

I seek refuge in Allah from satan the rejected.  
In the name of Allah, the Most Gracious, the Most Merciful.

Whatever **Allah Ta'ala** has narrated and revealed from the Quran is the entire and **Absolute Truth** from Him. Those who do not believe fully in His narrations, or harbor doubts about them, have disbelieved in **Allah** and have set up idols besides Him. The **Absolute Truth** revealed to the messenger is summed up through **Verse 2:23** which is a challenge to the disbelievers and all the people on earth. The chapter and verse number being **223** reveals the word "*Al-Muhminoona – the Believers.*" The believers have no doubt that **Allah** has revealed profound miracles that were never revealed before through the sacred coding – which is a mix of **Allah and His messenger's** letters in the words and verses of the Quran. He has revealed the "**Proven Scripture**" to the messenger out of His mercy.

**6:157 Part 1:** Nor can you say, "If only a scripture could come down to us, we would be better guided than they." ***A proven scripture has now come to you from your Lord, and a beacon, and a mercy.***

**Part 2:** Now, who is more evil than one who rejects these proofs from **Allah**, and disregards them? We will commit those who disregard our proofs to the worst retribution for their heedlessness.

**Revealed:** The sum of the digits of chapter and verse number (6+1+5+7) is **19**.

**Revealed:** The **Aleefs of Absoluteness** are 10 and 12 in each part, **revealing the diff. of 2**.

**Revealed:** The **Allah letters** are 21 and 19 in each part **revealing the diff. of 2** for the idolatry committed by the evil people who reject and disregard the **proofs of Allah**.

**Revealed:** The **messenger's letters** in each part are 35 and 37, **revealing the diff. of 2** to confirm the idolatry of the evil people who deny **Allah's Absolute Authority** by rejecting the messenger sent with the proofs by Him.

**Revealed: Part 1:** The **Allah letters** are 21 and **messenger's letters** are 35, **revealing the diff. of 14**. The **Sacred Miracle of Seven Pairs** is embedded in the "*proven scripture*" through **Allah and His messenger's letters**.

The words embedded in between "*proven scripture*" and "*Allah,*" are also coded to reveal the phenomenal proofs.

**Revealed:** The **messenger's letters** are **perfectly 19** and **Allah's letters** are 5, **revealing the diff. of 14**. ***The Proof of the Sacred Codes of 19 and 14*** reveals the linkage of the "*proven scripture – bayyinatun*" to the **Author of the Quran, Allah**, who has intricately and profoundly coded each and every letter and word of the Quran to prove that the Quran is from Him and the messenger is the truth from Him.

**6:157 Part:** A proven scripture has now come to you from your Lord, and a beacon, and a mercy. Now, who is more evil than one who rejects these proofs from **Allah**.

**Revealed:** The GV of **Allah letters** is **Perfectly 114**, Subhan Allah. Even though **Allah, Most Wise** has proven that the Quran consisting of 114 chapters is from Him, the evil disbelievers still reject the proofs of **Allah** and thereby also reject the Quran in its entirety.

**2:23** If you have any doubt regarding what we revealed to our servant, then produce one sura like these, and call upon your own witnesses against **Allah**, if you are truthful.

**Revealed:** The **Allah letters** up His glorified name are **19** and **messenger's letters** are **33**, **revealing the diff. of 14** – this is the Revelation of the *Seven Pairs Miracle as per Verse 15:87* that is hereby authenticated and confirmed through the precise coding of *Allah and His messenger's letters*. To magnify this great Miracle, the **Arabic Letters** are precisely **66** up to **Allah** thus further augmenting the miracle and the revelations revealed to the messenger.

**Revealed:** The **Allah letters** in the entire verse are **20** and **messenger's letters** are **39**, **revealing the diff. of 19** – this is the *Revelation of the Miracle of 19 as per Verse 74:30*. The Revelations of 14 and 19 constituting the *Sacred Codes of the Quran* are thus revealed and verified through this profound verse that challenges the doubters and the disbelievers. The *Miracles of 14 and 19* in the order of Revelation additionally reveals and confirms the revelation of **“By the even and the odd” as per verse 89:3**. You have witnessed that the **Revelation of 14** is an **“Even”** number that is followed up by the **Revelation of 19**, which is an **“Odd”** number, to fulfill **Verse 89:3**.

The entire verse is inscribed with **77 Arabic Letters**, thus proving the **Miracle of Seven Pairs** revealed to the **messenger** by **Allah 66**, Be He Glorified.

The subsequent **Verse 2:24** states that those who dare to challenge the verses and the revelations from **Allah**, can never compose even a single verse with a mix of letters to reveal perfect and meaningful numbers that can confirm *Allah's words of truth*. Since the disbelievers doubt the truth of *Allah's words*, they are warned of the Hellfire, whose fuel will be people and rocks, which await them.

**2:24** If you cannot do this - and you can never do this - then beware of the Hellfire, whose fuel is people and rocks; it awaits the disbelievers.

Note that this verse is coded with the miracle of seven pairs ( $224 = 14 \times 16$ ), right after the coding of verse with the numbers of **223** for *“the believers.”* The believers in the congregation of the current messenger at this time have been endowed with *Allah's special mercy* to be guided to the truth of the verses through the miracle of **Seven Pairs** to confirm them and to explain the new and clarifying teachings through them.

**Revealed:** The **Aleefs of Absoluteness** are perfectly **14** in the verse, to warn and alert the doubters and the disbelievers beforehand about the Hellfire that awaits them upon their death on earth.

**2:24 Part:** If you cannot do this.

**Part:** And you can never do this.

**Revealed:** The **Aleefs of Absoluteness** are 2 and 1, **revealing the diff. of 1.**

**Revealed:** The **Allah letters** are 4 and 3, **revealing the diff. of 1.**

**Revealed:** The **messenger's letters** are 5 and 5 – **Perfectly Matched.** The revelations prove that the disbelievers cannot compose anything like the Quran – they can never do it. Hence, their doubts and disbelief constitutes a **challenge to Allah**, which will lead them to eventual destiny of Hell for doing so. Together the 2 parts constitute Part 1 of the verse and is marked with **7 letters of Allah.**

**2:24 Part 2:** Then beware of the Hellfire, whose fuel will be people and rocks; it awaits the disbelievers.

**Revealed:** The **Allah letters** are **19** and are perfectly matched with a **19 letters** of the **messenger**, Subhan Allah.

**Revealed:** The **Allah letters** are perfectly **19** confirming the warning served to the disbelievers. Together, the two miracles of **7 and 19** through the same verse reveal the **sacred coding of 7-19**, which are the miracles of the Quran according to the verses previously mentioned above.

**2:24 Part:** Then beware of the Hellfire, whose fuel will be people and rocks.

**Revealed:** The **Allah letters** are 16 and the **messenger's letters** are 15, **revealing the diff. of 1**

**Part:** It awaits the disbelievers.

**Revealed:** The **Allah letters** are 3 and **messenger's letters** are 4, **revealing the diff. of 1.** It is clear that the disbelievers refused to believe in the **Absolute Authority of Allah** and challenged Him by disbelieving and **rejecting His messenger.** Therefore, the Fire of Hell awaits them.

**14:27 Part 1:** **Allah** strengthens those who believe with the **proven word**, in this life and in the Hereafter.

**14:27 Part 2 & 14:28** And **Allah** sends the transgressors astray. Everything is in accordance with **Allah's** will. Have you noted those who responded to **Allah's** blessings by disbelieving, and thus brought disaster upon their own people?

Note the mention of **1 count of Allah** in **Part 1** of **Verse 14:27** to reveal that **Allah** strengthens those who believe with the proven word in this life and in the Hereafter, as the proven word comes absolutely from Him. **Part 2** of **Verse 14:27** and **Verse 14:28** encompasses **3 counts of Allah** to confirm the **3 messengers** who delivered 3 profound messages to mankind, as well as the devil's interference and misguidance for the disbelievers through the 3 messages. See **Verse 58:19** for the devil's role in opposing and corrupting the messages of the messengers.

**Revealed:** The **messenger's letters** in Part 1 of Verse 14:27 are **28** and in Part 2 of Verse 14:27 including Verse 14:28 are **42**, revealing the diff. of **14**. The verses explain that **Allah** had sent down His "Proven Word" of the Quran to strengthen the faith of the believers through the proven guidance revealed to the messenger. The transgressors, who refuse to believe in **Allah's** revelations and the messenger, are sent astray never to find the light of guidance again.

**The Proven Word** – *Bilquaul Al-Saabit*:

The **Allah letters** 6 and **messenger's letters** are 7, **revealing the diff. of 1**, Subhan Allah. The "*proven word*" of Quran has been inspired to the messenger to enlighten the believers with the proofs, miracles, signs, and knowledge of the Quran.

**14:27 Part 1:** **Allah** strengthens those who believe with the **proven word**, in this life and in the Hereafter.

**Revealed:** Up to "*the proven word*" the **Aleefs of Absoluteness** are **7** and **Allah letters** are **14**, to confirm that His proven word is composed on the **Miracle of Seven Pairs**. This Miracle has been granted to the messenger through inspiration in order to recite, and to write and record the proven words and revelations, for the enlightenment and benefit of the people.

**Revealed:** The GV of **Allah letters** in this part of the verse is **precisely 297**, revealing the word "*Rasoola – a messenger.*" The proven word of **Allah** is being recited and recorded by the messenger, whose name is Makbool Husain, **Praise be to Allah**.

**Part:** In this life and in the Hereafter.

**Revealed:** The **Allah letters** are 10 and **messenger's letters** are 11, **revealing the diff. of 1**, further proving that the revelations are inspired by **Allah to His messenger**.

**Revealed:** The sum of digits of chapter and verse number reveals **14**, to confirm the **Proven Words of Allah** through the **Seven Pairs Miracle**.  $1 + 4 = 5$  and  $2 + 7 = 9$ . The sum is **14**, while the pattern of 5 and 9 is confirmation of verses 178 and 128 that appear in the Quran for the first and last names of the messenger in the same pattern.

**14:29** Hell is their destiny, wherein they burn; what a miserable end!

**14:30** They set up rivals to rank with **Allah** and to divert others from His path. Say, "Enjoy for awhile; your final destiny is Hell."

**Revealed:** The **Allah letters** are 7 and 21 in each verse, **revealing the diff. of 14**. Those who did not believe in the revelations, proofs, and miracles sent down by **Allah** through His messenger, will be guilty of setting up idols to rank with Him. The disbelievers refused to believe in the entire Quran, its verses and its words. Instead, they blindly followed their parents' religion, their personal opinions, the unauthorized scholars and religious leaders, innovations, fabrications, conjecture, and lies attributed to **Allah**. They can enjoy temporarily in this life, but their ultimate destiny will be Hell, wherein they will burn and suffer forever.

**14:29 –14:30 Part:** Hell is their destiny, wherein they burn; what a miserable end! They set up rivals to rank with **Allah** and to divert others from His path.

**14:30 Part:** Say, "Enjoy for awhile; your final destiny is Hell."

**Revealed:** The **messenger's letters** are 26 and 12 in these parts, **the diff. is precisely 14**. The messenger hereby informs the disbelievers that they can enjoy on earth for a little while longer, but when they die, their final destiny will be Hell wherein they will burn forever.

The confirmation of Allah's "**proven words**" as narrated in *Verse 14:27* is hereby proven through subsequent verses. This will show that the entire Quran is the "**Proven Word**" of **Allah**, and any tampering or falsehood injected in the scripture will be readily exposed by Him, Glory be to **Allah**.

**6:115 Part:** The word of your Lord is complete in truth and justice.

**Part:** Nothing shall abrogate His words.

**Revealed:** The **messenger's letters** are 8 and 7 in each part, **revealing the diff. of 1**. The GV of **Arabic letters** in the words "*sidqan wa adlan*"- "**truth and justice**," is precisely **306**, Subhan Allah. The GV of Quranic Initials in these words is **292**. Between the GV's of Arabic letters and Quranic Initials, **the diff. is precisely 14**, revealing the **Miracle of Seven Pairs** that is associated with the messenger, and serves as the most powerful Sign ever granted to any messenger. This reveals and proves that the words of **Allah** revealed to His messenger, Makbool Husain, is the absolute truth from Him, and no one can abrogate or change His revealed words. The messenger's name letters are embedded and woven in the verses and words of the Quran, thus making it impossible for the devil and his allies to alter or change them.

**18:27** You shall recite what is revealed to you of your Lord's scripture. Nothing shall abrogate His words.

**Revealed:** The **messenger's name initials** are **14** and the **name letters** are **19**, revealing the perfect and sacred revelation of **14-19** – being the **Master Codes of the Quran**, that have been blessed upon the messenger to fulfill the great prophecy of "**Ahmed**" as given in Verse 61:6.

**18:27 Part:** Nothing shall abrogate His words.

**Revealed:** The GV of **messenger's letters** is **Perfectly 202** proclaiming "**Rabb – Lord**."

**18:27 Part:** And you shall not find any other source beside it.

**Revealed:** The GV of **Allah letters** is **Perfectly 66**, proclaiming the glorified name of **Allah**.

These are alternating and complementing revelations through the messenger and **Allah's** letters, both times revealing His glorified name of "**Lord**" and "**Allah**."

There are examples in the Quran about righteous people who believed in, and followed the words of their **Lord**. By believing in the words of their **Lord**, it means that they only followed the revealed guidance and did not follow anyone else, or any other guidance of the human beings. It also means that such righteous people did not follow or believe in any fabrications, innovations, conjecture, self-opinions, or any kind of falsehood.

**2:37** *Then, Adam received from his Lord words, whereby He redeemed him. He is the Redeemer, Most Merciful.*

**66:12** *Also Mary, the Amramite, she maintained her chastity, then we blew into her from our spirit. She believed in the words of her Lord and His scriptures; she was obedient.*

**Revealed:** The **Allah letters** are 15 and 16, **revealing the diff. of 1** – the Supreme Revelation of 1 teaches us that Adam received direct guidance from **Allah** through inspiration, and Mary also was inspired to believe in the words of her Lord as well as His scriptures, because she was obedient.

**22:24** They have been guided to the good words; they have been guided in the path of the **Most Praised**.

**Revealed:** The **Aleefs of Absoluteness** are **7** and **messenger's letters** are **21**, **revealing the diff. of 14**. The Seven Pairs Miracle confirms that the messenger and the believers have been guided to the good words; they have been guided to the path of the **Most Praiseworthy**.

**Part 2:** These are the ones whom **Allah** has guided; these are the ones who possess intelligence.

**Revealed:** The **messenger's letters** in each part are **19** and **19** – **Perfectly Matched** to reveal that the messenger and the believers have followed the best path after examining all words; this is the reason that **Allah** has guided them and considers them to be the ones who possess intelligence for choosing the true and right path in life.

**39:18 Part 2:** These are the ones whom **Allah** has guided; these are the ones who possess intelligence.

**Revealed:** The **Allah letters** are 20 and **messenger's letters** are 19, **revealing the diff. of 1**. The revelation is a **Stamp of Allah** upon the messenger and those who have followed him, that they

are the guided ones who possess intelligence for making the right choice, by following the revealed guidance granted to the messenger.

I am going to recite some verses on truth and falsehood to enlighten the believers, so that they remain focused on **their Lord** and to give them a chance to appreciate His blessings of revelations sent down to them.

It is easy for the devil to lead you astray by injecting doubts in your mind and making you focus on falsehood and innovations, rather than the truth of **Allah's Words in the Quran**.

Those who recognize their own children should also recognize the messenger sent to them through these revelations, that are crystal clear in proclaiming his name, and the Truth sent down by **Allah** can be verified.

**2:146** Those who received the scripture recognize the truth herein, as they recognize their own children. Yet, some of them conceal the truth, knowingly.

**2:176** This is because **Allah** has revealed this scripture, bearing the truth, and those who dispute the scripture are the most ardent opponents.

**Revealed:** The **Allah letters** are 19 and 21 in each verse, **revealing the diff. of 2**, to expose the disbelievers who dispute the scripture and reject the truth revealed through it, and conceal the truth knowingly. The followers of the Quran should believe in them and not try to conceal them from other people, as they will be sent to Hell for concealing the revelations of **Allah**.

**3:71 Part 2:** And conceal the truth, knowingly?

**Revealed:** The **messenger's letters** are **14 with the Perfect GV of 462 (7 x 66)**.
