

I seek refuge in Allah from satan the rejected.
In the Name of Allah, the Most Gracious, the Most Merciful

This Sermon is unique in the sense that it does not have a particular subject or topic; instead there are sets of 3 verses on many different subjects, so that the believers can reflect on the **Miracle of 3**, that is a unique and identifiable miracle in the Quran. Very few believers are aware of the Miracle of 3. Through this Sermon, they will be enlightened with the “New Miracle,” and can then appreciate Allah’s wisdom in encoding the Quran in many different ways to reveal innumerable miracles at the time of His choosing. This miracle along with many other miracles, have been inspired to the messenger over a period of time. By reading and reflecting on the various miracles revealed so far, they make the Quran unique and exemplary, and magnify the greatness and wisdom of **Allah, Lord of the Universe**. Through this Miracle, a lot of verses will be covered on various subjects, though not all of them, as they are too many to cover in a single sermon.

The **Most Gracious** has revealed the “**Miracle of 1**” to the messenger which represents monotheism and that *Allah is One and Absolute*, the possessor of all Power, Control, Sovereignty, and Kingship in the Universe. Moreover, the miracle represents that *Allah is One and Alone* and has no partners at all.

The **Most Wise** has also revealed the “**Miracle of 2**” to the messenger to expose the disbelievers, the wicked, the hypocrites, and the idol worshipers, who associate partners and rivals with **Allah**, by believing in the Quran only partially, by not believing in all of His messengers, or by making distinction among the messengers, and by following the falsehood preached by the scholars and unauthorized human beings. There are a lot more reasons behind the “*Revelation of 2 gods.*”

The **Absolute Lord of the Universe** has also revealed the “**Miracle of 3**” to the messenger as an ultimate Miracle for a variety of reasons, which I will explain in detail through this Sermon. I will write the revealed proofs for some of the verses in this Sermon, though I cannot write for all of them, as the Sermon will get too long for the believers to fully grasp it.

There are a total of **3 chapters** in the Quran that have **3 verses** each. They are chapters 103 - the Afternoon, chapter 108 – the Bounty, and chapter 110 – the Triumph. 3:18 Allah bears witness that there is no god except He, and so do the angels and those who possess knowledge. Truthfully and equitably, there is no god but He, the Almighty, Most Wise.

3:19 The only religion approved by **Allah** is "Submission." Ironically, those who have received the scripture are the ones who dispute this fact, despite the knowledge they have received, due to jealousy. For such rejectors of **Allah's** revelations, **Allah** is most strict in reckoning.

3:20 If they argue with you, then say, "I have simply submitted myself to **Allah**; I and those who follow me." You shall proclaim to those who received the scripture, as well as those who did not, "Would you submit?" If they submit, then they have been guided, but if they turn away, then your sole mission is to deliver this message. **Allah** is Seer of all people.

Revealed: The **Allah letters** in these 3 truthful and profound verses are **43-44-45**, revealing the diff. of 1. Revealed: The **Allah letters** are 6 and **messenger's letters** are 7, **revealing the diff. of 1**. The messenger has been inspired with the knowledge through the **Revelation of 1** that **Allah has no partner at all – He is One and Alone**.

Revealed: The GV of **messenger's letters** is perfectly **148**, to proclaim "*Alhumdo Lillah – Praise be to Allah.*" Since **Allah** has no partner, therefore, **All Praise** belongs to Him and no one else.

6:163 Part: And I am the first to submit.

Revealed: The **Allah letters** are 7.

Revealed: The GV of **messenger's letters** is Perfectly **352**, revealing the glorious scripture, **Quran** that has been revealed to the messenger, through which he has submitted to his Lord.

The words "*first to submit – Awwalo Al-Muslemeen*" have the GV of **messenger's letters** as **296**, to reveal that the words are used for the messengers. They are the ones who are the first to submit after being guided and inspired by **Allah** and after they have been shown His Proofs and Signs. The messenger is the foremost submitter to **Allah** through the revelations inspired to him, and the people who follow him are called the first believers.

The Most Merciful has sent **3 messengers** – Muhammed, who was revealed the entire Quran in Arabic, then Rashad Khalifa who was granted the Divine Code of 19 to prove and confirm the Quran, as well as remove 2 false verses in chapter 9 (Verses 128-129). The third messenger is Makbool Husain, who is at present alive, and has been granted numerous miracles to confirm the past messengers, the revelations, and also to confirm the Truth through individual verses. By writing the names of the 3 messengers, the ultimate **Miracle of Seven Pairs or 14, that has been revealed to the messenger is confirmed**, as well as the pattern to confirm the occurrence of verses that appear under his names 178 and 128 for a total of 14 times in the Quran.

(Messengers) Muhammed – Rashad Khalifa – Makbool Husain.

The current messenger's letters in each of the names are: 3 in Muhammad, 2 in Rashad Khalifa (the sum is 5) and 9 in Makbool Husain. This reveals the sum of **precisely 14** to reveal the **great Miracle of Seven Pairs**. The Pattern of 5 letters in previous messengers names, and 9 in his own name, is exactly the way they appear in the Quran. There are 5 verses under the numbers 178 for Makbool, and 9 verses under the numbers 128 for Husain. **Praise be to Allah**. Such glorified proofs enshrined in the Quran are a Revelation from **Allah, the Most Sacred, and Most Praiseworthy**. They are easily verifiable and no human being has any control over it, except to believe and submit to **Al-Rahman** who has precisely designed, structured, and revealed it to the messenger. The Miracle of 7 pairs has thus been revealed through names of 3 messengers, and the same pattern of **3-2-9** also reveals the awesome **Miracle of 329**, being the Glorified Name of our Lord – **Al-Rahman or the Most Gracious**. The pattern revealing the number of 329 is a multiple of 7, being **7 x 47**. The most phenomenal miracle is revealed, as the GV of **messenger's letters** is **128** that is embedded in the glorified name of the **Most Gracious**, Subhan Allah.

It will be apparent to all the human beings that miracles of such great magnitude cannot be produced, imitated, or fabricated by anyone, and are the truthful revelations from the **Most Gracious**. No miracle can surpass or supercede what **Allah** has revealed to the messenger.

The third messenger is revealed through **Verse 36:14** to prove that **Allah** has sent 3 messengers from the Quran. Looking at the chapter and verse number, it is apparent that the sum of digits of **36** is **9** and the sum of digits of verse number **14** is **5**, to reveal the sum of 14 as well as to reveal the pattern of 9 and 5 under which verses of the messenger's names occur in the Quran.

36:13 Cite for them the example of people in a community that received the messengers.

36:14 When we sent to them two (messengers), they disbelieved them. ***We then supported them by a third.*** They said, "We are (Allah's) messengers to you."

Chapter 36 mentions third messenger in **verse 14**. This chapter has many sets of 3 verses each on different subjects.

The Quran comprises of singular verses on various subjects, it has pairs of verses, and it also has 3 verses on specific subjects, and has 7, 14, and 19 as numbers also to reveal the various miracles.

I am going to cite some verses under the "**Miracle of 3**" to enlighten the believers about this miracle, though it will be difficult to write all of them as the Sermon will get too long.

***** Verses on Friday congregational salat are 3 – Verses 62:9,10,11.**

Part 2: You shall hasten to the commemoration of **Allah**, and drop all business. This is better for you, if you only knew.

The Salat has to conform to the dictates and commands of the Quran, and the customized Salat that has been revealed to the messenger.

NOTE that Chapter 62 is the only chapter whose **last word** in the **last verse 62:11** ends with the words – "And Allah is the Best Provider." The GV of all **messenger's letters** is **266**, **revealing 14 x 19**.

*** *There are **3 verses** detailing the **5 Salats** in a day – 2:238, 11:14, 17:78.*

2:238 You shall consistently observe the Contact Prayers, especially the **middle prayer**, and devote yourselves totally to **Allah**.

11:114 You shall observe the Contact Prayers (Salat) at **both ends of the day**, and **during the night**. The righteous works wipe out the evil works. This is a reminder for those who would take heed.

17:78 You shall observe the Contact Prayer (Salat) **when the sun declines from its highest point at noon, as it moves towards sunset**. You shall also observe (the recitation of) the Quran at dawn. (Reciting) the Quran at dawn is witnessed.

NOTE that the glorified name of **ALLAH** is mentioned only **one time** in the 3 verses to reflect on **His Absoluteness of being One and Alone**, and that the believers are commanded to observe the Salat devoted to Him without taking anyone else's name. The Salat has to be observed at the time it is due in order to worship **Allah**.

Revealed: The **3** verses on Salat times are embedded with **63** letters of **Allah**. The sum of 3 + 63 is **Perfectly 66**, revealing the **Glorified Stamp of Allah** on these verses. Moreover, the combination of 3 and 63 opens up and reveals **Verse 36:3** saying: "Most assuredly, you are one of the messengers." The verse comprises of 14 Arabic Letters, to reveal that the "messenger coded as Ahmed" in Verse 61:6 is one of the messengers.

****There are 3 verses on places of worship belonging to Allah. The place of worship is referring to the messenger where he observes the Salat. The messenger advocates the worship of Allah (alone) and not taking his name or other human names in the Salat. This is unacceptable to the idol worshippers and the disbelievers who band together to oppose the messenger. Verses 72:18, 19, 20.*

72:18 The places of worship belong to **Allah**; do not call on anyone else beside **Allah**.

72:19 When **Allah's** servant advocated Him alone, almost all of them banded together to oppose him.

The glorified miracle revealed through the **Aleefs** serves the reminder that **worship of Allah** should be absolutely pure, and free of inclusion of human names, otherwise it will constitute idolatry.

****The following are 3 verses stating that **Allah** chooses from the angels as well as from the people messengers, as He has absolute knowledge about their past and future. Those who do not believe in the laws and system of **Allah** do not value Him, as He should be valued. 22:74, 75, 76.*

Also note, that the subsequent verse 22:75 is on “Allah choosing His messengers from among the angels as well as from among the people.”

Part 2: **Allah** is Hearer, Seer.

*** 3 consecutive verses on disbelievers who rejected the messengers - Verses 40:83, 84, 85.

40:83 When their messengers went to them with clear proofs, they rejoiced in the knowledge they had inherited, and the very things they ridiculed were the cause of their fall.

Revealed: The **Allah letters** are 21 and **messenger's letters** are 35, **revealing the diff. of 14.** The hypocrites rejoice in the knowledge they inherited from the previous messengers and reject, disregard, and ridicule the clear proofs sent through a new messenger, thus causing their fall and

doom.

40:83 When their messengers went to them with clear proofs, they rejoiced in the knowledge they had inherited, and the very things they ridiculed were the cause of their fall.

40:84 Subsequently, when they saw our retribution they said, "Now we believe in **Allah Alone**, and we now disbelieve in the idol worship that we used to practice."

Revealed: The **Allah letters** are 21 and 20 in each verse, **revealing the diff. of 1**.

The last minute admission of belief will not help them in the least, as they lost the good chances offered to them through the messenger.

Note: In this chapter the last word in the last verse ends with the word "**the disbeliever – al kaaferoon.**" The **Allah letters** are 2 and **messenger's letters** are 3 in the word, **revealing the diff. of 1**.
