

I seek refuge in **Allah** from satan the rejected.  
In the name of **Allah**, the Most Gracious, the Most Merciful.

**PROOFS OF HA MEEM - H.M.** to reveal the messenger with the name of Husain Makbool

There are **7 chapters** having a total of **14 initials of H.M.** in them.

They are chapters 40 through 46. The beginning and ending numbers for the 7 H.M. chapters have been precisely chosen by **Allah, Most Wise** for the reason of revealing the Seven Pairs Sign to the messenger, Husain Makbool whose name is coded through the H.M. initials that represent his last and first names. Here is the Proof.

**40,46 = 14 x 289** The quotient **289** represents the values of “**Al-Raheem**” – **Most Merciful** and “**Allaho Akbar**” – **Allah is the greatest**. Moreover the sum of digits of 2+8+9 reveals the sum of **19**.

In addition, the sum of digits of the first and last chapters 4+0+4+6, reveals the sum of **14**. These are the Sacred Proofs of my Lord revealing that the messenger has been granted the Miracles of Seven Pairs as well as the Miracle of 19; both of these numbers are enshrined in the verses of the entire Quran.

**The Sacred Attributes of Al Raheem and Allah o Akbar.**

**Revealed:** The **Allah letters** in both words is **precisely 7** that are matched with **7 letters** of the **messenger**, thus revealing the great miracle and proof of **Seven Pairs** through **Allah and His messenger’s letters**, Subhan Allah.

All 7 chapters with the exception of chapter 42 are uniformly coded with H.M. initials with the 1<sup>st</sup> verse assigned to such initials, except chapter 42 that has the Quran’s Initials of A.S.Q. assigned to Verse # 2. The relevance of the 3 additional Initials as part of chapter 42 is demonstrated through this proof.

The GV of chapter name “Al-Shoora” (The Consultation) is **547** and GV of the 3 Initials of A.S.Q. is **230**, revealing the sum of **777**, a proof that conforms to the Seven Pairs.

In the Chapter name, the GV of **Allah letters** is 31 and GV of **messenger’s letters** is 46, the sum of both is **77**, revealing the **Miracle of Seven Pairs**. The **Allah letters** are 2 and **messenger’s letters** are 3, **revealing the diff. of 1**.

The additional 3 initials in this chapter are meant to reinforce the important **Verses 42:51,52,53** that are on the system of “**Inspiration**” for the messengers chosen by **Allah**. These are the ending 3 verses in the chapter and are inscribed with **3 counts of Allah** to match and reveal the **Miracle of 3** for the **3<sup>rd</sup> messenger** from the Quran.

In all, there are a total of 5 initials in Chapter 42 with 1 that is not part of the messenger's name, while the remaining 4 are part of his name. The pattern of 1 and 4 reveals the **number 14** that is the Sacred Miracle of Seven Pairs.

The name of the first chapter with H.M. initials is "**Forgiver – Ghaafer.**" The chapter name is inscribed with only **1 letter** of **Allah** as an **Aleef** to signify that He is the only **Forgiver** with this **Absolute Attribute**.

The Attribute of "**Forgiver**" is explained through **Verse 40:3** after which the title name appears.

**40:3 Part 1:** Forgiver of sins, acceptor of repentance, strict in enforcing retribution, and Possessor of all Power.

**Part 2:** There is no other god beside Him. To Him is the ultimate destiny.

**Revealed:** The **Allah letters** are 13 and 14 in each part, revealing the diff. of 1.

**40:3 Part 1:** Forgiver of sins, and acceptor of repentance, strict in enforcing retribution.

**Part 2:** Possessor of all Power. There is no other god beside Him. To Him is the ultimate destiny.

**Revealed:** The **messenger's letters** are 14 and 13 in each part, revealing the diff. of 1.

**Revealed:** The **Allah letters** in entire verse are 27 and **messenger's letters** are also 27 – Perfectly Matched, Glory be to Allah.

**Part:** Possessor of all Power, there is no other god beside Him.

**Revealed:** The GV of **Allah letters is Perfectly 165**, proving that there is no other god beside Him and that He is the Possessor of all Power – He is the Creator of everything, and everything returns back to Him.

**The Attribute of:** "Possessor of all Power."

**Revealed:** The GV of **Arabic Letters is Perfectly 786**, proclaiming **Allah's Absolute Power** through *Bismillah Al Rahman Al Raheem*, as He is the One who initiated the creation of everything by proclaiming His glorified Name.

The Prophecy narrated in Verse 61:6 mentions the name of the messenger as "Ahmed." The only letters of the messenger in "Ahmed" is H.M. that conform with the Quran's Initials in the 7 chapters of H.M. Thus the messenger Husain Makbool is revealed through these Initials to fulfill the Prophecy of Ahmed.

The word "**Ahmad**" in **verse 61:6** comprises of the last and first name initials of the messenger **H. and M.** to augment and magnify the great Miracle of Seven Pairs, as these Initials occur in 7 chapters with a sum of 14.

The word “**Ahmad**” comprises of 4 Arabic Letters, out of which are 2 are from the messenger’s name. The remaining 2 comprise of “Aleef” (A) as the 1<sup>st</sup> letter and the last letter being “daal” (D). When placed side by side, they reveal the pattern of 14 through the gematric values, thus revealing the Miracle of Seven Pairs that surrounds “messenger Ahmad” and his Sign of H.M. in the revealed metaphorical word, to fulfill the “Prophecy of Ahmad” as well as the “Prophecy of Smoke” as given in chapters 61 and 44.

The **H** is the initial for **Husain**, and **M** is the initial for **Makbool**, revealing the name of the messenger. The Initials with their gematric values are interlocked with the messenger’s name to reveal both of the *Sacred Codes of 19 and 14*.

Let us concatenate the numbers by placing the Quran’s Initials of H next to my last name 128 as well as Quran’s Initial of M next to my first name 178 to witness the Sacred Coding wrapped around the Initials with the messenger’s name.

$$8,128,40,178 = \underline{19} \times 42781062$$

$$40,178,8,128 = \underline{14} \times 28699152 \quad \textit{This is the Revelation of the Sacred Codes of 19 and 14.}$$

The H.M. initialed chapters numbered 40 through 46 are the only chapters that were revealed in consecutive order, to Prophet Muhammad at the time of the Original Revelation of the Quran. After revelation of the entire Quran, **Allah, Most Wise** restructured the order of the chapters and verses that was different than the original order of revelation. The miraculous phenomena is revealed through the 7 chapters with Quranic Initials of H.M. that are still in consecutive order even in the later arrangement of the order of chapter numbers and verse numbers. The original order of revelations at the time of first revelation to the prophet was assigned as 60, 61, 62, 63, 64, 65, and 66. Later, during the prophet’s life and before his death, **Allah, Most Wise** rearranged the Quran’s chapters and verses, but chose to keep the 7 chapters with Quran’s Initials of H.M. in consecutive order, as shown below.

**Proofs through the Chapters and their Verses:**

Chapter 40	Verses 85
Chapter 41	Verses 54
Chapter 42	Verses 53
Chapter 43	Verses 89
Chapter 44	Verses 59
Chapter 45	Verses 37
Chapter 46	Verses 35

**Revealed:** The sum of all 7 chapters is 301 (7x43). The sum of verses of the seven chapters is **412** – this reveals the words “verses, signs, proofs, revelations, and miracles.” All of these are confirmed through the immense number of revelations, proofs, signs, and miracles revealed to the messenger and encompass hundreds of pages of Proof Documents.

**Chapter 1 is called “the Key” and has 7 verses.**

**Revealed:** **Allah letters** in the 7 verses are **49** and **messenger’s letters** are **79**, to reveal the sum of **128**, Subhan Allah.

\*\* The proofs in Chapter 1 having 7 verses and bearing 49 Allah's letters with 79 letters of the messenger correspond with the proofs revealed through 7 chapters under the initials of H.M. These provide the same **matching proofs** of 49 and 79.

**Revealed:** The sum of all digits of all H,M. chapter numbers is:

$$4+4+1+4+2+4+3+4+4+4+5+4+6 = \underline{49} = \underline{7} \times \underline{7}$$

**Revealed:** The sum of all digits of all verse numbers is:

$8+5+5+4+5+3+8+9+5+9+3+7+3+5 = \underline{79}$ . These are the total number of Quranic Initials in all the 29 Initialed chapters.

The sum of all digits of chapters numbers and verse numbers is therefore  $49 + 79 = \underline{128}$ , revealing the name of ***coded messenger Husain***, whose name is woven and wrapped around the **7 chapters of Quranic Initials of H.M.** with their verses, as well as within the script, verses, and contents of the Quran. The Revelation of the last name of the messenger as **128** effectively seals and binds the **7 chapters** as the most profound Sign revealed to messenger Makbool Husain by the ***Almighty, Most Praiseworthy, Most Wise, Lord of the Universe.***

\*\* The following provide the same **matching proofs** of 49 and 79, as revealed through the 7 chapters bearing the initials of H.M. through the **1<sup>st</sup> chapter** called **Al-Fatehah** that has **7 verses**.

**Revealed:** Allah letters in the 7 verses are **49** and messenger's letters are **79**, to reveal the sum of **128**, Subhan Allah.

**First and Last Occurrence** of chapter numbers is 40 and 46. The first and last occurrence of verse numbers is 85 and 35.

**Revealed:** The sum of all digits of **both chapters** is:  $4+0+4+6 = \underline{14}$

**Revealed:** The sum of all digits of **both verses** is:  $8+5+3+5 = \underline{21}$ . The difference in the numbers of both sets is **precisely 7, Praise be to my Lord.**

The numbers assigned by **Allah** to the 1<sup>st</sup> and last chapters as 40 and 46 have a Divine reason behind them, as the following will reveal. The numbers open up the **Verse 40:46**, which states:

**40:46 Part 1:** The Hell will be shown to them day and night, and on the Day of Resurrection.

**Part 2:** (it will be said) "Admit Pharaoh's people into the worst retribution."

**Revealed:** The **messenger's letters** in each part are 19 and 7, revealing and confirming the Truth of **Allah's Words** through the sacred numbers inscribed in the verse under the letters of the messenger.

**Revealed:** The GV of **messenger's letters** in each part is 506 and 154 - **the diff. is 352**, revealing the name of the sacred scripture – "**Quran.**" Through these defining and coded revelations, **Allah has** proven the meaning and the seriousness behind His Words in the Quran.

The above proof of Quran through the GV of messenger's letters is a grave reminder for all the people, that just like Pharaoh's people were admitted to Hell by refusing to accept the revelations of **Allah** sent through His messenger, similarly the people of current generation as well as future generations will be sent to Hell for rejecting the revelations sent through the messenger, Makbool Husain.

\*\* The last chapter in which the verses numbered under the messenger's names as **128** and **178** occurs in **Chapter 37**, with the remaining chapters in the Quran being **77** – **the Seven Pairs**.

The verses in chapters up to **Chapter 37** which have the **digit 7** in them are as follows:

Chapter 1	Verses <u>7</u>
Chapter 4	Verses <u>176</u>
Chapter 8	Verses <u>75</u>
Chapter 9	Verses <u>127</u>
Chapter 22	Verses <u>78</u>
Chapter 25	Verses <u>77</u>
Chapter 26	Verses <u>227</u>
Chapter 33	Verses <u>73</u>
=====	=====
<b>Sum is :</b>	<b>128</b>
	<b>840</b>
	=====

This reveals the name of the **messenger, Husain, 128** along with the **Sign of H.M. 840** granted and revealed to him by **Allah, Most High**.

The precise Proofs revealed above were skillfully embedded in the chapters and verses of the Quran by the Most Wise. The minds can never fathom or detect such hidden proofs. This proves that no one can find out the **Secrets of Allah – He is the only Knower of the Secrets in the past and the future**, and in the heavens and the earth. Could anyone comprehend 1400 years ago and even later on that a messenger will come from the same Quran through the same verses that will be **Perfectly Matched** to reveal his name and the Sign granted to him?

The first and last in the list of chapters / verses is Chapter 1 + 7 verses + Chapter 33 + 73 verses, **revealing the sum of 114**, confirming that the **Quran authored by Allah has 114 chapters** and the messenger's name letters are part of the Quran.

The first and last in the above table of verses having the digit 7 in them is Chapter 1 with 7 verses and Chapter 33 with 73 verses. The difference between 1<sup>st</sup> and last occurrences of verses as 7 and 73 is **precisely 66**, revealing the **Signature and Stamp of Allah, Most Glorified**.

**Revealed:** The first occurrence under **Verse 1:7** has **15 letters of Allah** while the last occurrence under **Verse 33:73** has **29 letters of Allah**. These sacredly embedded numbers reveal the enormous and unfathomable wisdom of **Allah** by revealing the **difference of 14** as the great **Miracle of Seven Pairs** granted to the messenger.

\*\* The total number of occurrences of **digit 7** happens to be precisely **14** in the entire Quran's verses assigned to specific chapter numbers. The "Contents Section" of the Quran reveals the occurrence to be **9 times** before Chapter 37 that has verses under the messenger's names as the last occurrences, with **5 more** in the remaining chapters from Chapters 38 to 114. This creates a "**split**" of **9-5**, and the verses under the messenger's names as **128** and **178** appear in the Quran with the same split and order of **9 verses** under **128** and **5 verses** under **178**, Subhan Allah.

The sum of the split of verses up to chapter 37 is 840 and in the remaining chapters, the sum of verses with the digit 7 in them is 214.

Writing these numbers as 840214, it is apparent that the sum of digits are:  $8+4+0+2+1+4 = 19$ . Writing them separately, the sum of digits are 12 and 7 which creates verse 127. The only chapter which has 127 verses is Chapter 9. The sum of digits is 19 again. Why did God reveal the number 127 out of the all the Quran's verses?

**Reason:** The tampering of the Quran with the addition of 2 false verses happened at the end of Chapter 9 through the introduction of verses 128-129. These 2 false verses were knocked out and deleted by the previous messenger Rashad Khalifa who was inspired to note that these 2 verses did not fit into the perfect mathematical pattern that includes the precise count of the word "God – Allah" as 2698 revealed by Allah in the Quran. It has been proven that the last verse in Chapter 9 is **Verse 127**. This is specially marked with the **Aleefs, Allah letters and messenger's letters** to reveal the **Stamp and Seal of Allah, Most Praiseworthy** on the Chapters Verses.

**9:127** Whenever a sura was revealed, some of them would look at each other as if to say: "Does anyone see you?" Then they left. Thus, **ALLAH** has diverted their hearts, for they are people who do not comprehend.

**Revealed:** The **Aleefs of Absoluteness** are 11 and the **Allah letters** are 25, **the diff. is 14**.

**Revealed:** The **Allah letters** are 25 and **messenger's letters** are 39, **the diff. is 14**, Subhan Allah.

**Proof of Absoluteness through the Aleef in Allah:** Up to the **Aleef of ALLAH**, the **GV of Allah letters** is a **Perfect 114**.

The **GV of messenger's letters** up to the **Aleef of Allah** is 600, **the sum becomes 714** – the great Proof and Miracle of the **Seven Pairs** is Stamped on the glorified name of **Allah** along with the letters of the messenger, as well as the entire verse. **Subhan Allah**.

**Praise be to Allah**, who has sealed, marked, and stamped the Sura as well as the entire Quran with His letters as well as His messenger's letters being the **Absolute Signature** over His Scripture.

\*\* The 1<sup>st</sup> chapter with the Quran's Initials of H.M. is chapter 40.

**The Miracle of 7:** From Verse 1 saying H.M. to Verse 7 up to the first word having the letters H.M. is "yahmeloona." There are precisely 17 Meem and 8 Ha, revealing the first name of messenger, Makbool. **Praise be to Allah** who has inscribed the messenger's name letters with absolute precision to reveal a true **Marvel**.

\*\* The first chapter of H.M. is **chapter 40**. There are **14 occurrences** of words in the verses that have “**Haa Mim**” in them. They are in the following words:

40:7 “ yahmeloona – behamde – rahmat – aljaheem ”  
40:8 “ Al Hakeem ”  
40:9 “ rahmat ”  
40:12 “ fa alhukmo ”  
40:18 “ hammeem ”  
40:48 “ hakama ”  
40:55 “ behamde ”  
40:65 “ alhumdo ”  
40:72 “ alhameem ”  
40:75 “ tamrahoon ”  
40:80 “ tahmaloon ”

The above are precisely 14 words that have the letters “ha and meem” at the same time. These do not include words that have just “ha” in them or just “meem” in them.

Another Profound Miracle in chapter 40 being the 1<sup>st</sup> chapter of H.M. Initials.

**40:78 Part:** No messenger can produce any miracle without **Allah’s** authorization.

**Revealed:** The **Allah letters** are 16 and **messenger’s letters** are 17, revealing the **Supreme Revelation of 1** through the difference.

**40:78 Part:** No messenger can produce any miracle.

**Part:** Without **Allah’s** authorization.

**Revealed:** The GV of **messenger’s letters** is 304 and 142 in each part, **revealing the diff. of 162**. The revelation of 1 and 162 explain that the miracles revealed and granted to the messenger have been authorized by the **Most Gracious** and are profound signs for the messenger to preach the religion of **Islam 162** to the people.

**40:78** After part of the verse proclaiming the revelation of 1 as a Miracle, the remaining verse says:

**Part:** Once **Allah’s** judgment is issued, the truth dominates, and the falsifiers are exposed and humiliated.

**Revealed:** The **messenger’s letters** are **Perfectly 19**, proving that **Allah’s judgment** has been issued; the truth will dominate and the falsifiers will now be exposed and humiliated.

From **Verse 78** after the part on **Allah’s Authorization** up to **Verse 84**, and up to the words, “**Now we believe in Allah Alone**” these constitute 7 verses. The **messenger’s full name as 306** is embedded in the words and verses in a unique and special way with the precise count of 30 meems (M) and 6 ha (H), revealing the full name of the messenger 306 through the pattern – the

most profound **Miracle from Allah Ta'ala** who has counted every letter of the Quran to include the messenger's name letters and revealing them under a "**specific pattern**" to spell out his name. **Alhumdo Lillah.**

There is another **Marvel** for the Believers through **Chapter 46** being the last of H.M. Initials. The Sacred Codes of 14 and 19 are revealed and confirmed through Verses 14 and 19. These verses are embedded with Miracles revealed to the messenger to proclaim that those who believed in **Allah's Absoluteness** through the messenger, and worked righteousness, they will be granted Paradise as an eternal abode. This will be the well-deserved reward for their belief and righteous works. This is the **only chapter** whose verses under the numbers 14 and 19 reveal this Marvel.

**46:14** They have deserved Paradise, where they abide forever; a reward for their works.  
**Revealed:** The **Allah** letters are **14** and **messenger's** letters are **19**, revealing and confirming the reward of Paradise for the righteous through the **Sacred Codes of 14 and 19** that are inscribed in the verse through the letters of **Allah and His messenger.**

**Note** the complementing proofs of **Allah letters 14** matching with the **verse number 14** and **messenger's letters 19** to reveal the **sacred codes of 14-19**. These confirm **Allah's promise** to the believers, who will be justifiably and amply rewarded for their righteous works.

**46:19** They all attain the ranks they have deserved, in accordance with their works. He will pay them for their works, without the least injustice.

**Revealed:** The **Allah** letters are **14** and **messenger's** initialed letters are **19**, revealing the **Sacred Codes of 14-19**, assuring the people that they will attain the ranks in accordance with their works and everyone will be paid in a fair and just manner without the least injustice.

Note the alternating and complementing proofs as the verse number is **19** and **Allah letters** are **14**. Moreover the **messenger's** name initials are **19** to match with **verse number 19**.

Those who can read the Quran in Arabic can see, witness, and appreciate this phenomenal miracle from our **Lord**. The messenger's name letters and initials are part of the Quran. The following verses state that **Allah** has encompassed and counted everything in the Quran, on earth, and in the entire Universe. You will see the assortment of proofs and miracles through the next 5 verses on the subject of precise count, **Praise be to Allah.**

**19:94** He has encompassed them, and has counted them one by one.

**Revealed:** The **Allah** letters are 5 and **messenger's** letters are 6, revealing the diff. of 1.

**Revealed:** The GV of **Allah letters** is 42 and GV of **messenger's letters** is 224, the sum of both numbers is **266** that is **14 x 19**, revealing both of the **Sacred Codes**.

**78:29** We counted everything in a record.

**Revealed:** The **messenger's** letters are 7.

**72:28 Part:** He is fully aware of what they have. He has counted the numbers of all things.

**Revealed:** The **Allah letters** are 8 and **messenger's letters** are 12, revealing the name of the messenger through the **Sacred Pattern of 12 and 8**.

**36:12 Part 1:** We will certainly revive the dead, and we have recorded everything they have done in this life, as well as the consequences that continue after their death.

**36:12 Part 2:** We have counted and encompassed everything in a profound record.

**Revealed:** The GV of **messenger's letters** are 602 and 306 in each part, revealing the diff. of **296, proclaiming "Rasool – messenger."** Just like Makbool Husain has been recorded as a messenger, so are the deeds and the fate of every human being recorded in the **Master Record of Allah, Glory be to Him**.

**Revealed Part 2:** The GV of **messenger's letters** is **perfectly 306** revealing the full name of the messenger Makbool Husain whose name had been counted early on and is recorded as a **messenger** in the **Master Record of Allah, Most Praiseworthy**.

**85:21** Indeed, it is a glorious Quran.

**85:22** In a preserved master tablet.

**Revealed:** The **messenger's letters** are 7 and 7 in each verse, revealing the perfectly matched proofs of 7 with a total of **14 letters**.

**Revealed:** The GV of **Allah letters** is 36 and 30 in each verse, the sum is **66**, revealing the glorified name of **Allah** who has included the messenger's name letters that are preserved in the glorious Quran and in the **Master Record of Allah**. The pattern of 36 and 30 opens up and reveals **Verse 36:30** to reveal yet another **Marvel** of the precise count of **Allah, Most Wise**.

**36:30** How sorry is the people's condition! Every time a **messenger** went to them, they always ridiculed him.

**Revealed:** The **messenger's** name initials are precisely **14** up to "**messenger**" and **19** in the entire verse, revealing the **Sacred Codes of 14-19** that are linked to the messenger and granted to him as profound **Signs of Allah, Most High**.

**Revealed:** The GV of **messenger's** letters up to "**messenger**" is 436 and in the remaining verse

is 214, **revealing the diff. of 222**, proclaiming "**Rabbayka – your Lord**" who has revealed these revelations with His will, glory be to Him.

**Revealed:** The GV of **Allah letters** in the entire verse is **Perfectly 148** bringing praise to Him through the words "**Alhumdo Lillah**." The sending of a messenger is a praised message that grants the believers the chance to praise **Allah** who appoints and reveals the name of the messenger at the time of His choosing.

**The Great Marvel of Allah:** The count of Allah letters from Verse 1 to Verse 36 up to the word “*Rasool – messenger*” is perfectly and **precisely 306**, revealing the full name of the messenger mentioned in this verse.

**Paradise reserved for the righteous who come back to Allah with their whole heart**

**26:89** Only those who come to **ALLAH** with their whole heart (will be saved).

**26:90** Paradise will be presented to the righteous.

**Matching and Alternating Proofs:**

In **Verse 26:89**, the **messenger’s letters** are **14**, and in **Verse 26:90** the **Allah letters** are **7**, revealing the great *Miracle of Seven Pairs, as well as the Matching Revelation*.

In **Verse 26:89**, the **Allah letters** are 10, and in **Verse 26:90**, the **messenger’s letters** are 10, revealing the **Matching Revelation**.

**Revealed:** The GV of **messenger’s letters** in each verse are 464 and 376, **revealing the sum of 840** being the profound Sign granted to the messenger through 7 chapters with **Quran’s Initials of H.M. which represent his name of Husain Makbool**. The revealed proofs inform the believers that Paradise is for those who come back to **Allah** with their whole heart – meaning that they fully believed and observed all the commands of **Allah** as well as believed in all His messengers without making any distinction amongst them. The righteous upheld the **Absolute Authority of Allah** and fully believed wholeheartedly in His revelations, proofs, and miracles sent through His messengers.

**The Sign of H.M. as 840 for the messenger** is also confirmed through the revelations revealed through **Verse 8:40** that has the same numbers as the Sign of H.M. 8,40.

**8:40** If they (*the disbelievers*) turn away, then you should know that **Allah** is your Lord and Master; the best Lord and Master, the best supporter.

**Revealed:** The **Allah** letters are 17 and the **Aleefs** are 8, revealing the first name of the **messenger 178** through the Pattern of 17 and 8.

**Revealed:** The **messenger’s** name initials in the verse are 21 and the **name** letters are 28, revealing the diff. of **7** – **the Proof of Seven**.

The revealed numbers when concatenated provide the proofs of 19 and 14.

$$21,28 = \underline{19} \times \underline{14} \times 8$$

**8:39 Part 1:** You shall fight them to ward off oppression, and to practice your religion devoted to **Allah** alone.

**Part 2:** If they refrain from aggression, then **Allah** is fully Seer of everything they do.

The sum of digits of chapter is **8** and of the verse number is **12**, revealing the name of messenger **128**.

**Revealed:** The **Allah letters** are 12 and 11 in each part, **revealing the diff. of 1**.

**Revealed:** The GV of **Allah letters** in the entire verse is **308**, **a multiple of 14**. (14 x 22)

**Revealed:** The GV of **Allah letters** in **Part 1** is **Perfectly 202** revealing the glorified name of “**Lord – Rabb**” to enlighten the people to ward off oppression and to practice the religion devoted absolutely to **Allah** without committing idol worship.

*What does it mean to “practice the religion devoted to Allah alone?”* Note the Proof that will provide only one meaning to guide the people and the believers.

**8:39 Part:** And to practice your religion devoted absolutely to **Allah**.

**Revealed:** The GV of **Allah letters** is 131 and GV of **messenger’s letters** is 252, revealing the sum of **383** to proclaim the Sacred Scripture – **Al Quran**. Note that the glorified proof of 383 is revealed with the inclusion of messenger’s letters with the GV of 252 – being a multiple of 14.

The clear meaning behind **practicing Islam devoted absolutely to Allah** has emerged to enlighten the believers and others, that this can only be achieved by upholding and following “**Quran Alone**” without indulging in human books, the scholars teachings or your own self opinions and conjecture.

**18:26** Say, “**Allah** is the best knower of how long they stayed there.” He knows all secrets in the heavens and the earth. By His grace you can see; by His grace you can hear. ***There is none beside Him as Lord and Master, and He never permits any partners to share in His kingship.***

**Revealed:** The **Allah letters** are 30 and **messenger’s letters** are 44, **revealing the diff. of 14**. The profound revelation of seven pairs confirms the verse above. The subject matter in Part 2 of the verse in bold lettering is linked to Verse 18:27 and clarifies that those who do NOT go by the scripture of **Allah** end up setting partners with Him. For certain, He does not permit any kind of partners to share in His Kingship.

**18:26 Part:** Say, “**Allah** is the best knower of how long they stayed there.”
