

I seek refuge in Allah from satan the rejected.
In the name of Allah, the Most Gracious, the Most Merciful.

There are many prophets and messengers mentioned by name in the Quran. What is most remarkable is, that though the Quran was revealed to Muhammad – the prophet and messenger of **Allah**, his name is mentioned only **4 times** in the verses – they are 3:144, 33:40, 47:2, 48:29. Most or all of the verses are addressed to him but not by name. The 4 verses where his name is mentioned are:

3:144 The Allah letters are 35

33:40 The Allah letters are 24

47:2 The Allah letters are 26

48:29 The Allah letters are 80

Revealed: The total number of **Allah's letters** that are stamped and inscribed in the 4 verses that mention the name of Muhammad is **perfectly 165**. *Why, and what is the number 165 for?*

** (See revelation on Page 3) Muhammad was an *idol worshiper* before the guidance came to him, just like all of us were before we were guided by the **Most Gracious**. He was inspired by **Allah** at age 40 to know that **Allah is One and Alone** and Muhammad believed in the **Absoluteness of Allah** that is represented through the number **165**. The Shahadah “La Elaha Ella Allah” and the attribute of “Al-Samad” both have the GV of 165, meaning, that there is no other god beside Allah and He is the Absolute. This reveals the absolute precision of Allah to code the verses under his name with this profound and sacred number. Had **Allah** inscribed the name of Muhammad in more than 4 verses, or made the verses short or long, this Miracle of 165 would not have happened. Because of this specific Miracle, it is apparent and evident that Allah has authored the Quran and has revealed it with His own knowledge. Refer to Verses 10:37 and 4:166.

To prove the sacred number **165**, **Allah Most Exalted** has precisely revealed 5 verses bearing the words “*Allah Wahdahoo – Allah Alone*” with the inscription of **165 letters of His name**. This sacred number proves the **Absoluteness of Allah** and also proves all of the attributes mentioned in the Quran for Him. The number 165 also reveals that the Absolute Lord is the One who chooses His messengers and inspires them to believe in Him and His Absoluteness while refraining from committing any kind of idol worship.

The clear example of **Allah's Absolute Authority** is represented by the truth and fact that there are 5 verses mentioning “*Allah Wahdahoo*” and 4 verses that mention the name of His messenger and prophet, Muhammad, thus **revealing the difference of 1**, to prove His Absolute Wisdom, Omniscience and Omnipotence.

Another Marvel and Miracle is that the number **165 is Matched Perfectly** for the 5 verses mentioning “*Allah Wahdahoo*” and the 4 verses mentioning the name of His prophet and messenger, **Muhammad**.

The 5 verses under “*Allah Wahdahoo*” are the following.

7:70 The Allah letters are 23

39:45 The Allah letters are 26

40:12 The Allah letters are 23

40:84 The Allah letters are 20

60:4 The Allah letters are 73

Revealed: The total number of **Allah letters** in the 5 verses are **Perfectly 165**, Praise be to my Lord.

Revealed: The sum of 5 verses for **Allah Alone** is **215** and the sum of 4 verses on Muhammad is also **215** – thus **Perfectly Matched**, to reveal the **Perfection of Allah** and the Quran that was inspired and revealed to Muhammad.

Let me open up verses 21:5 and 2:15 that evolve out of the number 215 to show you the **Absolute Wisdom, Omniscience, and Omnipotence of Allah**, who controls everything in the Universe.

21:5 They even said, "Hallucinations," "He made it up," and, "He is a poet. Let him show us a miracle like those of the previous messengers."

Revealed: The **Allah** letters are 25 and **messenger's** letters are 26, **revealing the diff. of 1**.

2:15 **Allah** mocks them, and leads them on in their transgressions, blundering.

Revealed: The **messenger's** letters are **19**.

Both Verses: The GV of **Allah letters** is 298 and 91 in each verse, the diff. is **207** proclaiming the sacred word "**Rabbahoo – his Lord.**"

Thus, both verses evolving out of verses from the sets given above are marked and stamped with **Allah and His messenger's letters** to reveal the revelations of 1 and 19 as well as the name of the **Lord, Subhan Allah**.

21:5 Part: Let him show us a miracle like those of the previous messengers.

The disbelievers asked Muhammad as well as the current messenger for a Miracle like those of the past messengers. **Allah is Bounteous and Omnipotent**, so here is the truthful and verifiable Miracle to nullify the statement of the disbelievers.

Revealed: The **Allah letters** are 12 and **messenger's letters** are 13, **revealing the diff. of 1**.

Revealed: The GV of **Allah letters** is 132 and GV of **messenger's letters** is 354, revealing the diff. of **222** to proclaim "**Rabbayka – your Lord.**"

BESIDES ALLAH, CAN ANYONE FROM HIS CREATIONS PRODUCE MIRACLES LIKE THESE OUT OF THE VERSES THAT CAN BE READ AND VERIFIED? PRAISE BE TO ALLAH.

** The disbelieving and idol worshipping followers of the Quran who have corrupted the truthful Shahadah by including Muhammad's name are basically worshipping 2 gods, as per Verse 16:51.

There is a verse in the Quran that makes it clear that Muhammad did not read the previous scriptures nor did he write them with his hand.

29:48 You did not read the previous scriptures, nor did you write them with your hand. In that case, the rejectors would have had reason to harbor doubts.

Comment: The previous scriptures were all revealed by the same one god – **Allah**. These scriptures had the same message of **Allah's Absoluteness** and the prohibition of all forms of idol worship. As Muhammad did not read the previous scriptures, he would not have known that **Allah is One and Absolute**. Therefore, whatever he believed and followed prior to receiving the true guidance would constitute idolatry. **Allah** has stated the truth about Muhammad while the idol worshipers dispute the truth about **Allah's narration**. Here is the Proof for Verse 29:48.

Revealed: The chapter number is 29 and verse number is 48, **revealing the diff. of 19**.

Revealed: The sum of digits of chapter 29 is **11** and the sum of digits of verse number 48 is **12**, **revealing the diff. of 1**.

29:48 Part 1: You did not read the previous scriptures.

Part 2: Nor did you write them with your hand.

Revealed: The **Allah** letters are 5 and 3, **revealing the diff. of 2 gods** for "idolatry." The proof confirms that Muhammad did not follow any revealed religion till he was guided by **Allah**.

Part 3: In that case, the rejectors would have had reason to harbor doubts.

Revealed: The GV of **messenger's letters** for the entire verse is 784, revealing **14 x 14 x 4**. The Miracle of Seven Pairs through the GV of messenger's letters provides additional confirmation to the meaning of the verse.

Here is more evidence that Muhammad stopped worshiping idols after the clear revelations came to him from his Lord.

40:65 He is the Living; there is no god except He. You shall absolutely worship Him, devoting your religion absolutely to Him. Praise be to **Allah**, Lord of the universe.

This verse precedes Verse 40:66 whereby Muhammad proclaimed that he was enjoined from worshiping the idols that the disbelievers worshiped beside **Allah** and was commanded to submit absolutely to the **Lord of the Universe**. The verse explained to Muhammad that **Allah** is the only Living One and that there is no god except He, therefore he should worship **Allah** by devoting his submission absolutely to **Him**.

Revealed: The **Allah** letters are 27 and **messenger's** letters are 28, **revealing the diff. of 1**. The Revelation of 1 proclaims **Allah's Absolute Authority** as being the only **Living and Eternal Lord of the Universe**.

40:66 Part 1: Say, "I have been enjoined from worshipping the idols you worship beside **Allah**."

Part 2: When the clear revelations came to me from my Lord.

Part 3: I was commanded to submit to the Lord of the universe.

Note that the numbers chosen by **Allah** for the chapter and verse number have a specific meaning behind them. The **number 40** represents the age at which Muhammad received the true and inspired guidance from **Allah, 66**.

Revealed Part 1: The **messenger's** letters are **perfectly 19**, confirming **Allah's command** given to the messengers enjoining them from worshiping idols besides **Allah**.

Revealed: Parts 2 & 3: The **messenger's** letters are 12 and 13, **revealing the diff. of 1**. The sacred coding has been revealed through the current messenger's letters in order to confirm the verses of the Quran. What applied to prophet Muhammad also applies to subsequent messengers, except some verses and incidents that occurred during his lifetime.

Part 2: When the *clear revelations* came to me from *my Lord*.

Revealed: The Arabic letters are **14** up to "*clear revelations – al bayyinato*" and **19** up to "*my Lord – Rabbi*" revealing the **Sacred Codes of 19-14**. The revelations inspired by **Allah** are clear and coded to prevent the devils from interfering in them and to expose the followers of the scripture who are hypocrites, disbelievers, and idol worshipers.

Revealed: For the same part of the verse, the Arabic Letters are **19** and Quranic Initials are **14**, revealing the **Sacred Codes of 19-14** for the second time within such a short verse.

Revealed: The **messenger's** letters are 44 and **Verse No.** is 66, **the sum is 110**, revealing the **Absoluteness of Allah**. The messengers are inspired clear revelations and are commanded to submit to the **Lord of the Universe**.

Both Verses 40:65-66 are uniquely coded through the letters of Muhammad to prove that he indeed gave up worshiping idols after the revelations came to him. For us humans, it is inconceivable and unfathomable that the verses are coded in so many different ways to reveal the specific meaning through them.

Revealed: The letters of (prophet) **Muhammad** are 8 and 9 in each verse, **revealing the diff. of 1**. This is the **Signature and Stamp of Allah** who authored the verses of the Quran to confirm everything that He had revealed to **Muhammad**.

I have done a count for the messengers mentioned in the Quran. It may not be exact and may be more or less for each messenger. But it will give the believers some idea as to which messenger is mentioned and quoted the most and the least.

Here is the chart showing the names of messengers and the count of each one's name in the Quran.

*** There are 7 chapters in the Quran that are named after the messengers. They are:

Chapter 10	Younus
Chapter 11	Hud
Chapter 12	Yousuf
Chapter 14	Ibrahim
Chapter 31	Luqmaan
Chapter 47	Muhammad
Chapter 71	Noah

Let us now see and reflect on **Moses** who has been mentioned approximately 135 times, more than any other messenger.

1. Allah created Moses for Himself and made him a messenger at birth

2. The purpose behind creating Moses – to counter the evil, cruel, and arrogant Pharaoh who called himself a god beside Allah.

3. Moses had a speech problem because of a knot in the tongue, as well as temper problems
4. Moses requests his Lord to strengthen him by appointing his brother Aaron as an assistant.
5. ALLAH spoke to Moses directly.
6. Moses Granted the Scripture and the Statute Book
7. Some of the Miracles granted to Moses
8. Retribution for the wicked transgressors
9. Moses's made an inappropriate request to see his Lord physically
10. The disbelievers asked Moses to show them Allah, physically.
11. The followers of Moses put to the Test by Allah
12. Moses was provided a marriage partner while helping a family to fill up water
13. The Mystery behind the teacher of Moses – who was he? The Proof is at the end of the subject
14. Ultimate Fate and Retribution for Pharaoh - Pharaoh's wife was forgiven and granted Paradise

**** The prime reason behind Moses being mentioned more times than any other messenger is that Allah spoke to Moses directly with His voice as compared to other messengers with whom He communicated through inspiration, as per verse 42:51. Also, Allah has stated that He made Moses just for Himself and had him made before His watchful eyes, as per verses 20:39 and 20:41. Moreover, Moses was put in a box as a child and his mother was asked to throw him into the river to be picked up by Pharaoh who was an ardent enemy of Allah as well as Moses. Moses was raised and brought up by Pharaoh, but after growing up he rebelled against Pharaoh, fled from him, and became his enemy. (Verses 26:18 to 26:29)*

The most number of verses on Moses, the history surrounding him, the miracles granted to him, narration about his opponent and enemy Pharaoh and the retribution inflicted upon him and his followers are given in Chapter 20. They are followed by approx. 66 verses in chapter 7. The occurrences of 66 are subject to verification. (Verses 103 to 155, verses 159 to 171) Subhan Allah. Why did Allah choose chapter 7 to reveal 66 verses on Moses? The number 7 is a Miracle in the Quran; moreover the GV of the chapter name, "*Al-Ahraaf – The Purgatory*" is precisely **383** that perfectly matches with the GV of "*Al-Quran – 383.*"

You will note verses whereby Allah spoke directly with Moses, and verses whereby Moses asked to see Allah physically. It is Allah's decree and decision that no one will see Allah physically during

this life on Earth, the reason being that this life is a Test for the people to believe in **Allah** by seeing His unlimited Signs on Earth, in the Universe, within their bodies, and through His scriptures that have a lot of miracles in them. This is the reason **Allah** narrated this verse.

2:3 Part: *Who believe in the unseen.* (Lord)

Revealed: The Proof of this verse is revealed through the **messenger**, whose name letters reveals “**revelation of 296.**”

Revealed: The GV of **Quranic Initials** in the verse is **282**, and GV of **messenger’s letters** is **296**, **revealing the diff. of 14** – the **Profound Miracle and Revelation of 14**, being the Seven Pairs Sign granted to the messenger that is embedded in the verses of the great Quran, as per Verse 15:87.

Revealed: The GV of all **Arabic letters** in the verse is **Perfectly 1998**. Regarding this Sacred Number, the people have to just open up **Chapter 19** and they will witness that it has absolutely **98 verses**. The numbers 19 and 98 reflect upon the miracles of 19 and 14.

Revealed: The GV of **Arabic Letters** is 1998 and GV of **Quranic Initials** is 282, the sum is **2280**. **Praise be to Allah**, this number reveals and confirms the year of the **Day of Judgment** that was inspired to messenger, Rashad Khalifa.

Revealed: The GV of **Allah letters** is 62, by adding **His name 66**, the sum **reveals 128**, Praise be to **Allah** who has revealed the name of the messenger 128, through whom the proofs have been revealed.

Allah created Moses for Himself and made him a messenger at birth

20:37 We have blessed you another time.

20:39 "Saying: 'Throw him into the box, then throw him into the river. The river will throw him onto the shore, to be picked up by an enemy of Mine and an enemy of his.' ***I showered you with love from Me, and I had you made before My watchful eye.***

20:40 "Your sister walked to them and said, 'I can tell you about a nursing mother who can take good care of him.' We thus returned you to your mother, that she may be happy and stop worrying. And when you killed a person, we saved you from the grievous consequences; indeed we tested you thoroughly. You stayed years with the people of Midyan, and now you have come back in accordance with a precise plan.

20:41 "***I have made you just for Me.***

Revealed: The **messenger's letters** in both parts are **14**, revealing the **Miracle of Seven Pairs** and confirming that Moses was made by **Allah** before His watchful eye and made just for Him.

The purpose behind creating Moses – to counter the evil, cruel, oppressive and arrogant Pharaoh who was a tyrant and claimed himself to be a god

40:36 Pharaoh said, "O Haamaan, build for me a high tower, that I may reach out and discover.

40:37 "I want to reach the heaven, and take a look at the god of Moses. I believe he is a liar." Thus were the evil works of Pharaoh adorned in his eyes, and thus was he kept from following (the right) path. Pharaoh's scheming was truly evil.

Revealed: The **Aleefs of Absoluteness** are **19** in both verses.

Revealed: The **Allah letters** are 13 and 27 in each verse, **revealing the diff. of 14. Praise be to Allah**, who has marked these verses with the Sacred Miracles to point out the blasphemy committed by Pharaoh, Haamaan and others around him.

Part: And take a look at the god of Moses. I believe he is a liar."

28:38 Pharaoh said, "O you elders, I have not known of any **god** for you other than me. Therefore, fire the adobe, O Hamaan, in order to build a tower, that I may take a look at the **god** of Moses. I am sure that he is a liar."

Revealed: On the first occurrence of "elaaha – god" the **Aleefs of Absoluteness** are **7** and up to the second occurrence of "elaaha – god" the **Aleefs** are precisely **14**. Pharaoh committed blasphemy by calling himself god and showed gross arrogance by challenging Moses that he will build a tower so that he can take a look at his god. Therefore, both occurrences of "**god**" are marked through the precise **miracles of Seven Pairs**.

28:38 Part: Pharaoh said, "O you elders."

Part 2: Pharaoh was much too arrogant on earth, and a real tyrant.

Revealed: The **Allah letters** are 14 and 12 in each part, **revealing the diff. of 2**. Note that Part 1 is marked with **14 Allah letters** to explain that some followers of Moses did indeed believe. The revelation of 2 is to expose Pharaoh and his elders who were arrogant and tyrants.

10:84 Moses said, "O my people, if you have really believed in **Allah**, then put your trust in Him, if you are really submitters."

Revealed: The **Allah letters** are **14**. Moses asked those among his people who had believed in Allah to put their trust in Him if they had really submitted to Him.

10:84 Part: Moses said. (the messenger's letters are 7)

Revealed: The GV of **Allah letters** is **Perfectly 165** to enlighten us that Moses asked his believing followers to fully submit to **Allah** by putting all their trust in Him, meaning **Allah's Absoluteness**.

Pharaoh's wife believed and was forgiven and granted Paradise

66:11 Part 1: And **Allah** cites as an example of those who believed the wife of Pharaoh.

Part 2: She said, "My Lord, build a home for me at You in Paradise, and save me from Pharaoh and his works; save me from the transgressing people."

Revealed: The GV of **Allah letters** are **161** (7 x 23) and **227**, revealing the diff. of **Perfectly 66**, proclaiming the glorified name of **Allah - He is the One** who accepted the belief of Pharaoh's wife and knew what was in her heart. Had she proclaimed her belief openly during the time Pharaoh was alive, he would have killed her. All the numbers revealed in this verse have a meaning behind them. The number 161 is a multiple of 7, it means that she believed in the signs of her Lord, the number 227 spells out the believers, she was one of the believers; and the Perfect number of 66 represents Allah –

the only One who can forgive or punish. The sum of revealed numbers from both parts – 161 and 227, the sum is 388 proclaiming “Al Kaaferoon – the disbelievers.” Pharaoh’s wife was the only one who chose not to be a part of the disbelievers; instead she chose to be a believer in Allah, His messengers, His Signs, and His revelations. This proves the profound knowledge of Allah regarding each soul and fully knows who believes and who disbelieves. He also takes the circumstances surrounding the oppressed people into consideration.

Peace be upon the messengers.

PRAISE BE TO ALLAH, LORD OF THE UNIVERSE.
