

Sermon

**In the Hereafter, Allah will not speak to those who forgot Him in this life.**

I seek refuge in Allah from satan the rejected.  
In the name of Allah, the Most Gracious, the Most Merciful.

This guidance has been converted from an email to a Sermon, due to the length of the subject matter. I am sure that all of you are aware and see what is going on in the various countries on earth. You can see the destruction, the carnage, the killing of innocents, the bombings, the murders, insecurity, total chaos, marches by the gays and lesbians with the approval of the governments, dire economic crises, lack of jobs for the young and the old, and much more than I can probably describe. In short, to sum up this disorderly and chaotic situation, I can only say that the devil is relishing in the fact that he has gotten control over the majority of the people on earth and is leading them on, in the way that he knows best - to make sure that they disbelieve in Allah, their Creator. To achieve his goal, satan causes one group of people to fight with the other, create tyranny and disregard for the value of human life, oppression and persecution, create wars thus causing starvation by depriving farmers to work in their farms and most of all causing hatred and animosity between one another. The sermons and speeches made by the scholars, religious ministers, false imams, priests, evangelists, of all religions are full of idolatry based on the falsehood, self opinion, and conjecture uttered by them. None of the fabricators and falsifiers ever preach to their followers that: "there is only one Lord of the universe" and that the Day of Judgment is inevitable. Instead, they encourage their followers to keep on worshiping human beings, dead and alive, as well as their scholars, idols, and statues. Moreover, these leaders get wealthy by asking their followers to donate generously, and all the donations are used to enrich themselves.

The question is "why is all this happening." Is it the natural order of **Allah's system** to have chaos, oppression, persecution, murder and enslavement of one group by the other, or is it a gross violation and disregard by the disbelievers of **His Omnipresence and His Laws** by following the dictates of satan - the devil. For such wicked people, the **concept of Allah** as the **sole Creator** does not exist, nor are they aware that He is watching and seeing everyone and everything. The latter is the answer to the events unfolding now and throughout the past history as well. Due to the lack of concept and belief in the Creator, it is similar to a jungle where no laws exist for the animals, and the strong ones eat and devour the weak, as they will. The animals have not been granted the purpose of their lives, unlike the humans, who have been granted the reason for their creation, the purpose of life, what they are supposed to do on earth and how to behave, and what happens after they die on Earth.

**7:179** We have committed to Hell multitudes of jinns and humans. They have minds with which they do not understand, eyes with which they do not see, and ears with which they do not hear. They are like animals; no, they are far worse - they are totally unaware.

**Revealed:** The **messenger's letters** are perfectly inscribed in the verse as 66, **Praise be to Allah.**

**Revealed:** The **Allah letters** are 49 and **messenger's name initials** are also 49, thus they are **Perfectly Matched**, both are multiple of 7, revealing  $7 \times 7$  through each of them.

Thus, their fate is sealed for the worst retribution in Hell.

**Revealed:** The **Aleefs of Absoluteness** are 2-3-4 in each part, **revealing the diff. of 1, Glory be to Allah.** The disbelievers who did not use their minds, eyes, and ears for the purpose they were created have blasphemed **Allah and His Absoluteness** for failing to use them.

The majority of the people are unappreciative of **Allah** and the blessings He has bestowed upon the human race. They never stop to think and reflect where all of the provisions come from, who has created them, who controls them, and the purpose behind all these blessings. They pretend to be blind to the visible signs in the sky, the galaxies and the trillions of stars in the galaxies, the perfect timing of the sunrise and the sunset, the ever changing weather, the blowing of winds, the change in the color of the leaves according to the seasons of the year, the tornadoes, hurricanes, the tsunamis, the forest fires, the droughts, the extreme heat and cold on the same planet, and many other phenomena happening day and night right in front of their eyes. Simply put, ALL the human beings, except a FEW have always forgotten ALLAH and therefore, He has forgotten them and will also forget them on the Day of Resurrection. The Most Praiseworthy Lord is never forgetful, as Verse 19:64 points out.
