

**Sermon:** The **majority** of those who believe in **ALLAH** do not do so **without committing idol worship**. (Verse 12:106)

---

**I seek refuge in Allah from satan the rejected.  
In the name of Allah, the Most Gracious, the Most Merciful.**

**Topic:** The **majority** of those who believe in **ALLAH** do not do so **without committing idol worship**. (Verse 12:106)

**Proof:** The GV of **Allah letters** is perfectly **110** proclaiming the **Absoluteness of Allah, Most Exalted**. The verse with its proof has a vast meaning behind it and is a warning and a reminder for the believers.

**Proof:** The **messenger's letters** are 16 and the **Aleefs of Absoluteness** are 5, revealing the profound number **165** representing **Allah's Absolute Authority** through His messenger.

**12:106 Part:** The majority of those who believe in **ALLAH**.

**Revealed:** The GV of **Allah letters** is 73 and GV of **messenger's letters** is 254, the sum is **327** to proclaim "**the messenger – Al-Rasool.**" This truly proves that the verse applies to the believers who have believed through the messenger.

**36:7** It has been predetermined that most of them do not believe.

**12:103** Most people, no matter what you do, will not believe.

**Proofs:** The Sum of verse numbers 7 and 103 is **110**, revealing **Allah's** inner knowledge that most people will not believe, no matter what kind of miracle they are shown.

**Revealed:** The **Allah letters** in both verses are 16 and **messenger's letters** are 35, **revealing the diff. of 19**.

It is easy for the believers to say that they believe in **Allah and His messenger**, but is that enough? This is only the first step and the believers are put to the Test by the **Most Gracious** to check out their belief, if they are sincere or they have doubts in their belief. The doubtful believers will be liable to commit idol worship and their belief will be rejected and nullified by the **Most Gracious**.

The Test will be based upon your belief in the **Absoluteness of Allah**; whether you observe all the commandments as decreed by Him; whether you believe in all His messengers without making any distinction among them, whether you believe, follow, and obey a living messenger, whether you observe all the worship practices, whether you believe in the entire Quran and read it everyday at dawn, as commanded; as well as your utterances will also play a role in proving your belief. The Test will be ongoing throughout your life and will happen in many different ways. It is all mentioned in the Quran.

\*\* Let me first take you back in history at the time of the Heavenly Feud, to show you satan's rebellion against **His Lord** and his disobedience in refusing to fall prostrate before Adam when the command was issued to all the angels by the **Lord**. Instead of asking for forgiveness from his **Lord** for his gross arrogance and disobedience, he challenged his **Lord** and swore to send all the human beings astray, **except a FEW**. This was the initial act of idolatry, whereby satan thought that he can be a god besides **Allah** and can refuse **Allah's commands and orders**. There are a lot more details to the history of the **Heavenly Feud** than what is written through this paragraph. The **Heavenly Feud** is spread over **66 verses** and they are detailed in **7 chapters**.

**38:82** He (Iblees) said, "I swear by **Your majesty** (Allah), that I will send them all astray.

**38:83** "Except Your worshipers who are absolutely devoted to You."

**Revealed:** The sum of both verses is  $82+83 = 165$ . This confirms that Iblees (satan) challenged *Allah's Absolute Authority* by telling Him that he will send all the people astray, except a few who are devoted absolutely to Him.

**Revealed:** The *Aleefs of Absoluteness* is 3 and 4 in each verse, **revealing the diff. of 1**. Even though the fallen angel called Iblees disbelieved in the *Absolute Authority of Allah*, the truth and fact is that he was **created** by Allah as His servant to serve as an angel. The **Proof of 1** through the *Aleefs* enlightens us that despite the disobedience of Iblees to his **Lord's** command, Allah remains the *Eternal and Absolute Lord of the Universe* in full **Control** over His creations.

**Revealed:** The **messenger's letters** are 11 and 10 **revealing the diff. of 1**. The messenger's soul has been blessed to know, recognize, and believe in the *Creator and Lord of the Universe as One and Absolute*.

**Revealed:** The **Allah letters** are 6 and 8 in each verse, *revealing the diff. of 2 (gods)*. Iblees tried to establish himself as the 2<sup>nd</sup> god by rebelling and disobeying Allah out of sheer arrogance, while forgetting that he was created by Allah. The total **Allah letters** for both verses is *precisely 14*, revealing the *Sacred Miracle of Seven Pairs to confirm the Quran's verses on the Heavenly Feud*.

**38:83** "Except Your worshipers who are absolutely devoted to You."

**Revealed:** The GV of **Allah letters** is 99 and GV of **messenger's letters** is 322, **the diff. is 223**. The proof of **223** represents *"the believers"* and Iblees knew that he would not be able to mislead and send astray the hardcore and devoted worshipers of Allah. This proof also enlightens us that the people who do believe in *Allah and His Absolute Authority* have to prove themselves on earth by believing and following His messengers in order to be called **believers**.

**38:84** He (Allah) said, "This is the truth, and the truth is all that I utter."

**Revealed:** The **Arabic Letters** are 17 and **Allah letters** are 8, revealing the messenger's **first name 178 for Makbool** through the Pattern of letters.

**Revealed:** The **messenger's letters** are 12 and **Allah letters** are 8, revealing the messenger's **last name 128 Husain** through the Pattern of letters. The messenger's full name has been revealed to reveal and prove that Allah has made him a witness over the *Original Covenant* (Verse 7:172), which is the reason that his name letters are inscribed in verses on the Heavenly Feud, as well as in the entire Quran, **Subhan Allah**.

**38:85** "I (Allah) will fill Hell with you and all those who follow you (Iblees)."

**38:86** Say, (to the messenger) "I do not ask you for any wage, and I am not an impostor."

**Revealed:** The **messenger's letters** are 19 and 20 in each verse, **revealing the diff. of 1**. The *Supreme Revelation of 1* confirms *Allah and His messenger's statements* regarding those who follow satan and reject the *messenger of Allah*.

**Revealed:** In Verse 38:86, the GV of *Allah letters is 162* to proclaim His only religion that is “*Al-Islam – the Submission.*” The messengers are sent to preach the religion of Islam and are guided by Allah, Most High.

The religion of Islam and its rites is revealed to the messengers chosen by Allah. The most important command and objective after believing in Allah is the observance of **Salat** (Contact Prayers) at 5 specific times of the day in order to worship Him. The words of **Al-Salat** are absolutely coded to conform to the religion of **Al-Islam**, as both of them have similar GV of **162**. Therefore, when Allah chooses a messenger, and reveals the truth of Islam to him, He also reveals the proper way of observing the Salat. Those who disbelieve in the messenger, their belief, faith, and Salat becomes unacceptable, as it does not conform to the specific coded worship practices that Allah reveals to His messenger.

Let me cite the word “*Al-Salat*” as given in Arabic. The Allah letters are 4, with the absolute GV of **66** to proclaim *His Honorable Name*. The messenger’s letters are 3 with the absolute GV of **66**, to proclaim the *Exalted Name of Allah*. The number of letters under Allah’s and His messenger’s name are 4 and 3 in the word, thus **revealing the diff. of 1**, to enlighten the believers that the Salat is to be observed **only** for the *One True Lord* and should not have the inclusion of any human name in it. The 2 words having similar G.V. have more precise proofs to offer by the will of my Lord. Let me write down the words again.

### “Al-Islam – Al-Salat”

**Revealed:** The total Allah letters in both words is 8 and the total messenger’s letters is 7, **revealing the diff. of 1.**

**Revealed:** The GV of Allah letters in both words is (62+66) **revealing the sum of 128**. This is the most profound revelation of the messenger’s name that is encoded in the most sacred words, *glory and praise be to Allah. This is proof that the messenger has been taught about the religion and the worship practices by Allah through inspiration, Glory be to my Lord.*

**6:162** Say, "My Contact Prayers (Salat), my worship practices, my life and my death, are all devoted absolutely to Allah, the Lord of the universe.

**6:163** "He has no partner. This is what I am commanded to believe, and I am the first to submit."

**Revealed: Both Verses:** The Aleefs of Absoluteness are 5 and 6, **revealing the diff. of 1**, Glory be to Allah.

**Revealed: Both Verses:** The Allah letters are 12 and 13 in each verse, **revealing the diff. of 1**, Praise be to Allah.

**Revealed:** The combined Allah letters for both verses are **25** and the combined Aleefs are **11**, **revealing the diff. of 14**, proclaiming that the worship practices are coded through the *Miracle of Seven Pairs* that has been revealed to the messenger as his Sign.

**6:163 Part:** He (Allah) has no partner.

**Revealed:** The Allah letters are 4 and messenger’s letters are 3, **revealing the diff. of 1**. The proof confirms through Allah and His messenger’s letters that Allah is absolutely One, Praise be to Him.

**Revealed:** The GV of Allah letters is **Perfectly 66**, Glory be to Allah.

**6:163 Part:** He (Allah) has no partner. This is what I am commanded to believe.

**Revealed:** The GV of messenger's letters is 148, revealing "*Alhumdo Lillah – Praise be to Allah.*" The glorified words of **Praise is to Allah** have been revealed through letters of the messenger. The intricate coding proves once again the inclusion and inscription of messenger's letters in the Quran, adding and bringing **praise to the Most Praiseworthy Allah who has chosen to reveal through the letters of His messenger.**

**6:163 Part:** And I am the first to submit.

**Revealed:** The GV of messenger's letters is 352, proclaiming the word "**Quran.**" The proof reveals that the messenger is the **first one** to submit to **Allah** through the Quran and His Revelations.

The GV of messenger's letters in the words "*first to submit – Awwalo Al Muslemeen*" is precisely and perfectly 296 revealing the word "*Rasool – messenger*" who is the first one to submit to **his Lord** through the revelations inspired to him.

The Verse Number **162** is coded to reveal the words "*Al-Islam and Al Salat.*" In addition the sum of digits of each verse is  $1+6+2 = \underline{9}$  and  $1+6+3 = \underline{10}$ , revealing the **number 19** in accordance with Verse **74:30**. The sum of digits of Verse **74:30** is  $7+4+3 = \underline{14}$ . Thus, both the Sacred Codes have been revealed, **Subhan Allah.**

Going back to Verse **38:86**, the messengers do not ask for any wage for their time and they are not impostors, as they are sent with solid proofs by **their Lord**, just as you have witnessed above. Their only role is to preach and teach the religion of Islam (submission 162) to the people and to emphasize on the **Greatness and Absoluteness of Allah**, and also to remind them of the **Day of Judgment**.

**38:87** This is a reminder for the world.

**Revealed:** The Allah letters are 8 and messenger's letters are 9, revealing the diff. of 1.

**Revealed:** The GV of Allah letters is 128, revealing the name of the messenger who has been sent with the message, the reminder, the proofs, and the miracles of the Quran to proclaim the **Absoluteness of Allah.**

**Revealed:** The GV of Allah letters is 128 and GV of messenger's letters is 276, the diff. is 148. The proof represents "*Alhumdo Lillah – Praise be to Allah*" as the messengers are appointed, authorized and sent by the **Most Praiseworthy.** (See Verse 27:6)

**38:88** "And you will certainly find out in awhile."

**Revealed:** The GV of Allah letters is Perfectly 66 revealing the glorified name of **ALLAH**. This proclamation from Allah is a warning to satan and his followers that they will find out the Truth about **Allah and His Absoluteness of being One without any partners**, within a short while, but it will be too late for the disbelieving humans to repent and to restore their souls. They will have to endure the retribution that Allah has promised for the disbelievers on the Day of Judgment.

**\*\*\* The humans have been granted another chance to purify and redeem their souls.**

It is important to go back in history to see who was the first one to show arrogance and disobey the command of **Allah, the Supreme and the Absolute**. It all started when **Allah** created a human being made of clay, then blew into him from His spirit, and then commanded all the angels to fall prostrate before him.

**38:73** The angels fell prostrate, all of them,

**38:74** Except Iblees (satan); (he refused) out of arrogance, and thus turned into a disbeliever.

**The Proof:** Chapter 38 + Verse 73 + Chapter 38 + Verse 74 = **223**. This Test was carried out by **Allah** to distinguish and see whether the angels were **believers** in **His Absolute Authority** or not. Except Iblees, the rest of the vast number of angels submitted to **Allah's command**.

**Revealed: Alternating Proofs:** The **Allah letters** are **7** in Verse 73 and the **messenger's letters** are **14** in Verse 74, revealing the **Sacred Miracle of Seven Pairs**. The Miracle and Proof is unique, awesome, and amazing as it reflects on history that predates the humans before being sent to Earth and before the Quran was revealed.

**Revealed:** The **Allah letters** are 7 and 9 in each verse, **revealing the diff. of 2** (gods) and confirming Iblees (satan's) refusal to fall prostrate before Adam because of arrogance and lack of appreciation for the **Creativeness of Allah**. This gross sin of disobedience to the command of His Creator is like equating himself with the **Creator** and an attempt to be equal with Him. **This is the initiation of the gross sin of Idolatry and setting up of rivals to rank with the Creator.**

When **Allah** questioned satan as to what prevented him from prostrating before what He created with His hands; this was the response of satan.

**38:75 Part 1:** He (Allah) said, "O Iblees (Satan), what prevented you from prostrating before what I created with My hands?"

**Part 2:** Are you too arrogant? Have you rebelled?"

**38:76** He (Iblees) said, "I am better than he; You created me from fire, and created him from clay."

**The Proof:** Chapter 38 + Verse 75 + Chapter 38 + Verse 76 = **227**. This simple command of **Allah** proved that Iblees failed the Test to be a "believer" in **Allah** and His attribute of **Absoluteness as One**. This Test exposed Iblees to be an unappreciative to his Creator by demonstrating arrogance and rebelling against the command of his **Lord**. (Note the proofs of **223** earlier, and now **227**, to reveal specific meanings that are not in the current English Quran translation)

**Revealed:** The **messenger's letters** in **Verse 38:75** for **Part 1** are **19**, and in **Verse 38:76** they are **20**, **revealing the diff. of 1**.

**Revealed Verse 38:75:** The Arabic Letters for the entire verse are 53 and the Verse number is 75, revealing the sum of **128** to proclaim the **messenger, Husain** who is a witness over the **Original Covenant (7:172)** and the Heavenly Feud verses and their proofs. The sum of digits of 53 is **8** and sum of digits of 75 is **12**, again revealing the number **128** through the Pattern to confirm the **messenger Husain**.

The original history of the first human beings, Adam and his wife shows that they disobeyed the command of their Lord by approaching a "specific tree" in Paradise that was forbidden for them and thus committed transgression and incurred sin. The Truth of **Allah's** words in these verses is reflected and proven through the precise marking of the **Codes of 19 and 14** that are inscribed and marked on the specific word

“*haazayhee –this*” through the initial 2 occurrences given in Chapters 2 and 7. The Verse numbers 35 and 19 reflect on the Sacred Codes of 7 and 19.

**2:35** We said, "O Adam, live with your wife in Paradise, and eat therefrom generously, as you please, but do not approach **this** (haazayhee) tree, lest you be the transgressors.”

**7:19** "As for you, Adam, dwell with your wife in Paradise, and eat therefrom as you please, but do not approach **this** (haazayhee) tree, lest you be the transgressors.”

**Revealed:** The Truth of Allah’s words is revealed through the precise marking of **19 and 14 letters of Allah** on the same word “*haazayhee – this*” in each verse. These are strong and incontrovertible proofs to reveal the Great Miracle of the hidden coding and markings in the Quran that were not known previously, but have now been revealed through the **messenger coded in the Quran as “Ahmad.”**

There is a difference between satan’s disobedience and Adam’s disobedience to the command of **Allah**. The clear difference is that Iblees (satan) showed profound arrogance and equated himself with **Allah** by challenging Him that he will send all the humans astray, except a few. Additionally, Iblees failed to repent to his Creator and was therefore demoted to the rank of a devil (jinn) from the rank of an angel. In contrast, Adam and his wife were misled by Iblees out of ignorance and admitted that they wronged their souls and asked for forgiveness and mercy from their Lord. They were forgiven, except that they had to come down to earth and then be redeemed back into Paradise after fulfilling the commands of **Allah**.

**7:22 Part 1:** He (Iblees) thus duped them with lies. As soon as they tasted the tree, their bodies became visible to them, and they tried to cover themselves with the leaves of Paradise.

**Part 2:** Their Lord called upon them: "Did I not enjoin you from that tree, and warn you that the devil is your most ardent enemy?"

**Revealed:** The **Allah letters** are 23 and 24 in each part, **revealing the diff. of 1**. The command was issued by **Allah** to Adam and his wife, but the devil duped them with lies, and hence they forgot the command of **Allah**, thus making them guilty of worshiping the devil.

**Revealed:** The **messenger’s letters** are 27 and 29 in each part, **revealing the diff. of 2 gods**, for the idolatry committed by Adam and his wife by following the devil as the 2<sup>nd</sup> god, instead of obeying and following their Lord who created them.

**Revealed:** The **Aleefs** denoting **Absoluteness** are 11 and 13, **revealing the diff. of 2 gods**. The Proof explains that Adam and his wife were guilty of worshiping 2 gods by following the devil while believing in **Allah and His Absolute Authority as One**.

**7:22 Part:** Their Lord called upon them: "Did I not enjoin you from that tree, and warn you that the devil is your most ardent enemy?"

**7:23** They said, "Our Lord, we have wronged our souls, and unless You forgive us and have mercy on us, we will be losers."

**Revealed:** The **messenger’s letters** are 29 and 31 in each verse, **revealing the diff. of 2 gods**. The Revelation of 2 gods confirms the sin of disobedience and idolatry committed by Adam and his wife by disobeying **Allah’s command** and by following the devil.

**Revealed:** The GV of **Allah letters** are 243 and 190 in each verse, revealing the sum of **433** to proclaim the glorified name of “**Lord of the Universe.**” As Adam and his wife admitted wronging

their souls and asked for forgiveness and mercy from the Lord of the Universe, they were forgiven but sent down to Earth instead of continuing to live in Paradise. When they proved themselves to follow the words of Allah, they were redeemed by Him back into Paradise. (2:37)

**7:22 Part:** "Did I not enjoin you from that tree, and warn you that the devil is your most ardent enemy?"

**Revealed:** The Allah letters are Perfectly 19 to confirm the command issued to Adam and his wife and to warn them that the devil was their most ardent enemy.

**7:23 Part:** They said, "Our Lord, we have wronged our souls."

**Revealed:** The GV of Allah letters is Perfectly 66. Adam and his wife admitted wronging their souls by disobeying the command of Allah and being the only Forgiver, He forgave them when they implored Him for forgiveness.

**Revealed:** The GV of messenger's letters is 462 to proclaim the "Statute Book – Al Furqan" that contains the laws of Allah for the believers to uphold and follow. The sacred number is a multiple of 7 and 14. ( $462 = 7 \times 66$ ). Thus it reveals the name of Allah through the code of 7.

**\*\*\* The Best Garment is, "the Garment of Righteousness." Allah has advised the human beings to avoid being duped by the devil, just like he did to cause the eviction of our parents, Adam and his wife from Paradise, and the removal of their garments to expose their bodies. Being caught naked without the bodies being covered was quite embarrassing and shameful.**

**7:26** O children of Adam, we have provided you with garments to cover your bodies, as well as for luxury. But the best garment is the garment of righteousness. These are some of Allah's signs, that they may take heed.

**7:27** O children of Adam, do not let the devil dupe you as he did when he caused the eviction of your parents from Paradise, and the removal of their garments to expose their bodies. He and his tribe see you, while you do not see them. We appoint the devils as companions of those who do not believe.

**Revealed:** The combined Allah letters for both consecutive verses that are addressed to the Children of Adam are 23 + 43, revealing the sum of 66 to proclaim the glorified name of Allah.

**7:26 Part 1:** O children of Adam, we have provided you with garments to cover your bodies, as well as for luxury.

**Part 2:** But the best garment is the garment of righteousness. These are some of Allah's signs, that they may take heed.

**Revealed:** The messenger's letters are 23 and 22 in each part, revealing the diff. of 1.

**7:26 Part 1:** O children of Adam, we have provided you with garments to cover your bodies, as well as for luxury.

**Revealed:** The Allah letters are 9 and messenger's letters are 23, the diff. is 14, revealing the **Proof of Seven Pairs**. The garments provided by Allah to cover the bodies are an enormous blessing from Him. If the people can only envision and count the different kinds of garments provided by the **Most Merciful** to the humans for all kinds of weathers and seasons, as well as the endless variety of colors in them, they would then appreciate this enormous blessing upon the children of Adam – the human beings.

**Revealed: Part 2:** The Allah letters are precisely **14**. The **Proof of Seven Pairs** directs the people to the messenger who has been granted the **Sign of Seven Pairs** so that they can attain the best garment – **the garment of righteousness**, by following and obeying him.

**Proof behind the words** – “*Garment of Righteousness*”

**Revealed:** The GV of Allah letters is 62 and GV of messenger’s letters is 244, **the sum is 306**, revealing the full name of the *messenger as Makbool Husain*, Subhan Allah. The messenger has been blessed with mercy from Allah to uphold the entire Quran in order to attain the garment of righteousness.

**7:26 Part:** These are some of Allah’s signs, that they may take heed.

**Revealed:** The GV of Allah letters is **162** revealing the Sign for the religion of Submission through which the garment of righteousness can be attained. Those who take heed and fully submit to Allah through the messenger will be able to attain the garment of righteousness.

**7:27 Part:** He and his tribe see you, while you do not see them.

**Revealed:** The messenger’s letters are 17 and Allah letters are 8, revealing the first name of the messenger as Makbool. The proof provides enlightenment that satan and his tribe of devils can see the human beings, but we cannot see them.

**74:4** Purify your garment.

**74:5** Forsake what is wrong.

**Revealed: Both Verses:** The pattern of Allah letters is 2-4 and the pattern of messenger’s letters is 3-2. By placing the revealed pattern next to each other, the number becomes **2432**, that is **19 x 128**, thus revealing the last name of the messenger, **Husain**. The **Most Gracious** has commanded the people to give up what is wrong and false, and to take advantage of purifying their garment (soul) by believing and following the messenger.

**Revealed: Both Verses:** Allah letters are 6 and messenger’s letters are 5, **revealing the diff. of 1**.

**Chapter 38** is called “**Saad**” and the first verse in the chapter is on the Proof through this Quranic Initial. Hence; note the visible and simple proofs revealed to proclaim the first and last names of the messenger through whom these revelations have been sent down by the **Most Gracious** out of His mercy, as well as the “**Revelation of 1**” through Allah and His messenger’s letters.

**38:1 Saad, (S) and the Quran that contains the proof.**

**Revealed:** The Allah letters are 5 and messenger’s letters are 6, **revealing the diff. of 1**. The **Supreme Revelation of 1** is the greatest proof and miracle that has been revealed to the messenger as his Sign and **Authorization from the Most High, Lord of the Universe**.

**Revealed:** The Arabic Letters are 16 and Allah letters are 5, revealing the number **165** through the Pattern to reveal the **Absoluteness of Allah** in granting such proofs to the messenger.

**Revealed:** The GV of the **Initial Saad** is **90**, and the total number of verses in the chapter are **88**, revealing the sum of **178**, proclaiming the **first name** of the messenger as **Makbool**. Thus both the

first and last names of the messenger have been revealed through the profound coding of **Allah Ta'ala**.

**Revealed:** The GV of the **Initial Saad is 90** and the **Chapter number is 38**, revealing the sum of **128**, proclaiming the **last name** of the messenger as **Hussain**. Thus both the first and last names of the messenger have been revealed through the profound coding of **Allah Ta'ala**.

The command to “**obey Allah and obey the messenger**” is repeated and narrated in the Quran in a very forceful way. This command is for the believers who have fully submitted and pledged to **Allah** and His messenger. This command forms the core of the religion of submission, whereby no choice is offered to the people – either they submit fully or they remain astray. The believers in the present congregation have pledged to believe in the entire Quran which means they have also read and believed in **Verse 2:285**.

**2:285** The messenger has believed in what was sent down to him from **his Lord, and so did the believers**. They all believe in **Allah**, His angels, His scripture, and His messengers: "We make no distinction among any of His messengers." **They say, "We hear, and we obey**. Forgive us, our Lord, to You is the ultimate destiny."

**Revealed:** In this highly important verse stating that the messenger has believed in what was sent down to him from his Lord, as well as the believers, the messenger's letters is **Perfectly 66**, confirming the belief of the messenger in the inspiration revealed by the **Most Gracious**.

**Revealed:** The verse has **19 Aleefs of Absoluteness, Praise be to Allah**. This verse sums up the essentials of the belief that is required from the believers.

**2:285 Part:** The messenger has believed in what was sent down to him from **his Lord**, and so did the believers. They all believe in **Allah**, His angels, His scripture, and His messengers: "We make no distinction among any of His messengers."

**Revealed:** The **Allah letters** are 29 and **messenger's letters** are 48, **revealing the diff. of 19**. The numbers 29 and 48 revealed through this verse have a lot of significance, as the only Chapter in the Quran that has 29 verses is Chapter 48 that is titled as “**The Victory – Al Fatha**.” (Refer to the first 3 verses of the chapter to witness the proofs revealed earlier to the messenger)

**Part:** They all believe in **Allah**, His angels, His scriptures, and His messengers.

**Revealed:** The **messenger's letters are 14** to confirm that the messenger has indeed believed in all of the above.

**Part:** (the believers say) We make no distinction among any of His messengers.

**Part:** They say, “We hear, and we obey.”

**Revealed:** The **Allah letters** are 5 and 6 in each part, **revealing the diff. of 1**. This is the pledge made by the believers not to make any distinction amongst the messengers, and to hear and obey the command of **Allah** and His messenger.

**Part:** They say, “We hear, and we obey.”

**Revealed:** The GV of **Allah letters** is 35 and GV of **messenger's letters** is 348, the **sum is 383**, confirming and verifying the fact that the believers have taken a pledge to believe in the entire

Quran and to hear and obey the messenger when there is one. The believers response of “hearing and obeying” the messenger is associated with more verses in Chapter 24, called “The Noor – the Light.”

**24:47 Part 1:** They say, "We believe in Allah and in the messenger, and we obey."

**Part 2:** But then some of them slide back afterwards. These are not believers.

**Revealed:** The Allah letters are 12 and 8 in each part, revealing the name of the messenger **128**, through the Pattern.

**Revealed: Part 2:** The GV of Allah letters is 128, revealing the name of messenger, **Husain**.

**Part:** But then some of them slide back afterwards.

**Part:** These are not believers.

**Revealed:** The GV of messenger’s letters in each part is 458 and 310, **the diff. is 148**, revealing the words “*Alhumdo Lillah – Praise be to Allah.*” The **Praiseworthy Allah** has revealed that those who pledge to believe and obey **Allah and His messenger**, but then slide back afterwards from their commitment; ***they are not believers.***

**24:48** When they are invited to Allah and His messenger to judge among them, some of them get upset.

**24:49** However, if the judgment is in their favor, they readily accept it!

**Revealed:** The Allah letters in both verses is **26** and the Aleefs of Absoluteness is 12, **revealing the diff. of 14**. The Revelation explains that the hypocrites do not like the messenger to judge among them in matter of disputes, but if the judgment is in their favor, they readily accept it.

**24:50** Is there a disease in their hearts? Are they doubtful? Are they afraid that Allah and His messenger may treat them unfairly? In fact, it is they who are unjust.

**Revealed:** The GV of Allah letters is **Perfectly 306** revealing the full name of the messenger, **Makbool Husain**. The messenger’s role is to provide guidance to the believers, purify their souls, and to judge amongst them. **24:52** Those who obey **Allah** and His messenger, and reverence **Allah** and observe Him, these are the triumphant ones.

**Revealed:** The GV of **Allah Letters** is 240. The command is clear to **reverence Allah** and observe Him – the GV of Allah letters in the verse of **240** added to His name **66**, reveals the sum of **306** to point the full name of the messenger through whom the believers can attain the status of **full submission and reverence of Allah.**

\*\*\* This earthly life is our 2<sup>nd</sup> and ultimate chance to **purify and redeem our souls** and return back to our Lord after fulfilling His commands on Earth and by fully submitting to Him through His Scripture – the Quran. The **Most Merciful** provides assistance and guidance to those seeking it by sending a messenger to teach them the scripture and wisdom, to recite for them His revelations, **and to purify them.** This is why it is mandatory to believe in the messengers in order to receive the Revelations of Allah and to benefit from the Wisdom enshrined in them. **Verse 3:164** is precisely and profoundly inscribed and marked with letters of **the messenger** to reveal the Sign of the Sacred Codes, in order to remove all doubts.

**3:164 Allah** has blessed the believers by raising in their midst a messenger from among them, to recite for them His revelations, **and to purify them,** and to teach them the scripture and wisdom. Before this, they had gone totally astray.

**Revealed:** The digits of the verse number, 3+1+6+4 add to 14, to reveal and confirm the **Miracle of Seven Pairs** that has been granted to the messenger as a Profound Sign.

**Part 3:** Before this, they had gone totally astray.

**\*\* *Miracle through the letters of the messenger***

**3:164 Part 1:** Allah has blessed the believers by raising in their midst a messenger from among them, to recite for them His revelations.

**Part 2:** And to purify them, and to teach them the scripture and wisdom. Before this, they had gone totally astray.

**Revealed:** The messenger's letters are 33 and 32 in each part, **revealing the diff. of 1**. The **Supreme Revelation of 1 is Allah's Stamp** on the Verse that has **65 letters of the messenger** woven and inscribed in the verse.

***Here is something to ponder and reflect!*** The population of the humans at this time on earth is roughly **7 billion** people. Out of this vast population, 99.999 percent are atheists, idol worshipers, Buddhists, Hindus, Jews, Christians, Zoroastrians, Muslims (by name), statues and sun worshipers - all of them fall into the category of being disbelievers in **Allah and His Absoluteness**. The countries that have the most populations, such as China, India, United States, the countries of Africa, the countries of South America, the majority of countries of Asia, all the Arab countries, as well as other countries and islands on Earth, do not have any believers in them. In the United States with a population of nearly 350 million, there is **only 1 believer** from the State of Indiana who has been blessed by **Allah** to follow the righteous path. There are a few believers from the countries of Asia as well. All the people in the United States and other countries, who believed in the previous messenger, Rashad Khalifa, and became believers in the past, have nullified their belief by committing idolatry. They have followed the devil by breaking the "one religion" into various disputing sects. They follow the Quran only partially and arrogantly refuse to believe in this messenger, as well as any future messengers that the **Most Gracious** may will to send. The largest group of believers in the recent past has been from the tiny country of Maldives and some from Indonesia. All the believers from Indonesia have never met the messenger, but were still guided by **Allah**, all in accordance with His will.

The believers at any given time in history and generation have always been **few**, compared to the disbelievers and the idol worshipers. This is the system in accordance with **Verses 38:82-83**. Though the **Most Praiseworthy Allah** has sent many messengers since the time of Adam – some of them are mentioned by name in the Quran and the others are not, their messages and teachings did not turn the people into believers. The reasons for rejection cited by the disbelievers is that the messenger is just another human being like them, or they label the miracle of the messenger as magic, or they demand from **Allah** to send down an angel to preach to them. They have no belief in the Hereafter and say, "how come

the ones who died before us have never come back.” There are a lot more excuses made up by them to disbelieve in **Allah** and His system of sending guidance through His messengers.

It is all in accordance with **Allah’s plan** to guide some to be believers, and redeem a “**few**” out of them. They will be the ones who uphold **His Absolute Authority on Earth** after denouncing the devil, and then follow the “righteous path” as commanded by Him. These are the few devoted and sincere believers who fear **Allah and the Hereafter** and refrain from committing gross sins. They want to die in a state of righteousness and return back to their Lord in order to be redeemed by Him and to live in Paradise for eternity.

**\*\* Pre Requisite for submitting to Allah**

**2:256** There shall be no compulsion in religion: the right way is now distinct from the wrong way. Anyone who denounces the devil and believes in **Allah** has grasped the strongest bond, one that never breaks. **Allah** is Hearer, Omniscient.

The **verse number 256** represents **Allah** being the “**Noor – Light**” as it is the GV of “**Noor.**” In this important verse, the words “Absoluteness 165, Al Islam 162, messenger 296, the believers 227, the miracles of 14 and 19” are all embedded in it, to show and guide the people to the truthful and right way through **Allah and His messenger**, that is clearly distinct from the wrong way that satan and his followers promote and follow.

**2:256 Part:** There shall be no compulsion in religion.

**Revealed:** The **Allah** letters are 7.

**Part:** Anyone who denounces the devil and believes in **Allah** has grasped the strongest bond, one that never breaks.

**Revealed:** The **Allah letters** are 19, to explain that those who denounce the devil and then believe in **Allah as the Absolute** have grasped the strongest bond, one that never breaks. Note the alternating proofs of 19 and 14 through **Allah and His messenger’s letters**.

**Revealed:** From the beginning of the verse, up to the word “bil’taaghoute – the devil,” the GV of **Allah** letters is **Perfectly 162**, and up to the word “Belorwati al wuska – the strongest bond” the GV of **Allah** letters is **Perfectly 296**. The proofs enlighten the people that the only way to follow **Islam 162** is to denounce the devil and then believe in **Allah** through **His messenger 296** to create the unbreakable bond as mentioned in the verse.

**Part:** The right way is now distinct from the wrong way. Anyone who denounces the devil and believes in **Allah** has grasped the strongest bond – one that never breaks.

**Revealed:** The GV of **Allah** letters is 227 up to the word “**bond**” to reveal the word “**Al Muhmineen – the believers,**” and the GV of **Allah** letters up the end of this part of the verse is 296 to reveal the word messenger.

**Part:** Anyone who denounces the devil and believes in Allah has grasped the strongest bond.

**Part:** Has grasped the strongest bond, one that never breaks.

**Revealed:** The messenger's letters are 14 and 15 in each part, **revealing the diff. of 1**.

**Part:** Anyone who denounces the devil and believes in Allah has grasped the strongest bond, one that never breaks. Allah is Hearer, Omniscient.

**Revealed:** The Allah letters are 24 and messenger's letters are 38, **revealing the diff. of 14**.

**\*\*\* The Most Exalted Lord has commanded the believers to fulfill their Covenants by upholding His commandments, and to follow the straight Path of Allah and His messenger.**

**\*\*** When you decided to become a believer, you were asked to make a **pledge to Allah and His messenger**, which you all did. Do you realize and understand the importance behind taking a pledge and oath, and the consequences for violating it? The consequence for violating your oath and pledge will condemn you to Hell, and Allah will not show His mercy to such believers.

**33:23 Part 1:** Among the believers there are people who fulfill their pledges with Allah.

**76:7** They fulfill their pledges, and reverence a day that is extremely difficult.

**Revealed:** The Allah letters are **14** and **7** in each verse, revealing the **Miracle of Seven Pairs**.

**5:7** Remember Allah's blessing upon you, and His covenant that He covenanted with you: you said, "We hear and we obey." You shall observe Allah; Allah is fully aware of the innermost thoughts.

**16:91** You shall fulfill your covenant with Allah when you make such a covenant. You shall not violate the oaths after swearing (by Allah) to carry them out, for you have made Allah a guarantor for you. Allah knows everything you do.

**16:94** Do not abuse the oaths among you, lest you slide back after having a strong foothold, then you incur misery. Such is the consequence of repelling from the path of Allah (by setting a bad example); you incur a terrible retribution.

**16:95** Do not sell your oaths short before Allah. What Allah possesses is far better for you, if you only knew.

**7:101** We narrate to you the history of those communities: their messengers went to them with clear proofs, but they were not to believe in what they had rejected before. Allah thus seals the hearts of the disbelievers.

**7:102** We found that most of them disregard their covenant; we found most of them wicked.

**6:152 Part:** You shall fulfill your covenant with Allah. These are His commandments to you, that you may take heed.

**Revealed:** The GV of Allah letters is 168 and GV of messenger's letters is 354, the sum is **522**, revealing and proclaiming Allah's Hadees – that is narrated through the **114 chapters of the Quran**.

### **Straight Path of Allah and His Messenger Revealed**

**6:153** This is My (Allah's) path - a straight one. You shall follow it, and do not follow any other paths, lest they divert you from His path. These are His commandments to you that you may be saved.

**Revealed:** The Allah letters are 18 and messenger's letters are 37, **revealing the diff. of 19**. The proof is to guide the believers to the straight path of Allah through His messenger.

**6:153 Part:** This is My (Allah's) path - a straight one. You shall follow it, and do not follow any other paths, lest they divert you from His path.

**Revealed:** The Aleefs are 7 and Allah letters are 14, revealing the **Proof of Seven Pairs** in order to direct and guide the people to the straight path of Allah through His messenger.

**12:108** Say, "This is my (messenger's) path: I invite to Allah, on the basis of a clear proof, and so do those who follow me. Allah be glorified. I am not an idol worshiper."

**Revealed:** The Aleefs are 12 and Allah letters are 26, **revealing the diff. of 14**. The revelation of Seven Pairs is the clear proof for the messenger that he is inviting others to the **straight path of Allah**.

*\*\* The majority of those who believe in ALLAH do not do so without committing idol worship.*

Out of the few believers, most are destined to go to Hell because of idol worship committed by them. This can happen in several ways. The foremost is disregarding Allah's **Absolute Authority** after making a pledge. It can also happen by disregarding any command of the messenger (33:36), by ignoring the laws that Allah has revealed to His messenger, or simply by intentionally violating any verse and command narrated in the Quran. When the believers fail to uphold the entire Quran, they are considered to be following the **Quran partially**, which constitutes idol worship. (Verses 15:89, 90, 91, 92, 93). The gross sin of idolatry is detailed through many verses and the examples of idolaters are also given through the history of the followers of the past messengers.

The believers are commanded to be **"the keepers of Allah's laws."** This is the reason behind the commands to read the Quran from cover to cover (Verse 73:4) and to recite the Quran at dawn as it is witnessed (Verse 17:78). There are additional commands to study the Quran carefully (Verses 4:82, 47:24).

Most believers do not realize that the devil pursues them after they believe in **Allah and His messenger** and tries his level best to sway them away from the righteous path. They have been cautioned about the devil through Verse 47:25 and there are many more verses in the Quran to explain the role of the devil. If your faith and belief is strong and you read and follow the Quran on a regular basis, as well as seek refuge in Allah constantly, then the devil's power is **NIL** towards you. The devil pursues those whose belief and faith is weak and those who harbor doubts about Allah, the **Hereafter, His revelations, and His messengers**. I can explain and compare the weak faith and the weak soul that is similar to the people who have weak immune systems, whereby they are more prone to catching infections, viruses, bacteria, and diseases of all kinds. Those who have strong immune systems are less likely to catch a disease, as Allah has created a system within the body to reject the bacteria and the viruses and to kill them. Similarly, when

you constantly read the Quran and its revelations, and praise and glorify your Lord, your soul is strengthened and the devil will not be able to penetrate your thoughts and your mind.

**47:24** Why do they not study the Quran carefully? Do they have locks on their minds?

**Revealed:** The **Allah letters are 14** to reveal the instructions for the believers to study the Quran carefully. If they do not, then they have locks on their minds.

**Revealed:** The **messenger's letters** are 17 and the **Aleefs of Absoluteness** are 8, revealing the name of the **messenger Makbool 178** through the Pattern.

**47:25 Part 1:** Surely, those who slide back, after the guidance has been manifested to them.

**Part 2:** The devil has enticed them and led them on.

**Revealed:** In **Part 1**, the **Allah letters are 14**, and in **Part 2**, the **messenger's letters are 14**, revealing the alternating and matching proofs through the letters of **Allah and His messenger**.

**Revealed:** In **Part 1**, the GV of **messenger's letters** is 532, which is **14 x 19 x 2**. The GV of **messenger's letters** in **Part 2** is **412**, revealing the words, "*verses, proofs, signs, and miracles.*"

**Revealed:** In **Part 2**, the GV of **Allah letters is 162**, explaining the truth that those who slide back after the guidance has been manifested for them, they have been enticed by the devil who leads them astray and against submission to **their Lord**. The verse explains one of the reasons that the believers commit idol worship by sliding back after receiving the guidance of **Allah through His messenger**.

\*\* The Test will be ongoing in your life after fully submitting to **Allah** through the revelations of the Quran, till you die.

**3:179 Part 1:** **Allah** is not to leave the believers as you are, without distinguishing the bad from the good.

**Part 2:** Nor does **Allah** inform you of the future, but **Allah** bestows such knowledge upon whomever He chooses from among His messengers.

**Revealed:** The **Allah letters** are 18 and 19 in each part, **revealing the diff. of 1**. **Allah** tests the believers to distinguish the bad from the good. He is the One who chooses and authorizes whomever He wills from among His messengers and bestows upon them from His own knowledge, including knowledge of the future.

**Part:** Nor does **Allah** inform you of the future.

**Part:** But **Allah** bestows such knowledge upon whomever He chooses from among His messengers.

**Revealed:** The **messenger's letters** are 14 and 15 in each part, **revealing the diff. of 1**. Every messenger is granted a different miracle and knowledge. The revelations revealed and granted to messenger Makbool Husain have never been granted to any other messenger, whereby his name letters are inscribed and woven in the words and verses of the Quran. **Praise be to Allah.**

**Part:** Therefore, you shall believe in **Allah** and His messengers.

**Revealed:** The **Allah letters** are 8 and **messenger's letters** are 9, **revealing the diff. of 1**. The belief in **Allah and His messengers** is an essential and is a mandatory command for the followers

of the Quran.

**Part:** Therefore, you shall believe in **Allah** and His messengers. If you believe and lead a righteous life, you receive a great recompense.

**Revealed:** The **Aleefs of Absoluteness** are precisely **7** to explain the importance behind the mandatory command of believing in all the messengers without making any distinction among them.

**Revealed:** The **messenger's letters** in the words "tuhmenoo - believe and wa tattaku" – leading a righteous life" are **precisely 7**. Each word is highlighted and marked with a **single ALEEF** at the end of each word, to explain that the belief and working of righteousness will be judged at the end of your life and on the Day of Judgment, whether it was devoted absolutely to **Allah** or not.

**Revealed:** The GV of **messenger's letters** in both words is 214 and GV of **Allah letters** is 2, **revealing the diff. of 212**, to proclaim "**Rabbi – my Lord.**"

**2:214** Do you expect to enter Paradise without being tested like those before you? They were tested with hardship and adversity, and were shaken up, until the messenger and those who believed with him said, "Where is **Allah's** victory?" **Allah's** victory is near.

**Revealed:** The **messenger's** name initials are **57** and his name letters are **71**, **revealing the diff. of 14**.

**2:214 Part 1:** Do you expect to enter Paradise without being tested like those before you?

**Revealed:** The GV of **Allah letters** is **223**, proclaiming the word "**the believers.**" The proof explains that all those who claim to be believers are tested by **Allah** to confirm their belief as believers.

**2:214 Part 2:** They were tested with hardship and adversity, and were shaken up, until the messenger and those who believed with him said, "Where is **Allah's** victory?" **Allah's** victory is near."

**Revealed:** In **Part 2**, The GV of **Allah letters** is **425** and the GV of **Allah letters** in **Part 1** is **223**, the diff. of GV between both parts is **precisely 202**, to proclaim the glorified name of "**Rabb-Lord.**"

The words "**hardship and adversity**" are coded with messenger's letters to reveal his name. 'Albaasaao and Alzaraao' The GV of **messenger's letters** is 92 and 36 to reveal the sum of **128**, being the last name of **messenger Husain**. This proves that the **Most Gracious** tests the believers with hardship and adversity through the messenger.

**2:214 Last Part:** "Where is **Allah's** victory?" **Allah's** victory is near."

**Revealed:** The **Allah letters** are 12 and **messenger's letters** are 13, **revealing the diff. of 1**.

**Revealed:** The GV of **Allah letters** is **Perfectly 165** and GV of **messenger's letters** is **462**, revealing the diff. of **297** to proclaim "**Rasoola – a messenger.**"

\*\*\* The proof and revelation of **165** reflects on the **Absoluteness of Allah** who controls the victory and grants it to the messenger and the believers after putting them through the tests. The proof of **462** through letters of the messenger spells out the word “***Al-Furqan – the Statute Book***” through which the believers will be tested to confirm their belief to see if they implemented all the commands given in the Statute Book. The last proof of **297** is for “***a messenger***” with whom the believers are commanded to strive in the cause of **Allah** in order to attain victory, after going through a series of tests.

**33:36** No believing man or believing woman, when **Allah** and His messenger issue any command, has any choice regarding that command. Anyone who disobeys **Allah** and His messenger has gone far astray.

**Revealed:** The verse is marked and stamped with **14 Aleefs of Absoluteness** to stress upon the seriousness of the command. The believers cannot disobey any command issued by **Allah and His messenger** and have absolutely no choice to disagree or disregard the command.

**Part:** Has any choice regarding that command. Anyone who disobeys **Allah** and His messenger has gone far astray.

**Revealed:** The **Allah letters are Perfectly 19**, making the command absolutely serious through the **Proof of 19 Allah letters**.

**33:36 Part:** No believing man or believing woman.

**Revealed:** The **messenger’s letters are 14** to point out the present congregation of believing men and women under the leadership of the current messenger.

**33:36 Part 1:** No believing man or believing woman, when **Allah** and His messenger issue any command.  
**Part 2:** Has any choice regarding that command; anyone who disobeys **Allah** and His messenger.

**Revealed:** The **messenger’s letters** are 23 and 22 in each part, **revealing the diff. of 1**. The Revelation of 1 through letters of the messenger further strengthens the command to **obey Allah and His messenger** when the command is issued by him. Anyone who disobeys the messenger’s command has gone far astray and is considered an **idol worshiper** and a **disbeliever** from there on.

**Part:** They have gone far astray.

**Revealed:** The **Arabic Letters are 14**, while the GV of **messenger’s letters** in this part is **292**; the sum of **14** and **292** is **306** revealing the full name of the messenger, **Makbool Husain**.

Let me show the believers the intricacy involved in the linkage and connection of certain words.

In **Verse 33:36**, there are 2 occurrences of the words “*command – amrun*” and “*that command – amrayhim*.” After the first occurrence and up to the 2<sup>nd</sup> occurrence, the **Allah letters are 8** and the **messenger’s letters are 12**, thereby revealing the last name of the messenger **Husain 128** through the pattern. The solid proof of the name of the messenger shows that **Allah’s commands** are inspired and issued through **His messenger**.

Another example is through the words, “***Allah and His messenger***.”

**Allah wa rasoolahoo:** The **Allah letters are 6** and **messenger’s letters are also 6**, revealing the **glorified**

*Name of Allah – 66.*

**Revealed:** The GV of messenger's letters is uniquely inscribed as **162** to reveal the religion of **Islam** (Submission) through these Sacred Words of the Quran. The Sacred Proofs reveal that those who do not believe in the messengers, or disobey and disregard them, have disbelieved in **Allah and His Sole Attribute of being the Supreme and the Absolute**. Through the messengers, **Allah** delivers the Truth of Islam to the people.

**Note:** This command can be compared to and is similar to what is practiced in the Armed Forces of all countries, whereby the juniors respond to the command of the seniors by saying "Yes Sir." No other option is given and those who do not fully obey the chain of command go through the court martial and other serious consequences, thus jeopardizing their career as a soldier or an officer.

**33:11** That is when the believers were truly tested; they were severely shaken up.

**33:12** The hypocrites and those with doubts in their hearts said, "What **Allah** and His messenger promised us was no more than an illusion!"

**Revealed:** The messenger's letters are **19** and **33** in each verse, **revealing the diff. of 14**.

**33:12 Part 1:** The hypocrites and those with doubts in their hearts said.

**Part 2:** "What **Allah** and His messenger promised us was no more than an illusion!"

**Revealed:** The **Allah** letters are 8 and 12 in each part, revealing the name of messenger **Husain 128** through the Pattern.

**Revealed: Part 1:** The GV of **Allah** letters is **128** revealing the name of the messenger. These verses were basically applicable at the time of Prophet Muhammad; though, if similar situations arise at this time, then they are also applicable to the current believers through the leadership of messenger Husain.

**33:12 Part:** What **Allah** and His messenger promised us.

**Part:** Was no more than an illusion!

**Revealed:** The **Arabic Letters** are 17 and 8, revealing the first name of the messenger **Makbool 178**.

**Revealed:** The GV of messenger's letters in each part are 258 and 36, **revealing the diff. of 222** to proclaim the glorified name of "**Rabbayka – your Lord.**"

\*\*\* The hypocrites and the doubtful believers have been exposed through the verses and their proofs. Such hypocrites followed the devil after becoming believers and blamed **Allah and His messenger** for not attaining immediate victory, thus calling it an illusion. The hypocrites failed in the Test of complete belief and trust in **Allah** and by failing to strive wholeheartedly with the messenger. **Thus they ended up committing idol worship and nullified their belief.**

**33:22** When the true believers saw the parties (ready to attack), they said, "This is what **Allah** and His messenger have promised us, and **Allah** and His messenger are truthful." This (dangerous situation) only strengthened their faith and augmented their submission.

**33:23** Among the believers there are people who fulfill their pledges with Allah. Some of them died, while others stand ready, never wavering.

**Revealed:** The messenger's letters are 45 and 44 in each verse, revealing the diff. of 1. This profound revelation through the letters of the messenger confirms the belief, faith, and submission of the true believers who fulfill their pledges made with Allah and are always ready to respond to the call of Allah made through His messenger.

**3:186 Part 1:** You will certainly be tested, through your money and your lives.

**Revealed:** The messenger's letters are 29 and 15 in each part, revealing the diff. of 14. The Proof reveals that the believers will face a lot of opposition and insults from the people of the scriptures as well as from the idol worshipers; but if they steadfastly persevere and lead a righteous life, it will prove the strength of their faith. Due to the sacrifice made by them in the **cause of Allah**, they will be redeemed and granted Paradise according to His promise.

**3:186 Part:** You will certainly be tested, through your money and your lives, and you will hear from those who received the scripture, and from the idol worshipers, a lot of insult.

**Revealed:** The Allah letters are **Perfectly 19**- the *Signature of the Most Wise*.

**Part:** This will prove the strength of your faith.

**Revealed:** The GV of Allah letters is 63 and GV of messenger's letters is 286, revealing the diff. of **223**. The revelations prove that the verse is for the *righteous believers (223)* who steadfastly persevered to lead a righteous life in order to uphold the *Absolute Authority of their Lord (110)*.

**29:2** Do the people think that they will be left to say, "We believe," without being put to the test?

**29:3** We have tested those before them, for Allah must distinguish those who are truthful, and He must expose the liars.

**Revealed:** The Allah letters are **14** and **19** in each verse. The Revelation of the **Sacred Code of 14** through the letters of Allah is the current test through messenger **Makbool Husain**, whereas the **Revelation of 19** points out to the Test through messenger Rashad Khalifa in the past.

**2:155** We will surely test you through some fear, hunger, and loss of money, lives, and crops. Give good news to the steadfast.

**Revealed:** The Allah letters are 17 and Aleefs of Absoluteness is 8, revealing the name of the messenger **Makbool 178** through the Pattern.

**Revealed:** The messenger's name initials are 25 and his name letters are 39, **revealing the diff. of 14**. The Miracle of Seven Pairs through the letters of the messenger confirms the test for the believers. The steadfast will thus be distinguished by Allah through these tests.

A clear example of disbelief and lack of trust in Allah is given through **Verses 68:17 through 68:32** whereby the owners of the garden swore that they would harvest their crops in the morning and were absolutely sure about it. They did not commemorate Allah's name, and forgot to realize that He controls everything. Had they said, "that they will harvest in the morning, **Insha Allah**," then they would have been spared the devastation of their crops caused by the storm sent down by Allah. This is a clear example of the believers committing idol worship.

**68:17** We have tested them like we tested the owners of the garden who swore that they will harvest it in the morning.

**68:18** They were so absolutely sure.

**68:19** A passing (storm) from your Lord passed by it while they were asleep.

**68:20** By morning, it was barren.

**68:21** They called on each other in the morning.

**68:22** "Let us harvest the crop."

**68:23** On their way, they confided to each other.

**68:24** That from then on, none of them would be poor.

**68:25** They were so absolutely sure of their harvest.

**68:26** But when they saw it, they said, "We were so wrong!"

**68:27** "Now, we have nothing!"

**68:28** The righteous among them said, "If only you had glorified (God)!"

**68:29** They said, "Glory be to our Lord. We have transgressed."

**68:30** They started to blame each other.

**68:31** They said, "Woe to us. **We sinned.**"

**68:32** "May our Lord grant us a better one. We repent to our Lord."

**Revealed:** The **Allah letters** in these 16 verses is **Perfectly 110**, revealing the **Absolute Authority of Allah (La Elaha Ella Hoo – 110)**. The disbelievers thought that they were in control of their actions and decisions and wanted to take credit for themselves, but they had no idea, nor belief in the **Almighty Lord** who controls all matters and decisions made by the human beings. The retribution served a profound lesson for them and proved that **Allah** controls everything, and nothing can be gained or achieved without **His will**.

**Revealed:** The sum of all the verses is **392** revealing **14 x 14 x 2**. The sum of digits of 392 is also **14**.

**Revealed:** The GV of **Allah letters** as 110, when added to **chapter number 68**, reveals the sum of **178**, being the first name of the messenger through whom the above verses have been confirmed.

**68:18** They were so absolutely sure.

**68:25** They were so absolutely sure of their harvest.

**Revealed:** The difference in verse numbers 18 and 25 is **7**. The **Allah letters** are 2 and 2 in each verse – **Perfectly Matched**.

**Revealed:** The **messenger's letters** are 7 and 8 in each verse, **revealing the diff. of 1**, Subhan Allah.

**68:28** The righteous among them said, "If only you had glorified (Allah)!"

**Revealed:** The **messenger's letters** are **19** proving that the righteous among them reminded the others that they should have **glorified their Lord**.

**68:29** They said, "Glory be to our Lord. We have transgressed."

**Revealed:** The GV of **Allah letters** is **Perfectly 66**, revealing the glorified name of **Allah**. After the retribution through the storm that wiped out their crops and garden, the righteous among them remembered that they transgressed against **Allah's Absolute Authority** and then glorified their Lord after the retribution.

**68:32 Part 1:** May our Lord grant us a better one.

**Part 2:** We repent to our Lord.

**Revealed:** The **messenger's letters** are 12 and 8 in each part, revealing the last name of the messenger as **Husain, 128**.

**\*\* The majority of those who believe in ALLAH do not do so without committing idol worship.**

*How many believers really understand the true and in-depth meaning of this verse?*

The believers can commit idol worship knowingly or unknowingly in many different ways. For example, I will mention some matters I have observed in my life regarding some of the believers in the congregation. A couple of believers transacted a loan between themselves without writing down the details and disregarded the command of **Allah** as given in **Verse 2:282**. (Recite the Verse) This is the longest verse in the entire Quran consisting of approx. 545 Arabic letters regarding transacting a loan and business transactions. The follow up **Verse 2:283** consists of approx. 136 Arabic Letters thus making the total

letters 681 for the two verses. Money matters usually become the source of disputes if they are not written down and witnessed as per Verse 2:282. It is the devil's wish that the believers disobey **Allah** by disregarding His commands. Thus when the believers fail to observe **Allah** by disregarding and ignoring His command, they fall into the trap of satan who has sworn to lead and send astray all the people except the worshipers who are devoted **absolutely to Allah**. (38:82-83) It is easy to understand that the believers had taken an oath and pledged to uphold **Allah's Absolute Authority** by obeying and carrying out His commands narrated in the Quran – the Scripture that they believed in. (5:89, 16:91, 16:94-95, 66:2, 33:23, 76:7, 36:60,61,62) Rather than honoring their oaths, pledges, and covenants made with **Allah**, the believer/s chose to disregard the verses of the Quran and thus ended up worshiping the devil instead. Following the devil is idol worship and they end up nullifying their belief in **Allah** and the Quran.

\*\*\* A couple of believers married to each other disregarded the messenger's advice. They decided to separate from each other. I asked them to stay together till I come to London, but they separated and disobeyed the messenger. It was for their sake that I took the time out and spent money to come to London to hear them out and to part them with valuable advice. Thus they chose to follow the devil rather than obeying the command of the messenger. This also constitutes idol worship as they followed their ego and their own personal opinion.

\*\*\* Most of the Believers from Turkey residing in London could not and did not speak English a few years back. Thus they could not fully understand the Quran that has now been revealed in English by the **Most Wise** through messengers Rashad and Makbool. During the session with the messenger when he was in London, the translation done by Ali in Turkish language cannot convey the true and full meaning of the revealed revelations, proofs, and miracles to those who did not understand English at the Friday Prayers or during the Quran class. Therefore, I advised and commanded the London believers during my last trip a few years ago to start learning English language as soon as possible. I have no idea whether most of them obeyed my command or not. As I am physically here now again, I will surely find out who submitted to **Allah** and who did not. The ones who disobeyed the command of the messenger will fall into the category of idol worship according to Verse 12:106.

Then there are some believers who commit gross sins repeatedly even after repenting to **Allah** through His messenger. The sins of seeing pornographic magazines and watching them online on the computer, the gross sin of adultery before and after marriage, the sin of staying out of touch with the emails and guidance sent by the messenger and in many other ways that they commit sins. Those who miss any Salat and do not fully observe the 5 Salats in a day also commit the gross sin of idolatry. Those who miss a Salat should fall prostrate and repent to their Lord immediately when it happens.

There are some major commands given in Chapter 17 from verses 22 through 38. Any violation of these commands constitutes idol worship.

Let us examine the history through some of the past messengers to see whether there were few believers or many.

**Abraham:** He is called the father of the religion of Islam and he absolutely worshiped **Allah** without committing any idol worship. In his time, there was only **one house** of submitters. ***This is the minimum number of believers stated in the Quran through messenger Abraham.***

**51:35** We then delivered all the believers.

**51:36** We did not find in it except one house of submitters.

**Revealed:** The Aleefs of Absoluteness are 5 and 4 in each verse, revealing the diff. of 1. The proof through the Aleefs is testament to the truth that only Abraham's house had the believers and submitters in it. The numbers cannot be huge considering that it was only one house of submitters.

**Revealed:** The Allah letters are 7 and 7 in each verse, confirming the truth through the **Miracle of Seven Pairs**.

**Revealed:** Verse 51:35 The Allah letters are 7 and messenger's letters are 14, **revealing the Miracle of Seven Pairs**.

The maximum number of believers stated in the Quran is through messenger "Younis – Jonah" who first rebelled against the command of his Lord, was swallowed up by the fish, and upon meditation to Allah was ejected from the belly of the fish, then continued to carry out the command of his Lord to go to a certain community, where he delivered the message of Allah. The people of the town did believe and they were a hundred thousand or more.

37:147 Then we sent him to a hundred thousand, or more.

37:148 They did believe, and we let them enjoy this life.

**Revealed:** The Aleefs are 5 and 3, revealing the diff. of 2.

**Revealed:** The Allah letters are 10 and 5, revealing the **doubling of numbers**, which is similar to **revelation of 2**.

**Revealed:** The messenger's letters are 13 and 11, **revealing the diff. of 2**.

**Revealed:** Note that the Verse Numbers are **147** and **148**. Verse numbered 147 is the proof of seven pairs, and verse numbered 148 spells out "Praise be to Allah." This was a disbelieving community proven by the revelation of 2. It was Allah's will to grant them guidance through messenger Jonah, so they did believe and Allah let them enjoy this life.

**Revealed:** The GV of messenger's letters in the two messenger's names, **Abraham and Jonah** is:  $2+10+40+10+6+50+60 = 178$ . These are **7 letters** of the messenger's name and the sum is 178, revealing the current messenger's **first name Makbool**, thus confirming the minimum and maximum number of believers through **Abraham and Jonah**.

**Muhammad:** He believed in the entire Quran that was revealed to him over 23 years. The following are some of the verses and the incontrovertible proofs behind them.

3:118 O you who believe, do not befriend outsiders who never cease to wish you harm; they even wish to see you suffer. Hatred flows out of their mouths and what they hide in their chests is far worse. We thus clarify the revelations for you, if you understand.

3:119 Here you are loving them while they do not love you, **and you believe in all the scripture**. When they meet you they say, "We believe," but as soon as they leave, they bite their fingers out of rage towards you. Say, "Die in your rage." Allah is fully aware of the innermost thoughts.

**Revealed:** The Aleefs of Absoluteness are 23 and 24 in each verse, revealing the diff. of 1. Allah, the Absolute, knew the vast number of hypocrites and disbelievers who were hiding their arrogance and disbelief in their chests; they even bit their fingers out of rage towards the prophet.

**3:119 Part:** Here you are loving them, while they do not love you.

**Revealed:** The Allah letters are 8 and messenger's letters are 17, revealing the first name of the current messenger, Makbool through the Pattern. Prophet Muhammad showed love and compassion even towards the ones who did not accept or believe in him, while the disbelievers did not love him and hated his message of **Absoluteness of Allah** through the command to follow the Quran Alone.

**Part: And you (Muhammad) believe in all of the scripture.**

**Revealed:** The GV of Allah letters is **Perfectly 66** and GV of the current messenger's letters is **222**. The numbers reveal the glorified name of Allah through His letters, and the glorified word "**Rabbayka – your Lord**" through the messenger's letters. This proves that Muhammad believed and followed the entire Quran and so does messenger Makbool Husain.

**Part:** When they meet you they say, "We believe."

**Revealed:** The GV of Allah letters is **Perfectly 66**. When the hypocrites met with the prophet, they readily stated that they believe in the Quran to impress him. The next part points out their disbelief and hypocrisy as soon as they left him.

**Revealed:** The Arabic Letters are **19** and Quranic Initials are **14**, revealing the **Sacred Codes** upon which the Quran is based, though the prophet had no idea about the embedded miracles in the verses of the Scripture.

**Part:** But as soon as they leave, they bite their fingers out of rage towards you. Say, "Die in your rage."

**Part:** Allah is fully aware of the innermost thoughts.

**Revealed:** The messenger's letters are 23 and 9 in each part, **revealing the diff. of 14**. Allah has proven through the **Miracle of Seven Pairs** about the innermost thoughts of the disbelievers and their rage towards the prophet for speaking the Truth.

**For verse 3:119**, if you read the entire verse carefully, the word "**you**" is for the prophet and subsequent messengers. This is the reason that it is precisely coded with the GV of Allah letters as **66**.

We do not know the exact number of followers of Islam through prophet Muhammad but we do know some facts from the Quran. The majority of those who believed in Muhammad as a prophet and messenger did not follow all the commands of Allah. After believing, few were sincere to follow and obey the prophet; and to strive with him to defend themselves from the aggressors who waged war against them; others turned into hypocrites, while others disbelieved after believing. ***This is why Allah revealed verse 6:66 and messenger Muhammad's statement is also recorded in Verse 25:30.***

**6:66 (Allah's Narration to Muhammad)** Your people have rejected this, even though it is the truth. Say, "I am not a guardian over you."

**25:30 (Muhammad's Response)** The messenger said, "My Lord, my people have deserted this Quran."

**Revealed:** The Alefs of Absoluteness in each verse is **1** and **9**, revealing the **number 19** through the Pattern. Note, that the singular Aleef is embedded in **Verse 6:66**, which is Allah's narration to Muhammad, with the Verse numbered as **66**, and the response of the messenger through inspiration in **Verse 25:30** bears **9 Alefs**, thus completing the **Sacred Code of 19**, that represents

**“Waahed – One.”**

**Revealed:** The Allah letters in both verses (8+15) are 23, while the messenger’s letters (22+20) are 42, revealing the diff. of 19. The Proofs of 19 through the Aleefs and now through Allah and His current messenger’s letters reveals the **Absolute Truth** that the people of Muhammad had rejected and deserted the Quran. If this was the case and the truthful history narrated by Allah, then you can well imagine how FEW the believers were!

**Revealed:** These 2 verses appear in chapters 6 and 25; the diff. between the chapters is **precisely 19**.

*Muhammad’s response is also coded through verse number 25:30.*

**The Proof of Rejection of Allah’s Absoluteness by the people of Muhammad**, 25+26+27+28+29+30 = 165. The sum of digits of verse numbers add to 48; by adding the name of Allah 66, it reveals the sum of 114, being the total number of chapters in the Quran.

**6:66 Part 1:** (*Allah’s Narration to Muhammad*) Your people have rejected this, even though it is the truth.

**Part 2:** Say, "I am not a guardian over you."

**Revealed:** The Allah letters are 4 and 4 in each part, and messenger’s letters are 11 and 11 in each part, revealing the **“Perfectly Matching Revelations.”** The numbers 11 and 4 when written next to each other reveal the number 114, being the total number of chapters inspired to Muhammad.

**Revealed:** The total Allah letters in the verse is 8 and total messenger’s letters is 22, revealing the diff. of 14, being the great **Miracle of Seven Pairs** that has been inspired to messenger Makbool.

**6:66 Part 1:** The GV of messenger’s letters is **Perfectly 306**, revealing the full name of the current messenger. The rejection of the truth revealed by Allah was widespread at the time of Muhammad, and the shallow response of the present generation of people holds true with the current messenger’s message sent down by Allah, **Most High**.

**17:45** When you read the Quran, we place between you and those who do not believe in the Hereafter an invisible barrier.

**17:46** Part: We place shields around their minds, to prevent them from understanding it, and deafness in their ears.

**Revealed:** The Allah letters are 19 and 14 in each verse, revealing the Sacred Miracles of 19-14. The proof confirms Allah’s profound system of placing an invisible barrier between the messenger who recites from the Quran and the disbelievers who are averse to it, and do not believe in the Hereafter. In addition, Allah places shields around their minds and deafness in their ears in order to prevent them from understanding or hearing the Quran.

**17:46 Part:** And when you preach your Lord, using the Quran alone.

**Part:** They run away in aversion.

**Revealed:** The Aleefs representing Absoluteness are 4 and 3, **revealing the diff. of 1**.

**Revealed:** The Allah letters are **6** and **6** in each part – **perfectly matched** to reveal the Glorified Name of Allah.

**Revealed:** The messenger's letters are 8 and 9 in each part, **revealing the diff. of 1**. The proofs reveal and confirm that the hypocrites and the disbelievers do not like to hear or believe in “**Quran Alone**” when the messenger preaches the message of the Lord through it.

*The Absolute Proof through the words: Quran Alone – Al Quran Wahdahoo.*

**Revealed:** The Allah letters are 4 and messenger's letters are 5, **revealing the diff. of 1**.

\*\* The Revelation of 1 through **Allah and His messenger's letters** proves that the messenger's letters are inscribed and embedded in the words, verses, and chapters of the Quran, **All praise and glory be to my Lord**.

**4:80** Whoever obeys the messenger is obeying Allah. As for those who turn away, we did not send you as their guardian.

**Revealed:** The GV of Allah letters is perfectly **227** revealing the word “*the believers – Al Muhmineen.*” Those who obey Allah by obeying the messenger are called believers who will be forgiven by Him and granted the high ranks in Paradise.

**4:80** Whoever obeys the messenger is obeying Allah.

**Revealed:** The Allah letters are 9 and messenger's letters are 10, **revealing the diff. of 1**. Glory be to my Lord for coding this important part of the verse with the “**Revelation of 1**” through *Allah and His messenger's letters to stress the importance of this law*.

**4:80 Part:** Whoever obeys the messenger.

**Part:** Is obeying Allah.

**Revealed:** The GV of messenger's letters in each part is 226 and 160, **revealing the diff. of 66**. **Praise be to Allah** who has clarified the importance of obeying the messenger in order to obey Him through the **clear proof of 66** revealed through the letters of the messenger.

**4:80 Part 2:** As for those who turn away, we did not send you as their guardian.

**Revealed:** The Allah letters are 7, revealing the **Miracle of 7**

**4:81:** They pledge obedience, but as soon as they leave you, some of them harbor intentions contrary to what they say. Allah records their innermost intentions. You shall disregard them, and put your trust in Allah. Allah suffices as an advocate.

**Revealed:** The Aleefs are 12 and Allah letters are 31, **revealing the diff. of 19**.

**4:81 Part 1:** They pledge obedience, but as soon as they leave you, some of them harbor intentions contrary to what they say. Allah records their innermost intentions. **You shall disregard them**

**Revealed:** The Allah letters are 19, revealing that the hypocrites who made the pledge of obedience harbored intentions contrary to what they said. The prophet was advised by Allah to disregard them as He knew their innermost intentions and had recorded them.

**Part 2:** And put your trust in Allah. Allah suffices as an advocate.

**Revealed:** The GV of Allah letters is 223, revealing the advice and command for the believers to put their trust in Allah as He suffices as an advocate.

\*\* At one time when the disbelievers chased prophet Muhammad, he had only one believer and supporter with him, and the two of them took refuge in the cave. Since the believers did not support Muhammad, Allah supported him with invisible soldiers and made the word of the disbelievers lowly.

**9:40** If you fail to support him (the messenger), Allah has already supported him. Thus, when the disbelievers chased him, and he was one of two in the cave, he said to his friend, "Do not worry; Allah is with us." Allah then sent down contentment and security upon him, and supported him with invisible soldiers. He made the word of the disbelievers lowly. Allah's word reigns supreme. Allah is Almighty, Most Wise.

**Note** that this verse has 5 counts of Allah to show His support for Muhammad and another believer through the invisible soldiers.

**Revealed:** The GV of Allah letters in the entire verse is 924, which is 14 x 66. The specific number mentioned as the prophet being 1, and 1 additional believer reveals that the hypocrites and disbelievers far outnumbered the believers. It was only through Allah's mercy and support through invisible soldiers that the prophet was granted the upper hand and victory over the disbelievers.

**9:40 Part:** If you fail to support him (the messenger), Allah has already supported him.

**Revealed:** The GV of messenger's letters is 296 revealing the word "Rasool – messenger." The hypocrites did not support Muhammad, but Allah supported him with invisible soldiers.

**Part:** Thus, when the disbelievers chased him, and he was one of two in the cave, he said to his friend.

**Revealed:** The Allah letters are 18 and messenger's letters are 19, revealing the diff. of 1. The revelation of 1 through Allah and His messenger's letters confirms that there were only 2 believers who took shelter in the cave, and one of them was the prophet himself.

**Part:** "Do not worry; Allah is with us." Allah then sent down contentment and security upon him, and supported him with invisible soldiers.

**Part:** He made the word of the disbelievers lowly. Allah's word reigns supreme. Allah is Almighty, Most Wise.

**Revealed:** The GV of Allah letters is 278 and 392 in each part, revealing the diff. of 114. This number represents the total number of chapters revealed to prophet Muhammad. The disbelievers chased the prophet whereby he sought refuge in the cave and Allah made His words of the Quran prevail over the words of the disbelievers.

**Part:** Allah's word reigns supreme and Allah is Almighty, Most Wise.

**Revealed:** The Allah letters are 15 and messenger's letters are 16, revealing the diff. of 1. The revelation proves that Allah's word through His messenger reigns supreme over the disbelievers actions and over all the human beings.

**9:117 Allah** has redeemed the prophet, and the immigrants (Muhajireen) and the supporters (Ansar) who hosted them and gave them refuge, and who followed him during the difficult times. That is when the hearts of some of them almost wavered. But He has redeemed them, for He is Compassionate towards them, Most Merciful.

**9:117 Part 1:** Allah has redeemed the prophet, and the immigrants (Muhajireen) and the supporters (Ansar) who hosted them and gave them refuge.

**Revealed:** The messenger's letters are 19 and the GV of Allah letters is 227, revealing and confirming that the prophet, the immigrants, and the supporters who hosted and gave them refuge were the true believers (227).

**9:117 Part 2:** Who followed him during the difficult times. That is when the hearts of some of them almost wavered. But He has redeemed them, for He is Compassionate towards them, Most Merciful.

**Revealed:** The Allah letters are 19, and in Part 1, the messenger's letters are 19, thus providing the alternating and matching proofs for Allah and His messenger, Glory be to Allah.

**Revealed:** The words, "*wa almuhajereen - the immigrants*" and "*wa al ansaar – the supporters*" are marked with 7 letters of Allah and 8 letters of the messenger, to reveal the diff. of 1.

**Revealed:** The GV of messenger's letters in both words is precisely 222, revealing "*Rabbayka – your Lord.*"

**9:117 Part 1:** Allah has redeemed the prophet, and the immigrants (Muhajireen) and the supporters (Ansar) who hosted them and gave them refuge, and who followed him during the difficult times.

**Part 2:** That is when the hearts of some of them almost wavered. But He has redeemed them, for He is Compassionate towards them, Most Merciful.

**Revealed:** The messenger's letters are 28 and 27 in each part, revealing the diff. of 1.

**9:118** Also (redeemed were) the **three who stayed behind**. The spacious earth became so straitened for them, that they almost gave up all hope for themselves. Finally, they realized that there was no escape from Allah, except to Him. He then redeemed them that they may repent. Allah is the Redeemer, Most Merciful.

Allah has stamped the word "**the three**" with His glorified name. The GV of Allah letters in the word "*alsalasate*" is perfectly 66.

**9:118** Also (redeemed were) the **three who stayed behind**.

**Revealed:** The Allah letters are 9 and messenger's letters are 10, revealing the diff. of 1.

**Part 2:** The spacious earth became so straitened for them, that they almost gave up all hope for themselves. Finally, they realized that there was no escape from Allah, except to Him.

**Part 3:** He then redeemed them that they may repent. Allah is the Redeemer, Most Merciful.

**Revealed:** The Allah letters are 30 and 16 in each part, revealing the diff. of 14. The Miracle of Seven Pairs through the letters of Allah confirms that the **3 believers** who stayed behind were redeemed by Allah - **the Redeemer, the Most Merciful**.

The numbers mentioned through the verses are the truth. You can see that the true believers were very few, as the numbers mentioned are small, and are not mentioned in the hundreds or thousands. Compare the **truth of Allah's narration** with the falsehood of the disbelievers who have fabricated the small number of believers into the thousands and millions during the time of the prophet. The distorted and fabricated numbers of Muslims at the time of Prophet Muhammad is so great, that it behoves the minds of today's believers. There are plenty of verses informing us that the majority of those who believed at that time committed idol worship in one form or the other. Knowing this, Allah has narrated **Verse 9:97** to provide us the truth from the time of Muhammad.

**9:97 Part 1:** The Arabs are the worst in disbelief and hypocrisy, and the most likely to ignore the laws that Allah has revealed to His messenger.

**Part 2:** Allah is Omniscient, Most Wise.

**Revealed:** The total Allah letters in the verse are 29 and the Aleefs are 15, revealing the diff. of 14.

**Revealed:** In **Part 1**, the Aleefs are 14, and in **Part 2** the Aleef is 1, revealing the pattern of 114, being the total number of chapters in the Quran.

**Revealed: Part 1:** The Allah letters are 24 and messenger's letters are 23, revealing the diff. of 1.

**Revealed: Part 2:** The Allah letters is 5 and messenger's letters is 9, revealing the pattern of 5 and 9 to prove that the verses under the messenger's names appear in the same pattern in the Quran – 5 verses under the numbers of 178, and 9 verses under the numbers of 128, for a total of 14 times, Alhumdo Lillah.

\*\* The prophet's wives were not exempt from Allah's laws. They had to obey their husband, Muhammad, just like other believers and had to refrain from committing gross sins as well as from the vanities of this life. The following verses served as a warning and a reminder for them.

**33:28** O prophet, say to your wives, "If you are seeking this life and its vanities, then let me compensate you and allow you to go amicably.

**33:30** O wives of the prophet, if any of you commits a gross sin, the retribution will be doubled for her. This is easy for Allah to do.

**33:29** "But if you are seeking Allah and His messenger, and the abode of the Hereafter, then Allah has prepared for the righteous among you a great recompense."

**33:31** Any one of you who obeys Allah and His messenger, and leads a righteous life, we will grant her double the recompense, and we have prepared for her a generous provision.

**Revealed:** In the pair of verses **33:28 and 33:30**, the messenger's letters are  $38 + 35 = 73$ . In the pair of verses **33:29 and 33:31**, the messenger's letters are  $28 + 31 = 59$ . The difference between the 1<sup>st</sup> and 2<sup>nd</sup> pairs of verses of messenger's letters being 73 and 59 is perfectly 14, thus confirming the verses on the wives of the prophet through the Miracle of Seven Pairs.

**Revealed:** The GV of **Allah letters** for **Verse 33:28** is 240, and GV of **Allah letters** for **Verse 33:30** is 239, **revealing the diff. of 1**. The Supreme Revelation of 1 confirms the warning issued by **Allah** to the wives of the prophet through him.

**33:29** "But if you are seeking **Allah and His messenger**, and the abode of the Hereafter, then **Allah** has prepared for the righteous among you a great recompense."

**33:31** Any one of you who obeys **Allah and His messenger**, and leads a righteous life, we will grant her double the recompense, and we have prepared for her a generous provision.

**Revealed:** The **Allah letters** in both verses are 45 and **messenger's letters** are 59, **revealing the diff. of 14**. The Proof of Seven Pairs through Allah and His messenger's letters confirms Allah's promise of granting double the recompense for the messenger's wives, if they sought and obeyed **Allah and His messenger**, and worked righteousness to seek the abode of the Hereafter, rather than the vanities of this life.

### **At the time of Moses:**

**5:21** "O my people, enter the holy land that **Allah** has decreed for you, and do not rebel, lest you become losers."

**5:22** They said, "O Moses, there are powerful people in it, and we will not enter it, unless they get out of it. If they get out, we are entering."

**5:23** Two men (Moses & Aaron) who were reverent and blessed by **Allah** said, "Just enter the gate. If you just enter it, you will surely prevail. You must trust in **Allah**, if you are believers."

**5:24** They said, "O Moses, we will never enter it, so long as they are in it. Therefore, go - you and your Lord - and fight. We are sitting right here."

**5:25** He said, "My Lord, I can only control myself and my brother. So allow us to part company with the wicked people."

**5:26** He said, "Henceforth, it is forbidden them for forty years, during which they will roam the earth aimlessly. Do not grieve over such wicked people."

**Verse 5:25** explains that Moses and Aaron were the **only 2 believers** who obeyed the command of **Allah** while the rest of them rebelled against His command. This proves that the believers were very few while the rest of the followers cited in the Quran under various verses either rebelled, or disobeyed, or committed idol worship. To sum it up, the true believers were **only FEW** during the time of Moses and Aaron.

The above verses explain that when Moses commanded his followers to enter the holy land that **Allah** had decreed for them; they rebelled and did not obey the command. The disbelieving followers feared the powerful people in the town instead of fearing **Allah**. They were given the assurance that if they were really believers; then they should put their trust in **Allah**, who will make them prevail over the others. Despite this assurance, they still refused and rebelled against the command and uttered words of blasphemy by telling Moses that he should go and fight with his Lord, while they chose to stay behind as onlookers.

To make the explanation short, I will provide proofs for the beginning and ending verses on this subject, which will confirm all the 6 verses and expose the disbelief of the followers of Moses who committed idol worship by refusing the command of the messenger.

**5:21** "O my people, enter the holy land that **Allah** has decreed for you, and do not rebel, lest you become losers."

**5:26** He said, "Henceforth, it is forbidden them for forty years, during which they will roam the earth aimlessly. Do not grieve over such wicked people."

**Revealed:** The **Allah letters** are 24 and 22 in each verse, **revealing the diff. of 2 gods** proving that the so-called believers when put to the test by **Allah** through His messenger Moses, failed by rebelling against the command and thus committed idol worship.

**Revealed:** The **messenger's letters** are 33 and 33 in each verse, **perfectly matched** to reveal the sum of **66**, to proclaim the glorified name of **Allah who is the Absolute**. The command was inspired by **Allah to messenger Moses** who had the duty of carrying it out.

**5:24 Part 1:** They said, "O Moses, we will never enter it, so long as they are in it."

**Revealed:** The **Allah letters** are 16 and **messenger's letters** are 18, **revealing the diff. of 2 gods**. The revelation proves the disobedience and the arrogance of the followers of Moses.

**Part 2:** Therefore, go - you and your Lord - and fight.

**Part 3:** We are sitting right here.

**Revealed: Both Parts:** The **Allah letters** are 10 and **messenger's letters** are 11, **revealing the diff. of 1**.

**Revealed:** The GV of **messenger's letters** in each part is 190 and 256, **revealing the diff. of 66, Praise be to Allah**. The disbelievers challenged Moses to go and fight with **his Lord**, and they will stay behind. The **Supreme Revelation of 66** through letters of the messenger is proof that the disbelievers insulted and blasphemed **Allah** by saying that Moses and his **Lord** should fight, while they stay behind.

**10:83 Part 1:** None believed with Moses except **a few** of his people, while fearing the tyranny of Pharaoh and his elders.

**Part 2:** Surely, Pharaoh was much too arrogant on earth, and a real tyrant.

**Revealed:** The **Allah letters** are 14 and 12, **revealing the diff. of 2**. Part 1 of the verse reveals through the code of seven pairs that **only few people believed** with Moses; the rest exposed themselves as disbelievers by fearing the tyranny of Pharaoh and his elders.

**10:84** Moses said, "O my people, if you have really believed in **Allah**, then put your trust in Him, if you are really submitters."

**Revealed:** The **Allah letters are 14** in the verse. In order to believe in **Allah**, the few believers were asked by Moses to put their trust in **Allah** is they were really submitters.

**10:84 Part:** Moses said.

**Revealed:** The **messenger's letters is 7**, confirming that Moses addressed his people.

**Part:** "O my people, if you have really believed in **Allah**, then put your trust in Him, if you are really submitters."

**Revealed:** The GV of **Allah letters is 165** to enlighten the believers that if they really believe in **Allah**, then they should put their full trust in Him to prove their belief in **His Absoluteness**.

**Part:** "O my people, if you have really believed in Allah."

**Part:** Then put your trust in Him, if you are really submitters.

**Revealed:** The messenger's letters are 13 and 14 in each part, revealing the diff. of 1.

**10:85 Part 1:** They said, "We trust in Allah."

**Part 2:** Our Lord, save us from the persecution of these oppressive people.

**Revealed:** The Allah letters are 10 and 11 in each part, revealing the diff. of 1. The Revelation of 1 teaches us that when believers put all their trust in Allah and implore Him to save them from the persecution of the oppressive people, He surely comes to their rescue.

The believers can read and see the proofs behind the verses on Moses and his followers, that they were **only few**.

Here are some verses that I am going to write down which reveal that the people of Moses worshiped a sculpted calf made up by the Samaritan in the absence of Moses, though his brother Aaron was with them. I am not writing proofs for them as the Sermon can exceed the number of pages that it should have.

**20:83** "Why did you rush away from your people, O Moses?"

**20:84** He said, "They are close behind me. I have rushed to You my Lord, that You may be pleased."

**20:85** He said, "We have put your people to the test after you left, but the Samaritan misled them."

**20:86** Moses returned to his people, angry and disappointed, saying, "O my people, did your Lord not promise you a good promise? Could you not wait? Did you want to incur wrath from your Lord? Is this why you broke your agreement with me?"

**20:87** They said, "We did not break our agreement with you on purpose. But we were loaded down with jewelry, and decided to throw our loads in. This is what the Samaritan suggested."

**20:88** He produced for them a sculpted calf, complete with a calf's sound. They said, "This is your god, and the god of Moses." Thus, he forgot.

**20:89** Could they not see that it neither responded to them, nor possessed any power to harm them, or benefit them?

**20:90** And Aaron had told them, "O my people, this is a test for you. **Your only Lord is the Most Gracious**, so follow me, and obey my commands."

**20:91** They said, "We will continue to worship it, until Moses comes back."

**20:92** (Moses) said, "O Aaron, what is it that prevented you, when you saw them go astray,

**20:93** "from following my orders? Have you rebelled against me?"

**20:94** He said, "O son of my mother; do not pull me by my beard and my head. I was afraid that you might say, 'You have divided the Children of Israel, and disobeyed my orders.' "

**20:95** He said, "What is the matter with you, O Samaritan?"

**20:96** He said, "I saw what they could not see. I grabbed a fistful (of dust) from the place where the messenger stood, and used it (to mix into the golden calf). This is what my mind inspired me to do."

**20:97** He said, "Then go, and, throughout your life, do not even come close. You have an appointed time (for your final judgment) that you can never evade. Look at your god that you used to worship; we will burn it and throw it into the sea, to stay down there forever."

It is important to note that verses, which mention the idolatry committed by the disbelievers, lack the mention of the **Sacred and Exalted name of Allah**.

**Revealed:** The beginning verse is 83 and the ending verse is 97, the diff. is 14, Subhan Allah.

Note that the people of Moses made an agreement with him to worship the **Most Gracious** in his absence, but they still broke their agreement (20:87) when he was away. Moses's brother Aaron could not control them and was afraid that he might be blamed for dividing the Children of Israel and disobeying the orders of Moses. Thus, the people who followed Samarian were duped by the devil. Also note that in this group of people, none of them proved to be a believer, as they violated the command of messenger Moses and disobeyed Aaron. The brother Aaron is exempted as he had told the people according to Verse 20:90 that their only Lord is the **Most Gracious** and that they should follow him and obey his commands. It is also noteworthy that Aaron had a beard and Moses grabbed and pulled him by his beard and head upon his return when he found out that his people had idolized the sculpted calf. Moses had a temper and speaking problem as mentioned in verses 20:25 to 20:28, and 26:13. In fact, there is an entire chapter titled "**Cooling the Temper – chapter 94**" to reveal that Moses had a severe temper problem, and **Allah** cooled his temper (94:1). Moses was granted authority over Aaron, whereby he could issue a command to his brother, and not vice versa.

### **In the time of Noah:**

**Noah** was granted a long life of 950 years on earth. Despite this long period and covering a few centuries of preaching the message of **Allah**, there were only a **FEW believers** in the end who were saved by **Allah**.

**29:14** We sent Noah to his people, and he stayed with them one thousand years, less fifty. Subsequently, they incurred the flood because of their transgressions.

Noah worked tirelessly to convey and preach the message of his Lord, but his invitation to the people to believe fell on deaf ears and only resulted in increasing the aversion of the disbelievers. Here are some of the verses to enlighten the believers.

**71:1** We sent Noah to his people: "You shall warn your people before a painful retribution afflicts them."

**71:2** He said, O my people, I am a manifest warner to you.

**71:3** To alert you that you shall worship **Allah**, reverence Him, and obey me.

**71:4** He will then forgive you your sins and respite you for a predetermined period. Most assuredly, **Allah's** appointment can never be delayed, once it is due, if you only knew.

**71:5** He said, My Lord, I have invited my people night and day.

**71:6** But my invitation only increased their aversion.

**71:7** Whenever I invited them to be forgiven by You, they placed their fingers in their ears, covered themselves with their clothes, insisted, and turned arrogant.

**71:8** Then I invited them publicly.

**71:9** Then I proclaimed to them loudly, and I spoke to them privately.

**71:10** I said, "Implore your Lord for forgiveness; He is Forgiving."

**71:11** He will then shower you generously with rain.

**71:12** And provide you with money and children, and orchards, and streams.

**71:21** Noah said, "My Lord, they disobeyed me, and followed those who were even more corrupted when blessed with money and children."

**71:22** They schemed terrible schemes.

**71:23** They said, "Do not abandon your gods. Do not abandon Wadd, Suwaa', Yaghouth, Ya'ooq, and Nasr."

**71:24** They misled many. Therefore, let the wicked plunge deeper into loss.

**71:25** Because of their sins they were drowned and assigned to the hellfire. They found no helpers to protect them from **Allah**.

**71:26** Noah also said, "My Lord, do not leave a single disbeliever on earth."

**71:27** For if you let them, they will only mislead your servants and give birth to nothing but wicked disbelievers.

**71:28** My Lord, forgive me and my parents, and anyone who enters my home as a believer, and all the believing men and women. But do not give the disbelievers anything but annihilation.

**Summary of Verses:**

**71:22** They schemed terrible schemes.

**Revealed:** Allah letters are 4 (all Aleefs) and messenger's letters are 5, **revealing the diff. of 1**.

**71:21** Noah said, "My Lord, they disobeyed me, and followed those who were even more corrupted when blessed with money and children."

**71:23** They said, "Do not abandon your gods. Do not abandon Wadd, Suwaa`, Yaghouth, Ya`ooq, and Nasr."

**Revealed:** The total Aleefs of Absoluteness in both verses are  $(8+11) = 19$ .

**Revealed:** The messenger's letters are 26 and 27 in each verse, **revealing the diff. of 1**.

**71:23 Part 1:** They said, "Do not abandon your gods."

**Part 2:** "Do not abandon Wadd, Suwaa`, Yaghouth, Ya`ooq, and Nasr."

**Revealed:** The GV of Allah letters in each part is 99 and 97, **revealing the diff. of 2 gods** to confirm the idolatry committed by the people. They worshiped their human leaders whose names are mentioned in the verse.

**Revealed: Part 2:** The messenger's letters are 19, confirming that the names mentioned in the verse were humans who were worshiped by the people of Noah.

**71:26** Noah also said, "My Lord, do not leave a single disbeliever on earth."

**71:27** For if you let them, they will only mislead your servants and give birth to nothing but wicked disbelievers.

**Revealed:** The total Aleefs for both verses are precisely 19, confirming the imploring of Noah to his Lord to annihilate all the disbelievers as they will mislead His servants and give birth to more wicked disbelievers.

**71:28 Part 1:** My Lord, forgive me and my parents, and anyone who enters my home as a believer, and all the believing men and women.

**Part 2:** But do not give the disbelievers anything but annihilation.

**Revealed:** The Allah letters are 11 and 10 in each part, **revealing the diff. of 1**.

**Revealed: Part 2:** The Allah letters are 10 and messenger's letters are 9, **revealing the diff. of 1**.

The verses explain and reveal that the worship of humans as gods was widespread at the time of Noah. Though Noah tried his level best to preach them, he did not have much success. He got so frustrated in the end that he had to implore his Lord saying, "Do not leave a single disbeliever on earth as they will corrupt and mislead other people as well as give birth to nothing but wicked disbelievers."

It is comprehensible to ascertain the number of believers as being very few, through the statement of imploring that Noah made to his Lord to forgive him, his parents, and anyone who enters his home as a believer.

The home was not a big mansion; it was an average house and it is easy to understand that a home cannot accommodate hundreds, or thousands of believers inside. This means that there were only a **FEW believers** even though Noah spent centuries of preaching to the idolaters and the disbelievers. This proves **Allah's** system of a "**few believers**" to be redeemed in the Hereafter, as mentioned in Verses 38:82-83.

Noah was inspired that no more of his people were going to believe beyond those who already believed. Therefore, he was commanded to build the ark made of logs and rope under the watchful eyes and under the inspiration of **Allah, Most Wise**.

**11:36 Part 1:** Noah was inspired: "No more of your people are going to believe."

**Part 2:** Beyond those who already believe.

**Revealed:** The **Allah letters** are 6 and 4 in each part, **revealing the diff. of 2**. **Allah** knew that no more people were going to believe in Noah and his message from **Allah**; hence the revelation of 2 is revealed here.

**Revealed:** The GV of **messenger's letters** is 606 and 310, **the diff. is 296**, revealing the word "**Rasool – messenger**." This proves that no more disbelievers were going to believe in messenger Noah.

**Part:** No more of your people are going to believe.

**Part:** Beyond those who already believe.

**Revealed:** The GV of **messenger's letters** is 472 and 310, **revealing the diff. of 162**. This proof through the letters of the messenger reveals that no more people were going to submit, beyond those who had already believed.

**Last Part:** Do not be saddened by their actions.

**Revealed:** The GV of **Allah letters** is 64 and GV of **messenger's letters** is 286, **the diff. is 222**, proclaiming the glorified name of "**your Lord – Rabbayka**." Noah was reminded that he should not be saddened by the actions of the disbelievers.

**11:37 Part 1:** Build the ark under our watchful eyes, and with our inspiration.

**Part 2:** And do not implore Me on behalf of those who have transgressed; they are destined to drown.

**Revealed:** The **Allah letters** are 7 and 8 in each part, **revealing the diff. of 1**. Noah built the ark with inspiration from **Allah** and under His watchful eyes (guidance).

**11:38** While he was building the ark, whenever some of his people passed by him they laughed at him. He said, "You may be laughing at us, but we are laughing at you, just as you are laughing.

**Revealed:** The **Allah letters** are 20 and **messenger's letters** are 39, **revealing the diff. of 19**.

**11:39** "You will surely find out who will suffer a shameful retribution, and incur an everlasting punishment."

**11:40 Part 1:** When our judgment came, and the atmosphere boiled over, we said, "Carry on it a pair of each kind, together with your family."

**Part 2:** Except those who are condemned. Carry with you those who have believed, **and only a few have believed with him.**

**Revealed:** The **Aleefs of Absoluteness** are 12 and 8 in each part, revealing the messenger's name **128** through the pattern.

**Revealed:** The **messenger's letters** in each part is 26 and 27, **revealing the diff. of 1.**

**11:41 Part 1:** He said, "Come on board. In the name of Allah shall be its sailing, and its mooring."

**Revealed:** The **Allah letters** are 14 and **messenger's letters** are 15, **revealing the diff. of 1.**

**Part 2:** My Lord is Forgiver, Most Merciful.

**Revealed:** The Arabic Letters are **14.**

**Revealed: Both Parts:** The GV of **messenger's letters** in **Part 1** is **462**, revealing the truth that those who believed in the **words of Allah** were the only ones taken on board. The proof of **462** represents "**Al-Furqan – the Statute Book**" and is a multiple of **7 x 66**, revealing the name of **Allah.**

**Revealed:** The GV of **messenger's letters** in each part is 462 and 156, **the diff. is 306**, revealing the full name of the messenger and confirming the verse through him.

**11:42 Part 1:** As it sailed with them in waves like hills, Noah called his son, who was isolated.

**Part 2:** "O my son, come ride with us; do not be with the disbelievers."

**Revealed:** In **Part 1**, The GV of **Allah letters** is perfectly **110**, and in **Part 2**, the **messenger's letters** are **14**. Noah called his son one last time to join and ride with them in the ark, and not to be with the disbelievers, but it was not the **will of Allah.**

**11:43 Part 1:** He said, "I will take refuge on top of a hill, to protect me from the water."

**Part 2:** He said, "Nothing can protect anyone today from Allah's judgment; only those worthy of His mercy (will be saved)."

**Revealed:** The **messenger's letters** are 17 and 18 in each part, **revealing the diff. of 1.** Noah's son thought that he could seek refuge on top of the hill, but he was wrong and was among those who drowned.

I will rearrange parts 1 and 3 of the verse to show that Noah's son sought refuge on top of the hill but the waves engulfed him and he was drowned.

**11:43 Part 1:** He said, "I will take refuge on top of a hill, to protect me from the water."

**Part 3:** The waves separated them, and he was among those who drowned.

**Revealed:** The GV of **messenger's letters** for both parts is 1140 = **19 x 60**

**Part 2:** He said, "Nothing can protect anyone today from Allah's judgment; only those worthy of His mercy (will be saved)."

**Revealed:** The GV of messenger's letters is  $644 = 14 \times 46$ . Allah has revealed the sacred coding of 19 and 14 through the letters of the messenger, **Subhan Allah**. Note that the quotients of 60 and 46 reveal the diff. of 14, an additional miracle out of the numbers.

**11:44 Part:** It was proclaimed: "O earth, swallow your water," and "O sky, cease." The water then subsided; and the judgment was fulfilled.

**Revealed:** The Allah letters are 14, to confirm the command of Allah to the earth and the sky, which they reverently fulfilled.

**11:44 Part 1:** It was proclaimed: "O earth, swallow your water," and "O sky, cease."

**11:44 Part 2:** The water then subsided; and the judgment was fulfilled. The ark finally rested on the hills of Judea.

**Revealed:** The messenger's letters are 16 and 17 in each part, revealing the diff. of 1.

**Part:** It was then proclaimed: "The transgressors have perished."

**Revealed:** The Allah letters are 7, to confirm that the transgressors perished through Allah's retribution.

The verses on Noah have enlightened us that there were only a few believers through Noah although he was given a long life to preach the disbelievers and idol worshipers. When Allah's judgment finally came, he was inspired to construct a boat made of logs and ropes and to carry with him a pair of each kind, together with his family, except those who had been condemned by Allah.

### At the time of Jesus:

**2:87** We gave Moses the scripture, and subsequent to him we sent other messengers, and we gave Jesus, son of Mary, profound miracles and supported him with the Holy Spirit. Is it not a fact that every time a messenger went to you with anything you disliked, your ego caused you to be arrogant? Some of them you rejected, and some of them you killed.

**2:88** Some would say, "Our minds are made up!" **Instead, it is a curse from Allah, as a consequence of their disbelief, that keeps them from believing, except for a few of them.**

**3:48** "He will teach him the scripture, wisdom, the Torah, and the Gospel."

**3:49** As a messenger to the Children of Israel: "I come to you with a sign from your Lord - I create for you from clay the shape of a bird, then I blow into it, and it becomes a live bird by Allah's leave. I restore vision to the blind, heal the leprosy, and I revive the dead by Allah's leave. I can tell you what you eat, and what you store in your homes. This should be a proof for you, if you are believers.

**3:50** "I confirm previous scripture - the Torah - and I revoke certain prohibitions imposed upon you. I come to you with sufficient proof from your Lord. Therefore, you shall observe Allah, and obey me.

**3:51** "Allah is my Lord and your Lord; you shall worship Him alone. This is the right path."

**3:52** When Jesus sensed their disbelief, he said, "Who are my supporters towards Allah?" The disciples said, "We are Allah's supporters; we believe in Allah, and bear witness that we are submitters."

**3:53** "Our Lord, we have believed in what You have sent down, and we have followed the messenger; count us among the witnesses."

**3:54** They plotted and schemed, but so did Allah, and Allah is the best schemer.

**3:55** Thus, **Allah** said, "O Jesus, I am terminating your life, raising you to Me, and ridding you of the disbelievers. I will exalt those who follow you above those who disbelieve, till the Day of Resurrection. Then to Me is the ultimate destiny of all of you, then I will judge among you regarding your disputes. **3:56** "As for those who disbelieve, I will commit them to painful retribution in this world, and in the Hereafter. They will have no helpers."

**9:30** The Jews said, "Ezra is the son of **Allah**," while the Christians said, "Jesus is the son of **Allah**!" These are blasphemies uttered by their mouths. They thus match the blasphemies of those who have disbelieved in the past. **Allah** condemns them. They have surely deviated.

**9:31** They have set up their religious leaders and scholars as lords, instead of **Allah**. Others deified the Messiah, son of Mary. They were all commanded to worship only one god. There is no god except He. Be He glorified, high above having any partners.

**Revealed:** The Allah letters are 40 and 41 in each verse, revealing the diff. of 1.

**9:30** The Jews said, "Ezra is the son of **Allah**," while the Christians said, "Jesus is the son of **Allah**!" These are blasphemies uttered by their mouths. They thus match the blasphemies of those who have disbelieved in the past. **Allah** condemns them. They have surely deviated.

**9:31 Part:** They have set up their religious leaders and scholars as lords, instead of **Allah**. Others deified the Messiah, son of Mary. They were all commanded to worship only one god.

**Revealed:** The Aleefs of Absoluteness are **14** and **19** in each verse, revealing the Sacred Codes of **14 -19**.

**Part:** They were all commanded to worship only one god.

**Revealed:** The Allah letters are 13 and messenger's letters are 12, revealing the diff. of 1.

**Part:** There is no god except He. Be He glorified, high above having any partners.

**Revealed:** The Allah letters are 11 and messenger's letters are 12, revealing the diff. of 1.

**Revealed:** The GV of Allah letters is **Perfectly 110**, proving that there is no god except He.

**19:34** That was Jesus, the son of Mary, and this is the truth of this matter, about which they continue to doubt.

**19:35** It does not befit **Allah** that He begets a son, be He glorified. To have anything done, He simply says to it, "Be," and it is.

**19:36** He also proclaimed, "**Allah** is my Lord and your Lord; you shall worship Him alone. This is the right path."

**19:37** The various parties disputed among themselves (regarding the identity of Jesus). Therefore, woe to those who disbelieve from the sight of a terrible day.

**19:38** Wait till you hear them and see them when they come to face us. The transgressors on that day will be totally lost.

**43:63** When Jesus went with the proofs, he said, "I bring to you wisdom, and to clarify some of the matters in which you dispute. You shall reverence **Allah** and obey me.

**43:64** "**Allah** is my Lord and your Lord, you shall worship Him alone. This is the right path."

**43:65** The opponents disputed among themselves. Woe to those who transgress from the retribution of a painful day.

**57:27** Subsequent to them, we sent our messengers. We sent Jesus the son of Mary, and we gave him the Injeel (Gospel), and we placed in the hearts of his followers kindness and mercy. But they invented

hermitism which we never decreed for them. All we asked them to do was to uphold the commandments approved by **Allah**. But they did not uphold the message as they should have. Consequently, we gave those who believed among them their recompense, while many of them were wicked.

**61:14** O you who believe, be **Allah's** supporters, like the disciples of Jesus, son of Mary. When he said to them, "Who are my supporters towards **Allah**," they said, "We are **Allah's** supporters." Thus, a group from the Children of Israel believed, and another group disbelieved. We helped those who believed against their enemy, until they won.

There are many examples given in the Quran about believers failing to uphold **Allah's Absolute Authority** by disregarding the command of the messenger; thus exposing themselves to be worshipers of the devil.

**11:59** Such was `Aad - they disregarded the revelations of their Lord, and disobeyed His messengers, and followed the ways of every stubborn tyrant.

**11:60** Consequently, they incurred condemnation in this world, and on the Day of Resurrection. Indeed, `Aad rejected their Lord. Indeed, `Aad, the people of Hood, have perished.

**Revealed:** The **Allah letters** are 13 and 27 in each verse, **revealing the diff. of 14**. The verses prove through the Miracle of Seven Pairs that Aad and the people of Hood suffered the retribution of **Allah** and perished because they disregarded the revelations of their Lord, and disobeyed His messenger – all of this amounted to rejecting their Lord as given in **Verse 11:60**.

**11:59 Part:** Such was `Aad - they disregarded the revelations of their Lord, and disobeyed His messengers.

**Revealed:** The **messenger's letters** are 12 and **Allah letters** are 8, revealing the name of messenger **Husain as 128** through the pattern to confirm the verse.

**11:60 Part:** Indeed, `Aad rejected their Lord.

**Revealed:** The GV of **messenger's letters is 128**, revealing the message that those who disregard the revelations and disobey the messenger are considered to have rejected their Lord. This is idol worship and proves their disbelief in God.

### **At the time of Saaleh:**

**11:61** To Thamoud we sent their brother Saaleh. He said, "O my people, worship **Allah**; you have no other god beside Him. He initiated you from the earth, then settled you in it. You shall seek His forgiveness, then repent to Him. My Lord is always near, responsive."

**11:62** They said, "O Saaleh, you used to be popular among us before this. Are you enjoining us from worshipping what our parents are worshipping? We are full of doubt concerning everything you have told us."

**11:63** He said, "O my people, what if I have solid proof from my Lord, and mercy from Him? Who would support me against **Allah**, if I disobeyed Him? You can only augment my loss.

**11:64** "O my people, this is **Allah's** camel to serve as a proof for you. You shall let her eat from **GOD's** earth, and do not touch her with any harm, lest you incur an immediate retribution."

**11:65** They slaughtered her. He then said, "You have only three days to live. This is a prophecy that is inevitable."

**Revealed:** The **messenger's letters** are 31 and 17 in each verse, revealing the diff. of **14 - the Seven Pairs Miracle** proves the retribution and the fulfillment of the prophecy in 3 days.

**11:66** When our judgment came, we saved Saaleh and those who believed with him by mercy from us, from the humiliation of that day. Your Lord is the Most Powerful, the Almighty.

**11:67** Those who transgressed were annihilated by the disaster, leaving them in their homes, dead.

**11:68** It was as if they never lived there. Indeed, Thamoud have rejected their Lord. Absolutely, Thamoud have incurred their annihilation.

### **At the time of Lot:**

**7:80** Lot said to his people, "You commit such an abomination; no one in the world has done it before!

**7:81** "You practice sex with the men, instead of the women. Indeed, you are a transgressing people."

7:82 His people responded by saying, "Evict them from your town. They are people who wish to be pure."

**7:83** Consequently, we saved him and his family, but not his wife; she was with the doomed.

**7:84** We showered them with a certain shower; note the consequences for the guilty.

**11:77** When our messengers went to Lot, they were mistreated, and he was embarrassed by their presence. He said, "This is a difficult day."

**11:78** His people came rushing; they had grown accustomed to their sinful acts. He said, "O my people, it would be purer for you, if you take my daughters instead. You shall reverence Allah; do not embarrass me with my guests. Have you not one reasonable man among you?"

**11:79** They said, "You know well that we have no need for your daughters; you know exactly what we want."

**11:80** He said, "I wish I were strong enough, or had a powerful ally!"

**11:81** (The angels) said, "O Lot, we are your Lord's messengers, and these people cannot touch you. You shall leave with your family during the night, and let not anyone of you look back, except your wife; she is condemned along with those who are condemned. Their appointed time is the morning. Is not the morning soon enough?"

**11:82** When our judgment came, we turned it upside down, and we showered it with hard, devastating rocks.

**11:83** Such rocks were designated by your Lord to strike the transgressors.

\*\* The gross, immoral, and heinous sin of men having sex with men was very prevalent at the time of Lot. It goes against the command of Allah who has created a male and a female and has decreed marriage between them, in order to reproduce. ***Satan has already challenged that he will distort the creation of Allah.*** This immoral and despised sin of homosexuality is again being repeated in our times, whereby annual marches of gays and lesbians are commonplace in most of the western countries. In addition, most of the governments have legalized their marriages, thus encouraging and promoting them. The ignorant and sinful governments are blind and cannot foresee the impact of such an action for the future, whereby it will unbalance the reproduction of the human beings that can only happen between a male and a female. The children adopted by the gay men and women will not know what it means to have a father and mother. Such children are being deprived of the joy and love that can only be provided by genetic parents, and will grow up without any moral values. ***All believers are supposed to express their righteous views to condemn such sinners, and condemn the act of homosexuality within their societies and countries, whereby the sinners and violators of Allah's laws are trying to change the traditional meaning of marriage, and applying the word of marriage to their own condemned and immoral behavior.***

**4:118 Part 1:** Allah has condemned him (satan).

**Part 2:** And he (satan) said, "I will surely recruit a definite share of Your worshipers."

**Revealed:** The Allah letters are 6 and 7, **revealing the diff. of 1.** Iblees (satan) challenged the

**Authority of Allah** at the time of the Heavenly Feud and he is still challenging **Allah** that he will recruit a definite share of His worshipers, to lead them astray to sinful acts and rebellion against Him.

**4:119 Part:** I will mislead them, and I will entice them, and I will command them to (forbid the eating of certain meats by) marking the ears of livestock.

**Revealed:** The GV of **Allah letters is 202**, revealing the glorified name of “**Rabb – Lord.**” This proves satan’s challenge to mislead and entice the human beings to **disobey the laws of Allah**.

**Part:** **And I will command them to distort the creation of Allah.**

**Revealed:** The GV of **Allah letters is 162**. This revelation through the letters of **Allah** proves that satan will do anything and everything against the **laws of Allah**, and to distort them, so that the people do not submit to Him. It is satan’s control over the disbelieving governments and leaders to promote and legalize the condemned act of homosexuality, in order to change the balance of **Allah’s** predetermined creation of male and female genders of human beings. Satan has also made the disbelieving people deaf, dumb, and blind to the words of Allah and His messenger.

**Part:** Anyone who accepts the devil as a lord, instead of **Allah**.

**Revealed:** The GV of **Allah letters is 128**, revealing the name of the messenger through whom He is warning the people not to accept the devil as their Lord, **instead of Allah**.

**Part:** Has incurred a profound loss.

The people are being warned through the messenger, that those who accept the devil as their lord instead of **Allah** will incur a profound loss and will suffer in Hell forever.

The believers can be put through any kind of Test by **Allah**. I will cite a couple of examples from the Quran.

**2:246 Part 1:** Have you noted the leaders of Israel after Moses? They said to their prophet, "If you appoint a king to lead us, we will fight in the cause of **Allah**."

**Part 2:** He said, "Is it your intention that, if fighting is decreed for you, you will not fight?" They said, "Why should we not fight in the cause of **Allah**."

**Revealed:** The **Allah letters** are 28 and 30 in each part, **revealing the diff. of 2**. The revelation of 2 points out the hypocrites who placed the condition on the prophet to appoint a king to lead them in the war, otherwise they would not fight.

**Part 2:** He said, "Is it your intention that, if fighting is decreed for you, you will not fight?" They said, "Why should we not fight in the cause of **Allah**."

**Part 3:** “When we have been deprived of our homes, and our children?” Yet, when fighting was decreed for them, **they turned away, except a few**. **Allah** is aware of the transgressors.

**Revealed:** The **Allah letters** are 30 and 31 in each part, **revealing the diff. of 1**. The Revelation of 1 proves that the people agreed to fight in the cause of **Allah** as they had been deprived of their

homes and children, yet when fighting was decreed for them, they turned away, **except a FEW**. Those who turned away from fighting are labeled as the transgressors.

### **The words “except a few”**

**Revealed:** The **Allah letters** are 7 and **messenger’s letters** are 8, **revealing the diff. of 1**. The Revelation proves that the few qualified as believers by obeying the command of **Saul**, while the rest of them exposed themselves as transgressors and thus committed idol worship.

**2:247 Part 1:** Their prophet said to them, "**Allah** has appointed Taloot (Saul) to be your king."

**Part 3:** When he crossed it with those who believed, they said, "Now we lack the strength to face Goliath and his troops.

**Revealed:** The GV of Allah letters is 247, proclaiming the word “**Rabbayhim – their Lord.**”

**Part 4:** Those who were conscious of meeting Allah said.

**Revealed:** The GV of Allah letters is Perfectly 165, the sign for the believers who remained conscious of meeting Allah, and never hesitated to carry out any command issued to them by the king appointed over them or the messenger’s command.

**Part 5:** Many a small army defeated a large army.

**Revealed:** The GV of Allah letters is 110. All Power belongs to Allah and He is able to grant victory to a small army over the large one.

**Part 6:** By Allah’s leave; Allah is with those who steadfastly persevere.

**2:250** When they faced Goliath and his troops, they prayed, "Our Lord, grant us steadfastness, strengthen our foothold, and support us against the disbelieving people."

**2:251** They defeated them by Allah’s leave, and David killed Goliath. Allah gave him kingship and wisdom, and taught him as He willed. If it were not for Allah’s support of some people against others, there would be chaos on earth. But Allah showers His grace upon the people.

**Both Verses:** The Allah letters are 77, a multiple of 7 and the **proof of Seven Pairs.**

**Both Verses:** From Verses 2:250 and 2:251, and up to the words, “*and taught him as He willed,*” the messenger’s letters are perfectly 66, revealing the glorified name of Allah, who granted victory to David over Goliath.

**34:15** Sheba's homeland used to be a marvel, with two gardens on the right and the left. Eat from your Lord's provisions, and be appreciative of Him - good land, and a forgiving Lord.

**34:16** They turned away and, consequently, we poured upon them a disastrous flood, and we substituted their two gardens into two gardens of bad tasting fruits, thorny plants, and a skimpy harvest.

**34:17** We thus requited them for their disbelief. Do we not requite only the disbelievers?

**34:18** We placed between them and the communities that we blessed other oases, and we secured the journey between them: "Travel therein days and nights in complete security."

**34:19** But they (turned unappreciative and) challenged: "Our Lord, we do not care if You increase the distance of our journeys (without any stations)." They thus wronged their own souls. Consequently, we made them history, and scattered them into small communities throughout the land. This should provide lessons for those who are steadfast, appreciative.

**34:20** Satan found them readily fulfilling his expectations. They followed him, **except a few believers.**

**34:21 Part:** He never had any power over them. But we thus distinguish those who believe in the Hereafter

from those who are doubtful about it.

**\*\* Consequences for the "Guilty" and Reward for the "Righteous Believers."**

**20:74** Anyone who comes to his Lord guilty will incur Hell, wherein he never dies, nor stays alive.

**20:75** As for those who come to Him as believers who had led a righteous life, they attain the high ranks.

**20:76** The gardens of Eden, beneath which rivers flow, will be their abode forever. **Such is the reward for those who purify themselves.**

**Revealed:** The Aleefs of Absoluteness are 7-6-5 in each verse, **revealing the diff. of 1**. Allah, the Absolute has revealed the Proof for the guilty as well as the reward for the believers, through the **Revelation of 1**.

**Verses 20:74-75. Revealed:** The Allah letters are 15 and 16, **revealing the diff. of 1**. The difference between the guilty and the believers is that the believers uphold *Allah's Absolute Authority* while the guilty do not follow the *Quran* and do not regard *Allah as the Absolute*.

Reflect and analyze these remarkable and distinguished proofs revealed through the numbers **114**, **256**, **110**, and finally **162** through the **letters of the messenger**. The message is crystal clear that those who believe, follow, and uphold the **entire Quran** consisting of **114 chapters** will be considered **submitters 162** to **Allah's Absolute Authority 110**, and on the Day of Resurrection, the **Light 256** will radiate in front of them and to their right. Refer to Verses, 66:8, 57:28, 57:19, 57:13, 57:12, 57:9, 39:22, 33:43, and many more in the Quran.

**3:31 Part:** Proclaim: "If you love Allah, you should follow me (the messenger)."

**Revealed:** The Allah letters are **7**. The verse is clear that those who say they love Allah, then they should follow the messenger to prove their love for Allah.

**Part:** Allah will then love you, and forgive your sins.

**Revealed:** The GV of messenger's letters is 306, revealing the full name of the messenger. Allah has clearly explained through the revelations that if you want to love Allah and for Allah to love you, you have to fully believe in His messenger, Makbool Husain. **Part 2:** If they turn away, Allah does not love the disbelievers.

**Revealed:** The messenger's letters are 14, revealing the seven pairs Miracle as his Sign. It is clear that those who turn away from the message of Allah, then He does not love such disbelievers.

The subject now leads us to verses, which narrate that the believers are supposed to be the upholders and keepers of Allah's laws.

**9:111 Allah** has bought from the believers their lives and their money in exchange for Paradise. Thus, they fight in the cause of Allah, willing to kill and get killed. Such is His truthful pledge in the Torah, the Gospel, and the Quran - and who fulfills His pledge better than Allah? You shall rejoice in making such an exchange. This is the greatest triumph.

**9:112** They are the repenters, the worshipers, the praisers, the meditators, the bowers and prostrators, the advocators of righteousness and forbidders of evil, **and the keepers of Allah's laws.** Give good news to such believers.

**Revealed:** The sum of verse numbers  $111+112 = 223$  revealing the word "The Believers." The verses are addressed to the believers and the sum of verse numbers as 223 confirms the truth of Allah's narration.

**Revealed:** The GV of Allah letters for both verses is 779 and 475, revealing the sum of 1254, that is  $19 \times 66$ , Praise be to Allah.

**9:111 Part 1:** Allah has bought from the believers their lives and their money in exchange for Paradise.

**Revealed:** The Allah letters are perfectly 19 confirming and proving the promise of Allah.

**Part:** Thus, they fight in the cause of Allah.

**Part:** Willing to kill and get killed.

**Revealed:** The messenger's letters are 12 and 11 in each part, revealing the diff. of 1. The truthful and reverent believers are always ready to fight in the cause of Allah when the messenger issues the command to do so.

**9:111 Part:** Such is His truthful pledge in the Torah, the Gospel, and the Quran.

**Part:** And who fulfills His pledge better than **Allah**? You shall rejoice in making such an exchange. This is the greatest triumph.

**Revealed:** The **Allah letters** are 14 and 19 in each part, **revealing the Sacred Codes of 14-19** – this revelation is a strong proof regarding **Allah’s pledge** in the Torah, the Gospel and the Quran. Note that up to the Quran, there are **14 letters of Allah**, the fulfillment of the revelation of **Seven Pairs for messenger M.H.**

**Revealed: Both Parts:** The messenger's letters are 17 and 31, revealing the diff. of 14. This is the incontrovertible proof through the Miracle of Seven Pairs showing Allah’s mercy for the present day believers who fulfill their pledges with Allah that they have made through the messenger. In return the Most Merciful Allah will fulfill His pledge by granting Paradise to such believers. The reward of Paradise is the ultimate in rewards that the believers can expect or imagine; therefore they should rejoice in such an exchange.

**Part:** And who fulfills His pledge better than **Allah**?

**Revealed:** The GV of **Allah letters is Perfectly 77**, revealing and confirming through the Miracle of Seven Pairs that **Allah** is the only One who fulfills His pledges to the believers. When **Allah** fulfills His pledges, then the believers should fulfill their pledges to Him.

**Part:** You shall rejoice in making such an exchange. This is the greatest triumph.

**Revealed:** The **Allah letters** are 12 and **messenger’s letters** are 21, revealing **the Sacred Code of 1221**, to confirm the greatest triumph for the believers who made the exchange with **Allah** as per the verses.

**Revealed:** In the entire verse from the beginning, the **Arabic letters** are precisely **110** up to “**The Quran**” and **128** up to “**Allah**” providing the incontrovertible proof that the Quran is marked with the messenger’s name by **Allah, Most Praiseworthy** and has been revealed to him.

**Revealed: The 2 sacred words** – From “*Al Quran to Allah*” – they are linked together with the inscription of **14 letters** of the **messenger**, proving that the messenger’s name letters are part of the Quran’s verses and words, **Subhan Allah**.

Since the believers are described in Verse 9:112 as the “repenters,” they should repent to **Allah** a firm repentance in order to be forgiven for their sins. In addition, they should implore **Allah** to protect them from falling in sin before it is too late to repent. I will recite the following verses.

**24:31 Part:** All of you shall repent to **Allah**, O you believers, that you may succeed.

**66:8 Part:** O you who believe, you shall repent to **Allah** a firm repentance.

**Revealed:** The **Allah letters** are 15 and 16 in each verse, **revealing the diff. of 1.**

The words “*firm repentance – toobatan nasoohan*” have a clear and precise meaning.

**Revealed:** The GV of **Allah letters** is 6 and GV of **messenger’s letters** is 72, **revealing the diff. of 66, Subhan Allah**. This proves that the repentance has to be sincere and firm as you are

repenting to **Allah, the Almighty, the Great**. If you commit gross sins after repenting, then you have transgressed upon **His Absolute Authority** and will be guilty of idol worship.

**40:9 Part:** (*The angels implore Allah*) And protect them from falling in sin. Whomever You protect from falling in sin, on that day, has attained mercy from You.

**Revealed:** The messenger's letters are 19, revealing the sacred miracles through *messenger's letters*

**Part:** Whomever You protect from falling in sin.

**Revealed:** The GV of messenger's letters is **296**, revealing the word "Rasool - messenger." Allah is the One who protects the messenger/s from falling in sin.

**Part A:** Whomever You protect from falling in sin.

**Part B:** On that day, has attained mercy from You. This is the greatest triumph.

**Revealed:** The GV of messenger's letters is 296 and 362, revealing the diff. of **66**, **Subhan Allah**. The revelations and the proofs explain that indeed *Allah protects the messenger from falling in sin*; hence the glorified proof of **66** is revealed through the messenger's letters.

**2:286 Part:** (*the believers implore*) **Our Lord**, protect us from sinning until it becomes too late for us to repent.

**Revealed:** The **Allah letters** are 13 and **messenger's letters** are 14, revealing the diff. of 1. Note that in **Verse 40:9**, the **messenger's letters were 19** and in **Verse 2:286**, they are **14**, thereby revealing the importance through this proven command that is coded with **19 and 14 letters** of the **messenger**, in imploring **Allah** to protect you from falling in sin until it becomes too late to repent.

Once the believers start falling in sins by forgetting **their Lord**, they are led on by satan to commit more sins, and make them forget their oaths and covenants made with their **Lord**. The **angels** even pray to **Allah** to protect the believers from falling in sin, as they feel concerned for the believers. At the same time, the angels know that it is ultimately in **Allah's control** to protect certain believers from falling in sin, or to let them follow the devil. If **Allah** protects anyone from falling in sin, then they have attained a great mercy from Him.

**What constitutes idol worship?** There are a whole lot of sins that constitute idol worship. They start from setting up idols beside **Allah**, worshiping 2 gods (Allah and satan), breaking your pledges, oaths, and covenants made with **Allah**, disbelief or partial belief in Quran, disbelief in the miracles, signs, and proofs of the Quran revealed through His messengers, distorting and concealing the commands of **Allah**, doubting His Words, repelling others from following the Quran, challenging **His Absolute Authority** by disobeying or changing His command, making distinction amongst His messengers, disbelief in any messenger sent by Him, worshiping the messengers and human scholars, disregarding, disobeying, and ignoring the command of the messenger, being sedentary when called to strive in the cause of **Allah**, speaking above the voice of the messenger, expressing personal opinions, disbelieving after believing, wasting time through vain talk, breaking the "one religion" into sects, failing to observe the worship practices as decreed, arguing about His religion, indulging in gross sins like adultery, engaging in premarital sex or post-marital sex with a person that you are not married to, going against the laws of Allah, disobeying your parents, except when they force you to commit idol worship, killing your children, murder of any innocent human being, **and**

**there is much more in the Quran that constitutes idol worship – in essence worshiping the devil by going against the command of the Creator, Lord of the Universe.**

**6:20** Those to whom we have given the scripture recognize this as they recognize their own children. The ones who lose their souls are those who do not believe.

**6:21** Who is more evil than one who lies about Allah, or rejects His revelations? The transgressors never succeed.

**Revealed:** The Allah letters are 19 and 20 in each verse, **revealing the diff. of 1**. The scripture has been proven by Allah to be from Him. Those who disbelieve in the scripture, lies about Allah, or rejects His revelations, are the transgressors who will lose their souls and will be condemned to Hell.

**6:20 Part 1:** Those to whom we have given the scripture recognize this as they recognize their own children.

**Part 2:** The ones who lose their souls are those who do not believe.

**Revealed:** The Aleefs of Absoluteness are 6 and 4 in each part, **revealing the diff. of 2** (gods) for the disbelievers in the Scripture.

**Revealed:** The messenger's letters are 18 and 16 in each part, **revealing the diff. of 2** (gods) for the disbelievers and transgressors who fail to uphold Allah's Absolute Authority projected through His messenger.

**6:82** Those who believe, and do not pollute their belief with idol-worship, have deserved the perfect security, and they are truly guided.

**Revealed:** The Allah letters are **Perfectly 19**, and messenger's letters are 33, **revealing the diff. of 14**. The revelation of 19 and 14 is for the truly guided believers who refrain from polluting their belief with idol worship, by being steadfast and righteous. Such believers who follow Allah and His messenger are assured the perfect security by Him.

**6:104** Enlightenment have come to you from your Lord. As for those who can see, they do so for their own good, and those who turn blind, do so to their own detriment. I am not your guardian.

**6:105** We thus explain the revelations, to prove that you have received knowledge, and to clarify them for people who know.
