preservation of the glorious scripture, whereby it provides the highest level of assurance of authenticity for the believers and makes it completely impossible for the devils and the disbelievers to tamper, alter, or change the sacred words, as they are intertwined and woven with letters of **Allah and His messenger**, Glory be to Allah.

Read the first verse 66 and the last verse 69 in this set of verses. **Allah** is stating that His proofs have been presented to the people, but they turned back on their heels. The **Most Wise** has not left out anything in the way of proofs, in order to back up verses on proofs, and to help and guide the people so that they can recognize and identify the messenger. **Allah** has shown extreme wisdom and mercy by encoding and revealing detailed and clarifying miracles to remove all doubts from the hearts of the hypocrites and the disbelievers.

**23:68** Why do they not reflect upon this scripture? Do they not realize that they have received something never attained by their ancestors?

**38:29** This is a scripture that we sent down to you, that is sacred - perhaps they reflect on its verses. Those who possess intelligence will take heed.

believe in **Allah's messengers**, but they did not, and do not care to take heed through the *Scripture and its Verses*, which are sacred.

**Revealed:** The **Aleefs of Absoluteness** is 11 and 8, revealing the sum of 19. The Scripture and the Verses bear the Signature of Allah as 19.

The sequence of 9 and 5 matches the verses under the messenger's names of **128 and 178** in the Quran for a total of 14 times. Those who choose to reflect upon the Profound Scripture and its Verses can readily see **Allah's immense Miracle and Marvel** to reveal the Seven Pairs in many different ways.

The messenger has said all along that none of the past messengers were revealed such intricate, detailed, and customized revelations from **their Lord**, but He has certainly granted these personalized revelations to this messenger for the 1<sup>st</sup> time ever in history. What I stated earlier has now been confirmed with the "**Proof of 114**" through **Verse 23:68** and the "**Revelation of 1**" through his name letters in **Verses 23:68 and 38:29**.

There are **2 chapters** that stand out with the total count of **Allah Letters**. They are **chapter 75** called "*The Resurrection*" and **Chapter 44** called "*The Smoke*." Before the Day of Resurrection, the fulfillment of the Prophecy of Smoke is inevitable. The count of **Allah's letters** in each chapter is **222** (your Lord) and **433** (Lord of universe). The verses in each chapter are 40 and 59, revealing the diff. of 19.

\*There is special coding in certain words, like the words “**mercy – rahmah**” and “**wisdom – hikmah**”

**Revealed:** The **messenger’s letters** in each word are **ha** and **meem**, matching the sequence as they occur in chapters 40 through 46 in **Quran’s initials of H.M.** These represent the names of the messenger as **Husain and Makbool.**

**6:103** No visions can encompass Him, but He encompasses all visions. He is the Compassionate, the Cognizant.

**Revealed:** The GV of **Allah letters** is **Perfectly 202** spelling out “**Rabb – Lord.**” This is the Proof that the **Lord of the Universe** encompasses all visions, which the humans cannot fathom or comprehend. Glory be to Him.

One of **Allah’s visions** was to create a human being called Maqbool Husain, then authorize and appoint him as a profound messenger to fulfill one of the most important **Prophecies – the “Prophecy of Ahmed,”** that will be part of the Final Scripture called the Quran. The following couple of verses appear subsequent to **Verse 6:103** stating that **Allah** encompasses all visions.

**6:104** Enlightenments have come to you from **your Lord.** As for those who can see, they do so for their own good, and those who turn blind, do so to their own detriment. I am not your guardian.

**6:105** We thus explain the revelations, to prove that you have received knowledge, and to clarify them for people who know.

**Revealed:** The **messenger’s letters** are **29 and 28, revealing the diff. of 1.** The Revelation proves through the messenger’s name letters that **Allah Ta’ala** has sent him enlightenments, containing knowledge and wisdom, explains to him the revelations sent down and clarifies for him and to the people who believe and know.

**6:105 Part:** We thus explain the revelations, to prove that you have received knowledge, and to clarify them.

**Revealed:** The **messenger’s letters** are **19** with the GV of **522 for “hadees.”** The messenger is marked and coded in the sacred **Words – Hadees** of **Allah**, under the Miracle Codes. The verse informs the people that the messenger receives direct knowledge from **Allah** through inspiration without any human intermediaries.

**6:105 Part:** To prove that you have received knowledge, and to clarify them. (*for people who know*)

**Revealed:** The **messenger’s letters** are **14**, Subhan Allah. The revelations through the Sacred Codes of 1, 19 and 14, inform the people that the messenger has received certain inspired knowledge from **Allah, Most Praiseworthy**, who explains and clarifies the knowledge for him.

**25:1** Most blessed is the One who revealed the Statute Book to His servant, so he can serve as a warner to the whole world.

**25:2 Part:** The One to whom belongs all sovereignty of the heavens and the earth. He never had a son, nor does He have any partners in sovereignty.

**Revealed:** The **Allah letters** are **14** and **19** in each verse – a profound revelation from **Allah** to reveal the sending of the messenger through **His Absolute Authority** as the only **Sovereign One** without having any partners. The message carries the heavy proofs of 14 and 19, being the 2 Sacred Codes of Allah.

**25:2 Part:** He created everything in *exact measure*; He *precisely designed everything*.

**Revealed:** The GV of *Allah letters in the verse is precisely 66*, revealing the name of the *Glorified Creator*, whose exact measure and precision in designing everything is to be lauded, commended, and Praised. *Allah is the Sole Creator* – He does not need to consult any of His creatures for anything; instead, He teaches His creations and grants them knowledge on how to do various things on earth and to manufacture.

*The hearts of the sincere and truthful cringe in reverence for their Lord.*

**39:23 ALLAH** has revealed herein the **Best Hadees**; a book that is consistent, and points out both ways (to Heaven and Hell). *The skins of those who reverence their Lord cringe therefrom, then their skins and their hearts soften up for Allah's message.* Such is Allah's guidance; He bestows it upon whoever wills (to be guided). As for those sent astray by **Allah**, nothing can guide them.

**Comment:** The Final Scripture for the humans on Earth till the Day of Judgment is the Quran. It is also called the **Best Hadees of Allah**, as they contain **His Words and Sunnah** (system), as well as past history, precedents, and verses and words for the future till the Day of Judgment and beyond.

This “*Best Hadees*” is fully coded with **14 Quranic Initials**. *The Verse reveals numerous miracles and proofs to reveal that it is the “Best Hadees” from Allah, Most Wise. The inclusion of messenger’s letters along with Allah’s Letters makes this Hadees unique and exceptional. It was Allah’s choice and decision to inscribe the messenger’s name letters to reflect on the Perfection of the composition of Quran. This decision was made prior to creating anything by Allah, The Absolute.*

**Revealed:** Up to Allah's message, the **Aleefs of Absoluteness** is **9**, and the remaining verse has **5 Aleefs**. The **Miracle of Seven Pairs** comprising of **14 Aleefs** has been revealed marking the **Best Hadees of Allah**, while the split of 9 and 5 Aleefs also reveals and matches the verses under the *messenger’s name of 128 and 178*, that occur in the Quran under the same pattern of 9 and 5 to total **14**, Subhan Allah.

*New Revelation of Messenger’s Name through the Best Hadees*

**39:23 Part:** ALLAH has revealed herein the **Best Hadees**.

**Revealed:** The **Arabic Letters** are **17** and **Allah’s letters** are **8**, revealing the name of the **messenger, 178**, through the Pattern and mix of letters.

**Revealed:** The GV of **Allah letters is 128**, revealing the last name of the **messenger**.

**Revealed:** The GV of **messenger's letters is Perfectly 306**, revealing the full name of the messenger.

**39:23 Part:** **Allah** has revealed herein the best Hadith; a book that is consistent, and points out both ways (to Heaven and Hell). The skins of those who reverence their Lord cringe therefrom.

**Part:** Then their skins and their hearts soften up for **Allah's** message. Such is **Allah's** guidance; He bestows it upon whoever wills (to be guided).

**Revealed:** The GV of **messenger's letters** is 874 and 712, **revealing the diff. of 162**. The revelation of **Islam or Submission to Allah** through the proven and best Hadees should make the skins cringe and the hearts to soften up for the supreme message from the **Supreme Creator of the Universe**.

**39:23 Part:** A book that is consistent, and points out both ways (to Heaven and Hell). The skins of those who reverence their Lord cringe therefrom.

**Revealed:** The **messenger's name initials** are **14** and **name letters** are **19**, revealing the **Sacred Codes of 14 and 19, Subhan Allah**.

**39:23 Part:** The skins of those who reverence their Lord cringe there-from, then their skins and their hearts soften up for **Allah's message**.

**Part:** Such is **Allah's** guidance; He bestows it upon whoever wills (to be guided). As for those sent astray by **Allah**, nothing can guide them.

**Revealed:** The GV of **messenger's letters** are 914 and 608, **revealing the diff. of 306**, proclaiming the full name of **messenger, Makbool Husain**.

**39:23 Part:** The skins of those who reverence their Lord cringe there-from.

**Part:** Then their skins and their hearts soften up for **Allah's message**.

**Revealed:** The GV of **messenger's letters** are 424 and 490, **revealing the diff. of 66**, Subhan Allah.

**39:23 Part:** As for those sent astray by **Allah**.

**Part:** Nothing can guide them.

**Revealed:** The GV of **messenger's letters** are 226 and 160, **revealing the diff. 66**, Subhan Allah.

**39:23 Part:** The skins of those who reverence their Lord cringe therefrom, then their skins and their hearts soften up for **Allah's** message. Such is **Allah's** guidance; He bestows it upon whoever wills (to be guided).

**Part:** As for those sent astray by **Allah**, nothing can guide them.

**Revealed:** The GV of **Allah letters** in each part is **380 (19 x 20)** and **168 (14 x 12)**, revealing the **Sacred Codes of 19 and 14**.

**Revealed:** The GV of **Allah letters** in each part is 380 and 168, revealing the diff. of 212, proclaiming “*Rabbi – my Lord.*”

**39:23 Part:** Such is **Allah's** guidance; He bestows it upon whoever wills (to be guided).

**Revealed:** The **Allah letters** are 9 and **messenger's letters** are 10, revealing the diff. of 1.

**Revealed:** The GV of **Allah letters** is 112 and GV of **messenger's letters** is **222 for Rabbayka – your Lord**, and the difference in 112 and 222 is precisely 110, revealing the **Absoluteness of Allah, Most Praiseworthy.**

There are 113 chapters that have the sacred verse of “Bismillah Al-Rahman Al-Raheem” mounted at the beginning of the chapter's verses, except **one** chapter that is 9, which does not have it. The pattern of the split of numbers is therefore, 1113 that is: 7 x 159. The quotient of 159 leads us to open up **Verse 15:9** and read it.

### Law of Preservation of Quran Fulfilled

**15:9 Part 1:** Absolutely, we have revealed the reminder.

**Part 2:** And absolutely we will preserve it.

**Revealed:** The **Allah letters** in each part are 6 and 5, to reveal the diff. of 1

**Revealed:** The **messenger's letters** are 8 and 7, to reveal the diff. of 1.

Thus, the “*law of preservation*” of Quran works and has been proven by **Allah Ta'ala** through His messenger to whom He reveals, and has inscribed his name letters for this sole purpose in the sacred scripture and its verses.

**56:77** This is an honorable Quran.

**56:78** In a protected book.

**Revealed:** The **messenger's letters** are 6 and 6 in each verse, to reveal the **glorified number 66 for**

**Allah (Ta'ala).** *The messenger's name and his letters are preserved in the Master Record of Allah along with the glorified name of Allah and His letters. Glory be to Allah.*

**85:21** Indeed, it is a glorious Quran.

**85:22** In a preserved master tablet.

**Revealed:** The **messenger's letters** are 7 and 7, to reveal the **Miracle of Seven Pairs** that is granted to him as the profound Sign.

**Revealed:** Both verses are wrapped around with **4 letters of Allah** just like in His name, and the GV of **Allah letters is Perfectly 66**, Subhan Allah.

The incontrovertible Revelations prove that the messenger's name and letters are part of the Quran. It is now proven that the **Quran's Arabic Script** is composed of letters of **Allah and His**

**messenger, M.H.** as the **PROOF** of the Scripture. I suggest all the believers to examine and reflect on **Chapter 98** called **“The Proof.”**

**Chapter 98: The Proof:** The **Allah letters** in the chapter name is 3 and **messenger’s letters** is 4, **revealing the diff. of 1.**

**Revealed:** The GV of **Allah letters** is 36 and of **the messenger** is 92, **revealing the sum of 128.** The Quran was revealed to **Muhammad 92** but the Proof of the Quran was predetermined to be revealed through messengers **Rashad Khalifa 1230 and Makbool Husain 306.** The diff. in the GV’s of the **2 messenger’s names** of 1230 and 306 is **924**, which is **14 x 66.**

The GV of **Allah letters** in Rashad Khalifa’s name is **36** and in **Makbool Husain’s** name is 30, **the sum is 66.** Moreover these numbers reveal **Verse 36:60**, as stated previously with the Proofs.

The chapter Number is **98**, and the sum of digits is **17.** The verses are **8** and sum of digit is **8.** By combing the 2 numbers, they reveal the **Pattern of 178** being the name of the messenger. This is the coded **“PROOF”** through chapter 98 for the messenger. Moreover, the chapter and number of verses written as 988 is a multiple of 19. ( $988 = 19 \times 52$ )

The Verses of **“Chapter 98 titled The Proof”** provides proofs of incomprehensible and miraculous nature to confirm the messenger’s name inscription in the entire Quran.

**98:1** Those who disbelieved among the people of the scripture, as well as the idol worshipers, insist on their ways, despite the proof given to them.

**Revealed:** The GV of **Allah letters** is **202** revealing the name of **“Rabb – Lord,”** Subhan Allah.

**98:1 Part:** Despite the proof given to them.

**Revealed:** The GV of **Allah letters** is 42, and of the **messenger** is 160, **the sum is 202**, revealing the name of **“Rabb – Lord.”** The revelation of the name of **Lord** twice through the same verse should convince the people that the messenger has been sent by **the Lord** with indisputable proofs through the verses.

**98:2** A messenger from **Allah** is reciting to them sacred instructions.

**98:3** In them there are valuable teachings.

**PROOF # 1: Revealed:** The GV of **messenger’s letters** is 340 and 162, **revealing the diff. of 178.** This is revelation of the messenger who has been authorized and appointed by **Allah** to recite His sacred instructions through the verses that provide new, valuable, and authentic teachings.

**Verse 98:3** provides the revelation of **162** through letters of the messenger. The revelations have valuable teachings encompassed in them and everyone is required to believe in them in order to submit to **Allah** by following **Islam 162** as preached by the messenger.

The digits of **Verse 98:2** add to: ( $9+8+2 = 19$ ). The message through the verse is absolutely clear, that a messenger from **Allah** is reciting **sacred instructions** to the people.

**98:2** A messenger from **Allah** is reciting to them sacred instructions.

The first **19** Arabic Letters that are Quran's initials in **Verse 98:2** are as follows:

Ra 200 + seen 60 + laam 30 + meem 40 + nun 50 + aleef 1 + laam 30 + laam 30 + hey 5 + yey 10 + laam 30 + aleef 1 + saad 90 + ha 8 + aleef 1 + meem 40 + tuay 9 + hey 5 + ra 200.

**PROOF # 2:** These were the GV's of the first **19 Quranic Initials** in the Verse. The sum of all **19 numbers** is **840**, revealing the profound **Sign of H.M.** revealed to the messenger through chapters 40 to 46 that comprise of **7 chapters**. The initials H.M. actually are coded to represent the last and first name of the messengers as Husain and Makbool.

**PROOF # 3:** *Miracle of Seven Pairs:* The first **14 letters of the messenger** in verses 98:2-3 are as follows:

seen 60, wow 6, laam 30, meem 40, nun 50, laam 30, laam 30, yey 10, laam 30, wow 6, ha 8, meem 40, yey 10, ba 2. The sum of these 14 numbers is **Perfectly 352** spelling out "**Quran.**"

These are the **3 profound Proofs** through letters of the messenger, under the "**Miracle of 3**" that reveal the name of the **messenger 178**, the **Sign of H.M. 840** from the Quran **352**. The messenger has been sent to purify the religion of **Islam 162** and to remove all distortions and fabrications.

Those who **submit to Allah** by heeding the message revealed through the coded and customized revelations will be guided by Him and counted amongst the righteous. As you can see, the Revelation of **Quran 352** is through **14 letters** of the **messenger** and the **Sign of the messenger H.M 840** is through **19 initialed letters** of the **Arabic** verse, proving that the "**ultimate and sacred miracles**" of the Quran have been revealed through "**messenger Ahmed,**" thus fulfilling the Prophecy narrated in **Verse 61:6**.

Furthermore, the **19<sup>th</sup>** initialed letter occurs on "ra – GV **200**" in Verse 98:2, and the **14<sup>th</sup>** letter of messenger occurs on "bey – GV **2**" in Verse 98:3, revealing the sum of  $(200 + 2) = \mathbf{202}$  for **Lord**. This again proves that **the Most Wise Lord** has structured the verses to reveal these phenomenal and precise proofs through the chapter titled "**The Proof.**" **Praise be to Allah, the Lord with the great Dominion.**

To augment the **Miracle of 3** to match with the **3 Proofs** listed above, the name of **Allah** is mentioned in the chapter **precisely 3 times**. They occur in **Verses 2,5,8**, revealing the name of prophet and messenger **Abraham** who followed the religion of strict monotheism, without committing idol worship. The believers are commanded to uphold this one religion by following the example of prophet Abraham.

**Chapter 98** offers a message to the people of the scripture and to the idol worshipers through **verses 1 and 5** with the Proofs.

**98:1** Those who disbelieved among the people of the scripture, as well as the idol worshipers, insist on their ways, **despite the proof** given to them.

**98:5** All that was asked of them was to worship **Allah**, devoting the religion absolutely to Him, observe the contact prayers (Salat), and give the obligatory charity (Zakat). Such is the perfect religion.

**Revealed:** The **Aleefs of Absoluteness** are 7 and 14 in each verse, revealing the *great Miracle of Seven Pairs*.

**Revealed:** The **messenger's letters** are 30 and 44 in each verse, revealing the diff. of **14 as the great miracle of Seven Pairs**.

**98:5 Part:** All that was asked of them was to worship **Allah**.

**Revealed:** The **Allah letters** are 12 and **messenger's letters** are 11, revealing the diff. of 1.

**98:5 Part:** Devoting the religion absolutely to Him, observe the contact prayers (Salat), and give the obligatory charity (Zakat). Such is the perfect religion.

**Revealed:** The **Allah letters** are **perfectly 19**. The essence and message through the proof is that those who worship **Allah** by believing and following His messenger, as the revelation of 1 reveals, and devote their religion absolutely to **Allah** by following His commands, refrain from idolatry, and observe their Salat and Zakat, will be following the **“perfect religion”** of monotheism.

**98:5 Part:** Such is the perfect religion.

**Revealed:** The GV of **Allah letters** is a **Perfect 66** revealing His glorified name. Those who follow and uphold the guidance sent down by **Allah through His messenger** are following the **“perfect religion.”**

**98:4** In fact, those who received the scripture did not dispute until **the proof** was given to them.

**Revealed:** The GV of **Allah letters** is **140 (14 x 10)** and GV of **messenger's letters** is **574 (14 x 41)**, **the sum of both is 714** revealing the *Profound Miracle of Seven Pairs, Praise be to my Lord*. This is the Proof and Miracle alluded to in Verse 4 that the people of the scripture are disputing about and refuse to believe, even though their eyes can see. The arrogance of the disbelieving followers of the Scripture is ironic and pathetic – they are deaf, dumb and blind towards the awesome and miraculous communication and messages being conveyed to them by their **LORD**. Their fate is therefore sealed and they will end up in Hell because of disregarding the revelations of their **LORD**.

**98:4 Part 1:** In fact, those who received the scripture did not dispute.

**Part 2:** Until **the proof** was given to them.

**Revealed:** The **Allah letters** are 7 and 9 in each part, revealing the diff. of 2. The Revelation of 2 represents disbelief, dispute, and idolatry. The people of the scripture disputed to believe in the scripture after they were given the **proofs of Allah**, rather than believing in it. Thus, they turned into arrogant disbelievers and joined the devil.

**Revealed:** The **messenger's letters** are 10 and 10 in each part – revealing the **Perfectly Matching Revelation**, as per Verse 56:37.

**Revealed:** The GV of **messenger's letters** is 280 and 294, **revealing the precise diff. of 14**. The profound *miracle of Seven Pairs* granted as *the Sign* to the messenger is hereby confirmed.

The message of Quran has built in proofs, miracles, and unique revelations. Therefore, **Allah** has titled one of the chapters as "*The Proof*" under the number **98**. ( $98 = 7 \times 14$ ). From the beginning of the Quran from chapters 1 to 98 will be **7 sets of 14 chapters** each. The number **98** is a multiple of **7** and **14**.

**98:6** Those who disbelieved among the people of the scripture, and the idol worshipers, have incurred the fire of Hell forever. They are the worst creatures.

**Revealed:** The **Allah letters are 22 and messenger's letters are 29, revealing the diff. of 7**. The disbelievers and idol worshipers disbelieved in the messenger's message; therefore, they are destined for Hell forever, as marked by *Allah through the Revelation of 7*.

**98:7 Part:** Those who believed and led a righteous life.

**Part:** They are the best creatures.

**Revealed:** The **messenger's letters** in each part are precisely **14** and **7**, revealing the *sacred miracle of Seven Pairs*, to confirm that those who worshiped **Allah**, by believing and following the messenger, and upheld their covenants by obeying all the commands of the Quran, will be considered to have led a righteous life. They will be considered the "*best creatures*" whose place is reserved in Paradise.

**98:6 Part:** They are the worst creatures.

**98:7 Part:** They are the best creatures.

**Revealed:** The **Allah letters are 6 and 6**, revealing the **glorified name of Allah**. All the creatures, whether they are the worst or the best belong to **Allah – the Creator**, and they will all return back to Him for the Final Judgment and Accountability.

**Revealed:** The **messenger's letters** are 6 and 7, **revealing the diff. of 1**, Subhan Allah. The matching revelation of 6,6 through letters of **Allah** to reveal His name, and the revelation of 1 through letters of the messenger convey the message that those who disbelieved in **Allah's messenger** will be the worst creatures, while those who believed in the messenger proved their pledge and covenant to uphold **Allah's Absolute Authority**; therefore they will be considered to be the best creatures who will deserve forgiveness and mercy from **their Lord**.

**98:7 Part:** They are the best creatures.

**Revealed:** The **Allah letters** are 6 and **messenger's letters** are **7** (under the miracle code of 7), **revealing the diff. of 1**. It is apparent to see why the best creatures are marked through the *Revelation of 1 between Allah and His messenger's letters*. They are the ones who obeyed **Allah's** command to believe and follow His messengers, without making any distinction amongst them, and to believe and follow His Proofs and Miracles revealed to His messenger.

**Revealed:** The GV of *7 letters of the messenger is precisely 128*, revealing the name of the messenger through the *miracle of 7*, as well as the chapter and verse number **98:7** is designed under the *Miracle of 14 and 7*.

**The Ultimate and Precise Miracle of Allah for the Seven Verses:**

From **Verses 98:1 to 98:7**, the precise count of letters of “**Al-Bayannah**” or “**The Proof**” are **178**, revealing the first name of the **messenger, Makbool. Praise be to Allah** for revealing a complex, intricate, hidden, and interwoven miracle to reveal the precise name of the messenger as the “**ultimate proof**” to remove all doubts from the hypocrites and the disbelievers. The Miracle proves that the Quran is the Truth from **Allah Ta’ala**, that the messenger is the Truth, that the proofs and miracles are the Truth, and that this is one of the greatest miracles from the **Lord of the Universe**. Reflect and see if you can fathom this kind of miracle that involves the letters of the chapter name to reveal the name of the messenger. Allah is the Most High, Most Wise, far above any idols the disbelievers set up beside Him.

To complement the above miracle, *Allah has inscribed 114 letters of His name in these 7 verses*, authenticating and confirming the above miracle and providing assurance to the believers who upheld the entire Quran comprising of *114 chapters*.

**Last Verse of Chapter 98 – The Proof**

**98:8 Part 1:** Their reward at their Lord is the gardens of Eden with flowing streams, wherein they abide forever.

**98:8 Part 2:** **Allah** is pleased with them, and they are pleased with Him. Such is the reward for those who reverence their Lord.

***Alternating and Complementing Proofs:***

In **Part 1**, the **Allah letters are 14** and **Aleefs are 7**, confirming that the gardens of Eden with flowing streams will be the abode for the righteous.

In **Part 2**, the **messenger’s letters are 14, Perfectly Matched** through the **Miracle of Seven Pairs** for those with whom **Allah** will be pleased and they will be pleased with Him. This will be the best and eternal reward for those who revered their **Lord**.

**98:8 Part B:** Such is the reward for those who reverence their Lord.

**Revealed:** The GV of **Allah letters** is **65** for “**Lillah**” and GV of **messenger’s letters** is **162** for “**Al-Islam – Submission**.” The sum of both numbers is **227**, proclaiming “**Al-Muhmineen – the**

**Believers.”** The 3 profound numbers hardly need any explanation. Those who revered **Allah** and submitted to Him by following the messenger will be granted the ultimate reward of Paradise.

**Revealed:** The entire verse has **24 letters of Allah** and **32 letters of the messenger**. These special numbers reveal the following:  $24,32 = 19 \times 128$

*The Revelations, Proofs, and Miracles in this Sermon are beyond human capability. It is impossible for any human being to write proven revelations that involve minute details of parts of verses and words. So who is behind such unique, phenomenal, and incontrovertible revelations? The clear answer is that the Most Gracious has revealed to the messenger through inspiration. Here are the proofs!*

Allah’s immense grace and mercy upon the messenger
